The news of the death of Mr. Geo. Maltby, in Toronto, last Monday, came as a surprise to his many friends here, where he lived for forty years and was much respected. The memorial service in the Disciple Church was well attended and conducted by Rev. R. G. Quiggin, of the Hillcrest Disciple Church, Toronto, Rev. Mr. Humphreys, of the Baptist Church, and Rev. F. C. Harper, B. D., of St. Andrew's. Interment took place at Huxley's cemetery, where, in spite of falling rain, many paid their last earthly respects to a departed friend.

GUARD BABY'S HEALTH IN THE SUMMER

The summer months are the most dangerous to children. The complaints of that season, which are cholera infantum, colic, diarrhoea and dysentry, come on so quickly that often a little one is beyond aid before the mother realizes he is ill. The mother must be on her guard to prevent these troubles, or if they do come on suddenly to banish them. No other medicine is of such aid to mothers during hot weather as is Baby's Own Tablets. They regulate the stomach and bowels and are absolutely safe. Sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

MUNICIPAL EXPENDITURES

A good deal is heard these days about increase in the national expenditure since the war. What about municipal expenditures? Streetsville's tax rate is 50 mills, made up as follows: County rate, 8 mills; village rate, 13 mills; debenture debt, 12 mills; high school, 6 mills, and public school, 11 mils. Weston's rate will be 46 mills; Mimico 44; Oakville 42.7; Orangeville 40; Georgetown 39.8; Port Credit 40. The people of towns and villages are asking improvements in roads and streets and are demanding sewers and water and light services which were not asked for in days gone by. The comforts and conveniences of life are looked for by everyone. They must be paid for. Hence the increased tax rates.

CARELESS DRIVING

J. S. Woods, of Bolton, appeared in Brampton Police Court in connection with certain damages sustained by a Chevrolet Car, which Thomas Delaney, of Brampton, formerly of Caledon, had drawn up by the side of the Centre Road in order to have a look at the Shelburne car, burned on May 14th. Woods, proceeding in the same direction, and with plenty of room to pass, took his eyes off the road for a second, and ran into the Delaney car. Woods' car lost a wheel, while the fender of Delaney's car was bent and the running board split. It cost $16.70 to have it repaired in the Chevrolet garage. The evidence went to show that Woods had promised to have the damage repaired at the time of the accident. On Saturday he thought the repairs should have been done at the Ford garage, as he has a son working for that make of car in Bolton. He paid a fine of $5 for careless driving, $5.50 in costs, and the amount of the garage bill. E. C. Forster, B. A., of Bolton, appeared for Mr. Woods, and evidence on the other side was given by Thomas Delaney and his son, and Mr. Rinehelt.

MONO COLLEGE

The Mono College Branch of the Women's Institute held a very successful picnic in Mr. A. Shirley's grove on August 4th. The afternoon was spent in sports of many kinds. The next meeting will be held at the home of Mrs. G. M. Cruikshank, Blind Line, on Friday afternoon, Sept. 9th, at 2.30 p.m. The program will be taken by The Maples Institute. The roll call will be answered with a conundrum.

WOMEN'S INSTITUTE

The Orangeville Women's Institute will meet at the home of Mrs. Harvey Curry, Third Ave., on Tuesday, August 30th, at 3 o'clock. A Paper will be given by Mrs. E. H Sproule. There will also be a good musical program. A Report will also be given of the County Convention in Shelburne. Every member is urgently requested to be present, as there are several important items of business to be transacted. Every person interested in Institute work is cordially invited.

ON PHARMACY COUNCIL

Mr. T. J. Brown, druggist, of Milton, formerly of Orangeville, has been selected as one of the druggists who will represent the thirteen districts of the province on the Council of the Ontario College of Pharmacy for the next two years. He succeeds Alex. Stewart, of Guelph, who has held that position for 15 years. Mr. Brown has the honor of being the youngest member on the council.

A SUSPICIOUS DEATH

Robert Lee, a resident of the village of Rosemont, died on Monday night under circumstances which indicate strychnine poisoning. Lee and his wife were berry picking on Monday. On his return home the deceased took a dose of medicine and complained a short time afterwards of illness. He grew worse and word was finally sent for a Shelburne doctor. When the physician arrived the man was dead. When the circumstances were reported to Dr. Rooney, Coroner, he ordered an inquest. The body was brought to Orangeville Tuesday night and arrangements were being made to empanel a jury and view the remains yesterday. Lee was a man about 50 years of age and had formerly farmed in Mono.

Miss Elva Brett, youngest daughter of Mr. and Mrs. T. J. Brett, had her tonsils and adenoids removed at the Lord Dufferin Hospital on Tuesday afternoon. The operation was performed by Dr. W. T. Wallace, of Kitchener, a brother of Mrs. Brett.

Mr. H. S. Campbell and daughter, Miss Ruth, of Ottawa, were guests of the former's brother, Mr G. A. Campbell, and other friends in town over the week-end. Mr. Campbell, who is an ardent bowler, took part in the Dominion Tournament in Toronto last week and then came on to Orangeville for a week-end visit.

Mr. Ed West, of Omaha, Neb., spent a couple of days looking up old friends in town this week. Mr. West spent his boyhood here, but has been away from Orangeville for forty years. He is a brother of Mr. R. F. West, of Grand Valley, formerly of Orangeville. Mr. West is interested in a large shirt factory in Omaha.

Mr. and Mrs. Oliver Cooney and son, Oliver, of Orangeville, motored to Corbetton on Saturday and spent the night with Mrs. Cooney's brother, Mr. J. N. Gordon. From Corbetton they motored to Owen Sound accompanied by Mr. and Mrs. Gordon and son and spent a few days at the home of Mr. and Mrs. Wm. Neilly. They returned home on Tuesday evening.

Mr Justice Walsh, of Calgary Judge of the Supreme Court of Alberta, Mrs. W. S. Waugh, of Toronto, and Mrs. J. N Fish and daughter, Miss Constance, of Regina, motored to town from Toronto last week and were the guests of friends at Caledon Lake for a day. The visitors, who are all former residents of Orangeville, were interested spectators at the lacrosse match on Wednesday. Judge Walsh, who was an enthusiastic supporter of The Dufferins while he resided here, stated that he had not witnessed a lacrosse game for twenty years.

PRIZE LIST OMISSION

In the Orangeville Fall Fair Prize List an inadvertent error occurred in the roadster horses class. This was the omission of section 32, roadster spring colt. Intending exhibitors in this section are asked to note that entries will be received in this class notwithstanding the omission. The prizes awarded will be $4.00, $3.00 and $2.00 as in the other roadster sections.

DAWSON–FORBES

A very pretty event took place at the home of Mr. and Mrs. Angus Forbes, Wellington St., on Wednesday afternoon, August 17th, when their daughter, Isobel Caroline, became the bride of Mr. Thomas J. Dawson, of Brampton, son of Mr. and Mrs. Thomas Dawson, of Orangeville. The marriage ceremony was performed by Rev. R. J. McCarten, of Priceville, cousin of the groom, in the presence of upwards of seventy-five guests, mostly immediate friends of the bride and groom. The ceremony took place in the drawing room, the bridal party taking their places under a large arch of evergreen and golden glow banked with flowers, ferns and palms. The bride, who was given away by her father, was gowned in white crepe de chene, wore the customary bridal veil and orange blossoms and carried a bouquet of sweetheart roses. She was attended by her sister, Miss Mildred, dressed in orchid satin with cream leghorn hat and carrying a bouquet of orchids. The groom's brother, Mr. Fred Dawson, officiated as best man. Little Misses Thelma Forbes and Madeline Wilcox, the flower girls, were dressed in pale pink organdie and carried baskets of sweet peas. Miss Madeline Leggett, one of the bride's girl friends, played the Lohengrin wedding march prior to the ceremony and Mrs. Russell Morrow sang "Sunshine of Your Smile" while the register was being signed. The bride was the recipient of a large number of beautiful wedding gifts. After the newly wedded couple had received the congratulations of the assembled friends a dainty buffet luncheon was served in the dining room, which was artistically decorated in pink and white. Later in the day Mr. and Mrs. Dawson left by motor for their home in Brampton, the bride travelling in a suit of beaver shade broadcloth with a dainty hat to match. The Banner joins the many friends of the happy couple in extending its hearty congratulations.

Amongst the friends present from a distance were Mr. and Mrs. Geo. Jackson, Toronto; Mrs. S. E. de Cudmore, Fleshertom; Mr. Adams and Miss Jackson, Toronto; Messrs. Geo. and Donald Forbes and Mrs. Forbes, sr., Toronto; Mrs. Tufgar, Hamilton, and Mr. and Mrs. Wm. Forbes, California.

GROCERY CHANGE

Mr. J W. South has sold his grocery stock and business on First St. to Dominion Stores, Limited, a company operating a chain of grocery stores in different parts of Ontario. The manager of the Orangeville store is Mr. S. R. Reid, a son of Mrs. J. C. Reid. Mr. Reid is already in charge and is getting his stock in shape to open for business on Saturday

CALEDON POTATO EXPERIMENT

In order to compare potato seed of different varieties from various sources, annual experiments are being conducted in Peel by the Department of Agriculture. This year Jas. Johnston & Sons, the well-known and enthusiastic growers of North Caledon, have undertaken the work. Plots have been planted as follows:

Plot 1—Green Mountain potatoes grown in Northern Ontario.

Plot 2—Green Mountain potatoes grown in Prince Edward Island.

Plot 3—Green Mountain potatoes grown in Old Ontario. (selected)

Plot 4—Green Mountain potatoes grown in Old Ontario. (common)

Plot 5—Dooley, Rural New Yorker, grown in Northern Ontario.

Plot 6—Dooley, Rural New Yorker, grown in Old Ontario.

Plot 7—Irish Cobbler potatoes, grown in Northern Ontario.

Plot 8—Irish Cobbler potatoes, grown in Prince Edward Island.

Plot 9—Irish Cobbler Potatoes, grown in Old Ontario. (selected)

Plot 10—Irish Cobbler potatoes, grown in Old Ontario. (common)

During the early part of the growing season, very little difference could be noticed between the plots of any one variety. However, when an inspection was made on August 16th, some clearly defined distinctions were evident. In the Green Mountain variety, the northern grown seed from P. E. I. and New Ontario was showing a much richer, healthier color and more vigour of stock than the crop from the Old Ontario seed. In the Dooleys, however, the Old Ontario was observed to have a decided advantage. The northern grown plots were leading in the Cobblers, while the Old Ontario Selected seed had the advantage over the common or average.

When the harvesting is being done, the yield from the different plots will be carefully weighed and results published. In the meantime, anyone interested in potatoes is invited to visit this experiment and to observe the differences noted above. The different plots have been carefully labelled so that confusion is impossible.

These special plots of potatoes are being grown in the centre of an excellent 15 acre field which is well-worth seeing as it would be difficult to beat in the district. The larger acreage is of the Green Mountain sort, while some Dooleys are being grown in a commercial way also. The entire field has been well-cultivated, and both varieties appear to be seeding excellent "bottoms."

CANADIAN PACIFIC FARM LABORERS' EXCURSIONS

As sufficient Farm Laborers have already gone to the West, the railways have been requested to cancel further excursions.

W. B. HOWARD,
District Passenger Agent.

1000 votes free to those attending Saturday evening performance at Gem Theatre. Every girl or boy should be there and get a big start with all these votes.

DANGEROUS LIGHTNING

On Saturday afternoon, about 1.30 p.m., wth very little warning of an approaching storm, one of the most peculiar lightning crashes seemed to strike over the town. Almost every resident thought it was their place that had been struck.

It was only a few mnutes until it had become known that it was the Templin Carriage Works that had received the shock. The lightning struck the large metal ornament on the top of their fine flag-pole, shattered the pole into a thousand splinters and ran down the metal roof to the ground. The fuses in the telephone and electric service, as well as the porcelain containers, were shattered. Not a workman was injured and fortunately fire did not break out, this being attributed to the building being covered with a metal roof.

The current also entered the home of Dr. McFadzean next door and fired the curtains, but without further destruction. All the telephones in that section of the town were put out of business and many of the wires fused in the main cable.. Nearly every citizen received a rude awakening by the shock.—Fergus News-Record.

OUTBOUND

For those who fly to seek the haven's shelter,
The coastwise shoals and sands hold peril dread,
Let such reef sail, and sound the foaming welter,
And hold the anchor ready at the head.

But not so we. Outbound our course is headed;
Sea room awaits; behind us all our fears,
Free ocean's space holds nothing to be dreaded,
Nor perils lie in God's eternal years.

Welcome, then offshore wind! Each sail unsheeted,
The charted course true held, to sea! to sea!
Whatever comes, that shall be bravely greeted,
And nothing feared of all that is to be.

It costs $50,000 to stage the night spectacle at the Canadian National Exhibition.

The Canadian National Exhibition prize list this year totals $35,000, practically all for agriculture.

Canadian National Exhibition Park has a value of $5,000,000 and the buildings an additional $3,000,000,,without the new Arena.

EARLY CENSUS FIGURES

All Ontario Cities and Towns Show Increases Compared with Census of 1911.

Windsor, Ontario, increased in population by 116.17 per cent. during the last ten years' period, according to figures issued by the Dominion statistician. Others increasing more than 100 per cent. were Walkerville and Thorold. These are preliminary figures and are subject to correction. Adjustments on account of closed houses and absentees have yet to be made, and the Dominion Bureau of Statistics points out that it is the duty of anyone who thinks he or she has been omitted from the census to notify the bureau to that effect, when an investigation will be made. Returns issued are as follows:

	1920	1911	Inc
Windsor	38,541	17,829	20,712
Ford City	5,860	....	....
Sandwich	4,419	2,302	2,117
Walkerville	7,040	3,302	3,738
Lindsay	7,542	6,969	573
Galt	13,210	10,299	2,911
Preston	5,431	3,883	1,548
Paris	4,365	4,098	267

Tranton	6,892	2,988	1,904
Chatham	12,301	10,770	1,531
St. Kitts	19,664	12,484	7,180
Peterboro	20,989	18,360	2,629
Niagara Falls	11,789	9,248	2,541
Welland	8,677	5,318	3,359
Thorold	4,823	2,273	2,550

WANTED WIFE

Grand Valley Man on Warpath in Hospeler.

There was excitement on Roos Hill, Hospeler, on Saturday night about 10 o'clock when George Maxwell, of Grand Valley, arrived. He went into the home of Mrs. Courtney, it is said, and demanded to see his wife. It appears that Mrs. Maxwell is a sister of Mrs. Courtney and left her husband a month ago at Grand Valley and came to Hespeler. The husband came to Hespeler and went into the house, and while there, it is alleged, that he threatened to shoot his wife if she would not accompany him home. Mrs. Maxwell consented to go with him and said she would go upstairs and get her clothes. Instead of doing this she ran out of the back door, through a corn patch and succeeded in getting into a neighbor's house and away from her husband. In the meantime Milton Hagey, who was in the house at the time, got his automobile and went for Chief Wilson. The Chief arrived on the scene in a short time and arrested the man. When arrested the man had a loaded 30 calibre revolver on him. He also had a number of other bullets in his pocket. The man was taken to the cells and locked up. He also had a small bottle of alcohol. He is a man 53 years of age and is a blacksmith by trade and lives in Grand Valley. He motored here in a Ford car.—Guelph Herald.

WILLIAM CRISP

The death occurred on Thursday, August 11th, of William Crisp, for many years a highly esteemed resident of the Honeywood locality, at the age of 84 years. The deceased farmed in Mulmur for several years, later retiring and moving into Honeywood, where he worked at the shoemaking and cobbling. His wife predeceased him some years ago but he is survived by four sons, Wm. Crisp, Alliston; Thos. Crisp, Toronto; Robt. Crisp, Antes Mills, and Geo. H. Crisp, Lumsden, Sask.; and two daughters, Mrs. Edgar Jamieson, Collingwood, and Mrs. Ralph Siddall, of Honeywood, the funeral on Saturday, taking place from the latter's home. Interment took place in Horning's Mills cemetery, the services at the house and grave being conducted by Revs. Bamford and Naylor.—Free Press.

ROBT. ORMSBY, SR.

The death of Robt. Ormsby, sr., at his home, lot 11, con. 3, E. H. S., Mulmur, on Friday, August 12th, removes another of the oldest and highly respected residents of that township. Death was due to dropsy, from which the deceased had been afflicted since April last. Born in County Sligo, Ireland, on November 8th, 1842, the deceased came to Canada with his parents in 1860, first setling at Whitby. Two years later he came with his parents to Mulmur township. On October 24th, 1864, he was married to Eliza McMahon, who predeceased him about seven years ago, and they settled on the farm where deceased resided until his death. He was a member of Perm Loyal Orange Lodge No. 355, and an honorary member of the lodge for many years, and the funeral, on Sunday, was under Orange auspices. Deceased is survived by five sons and one daughter. The sons are:—John T., Robt. J., George and Herb., all of Mulmur, and Isaiah, of Toronto. Miss Susan Ormsby, at home, is the only daughter. His remains were interred in Mansfield cemetery on Sunday afternoon last, the funeral being an exceptionally large one. After interment, service was conducted in the Presbyterian church, conducted by the pastor, Rev. Geo. Milne.—Free Press.

THE DEITY OF CHRIST

The inspired writers give Him all the titles of the Most High God. They call Him over and over by the uncommunicable name, Jehovah never given to any creature. They ascribe to Him all the attributes and all the works of God. So that we need not scruple to pronounce Him God of God, Light of Light, very God of Very God; in glory equal with the Father, in Majesty co-eternal.—John Wesley.

LETTER FROM MRS. WAKELIN

Tells Remarkable Story of Sickness and Recovery.

Toronto, Ont.—"I suffered greatly from weakness, seemed to be tired all the time, and had no ambition to do anything or go any place. My nerves were in bad shape, I could not sleep at night, and then came a breakdown. I read of Lydia E. Pinkham's Vegetable Compound in the newspapers and several of my friends advised me to use it, and it surely put new life into me. Now I am quite able to do all my own work, and I would strongly advise every suffering woman to give Lydia E. Pinkham's Vegetable Compound a trial."—Mrs. Charles Wakelin, 272 Christie St., Toronto, Ont.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for more than forty years.

If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

REMINISCENCES OF TUB-TOWN SIXTY YEARS AGO

Well do I remember the little log schoolhouse about twice as long as it was wide, and extending north and south, with little windows that had to be pushed horizontally when we needed more fresh air — which was very seldom indeed, as we could always see daylight through the chinks between the logs.

This school was situated about half a mile east of the village on the road to Erin, but they came from far and near to it. Roarin' John Smith's boys from away up the fifth line—Jim and Robert and Sandy, and the "Jumpin' Tailors" family—Overlands. They lived somewhere down the townline, and the Blairs, Jane and Archie, they came from down the fourth line south of Tubtown, and the Martin girls from over the river. They lived in a neat little hewed log house across the road from Bob White's. Bob's house was frame, clap-board, but not so nice as the Martin's with the profusion of flowers around it—Hollyhocks, sunflowers, roses, old man, and many other sweet-scented beauties that filled the air with fragrance. Though I was only six or seven years old then, I can see them distinctly yet and almost feel the odor. What a pity it is that there are not more flowers around our dwellings to-day! They are like music; they lift our souls nearer heaven.

I must not forget the Wilson boys on the town line. There were a few of them—Joe, Charlie, Bill, George, Tom and Johnnie—a vigorous, healthy, husky and go-ahead family they were.

I shall always remember the first day I went to school with my older sister. I gripped her hand mighty tight. We were a few minutes late, and" the master," Noah Herring, was standing on a bench (there were no chairs), hanging up an old tattered map of Europe to the right of the half defaced blackboard. He was a rather tall, wiry-looking man, kind-hearted to children, but with a slight touch of humorous cynicism. He had a thin beard and a keen penetrating eye. The Honorable George E. Foster often reminds me of him. He lived in the village and had a nice garden and at times his daughter, Mary, used to bring us a big bunch of flowers. He lived in a neat little frame house facing east on the main street. His garden abutted that of his brother-in-law, Tom Bush, nervous man with a July temper, a good shot with a rifle and handy with a shot gun. Everybody had a gun in those days. He had good taste in regard to his home, had shrubbery and flowers and a fish pond; but he prided himself especially on his vegetable garden. He covered his cucumbers carefully every evening when there was any sign of frost (those early settlers could almost smell frost coming). He also had a good opinion of everything he owned, and a good opinion of himself. In fact, everybody had a good opinion of himself in those days. Not that they were proud of what they had been, nor even of what they were. But when it came to what they were going to be, that was where they did shine! When they were going to have their farms all cleared and the stumps out, and a bank barn, and, to cap the climax, a brick house, then the millenium would have arrived for certain! When the honest old first settler saw all these things accomplished, he generally laid himself down and died.

I must tell you a Tubtown story which my father told when I was a very small boy, and I remembered it much better than any Sunday School lesson.

Tom Bush met Herring one day and the following conversation took place: "See here, Herring, if you don't keep those — hens of yours out of my garden, I'll shoot them."

"Y-e-s," Herring drawled out in his quiet way.

"Now, mind, I'll shoot them if I get them there again."

But they still went into Tom's garden, and, true to his word, he shot two of them and threw them into Herring's lot.

A few days later he met Herring.

Give us a Hand!

CITIZENS of Ontario—The only salvation for Ontario's revenue-producing forests is the prevention of forest fires. Your support and co-operation is absolutely essential.

Forest fires are rapidly diminishing our resources of timber and pulpwood. Over 90 per cent. of Ontario's forest fires are caused by human carelessness.

If everybody was careful to prevent the start of fire, Ontario's Forest would be safe.

Save Ontario's Forests
They're Yours

BUSINESS MEN of Ontario — Lend us a hand. The various business associations — of bankers, boards of trade, manufacturers, merchants, lumbermen, engineers, educationalists, tourists, and sportsmen, and all other bodies of weight and influence, can do a great work for this province and for their own interests as well by actively promoting educational propaganda to reduce forest fires.

RAILWAY OFFICIALS can help. Railways cause 40% of Ontario's Forest fires. The Forestry Branch is being well supported by improved co-operation on the part of railway officials and by the Dominion Railway Board. Let us reduce the number of railway fires one-half this summer. (The train passenger in Northern Ontario who nonchalantly throws his cigarette or cigar out of the window during the forest fire season is deserving of a jail sentence!)

CAMPERS, tourists, fishermen, picknickers, berry pickers, prospectors and hunters should feel their responsibility even though out of sight of the policeman.

SETTLERS can co-operate by exercising more care in setting out fire on their own property.

LUMBER FIRMS can help by impressing on all foremen the need for carefulness. River-drivers in dry seasons should be specially warned. Gangs of men going in and out to the camps need special attention, because of the danger along the slash-lined trails from the inevitable cigarette.

THE PRESS could do more public-spirited constructive work to reduce forest fires than any other single agency. This is a non-political campaign in which the whole press could join.

LEADERS OF PUBLIC OPINION in every community should be the first to extend a helping hand. Tell the Chief Ranger or write the Head Office any time you have information or suggestions to impart, or questions to ask.

GIVE US A HAND!

Ontario Forestry Branch - Parliament Buildings, Toronto

18

"Well, I told you I'd shoot them."

"Yes, Tom, and they were good and fat. A nice pot of soup we had!"

"Yes, with eating my stuff! I'll shoot every —— hen you've got, if you don't keep them out. . . Now mind!" and Tom started off in high dudgeon.

"But wait, Tom," said Herring "They were your own hens, not mine." You wouldn't print what Tom said then. — Erin Advocate.

A Tribute

Our ability, to explain in print why The Hoover excels, is dwarfed by the enthusiastic endorsement of a half million Hoover users, thousands of whom have been using Hoovers on their carpetings for the past ten or twelve years.

The Canadian Oil Fields people are down over 2100 feet in their drilling west of Shelburne and have for the past ten days been going through a very hard and thick rock body.

Mrs. John Richardson, of Elora, had the misfortune to fall through a trap door into the cellar. Although bruised and suffering from the shock, fortunately no bones were broken.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit etc. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample Box free if you mention this paper and enclose 2c. stamp to pay postage.

David Beattie, who was 87 years old when he died, spent his whole life on the Beattie homestead, 3rd concession, Westminster, and was the last of a family of eight sons and seven daughters.

Because a fellow-traveller he met on a road near Sturgeon Falls did not reply to his salutation of "Good night!" Omer Giraud jumped on the man's back, threw him to the ground and mishandled him.

Mr. Louis Catchpole, of Owen Sound, has an Ancona pullet that is forming the egg-laying habit very early in life. It was only 4 months and 18 days old when it showed that it was an egg layer.

Ruth, the little daughter of Mr. and Mrs. P. O. Nelson, Mount Forest, was bitten by a dog, on the cheek below the eye. Several stitches were required to close the wound. The dog was destroyed next day.

The damages of $500 paid by Rev. J. O. L. Spracklin, pastor of Sandwich Methodist Church, to O. E. Fleming, K. C., of Windsor, have been turned over to Grace Salvation Army Hospital building fund by Mr. Fleming.

Deputy-Reeve T. J Simpson, of Amaranth, while up a ladder about 20 feet fixing a barn door, the wind moved the ladder so that it fell taking Mr. Simpson with it. He landed on a box and had two or three ribs broken.

The Canadian National Exhibition prize list this year totals $85,000, practically all for agriculture.

The use of sand blast has been found very effective and economical in cleaning the rust and scale from the interior surfaces of steel steamers. It is said that two men in this manner can do the work that formerly required forty.

The Speed River claimed a victim last week when little Percy Hayward, four year old, twin son of Mr. and Mrs. George Hayward, 12 Pipe St., Guelph, lost his life by drowning near Galloway's boathouse, within a few yards of the foot of Tiffany street.

Earl, the two year old son of Mr. and Mrs. David Morton, Hepworth, met with a serious and painful accident when he fell into a pail of boiling water which was to be used in the preparation of food for stock. The child is still in a critical condition.

According to The Bulletin, Collingwood may have a country club. For some time a project looking to this end has been given consideration by a number of citizens. The movement has now been given a new impetus by the Georgian Bay Golf Club.

The ancient Indian pipe of peace used in the ceremony at Penetanguishene on August 3, disappeared mysteriously a few minutes after it was used. It had been planned to place it in the museum at Penetanguishene, and its theft is deeply regretted.

Mr. and Mrs. Bernard E. Rodden, 80 Indian Road, Toronto, announce the engagement of their daughter, Mary Katherin, to Mr. Frank J. Noonan, second son of Mr. and Mrs. J. P. Noonan, Mount Forest, Ont., the marriage to take place early in September.

Venerable Archdeacon Arundel Charles Hill, aged 77, who for some time resided with his brother, Rev. Jeffrey Hill, in Shelburne, died in a Toronto hospital a week ago Monday. He was stricken with paralysis more than a year ago, and was helpless until the end.

Mr. and Mrs. James P. Hunter, of Durham, announce the engagement of their youngest daughter, Grace Janette, to Mr. Gordon C. Macdonald, son of Mrs. Macdonald and the late Mr. John Macdonald, Chatsworth, Ont., the marriage to take place early in September.

A bad accident befell Mr. Archie Brander at the Elora White Lime Co. quarries. By the untimely explosion of two percussion caps used in setting off dynamite blasts, he had three fingers and the point of the thumb blown off the right hand. The injury is a serious and permanent one.

A very quiet marriage took place at the parsonage, Elora Road, Guelph, at 2 o'clock Thursday afternoon, August 18th, when Vida Grace, younger daughter of Mr. William Kirby, and Mr. Elgin H. Tolton were united in the holy bonds of matrimony by the Rev. Roscoe Smith.

An old resident of Mulmur township, in the person of Mary Jane Courtney, widow of the late Walter Thistle, passed away on Sunday, August 21st, at the residence of her son, Robert Thistle, lot 3, con. 2, E. H. S. Deceased was 88 years of age. The funeral took place to Shelburne cemetery Tuesday afternoon.

A car belonging to D. Brush, of Milton, driven by Allan Green, ran into the front of Mr. W. S. Buschlen's store, in Arthur, breaking the large plate glass window. The boy had the car to a garage for oil and when he turned away from the tank, the wheels locked and before he could stop it the plate glass was struck and badly punctured.

That tobacco can be successfully grown in Drayton vicinity is clearly demonstrated in the garden of Mr. Michael Dowling, Drayton, where can be seen as fine plants as the county of Essex can produce.The stalks are fully five feet in height and the leaves are three feet long and nineteen inches across. He has 500 plants which are well worth seeing.—Advocate.

MERCHANT TELLS OF A REMARKABLE CASE

Writing from Maxeya, Ga., A. J. Gillen, proprietor of a large department store at that place says:
"I have a customer here who was in bed for three years and did not go to a meal at any time. She had five physicians and they gave her up. One bottle of Tanlac got her up; on the second bottle she commenced keeping house and on the third she did all the cooking and housework for a family of eight."
This sounds really incredible, but it comes unsolicited from a highly creditable source and is copied verbatim from the letter.
Tanlac is sold in Orangeville by C. V. Jeffers, and by leading druggists everywhere.

FLOWERS ON STAMPS

Japan and Newfoundland are the only countries that have put flowers upon their postage stamps. The Japanese use the chrysanthemum in the centre of all their stamps, and frm 1857 to 1866 on all the Newfoundland stamps was a bouquet of thistle-blossoms. The "thistle issue" as it was known, is very popular with collectors. Japan is the only country that ever issued a wedding postage stamp; it was issued on the marriage of the heir-apparent, seven years ago.

Commercial art will have a place for the first time at the Canadian National Exhibition this year.

Far more effective than Sticky Fly Catchers. Clean to handle. Sold by Druggists and Grocers everywhere.

Holiday Time-
Freedom from all aches and pains assured by

Straight talk on Cream Separators by
J. E. SMITH & Co.
Orangeville, Ont. Canada.

De Laval cream makes the best butter

WHETHER you make butter yourself or sell butter-fat to a creamery, the value of your cream depends largely on the kind of butter it will make.
It is easy to prove that De Laval cream makes better butter. Every first prize awarded at the Convention of the National Buttermakers' Association since it was started twenty-eight years ago, has gone to butter made by De Laval users, or from gathered cream largely De Laval-separated.
The De Laval Separator is more satisfactory; its bowl runs at lower speed and delivers the butter-fat globules unbroken. It is used in practically all of the world's creameries, because it gives not only more cream but better cream as well. And the fact that the De Laval runs at lower speed adds years to its life.
Let us demonstrate to you why the De Laval is the World's Standard Cream Separator

Sooner or later you will buy a De Laval

JOHN HOARE

One of East Garafraxa's First Settlers Passes to His Reward.

In the death of Mr. John Hoare, which occurred at his late home, lot 8, con. 17, near The Maples, late on Monday night, August 22nd, the township of East Garafraxa has lost another of its pioneer settlers. The late Mr. Hoare, who had lived to the remarkable age of 90 years and 11 months, was born in Esquesing township near Georgetown. He was the last survivor of a family of two brothers and two sisters. Each of the other three members of the family was upwards of eighty years of age, when removed by death. Mr. Hoare moved to East Garafraxa over 60 years ago, settling on lot 8, con. 17, now owned and worked by his youngest son, Jacob. Here he lived continuously until the death of his wife (Nancy Dolmage, of Streetsville), about ten years ago. After this great loss he went to Toronto where he resided with his daughter, Mrs. C. O. Douglas, returning about two years ago to end his life in the dearly loved home and amid the surroundings and associations of a lifetime. While frail physically he was able to go about until some six weeks before his demise, when increasing infirmity compelled him to take to bed. He retained full possession of his mental faculties until the end, continued bright and cheerful and bore his illness without complaint and with resignation to the will of the Master, whom he had long since learned to love and serve. The late Mr. Hoare was a progressive and successful farmer and had by perseverance and patient industry become possessed of a fine home and property. He was honorable in all his dealings, an excellent neighbor and there was no man in the community who enjoyed the esteem and confidence of his neighbors in greater measure. The late Mr. Hoare was a staunch and exemplary member of the Methodist Church and outside of his home his chief interest lay in the welfare of his church, to which he was always a cheerful and liberal giver. He is survived by a family of three sons and one daughter. The sons, W. A., J. W. and Jacob, are well-known East Garafraxa farmers. The daughter, Mrs. C. O. Douglas, has resided in Toronto since marriage.

A large concourse of neighbors and friends attended the funeral, which was held from the home of his son, Jacob, the homestead farm, to Greenwood cemetery, on Thursday afternoon. Rev. G. W. Lynd, of Laurel, the family pastor, conducted impressive services at the house and grave. The three sons and three grandsons, Reggie and Clarence Hoare and Henry Reid, were the pallbearers. A number of beautiful floral tributes bore silent testimony to the esteem and sorrow of friends of the departed man. Friends from a distance included Mr. and Mrs. Henry Mullen and Mr. and Mrs. John Mullen, Lucknow; Mr. and Mrs. Tom Douglas and Mrs. May, Hornby; Mr. and Mrs. Jos. Hoare, Georgetown; Mr. and Mrs. Jas. Scott, Erin; Mrs. John Speirs, Toronto; Mr. R. J. Hoare, Guelph; Mr. Fred Douglas, Forest; Mr. Will Switzer, Norval, and Mr. S. Hall, Mr. J. Switzer and Mr. S. Switzer, Streetsville.

A SUSPICIOUS DEATH

Rosemont Man Took Dose of Medicine and Died in Convulsions a Couple of Hours Later.

Poisoning Suspected — Coroner's Jury Will Hear Evidence and Make Finding on the Facts.

The sudden death of Robert Lee, a middle-aged man living in the village of Rosemont, about one o'clock on Tuesday morning, August, 23rd, has created a tremendous sensation in the little village and surrounding community. Circumstances attending the death are said to indicate poisoning and the finger of suspicion points strongly in the direction of the widow. It is said that Mrs. Lee prepared and gave her husband two doses of medicine on Monday night. A short time afterwards he became violently ill and died in convulsions early Tuesday morning.

Lee and his wife live in a house on the property of the late Thomas Hanna on the Mulmur side in the village of Rosemont. The couple had been out picking beries on Monday afternoon and returned home about nightfall. Lee had been taking medicine for stomach and liver trouble. It is said that he had two kinds of medicine in the house and that his wife gave him a dose from each bottle before they retired for the night. Between ten and eleven o'clock he was taken ill and so acute was his distress that he suffered intense agony. A phone message was sent to Dr. Cunningham, of Alliston, but the Dr. happened to be engaged on another case and was not in a position to go immediately. Shortly afterwards he received a second message, but as he was still engaged he advised that another physician be procured. Dr. McLean, of Shelburne, was then summoned, but when he reached the Lee domicile found that the stricken man was already dead. An examination of the body disclosed the fact that death had resulted from some agency, which had caused terrible suffering. Dr. McLean suspected poisoning of some sort and conversation with the wife tended to confirm him in his suspicion. Mrs. Lee readily produced the bottles containing the medicine she had administered, and the contents have since been submitted for analysis to ascertain if they contained any poison and also to determine if the bottles contained the original ingredients of the prescriptions put up by the doctor or chemist from whom they were procured.

Dr. S. T. White, of Shelburne, who had also been asked to go to the assistance of the dying man, reported the circumstances to Dr. R. W. Rooney, coroner for the County of Dufferin, who decided to hold an inquest. The body was brought to Orangeville on Wednesday morning in charge of High Constable Marshall. Shortly after its arrival here an autopsy was performed by Drs. R. N. Kyles and T. H. Henry. The stomach was subsequently forwarded to Toronto for an analysis of its contents.

On Wednesday the following jury was empanelled:—R. B. Henry, foreman; Hugh McMillan, John Norris, David Young, Marshall Green, F. A. Falconer, Daniel Currie, Albert Walker, George Fleming, Frank Island and J. W. South. The Jury viewed the remains and further proceedings were then adjourned until Friday evening, September 2nd, when the inquest will be proceeded with in the Court House commencing at 7.30 o'clock.

The late Robert Lee was a man of about 55 years of age and had lived in Rosemont for a number of years, working with farmers in the neighborhood. He was a brother of David and John Lee, of Connor, and lived in the Connor neighborhood a number of years ago. His wife is a daughter of the late Samuel Thompson, of Mono. The couple have a family of five children, two of whom are quite young.

The death has given rise to all kinds of stories and set afoot rumors of the wildest character. The inquest will set many of these at rest and if there has been any crime will help to bring out the facts and fix the responsibility upon the guilty party. If there has not been a crime it will serve to give a quietus to the ugly rumours that are afloat. Lee had $1,000 life insurance payable to his wife upon death.

Later—We learn that no report has been received from Toronto as to the result of the analysis. The inquest will therefore not be proceeded with on Friday night, but there will be a further adjournment, probably for one week.

GOOD HEALTH CAN BE YOURS

If Your Blood Supply is Kept Rich and Red.

It is a waste of time and money to fight merely the signs of disease; in the long run you are probably worse off than when you started. What is far more important is that you should intelligently examine the various symptoms and trace the cause. When you remove the cause, health will be yours. For example, anaemic people often endure months of suffering while treating the symptoms, such as indigestion, shortness of breath, palpitation of the heart and exhaustion after any small effort.

The apparent stomach and heart troubles are generally nothing more than the result of an insufficient supply of pure blood. This anaemic state may have followed some previous illness, or an attack of influenza; or it may have arisen from overwork, worry or too little fresh air. To obtain good health the simple and proper course is to build up the blood, but to do this you must select a reliable remedy with a reputation such as Dr. Williams' Pink Pills. These pills enrich the blood which carries nourishment to all the organs of the body and enables them to do the work nature expects of them. Thousands of men and women have proved this for themselves. One of these is Mrs. T. Flynn, R. R. No. 1, Erinsville, Ont., who says: "Last spring I got into a badly run down condition. I had no energy; work left me exhausted, and the least exertion would make my heart palpitate violently. I had often read of Dr. Williams' Pink Pills, and decided to give them a trial and got a half dozen boxes. I had not been taking the pills long when I felt a decided improvement in my condition and by the time I had used the six boxes I could do my housework with ease. I can strongly recommend Dr. Williams' Pink Pills to all weak people."

You can get these pills through any dealer in medicine, or by mail postpaid at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BOWLERS CLEAN UP

Local bowlers made a great clean-up at the Grand Valley Tournament last week. Seven rinks went up for the event and five of them brought home prizes. The locals captured five of the six sets of prizes, the other going to J. C. Telford's rink from Owen Sound, which carried off the honors in the Association event. E. G. Bingham and Judge Fisher got through to the finals in the Trophy event. In the final game, which is described as having been exceedingly well played by both rinks, the Bingham quartette finished four points up, winning the first set of prizes. Dr. Carson's rink were runners-up against Telford in the Association event and C. V. Jeffers and J. D. McMillan went into the finals in the Consolation. Owing to the lateness of the hour it was decided to let the two rinks play the final game in Orangeville on some convenient date. The members of the five successful rinks were:—

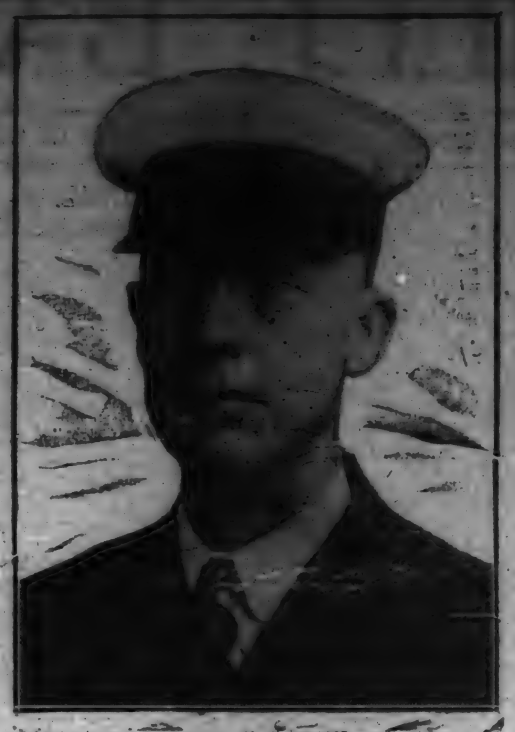
W. J. Gillespie, Dr. W. J. Price, T. S. Parkinson and E.G. Bingham.

Geo. A. Leighton, E. H. Sproule, Geo. Morrison and Judge Fisher.

Frank Crowe, C. R. McKeown, R. H. Robinson, Dr. T. A. Carson.

Ross Curry, Thos. Wright, W. C Hopkins and C. V. Jeffers.

Alex. Connell, A. A. Hughson, J. E. Smith and J. D. McMillan.



CAPT. W. G. ADAMS

YACHT BURNED

Capt. W. G. Adams, of Orangeville, Aided in Rescue of Passengers.

A double-column picture of Capt. W. G. Adams, of Orangeville, appeared in the Detroit Free Press of Tuesday, August 23rd. Capt. Adams is in command of the passenger steamer Greyhound plying between Detroit and Toledo. On Monday afternoon the first officer of the Greyhound, who was on watch, saw the flames shooting up in the distance and Capt. Adams ordered the vessel's course changed in order to investigate. When the Greyhound arrived on the scene it was found that a 90-foot gasoline yacht was in flames and six persons, three men and three women, were in the water, but were hanging onto the craft. The lighthouse keeper at the mouth of the Detroit river also saw the burning yacht and set out in a small boat to the rescue. He arrived at the same time as the Greyhound and succeeded in getting the victims into his boat. Capt. Adams, who had a lifeboat lowered, had the rescued persons transferred to the Greyhound, where they were given first aid. The crew of the Greyhound cleared the parlor of the boat and there the victims were carried. Among the 400 passengers on the steamer was a trained nurse who volunteered her services. Under her direction and with first aid supplies furnished by Steward Roy Sissline and Purser J. R. Weatherdon, emergency treatment was given the survivors as the Greyhound headed full speed towards the Detroit River.

As the Greyhound left the lighthouse an explosion resounded. With it the burning hulk that had been the Lucille was seen to break up, showering rockets of burning wood and refuse in the air. A moment later some floating bits alone marked where the craft had been. The fire, evidently, had reached her gasoline tank.

The yachting party consisted of W. L. Urschel, a wealthy Toledo manufacturer, his wife and 18 year old daughter, John Heckman, captain, John Ewing, engineer, and the latter's wife.

At the request of Urschel, the party was taken off at Sugar Island, when the Greyhound made its stop there. Arrangements were made on the island to take care of the survivors until the arrival of the steamer Toledo, on which they left for home.

The Lucille was a 90-foot yacht and was reported to have been worth $60,000.

Mr. Fred G. Tilt, of Orangeville, who is a member of the crew of the Greyhound, was an eye-witness of the rescue.

GONE TO REGINA

Mr. Wm. Hawkins, jr., formerly of the Central Business College, Winnipeg, and recently on the staff of the Collegiate Institute, Vankleek Hill, Ont., left Alton on August 26th to take a position on the staff of Regina College, Sask.

ANOTHER PAPER GONE

After an existence of 36 years the Chatsworth News has been compelled to discontinue publication. Present high publishing costs have made it impossible to carry on further and the paper will be amalgamated with the Owen Sound Sun-Times.

—The Banner Bookstore for school supplies.

We are offering special prices on all these particular lines and it would be to your gain to lay in a supply for next Summer.

We give Pony Votes with Purchases in every Department.

6 TO 2

Dufferins Won From Maitlands at Beach on Saturday.

North-enders were aggressive but The Dufferins excelled in teamwork.

The Dufferins won from the Maitlands quite handily in the game at Scarboro Beach on Saturday afternoon. The north-enders played clever, aggressive lacrosse, but The Dufferins had the advantage in team work and this gave them the edge on their opponents.

Supporters of the green-shirts were all pulling hard for Brampton in their game with St. Simons as a win for the Peel capital boys would have given The Dufferins another chance at St. Simons. The Excelsiors made a promising start, but could not stand the pace and were beaten out by the one-sided score of 9 to 1. St. Simons' win means that The Dufferins are now virtually out of the running for the championship. There is, of course, a chance that The Maitlands may take a fall out of the goup leaders in the game they have to play; but the chance looks rather slender in view of the past performances of the two teams.

The following is the story of The Dufferins-Maitland game as told by the Mail & Empire:—

There was one time in the second quarter at Scarboro Beach on Saturday when the Maitlands looked as though they might defeat Orangeville by sheer aggressiveness. They sailed into that green-shirted home so hard that they could not make their plays work, and at the other end of the field they checked back like fiends, recovering the ball for second shots almost every time that they lost it. If Booth had not been as firm as a rock during these bombardments, Maitlands might have gone out in front before half-time, and with a lead to hearten them, the final tally might have been entirely different. As it was, the Maitlands rushed things at a terrific pace for one period, but after the whistle blew they went to the club house and left their pep there. If they did not do that, they at least ceased to score and Orangeville continued steadily to improve their advantage until the final tally stood 6 to 2.

The main difference between the two teams was that the Orangeville line-up has an accuracy that the Maitlands lacked. There was no doubt from the very start that Gordon and Zinn would get goals. The former used excellent judgment in making his breaks speed, and his individual dashes puzzled the Maitland defence every time he made one. The Orangeville team works the two-man combination with perfect results. One man beats his check by an inch or two and takes the pass from a man who has run in at top speed. It is a play that requires accuracy in passing and speed in taking the ball and shooting. Gordon is a master of this strategy. Zinn likes to lie close in by the crease. He uses his strength and reach to handle passes that are made to him, while his check is right along side. He got the second goal in the first quarter by taking the pass, and coming back with a lightning shot that Grant had no chance to see. The first goal, by the way, was an individual effort by Gordon. Buck Johnston started the Maitland score with a long shot. Zinn began the scoring in the second quarter, and then Maitlands made their big effort. They had the better of the play for nearly fifteen minutes, but only got one goal in that time. Plummer went inside the defence, took a pass and tallied. If there had been some man on the Maitland team to give Plummer an accurate pass, he might have repeated that play a number of times. He showed good judgment in breaking away from his check and taking the position where he could handle the ball, but the other men on the home failed to get it to him. The passing was very wild. It contrasted sharply with that of Orangeville.

After half-time the Maitlands were never so dangerous again. Orangeville appeared to settle down, and did not permit their opponents to get away for long enough to get one of their rushing attacks started. Zinn and Golden made the game sure in that quarter when they rolled the score up to 5 to 2. Then in the final quarter, Orangeville remained steadily on the defensive so the they were never seriously threatened. They made time to go down the field and help themselves to another. Conacher was out and tried to use his strength to get goals, but Orangeville did not have much trouble with him. They seemed much more worried by the waspish twistings and turnings of the elusive Buck Johnston. The teams:

Orangeville—Goal, Booth; point, Densmore; cover, Cushing; defence, Cranston, Black and Scott; centre, Golden; home, Gordon, Robinson and Ewing; outside, Bert Brown; inside, Zinn; extras, Blythe Browne, Stevenson and Henderson.

Maitlands—Goal, Grant; point, Robinson; cover, Brown; defence, J. Stroude, Porteous and J. Stroude; centre, Moore; home, G. Stroude, Plummer and Conacher; outside, Johnston; inside, Mitchell; extras, Twiddle, Saunders and Rodwell.

Officials—Harrison and Doyle.

"Over Here" an all Canadian spectacle will be the feature at the Canadian National Exhibition. The scene will show the Rockies, Halifax and the grain fields and will be 800 feet long.

MONO COLLEGE

The Mono College Women's Institute will hold its next meeting at the home of Mrs. G. M. Cruikshank, Blind Line, on Friday afternoon, Sept. 9th, at 2.30 p.m. The program will be taken by The Maples Institute. The Roll Call will be answered with a conundrum.

CALEDON.

A meeting was held in the Town Hall on Monday night to consider the matter of hydro electric light and power for the village and surrounding district. The hall was filled to capacity, showing the general interest taken in the matter. Engineer Eisenhoffer, of the Hydro, was present and in a very clear manner presented the problem of securing light and power at a very moderate cost. At the close of the meeting several residents signed the contract to have light and power installed. As the light will come from the Orangeville sub-station the farmers along the trunk line will have the chance of installing the system.

The first settlers of this village were George Bell and William Stubbs, who located here in the year 1821. As our village is now just one hundred years old, we are delighted to think that we will not have to resort to the tallow dips of those days, but will be on a par with our city neighbors, who enjoy the advantages of electric light and power. By united effort on the part of all residents interested in the progress and welfare of the village we can easily have the light turned on before the snow flies. Not only will the village benefit by this, but we trust that the Hydro will soon spread through the township. As soon as the power comes to the village a chopper can be installed that will save the farmers in the eastern part of the township a long, hard drive to get their chopping done.

At the present time the Government will assist in the installation of the trunk lines to the extent of 50 per cent. of the initial cost. We understand that the Farmers' Sun will this week give a table showing the cost per annum to users. We are told that it will range from $17.00 to $24.80 per house per annum for service using light and using power for electric iron, washer, toaster in the village.

Now is the golden opportunity to secure advantages enjoyed by our urban neighbors and we are glad to note that the residents of our village are alive to this opportunity and also that they are enthusiastic in the matter.

CAMILLA

The Camilla Women's Institute will meet at the home of Mrs. T. J. Brett on Wednesday afternoon, Sept. 7th, at 2.30 o'clock. The Topic, "Making the Most of Time," will be taken by Mrs. J. A. Marshall and the subject, "The Twentieth Century Woman and Her Opportunities" by Mrs. Robt. Reid. Recitation by Miss Elva Brett. The Roll Call will be answered by "My Favorite Recipe."

BARN BURNED

About 3.30 o'clock last Thursday afternoon the barn of Albert and George Still's farm, lot 14, con. 3, east, Mono, was destroyed by fire. The barn was in two parts, one a frame building 30 by 60 built on the ground and the other a log structure 26 by 56 with stabling underneath. The frame building contained the season's grain crop and about 20 tons of hay. The building was burned to the ground and the contents were completely destroyed. Still Bros. had just finished hauling in the last of their harvest the day before the fire. The cause of the blaze is unknown, although spontaneous combustion is advanced as the probable origin. The owners carried some insurance on the building, but not nearly enough to cover their loss which will be quite heavy. They are honest, hard-working men and have the sympathy of the community in their misfortune.

THE HOME TRIP

From Vancouver to Calgary Over C. P. R.

Newspaper Excursionists View the Wonderful Scenery of the Rockies.

We commenced our return trip across the continent on Sunday, June 12th. It was evening when we left Vancouver. We were now on the C. P. R. tracks at first on Burrard Inlet, then on the left bank of the Fraser, going up which we reach Hammond, and which is here a broad, navigable stream. During sleep we pass Yale, at the head of navigation. The rocking and bumping of the train as it winds its way through the Fraser Canyon is quite noticeable. We are able to get a good view of the canyon next morning There is one continuous gorge from Spuzzum to Boston Bar, a distance of about 12 miles. The railway runs on a ledge cut into the almost perpendicular rocks, and where such a footing cannot be found, it passes through numerous tunnels. The C. N. R., by which we had come down from Kamloops to Vancouver in the night, can be seen making its way in a similar fashion on the opposite bank, but it crosses the mad stream by bridges two or three times. We are most of the time nearly 200 feet above the water.

After leaving here we take another sleep and awake to find ourselves near Kamloops. At Lytton we had left the Fraser, and entered the canyon of the Thompson River. We had another short stay at Kamloops, after leaving which we follow the South Thompson for the greater part of the day, passing mountain after mountain, crowding upon each other, towering, snow-crowned, indescribable. The trip here is one of great panoramic beauty and majesty and cannot be duplicated, we well believe, in any other part of the world. We enter and pass through the famous Kicking Horse Pass. By this route the mountains come quite close to the railway and in several places have to be pierced by tunnels, one of which is five miles in length.

At Revelstoke, nestled in the mountains on the Columbia River, we soon enter the Selkirk range by the valley of the Illecillewaet River. Here the ruggedness and grandeur is even increased. The railway winds about the foot of the towering peaks in a most marvellous way. Sometimes we seem to be running right up into a mountain when a way opens up to one side or the other; sometimes we go right into and through it.

The most striking gorge is the Albert Canyon, where the railway is 120 feet above the river, which is here compressed into a chasm scarcely 20 feet wide.

All day long we keep twisting and turning and tunneling, lost in admiration of the splendid views as they unfold and disappear in rapid succession. We pass the well known peaks, Sir Donald (10,808), Ross and other noble mountains. It is a wonderful day and never to be forgotten. Some have looked until the point of weariness and go to sleep. At length we reach Field, a divisional point, and put up for the night. It is hemmed in all round by mountains. For background it has Mount Stephen, and opposite is Mount Field, the former rising 10,450 feet above sea level. We had time only to explore the village before dark. There is a hotel conducted under Y. M. C. A. management. Here those of the party so disposed had a couple of hours dancing during the evening.

We left Field at 7.30 in the morning and with two powerful locomotives began a mountain climb by a very devious route, part of which consists of the Cork-screw Tunnel. Twice we enter the side of the mountain, making a complete circle and coming out many feet above where we had entered. The two tunnels are 1 1-4 miles long; length of cutting outside tunnels, 7 miles; increase in length of track, 4 1-4 miles; reduction in grade from 4.6 to 2.2; cost $1,500,000. This work was completed twelve years ago.

On this ride we pass the Great Divide where a stream separates into two branches, the one going down the Columbia River to the Pacific, the other via the Bow and Saskatchewan rivers to Hudson Bay and the Atlantic. A short distance away is the boundary between British Columbia and Alberta. The altitude is over 5,300 feet.

Soon we reach Lake Louise station, where we take a gasoline tramway for 3 1-2 miles to Lake Louise itself, a charming sheet of water nestled in the mountains. Here we spent the day. The C. P. R. has an extensive and elegant hotel here that is the resort of tourists that like a real rest and relief from summer heat. The elevation is 5,044 feet, nearly a mile, and the air is rare and quite chilly. There is snow on the mountains, in places down to the water's edge, and while we were taking luncheon we could watch the snow falling. Fancy a snow storm on the 14th of June! Several side trips may be taken from here, on foot, or ponies, to Lake Agnes, Mirror Lakes and other points higher up.

Leaving this beautiful spot we ran down to Banff, a distance of 35 miles, well on in the afternoon. We had more mountains, but nothing unusual. Arriving at Banff we spent the evening in visiting the animals, and walking up to the C. P. R. Hotel, where a number had a hot sulphur bath in the pools. There was a dance for the devotees of Terpsichores. We passed the night on the train. After breakfast we were taken for a drive of twenty or thirty miles on sight-seeing vans. It was quite chilly, and snow fell at one time on the route, but we got a splendid view of the mountain and stream. In one direction we drove to Lake Minnewanka, which is enlarged by a cement dam built across a gorge in order to provide a reservoir for water used in hydro-electric developments for Calgary and other points lower down. There is good fishing in the lake as was attested by a nice mountain trout of three or four pounds that had just been caught. Fish of the same variety, weighing twenty pounds or more are sometimes caught.

On this trip we passed Bankhead a mining village, where anthracite of good quality is procured. It is mined out of the mountain side and is run down to the railway tracks by gravitation, the loaded cars pulling up the empties. The dust and small coal is mixed with coal tar and made into briquettes. On the other side we drove up to one of the upper hot springs and saw the cave where was the spring from which hot sulphur water came.

Returning to the hotel we had a plunge in the sulphur water of the swimming bath. In one of the pools the water is quite warm; in the other it is cooler, and every facility is afforded for bathing.

From the balcony above the baths a delightful view is obtained of a valley of the Bow River, with picturesque falls. On either side are high mountains, and another high mountain forms the background.

Banff is in a Dominion Government Park of about 6000 sq. miles. Fine roads have been constructed. There are numerous pretty drives to various points of scenic beauty; also bridle paths and trails.

The chauffeur guide of our drive pointed out and named many of the mountains within range of vision, among them the top of Mount Assiniboine, 13,000 feet high, the highest peak in this section of the Rockies.

After luncheon, served in the hotel, a number of our party took a pony ride of five or six miles. Others visited the museum and other places of interest. Returning to the station, group pictures were taken of our party by Mr. Fox, of the C. P. R. official staff.

The afternoon was bright and warm and we had a pleasant evening run down to Calgary, still passing many mountains, but bringing to an end a unique trip of about a week amid Canada's "Sea of Mountains."

On our arrival at Calgary we were given an official welcome by a representative of the mayor, and those who wished were taken on a sight-seeing tour over the street car lines. Many went with friends, and some went to the theatres. There was also a dance in the ball-room of the Palliser Hotel, which the C. P. R. had placed at the disposal of the party. On Thursday forenoon we were taken in hand by the Board of Trade and given an auto ride about the city, followed by a luncheon presided over by Mayor Adams. It was a pleasant affair, in the course of which Mr. E. Roy Sayles, Manager of the C. W. N. A., was presented with a club bag by the members of the party in recognition of his successful work in carrying out the tour. After luncheon the ladies of the party attended a tea given by the Women's Press Club and the men went shopping, etc.

Calgary is beautifully situated at the confluence of the Elbow with the Bow River. The central portion is like a broad, shallow basin surrounded by heights on which are the fine residental sections. It has many fine mercantile buildings. The schools, built of Calgary stone, are particularly fine. The streets are well paved.

Residences of the small or moderate size are much in demand and fabulous prices are paid for them. The cost of building has been excessively high. The municipality is very deeply in debt, as are most of the Western cities. The foothills extend to the Rockies, which can be seen in the West. The surrounding country is adapted for ranching, and with the help of irrigation, for the raising of cereals and vegetables. On the afternoon of our stay there was a nice rain which was very welcome. Alberta was the reverse of sunny when we were in it, and the air was quite chilly, but we have sunny recollections of our reception by the people.

In Calgary we had a pleasant meeting with a number of former residents of Dufferin. We received a hearty welcome from ex-Mayor F. J. Marshall, of Orangeville. Mr. Marshall has a large wholesale and retail business in the city. He was greatly disappointed that The Dufferins had not been able to complete their plans for the trip to the Pacific Coast. All arrangements had been made for a royal welcome in Calgary, where the champions were to have played an exhibition game on their way out. Mr. Marshall expressed the conviction that this game would have drawn enough people to make a $3,000 gate. Mr. and Mrs. J. D. Gilloch, the latter a sister of Mrs. McGuire, are residents of the city. Mr. and Mrs. Fred Hatcher, of Blackie, Alta., the latter a sister of Mr. McGuire, were also in the city during our visit. They were on their way to Vancouver, where they intend to reside. We also met Mr. and Mrs. Gordon Varcoe and Mrs. W. J. Price, formerly of Orangeville. Fred Temple, a son of Mr. Jos. Temple, has a drug store here and appears to be doing a good business. Mr. J. L. Gibson is manager of the Hudson Bay Company store. Mrs. Gibson will be remembered by many of our Orangeville readers as Miss Newton. Dr. Leslie A. Maxwell and Dr. Robb are two of the city's leading dentists. Fred Bradley, a son of former Postmaster J. F. Bradley, is in the real estate business, William Watson is secretary-treasurer of the Calgary Herald, and Nelson Maxwell, another former Caledon boy, is inspector of grain elevators in the West. Oliver Perfect, 'onetime Massey-Harris agent in Orangeville, is now living at Crossfield, Alta., near Calgary.

MONO MILLS

A large crowd attended the Methodist garden party held at the beautiful home of Mr. Peter Rawn on Monday night, August 22nd. It would be hard to find a more beautiful spot for an event of this kind than this farm-home. The drive through the maple grove, towards the house, calls for expressions of admiration from those best accustomed to it, while the splendid lawn, fully an acre and a half in extent, dotted with the beautiful pines that are indigenous to this district, is one of the features of the neighborhood. The boundary hedge of well-kept evergreens that surrounds the lawn, forms the walls of a natural audience gathered to listen to a fine program. The verandah of the house lends itself as a desirable platform for an occasion of this kind, and it had been made very attractive to the eye by a lavish use of flowers and evergreens, mingled with bunting. Mr. Charles R. McKeown, K. C., of Orangeville, occupied the chair in his able manner, and pleasantly performed a formal introduction between the Methodists of Mono Mills and their new pastor, Rev. Mr. Dinnick, who has been with them only a few weeks. In fact, the garden party was the happy means for Mr. Dinnick's congregation to meet and talk with him socially. The program was given by the Orpheus quartette and orchestra, of Orangeville, and emphasized the fact that it is not necessary to go to the city for entertainers of this type. Very entertaining selections were given by Miss Newton, elocutionist, of Toonto, while Mr. Morrow, of Orangeville, proved to be an artist on the saxophone, to the delight of the crowd. Rev. D. B. Atkinson, rector of the Anglican church, and S. Charters, M. P., gave addresses. The ladies of the church ran a booth, with refreshments suitable to the occasion, and the evening closed with the committee well satisfied with the success of the affair, and delighted with the assistance given by Mr. and Mrs. Rawn.—Conservator.

CAMILLA

Misses May and Fern Madill have returned home from a pleasant visit with friends in Melancthon.

Misses Olive and Annie Parks are home from Jordan, where they spent the summer picking fruit.

Miss Norma Henry has returned from a pleasant sojourn in Muskoka.

Dr. Charles Scott has returned to Toronto after spending a month with his mother, Mrs. J. A. Scott.

Misses Lena and Eva Gallaugher accompanied their guest, Miss Dorothy Price, to Toronto last week.

Miss Berdita Thompson is visiting her brother, Fred.

Mr. and Mrs. Elmer Madill were the guests of Mr. and Mrs. Albert Madill on Sunday.

Mr. Arthur Curtis is spending a few days in Toronto.

Mr. and Mrs. Joseph Watson, of Caledon, spent Sunday at the home of Mr. G. W. Rayfield.

Miss Helen Bremner is visiting Toronto friends.

Excellent progress is being made in the building of the Camilla section of the Ontario Provincial Highway. Mr. A. Pratt and Company have five concete culverts under construction near the village. The Italian workmen are maintaining the reputation made by the ancient Romans of being expert road builders. Grading will be completed to Fifteenth Street in a few days. The steam shovel arrived in town on Friday and has already reduced Madill's hill to a grade. Men, women and children of the community have all been greatly interested in watching the mammoth machine at its work. The Mayor anticipates such a rush of traffic on the Main street next year that he may have to have extra police. Property owners along the route are so pleased to have this magnificent road pass in front of their farms that they will sell a narrow strip of land which will be made into a boulevard.

J. D. TORRIE

THE CLOTHING MAN

SUITS

for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,

THE CLOTHING MAN, ORANGEVILLE.

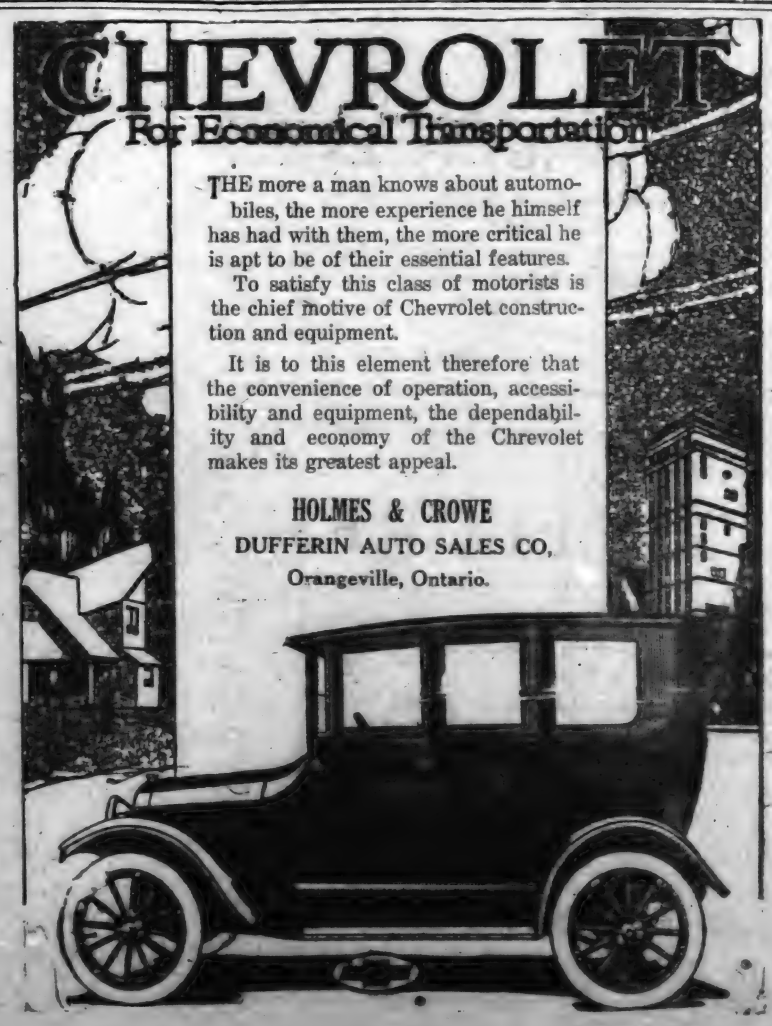
BARNARDO HOME

A party of specially selected boys and girls, from 10 to 15 years, is expected to arrive from England in the fall. Older members will be available for situations and the younger ones it is proposed to board out. Write for forms of application and terms for both boys and girls to

DR. BARNARDO'S HOME,
50-52 Peter Street,
Toronto.

CHEVROLET

For Economical Transportation



THE more a man knows about automobiles, the more experience he himself has had with them, the more critical he is apt to be of their essential features.

To satisfy this class of motorists is the chief motive of Chevrolet construction and equipment.

It is to this element therefore that the convenience of operation, accessibility and equipment, the dependability and economy of the Chrevolet makes its greatest appeal.

Could Not Sleep

Mr. Earnest Clark, Police Officer, 338 King St., Kingston, Ont., writes:

"For three years I suffered from nervousness and sleeplessness. I believe my condition was brought about by overwork. I had frequent headaches, neuralgic pains and twitching of nerves and muscles. I had indigestion, was short of breath and easily tired. I commenced a treatment of Dr. Chase's Nerve Food, and seven boxes of this medicine relieved me of all my symptoms. I am now feeling one hundred per cent. better than I was, and have to thank Dr. Chase's Nerve Food for the good health I am now enjoying."

Dr. Chase's Nerve Food, 50 cents a box, 5 for $2.25, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

Dr Chase's Nerve Food

EXPENSIVE BUSINESS

A red-headed boy applied for a job in a butcher shop.

"How much will you give me?"

"Three dollars a week; but what can you do to make yourself useful around a butcher shop?"

"Anything."

"Well, be specific. Can you dress a chicken?"

"Not on three dollars a week," said the boy.

It is estimated that there are 12,000 permanent residents of Exhibition City during the two weeks of the Fair.

THE WONDERFUL FRUIT MEDICINE

Every Home in Canada Needs "FRUIT-A-TIVES"

To those suffering with *Indigestion, Torpid Liver, Constipation, Sick or Nervous Headache, Neuralgia, Kidney Trouble, Rheumatism, Pain in the Back, Eczema and other skin affections*, "Fruit-a-tives" gives prompt relief and assures a speedy recovery when the treatment is faithfully followed.

"Fruit-a-tives" is the only medicine made from Fruit—containing the medicinal principles of apples, oranges, figs and prunes, combined with valuable tonics and antiseptics.

50c a box, 6 for $2.50, trial size, 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

AN HONEST DAY'S WORK

After all there is nothing very much better that we can do than just to fill our lives with them. If we have ceased to believe in them; if we no longer find one of the most real sources of our joy and satisfaction in them; then something very serious has happened to us, something very akin to the losing of our soul.

This is a work-a-day world; there is a vast multitude of things to be done in it; so many that every last man and woman has his job, not his job for to-day merely, but within reason, for every day throughout the year. And if we run away from or play with or neglect our work, we are shirkers and slackers. And shirking and slacking destroy moral fibre in the most thorough-going and terrible ways.

Perhaps our day needs a little vigorous preaching as to the virtue and excellency of hard work. Hard work conscientiously done is good for a man's soul. Since the world began there has never been a strong-fibred soul developed within a man or woman who was not a hard worker. What they did was not the important matter so much as how they gave themselves up to it.

There is quite too much thought among us as to how we are to get out of work. Shorter hours of labor may be needed but if, in our eagerness to get them, we breed any of the spirit of the shirk we are doing a very fatal thing. Hard work, given normal conditions and the right mind toward it, is not a hard ship, and to create the impression that it is, is to do a very wrong and a very destructive thing.

It costs $50,000 to stage the night spectacle at the Canadian National Exhibition.

There are about 80 buildings in use for display purposes at the Canadian National Exhibition.

To Reach the High-Class Trade

Long Distance puts Business on a Personal —and therefore more Profitable—Basis.

"VERY kind of you to notify me by Long Distance of this sale of gowns. I expect to be in town to-morrow, and will call and ask for you, personally."

Out-of-town women show a strong tendency to trade where they feel they are known. Get one of them to visit your store.—and soon your's will become one of "her" stores.

No letter or advertisement will convey to them the kind of welcome you can extend by Long Distance. Because you are talking, the invitation becomes more unconventional. It suggests the friendly relation you would like to see established. Distance does indeed seem to "lend enchantment" to opportunities offered in such a personal way.

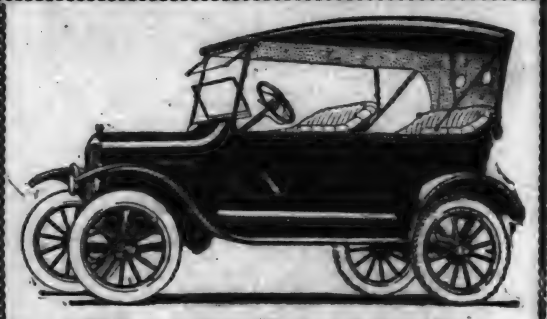
The method of presentation is three-quarters of any sale—what you say, and how you say it. The customers are right at your elbow. Don't call on them—call them up. It will not be the telephone's fault if you don't sell them.

Every Bell Telephone is a Long Distance Station

To have the front wheels of a motor car struck by a passenger engine and yet escape, was the nerve-breaking experience of two ladies at Grand Valley station. Thos A. Richardson, of East Luther, had gone to meet the evening train, and as it entered the yard, cranked his engine. This was in reverse, and in a moment the motor backed over the platform and down onto the tracks. Fortunately the keen eyes of the engineer saw the situation, jammed on the emergency brakes, bringing the train to a stop just as the pilot touched the car. Of course the front wheels of the motor were twisted a bit, but it was a mighty close call to a tragedy.

No articles offensive in odor or appearance, or of a combustible or explosive character are accepted for display at the Canadian National Exhibition.

There will be 4,000,000 bricks, 2,000 tons of steel, 12,000 barrels of cement, 5,400 tons of stone and 6,000 tons of sand in the new Live-stock Arena at the Canadian National Exhibition.



Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

CURIOUS, ODD, SCIENTIFIC

Items Regarding Inventions in Many Countries—Statistical Facts.

A new safety razor can be taken apart and carried in a belt buckle.

Bulgaria mined more coal last year than in any previous year except 1917.

A new extension table is enlarged by placing three-legged sections at the ends.

Iceland by its last census was given a population of 94,690, a gain of 9,507 in ten years.

An Italian is the inventor of apparatus to measure the depth or soundness of e person's sleep.

A diminutive hand loom has been invented to enable women to weave their own ribbons at home.

Invented in Paris, a flute that is played with the nose is said to produce music like an ocarina.

Paraguay has established a factory for the manufacture of twine and bagging from native plant fibres.

An Ohioan is the inventor of a machine with which any man can make his own rope from binder twine.

A machine has been invented to restore bent and twisted railroad spikes to original form and usefulness.

A Tennessean is the inventor of a ring shaped vessel in which water can be boiled on conical camp stoves.

Portugal mines less coal than any other European country, its annual production being about 22,000 tons.

The government of China has contracted for $1,500,000 worth of radio telephone apparatus of 45 mile range.

To form a trailer for velocipedes an inventor has patented an affair with two wheels, saddle and handle bars.

Esthonian interests are planning to link Reval with several other cities in Northern Europe by airplane routes.

An electric room heater of the copper reflector type and a fan have been so combined on a single base that the fan distributes the warmed air thoroughly.

A patent has been granted a Texas inventor for knee pads intended to increase the efficiency of cotton pickers.

The Brazilian government will manufacture quinine and distribute it through malarial sections of the country.

A clamp that can be locked on their cables has been invented to prevent unauthorized persons moving elevators.

To simplify the transmission of power the engine of a new kerosene farm tractor is set crosswise of the frame.

The production of an oil resembling linseed oil from rubber seeds has reached the commercial stage in Malaya.

A Pennsylvanian is the inventor of a chair screened against insects, the whole device being easily taken apart and folded.

A company has been formed in Poland to supply the entire country with an automobile passenger and freight service.

A Scotchman is the inventor of a board to enable a blind person, aided by a friend, to follow the plays in a game of football.

A New York man is the inventor of a doll that sheds tears from its eyes in a natural manner when its body is squeezed.

Twenty-four hour time is shown by a London railway station clock having Roman numerals for the hours up to noon and Arabic for the others.

A combined electric and sand bath for treating certain ills is the idea of a New York inventor.

A process has been patented in England for the manufacture of artificial wood for match sticks from straw or dried grass.

A recently patented game represents the top of a telegraph pole, the insulators, over which rings are thrown, bearing the names of cities.

An easily manipulated color chart has been invented by a New York woman to aid amateurs in selecting color combinations for decorating rooms.

A Brazilian state will employ American experts in cotton, grain, fruit and tobacco culture, a veterinarian and dairyman as travelling teachers.

Its inventor has patented a tray for carrying a dozen filled ice cream cones, having a receptacle in the centre to hold other eatables if desired.

An Italian alloy of zinc and copper is claimed to have greater strength and more elasticity than steel and to resist corrosion better than copper.

A new crib in which babies can be safely carried in automobiles is equipped with folding legs to hold it at the usual level when removed from the car.

With a capacity of 25 tons a day, a new machine shreds cotton rags into waste for wiping machinery or will mix the shredded rags and cotton mill waste.

PHONE 128

CALEDON COUNCIL

Council Chamber, Caledon, August 1st, 1921.

Council met, Reeve presiding, members all present.

Minutes of previous meeting read and adopted.

The following communications were received and read, viz:—

From Department of Public Highways acknowledging receipt of copy of By-law No. 796, providing monies for expenditure on Township Roads.

From Dr. J. T. Thomas, re case of Peter McCarry, who is suffering from tuberculosis.

From J. P. Cowles, Provincial School Attendance Officer, with statement re average attendance of pupils in the Township.

Messrs. R. Jones and H. Scott addressed Council with reference to case of P. McCarry and asked that a grant be made to assist in paying his passage to Ireland.

Moved by Mr. Trathen, seconded by Mr. Martin, that the sum of $75.00 be granted to assist in paying for the transportation of Peter McCarry to Ireland, as he has an incurable disease.—Carried.

Moved by Mr. McDonald, seconded by Mr. McBride, that the Clerk notify the Tax Collectors to send the names of their Sureties to him that the necessary searches may be made.—Carried.

Moved by Mr. Trathen, seconded by Mr. Martin, that the Clerk be instructed to request the Hydro Electric Power Commission to send a representative to explain the method of rendering service to rural communities.—Carried.

Moved by Mr. Martin, seconded by Mr. Trathen, that the Treasurer be asked to give security to the Township to the amount of thirty-five thousand dollars.—Carried.

Pursuant to notice, Mr. Trathen introduced a bill to levy County, Township and School rates for 1921. The bills were introduced and regularly passed. County rate 10 4-10 mills; Township rate 4 mills; Wire Fence rate 1 mill; General School rate 5 9-10 mills; Inglewood Police Village rate 1 6-10 mills, and Caledon East Police Village rate 5 mills.

A By-law appointing Mr. Smeaton School Attendance Officer for the Municipality was passed.

Council, in Committee, with Mr. Trathen, in the chair, passed the following accounts:—

R. Jones, to assist in paying passage of P. McCarry to Ireland	$ 75 00
J. Nixon, R. O., commutation due his division	6 00
J. McBride, to pay for work 10 S. R., con. 6, east	35 50
W. Meek, 32 yards of gravel	4 36
A. Cullen, 35 yards gravel, $5.25, repairing roadway 2nd L., $15	20.25
T. Davidson, repairing Forks Road	12 00
J. E. Longstreet, work on Belfountain Road	10 50
L. Currie, work on 5th line, west, 15 to 20	28 80
F. Groves, repairing roadway 20 S. R., con. 4 to 6, west	10 00
A. Conley, work on West T. L., 25 to T. L.	40 00
A. McDonald, hauling pile and repairing culvert, 5th L., W., 5 to 10	3 00
W. J. Trathen, 1 sheep killed and 1 lamb injured by dogs	10 00
Toronto Hospital for Incurables, 8 weeks' keep of E. C. Oliver	84 00
J. Stringer, work on West T. L., 20 to 25	6 00
Dominion Road Machinery Co., repairs for grader	22 66
J. E. Longstreet, R. O., commutation due his division	16 50
Sawyer-Massey Co., repairs for grader	22 66
F. McDonald, half cost placing culvert South T. L.	1 50

Moved by Mr. McBride, seconded by Mr. McDonald, that when the Council adjourns to-day it stands adjourned until Monday September 5th, next.—Carried.

On motion Council adjourned.

L. H. WILLIS, Clerk.

THOS. QUINN, Reeve.

TIME after time the test shown above was repeated with the same result. Valet AutoStrop Razor blades used over 30 days made good. They had been stropped regularly. That meant comfortable, smooth shaves. Ordinary, unstropped blades, used only 5 days, failed. That meant they would "pull" and scrape in shaving.

VALET Auto-Strop Razor —sharpens itself

It is made to strop itself. A fresh keen edge in ten seconds, morning after morning! Quick, easy, convenient. A year of smooth, cool shaves from the package of blades that comes with each set.

$5.00 for Razor, Strop and Twelve Blades in an assortment of cases. Fancy Sets up to $16.50.

FATHER TIME is very kind to certain houses—just as he is to certain people.

In the case of this house there is a good reason—from the day, long ago, when it was built it has always had a permanent protection against the elements, and to-day it is proudly pointed to as a family inheritance.

B-H "ENGLISH" PAINT

Long after ordinary paint needs renewing the brilliant finish and surface of B-H "English" Paint will be a delight to the eye.

B-H "English" Paint is so completely opaque that it gives a maximum of covering capacity—its surface saving film is so elastic that it resists the extremes of Canadian temperatures—and it is so tough and durable that it provides a protection for a longer period of years than other brands.

Buy the paint with the guaranteed formula—a formula that Canadians for three generations have proved to be the best.

FOR SALE BY

GEORGE ALLEN

Broadway - - - Orangeville

BRANDRAM-HENDERSON

RATES FOR CALEDON

Motor rates for Hydro light and power for Caledon township, to be supplied from Orangeville, are estimated at 8½ c. per kilowatt hour for the first 14 hours use per month of the customer's class demand rating, with 4½c. per k. w. h. for all remaining uses, less 10 per cent. for prompt payment.

The following table gives class demand rating, average kilowatt hours, estimated consumption charge, estimated service charge, and total estimated annual cost for each class:—

Class	Name	Demand Rating K. W.	H. P.	Average Monthly K. W. H.	Est. Annual Consumption Charge	Est. Annual Service Charge	Total Est. Annual Cost.
1 Hamlet Service	(a)	½	2-3	10	$ 7 80	$ 17 08	$ 24 88
	(b)	¾	1	15	11 40	19 74	31 14
	(c)	2	2 2-3	150	81 72	34 42	116 14
2 House lighting		1	1 1-3	15	13 32	25 40	38 72
3 Light farm ser.		3	4	40	36 72	57 76	94 48
4 Medium single phase farm service		5	6 2-3	70	64 32	60 00	124 32
5 Medium 3 phase farm service		5	6 2-3	70	64 32	76 04	140 36
6 Heavy farm ser.		9	12	150	126 72	115 79	242 51
7 Special farm ser.		15	20	300	284 12	176 06	404 18

Explaining the above table, Mr. F. L. Eisenhofer told his Caledon audience on Monday night that Class 1 (a) provides for 6 outlets or twelve sockets, a washer, iron, motor, etc., where four consumers could be served from one transformer.

1 (b) Was for a similar service for stores.

1 (c) Made additional provision for an electric range.

2 Was for a house on a road, but not a farm house.

3 Provided lights for a farm house, with light power privileges up to 3 h. p.

4 Gave a 5 h. p. single phase service.

5 Gave a 5 h. p. three phase service which cost about the same as the previous class when the cheaper equipment was considered.

6 Gave a service up to 12 h. p.

7 Was for a 20 h. p. installation, which would only be useful under exceptional circumstances, in view of the syndicating privileges provided.

MRS. ROBT. MEEK

Word reached town on Tuesday morning of the death in Toronto of Mrs. Meek, widow of the late Dr. Robert Meek, dentist, of Orangeville. The remains will be brought here for burial on Thursday morning, the funeral taking place from the C. P. R. station to the Forest Lawn Cemetery immediately after the arrival of the 10.12 train from Toronto. Deceased is survived by one daughter, Miss Lola, who resided with her mother. Mrs. Meek had been in poor health for a considerable time. She was held in high esteem here and her demise will be keenly regretted by her friends and former neighbors in town.

JAMES OLIVER

James Oliver, a resident of Belwood for the last twenty-five years, died at his home in that village on Monday forenoon. Ten years ago Mr. Oliver had a partial stroke from which he never fully recovered. He had been suffering from heart trouble for a considerable time and had been bedfast since the beginning of June. Deceased, who was about 65 years of age, was born near Mansfield in Mulmur township and farmed in the Whitfield neighborhood for a number of years. He was a quiet, industrious man, who had many friends and few enemies. He is survived by his wife and an adopted son, John Knight, now in business in Oak Lake, Man. Mrs. Oliver, whose maiden name was Elizabeth Freebury, was born in Mono township and is a sister of Mrs. John R. Hicks, Orangeville, and Mr. W. M. Freebury, of Caledon. The remains were brought from Belwood to Orangeville by motor yesterday afternoon, interment taking place in the Forest Lawn cemetery. Deceased was a member of the Presbyterian Church and Rev. F. W. Mahaffy, pastor of St. Andrew's Church, conducted the service at the grave.

—General admission only 25c at the Orangeville Exhibition.

ERASTUS CLARIDGE

Mr. Adam Claridge was called to Buffalo last week by a message bringing him the sad news of the death of his brother, Erastus Claridge, which took place in that city on Thursday, August 25th. Deceased was a clerk with the late Harry Gillespie for a number of years, while the latter ran a book and stationery store in the premises now occupied by The Banner Bookstore. He subsequently ran the business on his own account, but sold out and went to Buffalo in 1897. During recent years he had been engaged in the automobile business. The late Mr. Claridge was born in the township of Chinguacousy. He was unmarried and is survived by four brothers and one sister. These are Wesley and George Claridge and Mrs. W. H. Clarke, of Buffalo, Seth Claridge, of Burlington, and Adam, of Orangeville. The funeral was held in Buffalo on Saturday afternoon. Mr. Claridge arrived home from Buffalo on Monday night.

IN MEMORIAM.

In loving memory of our dear baby boy, Walter John Sandell, who departed this life, September 3rd, 1920, aged 13 days.

"Suffer little children to come unto Me."

Mr. and Mrs. Walter Yokom.

IN MEMORIAM

WILLIAMSON—In loving memory of our dear Margaret, who passed away September 4th, 1919.

Oh, how we miss her, words cannot tell,
Her bright, happy face we all loved so well;
The sweetest of memories are all that are left
Of our dear, little daughter, gone home to rest.

Not dead to us, we love her still,
Not lost, but gone before,
She lives with us in memory still,
And will for evermore.

Mother, Father, Brother, Sister.

RELIEVED OF $45

Thursday night of last week while motoring to a party a Shelburne young man named Silk was stopped on the highway, gagged and relieved of the sum of $45. The hold-up took place in Mulmur township a short distance north of the village of Primrose. Silk says that he was attacked by three men and that his assailants took to the fields after they had taken his money. Friday afternoon High Constable Marshall, Constable Whitehead, of Shelburne, and a Provincial Officer arrested two young men on the Shelburne lacrosse grounds near the close of the Bradford-Shelburne game. As they had been seen in the vicinity of Primrose earlier in the day it was believed that the men were implicated in the hold-up. They gave their names as Harold Randall and William Bye, told the officers that they hailed from St. Catharines and were tramping it to Owen Sound in search of work. When searched one of them was carrying a large dirk knife and the other a dangerous looking billy. They were taken before Magistrates Falconer and Mason, who fined them $10.00 each with the alternative penalty of thirty days in the county gaol. As the pair had only four cents between them they were unable to pay the fines and were accordingly lodged in gaol here by Constable Marshall on Friday night. One of them got in touch with a girl friend in Owen Sound who sent him enough money to pay his fine. Mr. James Armstrong, manager of the Dufferin lacrosse team, acted the Good Samaritan for the other and the two young chaps were enabled to regain their liberty on Monday. There was no evidence whatever to connect them with the Silk hold-up. They claimed to be lacrosse players and to belong to some athletic club in St. Kitts.

JOHNSTON–HOBBS

A quiet wedding took place at the home of the groom's mother, Mrs. Charlotte Johnston, 659 Bathurst St., Toronto, on Monday, August 22nd, when Jennie Hobbs, daughter of Mr. and Mrs. Joseph Hobbs, of Hamilton, was united in marriage to Mr. Learmouth Evans Johnston, Rev. W. L. Atkinson, of Strabane, officiating. The bride, who was becomingly gowned in white charmeuse, richly embroidered, was attended by June Alexander, the little niece of the groom, who acted as flower girl. The bride and groom were former residents of Orangeville. Their numerous friends here wish them every happiness.

PARKINSON–FISH

At Grace Church-on-the-Hill, Toronto, on Wednesday, August 24th, the marriage was solemnized by Rev. J. S. Broughall, of Constance Grace, only daughter of J. N. Fish, K. C., and Mrs. Fish, Regina, to Mr. Cecil V. Parkinson, of Regina. The wedding was an exceedingly quiet affair, there being no invitations to it, the attendance at it being in consequence limited to relatives and a few intimate friends, who dropped in to witness it. The bride's father, being unable to be present, she was given away by her uncle, Mr. Justice Walsh, of Calgary. The bride wore a cream suit with large white hat and fur, and she wore a corsage bouquet of Ophelia roses. The bridal couple, after partaking of refreshments at the home of the bride's aunt, Miss Walsh, Kendall Ave., left by boat to visit at Niagara Falls and Buffalo. Their home will be in Regina.

MOULDER–TRIMBLE

A quiet but pretty wedding took place at the home of Mrs. Wm. Trimble, Alton, on Wednesday, August 24th, at 3 o'clock, when her second daughter, Mary, became the bride of Mr. Levert Moulder, of Sarnia, Rev. J. F. G. Morris, pastor of the Methodist church, officiating. The wedding march was played by Miss Zella McLeod, of Waldemar. The bride, who was given away by her uncle, Mr. Alfred Graham, of Laurel, looked very charming, dressed in white satin and georgette, wearing a bridal veil caught up with orange blossoms and carrying a bouquet of bridal roses. She was attended by her sister, Miss Pearl, dressed in pale blue organdie. The bride's cousin, Mr. Roy Graham, of Montreal, was best man. After a dainty wedding repast the happy couple left for Windsor and Detroit, the bride wearing a travelling suit of navy blue tricotine with a dainty hat to match.

FURLONG–M'CRACKKEN

A quiet wedding took place in Orangeville Methodist Church at 8.45 a.m. on Wednesday, August 24th, when Miss Eleanor Ada McCracken of this town became the bride of Mr. Francis Bruce Furlong, of Brampton. The silken knot was tied by the pastor of the church, Rev. H. L. Partridge. The bride, who was unattended, wore an embroidered suit of navy blue tricotine with hat to match, and the groom's gift, a handsome seal scarf. Immediately after the signing of the register following the ceremony, the happy couple motored to the C. P. R. depot and left by the morning train for a honeymoon trip to Niagara Falls, Detroit and Philadelphia. The bride, who is highly thought of in town, was the recipient of a large number of beautiful wedding gifts. On their return from their trip Mr. and Mrs. Furlong will reside in Brampton, where they start out in life accompanied by the sincere good wishes of their numerous friends.

LOCAL NEWS.

—Dancing every Thursday night at Cold Creek Trout Club.

—Orangeville High and Public Schools will reopen next Tuesday.

—See J. D. Torrie's advt. in this issue for Boys' Clothing Values.

—Don't forget the dance at Cold Creek Trout Club every Thursday night.

—Public School books, scribblers and other school supplies at The Banner Bookstore.

—Dufferin Central Fair: All roads lead to Shelburne on Wednesday, Sept. 21st, to the Big Fair in Shelburne.

—The Orangeville Show Fair will be held on the 15th and 16th of September.

—Mr. R. J. McConnell is building quite a large addition to his brick dwelling house near the west end of Church St.

Classic Shoes
For Children
A Full new line has just arrived and is now in stock
Arnott's Shoe Store

—Six Hundred Dollars ($600.00) will be offered as prizes for speeding in the ring at the Orangeville Exhibition.

—Mr. Wm. Guest, West Broadway, is holding a Private Sale of Household Effects next week. See advt. elsewhere.

—Come! Be sure to come to Shelburne on Wednesday, Sept. 21st, to the Big Fair. Something to see and a hearty welcome to all.

—Get your tickets early for the Concert the last night of Orangeville Show Fair.

—A large number of the young people of the town attended a Masquerade Dance at Caledon Lake on Monday night. An excellent time is reported.

—The McMillan and Jeffers rinks played off their postponed game for the Grand Valley Tournament consolation event prizes on Tuesday night. The latter rink won by 9 shots.

—Boarders wanted. Apply at The Banner Office.

—Messrs. R. Arnett and A. Arnett, of Erin, have opened a blacksmith shop at Mono Mills. There is a splendid field there and the Messrs. Arnett should find their venture a profitable one.

—Stop—Look—Listen—Arrangements made for the accommodation of 10,000 people who are expected to attend the Orangeville Exhibition on September 15th and 16th.

—There will be only one change in the High School staff for the coming term. Miss Grace M. Brown, of Toronto, succeeds Miss E. Sinclair as classical teacher. Miss Sinclair has accepted a position n North Bay.

—Mrs. James Hunter, who was born in Caledon 63 years ago, died at her home in Melancthon last week. Two sons, two daughters, four brothers and four sisters survive. One son was killed overseas. Her husband died five years ago.

—William Lackey raised his brick house on West Broadway last week. The work was done under the skilled supervision of Contractor Doner, of Stayner. Mr. Lackey has the material on the ground to commence building the foundation walls and this work will be well under way by the end of the week.

—Get your boy his School Suit at J. D. Torrie's; prices ranging from $5.00 to $13.50.

—M. E. Henry has sold his farm in the South Ward to Mr. Norris Huxley, of Hillsburg, who will get possession early next year. We understand that the price was in the neighborhood of $6,500.

—A son of Herbert Peneiton, of Alliston, formerly of Sheldon, was seized with an acute attack of appendicitis one day recently. He was hurriedly operated on in his home and is now improving nicely.

—The Exhibition at Orangeville will be bigger and better than ever this year. Bigger prizes, larger crowd and more real fun than at any other show fair. Don't miss it; but get there early and join with the big crowd for a good outing.

—J. D. Torrie has his Fall Hats in; newest styles and shades to choose from.

—The Dufferins have sent in a challenge for the Desboro Cup. Last year the St. Simons team won the Cup from Brampton. If the locals get this game on it will give them an excellent chance to demonstrate that they are just as good a team as the Toronto-St. Simons.

—The following names were omitted from the list of donations to the Orangeville Fall Fair:—W. H. Gillespie, $6.00; Joseph Gillespie, $5.00; R. Overland, $5.00; T. J. Robinson, $5.00 and W. H. Hunter $3.00. W. A. Donaldson should have been credited with $11.00 instead of $10.00.

Mr. and Mrs. J. H. Dracass and daughter, Kate, of Streetsville, accompanied by their daughter and son-in-law, Mr. and Mrs. P. Christie, and family, of Toronto, spent a pleasant holiday last week with the former's sister, Mrs. Wm. Wilcox, Orangeville.

Mrs. A. B. McIntyre, First St., and her daughters, Misses Sada and Lillian, left on Tuesday morning for a trip to Duluth by way of Sarnia and the Upper Lakes. From Duluth Miss Sada McIntye will proceed to Fort Frances, to resume her duties as teacher in the High School there.

SCHOOL RE-OPENING

Orangeville Public School will reopen on Tuesday, Sept. 6th. It is important that all pupils be in their places the first day. Beginners, six years and over, should report in Miss Lalor's room at 9.30 on the above date.

A. FIRTH,
Principal.

SUMMER HEAT HARD ON BABY

No season of the year is so dangerous to the life of little ones as is the summer. The excessive heat throws the little stomach out of order so quickly that unless prompt aid is at hand the baby may be beyond all human help before the mother realizes he is ill. Summer is the season when diarrhoea, cholera infantum, dysentry and colic are most prevalent. Any one of these troubles may prove deadly if not properly treated. During the summer the mother's best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HYDRO FOR CALEDON

Hydro Engineer Addressed Meeting Monday Night, Explaining Terms on Which Light and Power Will be Supplied.

Some 75 people gathered in the Caledon township hall on Monday night to hear Mr. S. L. Eisenhofer, Hydro Engineer, explain the terms under which light and power could be supplied to the farms and villages of the township, the meeting having been called by Thos. Quinn, who occupied the chair.

The engineer did not think it would be feasible to tap the Alton line, which has been lying unused since constructed some years ago. He thought the cheaper plan would be to carry the line down the Centre Road and serve the farmers along the route.

By paying a bonus of half the cost of these rural lines the Government had brought it within the power of such rural consumers to benefit from the line. The rate at which power could be supplied was given by the engineer, and is printed in this issue, with an explanation of just what the various services would provide.

May questions were asked by the audience, who seemed most anxious that the line should be put through, and at the close of the meeting a number of contracts were signed by those present, others indicating their willingness to sign after giving it due consideration. Dt. —Dancing every Thursday night at Cold Creek Trout Club.

—Orangeville High and Public Schools will reopen next Tuesday.

—See J. D. Torrie's advt. in this issue for Boys' Clothing Values.

—Don't forget the dance at Cold Creek Trout Club every Thursday night.

—Public School books, scribblers and other school supplies at The Banner Bookstore.

—Dufferin Central Fair: All roads lead to Shelburne on Wednesday, Sept. 21st, to the Big Fair in Shelburne.

—The Orangeville Show Fair will be held on the 15th and 16th of September.

—Mr. R. J. McConnell is building quite a large addition to his brick dwelling house near the west end of Church St.

Classic Shoes
For Children
A Full new line has just arrived and is now in stock
Arnott's Shoe Store

—Six Hundred Dollars ($600.00) will be offered as prizes for speeding in the ring at the Orangeville Exhibition.

—Mr. Wm. Guest, West Broadway, is holding a Private Sale of Household Effects next week. See advt. elsewhere.

—Come! Be sure to come to Shelburne on Wednesday, Sept. 21st, to the Big Fair. Something to see and a hearty welcome to all.

—Get your tickets early for the Concert the last night of Orangeville Show Fair.

—A large number of the young people of the town attended a Masquerade Dance at Caledon Lake on Monday night. An excellent time is reported.

—The McMillan and Jeffers rinks played off their postponed game for the Grand Valley Tournament consolation event prizes on Tuesday night. The latter rink won by 9 shots.

—Boarders wanted. Apply at The Banner Office.

—Messrs. R. Arnett and A. Arnett, of Erin, have opened a blacksmith shop at Mono Mills. There is a splendid field there and the Messrs. Arnett should find their venture a profitable one.

—Stop—Look—Listen—Arrangements made for the accommodation of 10,000 people who are expected to attend the Orangeville Exhibition on September 15th and 16th.

—There will be only one change in the High School staff for the coming term. Miss Grace M. Brown, of Toronto, succeeds Miss E. Sinclair as classical teacher. Miss Sinclair has accepted a position n North Bay.

—Mrs. James Hunter, who was born in Caledon 63 years ago, died at her home in Melancthon last week. Two sons, two daughters, four brothers and four sisters survive. One son was killed overseas. Her husband died five years ago.

—William Lackey raised his brick house on West Broadway last week. The work was done under the skilled supervision of Contractor Doner, of Stayner. Mr. Lackey has the material on the ground to commence building the foundation walls and this work will be well under way by the end of the week.

—Get your boy his School Suit at J. D. Torrie's; prices ranging from $5.00 to $13.50.

—M. E. Henry has sold his farm in the South Ward to Mr. Norris Huxley, of Hillsburg, who will get possession early next year. We understand that the price was in the neighborhood of $6,500.

—A son of Herbert Penelton, of Alliston, formerly of Sheldon, was seized with an acute attack of appendicitis one day recently. He was hurriedly operated on in his home and is now improving nicely.

—The Exhibition at Orangeville will be bigger and better than ever this year. Bigger prizes, larger crowd and more real fun than at any other show fair. Don't miss it; but get there early and join with the big crowd for a good outing.

—J. D. Torrie has his Fall Hats in; newest styles and shades to choose from.

—The Dufferins have sent in a challenge for the Desboro Cup. Last year the St. Simons team won the Cup from Brampton. If the locals get this game on it will give them an excellent chance to demonstrate that they are just as good a team as the Toronto-St. Simons.

—The following names were omitted from the list of donations to the Orangeville Fall Fair:—W. H. Gillespie, $6.00; Joseph Gillespie, $5.00; R. Overland, $5.00; T. J. Robinson, $5.00 and W. H. Hunter $3.00. W. A. Donaldson should have been credited with $11.00 instead of $10.00.

Mr. and Mrs. J. H. Dracass and daughter, Kate, of Streetsville, accompanied by their daughter and son-in-law, Mr. and Mrs. P. Christie, and family, of Toronto, spent a pleasant holiday last week with the former's sister, Mrs. Wm. Wilcox, Orangeville.

Mrs. A. B. McIntyre, First St., and her daughters, Misses Sada and Lillian, left on Tuesday morning for a trip to Duluth by way of Sarnia and the Upper Lakes. From Duluth Miss Sada McIntye will proceed to Fort Frances, to resume her duties as teacher in the High School there.

SCHOOL RE-OPENING

Orangeville Public School will reopen on Tuesday, Sept. 6th. It is important that all pupils be in their places the first day. Beginners, six years and over, should report in Miss Lalor's room at 9.30 on the above date.

A. FIRTH,
Principal.

SUMMER HEAT HARD ON BABY

No season of the year is so dangerous to the life of little ones as is the summer. The excessive heat throws the little stomach out of order so quickly that unless prompt aid is at hand the baby may be beyond all human help before the mother realizes he is ill. Summer is the season when diarrhoea, cholera infantum, dysentry and colic are most prevalent. Any one of these troubles may prove deadly if not properly treated. During the summer the mother's best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

PERSONAL MENTION

Miss Irene Mills is visiting friends in Toronto.

Miss E. McKay visited Toronto friends over the week-end.

Miss Mildred King, of Toronto, visited friends in town the past week.

Miss Bessie Ellis has left for Burford, where she has accepted a school.

Mrs. H. Gilmore and Master Harold spent last week visiting friends in Owen Sound.

Mr. A. S. Thurston, of the Farmers' Sun, was in town for a few hours on Tuesday.

Miss Lillian McIntyre will teach at Niagara-on-the-Lake during the coming school term.

Mrs. J. McArthur and daughter, Miss Jennie, are visiting relatives at Rockside for a few days.

Mr. F. L. McMullen, of Mono, has joined the staff of the local branch of the Bank of Commerce.

Mr. Geo. Haslam, of Markdale, visited his parents, Mr. and Mrs. J. Haslam, over the week-end.

Mrs. A. W. McGillivray is visiting her daughter, Mrs. C. W. MacRitchie, Niagara Falls, N Y.

Mr. H. Gilmore and children motored to the city this week and intend taking in the Exhibition.

Miss Ella Buchanan, of Camilla, visited Mr. and Mrs. Reuben Stoddart, Shelburne, over the week-end.

Mrs. W. H. Shier and little daughter, of Bracebridge, visited her mother, Mrs. Wm. Wilcox, 3rd Ave.

Mr. A. C. Hannaheon, organist of St. Andrew's Church, returned to town on Friday after a month's vacation.

Mr. C. W. Lewis returned to the city on Monday morning after two weeks' vacation at his home in Mono Mills.

Mrs. Albert Walker and son, Gordon, Zina St., have been visiting the former's parents in Desseronto last and this week.

Mr. Tom Burrowes, baker, of Cole's bake shop, Toronto, spent a week at the home of Mr. T. J. Buchanan, Camilla.

Mr. and Mrs. Wilson G. Duke and their son, Kenneth, had a very pleasant motor trip to Niagara Falls and Buffalo last week.

Mr. H. E. Berlett, who has been visiting friends at Laurel for the last month, returned to his home in Toronto on Friday.

Dr. R. G. and Mrs. McMillan, of Windsor, visited with the latter's parents, Mr. and Mrs. H. Christian, John St., this week.

Mrs. Geo. Wilcox and daughter, Miss Ruby Wilcox, of Toronto, are visiting Mr. and Mrs. Will Kearns, York St., this week.

Mr. Elwood McCartney, of Winnipeg, visited at the home of Mr. Wm. McConnell, West Broadway, and other friends in town.

Mr. W. J. Glover, Accountant in the Post Office Department at Ottawa, visited friends here and at Camilla over the week-end.

Miss M. J. Glassford, of Toronto, visited her brother and sister, Mr. J. H. Glassford and Mrs. S. Turner, Zina St., over a recent week-end.

Miss Park returned to her home in Buffalo this week after a month's visit with her brother, Mr. John Park, and other friends hereabouts.

Miss McCannell, head milliner in Hill & Co.'s, returned to town on Tuesday evening after spending the summer vacation visiting in Collingwood.

Mrs. Chas. Gordon and daughters, Misses Gladys and Dorothy, have returned home after spending two weeks with Mr. and Mrs. T. J. Buchanan, Camilla.

Miss Edna Gallaugher and Miss A. McMaster, of Mansfield, and Miss I. Wanless, of Everett, spent the week-end with Mr. and Mrs. Wilson G. Duke, Mono Mills.

Mr. J. H. Robinson, of the Sterling Bank staff, Whitney, Ont., is spending two weeks vacation at the home of his parents, Mr. and Mrs. M. Robinson, West Broadway.

Mrs. J. E. Harris and granddaughter, Mabel, of Woodbridge, have returned home after a visit of two weeks at the home of Mr. and Mrs. David Watson, Second St.

Mr. and Mrs. Geo. Hepton and Mr. and Mrs. Fred Mayhew, of Toronto, motored to town last Thursday and spent the day visiting Mr. and Mrs. M. Varcoe and other friends here.

Miss Agnes Coats has returned to Toronto after spending a couple of weeks at the home of Mr. and Mrs. E.C. Connop, Church St. Miss Coats was a nurse overseas during the war.

Mr. and Mrs. T. C. Glassford, of Caledon, had a pleasant motor trip to Drayton and Brantford last week. They state that crops are better hereabouts than at any place they visited.

Mr. Reuben Smith, of the Bank of Hamilton staff, has been transferred to Atwood, Ont., where he has been promoted to the position of teller. Mr. Smith left for Atwood on Monday night.

Dr. and Mrs. T. H. Henry motored to Goderich on Sunday, and returned Tuesday, accompanied with their daughter, Miss Lorna, who has been relieving in the Goderich branch of the Bank of Commerce for the past month.

Miss Knight, of Vancouver, B. C., is visiting her sister, Mrs. W. C. Barber, Mill St. Miss Knight is a graduate of Vancouver General Hospital and is now taking a post-graduate course at Sloane Hospital, New York.

Mr. Clarence McConnell has resigned his position with the local branch of the Sterling Bank to go to Toronto, where he has accepted a position as trap drummer with an orchestra in one of the leading city theatres.

Mr. and Mrs. Chas. Curtis returned to their home in Toronto last Thursday after a short visit with Mr. and Mrs. Albert Curtis, of Camilla. They were accompanied home by Master Arthur Curtis, who will remain in the city for the Exhibition.

HYDRO FOR CALEDON

Hydro Engineer Addressed Meeting Monday Night, Explaining Terms on Which Light and Power Will be Supplied.

Some 75 people gathered in the Caledon township hall on Monday night to hear Mr. S. L. Eisenhofer, Hydro Engineer, explain the terms under which light and power could be supplied to the farms and villages of the township, the meeting having been called by Thos. Quinn, who occupied the chair.

The engineer did not think it would be feasible to tap the Alton line, which has been lying unused since constructed some years ago. He thought the cheaper plan would be to carry the line down the Centre Road and serve the farmers along the route.

By paying a bonus of half the cost of these rural lines the Government had brought it within the power of such rural consumers to benefit from the line. The rate at which power could be supplied was given by the engineer, and is printed in this issue, with an explanation of just what the various services would provide.

May questions were asked by the audience, who seemed most anxious that the line should be put through, and at the close of the meeting a number of contracts were signed by those present, others indicating their willingness to sign after giving it due consideration. Dt. Thomas, of Caledon, has undertaken to assist the Hydro officials make a canvass of the district for contracts, after which the work of construction would be hurriedly pushed—if enough came in on the scheme.

PRIMROSE

The annual Garden Party and Peach Social of St. James' Church, Primrose, will be held on the church grounds, lot 30, Prince of Wales Road, Mono, on Wednesday evening, Sept. 7th. Program by the Orangeville Male Quartette, Elocution, Bagpipes and Sword Exercises. Tea served from 5.30 to 7.30. Admission, Adults, 50c.; children, 35c.

RESIGNED AS MANAGER

Mr. Leonard Robb, who was on the staff of the Orangeville branch of the Bank of Hamilton a number of years ago, has resigned the office of Bank Manager at Estevan, Sask., to take a position with the Dominion Life Assurance Co. at Brandon, Man. In his new position Mr. Robb will have charge of the Brandon office anl will also exercise a general supervision over the Company's business in the western half of the Province of Manitoba. Mr. Robb is a nephew of Mr. Geo. Robb of this town.

BOY DROWNED

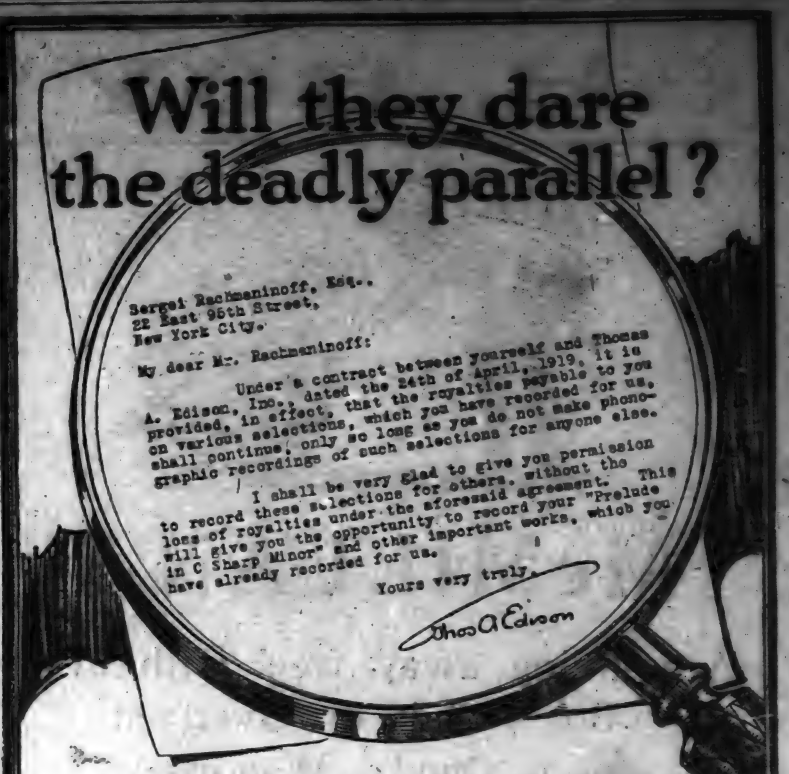
Will they dare the deadly parallel?



Sergei Rachmaninoff, Esq.,
22 East 95th Street,
New York City.

My dear Mr. Rachmaninoff:

Under a contract between yourself and Thomas A. Edison, Inc., dated the 24th of April, 1919, it is provided, in effect, that the royalties payable to you on various selections, which you have recorded for us, shall continue, only so long as you do not make phonographic recordings of such selections for anyone else.

I shall be very glad to give you permission to record these selections for others, without the loss of royalties under the aforesaid agreement. This will give you the opportunity to record your "Prelude in C Sharp Minor" and other important works, which you have already recorded for us.

Yours very truly,

Thos A Edison

READ Mr. Edison's letter to Rachmaninoff, the famous Russian pianist. In reality, it is an invitation to talking-machine manufacturers to record Rachmaninoff in the selections that he has recorded for the New Edison.

We fear that they will not dare this deadly parallel,—but, since Rachmaninoff has recorded other selections for talking-machines, you can draw your own parallels. Simply come here and

Hear Rachmaninoff on the NEW EDISON

You will hear Rachmaninoff exactly as he plays. Then listen to him as he sounds on a talking-machine.

The New Edison is so different from all talking-machines that Mr. Edison has offered 23 cash prizes, totaling $10,000, for phrases that will best distinguish the New Edison from talking-machines. Ask for folder, giving full particulars.

If you do not own a New Edison, fill out and mail, or bring, the coupon and we will loan you an instrument on three days free trial. Having a New Edison will give you ideas for phrases to submit in the contest. Act quickly—contest closes September 2nd.

3 Day Trial Coupon

NAME

ADDRESS

This coupon when filled out by a responsible person, entitles him (or her) to the loan of a New Edison and a selection of RE-CREATIONS for 3 days. No charge or obligation.

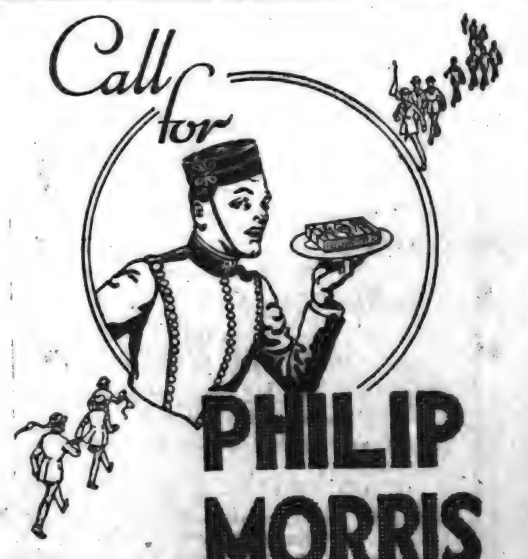
THE ADAMSON HARDWARE CO.
Broadway - - - Orangeville

WANT THE LIGHT

Chinguacousy Farmers Not Keen to Sign Contracts With Hydro.

Reeve T. H. Elliott presided Monday night, August 22nd, at a meeting of the ratepayers of Chinguacousy Township held at Snelgrove for the purpose of placing before the rural residents the advantages of Hydro power on the farm, and the estimated cost of securing light and power. The clause requiring three contracts per mile to be secured, these contracts to be made for twenty years, and each calling for light, farm service, at a cost of $97.50 per annum as a minimum, is the stumbling block. The farmers have been figuring the cost of carrying the wires from the road to their houses and barns, in some cases a considerable distance, and have added to this the cost of wiring the house and barn and buying motors. They agree pretty generally that they would take light if they could have that without the power clause being observed. It is probable that if they could have a small amount of power they would sign the contracts, but there are few farmers in the district who would be in a position to use five horsepower except on a few occasions during the year. The engineers sent out by the Commission do not encourage the farmers that they are likely to have a choice in the matter of getting light alone.

There will be over 150 exhibitors in the automotive display at the Canadian National Exhibition.



BARN BURNED

Spontaneous Combustion Probable Cause of Destructive Fire.

On Thursday evening last the large bank barn of Mr. Howard Neal on the former McMillan farm bought a couple of years ago from Mr. R. H. Nightingale, was completely destroyed with most of its contents.

The fire occurred between eight and nine o'clock. Mr. Neal was at a neighbor's, Mr. Lachlan McMillan's, when it was noticed. Mr. Neal, at considerable risk, got out three horses, though the hay in the mangers was burning. The shank of one halter was burnt through, he cut another, and cut off a halter that had a chain for a shank. The horses were severely burnt about the neck. Three calves, 16 pigs and about 30 hens were burnt, as also were a binder, buggy, fanning mill, etc.; 38 loads of hay; 500 bushels of old oats, half his grain crop, including 18 loads of oats. A large straw shed attached to the barn was burned.

The cause of the fire is unknown, though supposed to have been from spontaneous combustion. The fire, however, was first seen at the other end of the barn to that in which the new hay was.

We understand that there was insurance of $2000 on the contents, which will cover the loss, and about $2000 on the building which will not nearly replace it, though it will help a lot.—Arthur Enterprise.

CEMENT HANDS SCRAP

Two employees of the Hanover Portland Cement Co., Wm. Sheffield, of Owen Sound, a burner, and Jas. McCallum, of Shallow Lake, night repair man, got into a heated argument last Thursday evening at 7.30 o'clock, whereupon McCallum picked up a piece of pipe and struck Sheffield over the head, inflicting a nasty gash which required eleven stitches to close. Sheffield laid a charge against McCallum of "assault with intent to do bodily harm," which was afterwards changed to one of common assault. McCallum is out on $400 bail. It is expected that Sheffield will be able to return to work this week. McCallum has been let go by the cement company. The hearing will take place before Magistrate Telford on Wednesday afternoon.—Hanover Post.

Young Housewife—"What makes the milk so blue lately?"

Milkman—"The milk's as good as ever, ma'm, but we just turned the cows into a blue-grass pasture."

TO WOMEN OF MIDDLE AGE

This Woman's Letter Tells You How To Pass The Crisis Safely.

Lacadie, P.Q.—"During the Change of Life I felt so weak and run down I could hardly do my work. The perspiration would pour over my face so that I couldn't see what I was doing. We live on a farm, so there is lots to do, but many who felt as I did would have been in bed. I took Lydia E. Pinkham's Vegetable Compound and it did me a world of good. I tried other remedies but I put Vegetable Compound ahead of them all, and I tell every one I know how much good it has done me."—Mrs. DUNCAN BROWN, Lacadie, Prov. Quebec.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ear, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women, and let Lydia E. Pinkham's Vegetable Compound carry them safely through this crisis as it did Mrs. Brown.

You are invited to write for free advice

No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass.

HISTORICAL MATERIAL

Block of Marble Found Which Bears A Flawless Greek Inscription of 100 Lines.

A discovery which, it is claimed, will form one of the fundamental sources for a history of the Roman Empire under Augustus, has been made recently by Dr. Oliverio, an Italian savant in Cyrene, the ancient Greek colony in Afrila, founded in the seventh century.

A Morning Post correspondent, writing from Cyrene, says that excavations at Bengasi—the ancient Berenice which stood in the midst of the Gardens of the Hesperides near the mouth of the River Lethe—have resulted in the unearthing of a block of marble eight feet long, one face of which bears a flawless Greek inscription of over 100 lines; the translation of a letter from Augustus on the government and administering a wonderful insight into the tration of justice in Cyrenaica, giving financial and judicial conditions of the country at that time.

Other interesting finds are a sanctuary dedicated to eastern divinities, probably of the time of Julian the Apostate, with a remarkably well-preserved black marble statue of an Egyptian goddess. An extension Ptolemaic cemetery also has been located. At Apollonia, a Christian basilica of the fifth century is being excavated, and at Merdji, the ancient Barce, some Cufic inscriptions have been found which are held to be of great importance when the history of the Arab conquest comes to be written.

ALTON

Mr. and Mrs. Roland Fleming and babe, of Brampton, spent a week with the latter's sister, Mrs. E. D. Barber.

Miss Ada Lemon, of Toronto, spent a week's holidays with her father, Mr. Peter Lemon.

Miss Winnifred Lowe, of Snelgrove, has been visiting Miss Hope Barber.

Miss Muriel Laverty, of Toronto, has been the guest of Miss Agnes Meek for the past week.

Rev. W. N. Carr, pastor of the Presbyterian Church, is away on a three weeks' vacation. There are union services in the Methodist Church during Mr. Carr's absence.

Miss Margaret Dods is visiting her sister, Mrs. Leslie Fleming, in Montreal.

Miss Dorothy Dods is spending a couple of weeks with her sister, Mrs. (Dr.) Macdonell, in Goderich.

Mrs. Nunn is visiting friends in Hamilton, Niagara and Brantford.

Miss Margaret Lemon has been spending a few holidays with her sisters, Mrs. Leigh Butler and Mrs. Wallace Randall, at Toronto Island.

The Alton Women's Institute visited the Caledon Institute on Wednesday afternoon, August 17th, and were entertained at the home of Mrs. Albert Smith. The Alton ladies provided the program.

Mr. and Mrs. James Martin are visiting their daughter, at Grand Valley.

We are glad to report that Miss Mabel Dods, who has been confined to her bed for several weeks, is improving.

Mr. and Mrs. John M. Dods spent a few days this week with their daughter, Mrs. Leslie Fleming, in Montreal.

Mrs. Alex. Dean, of Toronto, formerly of Alton, has been visiting friends in town.—Advocate.

OIL TANK GOES UP

A two hundred gallon storage tank and its contents of coal oil, along with the buildings in which it was housed, were burned in Brampton last week, when fire broke out on the premises of Arthur Brown, coal oil merchant. The buildings, situated at the corner of the 1st line, east, and Queen street, were outside the limits, but the firemen coupled 1,400 feet of hose and turned on a small stream on the fire, with little effect. The loss is estimated at $3,500, with a small insurance.

SOLDIERS' MEMORIAL

Shelburne Committee is Considering Hospital or Cemetery Gates.

A meeting of the Soldiers' Memorial Committee was held in Shelburne, Saturday night last. Suggestions by letter were read from Mr. J. S. Brundige, of Regina, Sask., formerly of Shelburne, suggesting a museum and from Mr. E. H. Barnes, of Keene, a former accountant in the Bank of Toronto, here, suggesting a gymnasium. Rev. W. H. Hartley spoke in favor of a hospital. Messrs. Rice Hill and D. E. Dean also spoke in favor of a hospital.

On motion of J. W. Hamilton and J. McKee, the Committee recommended that the Memorial take the form of a hospital, and that a public meeting be called for September 6th, to act on this recommendation.

The following resolution, moved by Geo. Ferris, and seconded by J. H. Bell, was also passed: That in the event of the erection of a Memorial Hospital being discarded, that the Memorial shall take the form of gates for the cemetery, suitably built and engraved, and that the cost be covered by the grant of the County for this purpose, and that the Committee request the custodians of the Peace Fund to supplement the County grant to the extent of their balance.—Economist.

GLENN–TAYLOR

Holy Trinity church, Toronto, was the scene of a quiet wedding at high noon, Thursday, Aug. 18, when H. Pearl, youngest daughter of Mr. R. F. Taylor, of Grand Valley, became the bride of Mr. E. H. Glenn, only son of Mr. and Mrs. H. L. Glenn, Toronto. Rev. Canon Smith, of Fort Erie, brother-in-law of the bride, officiated. The bride was attended by her niece, Miss Kathleen McIntyre and the groom was supported by Dr. R. F. Taylor, of Listowel. Mr. Frank Smith, of Fort Erie, was usher and the wedding music was played by Mr. Frank Hanston, of Toronto. After the wedding luncheon Mr. and Mrs. Glenn left for a trip up the Saguenay, and will be home at 29 Robert St., Mimico, after Sept. 1.

A TRAGIC DEATH

Carrick Farmer Fell From Mow When "Trip Rope" Broke and Had His Neck Broken.

Mr. Thomas Gowdy, a former resident of Mildmay, was instantly killed on Monday evening of last week, while assisting Mr. Andrew Miller, of Carrick. They were hauling in oats and were just taking off a load of sheaves with the assistance of the slings. Mr. Gowdy was in the mow operating the trip rope. He had just lifted the last section of the load and had pulled the rope and then stepped back out of the way, but the rope broke, causing him to lose his balance and he fell headlong to the barn floor below. When falling, he hit his head on the wagon rack, breaking his neck, causing instant death.

The tragic death of Mr. Gowdy cast a gloom over the neighborhood as he was an honest and industrious neighbor. He resided for many years on the 4th con. of Carrick, selling out there, and then resided near Mildmay till the death of his wife two years ago. He left then to reside in Wingham but could not be contented with the idleness of a retired life but purchased a small farm on sisters survive. The funeral was the townline between Howick and Carrick, where he resided over one of the largest held there. year. He was born in Mitchell 65 was laid to rest beside his late years ago. No family is left to mourn in McIntosh's cemetery, near his loss, but three brothers and two more.—Hanover Post.

A Tribute

Our ability, to explain in print why The Hoover excels, is dwarfed by the enthusiastic endorsement of a half million Hoover users, thousands of whom have been using Hoovers on their carpetings for the past ten or twelve years.

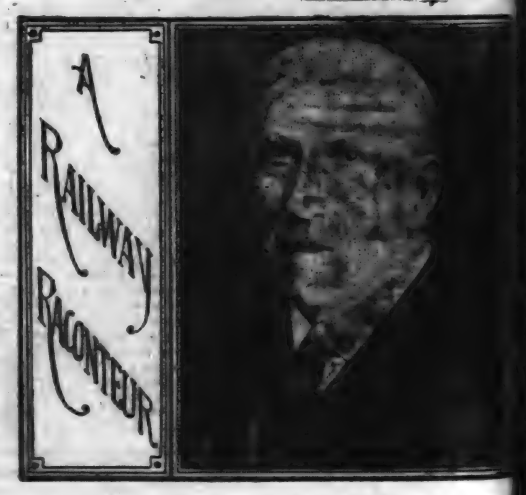
1000 votes free to those attending Saturday evening performance at Gem Theatre. Every girl or boy should be there and get a big start with all these votes.



George H. Ham

The birthdays of Mr. George H. Ham, of the C. P. R., have far many years past been observed by some function or other. If it was not a home-like dinner with a score or so of close friends, or a public banquet or a presentation, or an operation in a hospital, or a trip on a railway train, it was something else. This year a radical departure is being made from the ordinary August 23rd proceedings with the Musson Book Company of Toronto as sponsors for the innovation. On that day, this publishing company is issuing "Reminiscences of a Raconteur," the author of which is Mr. Ham. In the articles which originally appeared in Maclean's Magazine, the author recalls incidents of his busy and by no means monotonous life from the infantile age of three down to the present day. The allotted three-score and ten of man is most interestingly covered. From his early boyhood days, he recounts events which include the Fenian Raids and the second Riel Rebellion, of chasing and being chased by wild Indians, of the exciting early days of Winnipeg and the West, of the Governors-General he has met, of the intrepid officers of the Hudson's Bay Company, of the Mormons with whom he mingled accompanied by the Canadian Women's Press Club of which he is the only male member, and he writes entertainingly of journeys and honeymoons. He delves into the mysteries of Occult and Theosophie, and gives instances of telepathic communication and other psychological subjects. He has many previously unpublished stories of his old friend, Mark Twain, and an excellent article on Brother Andre, the Miracle Man of Montreal, and his great work. Under the caption of "Scarlet and Gold" he tells of the gallant men of the Northwest Mounted Police in its early days. "When Toronto was Young," gives a graphic description of the Queen City in the past, and his stories of politics and politicians give the reader an hitherto unknown insight into the life of many of the grand old men of Canada, when John Macdonald, Sir Wilfrid Laurier, Sir Richard Cartwright and the confreres held sway. The "C. P. R." of which Mr. Ham has been part and parcel for nearly a third of a century, is presented in a way that it only could be by one intimate with its workings and the brainmen who inaugurated and ably managed it from its infancy until it became perhaps the greatest transportation company in the world. Running through the whole book, which are several articles which did not appear in Maclean's, is a vein of quaint humour and tender pathos which charms and delights the reader. So on his 74th birthday, the "boy" author bestows, rather than receives, a fitting gift from his facile pen to his vast army of friends and acquaintances who are to be found in the four quarters of the globe.

FIRST WELL DAY FOR FIVE YEARS

Morford Declares Tanlac Ended His Troubles and Built Him up Twelve Pounds.

"It only took two bottles of Tanlac to bring my appetite back in full force, and now my troubles are all in the past," said F. W. Morford, well-known machinist with the Westinghouse Electric Co., residing at 91 Jackson St., West, Hamilton, Ont.

"For five years I had an awful time with stomach trouble and indigestion. I had no appetite whatever, and everything I ate soured on my stomach and caused terrible gnawing pains and bloating. At times the gas on my stomach was so bad it pressed up into my chest until it almost cut off my breath. I lay awake rolling and tossing many a night, hardly sleeping any, and one time I got so bad I had to give up work and stay at home for two whole months. Mornings I felt more dull and tired than on going to bed, and I frequently had headaches so bad I thought my head would split open. I got so dizzy I couldn't stand up, and went down in weight from a hundred and fifty-five to only a hundred and twenty-eight pounds. I also had rheumatism in my right arm which was so bad I couldn't lie on that side at night.

"But my stomach commenced to improve almost from the time I started on Tanlac, and I gained steadily and rapidly. I have picked up twelve pounds in weight now, sleep like a log every night and am eating like a horse. In fact I am a well man, and I am only too glad to recommend Tanlac to anyone suffering like I was."

Tanlac is sold in Orangeville by C. V. Jeffers, and by leading druggists everywhere.

Mr. Jack Brown, teller in Shelburne branch of the Bank of Toronto, has been transferred to the Galt branch as teller.

Arthur Edmondson was held up by bandits on the Princeton road near Brantford, who took the only 25 cents he possessed.

Rev. Dr. J. S. Ross, pastor of the Fergus Methodist Church, is ill in Fergus hospital. The pulpit is being supplied by Rev. W. Schram.

Albert Fenner, of Carrick, fell between the horses and a hay rake, which he was driving, and had four ribs broken, one of which pierced his lung.

Mr. Wm. Laughlin, 5th line, Caledon, recently took two stalks of corn from his field which measured 21½ and 21 feet from top of root to end of tassel.

Hon. F. S. Tolmie, Minister of Agriculture, says Canadian cattle raisers will be carried over the period of abnormally low prices by advances from the banks, secured by their stock.

The engagement is announced of Margueretta Irene, only daughter of Mr. and Mrs. Joseph Noble of Kenilworth, formerly of Mansfield, to Mr. Wilfred J. Nelson, of Alliston. The marriage will take place in September.

Arthur Village citizens denominationally are:—Anglicans 151, Methodists 250, Presbyterians 273, R. Catholics 356, Baptists 16, Lutherans 3, L. Saints 36, Jews 12, Church of God 6, Congregational 1, —1104.

A bulletin issued by the Grey County Agricultural Representative at Markdale says that a call came to hand some time ago from the Agricultural Representative of Manitoulin Island for hay and other feed owing to the scarcity in that District.

While men were at work digging a cess pool in the public school grounds in Arthur, an old coffin containing a skeleton was unearthed. The bones were in a good state of preservation. The present school grounds, in the very early days of Arthur, were used for a short time as a cemetery and it was the bones of one of Arthur's earliest pioneers that were disinterred.

Collingwood apparently is not through with litigation with the Baldwins of Toronto, the present owners of the Collingwood steel plant. Some time ago an agreement was entered into with the Baldwins, and now this is in dispute. Injunctions are being applied for and notices posted forbidding the removal of buildings. The matter will probably get into the courts.

The fire that swept through Michipicoten some weeks ago has apparently burnt up everything in the bush that a bear can eat, as there are quite a number hanging around the settlements. Nearly everybody who has occasion to go out has seen one or two. Mr. Joe Legard met one recently while coming through the bush behind the Hudson Bay post. The bear seemed inclined to argue with Joe as to who had prior right to the trail. The result of the argument is that Mr. Bear's head is now hanging on Joe's fence, and it is a beauty.

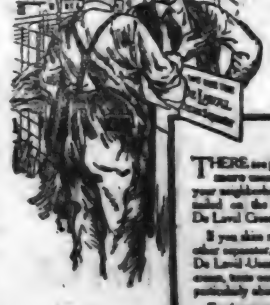
Straight talk on Cream Separators by
J. E. SMITH & Co.
Orangeville, Ont. Canada.



Ask your neighbor about the De Laval Separator

THERE are probably a number of the 2,500,000 and more users of De Laval Cream Separators right in your neighborhood. You can find them by the signs nailed on the fence or barn reading "We use the De Laval Cream Separator."

If you skim milk by the gravity method or with any other separator, it will pay you to talk to users of these De Laval Users. Ask them if the De Laval can more cream, more easily and requires less attention. Ask them particularly about the De Laval wearing qualities.

For long years the De Laval Company have led in cream separator improvements. There must be a reason for the universal satisfaction which the De Laval gives.

Ask your neighbor about the De Laval
Then step in and see us

Sooner or later you will buy a

A LABOR SERMON

Church Should be Sympathetic in its Attitude Toward Labor and Labor Problems.

In St. Andrew's church on Sunday morning the pastor, Rev. F. W. Mahaffy, delivered a thoughtful and well-considered discourse on Labor, Labor Problems and the attitude of the Church toward Labor. The address was listened to with deep interest by a large congregation and created a most favorable impression. Mr. Mahaffy based his sermon on the text, "Six days shall thou labor and do all thy work," part of the Fourth Commandment.

We have long been impressed, said the speaker, with the Divine necessity that is laid upon us of rest and worship, at least for one day in the week. This same Commandment lays stress upon the human necessity of industry for the remainder of the week, in the words, "Six days shall thou labor and do all thy work." The two clauses of the Commandment indicate that piety and industry are affiliated. "Piety is a principle of industry and application to business. It rules those licentious passions that war against order and economy." One holy day, therefore, that fosters piety means more efficiency for a busy week. And a week of honest toil always gives greater relish for a day of rest. Without minimizing the importance of the Sabbath law, we will endeavor to lay upon the conscience the religious duty of leading an industrious life.

Early in human history it was decreed that man should find immunity from sin in profitable employment. Prophets pronounced woe upon those who were at ease in Zion. The idle rich and the shiftless poor have always been a menace to society.

The attitude of the Church toward labor movements should be one of keen interest and sympathy. The Roman Catholic Church has demonstrated in Quebec what a church can do to promote satisfactory industrial conditions. The Protestant Church cannot be remiss in its duty during the present industrial crisis.

What is the function of the Church to-day in the industrial progress of the country? Some Labor leaders declare the Church never had any function. They have ceased to look to the Church for leadership. These men are not students of history. The Magna Charta, the destruction of feudalism, the emancipation of the slaves, the securing of a day of rest, are all due to the Church and Church leadership.

The reason the Church is not conspicuous in securing special reforms through corporate effort is that its authority and efforts are merged into the common political life of the nation. Lloyd George claims that the present function of the Church is "not so much to promote special reforms as to create an atmosphere in which not only reforms are possible, but in which the perpetuation of evils is impossible." Already the Church has succeeded in promoting a spirit of justice and brotherhood that would make many of the evils of yesterday intolerable to-day. Much of the prevailing unrest of to-day is but a protest against injustices that still place heavy burdens on the masses who toil.

The Church is interested in industrial problems and their equitable solution because the interests of the Church are wrapped up in the community and industry is the basis of prosperity for the community. Moreover, the Church should seek to banish the ancient prejudice against work and should seek to make the laboring man and woman happy and content with their lot. The numerous grievances of labor should be investigated and removed as far as possible. Some other incentive than "the fear of losing his job" should be given to the worker. He should be assured of constant employment. He should be taught to look on industry as service, not as a matter of acquisition. This might lead to the adoption of the slogan, "fair work." Britishers everywhere should be ready for this slogan as they are fond of "fair play" and quick to voice their disapproval of unfair tactics in all forms of sport.

Employers have had their grievances as well as the employees. Shorter hours of work often mean more dissipation of the energies of the worker in his hours of leisure. To remove these grievances, whether on the side of the employer or on the side of the worker, and to solve the difficulties which these grievances create, it is necessary that we exalt the dignity of labor and recognize the great service that honest labor is rendering to the state. The inspiration of carrying religious motives to our tasks must not be ignored and above all the leadership of Christ and the application of those great principles which Christ taught during His ministry here on earth must be constantly invoked.

WHITTINGTON

Whittington Women's Institute will hold its next meeting at the home of Mrs. W. J. Hamilton on Wednesday afternoon, Sept. 14th, at 2.30 o'clock. The subject, "Getting the Best in Life," will be taken by Mrs. Jas. White. A discussion on Labor Saving Devices will be led by Mrs. Harry May. Music will be provided by Miss Lottie McCabe and Mrs. A. White.

ALTON

Our Public School reopened for the fall term on Tuesday. Mr. Yuill, our Principal, and Miss Green, assistant teacher, are both filling their old positions for another year. We welcome them to town again after their vacation.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

PAINFUL NEURALGIA TORTURING SCIATICA

Both Come From the Same Cause—Thin, Watery Blood.

Most people think of neuralgia as a pain in the head or face, but neuralgia may affect any nerve in the body. Different names are given to it when it affects certain nerves. Thus neuralgia of the sciatic nerve is called sciatica, but the character of the pain and the nature of the disease are the same. The pain in neuralgia is caused by starved nerves. The blood which carries nourishment to the nerves has become thin and impure and no longer does so, and the pain you feel is the cry of the nerves for their natural food. You may ease the pains of neuralgia with hot applications, but real relief from the trouble comes by enriching and purifying the blood. For this purpose Dr. Williams' Pink Pills are strongly recommended. These pills make new, rich blood and thus act as a most effective nerve tonic. If you are suffering from this most dreaded of troubles, or any form of nerve trouble, give these pills a fair trial, and realize the ease and comfort that follow their use.

You can get Dr. Williams' Pink Pills from any medicine dealer, or by mail at 50 cents a box or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

ELECTION THIS FALL

Premier Meighen Makes Momentous Announcement in London Speech on Thursday.

In his speech at London last Thursday night Premier Meighen made the important announcement that a general election would be held before the New Year. When making the announcement the Prime Minister said:—

"There is no means of redistribution except at the price of holding the country in suspense, through very difficult times, for eighteen to twenty months, on an issue formidably challenged; an issue that goes to the heart of our industrial and national life.

"For these reasons I think the right thing to do is to recommend a dissolution of Parliament at an early date to provide time for full discussion and an election before the New Year. That course I intend to pursue.

"There is this fact to be noted—not so much by way of argument as by way of interest. The rural portion of Canada would gain in the Prairie West, but they would lose, beyond all question, more in the East than they could possibly gain in the West. The advantage now is with them."

The Premier professed to disregard the Liberals as serious contenders in the coming contest and named the Farmers as the real challengers of his Government. He concentrated the attention of his audience on the tariff question, which he contended was the vital issue of the day. He contended: first, that Canada's tariff imports are now very low; second, that the farmers, who are forty per cent. of the population, have no grievance in that they bear only two-thirds of one per cent. of the direct taxation, and, finally, that the United States has taken aggressive action that this country is compelled to meet in the interests of self-preservation.

The Premier gave a number of reasons why redistribution could not be carried out before an election. It would delay the contest into midwinter, and the rigorous weather of December, January and February might keep many from the polls. For that reason he is anxious to bring on an election before the end of the year and still leave time for an extended campaign. He did not fix the election date more definitely.

He made the offhand prediction that the Liberals would not even have a candidate in the field between the head of the lakes and the Rocky Mountains, but the Farmers, who, he said, have formidably challenged the Government, were dealt with as an organization grown to great strength on a diet of propaganda, class appeal, misinformation and prejudice, backed by Liberals and "the extremists of other groups."

The farmers believe, he said, that the tariff is inimical to their interests. Time, he thought, will prove that they are wrong, but in the meanwhile they must be reckoned with. Stable government cannot be carried on while its principal basis is so seriously menaced. The results in Medicine Hat and Alberta had forced him to accept the challenge, and so the election comes.

There has been no definite statement as to the probable date of the election, but it is generally believed that it will be held toward the end of November or early in December.

New Fall Millinery

We cordially invite the Ladies of Orangeville and vicinity to visit our Showrooms on Thursday, Friday and Saturday, September 8, 9 and 10, when the Department will be in perfect readiness for early Fall business. We will have on display a wonderful collection of Trimmed Millinery, which will be well worth seeing—Miss McCannell in charge.

We are sole agents for Monarch Yarns, the most popular and most "woolly" of all Sweater wool.

Fall Underskirts

There is, on display, a very pretty assortment of Fall Skirts. These are in Silk, Jersey, Sateen and Black Moire, a good line of colors and styles.

THE Centre of Supply
F. T. HILL & CO., Ltd
ORANGEVILLE.
For Household AND Personal Wants

Don't have your Fall Dress or Middy made up until you have seen our new Sport Flannel. This is all wool, thoroughly shrunk; in the newest shades and sells at **$1.25 per yard.**

School Days mean School Clothes. In this we are well prepared to meet your needs—

Boys' Tweed Suits range from $7.90 to $16.00
Boys' Boots from $2.75 to $4.00
Girls' Boots from $2.50 to $4.50
Girls' Gingham Dresses from $1.35 to $3.00
and good weight, ribbed Black Stockings for all, regular values to 35 cents **For 20c. per pair.**

Flannelette Blankets and Comforters

Nowhere in the country will you find a bigger range of Flannelette Blankets. We have the regular Blanket in white and grey, with blue or pink stripes. Also a big assortment of beautifully soft colored Plaid, and a good line of Comforters.

New Fall and Winter Coats

The latest models in the newest shades. These come in Duvetyne, Velour, Blanket Cloth, and Beaverette. The choice is generous, the styles are new and smart, and the prices are based on the recent reductions.

DIVISION COURT

Lawyers and litigants had a regular field day in the Orangeville Division Court on Tuesday. It is a considerable time since the Court was confronted with a docket of such a formidable nature.

King vs. Wilson—Noah King sued John C. Wilson, now living in St. George, for $73.00 board for the defendant's father, John Wilson, a old resident of East Garafraxa. After hearing the evidence the Judge expressed the opinion that the plaintiff should look either to Wilson himself or another son, Wm. G. Wilson, of Vancouver, rather than to the present defendant and adjourned the case until after the March sitting of the Court to allow King to take these proceedings if so disposed. A. A. Hughson for plff.; C. R. McKeown for deft.

Crawshaw vs. Reid—This was an action brought by a hired man to recover $66.00 balance of wages from his employer, Arthur L. Reid, a farmer living near Amaranth Station. The plaintiff was given judgment for $30.00 without costs. J. L. Island for plff.; McKeown for deft.

McCluskey vs. Flint & Holmes—Watson McCluskey, formerly of Orangeville, but now residing in London, sued Flint & Holmes, automobile agents in Orangeville, for $55, which he alleged was a balance due him for commissions, etc., on the sale of cars for the defendants. The case resolved itself into an adjustment of accounts. Judgment was entered for the plaintiff for $28.00 without costs. Hughson for plff..; McKeown for defts.

Cullen vs. McNichol and Denny—William Cullen, a Mono farmer, sued J. B. McNichol and Willis Denny, of Orangeville, for damages arising out of a collision between the plaintiff's buggy and a Ford car driven by the defendant, Denny. The collision occurred on the Credit River bridge on East Broadway one Saturday night last spring. Cullen, his wife and child were thrown out of the buggy and the child was rather seriously hurt. Defendants counterclaimed for damages to their car on the ground that plaintiff had driven into them. The Judge held that the collision was purely accidental and dismissed both claim and counterclaim; without costs. Hughson for plff.; McKeown for defts.

WEST MONO PARISH

Rev. A. T. Weir, of Toronto, will conduct services in West Mono Parish next Sabbath. Services will be held at St. Matthew's at 11 a.m.; St. Luke's at 3 p.m., and Herald Angel at 7 p.m.

—Dufferin Central Fair: All roads lead to Shelburne on Wednesday, Sept. 21st, to the Big Fair in Shelburne.

MADE ORANGEVILLE FAMOUS

Under the above caption the Saskatoon Daily Star of a recent date published an excellent photo of Harry Turner, taken in his boyhood while his parents, Mr. and Mrs. A. Turner, were still residents of Orangeville. The photo is supplemented by the following breezy sketch:—

"Just after Harry Turner had this picture taken—about a dozen years ago—Pa Turner said, 'We'd better move to Saskatoon.' They moved and just look at Harry now! One of Saskatoon's real war heroes; by a sweeping majority Saskatoon's independent representative in the Saskatchewan Legislature; a brilliant newspaper man and a witty and forceful speaker. The photograph was taken in Orangeville, Ontario, where young Harry attended High School. After the family moved West to this city, he went back east and entered the University of Toronto. For a number of years Harry was a member of The Star's editorial staff and was the first "conductor" of the Starbeams column. He originated The Tipperary Pup, Western Canada's most famous and most sagacious canine. He enlisted for active service early in the war, fought in the ranks with the Princess Patricia's Canadian Light Infantry, the Dominion's crack regiment. Though blinded in action, he was not robbed of his spirit or determination to carry on by voting in the trenches electing their representative at home in the Provincial House. He is Harry Turner's Weekly here. He is a prominent figure in the war veteran circles. And when the Legislature sits this fall Harry is sure to have lots to say about Saskatoon and its needs. Yes, he's married, and has one of the cutest little boys ever saw."

CHEQUE FOR $150

Mr. John Suggitt, the well-known horseman, received a pleasant surprise the other day in the form of a cheque for $150 from the Treasurer of the Province of Ontario. This year Mr. Suggitt entered his Clydedale stallion, "Scottish General," for premium horse and the cheque represented the amount of the provincial grant, Mr. Suggitt having come up to the conditions required by the Department.

LAUREL

About two hundred farmers and villagers attended a fairly enthusiastic meeting held in the Township Hall here on Friday night, August 26th, to discuss the Hydro question and consider plans whereby the farmers of the municipality may be enabled to secure electric energy for lighting and power purposes. Mr. D. L. Flannery, Assistant Ehgineer, discussed the technical side of the subject, but did not quote any prices for the supply of energy. He pointed out, however, that it will be necessary to have three farmers sign up in every mile before a contract can be arranged. The price of the current would be determined approximately by the number of horse power consumed. Messrs. Reuben Peart, Herbert Hughes, Fred Hammond and W. H. Gillespie were appointed a Committee to canvass the township with Mr. Flannery, who has been addressing meetings at different points every week. If the canvass should prove successful there is every likelihood that construction work will be commenced this fall. The advent of hydro would prove a big boon to the farmers of this district and we hope that the canvassers will be able to secure sufficient contracts to warrant the Hydro Commission in going right ahead with the project.

RELESSEY

Messrs. Harold, Clinton and Clare McCutcheon spent a few days at the Toronto Exhibition last week. They returned home on Saturday night and report a good time.

The Social, which the Girls' Baseball Club held on Wednesday evening, August 31st, was not altogether a success owing to the fact that two of the most particular artists on the program were absent. However, the violin solos by Mr. Jackson Woods and solos by Miss Marjory McArthur were very much appreciated as were the numbers by the Releasey orchestra. These saved the evening so far as the program was concerned. The girls served dainty refreshments and all present report a real good time. The proceeds amounted to $25.00.

Releasey Methodist Church anniversary will be held on Sunday, October 9th.

KICKED BY HORSE

Ernest Sproule, younger son of Mr. and Mrs. Oliver Sproule, Centre Road, Mono, was kicked and severely injured by a horse on Sunday afternoon. A neighbor's horse had broken into Mr. Sproule's place and got into the barnyard with Mr. Sproule's horses. Ernest has just stepped out of the driving shed, when he was kicked and knocked unconscious by one of the animals. The blow struck him over the lower bowel and it was feared for some time that he had received internal injuries. The doctor, however, was unable to find any trace of rupture or other serious internal hurt. The injured lad, who is about 16 years of age, is getting along as well as can be expected, but is very sore and stiff from the blow. He had a fortunate escape indeed.

BELL–BAXTER

The home of Mr. and Mrs. John Baxter, Caledon East, was the scene of a quiet wedding on Tuesday afternoon, August 30th, when their eldest daughter, Annie M., was united in the holy bonds of matrimony, by the Rev. H. Lockhart, to Milton E. Bell, only son of Mr. and Mrs. E. C. Bell, Beeton. Her sister, Miss Pearl Baxter, rendered Lohengrin's March. The bride, who was wedding march. The bride, who was dressed in white silk crepe-de-chine and wore the customary veil and a corsage of sweetheart roses, was given away by her father. After the ceremony the happy couple led the way to the dining-room, where a dainty wedding repast was served. The newly-wedded couple then left on an extended trip to the Canadian West, travelling by boat to Fort William, thence by rail. The bride travelled in a navy tricotine suit and wore a set of sable furs, the gift of the groom. On their return they will reside on the groom's farm, near Beeton.

PEEL EDUCATIONAL ASSOCIATION

Mr. R. Segsworth, Provincial Organizer, presided at the annual meeting of the County of Peel Educational Association held in Brampton on Saturday afternoon, August 27th. Officers were elected as follows:—President, J. A. McKane, Terra Cotta; Vice-Pres., E. Armstrong; Secretary, Miss Jean Smith, Brampton; Councillers—Brampton, W. J. Packham; Bolton, Rev. P.N. Knight; Streetsville, O.R.Church; Port Credit, J. E. Maybbe; Chinguacousy, W. T. Hall. Snelgrove, and Mrs. S. J. McClure, Brampton; Caledon, E. D. Barber, Alton; Toronto Township, J. M. McKay, Elmbank; Toronto Gore, A. W. Gardhouse, Grahamsville; Albion, George Downey, Bolton. A meeting of the Executive will be called at an early date, when plans will be made for a series of meetings throughout the county during the coming autumn.

THE MUTRIE TROPHY

A Grand Valley rink, skipped by Mr. W. H. Mutrie, visited town on Saturday afternoon and made a determined effort to lift the Mutrie Trophy which the Bingham-Parkinson rink won at the Grand Valley tourney a couple of weeks ago. The defenders managed to retain possession of the trophy, but they assuredly had a close call as no less than two extra ends were necessary to determine the result of the game. Eventually the Orangeville rink won out by the close score of 18 to 17. The rinks were: —

Orangeville — Dr. W. J. Price, Chas. Gillespie, T. S. Parkinson, E. G. Bingham, skip, 18.

Grand Valley—Wm. McClellan, E. H. Lindsay, Frank Sargeant, W. H. Mutrie, skip, 17.

—Dancing every Thursday night at Cold Creek Trout Club.

—See J. D. Torrie's advt. in this issue for Boys' Clothing Values.

—General admission only 25c at the Orangeville Exhibition.

IRRIGATION FARMING

Newspaper Excursionists Visit One of C. P. R.'s "Readymade" Farms.

Railway Company is Also Interested in Dairying on a Large Scale.

After our exceedingly pleasant visit in Calgary we resumed our journey eastward about five o'clock on Thursday evening, June 16th.

Just after leaving Calgary one sees the great Ogden shops, at which the equipment of the railway on this section of the line is repaired and renovated. Approaching Shepard, the foothills are left behind, and at Langdon there are some large cattle ranches. Here the railway leaves the valley of the Bow River.

From Shepard to Gleichen also the main line traverses the western section of the Canadian Pacific Company's 3,000,000 acres irrigation project and the canal and ditches are crossed at several points. The irrigation Block is traversed by the main line of the railway and extends a distance of 145 miles. This is the largest irrigation project on the continent and is divided into three sections. Work has been completed on the Western section and a great part of the land marketed. The eastern section is also well under way.

Near Strathmore is located one of seven of the Canadian Pacific's "Ready-made" Farms. Under this policy the Company improves this in advance of their sale, so that the arriving settler finds awaiting him a farm with a comfortable house, fine barn, a drilled well and about fifty acres in crop. The whole farm is fenced. The prices of these improvements is added to the price of the land, the whole sum being payable in a space of twenty years. This policy has been extended to three prairie provinces and has been of great assistance in the settlement of farmers coming both from Great Britain and the United States. At Langdon the railway falls to the valley of the Bow River, when a last receding view of the Rockies may be had.

At Strathmore.

It was at the wee village of Strathmore, where we made a brief stop, to view one of these irrigation farms of the C.P.R. We were not scheduled to stop there, but the persuasive qualities of John Mackenzie, publisher of The Standard there, induced Mr. Calder to make a stop of a couple of hours, in order that we might view one of these farms, which lies close to the railway. We were met by the town band, the Mayor, school teachers and a bevy of pretty young girls, with baskets of sandwiches, and a most cordial and hearty reception. With automobiles to convey us over to and through the farm, it is no wonder we took considerable interest in what they had to show us. Strathmore has only about 600 of a population, but if pride in their town, and a general air of optimism will develop the embryo city, Strathmore will certainly get there. The members of the band did not take time to put on their uniforms, all appearing with their instruments in their working clothes, but this did not detract from their playing by any means, and they were quite generous in this regard, conducting the procession of automobiles over the farm.

Poultry Department.

At the farm we first inspected the poultry department, where we saw all phases of poultry production in operation. The flock numbers about 3,000 and is added to and reduced almost daily, through disposing of day old chicks at reasonable prices to poultry raisers in the west and by the sale of broilers and roasters to Canadian Pacific hotels and dining car department. This flock is of high merit both as to type and laying qualities. Rhode Island Red (which are very much favored at this farm) and Barred Rock pens are competing in the Dominion Egg Laying competition at Lethbridge, where the Rock pen stands second at the time of our visit, and the Red pen fourth. An individual bird in the Barred Rock pen leads all contestants in the Province in this competition. The plant is maintained in order to insure a dependable supply of high class, non-fertile eggs throughout the year, especially during winter months, when absolutely fresh eggs are scarce. Egg shipments are heaviest from this farm in December, January and February, and the annual revenue from the plant is larger than from the average section in grain. Poultrymen will appreciate the merit of this flock as to winter laying qualities when it is stated that the daily average for December, 1920, was 55 p.c.

The Dairy Herd.

We next saw a portion of the milking herd of over 100 pure bred Holstein cows, the herd including a number of Canada's best producers. The average production of the herd last year was 10,500 lbs. of milk, all of which went to a very discriminating trade, the C.P.R. hotels and dining cars. The herd is entered under the Dominion Accredited Herd Scheme and is free from tuberculosis. As all operations in connection with the production of milk are performed in the most sanitary manner possible, every purchaser of Strathmore Farm products, on dining cars or in company hotels, may rest assured of highest quality from every standpoint. No cream supplied the C.P.R. dining cars and hotels by Strathmore Farm tests less than 25 B.F., and the average test of the milk shipped last year was 3.6 butter fat. The acidity is low and the keeping qualities high.

All who desired were given a glass or more of milk to sample the product, and all who partook pronounced it first-class.

Real Dairy Cattle.

Besides owning the largest Holstein herd in the West the Canadian Pacific is conducting much yearly testing work under Dominion Government supervision, and has made many extremely creditable official records. We saw cows with Government supervised records, showing yields equal to about six times the average for the Province of Alberta, records which mean that the cow that made them is worth a thousand dollars a years to the owner.

We saw Ruth KeDol, who gave 23,862 lbs. milk which gave 888.75 lbs. butter. This was one big record maker represented in the line led out for the visitors to inspect. Others were Lassie DeKol Koradyke, with the official record of 21,307 lbs. milk and 876.25 lbs. butter; Beauty Lass, with 20,759 lbs. milk; and 845 lbs. butter; Princess Mechthilde Wayne, who gave as a three year old, 16,331 lbs. milk and 696.25 lbs. butter. There was also a daughter of Texaline Mechthilde, who stood 6th in the Dominion with a two year old record of 14,723 lbs. milk and 691 lbs. butter. The condition of these cows reflected great care. They were in show condition, and Prof. Hutton appeared to be extremely proud of his farm and its products, and in one of his very instructive little talks in the short time we were there he stated that the farm is now on a good paying basis.

Irrigation Crops.

After driving over the farm and viewing the beautiful green growing crops, and the splendid growth of trees and shrubbery, we were next shown a growing crop of sunflowers and let into some of the mysteries of the irrigation system.

This new crop has been more extensively tested at this farm than at any other point in the West, and has been highly recommended by many stock men. G. H. Hutton, Superintendent of Agriculture and Animal History of the Department of Natural Resources, under whose charge all of the farming and live-stock operations of the C.P.R. in the West are carried on, is a strong advocate of this and other silage crops, as a means of reducing cost of production of beef and milk in Western Canada.

We also saw baby beef, specially fed and finished for hotel trade. These cattle were but one year old and weighed around 900 lbs., live weight, and were dressing out over 60 p.c. high class beef.

About Irrigation.

By means of the dam the ordinary water level at the site is raised 45 feet, resulting in the waters flowing from the far distant eastern slope of the Rocky Mountains being diverted through a total length of 2,500 miles of canals and distributing ditches over about 1,800 square miles of fertile prairie country, irrigating approximately one-third of that area. This was all of very great interest to the visitors and naturally would be to anyone who had never seen anything of the kind before.

Off Again, Homeward Bound

We left Strathmore about 7.30 in the evening, with Regina as our next objective. However, we were not permitted to view very much of the country between, as darkness soon overtook us. It was about midnight in a down-pour of rain we arrived at Medicine Hat, where we had a stop of twenty minutes. Medicine Hat is a big town, or a small city—they are all cities in the west—of something over 15,000 population. On account of the immense flow of natural gas Rudyard Kipling christened it "The town that was born lucky." It is situated in the valley of the South Saskatchewan, and is the centre of a magnificent mixed farming district. Apples, plums and small fruit are quite at home here, we were informed. It is a sub-divisional point, with large railway shops, all operated by natural gas. There is an abundance of coal all through this district, but the light, heat and power in the city is derived entirely from natural gas, which is sold to manufacturers at five cents per thousand cubic feet, and for domestic purposes at 13½ cents. Medicine Hat used to be famous as the place where the thermometer registered the lowest in winter time. Recently it has been in the limelight as the place where Rainmaker Hatfield operated on a contract calling for so many thousand dollars if he produced so many inches of rain. Mr. Hatfield produced the rain, or at least the rain came to such an extent that the Medicine Hat United Agricultural Associations will extend a contract to Mr. Hatfield to work in that district again next year.

Proceeding eastward from Medicine Hat, we saw no more of the country until nearing Regina. During the night we passed through many places, the most important being Swift Current and Moose Jaw, the former having been in the public eye from the fast that its bondholders have been clamoring for their money, and the subsidence of the boom there and the war coming on left the municipality high and dry for funds, with no possibility of meeting the great expenditures undertaken when the boom was on. Swift Current had a population of over 5,000 people, but the late census gives it as below 3,000.

Moose Jaw has a population of over 25,009, being a railway divisional point and the junction with the Soo Line, the most direct route to St. Paul. The name Moose Jaw is an abridgement of the Indian name, which, literally translated is "The creek where the white man mended the cart with a moose-jaw." The city is pleasantly situated in a dip in the prairie, at the junction of the Moosejaw and Thunder Creeks. It is a distributing centre for the ranches to the south and west, as well as for the rich grain growing district to the north and west. The city, we were informed, owns its own Waterworks and Electric Light and Power Plant, its distinctive feature being its fine school buildings.

(To be continued.)

—The Banner Bookstore for school supplies.

"SODBUSTER CONCERT PARTY"

The lovers of clean, wholesome, clever College entertainment will be given a treat when the O. A. C. Concert Party, the "Sodbusters," appear in "Hello, Ontario," in the Orangeville Opera House on Friday evening, Sept. 9. The personnel of the troupe, who have all served overseas, has been selected from the outstanding artists, who appeared at the College concerts during the past year. The members are all experts in the art of amusing and entertaining. The Party have been touring Ontario this sumer in aid of the Memorial Hall erected at the College to the farm-boys of Ontario, who fell overseas, and have been enthusiastically received wherever they have appeared. The Orangeville Co-operative Marketing Company, under whose auspices they are coming, are indeed fortunate in securing this headline attraction. Reserve Seat Plan is now selling at The Banner Office.

BORN.

MacKENZIE—In Lord Dufferin Hospital, on Saturday, Sept. 3rd, 1921, to Mr. and Mrs. J. D. MacKenzie, a daughter.

WOLFE—At Pocosset, Oklahoma, U. S. A., on August 7th, 1921, to Mr. and Mrs. A. M. Wolfe, a daughter.

BARBER — At Honeywood, on Thursday, August 18th, 1921, to Mr. and Mrs. L. E. Barber, a son, (Russell Elgin.)

JESSOP—In Tecumseth, on Sunday, August 14th, 1921, to Mr. and Mrs. Whitfield Jessop, a son (stillborn.)

DIED.

HALBERT—In Essa, on Thursday, August 25th, 1921, Mary Helen, infant daughter of Mr. and Mrs. S. J. Hulbert.

McQUARRIE—At the residence of her son, Mr. Nevan McQuarrie, Caledon East, on Friday, Sept. 2nd, 1921, Agnes McConnell, widow of the late Donald McQuarrie.

Funeral on Monday, Sept. 5th, at 1.30 p.m., to St. Andrew's Church Cemetery, 4th line, east, Caledon.

McGUIRE—At Toronto, on Saturday, September 3rd, 1921, Violet Pearl McGuire, infant daughter of Mr. and Mrs. Wm. McGuire, aged 12 years and 3 months.

Funeral from the C. P. R. station to the Forest Lawn Cemetery, on Tuesday, September 6th.

LLOYD—At 165 Macdonald Ave., Toronto, on Thursday, Sept. 1st, 1921, Margaret Davis, relict of the late Thomas Lloyd, in her 69th year.

Funeral from Mono Road Station to Providence Cemetery on Saturday, Sept. 3rd, at 9.30 a.m.

IN MEMORIAM

EWING—In proud and loving memory of the late Pte. Robert Ernest (Bob) Ewing, No. 663460-164th Battalion, who died of wounds September 5th, 1918.

God has saved from weary strife,
In its dawn this fresh young life,
Which awaits us now above,
Resting in a Saviour's love.

Mother, Brother, Sisters.

Laurel, Sept. 2nd, 1921.

J. D. TORRIE

THE CLOTHING MAN

SUITS

for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,

THE CLOTHING MAN, ORANGEVILLE.

A FARM SALE

An important farm deal has just been consummated in the Mono Mills district. Mr. Ernest Eldon has sold his 200 acre property, lot 2, con. 1, Adjala, the season's crops, his stock, implements, etc., to Mr. Stanley Alger, of Mono Road, formerly of Toronto. The price named is $19,000. We understand that Mr. Eldon takes some Toronto property on the deal. Mr. Alger, who recently sold his farm at Mono Road, gets possession on the 15th of September. The purchaser is a son-in-law of Mr. Jacob Cunnington, a former resident of Orangeville. The property, which is best known locally as the George Jackson farm, was formerly owned and worked by Mr. Robt. Arlow, Zina St.

—The Exhibition at Orangeville will be bigger and better than ever this year. Bigger prizes, larger crowd and more real fun than at any other show fair. Don't miss it; but get there early and join with the big crowd for a good outing.

CHEVROLET

For Economical Transportation

THE more a man knows about automobiles, the more experience he himself has had with them, the more critical he is apt to be of their essential features.

To satisfy this class of motorists is the chief motive of Chevrolet construction and equipment.

It is to this element therefore that the convenience of operation, accessibility and equipment, the dependability and economy of the Chevrolet makes its greatest appeal.

WHAT MRS. BROWN MEANT

Mr. Brown sent a Japanese boy to tell Mrs. Brown to hurry or they would miss the theatre again.

The Japanese went as he was bid.

Mrs. Brown was in the throes of putting the finishing touches to her evening toilette.

"Go tell Mr. Brown to hold his horses for a moment," she snapped.

"Well, what did she say?" demanded Mr. Brown when the Jap returned.

"Miss Brown she say 'Whoa!'" came the bland reply.

MONO COUNCIL

Council Chamber,
Mono Centre, Aug. 19, 1921

Council met per adjournment of former meeting. Members all present, the Reeve presiding. Minutes of last meeting were read and confirmed.

The following accounts and resolutions were dealt with and passed by the Board:—

Wire Fence—Parks-Fines — That the following be paid:—Edgar Jackson, 21 rods, lot 10, con. 1, west, $6.30.

General — Fines—McNaughton—That the following be paid:—John Hart, repairing grader, $10.00; Robt. Lindsay, building abutments to bridge, lot 29, con. 1, $45.00; Wm. Halbert, work on bridge, lot 29, con. 1, $128.85; Wm. G. Newton, timber for bridge, lot 29, con. 1, $12.60; Thos. Welsh, Treas. Adjala, Mono's share of bridge, $50.74; J. E. Smith, three scrapers, $60.00; Jos. Parks, drawing steel culverts, $15.00; Emerson Holmes, delivering steel culverts, $3.00; Norman Lindsay, for deviation, lot 30, con. 1, $10.

Charity—Fines-McNaughton—That W. Donaldson be paid for two sacks of flour received by Henry Schenck, $12.00.

Barber-Fines—That the Reeve and Commissioners for the South East and South West quarters be a Committee with power to act re deviation between lots 14 and 15, con. 3, east, to consult with parties and report at next meeting.

Park-McNaughton — That Council meet on Saturday, the 27th of August, at 2 o'clock, to view road, lot 13, con. 7.

Barber-McNaughton—That a by-law be introduced for the purpose of levying rates to meet the expenditure of 1921, the following scale being adopted:—County rate 5 7-10 mills; Township rate 2 7-10 mills; General School 4 3-10 mills; Special School to be according to the requirements of the trustees of the several school sections. By-law being numbered 438, received its third reading and passed.

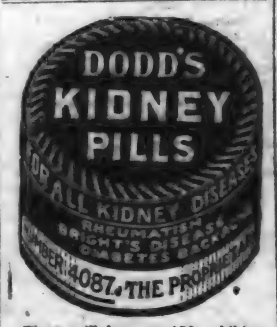
Fines-Park—That Council adjourn to meet again on Friday, the 9th day of September, at 10 a.m.

W. J. BOWER, Reeve. W. A. HENRY, Clerk.

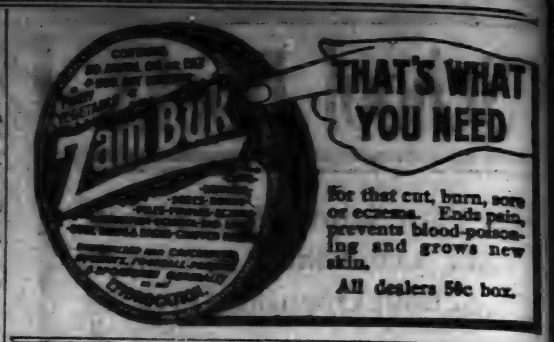
MURTON'S OPINION

In his lacrosse column in the Toronto Telegram H. S. Murton writes:

Orangeville's defeat at Brampton while somewhat of a surprise on form, was not at all improbable. Brampton has had all year enough speed and stick handling to do better than they have shown if once they could get out of the rut of intermediate habits they had formed. Those who were spectators of the match declare that Brampton's team was in top form, that they had abandoned their old tactics of every man on the home handling the ball before it could count as a goal, and that going as they did Saturday they would have beaten better teams than Orangeville. Even so these spectators opine that Orangeville lost the game by individual work instead of combination. The field was too small to enable Gordon to use his speed to bone in. He was too easily bottled up and lost the ball when he would have done better to pass it.



There will be over 150 exhibitors in the automotive display at the Canadian National Exhibition.



THE ADOLESCENT ACT

New Law Comes Into Effect September 1st.

The Educational Department or those interested in submitting the new law evidently believe that "knowledge is power" and the Province of Ontario means to see that every boy or girl, without exception, gets an education.

In the days gone by many a boy or girl never had an opportunity to attend school and many others would not take advantage of the opportunity to do so. The motive that animated the passing of the Adolescent Act was to do away with much of the former ignorance as far as school learning is concerned anyway and the age limit has been raised to 16 years instead of 14 years as formerly, and the Act also provided for part-time technical education up to the age of 18 years.

There are possibly some who are worrying over this, for some families are almost compelled to let their boys of 16 work in order to make ends meet, and they are wondering what will happen when the boys are forced to go to school. The Department of Education says that the law is not so hide-bound as it appears on the surface, but there are clauses in the Act which gives permission to parents allowing their children to work under the prescribed school age when occasion demands, but good cause has to be shown to the School Attendance Officer.

It is felt that the Mother's Allowance and the Workmen's Compensation will in a measure relieve the strain and improve conditions so that children may not have to lose so much time at school.

Section 3, which provided for the attendance at school of adolescents between the ages of 14 and 16, will come into effect on September 1 of this year. The obligation of such young people to attend school shall not apply if they are prevented by sickness, have already passed the matriculation examination, or have completed a course of study which may be regarded as equivalent of such examination, or are employed on the authority of a home permit, or an employment certificate.

Home permits will allow the child to work under certain circumstances at home. Employment certificates will enable him to work outside to earn money.

The Department of Education has issued instructions that no undue pressure is to be brought to bear on those children already engaged in regular work to make them return to school. At the same time, the Minister of Education has made it clear to School Boards that the Act will be fully effective to the extent that attendance officers be appointed according to law, and their departments organized to ensure, first, that all young persons between fourteen and sixteen years of age shall be either at school or at work and second, that all those who are at work either at home or in gainful employment shall hold the certificates required by law.

OH! THE CATS

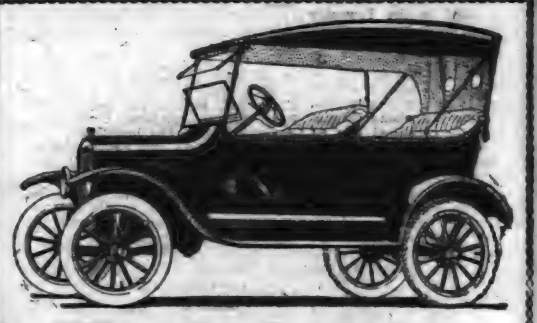
Three ladies were discussing the recent marriage of a well-known actress. "You know it is said that before she accepted him she made a full confession of all the indiscretions of her life."

"What touching confidence," sighed one lady.

"What needless trouble," added another.

"What a wonderful memory," finished the third.

The world's largest collection of war photographs from the Canadian Official Records will be shown at the C. N. E. this year.



Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

HIS MOVE

They had stopped on a lonely road, while the young man worked feverishly with the car.

"I can't start the engine," he said wearily, "the thing won't spark."

"Just like some people I know," she replied with a smile.

SOME BALL PLAYER

They were getting up a ball game in a small town and lacked one player. They finally persuaded an old fellow to fill in, although he said he had never played before. He went to the bat and the first ball pitched he knocked over the fence. Every one stood and watched the ball, even the batter. Excitedly they told him to run. "Shucks!" he said, "what's the use of running, I'll buy you another ball."

ENGLISH AS SHE IS SPOKE

The well-known actor, Lionel Barrymore, is very intolerant of any one who can not speak in accordance with the best literary standards. It is told of him that a stranger once accosted him at a club with this query: "Beg pardon, sir, but could you tell me if there is a man who goes to this club who has one eye named John Parker?" Barrymore looked thoughtful for a moment, then replied, "I don't believe I could help you. Do you know the name of his other eye?"

Messrs. F. T. Hill & Co., Limited, are having extensive improvements and alterations made in the interior of their general store in Markdale.

J. C. Gallaugher of Mansfield is able to go around again after an accident whirh might have proved fatal. He fell some 13 feet backwards when a rope broke in his barn dislocating some finger joints when he landed on his head and shoulders over a set of scales, breaking the scales and fracturing his arm, head and shoulders.

C.P.R. President Talks on Thrift to Boy Scouts

Thrift is a word which is said to have come into the English language over a thousand years ago from the Scandinavian. It is the noun of which "thrive" is the verb, and suggests that success and saving go together. The very word THRIFT is a good word to look at. It is an outstanding word and at once makes one think of sturdy simplicity, the kind of quality which one associates with a Boy Scout. How different in appearance is its opposite EXTRAVAGANCE, a word which at once suggests an ostentatious irregular character, boastful as well as wasteful.

Service to Community.

New thrift means saving money and miserliness means saving money, but they are not the same kind of saving. The thrifty person saves money for a purpose, the miser saves money for itself. The thrifty person saves so as to have a bank account against bad times. His thrift has for its object independence and security, and is therefore in accordance with the Scout law. But miserliness is purely selfish, whereas a Scout is told to be thrifty so that among other things he may have money with which to help others when they need it. The Scout must be careful not to carry his thrift too far. You usually find that the thrifty person has a bank account, whereas the miser keeps his money in a stocking where it can do no good because it is not kept in circulation. The thrifty person puts his money where it draws interest, thus adding to what he already has got, and also performing a service to the community.

By letting the community have the use of his money while he is not spending it, the thrifty person does a service to the community for which the community is willing to pay interest. The community, however, has just as little use for the miser as for the spendthrift.

—E. W. BEATTY,
in "Scouting," Regina.

Three cows owned by C. Cowan, of Pittsburg township, were killed by a Grand Trunk train

The Presbyterians of Forest, after paying off all their church and manse debts, are now installing a beautiful pipe organ costing $6,000.

Mr. Walter Cornelius, of Penetang, has presented to the Penetang Institute collection a rare coin which he found on Magazine Island, near Penetang. The coin, a Maundey Groat, bears the legend "Carolus II., 1667, Dei Gratia Rex", encircling a portrait. On the reverse are the contractions, Br., Fr. & Hib. & Rex encircling two C's intertwined. It has evidently been worn as a scapular and may have been dropped by a British soldier and lain on the island over eighty years.

THE TERRIBLE CORN EATING PROBLEM

The corn-on-the-cob season is here; and, as usual, the souls of countless thousands of hungry but proper people are filled with perplexity.

If is a terrible thing to go into a restaurant and see great platters of beautiful golden corn, and at the same time be afraid to order it for fear of your neighbors' eyes.

It is too much to have to sit in a cafe and see some brave, courageous person across the aisle ecstatically sliding his face along the cob of corn, his eyes rolling dreamily, and melted butter dribbling down his chin, while you, over-civilized, hyper-socialized, are afraid to make a similar spectacle of yourself.

Thousand. A people in Toronto alone, it is estimated, are either bringing their lunch downtown in a package or are lunching at home solely because this is the corn season. Their stomachs crave the corn, but their moral courage is not equal to eating it in public.

Cannot the medical officer of health or some other authority on eating issue a public announcement standardizing the eating of corn-on-the-cob, and thereby sanction it even for the most finicky?

A neat poster could be got out, in colors, showing with diagrams the proper way to hold the cob, whether one or two or three rows should be bitten at once, how far along the row the eater should go before coming up for air, and so on.

It seems as if corn was created to set at naught our most sacred table manners. A few years ago, some hostess, endeavoring to admit corn into the most conservative menu and at the same time to preserve the table manners, set a fashion of cutting the corn off the cob with the knife, to be then eaten with the fork, like peas. But treated this way corn loses all its charm, its savour.

To mock us, Nature has made corn-on-the-cob the most delicious and at the same time the awkwardest of foods. It is taboo to rest the elbow on the table. But on the best authority, it is stated that if you don't rest both—both—elbows on the table while eating corn, you get butter all over your necktie.

Then the cob is round. Two, or at most three rows are all that can be reached at one bite, yet one bite is not a fair mouthful. Therefore, the eater must take two or three bites sideways. This manoeuvre constitutes one of the most absurd exercises ever required of the human face. When the mouth is opened, the eyes open with it, the eyebrows are raised, and the same muscles which elevate the eyebrows cause the ears to move.

Nature has undoubtedly provided corn to prevent us taking ourselves too seriously.

Timid and proper people, of course, resign themselves to suffer when tempted by corn in public. Then they hasten home and have a private gorge on corn. At this season of the year, if you go to your back windows towards bedtime and look across the yards at the kitchen windows opposite, you will probably see half-a-dozen proper citizens indulging in an extra corn feed before bed, by way of reprisal for the day's self-denial.

No new methods need be sought. There is only one way to eat corn, and someone high in the public esteem ought to do a great public service by going about to all the different restaurants and giving frank and lusty exhibitions of corn eating to set at rest the minds of the pure and proper.

An Englishman just arrived in Canada was horrified at the first corn-eating exhibition he saw. It appeared a heathen sort of practice. After observing for a moment, he decided to demonstrate an improvement.

He ordered corn, and ostentatiously commenced eating from—the end, as he eats asparagus.

History tells us that he made slow work of it, cob and all. But with true British doggedness he stuck to the end.

His case is a warning to corn reformers. He is buried in Halifax.
—Gregory Clark, in Toronto Star Weekly.

BIRDS ARE FOREST POLICEMEN

Insects have done and are doing a great deal of injury to the forests of Canada. The forest services, federal and provincial, are carrying out protective measures, and the federal department of agriculture has a staff of entomologists who devote all their energies to this work. Many ingenious methods are being devised but the public will be most interested in one thing that stands out in these investigations, namely, that the preservation of bird life is one means of reducing the number of forest insects. There may be some birds which do not eat forest insects, but generally speaking it is true that the more birds, the fewer insects. Canadian boys and young men in the past have been too prone to go into the woods with a gun and shoot at everything in sight without thinking of the injury they might cause. Canadian forests are fine places for healthful recreation, but let those who go into them be careful not to burn them up and not to destroy unthinkingly the non-game birds which are forest policemen. Let the young people shoot as much as they like, but with a camera, not a gun.

Rev. J. O. Watts, assistant professor of physics in Queen's University, has accepted a call to become minister of St. Andrew's Presbyterian Church, Haileybury, and will leave Kingston the first week in September.

CONSTIPATION AND HEADACHES

Completely Relieved by this Grand Fruit Medicine, "FRUIT-A-TIVES"

MR. ALFRED DUBOISSEAU

482 St. Catherine St. E., Montreal.

"For three years, I was a *terrible sufferer from Indigestion, constant Headaches and Constipation.* I took various medicines for the trouble but nothing seemed to do me any good.

Then, a friend advised me to try *'Fruit-a-tives'.* Now I am free of Indigestion and Headaches, the Constipation is cured, and I have gained considerable weight; and my general health is fine.

'Fruit-a-tives' is a grand medicine and I cannot say enough in its favor."

ALFRED DUBOISSEAU.

'Fruit-a-tives' are made from fruit juices and valuable tonics—and are pleasant to take, their action being gentle and mild, yet always most effective.

50c. a box, 6 for $2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

ACTIVATED FORESIGHT

In the 1904 election, George, a Kansas druggist, bet heavily that Roosevelt would carry Missouri. Missouri, at that time, was regarded as part and parcel of the "solid South," and the wager provided considerable amusement for his fellow townsmen. The amusement turned to admiration after the election, however, when the results showed the State in the Republican column.

But a friend of George refused to credit his prophetic power and insisted that he tell where he had got the tip. At last George confessed.

"To tell the truth, Jim," he said, "I was drunk that night and thought I was betting on Iowa."

HILLSBURG

The Hillsburg Horticultural Society held their 12th Exhibition on Thursday, September 1st.

This was one of the most successful exhibitions the Society has held. The entries of house plants, cut flowers, vegetables and school children's displays were far above the average. The display of canned fruits and both plain and fancy baking was a credit to the ladies of this community. The entertainment was very much enjoyed by the younger set. The gate receipts exceeded former years. There were between seven and eight hundred people present. The Directors were much gratified to see the interest that the people of this community have taken in the show. The following is the list of the successful exhibitors:—

CUT FLOWERS

Asters, 6 bloom—J. D. Stephens, Mrs. E. Barbour.
Asters, 4 bloom, one color—Mrs. Wm. McLaughlin, Mrs. Wm. Donaldson.
Carnations—Mrs. McConnell, Mrs. Jas. Carmichael.
Cosmos—Mrs.A. Parry, Mrs. Alex. McKinnon.
Perennial Phlox—Mrs. Henry Matthews, Mrs. McConnell.
Perennial Gaillards—Mrs. Alex. Orr, Mrs. A. Parry.
Marigold—Mrs. E. Griner, Mrs. Wm. Donaldson.
Salpiglossis—Mrs. Alex. Orr.
Show Dahlias—Mrs. Alex. McKinnon.
Cactus Dahlias—Mrs. Alex. McKinnon.
Decorative Dahlias—Mrs. T. H. Smith.
Dianthus—Mrs. Alex. McKinnon, Mrs. J. H. Lacey.
Gladiol, 6 spikes, 4 colors—Mrs. Alex. McKinnon, Mr. J. D. Stephens.
Gladioli, 4 spikes, one color—Mrs. Alex. McKinnon, Mr. J. D. Stephens.
Geranium, 6 bloom—Mrs. McConnell, Mrs. A. Parry.
Pansies, 6 bloom, 4 color—Mr. J. D. Stephens, Mrs. Wm. McLaughlin.
Single Petunias—Mrs. E. Barbour, Mrs. Alex. McKinnon.
Double Petunias—J. D. Stephens, Mrs. Alex. McKinnon.
Mignonette—Mrs. J. H. Lacey, Mrs. Alex. McKinnon.
Roses—Mrs. James Carmichael.
Sweet Peas, 4 colors—Mrs. E. Barbour, Mrs. E. T. Barbour.
Sweet Peas, 6 bloom—Mrs. E. Barbour, Mrs. E. T. Barbour.
Snapdragon—Mrs. Alex. McKinnon, Mrs. Wm. Donaldson.
Verbenas—Mrs. E. Barbour, Mrs. Jas. Carmichael.
Zinna—Mrs. D. Barbour, Mrs. Jas. Carmichael.
Best display asters—J. D. Stephen.
Best display gladioli—Mrs. Alex. McKinnon.
Best display nasturtium—Mrs. Chas. McMurchy, Mrs. Alex. McKinnon.
Best display petunias—Mrs. E. Barbour, J. D. Stephens.
Best display phlox—Mrs.Alex. McKinnon, Mrs. E. Barbour..
Best display sweet peas—Mrs. E. Barbour.
Best collection pansies—J. D. Stephen, Mrs. Alex. McKinnon.
Best collection perennials—Mrs. D. McConnell.

Collection of annuals—Harry Orr.
School winning most prize money —Hillsburg.

MAITLANDS

GAVE TORONTO-ST. SIMONS RUDE JOLT IN SATURDAY'S GAME.

Northeasters' Victory Puts Dufferins in Running Again.

Maitlands handed Toronto-St. Simons, the group leaders, a rude jolt in the game at Scarboro Beach on Saturday afternoon by dealing them out a 3 to 2 goal beating. The win gives an entirely new aspect to the situation in the Group. Had St. Simons won, as they fully expected to, they would have had the group championship safely stowed away under their belts. By winning on Saturday the Maitlands made it possible for The Dufferins to tie with the group leaders. To do this the greenshirts have to defeat the Maitlands in the last game of the schedule. This will be played on Idylwyld Park on Saturday afternoon. The Dufferins recognize that they have a stiff proposition, but are sanguine that they can pull out a win. If they do so the tie game, which they played with St. Simons in Toronto early in the season, will have to be played out. If the Dufferins can win this as well as the Saturday game with the Maitlands they will be tied with Toronto-St. Simons for the group honors and it will be up to the O. A. L. A. executive to arrange for a play-off.

Saturday's defeat was a great disappointment to the St. Simons bunch, who had counted on an easy win. Over-confidence probably contributed toward their undoing, although many lacrosse followers claim that when they are going right Maitlands are just about good enough to take a fall out of any team in the group. They certainly were going right on Saturday and the way they toyed with the St. Simons team in the opening quarter was a revelation to the spectators. Maitlands went on the field determined to win and win they did by putting up one of the finest games they have played this year. In its report of the match The Mail & Empire says:—

"The victory of Maitlands was not due to over-confidence. The Maitlands played just one game last season that resembled Saturday's performance, and they won it, too. In fact on that occasion they handed the St. Simons a 3 to 2 defeat also. It was by close checking and aggressive play that they did the trick. They got the drop in the first quarter when Plummer and Conacher scored goals. The former got right through the defence for his, and Conacher made one of his heavy steam-roller runs from centre for the second. He bowled over the men who tried to block his passage. The first quarter ended 2 to 0 in favor of Maitlands. After the first period, the Cottingham Square players settled down and played the most desperate defensive game seen here this year. They stuck to their checks like leeches, and refused to get tangled even when the Saints worked their systematic combinations that usually get goals. In the final periods, the Torontos had a great deal more than half the play, but they simply could not score. Dinny Grant has played some fine games in his life, but never anything to equal Saturday. Six times in the course of the afternoon, Wendell Holmes, who played great lacrosse on the attack, got right inside the defence, and all but one of his shots were perfectly handled by Grant. They were not lucky saves either. Bill Scott got a goal in the second period, and things looked a little better, but the Maitlands continued to bunch round the mouth of the net, and the Toronto-St. Simons' home could not find a hole to get through. At half-time it was 2 to 1, but Conacher went bogling down the field for another in the third period. It was Conacher's great day. Then Holmes secured his in the final period. The Toronto-St. Simons seemed to be within inches of making it a tie several times, but either Grant or a heavy checking defence man blocked them."

MONO COLLEGE

The Mono College Women's Institute will hold its next meeting at the home of Mrs. C... Quirkshank, Blind Line, on ... afternoon, Sept. 9th, at ... The program will ... The Maples Institute ... will be answered with ... m.

—Try The Banner Bookstore for your school supplies.

MRS. ROBT. MEEK

The remains of the late Mrs. Josephine L. Meek, widow of the late Dr. Robert Meek, of Orangeville, whose death was briefly noted in last week's Banner, reached Orangeville from Toronto last Thursday morning, the funeral taking place from the C. P. R. depot to the Forest Lawn cemetery. Rev. F. W. Mahaffy, pastor of St. Andrew's Church, conducted the burial service and Messrs. Geo. Beswick, J. W. Aiken, Drs. G. H. Campbell, W. H. Bowles and W. J. Price, and A. D. McKitrick were the pallbearers. Friends present from outside the town for the burial included Mrs. Sinclair, Toronto, Miss Ada McCarthy, of Stouffville, a sister, and Messrs. Wm. McCarthy, Toronto, and Walter McCarthy, Chicago, brothers of the deceased; Miss Lola Meek, Toronto, the only child; Dr. Meek, Port Rowan, and Mrs. Alex. Steele, Toronto, brother and sister of the late Dr. Meek, and Mr. Denson, of Toronto. The late Mrs. Meek was highly esteemed by the people of Orangeville amongst whom she lived and moved from the time of her marriage until her husband's death about ten years ago. Profound sympathy is felt for the daughter and other relatives in their bereavement.

JAS. J. HUBBARD

Jas. J. Hubbard, formerly a well-known resident of this town, died at his home, 15 Hallam St., Toronto, on Saturday at the age of 70 years. The remains were brought to Orangeville by motor on Monday afternoon, interment taking place in the Forest Lawn Cemetery. Rev. F. W. Mahaffy conducted the service at the grave. Mr. Albert Hubbard, Collingwood, and Mr. J. J. Hubbard, a well-known Toronto barrister, are sons. Deceased was an active, energetic man, who took considerable interest in municipal and other public matters while living here. The sympathy of Orangeville friends is extended to the bereaved family.

NORTH ERIN

Knox Presbyterian Church, North Erin, which has been closed for the last three weeks while undergoing repairs, was reopened on Sunday last. Services were held at 11 a.m. and 7 p.m., the Rev. Geo. Kendall, of Dundalk, occupying the pulpit on both occasions. The pastor, Rev. W. N. Carr, of Alton, was present and assisted in the services. Special music was provided, Alton Presbyterian choir assisting during the evening service.

Rev. W. N. Carr, our pastor, has resumed his duties after spending his vacation at his old home near Dundalk. We are very sorry to learn that Mr. Carr's mother, now quite advanced in years, who has been ill for some time, is not improving.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Mrs. W. Beesley, Mille Roche, Ont., writes: "I have used Baby's Own Tablets for the past eight months and would not be without them. I used them for indigestion and teething and my baby is cutting his teeth without any trouble whatever. I can highly recommend the Tablets to other mothers." What Mrs. Beesley says thousands of other mothers say. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach, thus driving out constipation and indigestion and making teething easy. They are sold by medicine dealers, or by mail at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

—Public School books, scribblers and other school supplies at The Banner Bookstore.

HILLSBURG

The Hillsburg Horticultural Society held their 12th Exhibition on Thursday, September 1st.

This was one of the most successful exhibitions the Society has held. The entries of house plants, cut flowers, vegetables and school children's displays were far above the average. The display of canned fruits and both plain and fancy baking was a credt to the ladies of this community. The entertainment was very much enjoyed by the younger set. The gate receipts exceeded former years. There were between seven and eight hundred people present. The Directors were much gratified to see the interest that the people of this community have taken in the show. The following is the list of the successful exhibitors:—

CUT FLOWERS

Asters, 6 bloom—J. D. Stephens, Mrs. E. Barbour.

Asters, 6 bloom, one color—Mrs. Wm. McLaughlin, Mrs. Wm. Donaldson.

Carnations—Mrs. McConnell, Mrs. Jas. Carmichael.

Cosmos—Mrs. A. Parry, Mrs. Alex. McKinnon.

Perennial Phlox—Mrs. Henry Matthews, Mrs. McConnell.

Collection of vegetables—Harry Orr, Jean Barbour.

Collection of annuals—Harry Orr.

School winning most prize money —Hillsburg.

MAITLANDS

GAVE TORONTO-ST. SIMONS RUDE JOLT IN SATURDAY'S GAME.

Northenders' Victory Puts Dufferins in Running Again.

Maitlands handed Toronto-St. Simons, the group leaders, a rude jolt in the game at Scarboro Beach on Saturday afternoon by dealing them out a 3 to 2 goal beating. The win gives an entirely new aspect to the situation in the Group. Had St. Simons won, as they fully expected to, they would have had the group championship safely stowed away under their belts. By winning on Saturday the Maitlands made it possible for The Dufferins to tie with the group leaders. To do this the greenshirts have to defeat the Maitlands in the last game of the schedule. This will be played on Idytwyld Park on Saturday afternoon. The Dufferins recognize that they have a stiff proposition, but are sanguine that they can pull out a win. If they do so the tie game, which they played with St. Simons in Toronto early in the season, will have to be played out. If the Dufferins can win this as well as the Saturday game with the Maitlands they will be tied with Toronto-St. Simons for the group honors and it will be up to the O. A. L. A. executive to arrange for a play-off.

Saturday's defeat was a great disappointment to the St. Simons bunch, who had counted on an easy win. Over-confidence probably contributed toward their undoing, although many lacrosse followers claim that when they are going right Maitlands are just about good enough to take a fall out of any team in the group. They certainly were going right on Saturday and the way they toyed with the St. Simons team in the opening quarter was a revelation to the spectators. Maitlands went on the field determined to win and win they did by putting up one of the finest games they have played this year. In its report of the match The Mail & Empire says:—

"The victory of Maitlands was not due to over-confidence. The Maitlands played just one game last season that resembled Saturday's performance, and they won it, too. In fact on that occasion they handed the St. Simons a 3 to 2 defeat also. It was by close checking and aggressive play that they did the trick. They got the drop in the first quarter when Plummer and Conacher scored goals. The former got right through the defence for his, and Conacher made one of his heavy steam-roller runs from centre for the second. He bowled over the men who tried to block his passage. The first quarter ended 2 to 0 in favor of Maitlands. After the first period, the Cottingham Square players settled down and played the most desperate defensive game seen here this year. They stuck to their checks like leeches, and refused to get tangled even when the Saints worked their systematic combinations that usually get goals. In the final periods, the Torontos had a great deal more than half the play, but they simply could not score. Dinny Grant has played some fine games in his life, but never anything to equal Saturday. Six times in the course of the afternoon, Wendell Holmes, who played great lacrosse on the attack, got right inside the defence, and all but one of his shots were perfectly handled by Grant. They were not lucky saves either. Bill Scott got a goal in the second period, and things looked a little better, but the Maitlands continued to bunch round the mouth of the net, and the Toronto-St. Simons' home could not find a hole to get through. At half-time it was 2 to 1, but Conacher went bogling down the field for another in the third period. It was Conacher's great day. Then Holmes secured his in the final period. The Toronto-St. Simons seemed to be within inches of making it a tie several times, but either Grant or a heavy checking defence man blocked them."

MONO COLLEGE

The Mono College Women's Institute will hold its next meeting at the home of Mrs. G. M. Cruikshank, Blind Line, on Friday afternoon, Sept. 9th, at 2.30 p.m. The program will be taken by The Maples Institute. The Roll Call will be answered with a conundrum.

—Try The Banner Bookstore for your school supplies.

MRS. ROBT. MEEK

The remains of the late Mrs. Josephine L. Meek, widow of the late Dr. Robert Meek, of Orangeville, whose death was briefly noted in last week's Banner, reached Orangeville from Toronto last Thursday morning, the funeral taking place from the C. P. R. depot to the Forest Lawn cemetery. Rev. F. W. Mahaffy, pastor of St. Andrew's Church, conducted the burial service and Messrs. Geo. Beswick, J. W. Aiken, Drs. G. H. Campbell, W. H. Bowles and W. J. Price, and A. D. McKitrick were the pallbearers. Friends present from outside the town for the burial included Mrs. Sinclair, Toronto, Miss Ada McCarthy, of Stouffville, a sister, and Messrs. Wm. McCarthy, Toronto, and Walter McCarthy, Chicago, brothers of the deceased; Miss Lola Meek, Toronto, the only child; Dr. Meek, Port Rowan, and Mrs. Alex. Steele, Toronto, brother and sister of the late Dr. Meek, and Mr. Denson, of Toronto. The late Mrs. Meek was highly esteemed by the people of Orangeville amongst whom she lived and moved from the time of her marriage until her husband's death about ten years ago. Profound sympathy is felt for the daughter and other relatives in their bereavement.

JAS. J. HUBBARD

Jas. J. Hubbard, formerly a well-known resident of this town, died at his home, 15 Hallam St., Toronto, on Saturday at the age of 76 years. The remains were brought to Orangeville by motor on Monday afternoon, interment taking place in the Forest Lawn Cemetery. Rev. F. W. Mahaffy conducted the service at the grave. Mr. Albert Hubbard, Collingwood, and Mr. J. J. Hubbard, a well-known Toronto barrister, are sons. Deceased was an active, energetic man, who took considerable interest in municipal and other public matters while living here. The sympathy of Orangeville friends is extended to the bereaved family.

NORTH ERIN

Knox Presbyterian Church, North Erin, which has been closed for the last three weeks while undergoing repairs, was reopened on Sunday last. Services were held at 11 a.m. and 7 p.m., the Rev. Geo. Kendall, of Dundalk, occupying the pulpit on both occasions. The pastor, Rev. W. N. Carr, of Alton, was present and assisted in the services. Special music was provided, Alton Presbyterian choir assisting during the evening service.

Rev. W. N. Carr, our pastor, has resumed his duties after spending his vacation at his old home near Dundalk. We are very sorry to learn that Mr. Carr's mother, now quite advanced in years, who has been ill for some time, is not improving.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Mrs. W. Beesley, Mille Roche, Ont., writes: "I have used Baby's Own Tablets for the past eight months and would not be without them. I used them for indigestion and teething and my baby is cutting his teeth without any trouble whatever. I can highly recommend the Tablets to other mothers." What Mrs. Beesley says thousands of other mothers say. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach, thus driving out constipation and indigestion and making teething easy. They are sold by medicine dealers, or by mail at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

—Public School books, scribblers and other school supplies at The Banner Bookstore.

Tea—to be good—must be fresh

"SALADA" TEA

is always fresh and possesses that unique flavour of 'goodness' that has justly made it famous.

LOCAL NEWS.

—This is monthly fair day.

—The Markdale Standard is holidaying this week.

—Girls wanted to help in Dining Room. Grand Central Hotel, Orangeville.

—Orangeville Lawn Bowling Club will hold its annual Scotch Doubles Tournament on Wednesday next, Sept. 14th.

—Get your boy his School Suit at J. D. Torrie's; prices ranging from $5.00 to $13.50.

—Mrs. W. T. Hubbard returned home last Thursday after a three weeks' visit with her sister, Mrs. C. Brooks, of Bondhead.

—Come! Be sure to come to Shelburne on Wednesday, Sept. 21st, to the Big Fair. Something to see and a hearty welcome to all.

—Anniversary services will be held in Adjala and Mono East Presbyterian churches on Oct. 2nd and Oct. 9th respectively. Particulars later.

—Six Hundred Dollars ($600.00) will be offered as prizes for speeding in the ring at the Orangeville Exhibition.

—Mr. and Mrs. William Guest, West Broadway, are arranging to move to Richmond Hill about the end of the present month. They are excellent citizens and we are very sorry that Orangeville is to lose them.

—Stop—Look—Listen—Arrangements made for the accommodation of 10,000 people who are expected to attend the Orangeville Exhibition on September 15th and 16th.

—George Clarence Pierson, who was arrested near Cataract a few weeks ago on a charge of theft and subsequently tried in Brampton, got his in the Toronto Police Court last week. He pleaded guilty to a charge of stealing a registered letter. His offence earned him a sentence of 36 months, which by good behaviour he may manage to reduce to 27 months.

Classic Shoes For Children

A Full new line has just arrived and is now in stock

Arnott's Shoe Store

—Get your tickets early for the Concert the last night of Orangeville Show Fair.

—Orangeville and Erin lawn bowlers held an enjoyable Scotch Doubles competition on the local greens on Wednesday afternoon last. R. H. Robinson and Robt. Allen won and Dr. Macleod being the runners-the main event, Dr. T. A. Carson up. The Consolation prizes were divided between Chas. Gillespie and Geo. A. Moore and A. C. McMillan and Joshua Reid.

—J. D. Torrie has his Fall Hats in newest styles and shades to choose from.

—Samuel McKenna, well-known to most people in the Glencross district, died at the home of Miss Rebecca Little near Glencross on July 25th after a short illness from pneumonia. Deceased was about 50 years of age and had lived with the Little family for a number of years. His remains were interred in St. John's Cemetery, Rev. D. G. Atkinson, of Mono Mills, being the officiating clergyman.

—The Orangeville Show Fair will be held on the 15th and 16th of September.

—Orangeville High and Public Schools reopened for the fall term on Tuesday. There are a large number of newcomers in attendance at the High School.

—A Grand Open Air Entertainment will be given at the Orangeville Show Fair on the afternoon of September 16th. This will be something special, don't miss it.

—Mrs. R. B. Young and family, East Broadway, moved to Toronto this week. They will reside at 393A Manning Ave. Their departure will be keenly regretted by Mrs. Young's numerous friends in and near this town.

—Don't forget the dance at Cold Creek Trout Club every Thursday night.

—Something doing every hour at the Orangeville Show Fair. All roads lead to Orangeville on September 15th and 16th.

THE MAITLANDS AGAIN

The Maitlands and The Dufferins will meet again on Idylwyld Park at 3 o'clock on Saturday afternoon. Great interest has been created in their coming by reason of the visitors' win over the Toronto-St. Simons team last Saturday. By their victory the Maitlands put the Dufferins back in the running for the group championship. If they can win on Saturday the locals will have a chance to tie up with St. Simons for the group honours. This The Dufferins are very anxious to do as they think they can trim the Amalgamateds if they get another chance at them. They can therefore be depended on to their utmost to score a victory over the Maitlands Saturday afternoon. The ball will be faced at 3 o'clock and there is sure to be a big crowd on hand to see the doings.

SCOUT CHURCH PARADE

Orangeville Boy Scouts will attend divine service in St. Mark's Church on Sunday evening, Sept. 11th. All Scouts are requested to meet at the Public School grounds at 6.40 p.m.

ANNIVERSARY SERVICES

Anniversary Services will be held in Burns' Presbyterian Church, Mono Centre, on Sunday next, Sept. 11th, at 11 a.m. and 7 p.m. Rev. A. J. Fowlie, a former pastor, will occupy the pulpit morning and evening.

HOSPITAL NOTES

The following donations to the Hospital are gratefully acknowledged: $15.00 from Violet Hill Women's Institute; $5.00 from Blount Women's Institute; bag of potatoes from Mr. W. J. McKitrick.

The regular monthly meeting of the Executive of Lord Dufferin Chapter, I. O. D. E., will be held at the home of the Regent, Mrs. W. E. Irvine, Zina St., on Monday evening, Sept. 12th, at 8 o'clock sharp. As important business matters are to be discussed all members of the Executive are urged to attend.

Miss E. L. McDonald, of Toronto, visited at her parental home near Mono Mills over the holiday.

Mrs. T. J. Lackey, of Toronto, spent a few days with Flesherton and Orangeville friends last week.

Miss Ina Allen has gone to Paisley, where she has accepted a position as milliner for the season.

Miss Victoria McEwan, of Toronto, visited her parents, Mr. and Mrs. Wm. McEwan, over the week-end.

Miss I. Irvine, of Toronto, has been visiting her cousin, Miss Madeline Legratt, Prince of Wales St.

Mrs. Ursula McKennit and little daughter, Prince of Wales St., visited friends in Markdale last week.

Miss Dorothy Sargeant returned home on Saturday after a visit of five weeks with friends in Toronto.

Mr. Walter Hayward, of Hamilton, spent a week at the home of his nephew, Mr. H. Hayward, recently.

Mr. W. A. Stilwell, of Toronto, was the guest of Mr. Jas. Thompson, West Broadway, over the week-end.

Mr. John Macpherson, Toronto, spent the week-end as the guest of Mr. and Mrs. D. Macpherson, Second St.

Mrs. Webb and daughter, Kathleen, have returned home after spending a week with friends in the city.

Miss Bessie Robinson, of Toronto, spent two weeks' holidays with her mother, Mrs. Dugald Reid, of Hillsburg.

Mrs. J. Cotton and daughter, Greta, West Broadway, spent two weeks with Toronto and Hamilton friends.

Mr. and Mrs. John Harshaw, of Toronto, were guests of Mr. and Mrs. R. E. Jackson, Cardwell, over the week-end.

Mr. A. McBride and daughter, Grace, Third Ave., are spending this week taking in the sights at the Toronto Exhibition.

Mr. and Mrs. Forest Snell and children, of Toronto, were the guests of Dr. and Mrs. W. H. Bowles over the week-end.

Mr. and Mrs. W. K. Palmer, of Detroit, have been visiting with the latter's mother, Mrs. Robt. Johnston, at Mountain View Farm, Caledon.

Mrs. Kenneth Matthews and son, Carl, have returned home from a two weeks' visit to Brampton, Meadowvale, Port Stanley and Toronto.

Mr. and Mrs. Geo. Haslam and daughter, Anna, of Markdale, visited with Mrs. Haslam's mother, Mrs. Robt. Johnston, of Caledon, recently.

Mr. Ted Yates, of the Bank of Commerce staff in Carleton Place, Ont., spent a few days visiting Orangeville friends last and this week.

Mrs. E. H. Niebel has returned from a vacation of four weeks spent at Lake Simcoe, and is now prepared to accept anyone wishing to study music.

Mr. C. L. Willis, editor of the Stettler Independent, Stettler, Alta., was a visitor with his sister-in-law, Mrs. Stuart Corbett, of Melville Cross, last week.

Dr. and Mrs. Gilliat and babe, and Miss Lucy Wallace, of Buffalo, motored over last week and spent the week-end with Mr. and Mrs. J. S. Wallace, of Laurel.

Miss Florence Fleming, of Hastings, has been visiting her cousins, Misses Jessie and Kathleen Fleming.

Miss Alice Webb spent two weeks with friends in Toronto.

Mr. Harry Glover returned to town last week after a delightful vacation trip through the Thousand Islands to Belleville, where he visited his brother, Mr. M. L. Glover.

Mr. and Mrs. Roy Hulse and Mr. and Mrs. T. J. Robinson, of Mono, attended a progressive euchre party at the home of Mr. and Mrs. Dugald Reid, Hillsburg, on Friday night.

Miss Etta M. Budd, clerk in the Registry Office, has returned to town after spending her holidays with her parents, Mr. and Mrs. Geo. Budd, Second Line, Amaranth.

A motor party consisting of Mr. and Mrs. Steve Reynolds and two daughters, of Mount Dennis, and Mrs. Lees, of Toronto, visited Mr. and Mrs. Isaiah Sargeant over the week-end.

Gordon McVittie, son of C. R. McVittie and the late Mrs. McVittie, former residents of Orangeville, called on a number of his boyhood friends in town last Friday. Gordon, who is now a stalwart six footer, is in the automobile business in Calgary.

Mr. and Mrs. M. B. Hipwell, Bondhead, Ont., announce the engagement of their eldest daughter, Thera, to Mr. Carl Camplin, son of Mr. and Mrs. Wm. Camplin, Beeton, Ont., formerly of Orangeville, the marriage to take place the latter part of this month.

Miss Hutchison, of Brampton High School staff and formerly of Orangeville, her friend, Miss Reynolds of the Department of Home Economics in Manitoba University, and Mr. Lawson, of Brampton, motored to town on Sunday and spent the day visiting friends here.

Mr. Harry Guest arrived home on Friday after a two months' trip through the Canadian West. One of the most enjoyable features of the tour was a motor journey from Calgary to Nelson, B. C., by way of the Crow's Nest Pass route. Mr. Guest states that the scenery through the Rockies was indescribably grand.

Miss Johnston

WILL BE PLEASED TO HAVE YOU CALL AND HAVE A LOOK AT HER

Millinery After Sept. 8th.

INQUEST ADJOURNED

Enquiry Into Death of Robert Lee, of Rosemont, Will be Resumed Next Wednesday Afternoon.

As predicted in last week's Banner the inquest into the death of the late Robert Lee, of Rosemont, was not proceeded with on Friday night. A further adjournment was necessary on account of the non-receipt of a report of the analysis of the contents of the stomach of the dead man. The only evidence taken Friday night was that of Dr. McLean, of Shelburne, who was leaving on his vacation and could not very well be present on Wednesday, Sept. 14, the date to which the second adjournment was made. Dr. McLean was the physician, who was called to attend Lee and was the first doctor to see the deceased after he had died.

The physician stated that he was called up by some person about 12.30 a.m. on Tuesday morning. He did not know who called him but was asked to go to Rosemont to see Lee. In the conversation he was told that Lee had been poisoned and was in a bad way. He left home as soon as he had dressed and reached Rosemont about one o'clock. When he reached the house Lee was already dead. There were signs of rigor mortis and he judged that he had been dead at least fifteen minutes. The body was lying across the bed face up. The legs extended over the side of the bed and the heels were resting on the floor. The hands were clenched in such a manner as to indicate keen physical suffering. After learning the story of Lee's sickness and the manner of his death from those present with the dead man during his last moments he concluded that he had probably been poisoned and that there should be an investigation. He also formed the opinion that strychnine was the poison that caused his death. Upon his return he laid the facts before Dr. S. T. White, an associate coroner for the County of Dufferin. Witness and Dr. White visited the Lee home on Tuesday and made further examination and enquiry. The latter then communicated with Dr. Rooney, of Orangeville, who took the necessary steps for the holding of an inquest. In response to a question from County Crown Attorney J. L. Island, who was present in the interests of the Crown, as to the effects of strychnine poisoning upon the mind of the person poisoned, witness stated that instead of dulling the mental faculties the poison had the effect of making the mind clearer and more acute. He also stated that this mental condition continued almost up to the moment of death.

The enquiry will be continued in the Orangeville Court House on Wednesday, Sept. 14th, commencing at 1.30 o'clock.

Miss E. McQuarrie, of Toronto, spent Sunday with Mrs. S. Mossop.

Miss Jessie Fleming is visiting Toronto and Eastern Ontario friends for a couple of weeks.

Dr. A. E. Lemon, of Sault Ste. Marie, Mich., is visiting relatives in Caledon for a couple of weeks.

Mr. and Mrs. Jas. Dawson, of Brampton, spent Labor Day visiting at their former homes in town.

Mr. and Mrs. Frank Eason and son, Blake, of Detroit, were the guests of Mr. and Mrs. W. W. Marshall over the week-end.

Mr. James McMaster, of Snelgrove, was the guest of his grandmother, Mrs. Jas. McMaster, and other friends in town over the week-end.

Mr. Fred Brereton and Miss O'Keefe, of Toronto, motored to town on Sunday and spent the day as the guests of Mr. J. H. and Miss Hulse.

Mrs. J. M. Snell and two daughters, Edna and Phyllis, returned home last Thursday after a visit of ten days with the former's sister, Mrs. D. Warren, of Haileybury.

Mr. Wesley Nodwell, son of Mr. W. O. Nodwell, of East Garafraxa, left on Monday for Toronto, where he has accepted a position in a drug store on Dundas St.

Mr. and Mrs. Geo. Ferguson, of Collingwood, spent a few hours in town on Saturday while on their way by motor to visit friends near Brampton and in Toronto.

Mr. and Mrs. Ernest Mason and daughter, Isobel, Miss Mildred Simpson and Mr. Fred Sawyer motored to Hanover and spent the holiday a the home of Mr. and Mrs. James Riley.

Mr. and Mrs. Wm. Powers, of Hamilton, were the guests of friends in town over the week-end. They are both looking well and enjoyed every moment of their brief stay in the old town.

Mrs. Hannah Barber and her son, George, have returned to their home in Toronto after spending a month visiting Mr. Sam Barber, Rosemont, Messrs. Jas. and R. J. McCutcheon, Mono, and other Mono and Orangeville friends.

Mr. and Mrs. H. A. Hannington are giving up their home here and Mrs. Hannington and daughters are moving to Toronto temporarily. The daughters are attending Normal or College in Toronto, hence the change. They will reside on Roncesvalles Avenue.

DEATH OF MRS. H. D. R. STEWART, OF CALGARY

The sad news has been received of the death on Saturday, August 13th, of Mrs. H. D. R. Stewart, of Calgary, Alta., nee Ada Jane Collier and daughter of Mr. and Mrs. J. H. Collier, of Medicine Hat, Alta., formerly of Erin. Ada Jane Collier was born in Erin 43 years ago and attended school here and enjoyed the friendship of many school mates, before moving with her parents to Western Canada. She was the eldest daughter of a family of seven, and this being the first break in the family, her demise is very keenly felt. She enjoyed good health and a happy home up to a short time before her death, having suffered an illness for a period of a few months. She is survived by her sorrowing husband, who is inspector of post offices, at Calgary, and two daughters and two sons. The funeral was held at St. Stephen's Church, Calgary, on Monday, August 15th, the services being conducted by the Rev. Canon James.—Erin Advocate.

Rev. F. S. Tacksberry, rector of Newboro, has been granted a year's absence from the diocese of Ontario, and will go to the West.

—J. D. Torrie has his Fall Hats in; newest styles and shades to choose from.

In Kingston a passing auto caught, and deftly untied the bow of a young lady's sash and bore it away. The car was stopped and the driver returned the ribbon, gallantly tying another bow.

A permanent creche, where mother, while seeing the sights, may leave her baby in the hands of competent nurses, will be an innovation at the Canadian National Exhibition this year.

Near Milton, 11 year old Bobbie Hamilton, son of the late Pte. James Hamilton, fell from the top of a tree in which he was playing, and sustained injuries from which he may die.

THE FATHER OF LACROSSE

How many Canadians know anything about the late Dr. William George Beers?

And yet, if there was any man who occupied the place in the history of baseball that Dr. Beers fills in the history of lacrosse there would be a monument to him at Washington, and guides would call upon tourists to remember "this great and good patriot."

If cricket possessed any one man who had done so much for it as Dr. Beers did for lacrosse, he might even be buried in Westminster Abbey.

Even people who refer to Dr. Beers casually as "The father of lacrosse," are not aware that he did anything more than make the original suggestion in 1867 that it should be adopted as Canada's national game.

Canadians are all aware that lacrosse was originally an Indian pastime, and that the white men found it in Canada, just as they found all the other natural resources of the country. But it need hardly be added that the red men did not play lacrosse according to modern rules. It was a sort of community game, played on a field a mile in length, and usually over half a mile long. Whole tribes took part in the contest with anything from 500 to 10 men on a side.

The white men were always interested in lacrosse, from the time that they became friendly with the Indians, but for years they left the pastime strictly to the Indians. In the course of time, the Indian version of the game became more and more modified, but even as late as 1860 lacrosse was played with 25 men to a side and two goalkeepers. The first record of white men playing the game was in 1840, 3 years before Dr. Beers was born.

It was Dr. Beers who first undertook the task of making a hard and fast set of rules for the game. He began to play the game while still a mere youth, less than 17 years of age, and he was only a little more than 20 when he drew up the set of rules, from which modern lacrosse has been developed. It was Dr. Beers who modified lacrosse, and made the foundation upon which all the rule-makers have built.

Dr. Beers once said that his physical recreation was playing lacrosse and his mental recreation was writing about it. There have never been any finer contributions to the literature of lacrosse than those which he wrote to make it known to his day and generation. Dr. Beers was also a strong Canadian in the days when Canadians were not as proud of their nationality as they are today. There was a strong body of Americanizers in our country when the Dominion was young, who wanted us to be annexed to our wealthy neighbor. Dr. Beers wrote a pamphlet setting forth "Young Canada's Reply to Annexation." It was natural, therefore, that the man who possessed his love for Canada and his love for lacrosse should have suggested that it might be made the national game. It was just at the time of Confederation, and the idea caught on at once. Canadians did not take long to recognize its appropriateness.

People who are acquainted with the history of lacrosse speak as though the juvenile variety of the game was a modern notion. It can be mentioned in passing that Dr. Beers was as much "father" of juvenile as of senior lacrosse. He realised that the game had to be taught to the boys, if they hoped to excel later. The men who are working in juvenile lacrosse to-day are merely its "foster-fathers."

It is rather typical of Canadians, who are not a sentimental people, that Dr. Beers has not been more widely recognized for the work he did for the natinal game. One fears that, among the rank and file of the players, his name is almost unknown. This is not as it should be. We ought to have his name attached to some big trophy or shield. If the Mann cup ceases to be regarded as the symbol of the amateur champions of Canada, and becomes, instead, one of the sights of British Columbia a movement might be started to provide a "Dr. Beers Memorial Cup" to take its place in national contests. No lacrosse symbol could be more appropriately named.—Toronto Sunday World.

MRS. JAMES HUNTER

Jessie Davidson, widow of the late James Hunter, died at the residence of her son-in-law, David Taggart, lot 14, 4th line, Melancthon, on Tuesday, August 23rd, in her 63rd year. Deceased was born in Caledon township, being a daughter of the late Thos. Davidson. She married James Hunter, of the Cheltenham vicinity, and they farmed just north of Horning's Mills until Mr. Hunter's death a few years ago, after which Mrs. Hunter moved to Brampton. Two sons and two daughters survive; Thomas, Horning's Mills; Norman, Brampton; Mrs. D. Taggart, Melancthon; Mrs. Manningham, New Jersey, U. S. A. Another son was killed overseas. Deceased is also survived by four brothers and four sisters. The funeral took place Thursday afternoon, to Horning's Mills cemetery. Besides the two sons and daughters, the following are the friends from a distance who attended the funeral: Mr. and Mrs. Henry Pawley, Snelgrove; Mr. and Mrs. Henry Smith, Milton; Mrs. Annie Smith, Hamilton; Thos. and Johnston Davidson, Cheltenham; James and Norman Davidson, Wm. and Earl Martin and Ray Kee, Inglewood; Mrs A. McClure and Kenneth Davidson, Cheltenham; Mr. and Mrs. Thos. Hearn, Brampton; Alex. and Mary Hunter and Mrs. Armstrong, Cheltenham.—Economist.

SUFFERING OF YOUNG WOMEN

This Letter Tells How It May be Overcome—All Mothers Interested.

Toronto, Ont.—"I have suffered since I was a school girl with pain in my left side and with cramps, growing worse each year until I was all run down. I was so bad at times that I was unfit for work. I tried several doctors and patent medicines, but was only relieved for a short time. Some of the doctors wanted to perform an operation, but my father objected. Finally I learned through my mother of Lydia E. Pinkham's Vegetable Compound, and how thankful I am that I tried it. I am relieved from pain and cramps, and feel as if it has saved my life. You may use my letter to help other women as I am glad to recommend the medicine."—Mrs. H. A. Goodman, 14 Rockvale Ave., Toronto.

Those who are troubled as Mrs. Goodman was should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

Those who need special advice may write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. The letters will be opened, read and answered by a woman and held in strict confidence.

A LONG VOYAGE

Stolen Canoe Finally Recovered and Returned.

Two Indians, names unknown, made a canoe trip about a month ago that probably is seldom made. The Indians stole a fine cedar strip canoe from the cottage of Dr. T. H. Middlebro at Oliphant along with a great deal of bedding and canned goods that Dr. Middlebro had left in the cottage. This happened early in May. The same Indians are suspected of the robbery at Allenford. A short time ago Provincial Police Officer Knight of Parry Sound, apprehended two Indians in that place who are suspected of the Allenford robbery. One of them was a mere boy, about fourteen years old, the other was a young man in his twenties. Among other stolen property was the canoe belonging to Dr. Middlebro. The Indians admitted that they had stollen it, and said that they had paddled from Oliphant on Lake Huron to Parry Sound.

The craft is a very fine eighteen-foot, cedar strip canoe, and the Indians were no doubt expert paddlers. They had as well as the loot from the Doctor's cottage plunder from several others that had been entered, and to carry it had to knock one of the thwarts out of the canoe. With this load they paddled north to Cabot's Head, around into Georgian Bay, and either paddled straight across to Parry Sound, a distance of about one hundred miles across the open bay, or what was more likely, paddled south and coasted around the shores of the bay. Whichever way they went it was a remarkable trip, especially when it was taken in the month of May, usually a month of sudden storms. The Indians were captured, but eluded Constable Knight and it is hardly likely that they will again be caught.

In connection with the bringing back of the boat from Parry Sound Messrs Jack Middlebro and Fred McKay had rather an exciting trip on their motorcycles to Parry Sound. From Orillia north to the Sound the road is little more than a trail and they spent several nights camped out in the woods before they arrived at their destination. Eventually they arrived at Parry Sound, and after identifying the boat had it shipped home by express, preferring that method of returning it to that followed by the Indians.—Owen Sound Sun-Times.

Jos. Hardiman, of Dorchester, was killed when his car ran into a ditch.

About 1,400 people will take part in the Canadian National Exhibition spectacle this year.

Owen Sound fall fair will open on September 13th.

The famous Huntsville Band will appear for the week, August 29 to Sept. 3, at the Canadian National Exhibition.

George Mair, 5th concession, Westminster township, had his barn burned, struck by lightning, and 52 loads of hay also destroyed.

Robt. Young, Owen Sound, aged 15, saved the lives of two men who were clinging to an upturned punt, by swimming out and pulling the punt to shore.

There are 280 sections for cattle at the Canadian National Exhibition, Shorthorns leading with 39.

Dr. J. E. Haigh, of Tremont Park, Gananoque, while digging in his property at that place, unearthed two spear heads. They were made of quartz of a yellowish white color, almost transparent.

An old landmark of Stratford, the Bailey homestead on Downie st., was recently destroyed by fire. It had been moved down the street a short time before to make room for the new school building.

No animal is allowed in the judging ring at the Canadian National Exhibition until examined by a veterinary and pronounced free of disease.

Percy Deacon, of Collingwood, was fully cleared by the coroner's jury of the responsibility of the death of aged Donald Munro, a street-cleaner of Collingwood, when the latter was struck by an auto driven by Deacon.

NEWS NOTES

Wild ducks may be shot from September 1st to December 15th.

Wm. Feeney, Sarnia, died suddenly while waiting in a doctor's office.

Rev. J. C. Robinson, of Tweeton, received a call to Wyoming Presbyterian church.

Fire caused by lightning, destroyed the barn on the farm of Thomas Pye, West Oxford.

Collingwood town council have voted $1,000 towards the erection of a soldier memorial.

On a charge of rape, F. Willison and W. Watson, both of Windsor, were committed for trial.

Port Stanley police have a warrant out for the arrest of Harold Biggins on a charge of fraud.

Fourteen automobile loads of Essex county farmers left Leamington for a tour through Western Ontario.

Building operations in Kitchener took a decided jump during August, 51 permits being issued, to the value of $165,955.

Residents of Elsfrid township celebrated the one-hundredth anniversary of the first settlers in their community.

Miss B. Parkin, Seaforth, an honor graduate of McGill University, has been appointed on the staff of the St. Alban's Ladies' College.

E. Carpenter, Oakland, and E. Birdsall, of Scotland, both 18 years old, were fined $150 each on a charge of stealing an auto at Burford.

A mink wandered into the lobby of the Randolph Hotel, Kingston, the other evening, and was captured after putting up a good fight.

A young moose cow that wandered into Cochrane the other day caused great excitement among the small fry, and finally escaped via the lake.

A Mildmay woman, on going into her pantry the other day, discovered a milk snake coiled upon the table. Calling her husband, the two dispatched the reptile.

Rufus Avery, an inmate of the House of Industry at Athens, Ont., is 109 years of age. He is slightly deaf but enjoys good eyesight, and is still keen intellectually.

Auto car of Wilfred Baker and Robert Hallinan, of Chatham, went over a 30 foot embankment near Kent Bridge and turned over twice, but neither of the occupants was injured.

Elizabeth Johnston, an Indian woman, who recently arrived in London, was arrested for the theft of a watch from a neighbor on the reserve in the Bruce peninsula.

Thirty-five acres of land in the town of Sandwich, with 350 feet river frontage, has been acquired by Dodge Bros., Detroit, auto manufacturers, who intend to erect an assembling plant.

Frank Wansbrough, of Grand Valley, had one of his legs broken by being trampled on by a steer. He and Robert Irvine were driving some cattle along the road when a steer got its horns tangled in a wire fence. In jumping around the animal knocked Frank down and broke his leg by tramping on it.

Alden Townsend, of East Luther, had both bones of his leg broken near the hip, by a load of grain passing over his body. He was riding on the ladder in front of the load, when he slipped off, hitting the horses which began kicking and ran away.

A Tribute

Our ability, to explain in print why The Hoover excels, is dwarfed by the enthusiastic endorsement of a half million Hoover users, thousands of whom have been using Hoovers on their carpetings for the past ten or twelve years.

Independence on a Fruit Farm

Gathering Raspberries.

In the heart of the small-fruit country on the south side of the Fraser River in British Columbia, where every landowner has his commercial patch of raspberries, small or large, one of the best examples of what a perfectly developed, well-run fruit farm on a small acreage can be, is the Maple Crest Farm at Hatzic belonging to Mr. A. E. Dann.

Mr. Dann is an Old Country gunsmith and was brought up on his father's fruit farm of 200 acres in Kent; so the conditions for fruit-growing are much the same in British Columbia as in England, his experience is his greatest asset out here. He believes that there is far more profit in the careful and thorough cultivation of the small patch than in the big patch carelessly looked after.

The soil in this district is extremely rich, well-drained and therefore particularly well-adapted for small fruit but Mr. Dann uses farm-yard manure when possible and plenty of chemical fertilizers as well.

He has an acre in strawberries, the "Magoon" variety, which are best suited to the district, and in a good year realizes $1,200 on these; half of this must be allowed for expenses of picking, packing, crating, cartage, etc., so that he clears a profit of $600.

He has over an acre of gooseberries, mostly grown from cuttings which he struck himself, "Pearl" which are the earliest, "Oregon Champion," the main crop and "Josselyn," the late ones. There are 1,100 bushes in full bearing which average a gross return of $1 per bush, more than half of which is clear profit.

Gooseberries, of course, are far cheaper to grow than strawberries because like all bush fruit they last for a long term of years without needing renewal.

Mr. Dann has over an acre of raspberries, "Cuthberts" and an unknown variety much grown in the district that surpasses even the "Cuthberts" for earliness and heavy yields. Three tons to the acre is an average crop or 300 crates for which the lowest price is $4 per crate, so it will be seen that the profits work out much the same as for straws, and raspberries are very much cheaper to grow.

There is an acre of loganberries and though these do not bring in such good prices as raspberries, the crop lasts much longer and pickers can get double the amount in a day, so the profits work out the same. Logan growers are very anxious to see a plant for bottling logan-juice started in the Province and we hope this will come ere long.

Over an acre of "Thornless" blackberries are grown as these are considered better than "Snyder" which are too seedy or "Evergreen" which are too late. They do not bring in such good prices as the other fruits but the crop is heavier, lasts longer and the expenses are less, so that a good $600 is cleared on these also.

There are about one and a quarter acres of red and black currants, some of the red currant bushes reaching the prodigious size of 9 ft. in diameter and producing over 20 lbs. of fruit. These bring in a gross return of $700-$800 per acre.

Mr. Dann has also fifty Bourne pear trees which invariably yield a good crop and are a variety particularly free from disease. The district has learnt the imperative necessity of co-operation in handling their fruit. The area of production has assumed such vast proportions in the last few years that unless the produce had been handled on business lines nothing short of disaster could have occurred, both for the individual and for this industry in the Province.

Cold storage facilities are absolutely necessary and the expense of this can only be met by every grower joining the exchange in his district. Last year the Hatzic Fruit and Mercantile Exchange shipped six carloads of raspe to Winnipeg and not one crate was spoilt.

A traveller from the East told Mr. Dann that he saw several crates of raspe from the Hatzic district land summer in Fort William and they were all in perfect shape.

This year the Exchange expects to ship over 800 crates of fruit and the strawberry yield alone is expected to total from 600-1000 tons. There are about 2,000 acres in British Columbia under small fruit and the value of last year's crop was guaged at nearly a million dollars—C. C. B.

HAS KEPT HER IN FINE CONDITION

Miss McCuen Says Tanlac Restored Her Health And Brought Back Strength.

"I certainly am glad I found Tanlac, for it restored my health and keeps me feeling good all the time," said Miss Jennie McCuen, 149 Wentworth St., North, Hamilton, Ont.

"Four years ago I found myself in a run-down and weakened condition. I got so weak that I had to stop every few minutes to rest while doing some little light housework, and many days I couldn't even prepare the meals. My stomach was so out of order that I was afraid to eat because of the suffering I knew it would cause. I got to where I couldn't eat anything but bread and a little milk.

"Well, Tanlac certainly is an excellent medicine. Three bottles of it built me up to where I felt fine, and since then I've made it a habit to take a bottle occasionally to keep me feeling right. It keeps me eating and digesting most anything I want, and gives me plenty of strength to do my housework. I am glad to praise Tanlac for the wonderful good it has done me."

Tanlac is sold in Orangeville by C. V. Jeffers, and by leading druggists everywhere.

The Drayton Advocate claims that eight houses will be erected in that village this summer.

Rose Reeve, aged 10, will attend Western University, London, as a student.

Alex. Sim, of Holstein, fell off a bicycle on to a crosscut saw and cut his foot badly, severing an artery.

Chas. Sargeant, a prominent Haldimand township farmer, was fatally kicked by a horse in his stable.

Mr. Harold Samuel has sold his 200 acre farm, lot 15, con. 9, West Luther, to Robert Cole, of Hamilton.

A wagon struck a hydrant in Owen Sound, breaking it off below the ground. The street was flooded in no time.

Miss N. M. Stanley, superintendent of Victoria Hospital, London, died from the effects of a fall in Toronto.

The Georgetown Floral Co. were awarded first prize for their display of gladiolas at Toronto Exhibition. Their exhibit covered 200 square feet.

The position of License Inspector for Peel, which has been vacant for some months, has been filled by the appointment of Mr. Robert Reevely, of Albion.

St. George's congregation, Guelph, have secured Mr. Gladstone Brown as their new choirmaster. Mr. Brown came to St. George's from Knox Church, Woodstock.

Rev. A. L. Fleming left Toronto recently for St. John, N. B., having resigned from his position at Wycliffe College to become rector of St. John's Church, St. John.

Rev. J. C. McAuley resigned his pastorate at Dufferin Street Baptist Church, Toronto, a few weeks ago, and is likely to devote his immediate future to evangelistic work.

Forty mills seems to be about the most common tax rate this year. In Owen Sound close paring held it down to that figure, th esame as last year. The rate in St. Mary's is also forty mills.

At a meeting of the members of High Park Baptist Church, Toronto, it was decided by an almost unanimous vote not to accept the resignation tendered by the pastor, Rev. Albert Hughes.

T. H. Ballantyne, pastor of Dufferin Street Baptist Church, Toronto, has accepted a unanimous call to an inter-denominational church in Kitchener, and will begin his duties on the first Sunday in October.

A disastrous fire occurred on Ballymena Farm, the homestead of Mr. L. F. Denison, of the sixth line, Esquesing. His modern, well-equipped barn and home were completely destroyed, and the entire season's crop.

Norma, the two-year-old daughter of Mr. and Mrs. Elmer Gallaugher, of Alliston, formerly of Shelburne, received painful injuries to her face, neck, arm and chest, when she upset a dipper of scalding water over herself.

Mr. and Mrs. John Graham, of Grand Valley, announce the engagement of their daughter, Ella Etta, to Mr. John Edgar Madill,, son of Henry B. Madill, Uxbridge, Ont., the marriage to take place about the middle of September.

Mr. and Mrs. M. G. Varcoe, Hewitt Avenue, Toronto, announce the engagement of their eldest daughter, Gladys Gwendolyn, to Mr. Harry Howson, son of Mr. and Mrs. A. M. Howson, Arthur, the marriage to take place the last of September.

had a serious mishap when he attempted to board a creamery motor truck driven by Geo. Duncan. The lad missed his footing although the truck was going slowly. He fell and the rear wheel passed over his breast and shoulder. Some ribs are broken and the shoulder is badly injured.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 2c. stamp to pay postage.

ITEMS OF INTEREST OF DUFFERIN AND DISTRICT

Brampton tax rate has been fixed at 38 mills.

Simcoe County is spending $300,000 on its highways this year.

Honeywood Band will supply the music at Flesherton Fair, Sept. 30.

Ivan, the young son of Mr. and Mrs. Walter Carson, of Dundalk,

Blake Edwards, Algonquin, lost his second barn by fire in two years. Loss $7,000.

Sixty school children from Penetanguishene will study French at St. Hyacinthe, Que.

Mr. B. V. Gibbens has disposed of his bakery business in Georgetown to Mr. N. H. Brown.

Dr. J. F. Grant, of Durham, is the new District Deputy Grand Master for Grey Masonic District No. 25.

—Six Hundred Dollars ($600.00) will be offered as prizes for speeding in the ring at the Orangeville Exhibition.

About $400 has been subscribed toward fencing and otherwise improving the old Presbyterian cemetery in Priceville.

—Come! Be sure to come to Shelburne on Wednesday, Sept. 21st, to the Big Fair. Something to see and a hearty welcome to all.

Oakville council has voted the town band $500. Of this, $250 is for a series of ten open air concerts and $250 toward band maintenance.

H. G. Hoak, a tourist from Cleveland, Ohio, passed all records by landing a small-mouthed black bass, weighing 6 lbs., at Sparrow Lake.

A smelter dump in Orillia contains valuable metals, which, when treated on a commercial basis, will yield the town 20 per cent.

For feeding of garbage to hogs without a license by a farmer near Orillia resulted in a fine of $50 and costs being imposed by Magistrate Clarke.

Rev. P. W. A. Roberts, of Allliston, on the occasion of his transfer to another parish, was the recipient of a testimonial and a purse containing $240.

Halton County Council sold Aemilius Jarvis & Co., of Toronto, the $100,000 County of Halton 20 year 6 per cent. debentures at a price of 96.41.

Mr. B. Upshall, B. A., of Brampton, has been engaged for principal of the Flesherton High School in place of Mr. Morrison, who was conditionally engaged.

Palmerston is mourning the loss of a highly respected citizen and official in the person of Chief Constable Alexander Gamble, who died recently at the age of 57 years.

A sudden death occurred in Orchard, when Mrs. Sam Morrison, of Durham, was found dead in her bed, and no immediate cause can be given for her sudden taking off.

Mr. Leo. Barry, electrical superintendent of the Hanover Portland Cement Co., sustained a broken rib when a car he was driving overturned as a result of a broken wheel.

Bolton Council struck the tax rate at 36 mills and passed a by-law to raise the following amounts this year; $1,932 for the county. $4,330 for the village, and $4,197 for Public schools.

F. C. Dance, furniture dealer in Shelburne, sustained a double fracture of his right arm between the wrist and elbow,when the engine of his car backfired while he was cranking it.

Wm. Fawcett, cattle dealer, Toronto, formerly of Dundalk, is in a hospital at Swift Current, Sask. nursing a dislocated shoulder, the result of being thrown from a horse while rounding up some stock.

Mr. John Hales, an old and respected resident of Flesherton, was found dead of heart failure in his bed at Brampton. He had been working on the Provincial Highway at that point during the summer.

Shelburne's 41 mill tax rate this year is to meet a total expenditure of $18,339.01, divided as follows:—County purposes, $2,400.79; School, $9,800; Village, $4,702.08; Waterworks, $636.14; Hydro, $1,800.

Mr. A. R. Kennedy, of the Maclean Publishing Co., the past three years, formerly editor of the Guelph Mercury, has been engaged for the splendid position of editor-in-chief of the London Daily Advertiser.

It is rumored that Sir Adam Beck has purchased a large farm on Dundas Street in Trafalgar Township, between Milton and Oakville, where he will keep his hunting horses, and that he has also bought a beautiful summer residence on the lake shore east of Oakville.

A. G. Farrow, of Oakville, has been appointed Chairman of the Agricultural Development Board, which is the organization created by legislation at the last session of the Legislature to administer the new system of short term and long term farm loans in Ontario.

On the 1st day of September, Elmer Martin, eldest son of Mr. Eph. Martin, of Durham, had the misfortune to have his left arm severely cut and torn by coming in contact with a circular saw. He was cutting wood and in reaching over, the saw caught his arm and cut it almost half off.

The new regulations governing the shooting of partridge makes it illegal to shoot these birds except between November 5 and November 20, and not more than 10 may be killed in any one year. There are many who do not realize the change in the law regarding the shooting of partridge and that it is absolutely illegal to sell the same or other game birds.

PTOMAINE POISONING

Nearly Caused Death of Owen Sound Woman Aged 105 Years and Man Aged 65.

A most pathetic case of what is thought to be ptomaine poisoning occurred Saturday last when Mrs. Maria Henson and William Handy both took very ill. All Saturday afternoon and evening both lay unconscious and were confined to bed Sunday and Monday, although able to be up and around this morning. Mrs. Henson is reckoned to be around one hundred and five years old, Wm. Handy gives his age as sixty-five. Saturday afternoon both of them were found unconscious from the effects of some poison and it is thought their illness was the result of ptomaine poisoning from eating canned goods.

Mrs. Henson and Handy are colored people, and have been living at the corner of 9th Ave. and Fifteenth St., East. When questioned Sunday Handy said that early in the week they had some canned peas which they left in the can and did not finish until later. Whatever it was, the fact remained that on Saturday last both took very ill. They were in the house alone, and after trying ineffectually to aid the woman, Handy became unconscious after suffering great internal pains. Neither he nor Mrs. Henson remembered anything from the middle of Saturday afternoon until Sunday morning.

The two were discovered by Mr. Norman Gibbons who dropped in at the house. He at once summoned aid, and among those called were Dr. Howey and Alderman Willoughby. They found the house in an almost indescribable state of filth and at once rigged up a tent outside to put the two in. The two colored people were absolutely helpless and it was not known what was the matter, although it was thought to be poisoning of some kind. It was feared that both were going to die, Mrs. Henson seeming the worst, but careful attention in the tent pulled them through.

Mrs. Henson is one of the oldest women living in Owen Sound at present, if not actualy the oldest. Her age is reckoned at one hundred and five years, though no person knows exactly how old she is. When a girl she came to this district with her father when no other people were living here. Her father, Wm. Hall, who was an escaped slave, died about fifteen years ago and at the time of his death was judged to be one hundred and fifteen years old. Mrs. Henson whose abundant hair is perfectly white is very active for a woman of her age, and this morning was working around the house.—Owen Sound Advertiser.

Straight talk on Cream Separators by

J. E. SMITH & Co.
Orangeville, Ont. Canada.

The De Laval puts money in the bank

MONEY in the bank is the final test of any piece of farm equipment. It is especially true of a cream separator.

Butter-fat is the most valuable product of the farm. Twice a day, every day in the year, gravity skimming or a poorly constructed separator wastes this high-priced food.

A De Laval Cream Separator stops this loss of profit. It supplies the extra money that is needed for current expenses, improvements about the farm, or for the purchase of new stock.

More than 2,500,000 De Lavals are in daily use throughout the world. These De Laval owners represent the most progressive and most prosperous farmers in every country and locality.

A De Laval Cream Separator will make your farm more profitable, too, and put money in the bank for you.

You can buy a De Laval on such terms that it will actually pay for itself while you are using it. Come in and get a demonstration

Sooner or later you will buy a De Laval

REDUCED PRICES
ON
WALL PAPERS

For the balance of the Year we will reduce the Price of all Wall Papers from 20 to 35 per cent.

We have also purchased a Job Lot direct from the Manufacturers, all this season's Goods and the best designs and colorings, at from 25 to 50 per cent. below regular Wholesale Prices. These Goods will be in Stock in a few days, and will be marked to sell at such Prices, that every one may have their homes made bright and cheerful for the coming winter at a moderate outlay.

This will be an exceptional opportunity to procure bright, New Papers at very low prices.

We wish, however, to state that the 1922 Factory Prices warrant no such Reductions as we are putting into effect and that these extremely low Prices apply to our present Stock only, which is complete in every line, and 90 per cent. this year's Patterns and Made in Canada by Canadians for Canadians.

We have a complete Stock of the famous Brandram-Henderson Paints, White Lead, Linseed Oil, Turpentine, Putty, Varnish, Brushes, Glass, Vitrauphanie, Glue, Paste, Fibre Veneer, etc., at Lowest Prices.

GLAZING SIGN WRITING

West Broadway. GEO. ALLEN Orangeville

WHERE IS THIS MAN?

There is an Irishman now in Canada and if he can be found a legacy awaits him. The man wanted is William Hannon, nephew of John Hannon, of Hacketstown, County Carlow, Ireland. John Hannon died lately leaving some property to William Hannon, and if William Hannon Communicates with John R. Dagg, Baltinglass, County Wicklow, Ireland, he will hear all about the legacy.

The will made by John Hannon, deceased, stated that William Hannon was at Orangeville, Ontario, when last heard from. But William may have changed his place of residence since. Let him hurry up and write to Mr. Dagg.

COST OF TEAS

Since March last the cost of teas has shown a greater advance than has ever been registered during a like period in the past 40 years. Good average tea now costs 15 cents cents or 16 cents a pound more at the gardens than it did six months ago. There is no doubt that increased consumption in many countries, and the fact that Russia is now taking a large quantity of tea, has had something to do with this almost unprecedented rise in costs.

—Get your boy his School Suit at J. D. Torrie's; prices ranging from $5.00 to $13.50.

LACROSSE NOTES

Weston, Orangeville's oldtime opponents, are out of the race for the senior O. L. A. championship. Riversides did the trick at Oshawa on Saturday afternoon, winning a keenly contested game by a score of 6 to 4. The game was pretty rough in spots and when nearing the close was enlivened by a free-for-all, which had-headed spectators started with little or no provocation.

Shelburne Juniors ran into a hornets nest, when they tackled St. Kitts Juniors in the first of the semi-final games on the latter's grounds on Saturday afternoon. The home team won by 18 to 7. The Shelburne boys made an excellent showing in the first half of the game, getting six goals to their opponents eight. St. Kitts had altogether the better of the argument in the second half, scoring nine goals and holding the visitors down to one. The return game was to take place at Shelburne yesterday afternoon. Shelburne has a big contract to overcome the St. Kitts lead, but they intend making a big fight to do it and here's wishing them every sucess.

—Fall and Winter Millinery Openings, Saturday and Monday, September 17th and 19th—THE MISSES SHORE, Caledon East.

—Many attractions at Fergus Fair—horse races; good exhibits in all classes; music; live midway; concert; dance, Friday, September 23rd, is the day.

DEFEATED MAITLANDS

Dufferins Earned Another Chance for the Group Championship by Win on Saturday.

By defeating the Maitlands in the senior O. A. L. A. game played on Idylwyld Park on Saturday afternoon The Dufferins put themselves in a position, where they still have a chance to win the championship of the group. They are now so close upon the heels of the leaders, Toronto-St. Simons, that the tie game, which the two teams played in Toronto at the beginning of the season will have to be replayed as it now affects the standing of the two teams. If Dufferins can win this game they will be tied with the group leaders and it will be necessary to have a play-off on some neutral grounds. Arrangements are under way to have the tie game replayed either Saturday of this week or Wednesday of next. No agreement has been reached respecting the grounds and there is a possibility that the game may be played in Weston or Brampton. Dufferins are in excellent form and are confident that they will be able to give a good account of themselves whenever the decisive meeting takes places.

The greenshirts won Saturday's game by a score of 10 to 4. Maitlands were without Fred Stokes and Conacher, the much advertised "iron man." Despite the lack of these two strong players the visitors presented a fast, clever line-up and for the greater part of the game gave The Dufferins a real game. The home team caught them off their feet in the opening period, running in no less than four goals, while the visitors were unable to negotiate a tally. The first goal was scored in record time. Golden got the advantage on the face-off, scooping the ball out to Ewing, who set out for the Maitlan flags at top speed. Before the visitors' defence had time to close in on the flags, Ewing dodged and then passed the sphere to Bert Brown, who accepted the pass and converted in beautiful style. At most not more than eight seconds elapsed between the face-off and the score. Not a Maitland player touched the ball. Gordon made one of his characterist rushes and shot, but Grant made a fine save. The ball was passed down the field, but the Dufferin defence broke up the threatened attack. A moment later Blythe Brown got possession, ran in and when checked transferred to Dr. Zinn, who made a dodging run right in on the flags and scored with a shot that Grant had no chance to stop. Zinn got another on a pass from Ewing and then Gordon fooled Grant for the fourth counter of the game. Just before the bell rang the Maitlands' net guardian was felled by a swift shot from Blythe Brown's stick. The rubber struck Grant over the left temple knocking him off his feet. Fortunately he was not seriously injured and was able to go on again in the second quarter.

Although again outscored the visitors showed to much better advantage in the second quarter than in the opening period. The defence covered their men more closely and the home began to show the persistant aggressiveness that has made the northenders dangerous opponents in every game they have played this year. Early in the period Grant made a great stop of a shot by Rappin Scott, who took a pass from the rear right in front of the flags. A little later Zinn electrified the crowd by accepting a pass and lodging the ball in the net almost as it toched his stick. It was assuredly lightning work. Maitlands home held the ball persistently passing from man to man in swift, accurate fashion and gradually working inside the Dufferin defence. The effort brought its reward in a tally, Mitchell netting the ball. Stevenson and Gordon tallied one each for The Dufferins before the whistle sounded, making the halftime score 7 to 1 for the greenshirts.

In the third period Stroud of the visitors' defence earned the hearty applause of the crowd by a pretty bit of dodging which landed him right in front of the Dufferin goal and brought the Maitlands their second tally. Blythe Brown slipped the ball between the posts with one of his backhand shots. Zinn passed to Ewing, whose shot struck one of the goal posts and rebounded to one side. A couple of minutes later Bert Brown tallied another on a pass from Armour Robinson. Fred Golden got a nice one in the last quarter and the Maitlands got a fresh lease of life and ran in a pair of counters. Grant, the goalkeeper, got one of them after carrying the ball the length of the field. Final score 10 to 4.

While the result of the game was never in very serious doubt the visitors put up a plucky fight and the spectators were treated to some excellent lacrosse. The Dufferins were in great form and if they are going as well when they next meet Toronto-St. Simons the Amalgamateds will know that they have been in a real lacrosse game and will likely have to be content with the short end of the score. Saturday's game did not get under way until nearly 4.30, a full hour later than the advertised time. The delay was due to a car carrying part of the Maitlands team breaking down between Orangeville and Caledon. After a lengthy wait a telephone message from Caledon brought the explanation of the non-appearance of part of the visiting team. Geo. Morrison and Manager "Jimmie" Armstrong set out immediately in the former's car and brought the occupants of the disabled car to town.

Players and officials were:—

Maitlands—Goal, Grant; point, Tweddle; cover, Brown; defence, Robinson, Porteous, J. Stroud; centre, Moore; home, Saunders, G. Stroud, Plummer; outside, Mitchell; inside, Johnston; spare, Boyd.

Dufferins—Goal, Booth; point, Densmore; cover, Cushing; defence, Cranston, Henderson, Scott; centre, Golden; home, Ewing, Gordon, Blythe Brown; outside, Bert Brown; inside, Dr. Zinn; spares, Stevenson and Robinson.

Referee, Ernie Doyle; Judge of Play, Braden.

After the game the two teams had dinner at the Grand Central hotel as the guests of the Dufferins management. The best of good feeling has existed between the Maitlands and the Dufferins all season. The local team have the good wishes of the Maitlands in their coming games with Toronto-St. Simons and on their part The Dufferins are indebted to the Maitlands for getting another chance to meet the group leaders for the championship. It was the Maitlands unexpected win a week ago Saturday that put the Dufferins back in the running.

A POPULAR TONIC

One That Enriches the Blood and Strengthens the Nerves.

Proper food, fresh air and a good tonic will keep most people in good health. Hurried meals, indoor confinement in badly ventilated rooms and lack of exercise causes anaemia. In this condition Dr. Williams' Pink Pills are a popular tonic. They contain no habit forming drugs, and always have a beneficial effect through enriching the blood and strengthening the nerves. For growing girls, who become thin and pale, for pale, tired women and for old people who fail in strength, Dr. Williams' Pink Pills are an ideal tonic. The benefit in anaemic conditions is shown by the case of Miss Lucy A. Steeves, Hillsboro, N. B., who says: "Last spring I was in very poor health, and completely run down. I had severe headaches, the least exertion would cause my heart to palpitate violently, my appetite was poor, and at times I had fainting spells. This went on for some months, and although I was taking medicine, I seemed to be growing weaker, and the least exertion would leave me worn out. Then on the advice of a friend, I changed the treatment to Dr. Williams' Pink Pills, and I have great cause to be thankful that I did so, as they have made a wonderful improvement in my condition. I can now work without fatigue, go upstairs without becoming breathless, and have gained in weight. I think these pills are an ideal medicine in cases like mine."

You can get Dr. Williams' Pink Pills from any medicine dealer, or by mail, at 50 cents a box, or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

GRAND VALLEY FAIR

Grand Valley Fall Fair have arranged for a number of new and special attractions this year. They are having the Famous Galt Kiltie Brass Band, Splendid Horse Races, Slow Motor Race, Baby Show, four classes, 3, 6, 12 and 18 months; two Slack Wire performances free in front of Grand Stand; Big Midway and an extra fine display of Agricultural products. Remember the date, September 27th and 28th. Big Concert on second night.

HILLSBURG

The services in St. Andrew's Church on Sept. 18th will be cancelled both morning and evening owing to the anniversary services at Bethel Church, East Garafraxa.

On Sunday, Sept. 25th, the Rally Day service of the Sunday School of St. Andrew's Church will be held at 11 o'clock and indications point to a large gathering of young people as well as parents and friends. Mr. Harper will preach a special sermon for the young folk, and all will enjoy the responses and hymns of the Rally Day program.

Many friends here have expressed deep sympathy with Dr. Allen Gibson and Mrs. Gibson in the death last Sunday morning of Dr. Gibson's sister, Mrs. McDougall. The deceased was frequently a visitor at her brother's home here, and made many friends. The funeral took place from her late residence at Arthur on Tuesday, Sept. 13th, at 2 p.m., and was largely attended.

The anniversary services of St. Andrew's Church will be held on October 9th, and the anniversary preacher will be Rev. S. Burnside Russell, of Erskine Church, Hamilton, who will return to meet his many friends in this church of which he was minister in 1903.

A MILLION AT SUNDAY SCHOOL

In all probability Sunday September 25th, will see the largest Sunday School attendance there has ever been in Canada. Plans and propaganda have been under way for some months with a view to making Rally Day, which falls on this date, not only an inaugural day for the beginning of the season's work, but also a real big day in all Canadian Sunday Schools. A program, including a special service for the day, has been prepared by a joint committee of the Sunday School Boards of the Baptist, Congregational, Methodist and Presbyterian churches, and one million copies of this have been distributed to Canadian Sunday Schools of these denominations. If present prospects are in any way realized there should be well over a million babies, boys and girls and grownups in the various Canadian Sunday Schools on Rally Day.

New Fall Millinery

We cordially invite the Ladies of Orangeville and vicinity to visit our Showrooms on Thursday, Friday and Saturday, September 8, 9 and 10, when the Department will be in perfect readiness for early Fall business. We will have on display a wonderful collection of Trimmed Millinery, which will be well worth seeing—Miss McCannell in charge.

We are sole agents for Monarch Yarns, the most popular and most "woolly" of all Sweater wool.

Fall Underskirts

There is, on display, a very pretty assortment of Fall Skirts. These are in Silk, Jersey, Sateen and Black Moire, a good line of colors and styles.

THE Centre of Supply
F. T. HILL & CO., Ltd
ORANGEVILLE.
For Household AND Personal Wants

Don't have your Fall Dress or Middy made up until you have seen our new Sport Flannel. This is all wool, thoroughly shrunk; in the newest shades and sells at $1.25 per yard.

School Days mean School Clothes. In this we are well prepared to meet your needs—

Boys' Tweed Suits range from $7.90 to $16.00
Boys' Boots from $2.75 to $4.00
Girls' Boots from $2.50 to $4.50
Girls' Gingham Dresses from $1.35 to $3.00
and good weight, ribbed Black Stockings for all, regular values to 35 cents, For 20c. per pair.

Flannelette Blankets and Comforters

Nowhere in the country will you find a bigger range of Flannelette Blankets. We have the regular Blanket in white and grey, with blue or pink stripes. Also a big assortment of beautifully soft colored Plaid, and a good line of Comforters.

New Fall and Winter Coats

The latest models in the newest shades. These come in Duvetyne, Velour, Blanket Cloth, and Beaverette. The choice is generous, the styles are new and smart, and the prices are based on the recent reductions.

WOODBRIDGE WON

Woodbridge Juniors proved too clever for the Brampton Juniors in the O. A. L. A. play-off staged on Idylwyld Park last Wednesday afternoon. The teams played fast lacrosse and looked to be very evenly matched in the opening period, which ended with the score standing 1-1. Excelsiors scored first. Worthy doing the trick. Dobson tied it up for Woodbridge a little later. In the second period the Brampton defence went ballooning and when they came back to earth again the West York boys had annexed no less than six tallies, enough to make the game reasonably safe. Stokes got three of the counters and Bridger, McKittrick and Shannon one each. Both teams were right down to business in the third quarter and the spectators were treated to some keen and closely contested lacrosse. Neither team was able to score, both defences playing an airtight game. Woodbridge pressed hard in the opening stages of the fourth and Bridger and McClarty increased their lead by two. Excelsiors seemed to get a new lease of life and after some clever work Worthy bulged the nets for their second counter. Then Bovaird got into the limelight by tallying two in succession. Dobson scored for Woodbridge shortly before time was called. When the bell rang at the close of the final spasm the lads from Wallace town were winners by 10 to 4. The game was clean and devoid of ill-feeling between the players. The winners suffered only three penalties, whil Bull and Bovaird were the only Brampton players who were shooed to the fence. The teams were:—

Brampton—Burry, goal; Bovaird, point; Bull, cover; Henderson and Burton, defence; Harrison, centre; Kindall and Benham, home; Worthy, outside; Core, inside; Jennings and Nixon, spares.

Woodbridge—Hugill, goal; McInnis, point; Rowntree, cover; McKittrick and Huston, defence; Shannon, centre; Bridger and Dobson, home; Stokes, outside; McClarty, inside; Armstrong and Hugill, spares.

PLANT SCORCHED

Brampton Visited by a Bad Fire on Saturday afternoon.

The southwestern factory section of the town of Brampton was visited by fire on Saturday afternoon, when the plant of the Gummed Paper Company was badly damaged by one of the worst conflagrations of years. The plant is a three-storey one, and the fire is supposed to have originated through spontaneous combustion in the end, in which the gums are kept. Work ceased in the plant at noon, and at one o'clock, when the foreman was passing the factory he saw that the entire lower floor was in a blaze, and gave the alarm. The firemen responded very promptly. The wind blew very hard during the fire, but fortunately was away from the other factories, and the roof of the nearest, the Messerry Batteries, Limited, was kept wet by the firemen.

E. R. Colbert, manager of the company, was unable to estimate his loss, or to what extent the company is insured. Much of the machinery is injured by the fire, while the southeastern part was deluged with water. The value of the plant, which was erected in 1919, and which one of the town's best assets, estimated at between $60,000 $90,000. Between twenty and thi people are temporarily out of ployment, but Mr. Colbert expe that at a meeting of stockholders be held immediately, the decis will be for immediate re-establi ment of the plant.

ON U. F. O. EXECUTIVE

Mr. J. M. McNaughton has b appointed to the Provincial Exec tive of the United Farmers of O tario. Mr. McNaughton succeeds A. G. Farrow, of Oakville, who signed from the Executive a sh time ago to accept the appointm of Director of Rural Credits. Farrow's appointment was made the Drury Government.

OBTAIN'D ART CERTIFICAT

Miss Hunter, of the Orangevil Public School staff, attended Summer Course for Teachers in T ronto, and was successful in obta ing her Elementary Certificate Art. Miss Hunter also had the h our of having one of her pieces work retained for the walls of t Art School.

CALEDON'S CENTENARY

One Hundred Years Ago George Bell and William Stubbs Settled Where Caledon Village Now Stands.

The meeting of the residents of the Caledon district last week, to talk over the possibility of harnessing Niagara's power to light the villages and the upper part of the township, brought to light the almost forgotten fact that the village is celebrating its centenary this year.

Just one hundred years ago, Geo. Bell and William Stubbs came onto the land on which the village of Caledon is now situated, and later the former became the first postmaster of the district. Around his home, in which also housed the district post office, grew the settlement which is now known as the village of Caledon. The history of the settlement of the lower part of the township, which was interwoven with the later settlement and growth of the village is a page in the history of the early days of Ontario, filled to overflowing with adventure and romance.

In 1820, a vessel called the "Young Norval" set sail from Greenock for Canada. On board she carried seventy-five people, all of whom were related. The patriarch of the voyage was John McDonad, and very closely related to him were William Kirkwood and his wife, the latter being the daughter of this doughty Scotchman. The Kirkwoods brought eight young children into the wilderness of the Canadian bush. Others in the party were McLaughlans, Reids, McLeods, Patullos, one of whom was the grandfather of Dr. Patullo, who practised for many years in Brampton, and a bachelor, John Crichton.

This party was six weeks in crossing the Atlantic, and still another six weeks in reaching Toronto, after landing at Quebec. Part of the interminable trip was made by means of the flat-bottomed boats called "Durhams."

Arriving in Toronto, the party was fortunate enough to find the government offices open. The authorities in charge of the government lands were not to be interviewed every day in the week. But on this occasion, fortune was with the strangers.

Arrived at the government offices in Little York, a map was placed before them. They had heard of Caledon, and from the map of three or four townships spread out for their inspection, they set a finger on the tract of land that offered an opportunity for the entire party to locate together.

This was the southwest corner of Caledon. And fifty of the party went, after several months in the village of muddy York. Such a wilderness as they were entering was beyond penetration by even the hardiest of Scotch pioneers. A half-breed Indian guide was secured, who was told to lead the party into the thick bush. And so the first settlement of the district between Belfountain and Caledon came into existence.

Can you picture the scene in your minds, dwellers in the fertile, smiling Caledon of to-day? On every side, bush too thick for the eye to penetrate. A stillness, awesome in its intensity. The sound of unknown things in the bush. Eyes that gleamed through the darkness. Loneliness unspeakable. No shelter but the rapidly raised log huts. No companionship but that of the members of the little party. An isolation stupendous.

But the government offered a grant of fifty acres of land free, and another fifty acres right beside it for a song. That hundred acres looked like a mighty heritage to the people who had come so far across the seas. They settled along the fourth, fifth and sixth lines of Caledon. They measured from each concession in to the dividing line between the hundred acres, and built their homes as close as might be for company. Then they settled down to the work of wrestling a livelihood from the soil. Men and women toiled unceasingly by week, by month and by year. Their lives were four-square. Religion, law, education and society and its claims were recognized in a wonderful way by this people of granite character. To-day, there are few parts of Ontario, nay of Canada, without some fragrance of the influence sown and propagated in that village clearing made in Caledon one hundred years ago.

But the little clearing was developing. More children were born. David Kirkwood, of Brampton, one of the fourteen children born to William Kirkwood, and his wife, first saw the light of day on the homestead, lot 2, concession 6, west, Centre Road, ninety-two years ago in May. One evening this week, he entertained the Conservator with the story of the early life of his forbears in Canada, the hardships endured, the victorious struggles carried on against Nature, and the wonderful place Caldeon's people have achieved by reason of these very hardships and struggles.

The little settlement had been augmented by the arrival of a number of United Empire Loyalists, who were spoken of by the Scotch settlers as "Canadians." Among these arrivals were the Nunns, the Bakers and the Franks. In connection with the latter family, the government offered a grant of a thousand acres of land to any man starting a grist mill. Mr. Frank took up the offer, and one of the three grist mills was started in the neighborhood of Belfountain. At one time, the village that is noted to-day only for its beautiful scenery, had not only a grist mill, but a woollen mill and a tannery. Tradition says that a very fine brand of a beverage now known by name only, was manufactured there.

The Loyalists had brought sheep with them, and the Scotch settlers took some of the sheep to raise "on shares," thus providing themselves with wool and meat. Mr. Kirkwood tells of his mother carding the wool, which she spun on a small wheel. The Loyalists were exceedingly capable people, and one of the Nunns tanned his own leather, and made the shoes for his family.

Flour for the settlement was brought at first from Streetsville to Stewartown, near Georgetown. From that village the settlers had to carry the flour home on their backs to Caledon. Once a business journey was made down to Dixie. The return journey took two days, and the home of Mrs. Stafford, mother of Mrs. Eli Crawford, was a welcome stopping place on the return journey.

With true Scotch spirit, the settlers turned their attention to securing education for the children, and a Scotchman by the name of George Walker kept the first school on the McLachlan farm. This building was school, church, community and council hall. John Crichton conducted the business of the little community, for he was a well-educated man. He could draw up the papers for the farmers in transfers of land. He could explain the law to them. Great deference was paid to his opinion, and he seems to have been a man of parts, preaching, teaching, conducting the Sunday School and leading the various activities of the busy settlement.

Gilbert Rowan was another who took up the duties of schoolmaster, but he taught the children in his own home. He had an understanding with George Bell as to a division of the postmaster's duties, and kept the books and wrote the forms for the letter.

Postage was paid in those days by mileage, or so much for every mile the letter was carried to the recipient. The letters for the settlement were carried down from the village of Caledon, the amount due made up, and honorably returned with the letters going out from the settlement.

Every year saw the settlement and the village striding along in the wake of progress. Came the first church in the neighborhood, a log church on the fourth line, on lot three, the McLachlan homestead. Here Thomas Dixon, a student, ministered to the people, and it will be interesting to the older people to recall that Mr. Dixon was a student at the same time as the father of Donald J. McKinnon, Peel's first school inspector.

In 1831, Rev. Duncan McMillan came as the first settled minister into the district. The log church on the McLachlan farm became afterwards, "Whitechurch," the name by which it is called to-day. By the bye came the late Rev. Alexander McFaul, who was the superintendent of education in Peel County fifty years ago.

In 1850, the government offered grants for libraries, and the Scotch settlers who loved books and education were quick to seize this opportunity. The nucleus of the library was purchased. For many years it was housed in farm houses. Later it was transferred to the township hall in the village.

The little colony from the land of the heather had been settled for seven years before death visited the hardy pioneers. Then it was through the very work entailed in the pioneer's work that the first life was forfeited.

Alexander Patullo was chopping wood in the bush one day. There was an accident. A mangled, crushed and bleeding form was carried home by willing hands, to the clearing where the Patullo home had been set up with such hope and faith and prayer. A Dutchman, or it may have been a German, with rude skill in the setting of bones, came to do do what he could, but a few days later, he died, on the farm he had wrested from the leafy fastnesses of the forest. Alexander Patullo's friends and neighbors laid him to rest, the first of the little band to rest from the terrible toil of living in the new Canada.

Romance as well as tragedy traced its paragraphs on this history in the making. John Crichton, the man to whom the whole community looked up, had received an arrow from the little blind god as he crossed the ocean with little Margaret Kirkwood. One day in the clearing there was a simple wedding, and the hands of the young couple were joined by Magistrate Scott, father of the late Judge Scott, of Brampton, for brides and groom had to be content to do without the ministerial blessing in the early days of the settlement.

Later, when a young sister of Mrs. Crichton donned bridal array, she had to cross the road into the next district, for the magistrate, Mr. Crooks, of Ancaster, who was to tie the nuptial knot, could not leave his jurisdiction and marry anyone in Caledon. So while he could not come to the bride, she could go to him, which she willingly did, one may be sure, and she and her gallant young bridegroom were made one. The rest of the wedding was carried out on the Peel side of the road, and it is very likely the magistrate regarded no restrictions about partaking of the good fare that formed part of the wedding festivities so many years ago.—Conservator.

WELCOME SOCIAL

Next Monday evening, Sept. 19th, St. Andrew's Y. P. S. will hold a "Welcome To All" Social, to which all young people are invited. The social will give the young people of the church an opportunity to become acquainted with students and other young people who have lately come to town. A special invitation is extended to High School and Business College Students.

BELFOUNTAIN

The many friends of Belfountain and community are glad to have Mr. Currie Pinkney in their midst again after spending about three months in the Homewood Sanitarium in Guelph. We all join in wishing him good health and prosperity in the future.

MARSVILLE

Bethel Church, East Garafraxa, are holding anniversary services on Sunday next, Sept. 18th, at 11 a.m. and 7 p.m. Rev. Prof. R. Davidson, D. D., of Knox College) Toronto, will be the preacher of the day, and all former members will be welcomed back again. A special anniversary offering will be given, and the people of the church are looking forward to a happy and helpful day. The minister, Rev. F. C. Harper, B. D., will be in charge of the services. Visitors will be cordially welcomed.

FARM SALE

Mr. Walter Murdock, of the 5th line, east, Caledon, has sold his one hundred acre farm, lot 7, in the 6th concession, to Mr. John Bracken, of the same line. The price paid is in the neighborhood of $4,000. Mr. Murdock purposes taking a trip West in the spring.

OLD BOYS MEET

Former Dufferinites Now Living in Winnipeg Hold Annual Reunion on Labor Day.

The fourteenth annual reunion of the Dufferin County Old Boys living in Manitoba was a big success, and although rain threatened all day and carried out its threat at 5.30, over 200 were present and spent a most enjoyable day.

Tables were spread in the big pavilion and no time was lost on account of the rain. Huge platters heaped with corn, provided by Jim Braden, and cooked under his personal supervision, were distributed at frequent intervals and served to keep every one busy while the Committee, consisting of Mrs. J. H. Braden, Mrs. J. T. Fisher, Mrs. H. W. Watson and Mrs. C. H. Lee, got the numerous pies, salads, sandwiches, etc., started on their way.

Owing to Monday being Labor Day many members of the Association were absent either at the beaches, the coast, or were visiting in the east. However, those present were in an extremely sociable mood and neither expected nor waited for formal introductions.

Besides the former Dufferinites there were present many from the neighboring counties of Peel, Grey and Wellington, like W. H. McClure, of Peel; H. N. Modeland, W. H. Drinkwater, C. G. McKeag and E. Dawson, who had the good sense to come over into Dufferin for their better halves. There were present several fine looking ladies from outside the County, who evidently saw something worth while in the men from Dufferin, and they entered into the celebration with a will which led to them being accepted as regular members of the Clan.

Speechmaking is always frowned on at the midsummer gathering, which is essentially for the children, of whom there seems to be a goodly number. Among the winners in the various sports competitions your correspondent noticed many names still familiar in Dufferin, such as Barber, Hamilton, Watson, Menary, Modeland, Mercer, Davies, Lee, McNabb and Dawson.

NOTES

The tug-of-war was won by H. N. Modeland's team, all members of which formerly lived south of the townline.

Drs. F. W. L. Hamilton and D. G. McCarten, who used to figure on Orangeville High School football teams, are now too portly to make a good showing in the 100 yard dash.

H. N. Modeland made an ideal anchor for the tug-of-war team from the south.

Prof. S. C. Lee, of the Agriculture College, does not like to admit that Lew Hamilton, T.G. McCarten, Sam Newton and several others used to be members of his classes in Orangeville, but whether it is because they are rapidly adding grey to their upholstering or because they do not reflect much credit on their earlier schoolmaster, we are at a loss to say.

Jennie Willoughby (now Mrs. S. C. P. Collier), has a greater fund of O. H. S. reminiscences than any other former O. H. S. member. Like all other Dufferinites she thinks Collier Junior the cutest two year old at the picnic and we are not sure but that she is right. Your correspondent does not happen to have a hopeful of that age.

We are sorry to report that Orangeville does not take its proper place at these Dufferin Old Boy functions. Every time one turns round he meets some one from Shelburne.

W. J. Auger and J. Stone are in the West over 30 years, but they still have fond memories of their boyhood days in Dufferin. Perhaps it's because they live at Carman which is located in the municipality of Dufferin.

Bob Neely, formerly of Shelburne wanted to bring the old Countess of Dufferin engine, the first to cross the Red River, up from the station to the Park and run races with it. The opinion of the calmer members of the Association prevailed and the engine remained where it has rested for over 20 years.

A committee was appointed to confiscate George Sproule's golf sticks every time the Dufferin Old boys celebrate.

Rev. Hugh Crozier was absent from the meeting and a lot of old boys threaten to deny themselves the pleasure of going to church for three Sundays. As a matter of fact although the Association numbers among its members ten preachers, they were all absent and the President was almost in a state of collapse over getting grace said, until one of the ladies told him that at all high class functions like this grace was always sung and he naturally took the hint.

Here are some things the Dufferin Old Boys want to know:—

Have we any more members of Parliament than the following: John Best, R. H. Halbert, T. K. Slack, in Ontario; Dr. Geo. Clingan and Ed. August in Manitoba; Hon. J. A. Maharg and Harris Turner in Saskatchewan, and D. Galbraith in Alberta?

Where are the following former High School students: Fred and Jack Atkinson, Hector McPherson, Jack Dodds, Jack Moote, George Anderson, Archie McQuarrie, Stanley Brown, Jimmie Gillespie, Art Shannon, John McEachern, Ernie Shaver, Herb Parsons, Jack Blair, Dan Sweeney, Pat McCue, John and Wilbert Macdonald, Archie Leitch and Art Fowlie? No one here seemed to know and we hope they are not so engrossed in their chosen life work that they have not time to send an occasional item to the home paper so that we may all know where they are in case we happen to be strapped in their part of the country. They were all very liberal in the old days and maybe they are yet.

For their benefit we might mention that when in the West the Dufferin County Old Boys' Association has the latch string on the outside and a cordial invitation is extended to them as well as to any other former or present resident of Dufferin to pull the string.

The Executive of the Winnipeg Association is as follows:—Hon. President, J. J. Rooney, 238 Ruby St.; President, S. T. Newton, 212 Maryland St.; Vice-Pres., H. W. Watson, 205 Walnut St.; Sec.-Treas., C. E. Graham, 982 Dorchester St.

HOCKLEY

friends in Toronto.

M. Earl Wilson, Mr. J. Reid and daughter motored to Toronto for the Exhibition last week and have returned safely.

Mr. Parker and Mr. McArthur arrived home safely on Wednesday night from the Exhibition.

A number of the Hockley young people attended a dance at Mr. Lee's at Connor on Friday night and spent an enjoyable evening.

Mr. M. J. Vary spent a few days at the Exhibition last week.

Mr. and Mrs. Lindsay Irwin are spending the week-end in Toronto.

We are glad to see Dunning and Clarence home again.

What we would like to know:—

Why is it that the Overland can beat the Chevrolet climbing the Nottawa hill?

How Charlie enjoyed the Exhibition?

Who is lonesome since Harold went away?

Who did Stanley bring home from Orangeville on Saturday night?

We wonder if Angus will meet the train on Friday?

We wonder which school Herman will attend?

We wonder why Jack left Hockley so early Friday night?

Who is Joe's chauffeur?

(Intended for last week)

Miss G. McCallum is visiting Mrs. Wilson Irwin, of Adjala.

Mr. T. Wilson, nephew of Dr. J. A. Hackett, has returned to his home in Brampton.

Jack McArthur and Ted Parker spent the week-end in Toronto seeing the sights.

Mr. A. J. Beatty and son, Jack, have returned home to Hamilton after spending a holiday with the former's mother.

Miss Jean Growdon has returned to her school in Hockley and is staying with Mrs. Alex. Beatty.

Mrs. L. Robbins is spending the week-end with Mrs. Galbraith.

Mrs. Robt. Moffatt has gone to Toronto for medical treatment.

Mr. Neil McQuarrie is doing a rushing business. We wish him success in getting a new clerk.

Mr. Dunning Irwin is getting along successfully. The ice-cream parlor is quite an addition, Dunning.

Mr. and Mrs. S. Irwin and daughter motored to Toronto to take in the Exhibition.

What we would like to know:—

What was Joe Varey doing when he broke the buggy shafts?

Will Stanley forget and forgive?

Will the car make the grade, Joe?

Does Jack ever climb the gulley hill?

Is M. J. going to serve hot drinks this year?

Where was Earl on Thursday night?

J. D. TORRIE

THE CLOTHING MAN

SUITS
for School Wear and for Play

Rough and tumble youngsters must have strong, substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are minding their boys' school is

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,
THE CLOTHING MAN, ORANGEVILLE.

BLOUNT

The regular monthly meeting of the Blount Women's Institute was held at the home of Mrs. John Henry on Wednesday, Sept. 7th, and was well attended. The program included an exchange of recipes for pickles and a darning contest. The winners of the prizes were Mrs. Harry Babe, first prize, and Mrs. W. J. Dodds, second prize. The roll call was answered by a joke. A dainty luncheon was served and the meeting was brought to a close by Rev. J. A. Matheson leading in the repeating of the Lord's Prayer in unison.

—Pay your out-of-town accounts Five Dollars costs three cents.

—A Grand Open Air Entertainment will be given at the Orangeville Show Fair on the afternoon of September 16th. This will be something special, don't miss it.

CHEVROLET

For Economical Transportation

THE more a man knows about automobiles, the more experience he himself has had with them, the more critical he is apt to be of their essential features.

To satisfy this class of motorists is the chief motive of Chevrolet construction and equipment.

It is to this element therefore that the convenience of operation, accessibility and equipment, the dependability and economy of the Chrevolet makes its greatest appeal.

A WONDERFUL WORLD

A little more praise and a little less blame,
A little more virtue, a little less shame,
A little more thought for the other man's rights,
A little less self in our chase for delights,
A little more loving, a little less hate,
Are all that are needed to make this world great.

A little more boosting, a little less jeering,
A little more trusting, a little less fearing,
A little more patience in trouble and pain,
A little less willing at times to complain,
A little more kindness worked into the strife,
Are all that are needed to glorify life.

A little more honor, a little less greed,
A little more service, a little less creed,
A little more courage when pathways are rough,
A little more action, a little less bluff,
A little more kindness by you and by me,
And, oh, what a wonderful world it would be.

PERMANENCE~

is a greater condition than Passing Beauty

THERE are many old homes even to-day in excellent preservation, and if the old walls could only speak they could disclose the conversations of three generations. To paint for the sake of decoration alone is a short-sighted policy and entirely misses the bigger, broader purpose—that of protection.

For durability as well as for pleasing effect always insist on the paint with a reputation for permanence.

B-H "ENGLISH" PAINT

100% Pure White Lead (Lead and Zinc)
50% Pure White Lead
100% Pure Paint

Canadians for three generations have proved that B-H "English" Paint goes further, gives a greater brilliance and protects for a longer period of years than other paints.

It is true economy then to use B-H "English" Paint—as gallon for gallon it is the most economical paint on the market to-day.

FAULT-FINDING

Everybody knows that it is an easy matter to find fault with things and with persons. But to remedy the defects pointed out is quite another matter. When a child or an adult makes a mistake, it is very easy to laugh at him, or to make some sharp, cutting remark on the short-coming; but wisely, tenderly, to correct him requires no little skill and grace. The good to be aimed at, we believe, is to impress clearly and distinctly on the mind of the shortcomer why the thing is wrong and the extent of the error, without leaving any unkind or harsh feeling to rankle in his heart.

How heartily and sincerely we love those who, with patience and love, point out to us the better way. We may not at the time appreciate the extent of their kindness; but the loving word and kind action warm our heart at once, and make good ground for corrections to grow on. We know of a young girl who, like all young people, has had many things to learn. She was a sincere Christian, and heartily desired to do everything in the best way possible. She had an elderly lady friend who felt called upon to criticise severely and comment on every little action of bad form, on her ignorance, and her idiosyncrasies. The young girl loved her elderly friend dearly, and was very anxious to improve. So she received all her criticism with meekness; but the constant drawing of her attention to mere trifling mistakes, that time and observation would have corrected, made her so conscious of her errors that she lost all ease of manner; and though years have passed, the memory of those cutting comments still give pain and embarrassment.

A child that is constantly being nagged and snapped at, or laughed at, loses courage and confidence even to try. It is well worth probing a wound, not to make it any larger than need be, and not to lop off the whole member by way of cure. Knowledge of an error is the first step toward remedying it. Patient persevering endeavour to change the habit of the mind that leads to indulgence in error, is necessary. Plants do not attain their full growth and maturity in a single day. The best way to correct a person is to build up and encourage his love for the perfect, the noble, and the true. Then all the rest will follow in time. Another good way of helping others to overcome their faults is to talk to God about them a great deal more than to the persons themselves. This method never fails of bearing good fruit.

THE PROVINCIAL HIGHWAY

Since the Toronto and Sydenham Road has been taken over as a Provincial Highway, great improvements have been made on it. From Shelburne Cemetery to Dundalk corner (Mayburne), formerly a nightmare for any kind of traffic, is now quite a respectable road with the exception of a mile or so. And from Dundalk corner to Owen Sound is quite a good road, especially from Markdale north.

Of the road into Shelburne from the cemetery, perhaps the least said the better.

East of Shelburne to Primrose, the road has been put in good shape and soon the dangerous corner at Hall's Corners will be done away with, work being well under way at carrying the road on a slight curve from the corner at the junction of the east and west townline and the Melancthon-Mulmur townline to the top of the hill between the old Gabriel and Hall farms.

From Primrose south on the Prince of Wales Road to the Elba hill is now in respectable shape.

From Elba to Orangeville has been, for some years, another nightmare, but extensive work is this summer under way on this stretch. Several cement culverts have already been put in, and the road is being widened and put in shape for a real top dressing. The preliminary grading has been pretty well completed from Orangeville to near Camilla, a steam shovel being used to cut down the grade in some sections. Most of this work is being done by Italians, the contract having been taken by an Italian company.

Next year should see a decent road from Toronto to Owen Sound. It will not be by any means another Hamilton Highway, but nobody is especially anxious for anything as costly as that kind of a road would be.—Economist.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

33

years ago an ulcer appeared on my ankle," writes Mrs. Jeffrey, of Methuen, Mass. "In spite of all the remedies I used, it spread to my knee, and developed into an open sore. I had medical treatment for twenty-five years, but only got temporary relief. The pain I suffered was terrible, and for years I was unable to leave the house.

"One day I saw in a newspaper an account of a bad ulcer having been cured by Zam-Buk. Although I was skeptical, now, of anything curing me—having tried so many remedies in vain—I decided to give Zam-Buk a trial. I applied the balm freely every day and to my delight the sore soon showed some improvement. Gradually the inflammation was drawn out, the pain was ended, and, after thirty years of suffering, I realized I was on the road to recovery. With perseverance, the awful sore was finally completely healed, and, although that was three years ago, there has not been the slightest trace of the ulcer returning."

Zam-Buk is the best remedy, also, for eczema, boils, pimples, blood-poisoning, piles, burns, scalds and cuts. All dealers, or Zam-Buk Co., Toronto, 50c. box, 3 for $1.25.

Cardwell Junction Brick Plant May Be Moved Nearer City.

From time to time paragraphs have appeared in the county papers in reference to the brickyards at Cardwell Junction. The last news that was given out was to the effect that the yards were to be finally closed.

This week an interesting story in connection with the Cardwell yards developed.

The business was formerly owned by the Boultby Lime and Brick Co., and about three years ago passed into the possession of R. C. Buster.

During Mr. Buster's ownership of the plant, the taxes have been allowed to go uncollected, and at the present time amount to $750.

After discussion with Clerk Willis, the county treasurer, Robert Crawford, went to Cardwell Junction and looked the plant over. He found one of the finest and most up-to-date plants in the country, and in addition an accumulation of 200,000 of splendid white brick.

The brick is of a quality used for inside work and trim, and there is difficulty in getting it on the market from where it has been manufactured. Mr. Buster is contemplating the removal of his plant nearer the city, where he can find a ready market, and carrying the raw material by freight, a much cheaper process than reighting the bricks to market.

Mr. Buster communicated with the treasurer by phone and assured him that the back taxes will be paid promptly as soon as the harrassed brick maker can get his business into shape.—Conservator.

SITE OF OLD VILLAGE

Where Flint Implements, Beautifully Carved, Were Manufactured.

The site of a prehistoric village, which was evidently the manufacturing centre at some remotely distant age, of flint instruments for district natives, has been unearthed by James McLaren, former city treasurer of Fort William, while farming on the banks of the Kaministiqua. Valuable relics brought to light were presented to the city. Steps will immediately be taken to notify the Dominion archaeologists of the find, so that further investigations may follow. Eighteen flint arrowheads are included, some of them beautifully decorated and carved. That copper was in use by these ancient people is shown by one arrowhead said to be tempered metal. Examples of pottery pieces dug from this hilltop farm are of dark brown clay, unglazed, on which the idea of ornamentation is easily observed. Another curio is what Mr. McLaren believes to be a fire-stone, made of black stone, with a small round hole drilled in it, which is supposed to have been utilised to hold one end of the revolving stick with which the mound builders made fire by friction. Mr. McLaren says that on his farm is a vein from which the flint from which the arrow heads and spearheads were made was mined, and from the occurrence of flint chips in great quantities here and there in certain spots on the farm, he believes that this was the site of a prehistoric village, and that it was probably the manufacturing centre for flint instruments for a large territory.

CONSIDERING HOSPITAL

Sixty-two people attended the district meeting held in the town hall, Shelburne, Tuesday night, to consider the question of a Soldiers' memorial for the district. The Committee appointed some time ago reported in favor of a memorial hospital. The hospital advocates claimed $20,000 above the amount already on hand would be ample to meet the cost of their scheme and expressed the opinion that it would be easy to raise the money. After much discussion, and after the attendance had dwindled down to forty-nine, the meeting decided, by a vote of 32 to 17:

"That the district interested, be organized and canvassed, and if $20,000 at least in voluntary scubscriptions can be secured, the memorial take the form of a memorial hospital, Nov. 15th being the limit of time for the completion of said canvass."

In case the canvass fails in its objective, the memorial is to take the form of some sort of monument.

All subscriptions made will have to be in the form of notes.—Economist.

HOME AGAIN

Description of Final Stages of Weekly Newspaper Association's June Excursion.

Sightseeing in Regina and in Fast Growing Twin Cities.

Though only a few hours were permitted for Regina, the citizens made good use of the time and helped the newspapermen to carry away very favorable impressions of the city. Regina gave us the first hot weather we had run into on the trip. A citizen remarked that the city was hottest in summer and coldest in winter. There was no doubt as to the warmth on the day of our visit. At the station the visitors were met by the Mayor and Council and awaiting was a fine fleet of motor cars manned by members of the Rotary and Kiwanis Clubs under whose kind guidance we were soon speeding through the fine streets of this lively city. There are many attractive residential streets, brightened in a number of places by pretty boulevards down the middle. When it is remembered that Regina was built on what, not so many years since, was bald prairie, it is surprising to find already so many beautiful trees.

On the drive the first place to be visited was the parliament buildings. These were completed in 1911 at a cost of $2,000,000. In marked contrast to the condition of affairs at the building of Manitoba's capitol, it is said that no accounts in connection with the Regina buildings were ever questioned. This governmental pile is a very handsome one, the main portions being of Tindall stone. The spacious entrance lobby is surrounded by pillars of green Grecian marble; the walls are of Italian marble and the floors of American marble. Though not large, the legislative chamber is decorated and furnished in excellent taste. One of the most interesting spots in the buildings is the library, a fine large room flooded with light. In it we were shown the table used at the signing of the Act of Confederation in 1867—this table having been shipped out West as part of the territorial government's equipment.

A Magnificent Memorial

If Saskatchewan carries out its plans for a war memorial, it will have something surpassing anything of its kind in Canada. As shown by the model of the building, which is to be erected near the parliament buildings,it will be marked by dignity, strength and beauty,in every way fitting for its purpose. The building alone is to cost $800,000. In this is to be placed a complete story of the province's part in the war, including a brief record of each of the 46,000 men who enlisted, the particulars for each man to be set out on individual bronze plaques. It will indeed be a splendid and appropriate recognition of the part played by her sons in the late world conflict.

Another interesting place visited was the headquarters of the Royal Northwest Mounted Police, who worked such wonders in maintaining the law in the early and more troublous days and to-day are still a wholesome terror to the evil doers in the great expanses from the American border to beyond the Arctic Circle.

Regina has a population of 47,000 and is still growing. More building operations were seen in Regina than in any other place visited. The city is surrounded by a very fertile country. It has many wholesale houses and is the distributing point for a large area.

After the drive the press folk were entertained at Luncheon by the Board of Trade and the Leader Publishing Co. Mr. Hook, President of the Leader, presided and extended a welcome on behalf of the city press; Ald. England on behalf of the city, and Hon. S. J. Latta on behalf of the Government. The thanks of the visitors were expressed by **Roy Carmichael**, of the Verdun **Echo**, **and J.** G. Keefer, of the Norwood Register, as well as by Vice-President Brennan.

President Beatty's Good Wishes

During the luncheon Acting President Davies read the following wire which he had received from President Beatty of the Canadian Pacific Railway:

"Will you please convey to all the members of the Canadian Weekly Newspapers Assaciation the pleasure of the Canadian Pacific in having them as its guests. A visit to other scenes, such as your journey to the prairies, the Pacific Coast, and the Rocky Mountains, cannot but be beneficial to yourselves and those you visit, for there is nothing more needed in a big and diversified country like Canada than an interchange of opinion between all its parts. The weekly newspaper is one of the most potent forces in building up a successful community and it can best achieve that end by educating its readers in their responsibility to the wider Canada beyond the town limits. I trust that the remainder of your trip will be as successful as the first part of your journey."

We were warmly greeted by a number of old friends, amongst whom were Mr. John T. Lawson and family, Miss M. A. Galbraith and Mr. Alf. Glover. Mr. Lawson, who was in the boot and shoe business in Orangeville before going West, has one of the largest boot and shoe stores in the city. His sons, Robert and Stewart, are associated with him in the business, which had a turnover of $80,000 in 1920.

Winnipeg Again

Leaving Saskatchewan's capital at one o'clock, the afternoon's run was through much beautiful farming country, both houses and barns giving evidence of prosperity—India Head, Qintaluta, Broadview, Moosomin, and then passing into Manitoba, Brandon and Portage La Prairie were among the places passed. No stop more than a few minutes was made until reaching Winnipeg at 12.30 a.m. About 20 members of the male chorus, led by Max Cormier of Le Madawaska, Edmunston, N. B., made the fine C. P. R. station recho with the strains of "Alouette" and passing out paraded as far as the corner of Portage Avenue enlivening the midnight hour with various college and popular songs.

During the night, Kenora and the popular summer resorts on the Lake of the Woods had been left far behind and the morning found us running through wild broken country reaching well down to Fort William, which was reached at 2 p.m.

The train was met by civic officials, local newspapermen and members of the Twin Cities Motor Club, who gave the visitors a drive about the business and residential sections of Fort William and then across to Port Arthur and around a very pretty lake formed by the damming of Current River to make power for a pulp industry. Among those who met the excursionists at the depot was Mr. A. E. Annis, who drove The Banner representative about the city in his car. Our former townsman, who is looking the picture of good health, is interested in a syndicate which is engaged drilling for oil. We also met Mr. and Mrs. T. F. Milne, former residents of Orangeville. Mr. Milne is now city clerk of Port Arthur. Mrs. Milne will be very well remembered as Miss Ethel Thompson before marriage. We had a hearty greeting from Messrs. J. R. and W. H. Gillespie, former Orangeville men and now leading druggists in Fort William.

The Twin Cities

Port Arthur has a population of 15,000 and Fort William about 19,000. In years past there has been keen competition between the two cities but they are growing more together both physically and otherwise. They will doubtless form one great city some day.

These two cities occupy a commanding position at the head of the Great Lakes. They, together, form the gigantic spout through which there pours each year the golden flood of grain from the vast agricultural areas of the Prairie Provinces, while as the connecting points between the navigation of the Great Lakes and the rail systems of the West their importance in the transportation life of the country is paramount.

The Twin Cities have a spacious outlook. On the opposite side of the bay rises the bold rocky promontory of Thunder Cape, beyond which lies Silver Islet. Here, years ago, silver was mined in large quantities, though operations were finally stopped by an influx of water. Overlooking the harbor is Pie Island, a mountain of columnar basalt, with Mount Mackay towering to the west.

Thirty Elevators

Naturally one of the most interesting features of the Twin Cities are the facilities provided for the transhipment of grain from cars to ships, and this is effected by means of immense elevators. Fronting on the shore of Lake Superior and the Kaministiqua River there are thirty of these elevators, in the main of steel and concrete construction, capable of holding 56,000,000 bushels of grain, while the total quantity passing through them during the season is approximately 370,000,000 bushels. The 56,000,000 bushels which these elevators are able to hold at the one and same time would fill 37,333 railway cars of 1,500 bushels capacity each, or equal to over 746 train loads of fifty cars each. The terminal elevator of the Canadian National Railways at Port Arthur is the largest in the world, having a total capacity of 10,000,000 bushels. This elevator has a truck capacity of thirty cars, and it is estimated that under conditions of emergency 600 cars of wheat could be unloaded in a single day. With cars averaging 1,000 bushels, this feat would mean the elevating,weighing and binning of 600,000 bushels within the twenty-four hours. The grain is conveyed in hoppers, from the cars to the top of the elevators, where it is weighed again and distributed into the bins. Then, when be ng transferred to a lake vessel, it is drawn from the bottom of the bin, again elevated to the top of the building, where it is once more weighed and poured into the shipping bin, whence it is spouted into the hold of the waiting ship through shipping legs. There are five of these shipping legs to each of the two working houses, each leg having a capacity of from 9,000 to 10,000 bushels an hour. Under ideal conditions, 100,000 bushels an hour could, therefore. be unloaded.

There are 36 miles of deep-water frontage within the harbor limits, within a radius of less than five miles from a central point between the cities, capable of developing over 100 miles of lineage dock frontage. This enormous deep-water frontage can be increased when required by utilizing more extensively the shores of Thunder Bay.

It is claimed that 14,000,000 tons of freight of a value of $500,000,000 have been handled over the docks of Port Arthur and Fort William in one year. In dock appliances the port is wonderfully efficient.

Minerals

In the territory tributary to Port Arthur and Fort William, are areas in which are found gold, silver, copper, iron, molybdenite, pyrites—in fact, a great many of the minerals other than coal, metalis and nonmetallic, used in commerce and industry. These areas are as yet undeveloped, and in many cases hardly as yet explored.

It is a fact not generally known that the territory adjacent to Lake Superior, both in the United States and Canada, is the world's greatest mineral depository. On the northeast, at Sudbury, lies the world's greatest nickel deposits; at Cobalt one of the world's greatest silver camps; in the Porcupine district one of the world's richest gold areas, and in its "Hollinger," the world's richest gold mine; on the south, The Calumet and Heckla, one of the world's richest copper mines; on the west, in Minnesota, the world's richest iron deposits. In the territory adjacent to Port Arthur and Fort William, equal mineral development is possible, the formation of territory being similar, with discoveries of many minerals and large deposits of iron and copper already located.

Fine C. N. R. Hotel

At Port Arthur, also, is located one of the Canadian National Railway's excellent hotels, the Prince Arthur, which stands within a stone's throw of the station and has a splendid outlook over Thunder Bay. It was erected in 1910, and is a six-storey fireproof building of handsome construction. Its appointments vie with the best of those to be found in the leading hostelries of larger and older cities. A magnificent rotunda carried to the full height of two storeys and round the walls of which ostends a series of mural paintings portraying the buiding of the railway into the city, is a prominent feature. At this fine hotel the party were again the guests of the Canadian National Railways, through the thoughtfulness of C. K. Howard, who made a special trip to this point to look after the entertainment of the newspaper friends he had made on the westward journey. He had planned to have dinner, followed by a dance, but owing to lack of time it was decided to combine the two in a dinner dance. This was held in the hall room, the tables being laid at either side and at one end. Between courses, the diners "tripped the light fantastic" to the enlivening music of an orchestra. To most of the guests this event was a novelty and proved very enjoyable.

Another Church Service

Sunday, June 19, we were speeding over the bold, harsh rocky region to the north of Lake Superior, and one couldn't help but be impressed with the wonderful optimism which must have imbued the promoters of the Canadian Pacific in building the road through this barren waste. Only the vision of what lay beyond could have inspired them in the gigantic expenditure necessary to lay this connecting link of trackage.

At White River we stopped nearly an hour. This is a divisional point and is reputed to be the coldest place in Ontario. It failed to live up to its reputation while we were there, for the weather was decidedly warm. We had enjoyed nice cool weather all through our trip with the exception of this Sunday and our day at Regina. That we appreciated the weatherman's kindness those who have travelled in warm weather will fully realize.

Our train stopped again at 11.30 at Missanabie station where Rev. A. H. Moore, now referred to as our chaplain, conducted church service.

We reached Sudbury, the home of the famous "Wolves," just after darkness had fallen, and enjoyed the opportunity of going for a constitutional around the station a few times while the engine was changed and the train made ready for its run to the next divisional point.

The next morning at 7 o'clock we found ourselves at Toronto and we speedily made our way homeward, wonderfully well pleased, educationally feasted, physically refreshed by our three weeks' holiday, with rich reminiscences of the wonderful sights and scenes, grateful for journeying mercies and thankful for renewing the friendship of so many old friends. In our heart, however, amidst it all, we hummed "Home, Sweet Home," and Orangeville held a warmer place than ever in our affections after our absence from the old home town.

In closing a word of sincere appreciation and thanks is due to the officials of the C. P. R., who had charge of our train on the journey eastward and from whom the excursionists received so many kindly courtesies. These officials were:—

A. B. Calder, official representative of the Railway Company, Montreal; H. W. Brodie, General Passenger Agent, Vancouver; C. S. Maharg, superintendent, Vancouver Division; T. C. McNabbe, superintendent Revelstoke to Field; G. J. Fox, superintendent Field to Calgary; J. M. McArthur, superintendent Calgary to Swift Current; W. H. Ruthven, superintendent Swift Current to Moose Jaw; J. H. Chown, superintendent Moose Jaw to Broadview; W. Deacon, Trav. Pass. Agent, Vancouver; E. Officer, Travelling Passenger Agent, Calgary; J. A. Macdonald, District Passenger Agent, Regina; R. Dawson, District Passenger Agent, Brandon; J. W. Dawson, District Passenger Agent, Winnipeg; G. D. Brophy, District Passenger Agent, Banff; R. Armstrong, superintendent Broadview to Brandon; T. R. Fett, superintendent Brandon to Winnipeg; J. J. Horne, superintendent Winnipeg to Fort William; F. W. Fox, editor C. P. R. Press Bureau, Montreal; H. A. Lambkin, Inspector of Dining and Sleeping Cars, C. N. R., Winnipeg.

On a trip of this kind, hurried as it necessarily was, it was impossible to obtain an adequate impression of the territory through which we passed. And yet the limitless possibilities of the 900 miles of fertile land of the prairies, the 600 miles of mountains, stupendous in their magnitude, the stored up energy of the mountain torrents, the food supply of fish in the rivers which intersect the territory, the paradise for hunter and fisherman, and the equable climate of the coast cities, was not lost upon us.

The wide-open hospitality and the spirit of optimism which pervades every part of the west, even while suffering from serious reverses, was brought home to us with striking force. The west still is as it was forty years ago, a young man's country. But with it all, we confess to a feeling of mild exhilaration when the fields and fences of old Ontario were again visible from the car window. "East, West, Home is Best."

DIED AT NORTH BAY

Mr. William Passmore was called to Orillia on Thursday last, Sept. 8, to attend the funeral of his brother, Thomas Passmore, who had died in North Bay on the preceding Tuesday from cancer of the liver. Deceased, who was 57 years of age, is survived by his widow and a family of one son and two daughters. His death is also mourned by five brothers and six sisters. Interment took place in Orillia on Friday afternoon. Deceased had been in the butchering business for quite a number of years.

MRS. HENRY ARNOTT

The death of Mrs. Henry Arnott on Monday afternoon at her home, John street, removes one of the few remaining links between the early pioneer life of the west side and the present. Mrs. Arnott was Miss Letitia Tisdale, daughter of the late Peter and Mrs. Tisdale, of Churchville, and was born on the homestead eighty-five years ago. She married Henry Arnott, son of another pioneer of the neighborhood, sixty-one yes ago, her husband surviving three years after the marriage. Mrs. Arnott remained a widow, residing in the Churchville neighborhood until twelve years ago, when she removed to Brampton. She is survived by one son, John Peter Arnott, of Toronto, manager of the C. P. R. freight offices, Toronto. Another son, Henry, died seven years ago. Her only surviving brother, the late Peter Tisdale, died last July. The funeral took place on Wednesday afternoon from her late residence, the services at the house being conducted by Rev. H. P. Charters. The funeral took place by motor to Streetsville, where interment was made at Trinity Church Cemetery, in the family plot. Mrs. Arnott leaves a great many friends in Brampton, who had a strong admiration for her native qualities and strength of character. Her home was the gathering place for members of an older generation to whom she recalled with pleasure, memories of days gone by, in the early history of the township. "Her life will be her best epitaph." The remains were borne to the grave by the following: H. Conover, J. Elliott, T. Reeve, W. Frazer, A. Chester and H. Benham.—Conservator.

Deceased was an aunt of Mr. Thos. Arnott of this town. Mr. and Mrs. Arnott and Mr. and Mrs. J. D. Thompson attended the funeral, afterwards spending a few days with relatives in the lower part of Peel County.

MRS. EDWARD BOGGS

Profound regret and deep sorrow were felt and expressed by friends in all parts of the community, Sunday, when it was learned that Mrs. E. Boggs had passed away during the early morning hours. Death was sudden and unexpected as she was apparently enjoying exceptionally good health, so much so that it was the subject of comment between herself and Mr. Boggs only a short time previous. Saturday she assisted in the store until closing time, and was in splendid spirits. At two o'clock Sunday morning she and Mr. Boggs were awakened by the storm and the latter got up and closed the window. Two hours later or a few minutes after she passed over to that other shore where all must go when the time comes. Mrs. Boggs, aged 41 years and 15 days, came from Toronto about sixteen years ago and resided with her uncle, W. F. Fitch, for several years, later moving into town, and on the 30th of September, seven years ago, became the wife of Mr. Boggs. She was a consistent Christian worker throughout her life. A member of the Methodist church she took an interest in all departments, especially the Sunday School and the Women's Missionary Society, of which she held the position of Treasurer. She was also a highly esteemed sister of the Rebekah Order. A quiet, kindly, cheerful disposition, endeared her to many friends who will mourn and sympathize with the bereaved husband, her aged father in Toronto, her sister, Mrs. Tralick, Toronto, half sister, Mrs. Jackson, Winnipeg, brothers Bert and Rollie, Toronto, and other relatives.

The funeral will take place from the Methodist Church, Thursday afternoon. Service at 3 o'clock. The remains will be laid to rest in Virden Cemetery.—Virden, Man., Empire-Advance.

Mr. Boggs, the bereaved husband, is an old East Gerry boy and is a brother of Township Clerk L. Boggs, of that township. His brother and sister, Mr. James and Miss Mary Boggs, went West upon receipt of the sad news and are in Virden at the present.

CANADIAN PACIFIC

Alterations in Train Service

The "Trans-Canada Limited" leaving Toronto at 9.00 p.m. daily, will be withdrawn, making last trip September 10th, 1921.

Train No. 41 from Toronto for Guelph Jct., will leave at 5.40 p.m. instead of 4.40 p.m., and train No. 642 from Guelph Jct. for Toronto will leave at 6.40 a.m. instead of 5.40 a.m., effective September 16th.

ST. MARK'S CHURCH

On Sunday next, Sept. 18th, the preacher at both services will be Rev. W. H. Hartley, B. A., rector of St. Paul's Church, Shelburne.

ALLISTON TOURNEY

The following local rinks attended a one day bowling tournament at Alliston on Monday.

Ross Curry, C. Gillespie, J. D. Torrie, C. V. Jeffers.

Russell Morrow, E. H. Sproule, J. D. McMillan, Judge Fisher.

Thos. Wright, Dr. Bowles, R. H. Robinson, W. C. Hopkins.

The Hopkins and Jeffers rinks won second and fourth prizes respectively. First and third prizes went to Barrie. Thirty rinks took part in the Tournament, which is the first the Alliston Club has held. The local players report a fine time.

PRIZES AT NATIONAL

Mr. Arch Greer, of Mansfield, exwarden of the County of Dufferin, was one of the successful exhibitors at the Canadian National Exhibition. Mr. Greer carried off first prizes for the best bushel of oats and the best sheaf of oats. The exhibits have been entered for competition at Ottawa and London Fall Fairs and also at the Guelph Winter Fair. For seven consecutive years Mr. Greer has won the first prize for oats in the Standing Field Crop Competition of the Shelburne Agricultural Society.

WHEN BABY IS ILL

When the baby is ill; when he cries a great deal and no amount of attention or petting makes him happy, Baby's Own Tablets should be given him without delay. The Tablets are a mild but thorough laxative which regulate the bowels and sweeten the stomach and thus drive out constipation and indigestion; break up colds and simple fevers and make teething easy. Concerning them Mrs. Desire Theberge, Trois Pistols, Que., writes: "I am well satisfied with my use of Baby's Own Tablets. I have found them of great benefit to my baby when he was suffering from constipation and I can strongly recommend them to other mothers." The Tablets are sold by all medicine dealers, or by mail, at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

INCREASED FEES

Witnesses attending the criminal and civil courts are now allowed a fee of $1.50 for each attendance instead of 75 cents, and the mileage allowed witnesses has been increased from 13 to 15 cents a mile one way.

Brampton Milling Company

PERSONAL MENTION

Miss Hazel Moffatt visited Toronto friends this week.

Mrs. A. Alley, who has been visiting Mrs. F. Marshall, returned to Toronto last week.

Mrs. Keeling, of Toronto, is the guest, for a few days, of Mrs. Chas. King, Margaret St.

Miss Florence Collier has accepted a position on the teaching staff of one of Belleville's schools.

Miss Aileen Preston left town on Monday for Belleville, where she will attend a private school.

Mr. and Mrs. Herb McCague, of Shelburne, formerly of Mono Centre, were in town last Thursday.

Rev. J. Burkholder, Caledon, is ill with blood poisoning in the wrist, caused by a pimple becoming infected.

Mr. and Mrs. Wilfrid Giles, of Toronto, spent the week-end visiting the latter's parents, Mr. and Mrs. H. A. Duke.

Miss Margaret Marshall returned to Toronto on Monday after a six weeks visit with her mother, Mrs. F. Marshall.

Misses Lillian and Hazel Gray have returned home after a week's vacation with friends at Niagara Falls and Chippawa.

Mr. and Mrs. Allan L. Maxwell are in Ottawa for a week. Mrs. Maxwell is one of the Government Judges at the Ottawa Fall Exhibition.

Mrs. T. Knight and daughter, Oto, left for their home in Medicine Hat after spending a week with their cousin, Mrs. J. E. Bowen, of Farmington.

Mrs. E. Ostrander and little son, of Georgetown, were the guests of the former's brother, Mr. Norman Storey, of Caledon, over the week-end.

—Mr. W. A. Ryall, of Edmonton, writes The Banner that they have wonderful gardens and good crops in and immediately around that city this year.

Mr. and Mrs. Geo. Morewood, of Markdale, spent a recent week-end as the guests of Mr. and Mrs. Geo. Mills, First St., and other friends in town and vicinity.

The Misses Wilda and Edna Stark, of Toronto, are spending two weeks vacation with Miss Amelia Hughson at the Model Farm, East Garafraxa.

Mr. and Mrs. David Trimble and daughter, Clara, and Mr. Robert and Miss Hannah Greason, of Laurel, motored to Niagara recently and spent the week-end visiting with friends.

Mrs. John Greason and son, Ross, left for Regina on Saturday after spending six weeks visiting with Mrs. Greason's parents, Mr. and Mrs. Jas. White, of Whittington, and with relatives at Laurel and vicinity.

Mr. A. D. Rutherford and Miss A. Taylor, of Brampton, spent the holiday with the former's sister, Mrs. Duff, of Dobbinton. Miss Rutherford returned home with the visitors after holidaying with her sister for a month.

Mrs. Field and Miss Nellie Field, West Broadway, were in Brampton on Monday attending the funeral of the former's grandson, the little son of Mr. and Mrs. Cecil Fields, who died in Brampton on Sunday after a short illness from convulsions. The little one was about seven weeks old.

Mr. J. M. Aiken arrived home on Tuesday morning after a visit of three weeks with Dr. and Mrs. Harvey McAdam, of Worcester, Mass. Mr. Aiken motored from Orangeville to Worcester with Dr. McAdam and family, who spent part of the summer at Caledon Lake and is enthusiastic over the scenic beauties of the trip.

"I have taken The Banner since coming to the West," writes Mr. J. G. Sanderson, of Goodwater, Sask., "and would not want to be without it now, as through it we keep in touch with items of interest in the old town. Threshing is in full swing at present and crops are turning out fair in this district. We are enjoying lovely, sunshiny weather."

THE "SOD-BUSTERS"

The "Sod-Busters," otherwise the O. A. C. Concert Company, treated an appreciative audience to some decidedly clever bits of comedy in their performance, "Hello, Ontario" in the Opera House on Friday night. Mr. G. E. Patton, who is a whole show in himself, has gathered together some real talent from among the students of the Guelph seat of learning. The show opened with a song, "College Days," by six young men. It was a song that bubbled over with the College spirit. The artists did well in all their singing and their repertoire of tricks, jokes and comedy was irresistably mirth-provoking. They have a good, clean show, which is deserving of patronage on its own merits, to say nothing about the deserving cause toward which the proceeds are being devoted. The net receipts of the entertainments here and elsewhere are being used to swell the fund for the erection of a Memorial Hall at the O. A. C. in memory of the farm boys of Ontario, who gave their lives for their country in the Great War.

MARRIED.

GEAR-CORBETT—At Mono Mills on Wednesday, August 31st, 1921, by the Rev. D. G. Atkinson, Harry A. Gear, son of Dr. and Mrs. H. Gear, Erin, to Miss Berniece Corbett, daughter of Mr. and Mrs. Ed. Corbett, Orangeville.

DIED.

MEEK—In Mono, on Saturday, Sept. 10th, 1921, Emma A. Meek, aged 77 years.

Private funeral from the residence of Mr. and Mrs. G. E. Island, lot 5, 1st line, east, Mono, to the Forest Lawn Cemetery, on Monday, Sept. 12th, at 2.30 p.m.

MONO MILLS

MRS. DONALD M'QUARRIE

There passed to her eternal rest at the home of her son, Mr. Nevan McQuarrie, near Caledon East about midnight on Friday, September 2nd, Agnes McConnell, relict of the late Donald McQuarrie. Mr. and Mrs. McQuarrie were both early residents in the east of Caledon and the husband, who has been dead for quite a number of years, is still held in affectionate remembrance by his old neighbors and friends. Mrs. McQuarrie was born on lot 6, 4th line, east, Chinguacousy, and came to Caledon at the time of her marriage. She always enjoyed good health until a short time prior to her demise, when she began to fail and gradually grew weaker until the end came. Her passing was quiet and peaceful as befitted the close of a long and useful life. The late Mrs. McQuarrie was a devoted wife, a kind and loving mother and an excellent neighbor, whose memory will be long and warmly cherished by all who knew her well. The funeral was held from her son's home to St. Andrew's cemetery, 4th line, east, Caledon, on Monday afternoon, Sept. 5th, Rev. Mr. Lockhart, of Caledon East, the family pastor, conducting the funeral service. The deceased leaves to mourn her loss a family of three sons and two daughters, namely, Thomas, of Erin; Nevan, of Caledon; Archie, of Scarboro; Mrs. Evans, living in Detroit, and Mary, of Los Angeles.

JAMES COBEAN

Mr. James Cobean, a well-known Toronto man, passed away at the home of his niece, Mrs. Robert Fleming, of Mansfield, quite unexpectedly on Monday night, Sept. 5th. Deceased had been visiting friends hereabouts for a few days. Monday night he was sitting in the house playing the violin, when he complained of a numbness in one of his arms. The discomfort increased and half an hour later he passed away. Mr. Cobean had been troubled with high blood pressure for several years. Deceased, who was unmarried, was a son of the late John and Hannah Cobean and was born on lot 3, con3, Adjala, 62 years ago. Of a family of four brothers and five sisters, Mrs. Richard Lyness, of Mono Mills, is now the only survivor. The late Mr. Cobean had lived in Toronto for the last thirty years. He was an electrician and was in the employ of the Bell Telephone Company and the Toronto Electric Co. for many years. He was a genial, companionable man, who had many warm friends by whom his demise will be greatly mourned. His favorite pastimes were shooting and fishing and he visited Dufferin county quite frequently for the purpose of engaging in one or other of these sports. Deceased was an uncle of Messrs. J. J., Geo. and Sam White of this town, with whom he visited for some days early this summer. Mr. J. A. Donaldson, of Caledon East, an oldtime friend, had charge of the funeral arrangements. The remains were taken from Mansfield to Alliston and then forwarded to Toronto on Tuesday following his death. Wednesday evening Rev. Hugh Matheson, of Toronto, formerly of Caledon East, conducted service at his late home, 456 Roncesvalles Ave., and on Thursday morning the remains were conveyed by C. P. R. to Mono Road, whence the funeral was held by motor to the Public Cemetery in Caledon East. The pallbearers were four nephews, J. J., Geo. and Sam White, of this town, John A. Somerville, Mono, and Messrs. Robert Clark and Andrew Snell, the last named an intimate friend of the departed for many years. A large number of old-time friends from the Mono Mills district were present at the funeral.

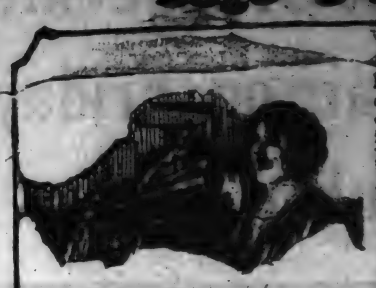
The NEW EDISON



Music the magnificent, sang the orchestras of the Metropolitan, idolized by London, Paris, Madrid, Milan, Buenos Aires and New York—such is Music. Behind the mysterious curtain, which screens the recording secrets of Edison, her divine voice is perpetuated, in every phase of its unsurpassed beauty.

Edison, the severest of all music critics, listens intently and is pleased with Music.

Bamboschek, principal conductor of the Metropolitan Opera, listened to Music sing in comparison with the New Edison's Re-Creation of her voice, and the following is his signed verdict:

"I have heard a comparison between Miss Claudia Music's voice and its Re-Creation by the New Edison. I consider that the quality of Miss Music's living voice and the quality of her Re-Created voice are identical."

The New Edison is positively the only phonograph that can sustain the test of direct comparison with living artists.

In the home, no matter where that home may be, Edison's new invention gives you the world's best music, just as it is heard in the operatic capitals of both hemispheres. The New Edison is the complete answer to Emerson's wish: "Could I only have music on my own terms, whenever I wished the ablution and inundation of musical waves, that are a bath and a medicine."

—the above is only half of it!

It proves that the New Edison brings the real artist—and the real opera to your home. It establishes, beyond doubt or conjecture, that the New Edison is the only instrumentality by which the full beauties of true music can be enjoyed in every home. *Now* comes a plan by which you can benefit from good music beyond mere entertainment—*Mood Music.*

It Banishes Unpleasant Moods!

Mood Music helps you control your mental and physical well-being. It soothes you when you are nervous. Refreshes you when tired. Cheers you when sad. In a 32 page booklet, this wonderful new way of using music is fully described and over 100 selections are classified according to the effects they produce upon a listener. Fill out the coupon and get your copy of the booklet, "Mood Music".

3 Days of Mood Music *Free!*

If you do not own a New Edison, we will gladly loan you one on three days' free trial—so you can learn what Mood Music and the New Edison will do for you.

THE ADAMSON HARDWARE CO.
BROADWAY, ORANGEVILLE

About Mood Music

Mood Music is the result of a two year research by Mr. Edison into the effects of Music. The psychological work was under the direction of Dr. W. V. Bingham, Director of Applied Psychology, Carnegie Institute of Technology, and other psychologists. The remarkable discoveries, which they made through countless experiments, are now in booklet form for your practical use.

figures 0 to 9. On each dial a small hand points to figures which represent Kilowatt hours. Look at the right hand dial first. Take the figure which the hand has just passed. For instance, if the hand is between 3 and 4, or has not yet passed the figure 4, the correct reading is 3. Read the next and succeeding dials in the same manner, keep a memorandum of this record, and at the next reading, subtract the former from the latter reading and the result is the number of kilowatt hours used in the interim.

A word of advice respecting the use of electric lamps. The old-fashioned carbon filament lamp was a long step in advance of the kerosene lamp, but the modern Masda Tungsten is an equally long step in advance of the carbon. The latter had an efficiency of about one candle-power to 3½ watts of energy. The present tungsten and nitrogen filled lamps have an efficiency of about one candle power for each single watt of energy. Thus by the use of modern lamps you may secure over three times the efficiency. In other words, the use of carbon lamps will cost three times as much as the modern lamp for the same amount of light. Think this over when buying your lamps, and do not buy lamps because they are a few cents cheaper. Do not fall into the common error of thinking that bright, dazzling light is the best light. There is a comfort limit in light the same as in heat. A room over-heated is uncomfortable. A room overlighted is not only uncomfortable but is injurious to the eyes and nerves. As a health measure alone good lighting is vital in every home. Perhaps there is no decoration or equipment in the home that contributes more to its enjoyment or adds more relaxation to the home spirit than electric light. We naturally expect to relax and to enjoy a few hours of leisure during the evening in the home. Properly shaded and correctly placed lamps enable us to do this the same as proper and evenly distributed temperature contributes to our physical comfort. Remember that the purpose of illumination is to diffuse the light upon the objects that you wish to look at, and to avoid the direct light striking the eye. This condition is more easily obtained through the use of electric light than through any other method of illumination. The average electrical dealer is more or less familiar with the problem of correct lighting and will always be found ready to advise in such matters. The Hydro-Electric Commission of Ontario considered it of sufficient importance to establish a laboratory where experts are continually employed who make exhaustive tests of the various makes of lamps for the purpose of determining efficiency and other qualities. The knowledge thus obtained is of incalculable value as it enables the municipal authorities to intelligently advise as to the use of the most efficient and economical makes of lamps, as well as the various house-hold electrical devices which are being sold to the public from time to time.

One egg at a time is good laying;
One debt at a time is good paying;
One sigh at a time is good wishing;
One trout at a time is good fishing.

On September 1st an institution that has existed over thirty years, the Canadian Express Company, came to an end. It will now be known as the Canadian National Express Co., and also comes the demise of the Canadian Northern Express, the business of the two being merged in the Canadian National.

HIRED MAN DISAPPEARED

James Hanna, between 18 and 19 years of age, has been employed by Arnott McClure for the past 9 months. Mr. and Mrs. McClure and their children and maid went to Toronto Exhibition. On their return Hanna was not to be found. Neither was one hundred and fifty dollars which was left in his trunk by W. Carlyle, another of Mr. McClure's workmen. The trunk was pried open, and the money taken. The police have been notified and the culprit will no doubt soon be overtaken.

HE HAD THE RIGHT IDEA

Bobby, five years old, passed by a cemetery on his way home from school. One day there happened to be a military funeral in progress there. Bobby climbed up on the cemetery wall and watched the solemn rites and listened to the firing of the salute over the grave.

When he reached home he breathlessly related to his mother the wonderful and interesting sight he had just seen. "But," he ended, "he wasn't quite dead, so the soldiers all took a shot at him."

THE MISERY OF BACKACHE

Removed by Lydia E. Pinkham's Vegetable Compound.

Meaford, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for backache, and I also had a female weakness. I felt dizzy and nervous, and was without energy. I had to force myself to do my work, and was always tired. Saw a Pinkham advertisement which induced me to take the Vegetable Compound, and my back gradually stopped aching and I felt lighter in spirits. I am recommending the Vegetable Compound with pleasure to all I meet who complain as I did."—Mildred Brooks, Meaford, Ont.

Woman's Precious Gift

The one which she should most zealously guard is her health, but she often neglects to do so in season until some ailment peculiar to her sex has fastened itself upon her. When so affected women may rely upon Lydia E. Pinkham's Vegetable Compound, a remedy that has been wonderfully successful in restoring health to suffering women.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

MEASUREMENT OF ELECTRIC ENERGY

The Meaning of "Volts," "Amperes," "Watts," "Kilowatt Hours"; How to Read Your Own Meter; Advice Respecting the Use of Electric Lamps.

In the mind of the average person there is the thought that electricity is a mysterious force or product, and that only expert electrical engineers are expected to possess any knowledge respecting its use. As a matter of fact, the measurement of electric energy is quite simple and any one of ordinary intelligence can become familiar with the method of its use if they will take the trouble to learn just a few simple facts.

In the first place, there are four common electrical terms, which everyone should know about, and which might be called electrical units of measurement. They are (1) volts, (2) amperes, (3) watts, and (4) kilowatt hours.

The volt is the unit of pressure. The ampere is the unit of rate of flow. The watt is the unit of power. The kilowatt is 1,000 watts, and a kilowatt hour means the use of one kilowatt or 1,000 watts for one hour.

In the use of water or steam we express pressure by the term "pounds pressure," which means the pressure in pounds on each square inch of surface inside the pipe. In electricity we express this by one word, "volts."

Similarly, the rate of flow of water is expressed in "gallons per minute," while with electricity the rate of flow is expressed by the word "amperes."

When we open a water faucet the water pours out with considerable force. This force or energy is the result of the water flow or current, and the flow is the result of pressure, that is to say, the water flow and pressure together produce the energy, therefore to measure the rate at which this energy is being delivered we multiply the rate of water flow in "gallons per minute" by the pressure in "pounds" per square inch.

The formula for measuring the rate at which electricity is being used is precisely the same, only as above explained, we use the word "volts" for pressure and the word "amperes" for flow. Therefore, volts multiplied by amperes equals watts, which latter term is the unit of power. Ordinarily, lamps are marked in watts, so that if a 50-watt lamp is used for 20 hours it will consume 1,000 watts or one kilowatt hour of energy. If the rate which you are being charged is two cents per kilowatt hour, then a 50-watt lamp burning 20 hours will cost two cents. Domestic appliances such as ranges, heaters, irons, etc., are usually marked in amperes and volts. If you find your range is listed at 30 amperes and 220 volts, simply multiply 220 by 30, which gives you 6,600 watts, or 6.6 kilowatts. If you operate the range at its full capacity for one hour and the rate is one cent per K.W hour, it will be 6.6 K. W. by 1c. or 6.6c.

It is important that one should learn to read their own meter, and here again is no mystery. The average meter has four dials with the

625,000 BOTTLES SOLD IN NEW YORK

Biggest Thing of Kind Ever Seen in That State Declares Big Wholesaler.

The fact that 625,000 bottles of Tanlac have been sold in the State of New York since its introduction there less than one year ago, is a business item that will attract unusual attention throughout the entire East, for nothing like it has ever happened before. It breaks all records.

Mr. George B. Evans, manager of the Gibson-Snow Company, the well-known wholesale druggists, with branches in Albany, Buffalo, Rochester and Syracuse, recently announced that the preparation was now selling in their trade territories alone at the phenomenal rate of approximately 500,000 bottles a year.

"If the present rate continues," said Mr. Evans, "this state alone will probably require considerably over 750,000 bottles a year. This is a tremendous figure, but I am really conservative in making this statement."

Tanlac is sold in Orangeville by C. V. Jeffers, and by leading druggists everywhere.

Mrs. John J. Malott, pioneer of Colchester township, near Amherstburg, is dead at the age of 81.

Emery Stepler, of Plattsville, is charged with a serious offence against his 14-year-old daughter.

A gas tank in Durham, belonging to J. Lochie & Sons, was broken into and a quantity of gas stolen.

Seventy-four cents was the average deposits in the penny-saving bank for the Guelph school children.

Mr. Harold Samuel has sold his 200 acre farm, lot 14, con. 9, West Luther, to Robert Cole, of Hamilton.

John Grove, a Kitchener Pole, was fined $100 and one month in jail for having an illicit still in his cellar.

Bag of registered mail valued at $7,000 put on Amherstburg street car for Windsor, Sept. 9th, is missing.

The new Roman Catholic church in Durham is now nearly completed and work on the interior is now in progress.

Jos. L. Fielding, for the past 28 years a wholesale tea merchant in Guelph, dropped dead a week ago Saturday evening.

Miss Mary Gabriel, of Shelburne, has gone to North Augusta, near Brockville, as Principal of the Continuation School there.

M. L. Blake, physical director at the Guelph Y. M. C. A., has resigned to accept a position with the Western University, London.

Mr. James Morrison has bought the blacksmith shop in Hillsburg, where Mr. George Maltby carried on business for many years.

The Rob Roy Mills at Durham are installing machinery that will double the capacity of oatmeal per day, making it over 500 barrels.

Returning home after doing some shopping, Mrs. Bone, Port Hope, found that her home had been ransacked and all her money stolen.

Mrs. Anastacia Bowser, relict of the late Peter Holman, passed away at her home in Flesherton, Wednesday evening, 7th inst., at the age of 82 years.

Robt. Boyle, of East Luther, had to hand over $50 and costs to the Dominion authorities because they failed to receive income tax returns from him.

Several Arthur citizens are willing to subscribe to a fund to buy the cemetery, and turn it over to the corporation to be managed by a commission.

The Canadian Cereal and Flour Mills, Limited, with mills at Stratford, Galt, Ayr, Tilsonburg and other places, has gone into liquidation, and the mills are being offered for sale.

The Rev. Mr. Stewart, formerly of North Mornington, who was one of the candidates in St. Andrew's Church, here, has received a call from the Presbyterian Church at Acton.

Edward Johnston, America's greatest tenor, and recognized as the one to take Caruso's place as the leading tenor of the world, will sing in Owen Sound on Friday, October 14th, under the auspices of Division St. Presbyterian Church choir.

Rev. A. E. Armstrong, Assistant Secretary of the Presbyterian Foreign Missions, is leaving at the end of the month for a visit to India. This trip is a continuation of the tour made through the mission fields of Northern Asia by Mr. Armstrong in 1918.

William McKinley, of Grand Valley, got a severe shaking up as he stepped from the moving train. He had gone into the coach to see a departing friend, the train starting before he thought it would. As his foot touched the platform he was thrown down with considerable force receiving a bad shaking up.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample Box free if you mention this paper and enclose 2c. stamp to pay postage.

ITEMS OF INTEREST OF DUFFERIN AND DISTRICT

Cheltenham is now obliged to employ two Public School teachers.

University extension course to be started in Hamilton, with class of 24 signed up.

E. J. Paqette, Preston, is wanted in Galt to answere a charge of using false cheques.

Two new cement culverts are being put in on the Provincial Highway near Dundalk.

The price of bread in Guelph has been reduced to 11 cents for a pound-and-a-half loaf.

Milton Poultry Association will hold a poultry show in Milton on December 19, 20 and 21.

Miss Edith O'Flynn has sold her frame house and two lots in Shelburne to Dr. J. H. Zinn.

Albert E. Stewart was appointed tax collector for Grantham, at a salary of $275 per year.

Thieves entered the general store at Eastwood and stole a small sum of money and some tobacco.

E. Jeffrey, St. Catharines, aged 20, an usher in the Grand Theatre, has been missing for some days.

Mr. J. W. Nattress has sold his fifty acre bush farm on the 5th line Of Albion, to Mr. Jabez Wakeley.

There is an attendance at the Fergus High School of over 140 pupils, which is probably a record.

The Trustees of the Police Village of Hillsburg have purchased a corner property to be fitted up as a park.

W. A. Britton, of Listowel, formerly of Grand Valley, is the new president of the Embalmers' Association of Ontario.

Five men were arrested at Perth Fair by agents of the Attorney-General's Department for operating gambling devices.

Miss Kathleen Layton, of Shelburne, has gone to Toronto, where she will go in training as a nurse in Wellesley Hospital.

W. J. Black, former Chairman of the Soldier Settlement Board, is to be appointed Deputy Minister of Immigration and Colonization.

Peter Madock, Kitchener, a foreigner, was sentenced to from six months to two years for assaulting an officer searching for liquor.

C. H. Talbot, of the London Customs House, has received notice from Ottawa of his appointment to the position of collector of customs.

Geo. Curtis, of Oakwood, who left his home to bring in the cows, was found unconscious next morning near a swamp and never recovered.

Miss Mabel Hatch, who is returning to India as a missionary to the lepers, was presented with a purse of gold by her friends in Woodstock.

A. T. McNeill, former principal of Woodstock College, has been appointed attendance officer for the Woodstock Public and High schools.

Mr. Dave Mundell is taking charge of the Union Bank at Caledon during the absence of Mr. C. K. Overland, who is under the doctor's care.

On account of the 34th Battalion reunion being on Friday, Sept. 16th, Guelph storekeepers will grant their usual Wednesday half-holiday on that day.

The puppy had been punished, and was sulking in a corner. To him came the small daughter of the house, to administer, not comfort, but advice.

Alex McLean, of the "B" line, Arran, has received a contract from the Provincial Government to supply 300 tons of hay, to be shipped to Manitoulin Island.

"You may just as well be good first as last, Buddy," she admonished. "Everybody that belongs to mother has got to mind. I've been through it all—and I know."

Mrs. Addison, of Hamilton, sister of Frank Sargent, Grand Valley, died very suddenly at her mother's home in Belwood. She had been in poor health for some time.

Geo. Gear & Son, Waldemar stockmen, were successful exhibitors at Toronto Exhibition. They got third for best three animals, the get of one sire; and first for best four calves.

Mr. S. H. Wright, of Markdale suburbs, met with a mishap while at work shingling a driving shed. He slipped on the roof and fell to the ground, about seventeen feet of a drop. His left foot was badly sprained.

Jamieson Johnston, an Owen Sound man, died September 5th, his widow was re-married on Sept. 10th, and on September 12th the authorities began an investigation to ascertain the cause of Johnston's death.

A horse belonging to D. Dow undertook to cross the bog hole east of Flesherton. When found he had only his head and neck above the ooze. A gang of men with ropes soon yanked him out and he is now as gay as ever.

Mr. and Mrs. John Allan, East Luther, announce the engagement of their second daughter, Laura Helen, to Mr. Clarence H. Allen, son of Mr. and Mrs. Richard Allen, Riverview. The marriage will take place the latter part of September.

Mabel C., the sixteen-year-old daughter of Mr. and Mrs. John Bingham, of lot 302, con. 3, S. W., Melancthon, departed this life on Tuesday morning of last week after an illness of about one month's duration from a complication of diseases.

MRS. THOS. REEVELEY

There passed to her eternal rest on Saturday, September 3rd, 1921, at the residence of her daughter, Mrs. F. Simpson, Thornhill, Ont., Nora Jane Perkin, widow of the late Thomas Reeveley, of Caledon, in the 81st year of her age.

Mrs. Reeveley resided in Caledon for many years. She was born in Ilfracombe, Devonshire, England, and came to Canada at the age of fifteen, in the days of the old sailing vessels, and was seven weeks making the voyage, landing at Darlington, and proceeded to Toronto by rail. At that time what is now the City of Toronto was two towns, with the country between. The one by the bay was Toronto, the other Muddy York.

Mrs. Reeveley leaves behind her seven children to mourn their loss, they are: Mrs. F. Simpson, Thornhill, Ont.; Mrs. J. P. Hathaway, Oklahoma City, Okla.; William and Robert Reeveley, of Brampton, Ont.; Mrs. H. J. Pickering, of Buffalo, N. Y.; Mrs. John T. Austin, Erin, Ont., and Thomas Reeveley, of Rochester, N. Y. The funeral was held from the home of her daughter, Mrs. F. Simpson, Thornhill, and the interment was in Trinity Church Cemetery, Thornhill.—Advocate.

GRAND VALLEY FAIR

Grand Valley Fall Fair have arranged for a number of new and special attractions this year. They are having the Famous Galt Kiltie Brass Band, Splendid Horse Races, Slow Motor Race, Baby Show, four classes, 3, 6, 12 and 18 months; two Slack Wire performances free in front of Grand Stand; Big Midway and an extra fine display of Agricultural products. Remember the date, September 27th and 28th. Big Concert on second night.

Rev. F. A. Lawson, formerly of the Evangelical Association, stationed at Centennial Church, Stratford, has been formally received into the ministry of the Presbyterian Church in Canada.

Straight talk on Cream Separators by

J. E. SMITH & Co.

Orangeville, Ont. Canada.

The De Laval puts money in the bank

MONEY in the bank is the final test of any piece of farm equipment. It is especially true of a cream separator.

Butter-fat is the most valuable product of the farm. Twice a day, every day in the year, gravity skimming or a poorly constructed separator wastes this high-priced food.

A De Laval Cream Separator stops this loss of profit. It supplies the extra money that is needed for current expenses, improvements about the farm, or for the purchase of new stock.

More than 2,500,000 De Lavals are in daily use throughout the world. These De Laval owners represent the most progressive and most prosperous farmers in every country and locality.

A De Laval Cream Separator will make your farm more profitable, easy, and put money in the bank for you.

You can buy a De Laval on such terms that it will actually pay for itself while you are using it. Come in and talk them over

Sooner or later you will buy a

ON
WALL PAPERS

For the balance of the Year we will reduce the Price of all Wall Papers from 20 to 35 per cent.

We have also purchased a Job Lot direct from the Manufacturers, all this season's Goods and the best designs and colorings, at from 25 to 50 per cent. below regular Wholesale Prices. These Goods will be in Stock in a few days and will be marked to sell at such Prices, that every one may have their homes made bright and cheerful for the coming winter at a moderate outlay.

This will be an exceptional opportunity to procure bright, New Papers at very low prices.

We wish, however, to state that the 1922 Factory Prices warrant no such Reductions as we are putting into effect and that these extremely low Prices apply to our present Stock only, which is complete in every line, and 90 per cent. this year's Patterns and Made in Canada by Canadians for Canadians.

We have a complete Stock of the famous Brandram-Henderson Paints, White Lead, Linseed Oil, Turpentine, Putty, Varnish, Brushes, Glass, Vitrauphanie, Glue, Paste, Fibre Veneer, etc., at Lowest Prices.

DELICATE GIRLS NEED NEW BLOOD

Rich, Red Blood Means Health and Strength.

The anaemia of young girls may be inherited, or it may be caused by bad air, unsuitable food, hasty and irregular eating, insufficient out-of-door exercise and not enough sleep.

It comes on gradually, beginning with languor, indisposition to mental or bodily exertion, irritability and a feeling of fatigue. Later comes the palpitation of the heart, headache, dizziness following a stooping position, frequent backaches and breathlessness. In a majority of cases constipation is present. There may be no great loss of flesh, but usually the complexion takes on a greenish-yellow pallor.

Cases of this kind, if neglected, become more serious, but if taken in time there is no need to worry. Dr. Williams' Pink Pills, which are free from any harmful or habit-forming drug, are just the tonic needed to remedy this wretched state of health. Though it is not noticeable, improvement begins with the first dose. As the blood is made rich the pallor leaves the face, strength and activity gradually return and the danger of relapse is very slight.

If any symptom of anaemia appears, prudence suggests that Dr. Williams' Pink Pills should be given at once, and the sooner they are taken the more speedily will their action improve the blood. You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

5 TO 4

Dufferins Win From Toronto-St. Simons in Strenuous Game Saturday Afternoon.

Greenshirts Will Now Go Into Final Game For Group Championship.

Dufferins took another fall out of Toronto-St. Simons in Brampton on Saturday afternoon, winning a strenuous and exciting game by the close score of 5 to 4. It was a great game and was witnessed by one of the largest crowds that has ever assembled on Sunshine Park. The two teams were at their best and travelled at top speed from start to finish. The closeness of the score kept the big crowd on tiptoe with excitement. The Dufferins counted first, but the Amalgamateds evened before the close of the quarter, the first period ending with a 1-1 score. Halftime found the Toronto team leading by 3 to 2. At the three-quarter stop the positions of the two teams were reversed, the Dufferins being in the lead by 4 to 3. The greenshirts, who played wonderfully clever lacrosse in the second half of the game, improved their position by another goal early in the closing period. Toronto-St. Simons came back later on with what proved to be the final tally of the game, which ended shortly after with the score standing 5 to 4 for the Dufferins. Taken on the whole Dufferins had much the better of the play, particularly in the field, and should have won easily had it no been for the wonderful work of McArthur, the Toronto-St. Simons goaltender. Time and again he made stops that seemed impossible. When he could not get the shot with his stick he jumped or threw himself in the way of the ball and saved quite a number of goals with his body. Spectators estimate that the Dufferins had at least three shots for each shot that the goalgamateds' home made on Booth's citadel. With a less clever goalkeeper than McArthur to beat, some of the shots he stopped would have undoubtedly counted. Booth played stellar lacrosse in the flags for the Dufferins, making a number of brilliant saves, but had not nearly as much work to do as McArthur. The story of the game itself is very well told in the following despatch:—

Sunshine Park was packed to capacity, the largest crowd of the season being on hand to witness this decisive struggle. Both teams presented their best 12. The game was over half an hour late in starting. The Toronto team being at fault. Brampton enthusiasts were divided in their support.

Ewing contributed the first goal of the game on a brilliant rush from centre field, and his splendid achievement was given a grand reception. The Green and White were best in the early part of the quarter. With Zinn serving a penalty, the St. Simons rushed matters, and Robertson bulged the net, Booth had no chance to save.

The Blue Shirts continuously attacked in the second period, and Robertson found the net for a goal that put them one ahead. He repeated in another minute. Before the quarter finished Blythe Brown, on a pass from Golden, netted the Dufferins' second.

It was Orangeville's quarter in the third, and Gordon and Zinn accounted for the two goals that put them ahead. The Dufferins' defence was steady, and held the Blue and White at a safe distance. Play was strenuous, and only occasionally were the two teams at full strength.

The last quarter was a repetition of the third. When Ewing accidently hit McArthur and was given a major, St. Simons brought down nearly every man to get a goal, but Golden, whose brilliant lacrosse had marked him as the best man on the field, broke away, and passing to Elan, the Shelburne dentist, hit the net. It was enough to win. The Saints later scored one from the scrimmage."

The checking was close and decidedly strenuous, particularly in the last quarters. Toronto-St. Simons were the chief offenders and Bill Hasnburg, of Brantford, who was put up to referee the game allowed the Amalgamateds altogether too much latitude. The Brantford man has an ancient grudge against the Dufferins and made the most of his opportunity to take it out of the greenshirts on Saturday. In the last five minutes of the game the Dufferins cut loose and gave the Amalgamateds a taste of the "rough stuff" they had been enduring all afternoon.

The game was marred by a couple of unfortunate incidents. About half way through Dr. Wendell Holmes, one of the heaviest men on the Toronto-St. Simons team, deliberately charged into Cranston while the ball was in play near the other end of the field. Cranston, who is a slightly built chap, was not expecting the onslaught and went down heavily. The force of the fall tore the ligaments of one arm and Cranston was forced to retire for the remainder of the game. The doctor, who attended his injuries, stated that he would not likely be fit to play again this season. The referee was of course watching the play and did not see Holmes, who got off without any penalty. Dr. Zinn and Dedrick had a strenuous time of it all afternoon and some ill feeling developed between the two men. Zinn had also been making matters warm for McArthur all afternoon and just as the game ended the Toronto goaltender rushed out of the nets and made a couple of passes at Kinn, who retaliated. Dedrick joined in the attack, but was pulled up short by a couple of blows from Cushing, who happened to be at that end of the field. The big Toronto defence fielder went down and was in a nasty position as the crowd rushed in from all sides. A couple of Orangeville men managed to get him to his feet and escorted him off the field.

The Dufferins wanted Rowe and home games to decide the group championship, but the O. A. L. A. has ordered a sudden death game at the Island at 3 o'clock next Saturday afternoon. A. Dunn

THE LEE INQUEST

Widow Tells of the Circumstances Preceding and Attending the Death of Her Husband.

Rev. G. L. Gray and Norman Palmer Give Important Testimony—Further Adjournment Until Thursday Night.

The adjourned enquiry into the death of the late Robert Lee, of Rosemont, was resumed in the Court House at 1.30 o'clock on Wednesday afternoon, Sept. 14th. The court room was crowded to the doors, showing the intense interest the case aroused. The medical testimony had not been taken when the Court rose and a further sitting will be held on Thursday evening for the purpose of hearing the evidence of the doctors who made the post mortem. It is expected that the report on the analysis of the stomach of the dead man will be available by then.

The first witness called on Wednesday was Mrs. Mabel Lee, widow of the dead man. There was a distinct flutter of suppressed excitement in the crowded room as the widow, a large and rather fine looking woman, made her way to the witness box. Witness stated that she had been married twenty-five years, had five of a family, two daughters married, a son 17 years of age, and two girls aged 16 and 8 years. Her husband, she said, was 58 years of age. On Monday preceding his death witness, her husband and little daughter had gone berry picking in the neighborhood of Terra Nova in the north of Malmur. They left for home about 3.30 in the afternoon and arrived home about 10 o'clock at night. Their daughter, Mrs. Francis Bradley, and her husband were at the house when they arrived. The youngest daughter, Dorothy, went home with Mrs. Bradley for the night. After they left Lee and the witness busied themselves with the milking, feeding the pigs and doing other chores before they retired for the night. Witness swore that after her husband had fed the horse she saw him throw his arm over the horse's neck and heard him say, "It may be a long time, Dolly, before I feed you again. After they had gone to the house her husband returned to the stable with a dish of milk for the hens.

After he returned to the house Lee complained of feeling awfully cold. He finally took off his boots and clothing, took his medicine—the medicine prescribed for him by Dr. Cunningham, of Alliston—and went to bed. Mrs. Lee declared that her husband had taken his own medicine and had given her the medicine she was taking. She denied positively that she had prepared and given the medicine to her husband. She had not seen him take anything else except a drink of water. Her little girl, who was sleeping in another room, was taken very sick and witness left her husband's room and stayed with her sick daughter for a time. Mrs. Lee told the court that when she went into the spare room she found two quilts lying on the floor, the dresser drawers pulled open, a comforter turned down on the bed and other evidences that some person had been in the house while they were away. She also swore that every door in the house was unlocked and that the two bottles containing her own and her husband's medicine were lying on their sides on the table instead of standing up as they had been left. Five minutes after she finally retired her husband got up, walked around the foot of the bed and began rubbing his leg. She thought nothing of his action at first as he was frequently obliged to get up and rub his leg on account of an old injury. A little later he complained that he was ill and finally exclaimed, "Go out and bring in a man, quick." Witness ran downstairs and called Norman Palmer, exclaiming, "Do get up, Robert is sick." Returning to the room she gave her husband a mouthful of liquor and he asked her to go for Rev. Mr. Gray. When Palmer arrived Lee was sitting on the side of the bed rubbing his legs. "Oh, I am poisoned" was the way witness said he answered, when Palmer asked him what was wrong.

She ran hurriedly to Mr. Gray's and when the minister came to the door told him, "Mr. Gray, Robert wants you quick. He says he is poisoned." Mr. Gray came to the house almost immediately. Witness did not accompany him to the room, but remained downstairs and did not hear what her husband told the minister. Later she went to the room and told how she had wiped the perspiration off her husband's face. Mr. Gray, Norman Palmer and Will Mitchell were present then. She did not know her husband had died until Dr. McLean came out of the room and told her. Her husband carried $1,000 life insurance in the Canadian Order of Foresters. Mrs. Lee stated that she had purchased strychnine in White's drug store in June and also in July, on the former occasion to poison a dog and on the latter to rid the house of rats and mice. She also purchased some arsenic in Schell's drug store in Alliston in February to kill some cats that were bothering her. She declared that her husband had threatened to do away with himself and had told her that he had poison for that purpose.

Coroner Dr. Rooney asked Mrs. Lee why she had told Constable Marshall that she had not bought any poison. Witness said that Marshall and the Provincial constable had her scared to death. Besides she had been told by Mr. McKeown that she was not to tell anything. The medicine bottles usually stood on the table, but they were on the sewing machine when Dr. McLean arrived. Witness declared that her husband had moved them. Asked why the bottle which contained her husband's medicine had been emptied out after Dr. McLean had ordered that nothing should be touched until the coroner came, witness said that her little girl had taken the bottle and emptied it without her knowledge. Pressed for a reason for the child's action, she said that her daughter had seen her (witness) standing crying with the bottle in her hand and had come to the conclusion that the medicine was the cause of her mother's grief and so had decided to destroy it.

Rev. Mr. Gray, an Anglican clergyman, said that the Lees were members of his congregation. He was first aroused by Mrs. Gray who had been disturbed by sounds of screaming. As the screaming and crying came nearer his house he thought he recognised the voice of Mrs. Lee and heard her exclaim, "Robert is poisoned. He is dying, come right away." This, he thought, was between 11.25 and 11.35. When he opened the door she exclaimed, "We have all been poisoned." He dressed hurriedly and hastened to the house. On entering Lee's room the first question he asked was "What is the matter, Robert?" "I am poisoned. I am dying," was the answer. The sick man was then lying across the bed. His eyes were rolling and his teeth clenched tight. His hands were drawn up and held tightly across his chest and his body was in an arched position. His pulse was beating rapidly and his heart was fluttering. As soon as Mrs. Lee entered the room he appeared to become agitated and his body began working violently. Witness was under the impression that there had been a family quarrel and thought that everything would be alright in a few minutes. Lee became perfectly quiet about 12 o'clock. Witness thought at first that he was going to sleep and would be better afterwards, but finally realised that it was the quiet that preceded the end. The dying man told witness that Mabel (Mrs. Lee) took her medicine and gave him his. She gave him two doses—two different kinds of medicine. One medicine was bitter and he knew after he had taken it that he was poisoned. Lee began twitching when his wife returned to the room and witness had her leave the room, because her presence seemed to make her husband worse.

While he was in the house after Lee's death, Mrs. Lee had asked witness, "Will I go to Shelburne to-morrow to see about Robert's insurance?" Witness answered, "Decidedly not." The widow also asked him the question, "Did Robert tell you he was poisoned?" Next morning she had visited Mr. Gray's house and angrily asked wife, same, "Why did he tell?"

Cross-examined by Mr. McKeown Mr. Gray stated that he did not know of anything irregular in the lives of Mr. and Mrs. Lee. He regarded Lee as an honest man and had never known him to tell an untruth. Asked by Mr. McKeown if the dying man had said that his wife poisoned him witness repulsed, "Decidedly not."

Norman Palmer told of being called in by Mrs. Lee and described the position and appearance of the dying man in much the same manner as the preceding witness. He told of his efforts to get a doctor and said that, after considerable trouble he had finally succeeded in getting Dr. McLean, of Shelburne. Lee had seemed more excited and worse whenever his wife came into the room.

Harry Moore, a garage man, swore that Mrs. Lee had asked him to drive to Shelburne to get a doctor for her husband. He did not think this the quickest way to get a physician and had suggested the use of the telephone.

Dr. J. D. Cunningham deposed that Lee and his wife had visited him in his office in Alliston on Saturday afternoon, August 20th. The former complained of feeling unwell and after making an examination, the witness had prescribed a simple remedy. The prescription he read in court explaining the nature and action of its constituents. He considered Lee a sound, healthy man at the time he saw him. He was in first-rate condition. This was the first time Lee had been in his office for two years.

Mr. Schell, an Alliston druggist, testified that Mrs. Lee had purchased arsenic from him on Feb. 7th, 1921, ostensibly to kill mice. She had made the purchase as Mrs. Mabel Lee, Rosemont.

Wm. Mitchell, Mrs. Mabel Hamilton, a daughter of the Lees, Victor Hamilton, her husband, and John Henderson gave unimportant testimony. Ernest McNabb told of driving Mrs. Lee to Shelburne and Orangeville on the day following the death of Lee.

The inquest was adjourned until Thursday evening, Sept. 22nd, at 7.30 p.m.

CHARTERS AGAIN

Sitting Member For Peel Nominated to Carry Standard at Election.

Four hundred delegates from the five townships of Peel, and their towns and villages, nominated Samuel Charters as Conservative candidate for the coming Federal election at a meeting held in the concert hall in Brampton Saturday afternoon. Mr. Ed. Barber occupied the chair, and on the platform were the candidate-elect, Major T. L. Kennedy, of Dixie, M. P. P. for Peel; T. W. Duggan, G. W. McFarland, James R. Faith and Senator Blain.

The nomination was made by Wm. Henry of Cheltenham, and seconded by Alex. McKee, of Sandhill. No other names were submitted.

In addressing the delegates, Mr. Charters said that it was his sixth nomination by the people of Peel. Four years ago, he said, he had been elected as a supporter of the Union Government by a majority of 2,200, an unusually large majority for the county.

At the coming election he expects to see, as he saw then, Liberals and Conservatives working side by side for the sake of Canada. Comparing the policy of the Prime Minister with the one put forth by the Leader of the Opposition, Mr. Charters characterized the former as for the good of the country; that of the latter as not being designed for the benefit of the country. Mr. Charters drew attention to the fact that there has never been the suspicion of scandal in connection with the present Government.

Naming a list of Canada's imports for the last year, Mr. Charters asked what would happen to the country if all these things were allowed into the country duty-free. He saw industrial ruin following such a condition. If even 5% per cent. more of the goods imported had been manufactured in the country it would have given employment to 45,000 more men and brought about more business in Canada.

ANNIVERSARY SERVICES

Anniversary services will be conducted in Adjala Presbyterian Church by Rev. W. Coutts, of Camilla, on Sunday, October 2nd, at 11 a.m. and 7 p.m.; and in Mono East Presbyterian Church on Sunday, October 9th, at 11 a.m. and 7 p.m., by Rev. S. Lundie, of Grand Valley.

UNEMPLOYMENT---FREIGHT RATES---AND THE RAILWAYS

The indicator of true prosperity is Employment. The presence of unemployed men, unemployed machinery, unemployed railway equipment, and unemployed capital in Canada is reason enough, therefore, for every large Canadian business interest to study its relation to the general problem—to see whether anything in its power remains to be done to advance the general prosperity of the country.

In this connection the railway companies have been specially interested. Freight Rates touch everyone, and, because they touch everyone, are always close to the public consciousness and more conveniently attacked than the true causes of depression which are less easily discerned and more difficult, if not indeed impossible, to control.

Furthermore, the railways while joining with everyone else in the general agitation for deflation of prices and wages—found themselves recently in the seemingly anomalous position of demurring when it was proposed to lower railway rates. They were made to appear as though they were endeavoring with one hand to put wages down and with the other hand to keep the rates up, thereby securing for their own treasuries, instead of passing on to the Canadian public, any saving effected on the wage rolls. They were placed in the equivocal position of having urged blanket **increases** of rates when wages went up—and of opposing blanket **decreases** when wages were seemingly decreased.

The following statement is offered, therefore, with a few to exhibiting what the railways believe to be the true relation of railway freight rates to the question of unemployment, outlining the history of Canadian rates, explaining something of the groundwork of ratemaking and clearing up the seeming anomalies referred to, so that none may remain as possible causes for future weakening of confidence between the public and the carriers.

I. Freight Rates and Unemployment:

With a large part of the world's population idle, or only partially efficient owing to wars or disturbed political conditions—with inventors in many parts of the world almost afraid to expose their inventions, organizers afraid to organize, capital hesitating to invest—a corresponding proportion of world production is missing. The total of goods available for the world is less than normal. Those who do not produce—speaking generally—cannot buy! Few purchasers—few sales; few sales—little employment. This is the great world-wide fundamental of the unemployment situation.

The condition is international, not local to Canada. If Canadian railway rates were a determining factor in making the sale prices of our export goods, in other words if Canadian prices were higher in international markets than the goods of our competitors, then railway rates would be contributing to unemployment in Canada by depressing our sales abroad, lowering the number of our customers, and the orders coming to our producers.

But in the first place the real effect of freight rates on price making is a debatable point. This is proven

(1) by the fact that pri[illegible] *fell* last fall after the rates wer increased instead of rising as the retail trades had prophesied;

(2) by the fact that a 10% reduction on western coal rates, offered in order to stimulate coal movement in the summer months, was followed by a drop in the coal tonnage offering instead of an increase.

In the second place, assuming for the purposes of argument they did have serious effect, Canadian export rates are lower and not higher than the rates in countries with which Canada may be compared. Mile for mile the haul from western Canadian points to the head of navigation is cheaper than in the United States. The export rate on grain is lower than it was last August.

In other words, in international competition on her chief items of export, Canada is *helped* by her railway rates. So far as international trade is concerned, they are alleviating unemployment rather than aggravating it!

Inside Canada the same is true. Although it is a very difficult point to prove or disprove, the railways of Canada are sincere in claiming that, by and large, goods are carried more cheaply in Canada than in the United States. Canada had one blanket reduction of 5% last January, whereas there is still no decrease, nor immediate prospect of a blanket decrease in the United States!

II. The Trend of Freight Rates:

With the excepption of war and post-war conditions—the whole tendency of freight rates in this country, as in any other progressive country of its kind, is downward. As Canada's population rises, as our industries multiply and the density of traffic becomes more nearly like that of older countries, some of the principal costs of railway service can be subdivided among a greater number of shippers and travellers, levying on each, therefore, a smaller fraction of these costs than before. For twenty years prior to the war, traffic was on the increase. For twenty years, **therefore, the railways have been adjusting rates downward**—quite apart from special decreases put in effect by the Board of Railway Commissioners. These revisions have been skillfully applied by experienced, practical economists—that is, by the Freight Traffic experts of the railways, whose business it is to know all branches of industry intimately, so that the benefit of these voluntary rate adjustments would go to "key commodities," thus stimulating further growth of the country, increase in traffic, and in the end, further reductions of rates. The difference between giving a reduction to a "key industry" rather than spreading over all kinds of goods is illustrated in the case of a certain small railway which, by concentrating rate reductions on lumber, enabled the mills of that region to remain open and the people to remain at work, whereas if the effect of the reductions had been scattered over all the goods carried by that road each family would have been able to save a small handful of silver in a year (provided the decreased rates had been passed on as decreased prices by storekeepers)—but there would have been almost *no* employment!

So much for the day to day reductions arranged on thousands of articles by the Traffic Departments of the roads. In 1907 a substantial reduction in Eastern rates was made. In 1914 a very material cut was applied in the West. So that the transcontinental lines entered the war period with a depressed earning power.

Now while all—even the railways—see the desirability for low freight rates, there are certain limits beyond which no one urges reductions. Of course there are theorists such as Mr. Bernard Shaw, who believed that all railway service should be free. But leaving aside views so far in advance, as yet, of public opinion, it is assumed by most people that a railway will give best service at least cost—because, of course, even free railways must be paid for by the taxpayer—when their managements are allowed to show their mettle by meeting the obligations of their properties out of their earnings. It is usually recognized that these obligations fall into two groups:

Group I.—To pay their employees; to pay for current supplies of materials such as coal, etc.; to pay for repairs and replacements.

Group II.—To pay such a wage or hire for the use of the capital which built these railways as will make Canadian railway securities always desirable, and easily marketed whether as bonds or stocks. This involves more than the mere payment of the established rate of dividend in the case of privately owned roads. It involves the earning also of some surplus—a safety margin of income over expenditure, which will assure investors of complete safety. This principle of a surplus was definitely established by the judgment of the Board of Railway Commissioners in 1914, under the chairmanship of Sir Henry Drayton—and upheld by its judgment of 1920, when the matter was again considered exhaustively. On this principle rests Canada's ability to enter the money markets wherever she may need and feel confident of bringing back funds for extending her railways as she may require in the future.

War conditions, following the Western and Eastern rate adjustments, brought the railway managements sharply up against these fundamental problems. Comparing the Government's figures for 1907 against 1919—the last year for which the Railway Blue Book is available—the wage bill of the railways rose 306%! Coal 345%! Ties 320%! But neither the volumne of traffic nor the scale of freight rates increased in comparable degree during that period! The actual revenue per ton per mile (which is the real proof or disproof of the matter) advanced only 20% over 1907. The year 1920 enlarged the discrepancy, although an increase of 35% on Western lines and 40% in the East was supposed to yield enough additional revenue to meet the increased wages. The increased wages were effective from May 1st—the increased rates not until September 1st. The effectiveness of that increase depended on the *volumne* of traffic remaining at a fairly high level. It did so for a time, then began to drop. To-day it is very low. Nevertheless a 5% decrease was applied in January. *For the first* 6 *months of* 1921 *as compared to the first* 6 *months of* 1920 *the volume of traffic on the most fortunately situated Canadian road fell* 26.72%! *And its revenue on this business, in spite of the higher rates, fell* 11.14%!

The net result of these changes has been a state of emergency in the offices of even the most fortunately situated of all Canadian roads. Wages could be paid and bills met on time. Even the usual divident was paid and a very slight surplus—one of the factors in maintaining the reputation of Canadian railway securities, was earned! *But this was only done by deferring work that must ultimately be done on current account.* Such economies cannot long be continued without eating too far into the broad safety margin which the Canadian roads maintain! Nothing but slackened speed of trains and reduced Canadian industrial efficiency can result if these savings have to be long continued. Falling traffic still further aggravates the condition. Maintenance cannot continue to be acrificed to protect the credit of our railway securities! Neither can be neglected!

In May the managements approached the task of reducing their wage bills. For the first time in many years it was the managements and not the men who were taking the initiative. They had been forced to adopt the war-time increases granted in the United States—where 92% of the membership of the railway unions lie. Therefore when the reverse movement was undertaken in that country the Canadian roads at once gave due notice and a provisional and conditional decrease of roughly 10%—corresponding to the same movement in the United States—was put in effect, tentatively, as from July 15th. This reduction has not been accepted by the United States membership of the unions, where a vote is being taken on the question, nor by the Canadian membership, who have applied for a Board of Conciliation. Every resource of the managements will be used to sustain this imperatively necessary and only too moderate reduction of their wage bills—which account for 60% of the cost of operation—they are compelled to regard the matter as still unsettled and therefore not to be considered as a basis for the reduction of railway rates—a view which a majority of the Board of Railway Commissioners has just expressed in its judgment.

III. In Conclusion:

The railway managements welcome deflation of railway rates and are working steadily toward that end. On two grounds, however, they asked that any general decrease be deferred:

First.—Because the so-called wage decreases are not yet assured and cannot be until the parallel decreases in the United States, where 92% of the union membership lies (and where no general freight rate reductions have been ordered), are settled.

Second.—Because the volume of traffic in the immediate future is problematcial and any serious decline, if coupled with a decrease in rates, would have very grave effect on even the most favorably situated managements.

The railways have spoken against blanket decreases on the grounds that it would be in the interests of the country as a whole to concentrate any beneficial effect to be expected, on "key commodities" rather than distribute them over all classes of goods, thereby benefitting only the distributors.

They have been actuated throughout by the desire to assist in the process of deflation—objecting only when that process might seem to threaten their solvency and injure them—and through them—the ultimate interests of the Canadian public.

A case of considerable local interest is being heard at Osgoode Hall, Toronto. A little over a year ago, Henry L. Newlove, a former resident of Bolton, was struck by an auto while walking on the Kingston Road near his home one mile east of Bowmanville. An action for damages has been entered by Mrs. Belyea, who is the administratrix of the estate of the late Mr. Newlove, against Guy Casey, of Belleville, and Fred Cowan. Charges of criminal negligence were laid against these men at the time and both were acquitted by a coroner's jury.

"My Back Is So Bad"

PAINS in the small of the back, lumbago, rheumatism, pains in the limbs all tell of defective kidneys.

Poisons are being left in the blood which cause pains and aches.

The kidneys, liver and bowels must be aroused to action by such treatment as Dr. Chase's Kidney-Liver Pills.

There is no time for delay when the kidneys go wrong, for such developments as hardening of the arteries and Bright's disease are the natural result.

One pill a dose, 25 cents a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

Dr. Chase's Kidney-Liver Pills

Mr. David Norton, of Woodbridge, announces the engagement of his second daughter, Marjorie, to Mr. Lorne H. Mallaby, only son of Mr. and Mrs. Arthur E. Mallaby, Weston, the marriage to take place the latter part of September.

Elizabeth Heron Greaves, aged 68, died recently after a short illness, at the home of her daughter, Mrs. S. E. Inglis, in Chicago. Born in Streetsville, Ont., deceased moved to Chicago 35 years ago.

Far more effective than Sticky Fly Catchers. Clean to handle. Sold by Druggists and Grocers everywhere.

A Tribute

Our ability, to explain in print why The Hoover excels, is dwarfed by the enthusiastic endorsement of a half million Hoover users, thousands of whom have been using Hoovers on their carpetings for the past ten or twelve years.

VAST WEALTH TAPPED.

Rich Resources Will Be Reached by New Railroad.

Two lines of steel are piercing the heart of the Land of Lobstick and Lode, that musky wilderness stretching north from the Saskatchewan river which since the advent of the white man (1670) has been sacred to Esquimaux Indians, trappers and traders. The railroad, starting from Le Pas at the junction of the Saskatchewan and Opasquai rivers, already has driven 259 miles northeastward. Eighty miles more of track, which will be completed before midsummer of 1921, will reach the northern terminus at York Factory (Port Nelson) on Hudson Bay.

A Canadian wizard of wheat recently has added, to the striking achievements of inventing Kitchener wheat. Improved Marquis, and several lesser varieties, an absolutely new variety of red wheat known as Red Top. With Red Top he has established a world's record of 84 bushels to the acre on his experimental farm near Prince Albert, Saskatchewan. And Red Top matures from ten to fifteen days before Kitchener, Marquis, or any other northern wheat! Red Top, maturing an average of twelve days earlier than any other variety of wheat, pushes northward the boundary of Canadian wheat lands by at least 125 miles!

The relation of this discovery—the result of seven years of continued experiment — to the new Hudson Bay Railway becomes immediately apparent, says Mr. Reed in the Scientific American. He continues: For a decade export wheat has been tied up, and made unprofitable at Montreal because of car shortages, vessel shortages, and demurrage charges. The Canadian Government, in building the new road from Le Pas to Port Nelson, is planning to ship via Hudson Bay all of Central and Western Canada's wheat destined for export, thus relieving forever the congestion and obviating the delay.

Wheat from the old areas — not even considering that which will be grown on the new 125-mile zone— will be shipped at a saving of, from six to fifteen cents a bushel. Seven cents will be the lowest saving on Red Top in the added wheat area.

The new route will save — outside demurrage charges for delay — the cost of shipping 547 (net) miles from Winnipeg, 650 miles from Regina, 685 miles from Brandon, 1,188 miles from Edmonton, and 1,311 miles from Prince Albert. The new wheat zone must ship via this route, as the net saving in distance varies from 100 to 225 miles more than that mentioned in the above figures.

If the new railroad had no other mission it would be of immense importance. As a matter of fact, however, it opens a means of transportation to one of the richest mineral districts in the world. Herb Lake, Schist Lake and the Flin-Flon region are merely three of a dozen copper, silver and gold properties. Some of the world's richest copper mines lie in the Flin-Flon district. In the States they talk with awe in their voices of Anaconda and other properties which yield from 1.25 to 6 per cent. copper ore. There exist to-day a half-dozen mines north of Le Pas which are producing ore that yields from 18 per cent. upward!

There has been grave difficulty with the disposal of mined ore. So far it has been carted overland to Trail, B.C., for smelting, and thence clear to Elizabeth, New Jersey, for refining and sale. The new railway, however, will cut out at one swoop half of the expense. A fair fraction of the remainder will be done away with in two years, when smelters and refining plants are erected.

Learning About Canada.

Canadian history, facts and statistics, is to form a permanent subject in the English school curricula commencing this year. This will be in addition to geographical information contained in the ordinary text-books. A monograph on Canada will be compiled later by Prof. W. L. Grant of Upper Canada College, Toronto, for issue to every member of the National Union of Teachers of the British Isles for use in a series of school lessons on the Dominion. These will include Canada's climatic and physical features, Government, economic development, and also illustrated lectures. Miss Durban of British Columbia already is lecturing to scholars under the auspices of the Victoria League, which is arranging the correspondence between Canadian school children and those in Britain.

McDowell's Great Feat.

Major Thain W. McDowell, of the 38th Battalion, now with a motor truck company in Hull, Que., has to his credit one of the grittiest deeds in Victoria Cross records. By his initiative and courage, this officer, with the assistance of two runners, was enabled, in the face of great difficulties, to capture two machine guns, besides two officers and seventy-five men.

Although wounded in the hand, he continued for five days to hold the position gained, in spite of heavy shell fire, until eventually relieved by his battalion.

By his bravery and prompt action he undoubtedly succeeded in rounding up a very strong enemy machine gun post.

Lyall Cleaned Them Up.

Lieut. Graham T. Lyall, of the 102nd Battalion, St. Catharines, made a real reputation for cool courage and resource in leadership when he won the V.C. at Bourion Wood, in the fall of 1918. Whilst leading his platoon against Bourion Wood, he rendered invaluable support to the leading company, which was held up by a strong point, which he captured by a flank movement, together with thirteen prisoners, one field gun and four machine guns. During two days of operations, Lieut. Lyall captured in all three officers, 163 other ranks, 26 machine guns and one field gun, exclusive of heavy casualties inflicted.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

Ford THE UNIVERSAL CAR

AN ERIN NONAGENARIAN

On Tuesday evening, September 6th, 1921, Jane Cook, relict of the late John Hamilton, passed to her eternal rest, at the great old age of ninety-three years. She was born in Ireland, and when a young woman of twenty came to Canada, and about a year later married the late John Hamilton, who predeceased her twenty-eight years ago. She has been a resident of Erin for over seventy years, and could relate many interesting stories of the early pioneer life. In her death probably the oldest inhabitant of the section has passed. Five daughters and one son survive: Jas. Hamilton, Lyn, Ont.; Mrs. McLaren, Mrs. Ross and Miss Florence, of Toronto; Mrs. Gillette, Vancouver, B. C., and Miss Kate, at home, to whom there is due much gratitude for the ever great care she gave her mother in her declining years. The funeral took place from her late residence on Friday, September 9th, the interment being made at Erin Cemetery, five grandsons and one son-in-law being the pallbearers, the Rev. J. Lindsay conducting the services. The floral offerings were many and beautiful.—Advocate.

An engineer has been making surveys, taking levels and preparing plans for drainage of the Phelpston Marsh. When this marsh is properly drained a large tract of what has been useless land will be brought under cultivation.

Mr. and Mrs. Robert Dow, 189 St. John's Road, Toronto, announce the engagement of their elder daughter, Laura Jean, to Mr. Hugh Charles Templin, only son of Mr. and Mrs. J. C. Templin, Fergus, the marriage to take place early in October.

Mr. J. J. Johnston, who since 1896 has been connected with the Inland Revenue Department in Owen Sound, has been appointed to the position of Collector of Customs and Inland Revenue, succeeding Mr. N. P. Burton, whose resignation was tendered to the Government some time ago.

A NOVEL HOLD-UP

Information has reached this office of the atetmpted hold-up of two prominent Hornings Mills men while returning home from Barrie by automobile one afternoon last week. The two men were making good time, the driver of the car being an experienced man at the wheel, when suddenly the desperado appeared from within the swamp. The driver's companion immediately drew forth a slick looking revolver and the chauffeur slackened speed. Two shots rang out, neither taking effect in the object at which they were firing, and the desperate character again fled into the swamp from which it first showed its appearance. The highwayman was a skunk. We are informed that the two men upon whom the hold-up was staged, take great delight in narrating their experience in connection with the fake hold-up.—Free Press.

'PHONE 128

BILINGUAL QUESTION REVIVED

The Educational Committee of the U. F. O. has made a deliverance in favor of bilingual schools. It puts the Farmers' party in Ontario before the people as advocating the extension of bilingual teaching in this province.

We thought that issue had been settled by the adoption of Regulation 17. That was a measure enacted by the late Sir James Whitney, who declared that there should not be three school systems in the province, that two was one too many. But this committee of the Farmers' party comes out flatly in defence of the unlimited teaching of French in the Public schools. It has the appearance of a half-baked policy based upon [illegible] ignorance of the facts. It means a reversion to that state of affairs so fully described by Dr. Merchant. He found that there were 268 school sections in Ontario where a child could not get an education in English. And these were all in the rural districts. Are United Farmers of Ontario going to restore conditions that militate so gravely against the English speaking farmers who reside in the counties where the French predominate? Why revive an agitation so provocative of racial divisions that were rapidly being healed?

The Sentinel cannot believe that the members of the U. F. O. are in accord with such a policy. Certainly it should not have been promulgated without the most careful deliberation by a party convention. Just what power or authority the educational branch of the U. F. O. possesses does not appear. But if it speaks for the party as a whole—and this is to be the policy of the party—there are stormy times ahead for their organization. A pamphlet has been issued setting out the views of this branch of the U. F. O., which is in part as follows:—

"(1) That the claim of the French speaking people of Ontario that their children should be educated in French as well as in English is natural and just. The French language is of sufficient importance in the world and in Ontario that any children of Ontario whose parents wish them to learn it should be given the opportunity. All must have English; those who wish it should have French as well.

"(2) The teacher makes the school and the French-speaking people of Ontario should have as good teachers as their English-speaking neighbors.

"(3) Results in education are more important than methods, and a degree of freedom is essential to the development in the pupil and in the teacher. Conditions and pupils vary. The teacher should be allowed a good deal of latitude in adapting the method and subject matter to the peculiar conditions of the locality in which he is teaching."

The Orange Association has not been unfriendly to the Farmers' party. Many of its members are found in the U. F. O. But if this is to be a plank in the party's platform the Orangemen of Ontario will be found among the most active and aggressive opponents of the Farmers' government. They will be forced into that position, and they will be joined by thousands of their brethren who are now counted among the U. F. O. It will lend to the defection of thousands of farmers from that party. They will feel that they have been betrayed, and once that idea takes possession of their minds they will never return to the ranks. Nothing that could be done will so surely disrupt the Farmers' political movement in Ontario as the adoption of the policy outlined in the paragraphs we quote from the pamphlet. There is time for the party managers to repudiate this deliverance and give the people assurances upon which they can rest that there is no intention to rescind Regulation 17, or alter the restrictions now imposed upon the teaching of French in the schools of this province.—Orange Sentinel.

FIRST CENSUS IN JAPAN COMPLETED

The Japanese Government has completed the taking of the first census of Japan proper, Korea, Formosa and Saghalien. The total population for Japan proper is given as 55,961,140, but for the whole empire, embracing Korea, Formosa and Saghalien, the population is given as 77,005,112 (smaller than was estimated.) The distribution of the population is as follows:—

Japan proper	55,961,140
Korea	17,284,207
Formosa	3,654,000
Saghalien	105,765
Total	77,005,112

Tokyo, the capital, was supposed to approach 3,000,000 in population, but the census shows only 2,173,162. The next largest city is Osaka, with a population of 1,262,972, followed by Kobe, with 608,268; Kyoto, with 591,305; Nagoya, with 429,990; while Yokohama, which was always thought to be larger than Kobe, has only 422,942. Eight other cities have more than 100,000.

This first census was not easily achieved in a thoroughly modern way. Many were afraid to answer the questions, looking on the affair as a new kind of police inquisition. Many were living under false names on account of feuds and there were husbands hiding from their wives.

To arouse enthusiasm and to urge everybody to fill in the census papers honestly (whatever items they had hitherto supplied to the police) the trams were decorated with appropriate mottoes, school children marched through the town signing, speeches were made in the streets, and even geisha were employed to

$5.00 this week $8.00 instead of

Go to any Hotpoint Dealer, lay down $5.00 and get the latest style Hotpoint iron with all improvements

Sells regularly for $8.00. For just one week you can save this $3.00. You save it because the dealer, the wholesaler and the manufacturer give up their profits. And you can save another dollar if you bring us an old iron. We expect Hotpoint Week to make lots of new Hotpointers.

HOTPOINT ALWAYS LEADS

From the very first the Hotpoint iron has always been the leader. It was the first iron with—

—hotpoint (no waiting for it to heat up)
—the attached stand (just flip it up—no lifting)
—the cord protector hinge (which prevents cord trouble)
—the exclusive thumb rest (which makes it easy to guide the iron into pleats and tucks it runs the cord)

Count on Hotpoint to always lead.

And now to make thousands of new friends this Hotpoint dealers offer you an eight dollar iron for five dollars.

Buy Hotpoint Week—Save $3.00

$3.00 FOR ANY OLD IRON

Better yet! Save another dollar ($4.00 in all) by digging up some old electric iron. Take it to your Hotpoint dealer with four dollars and get a brand new Hotpoint iron.

This is the famous Hotpoint Exchange Plan. Any Hotpoint dealer will allow a dollar for any old electric iron—

—never mind what make
—never mind if it doesn't work
—never mind how old or battered

Just so it is a complete iron he will allow a dollar towards a Hotpoint at the special price of $5.00.

$4.00 + an old iron = new Hotpoint

Look for the sign—To get a Hotpoint iron for $5.00 (or $4.00 and an old iron) look for the store with Hotpoint signs in the window. It's a good store and they will be glad to help you make this saving.

If no dealer convenient send us $5.00 and we will have nearest dealer deliver prepaid.

'PHONE 69, ORANGEVILLE

CALEDON.

(Too late for last week.)

Rev. Jenkins Burkholder is very seriously indisposed with a serious case of blood poisoning. Drs. Thomas and Gibson are in attendance and a speedy recovery is hoped for.

Secretary Atkinson has been busy on the Prize Lists of Caledon Fair and has now got them pretty well distributed. This year's list has some new features to attract and interest all comers and will help to make the big fair all that it should be.

Corn cutting is the order of the day and the silos are being filled to overflowing.

Our school opened on Tuesday 13th with a new teacher and practically a new school room, so that our little red school should do as good or better work than ever.

Miss Baby J. Laughlin has returned to her duties on the High School staff of Elmvale school.

Rev. Mr. Wittick, of Morristown, visited his son, Mr. Edward Wittick, our genial and obliging postmaster and general merchant, for a few days last week.

Rev. J. F. G. Morris conducted union service in the Presbyterian Church last Sunday morning.

Mr. Ed. Johnston, who underwent a serious operation for appendicitis last week, is now progressing very favorably.

CHICKEN PIE SUPPER

A Chicken Pie Supper will be held in Laurel Town Hall, on Tuesday, October 11, 1921, under the auspices of the W. M. S. of the Presbyterian Church, followed by a concert in the church. Supper served from 6 to 8 o'clock. Admission, adults, 50 cents; children, 25 cents. The quilt on which tickets are being sold will be given to the one who holds the lucky number on that night.

A QUESTION OF SCHOOLS

By ARCHBISHOP McNEIL.

(In the TORONTO GLOBE)

To the Editor of The Globe: Mr. Benjamin Kirk thinks that Catholics enjoy an undue privilege in their possession of separate public schools in Ontario. He looks at Ontario apart from the rest of the Dominion, and to him it seems strange that there should be this apparent inequality. "I cannot consent," he says, "to the Catholics' enjoyment of privileges denied to other churches." This is not in question. The Fathers of Confederation were not thinking of Ontario alone. Their terms of comparison were the minorities in Ontario and Quebec, and they decided to protect the Protestant minority in Quebec and the Catholic minority in Ontario. They did not consider it necessary to provide special protection for the majority in either case. Majorities can look out for themselves. It is not true to say that Catholics have special privileges in the matter of school rights. They have, in fact, fewer rights than the Protestant denominations in Quebec.

Sir A. T. Galt was responsible for section 93 of the British North America Act. It was framed primarily in the interest of the Protestants of Quebec, but necessarily it extended also to the minority of Ontario.

The Hon. George Brown had contended strenuously against separate public schools in Ontario. His articles on this subject in his newspaper, The Globe, had moulded public opinion in Toronto. But in the Confederation scheme he found himself faced by the necessity of accepting separate schools in Ontario as a condition of union. The Protestants of Quebec made such schools a necessary condition in their own case, and the minority in Ontario could not be differently treated. In his speech of February 8, 1865, he declared:

"Assuredly I, for one, have not the slightest hesitation in accepting it (the Ontario Separate School Act of 1863) as a necessary condition of the scheme of union."

As he understood it, as far as Ontario was concerned, the purpose in making the Act of 1863, constitutional was "to bind that compact of 1863 and declare it a final settlement?"

The Protestants of Quebec were strong at that time, through able and energetic leaders. In the Confederation debates, Sir John Rose indicated a just basis for the division of school assessments in the case of incorporated companies. Speaking for the minority in Quebec, he said:

"Another point has reference to taxes on the properties of incorporated companies. As things are now, the minority of Lower Canada is dissatisfied with the division of such taxes (for school purposes). I wish to know whether an equitable and satisfactory method of dividing such taxes will be adopted. For instance, it would be acceptable if these taxes were divided on the same basis as Government grants."

This basis of division was accepted by the Quebec majority, and has been part of the Quebec Assessment Act ever since. If the Catholics of Ontario had been effectively represented at that point of time and place, we should afterward have had the means of developing our colleges instead of spending millions in contributions to supplement the school taxes for the support of elementary schools. Voluntary help had to be sought in cities and towns where industries attracted Catholic workmen. A public service under the control of a Department of the Government should not be thus obliged to pass around the hat.

Sir John Rose sensed the fact that school taxes assessed upon company properties are for the benefit of school children. The sense of justice is often hurt by the effects of legal efforts to divide school taxes on the basis of the faith of shareholders. In December, 1915, when a school assessment case was heard in Toronto by the Railway and Municipal Board, Mr. Gibson, Secretary and a director of the Spanish River Pulp & Paper Mills, said:

"In our own mills at Sturgeon Falls there are 87 per cent. of Roman Catholic workmen, and only 13 per cent. of Protestant workmen. When this matter was brought to the attention of the board by Mr. Jones, although, so far as I know, they were all Protestants, it struck the board that it was manifestly unfair that the taxes leviable against our property for school purposes should all be paid over to the public school supporters."

It is not good for any country that the sense of justice should be thus in conflict with statute law. In the Sturgeon Falls case the directors of the company found that the law forbade them to direct one-third of the school taxes to the education of the children of 87 per cent. of their workmen in a legalized school, unless they could also show that one-third of the company shares was owned by Catholics in the United States and other countries! This law was enacted in 1886, when companies were relatively few and small. It may have been possible then to know or ascertain to what churches shareholders went on Sundays. This knowledge is now impossible. Our lawmakers have overlooked the vast economic changes which have taken place in the past thirty-five years, as far as separate school support is concerned. The law seemingly enables such companies as the C. P. R. to divide its school taxes in Ontario. As a matter of fact, the law obliges the C. P. R. to support only the schools of the majority.

What, then, has become of the provision in the Constitution "to bind that compact of 1863 and make it a final settlement?" The answer is that it is not now fairly observed in Ontario. Part of the compact of 1863 is to the effect that separate school supporters are to be exempted from all school taxes levied for the support of other schools. This is a very long way from being carried into effect. The National Railways are, in part, owned by separate school supporters, though the law, as it now stands directs all the school taxes assessed upon these properties to the support of the schools of the majority in Ontario. The same is true of the Hydro Commission as to its taxable property. The Catholic Diocese of Toronto and other Catholic institutions, as well as many individual Catholics, are paying taxes to the public schools through bank shares. Most of the banks are in much the same position as the Spanish River Pulp & Paper Mills. A list of the companies and public utilities in which the law, as it stands, does not enable or allow observance of the compact of 1863, would take up too much space.

The Assessment Act needs to be amended in the interest of the pledges given and accepted at the time of Confederation, and in the interest of national unity, as well as of fair play.

ORANGEVILLE FALL FAIR

Dufferin Agricultural Society Scores a Greater Success Than Ever.

Record Attendance and Splendid Exhibits at Agricultural Park Last Friday.

The annual exhibition of the Dufferin Agricultural Society on Thursday and Friday last was probably the best Fair the Society has held. The attendance established a new record for the sale of tickets shows that a greater number of people passed through the turnstiles this year than at any former Fair under the auspices of the Society. Gratifying as this increase in attendance undoubtedly is to the officers and directors, they are even more gratified with the wonderful improvement in the number and quality of the exhibits. Judged from this standpoint it was a real Exhibition, one worthy to take rank among the best of the country fairs in the Province.

Entries were away ahead of any former year in almost every department. The improvement was most noticeable in cattle, sheep and swine. In marked contrast to last year the large cattle barn was filled to capacity and a few of the entries had to be accommodated outside of the building. Some very fine animals were shown and competition was unusually keen in several of the classes. Heretofore the swine exhibit has been almost negligible, but last Friday there was quite a good entry of first-class stock. The exhibit of sheep was also much better than last year. The Fair has always excelled in horses and this year was no exception to the rule. The showing of light horses was quite equal to any former year and there was a noticeable improvement in the heavy classes. That the horse still has its friends and admirers, despite the popularity of the auto as a means of locomotion, was abundantly shown by the large crowd which lined the enclosure in which the judging took place.

Poultry fanciers were more than pleased with the large display of geese, ducks, turkeys, pigeons, fowl and chickens of different breeds in the space beneath the grand stand. Mr. Jas. Barber, of Honeywood, a former reeve of Mulmur, had something like forty entries here and carried off a lot of prizes. More room is badly needed for the poultry exhibit as the space is too cramped and is none too well lighted.

The main hall was as usual an important centre of interest. The exhibits here were even better than usual. This was the case particularly with regard to potatoes and field roots. There was also an excellent exhibit of domestic products. The Women's Institute displays were very fine and their attractive arrangement added very much to the appearance of the hall. The special prizes were awarded as follows:—1st, The Maples W. I.; 2nd, Mono College W. I.; 3rd, Orangeville W. I. The fine art and ladies' work departments were well filled and added their share to the excellence of the hall exhibit. Particularly fine was the display of flowers, vegetables, domestic products, drawing, penmanship, manual art, etc., made by the pupils of the Orangeville Public School. The exhibit occupied the north end of the hall upstairs and was a centre of admiring interest throughout the afternoon. The exhibits of photos by Mr. A. G. Cooper and J. C. Keefer, der deserve more than passing mention. They were noteworthy for the attractive manner in which they were displayed and also for the high quality of the work. Orangeville is fortunate indeed to have such a duo which can turn out work of such excellence.

Orangeville merchants showed their usual enterprise and loyalty to the Fair by making a number of attractive special exhibits. Upstairs the McMillan Clothing Co. occupied a large space on the east side of the hall, in which they made a large and attractive showing of ladies', men's and boys' suits, overcoats, furs, etc. On the same floor Mr. Geo. Allen had a neat display of wallpapers, paints, etc., that evoked much favorable comment from visitors to the Fair. Downstairs J. E. Smith & Co., local Massey-Harris agents, had a display of cutters. Mr. Jas. Matthews made an interesting showing of beaver board and veneers in different finishes and Mr. Wm. Fiddes had an exhibit of pianos. T. S. Parkinson & Co. made a showing of ready-to-wear suits for ladies, cloaks, etc., on the west floor downstairs. Alongside Mr. E. A. Parsons, the John St. florist, had an exceedingly fine display of floral designs that attracted much attention and flattering comment from everybody. Barlow & Bethley made a large showing of boots and shoes attractively arranged. They also showed a collection of German souvenirs brought home from the war by Pte. Barlow. The southwest of the lower floor was occupied by the Orangeville Music Store, the proprietor, Mr. J. C. Kentner, making a very fine exhibit of pianos, phonographs, records, etc.

Outdoors the large crowd divided its interest between the speeding events which were watched by an immense throng, the judging in the horse and other stock rings, the Midway which was crowded all afternoon and the bands. The racing was much better than that usually seen at fall fairs and provided a whole afternoon of real sport for lovers of this pastime. The events were well contested, the Free For All in particular being a real race. The results follow:—

2.50 Trot or pace.

Jennie Bison, W. H. Riddell, Orangeville	1	1	1
Minnie M., W. Hillock, Caledon	2	3	2
Lady Dempsey, E. Overland, Orangeville	3	2	5
Walter Poister, Orrie Irwin, Rosemont	5	4	3
Darkey Limit, E. Rowe, Newton Robinson	4	5	4

Time—2.39 1-2; 2.39 1-2; 2.39 1-4.

2.30 Trot or Pace.

Dixie Hal, W. H. Riddell, Orangeville	1	1	1
Albert McKinney, J. Matthews, Shelburne	3	2	2
Prince M., J. Kannawin, Orangeville	2	3	3
Golden Boy, Geo. Fletcher	4	4	4

Time—2.29 1-2; 2.29 1-4; 2.29 1-2.

Free For All.

Florence Peters, Dr. W. H. Riddell, Orangeville	2	2	1	1 2
Bertha Walsh, Dr. W. H. Riddell, Orangeville	1	1	3	4 5
Jim Todd, E. Overland, Orangeangeville	4	4	2	2 1
Jack Canuck, E. Overland, Orangeville	3	5	4	3 3
Redman, J. Kannawin, Orangeville	5	3	5	5 4

Time—2.17 3-4; 2.17 1-4; 2.17 1-2; 2.17 1-2; 2.17 2-4.

The competitions for lady driver and best turnouts also attracted general interest. The winners were,—

Best Single Turnout—Alex. Orr & Son.

Best Lady Driver—Mrs. Sam Hastings, Mrs. Wm. Wheeler.

Double Turnout—Sam Hastings, Alex. Orr & Son.

Orangeville Citizens Band and the Mc. Forest Highland Pipers provided a delightful musical program that was keenly appreciated by all music lovers. The Fox Fun Company also contributed to the merriment of the afternoon with a short comedy performance.

The crowd was easily the largest that has ever attended the Orangeville Fall Fair. A striking feature was the large number of people who were present from points forty and fifty miles distant. In most cases these came by auto. The line-up of autos was most impressive. They were parked completely around the south end of the race course, standing five and six deep in some places. Lines of cars extended from the entrance to the grounds as far south as Fourth Ave., and scores of cars were parked on Broadway and elsewhere on downtown streets. Taken in every way the Fair was a splendid success and it was little wonder that President McCormick, Secretary-Treasurer D. R. Brown and the other officers and Directors one and all wore the smile that wouldn't come off.

The Fair night concert in the Opera House on Friday night was the usual success, the Hall being crowded to the doors. It is estimated that at least two hundred people were turned away from the doors after the hall had filled. An enjoyable program was furnished by the Fox Fun Co., headed by the inimitable and everlasting Jimmie Fox, who looked and frisked about the stage like the real boy he is.

—Pay your out-of-town accounts Five Dollars costs three cents.

CHURCH REOPENING

Mitchell's Church, 5th Line, Mono, will be reopened on Sunday, September 25th. Rev. Mr. Stanley, of Terracina, will conduct the services at 11 a.m. and 7 p.m. The church has recently been painted and decorated and given a beautiful and cosy appearance.

EXHIBITED AT NATIONAL

Mr. Geo. A. Cameron, "Grand View Farm," Caledon, was among the successful exhibitors at the Canadian National Exhibition. Mr. Cameron won first prize for standard bred brood mare, first for standard bred colt and second for standard bred colt one year old. Mr. Stewart Scott, of Beltountain, won second prize for a hackney filly two years old.

WOMEN'S INSTITUTE

Orangeville Women's Institute will meet at the home of Mrs. Arkell, Prince of Wales Road, on Tuesday, September 27th, at 2.00 p.m. Mrs. Sidney Banks, of Shelburne, District President, will address the meeting. Special program. All ladies interested in Institute work are cordially invited to attend.

Laurel Women's Institute will meet at the home of Mrs. A. McCabe, on October 6th, at 2.00 p.m. Program to be provided by Whittington Institute. Everybody welcome.

MELVILLE

The people of Melville will have the rare opportunity on Friday, Sept. 23, of seeing the ninety beautifully colored slides of Rev. Frank Langford's, on the Great World S. S. Convention at Tokyo, Japan. There will be a lecture explaining every slide the trip to the convention, and the convention itself. Everybody come. A collection will be taken to cover expenses. Lecture to begin at 8 o'clock in the Methodist Church.

CALEDON

The regular meeting of the Ladies' Aid of Caledon Methodist Church will be held on Wednesday, Sept. 28th, at 3 p.m. Important business will be presented and all members are requested to be present.

The annual Thanksgiving service in the Methodist Church will be on the 9th of October, when the Rev. W. E. Wilson, of King St. Methodist Church, Toronto, will preach morning and evening. Mr. Wilson is bringing his choir of twenty-five or thirty voices for the occasion. The choir will come on Saturday afternoon and render a concert in the Town Hall on Saturday evening. Further announcement next week.

ALTON

A very interested and appreciative audience attended the lantern lecture in the Methodist Church on Monday evening. This lecture was on the Great World S. S. Convention at Tokyo, Japan, illustrated by Rev. Frank Lougford's ninety beautifully colored slides. The lecture was given by Mr. J. M. Dods, who was at the convention, and was thus able to make it very interesting. No one, after being at this evening's instructive entertainment and seeing these slides and hearing about the work of our Missionary Society, can doubt the value and success of the Church efforts among the people of the Orient. The work goes on to the glory of God and for the salvation of many souls. This lecture was given under the auspices of our Epworth League.

RETIRES FROM PRACTICE

One of Canada's pioneers in the realm of veterinary medicine has just retired from active work. Dr. William Stubbs, of Caledon, Ont., possesses the unique distinction of being one of the first men to graduate in veterinary science at the old Ontario Veterinary College after its inauguration by the late Professor Andrew Smith in 1860. In the graduation class of that year there were but two, one of these being Dr. Stubbs.

Immediately after obtaining his degree, Dr. Stubbs returned to Caledon where he conducted a large practice for many years. In the early 90's Dr. Stubbs was induced to enter politics, and he successfully contested a seat in the Federal House, and represented the County of Cardwell for a number of sessions.

In 1897 he was appointed Dominion Inspector in the Health of Animals Branch, Department of Agriculture, under Dr. J. G. Rutherford, C. M. G., the Veterinary Director General at that time.

After an active life in the profession, covering a period of over fifty-three years, Dr. Stubbs retires to spend the remainder of his life in the sanctuary of his old home. Those of us who have worked with him during the busy years that are past can realize what a valuable asset his services were to the branch of agriculture he represented. By strength of a personal charm of character and tireless enthusiasm Dr. Stubbs accomplished a great deal toward establishing the present cordial relations existing between the live stock men and the inspection service. He made friends wherever he went, and wherever his official duties directed him, he was always welcome. The Record joins in extending congratulations to Dr. Stubbs, trusting that rest and recreation will add many years to his life.—Canadian Veterinary Record.

MONO COUNCIL

Council Chamber, Mono Centre,
September 9th, 1921.

Council met per adjournment of former meeting. Members were all present, the Reeve presiding. The minutes of last meeting were read and confirmed.

The following accounts and resolutions were dealt with and passed by the Board:

PUBLIC MEETING

Orangeville, Sept. 19, 1921

Editor of The Banner.

Dear Sir:—At a recent meeting of the local War Memorial Committee it was decided to call a meeting of the general public of the town and surrounding townships to lay before them the information gathered in the past months, and to consider what steps should be taken about the memorial, if any, to be put up.

Once again the Committee asks for suggestions as to the nature of the memorial. So far there have been but few.

The meeting will be in the Auditorium of the Public Library, at 8 p.m., Friday, Sept. 30th.

Yours truly,
A. FIRTH,
Sec. of Committee.

NOTICE TO CREDITORS

In the Matter of the Estate of Adam McFarlane, late of the Township of Caledon, in the County of Peel, Gentleman, Deceased.

NOTICE is hereby given pursuant to Chapter 121 of the Revised Statutes of Ontario, 1914, Section 56 and Amending Acts, that all persons having any claim or demand against the estate of the late Adam McFarlane, who died on or about the 15th day of June, A. D., 1921, are requested to send by post, prepaid, or to deliver to the undersigned Executrix of his estate, their names and addresses and full particulars in writing of their claims, and the nature of the securities, if any, held by them, on or before the 28th day of September, 1921, and that after the said 28th day of September, 1921, the said Executrix will proceed to distribute the assets of the deceased among the persons entitled thereto, and having regard only to the claims of which she shall then have notice, and that the executrix shall not be liable for the assets or any part thereof to any person of whose claim she shall not then have received notice.

Dated at Caledon East this 30th day of August, A. D., 1921.

LOCAL NEWS.

—Hear Lucknow Pipers Band at Fergus Fair Friday, September 23rd.

—Tanlac, that wonderful medicine, sold in Orangeville by C. V. Jeffers.

—Big shipment of Tanlac just received. C. V. Jeffers, Orangeville, local agent.

—Fergus Fair September 22nd and 23rd. If interested, send a card for Prize List to Secretary Fergus Fair, box 323, Fergus.

—Gordon Hunter a well-known East Garafraxa farmer, had the misfortune to have his right leg broken below the knee when a heifer he was helping to take into the show ring at Orangeville Fair, tumbled on him, causing the injury.

—All roads lead to Fergus Big Fair Friday, September 23rd. Be with the crowd; you will not be disappointed.

Classic Shoes
For Children
A Full new line has just arrived and is now in stock
Arnott's Shoe Store

—Just received a large shipment of the wonderful remedy, Tanlac. This is the great medicine you have been hearing so much about. The remedy that's made such a wonderful reputation and which has accomplished such remarkable results all over the United States and Canada.

—Many attractions at Fergus Get your bottle now at C. V. Jeffers. Fair—horse races; good exhibits in all classes; music; live midway; concert; dance. Friday, September 23rd, is the day.

COMING

Dr. F. E. Luke, 167 Yonge St., Toronto, Optometrist and Eyesight Specialist, will be at C. V. Jeffers' drug store, Orangeville, on Thursday, Sept. 29th, when he can be consulted about your eyes for glasses.

—Lady will go out to do sewing by the day. Apply Box 261, Orangeville, or at Banner Office.

—Rich. Sanderson had the misfortune to have his hand smashed Tuesday, when a bunch of bricks tumbled on him.

—Owing to extra advertising in this issue we are obliged to hold over reports of the Bowling Tournament, School Fairs and some correspondence.

—Rev. John Coburn, of Toronto, Past Grand Chaplain of the Orange Order, will preach next Sunday at The Maples at 11 a.m; Whittington at 2.30 p.m., and Laurel at 7.00 p.m.

—Next Monday evening Rev. Will Brenner, of Galt, will give an illustrated lecture, at St. Andrew's Y. P. S. meeting, on the recent World S. S. Convention to Japan, which he attended. This should not be missed

—Laurel Methodist Sunday School will hold their Rally Day next Sunday, Sept. 25th, at 10 o'clock a.m. Mr. C. R. McKeown, of Orangeville, will address the S. S. on "Loyalty." All Sunday School scholars are requested to meet in the basement at 9.45.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

—The Banner Bookstore for school supplies.

—The Banner Bookstore specializes in fine quality stationery. Always something dainty for particular buyers.

A MOTHER'S ADVICE

Once a mother has used Baby's Own Tablets for her little ones she is always happy to recommend them to others. Her advice, given after a careful trial, can be readily followed with assured good results. The Tablets are a mild but thorough laxative which never fail to regulate the bowels and sweeten the stomach. They always do good—they cannot possibly do harm even to the youngest babe. Concerning them Mrs. P. Laforest, St. Nazaire, Que., writes: "For three months my baby was constipated and cried continually. On the advice of a friend I gave him Baby's Own Tablets and now at the age of five months he is perfectly well and weighs twenty pounds. I am delighted to be able to advise other mothers to use them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

J. D. TORRIE
THE CLOTHING MAN
SUITS
for School Wear
and for Play
Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in
TORRIE'S
Clothing for Little Men
Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.
J. D. TORRIE
TORRIE'S STORE
is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.
We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.
We also have the newest styles in Young Men's and Men's Suits and Overcoats.
We still have our heavy weight guaranteed Blue Serge to order.
Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,
THE CLOTHING MAN, ORANGEVILLE.

SPECIAL TRAIN

	Leave
Orangeville	11.50
Melville	12.37
Caledon	12.47
Mono Road	1.07
Bolton	1.17
Kleinburg	1.27
Woodbridge	1.37
Weston	1.52
West Toronto	2.00
	Arrive
Bay Street	2.10

On return train will leave Union Station at 8.15 p.m.

PERSONAL MENTION

Mrs. John Mills returned home on Tuesday after visiting friends in the West for the last few months.

Miss Evelyn Cronch, who has been visiting her sister, Mrs. R. W. Hills, has returned to her home in Callander.

Mrs. A. Tul, of Medicine Hat, and her grandson, are visiting Mr. and Mrs. Harry Rake and other relatives in Mono.

—Brampton Fair on Friday and Saturday, Sept. 23 and 24. See special announcement on page 8 of this issue.

Mr. Adam Turner, of Saskatoon, Sask., a former Orangeville druggist, is visiting old-time acquaintances in town this week.

Mr. W. M. Fletcher, of Clarkson, an old Orangeville boy, and Reeve Orr, of Toronto Gory, took in the Orangeville Fair on Friday.

Mr. Gordon McKelvey, who has been clerking in the Adamson Hardware Co., left town Saturday night to attend High School in Shelburne.

Mrs. Orange Jull, of Toronto, is visiting Mrs. Kearns, Prince of Wales Street.

Editor A. D. McKitrick, Mrs. McKitrick and two children are in Wiarton this week attending the marriage of Mrs. McKitrick's sister, Miss Myrtle Browne, to Mr. Robert James Rose, of Kenora, Ont.

The members and adherents of Mrs. R. Irwin's and Mr. R. Fairbairn's S. S. Classes of St. Andrew's Church held a jolly dinner-party last Wednesday evening in the honor of members of both classes who are leaving town this fall. After dinner a hike through the country was indulged in.

Miss Belle Murchison has returned home after nursing in Arthur for some weeks.

Miss Emma McLean, of Detroit, is visiting Mr. and Mrs. Geo. McLean, Zina St.

Mrs. F. C. Island and Mrs. Logie Bell are visiting in Rochester, N. Y., for a couple of weeks.

Mrs. John Pollard and Miss Margaret Flesher, of Toronto, were visitors at the Fair on Friday.

Miss Katie Scott, of Toronto, spent a few days in town this week and visited the Fall Fair on Friday.

Mrs. J. Newell and Miss Newell, of Toronto, are visiting Miss Birdie Leighton before leaving for Florida.

Misses Grace Green and Annie Murdock and Mrs. R. Murchison, of Arthur, were the guests of Mrs. B. Cook last week.

Mr. and Mrs. Alex. Walker, West Broadway, have returned home after a two weeks' vacation in Toronto and Alton.

Mrs. J. McDonald and Mrs. J. J. Smyth, of Toronto, spent Friday with friends in town and took in the sights at the Fall Fair.

Mr. John Atkinson and Miss Edna Atkinson, brother and sister of Rev. D. G. Atkinson, of Mono Mills, have arrived in Canada from Belfast, Ireland.

Mrs. Cruikshank and children left on Thursday for their home in Balcarres, Sask., after a three months visit with her parents, Mr. and Mrs. Wm. Braiden.

Mr. and Mrs. Austin Arthur and little daughter, of Toronto, are visiting Mrs. Arthur's parents, Mr. and Mrs. W. H. White, and other friends in Orangeville and vicinity.

Mr. and Mrs. Edward Berwick, Shelburne, Ont., announce the engagement of their youngest daughter, Dolce, to J. Harry Zinn, D. D. S., the marriage to take place early in October.

The engagement is announced of Henel M., only daughter of Mr. and Mrs. James Alexander, of Belwood, and Alex. L. Park, eldest son of Mr. and Mrs. Wm. Park, "Bougensourie Farms," Dufferin County, the marriage to take place at "Maple Grange" late in September.

Our former townsman, Mr. Robt. Hewitt and his daughter, Mrs. William Reid, both of Toronto, were among the Fall Fair visitors on Friday. Mr. Hewitt is looking well despite his advanced years and enjoyed to the full the pleasure of meeting many of his oldtime friends and acquaintances.

Elsewhere in this issue our readers will find an article headed, "A Question of Schools." It is hardly necessary to state that The Banner does not agree with the opinions expressed by the writer. The fact that it has been sent to The Banner and is being sent to other newspapers in the Province for publication as paid matter is evidence that a movement is being made to bring pressure to bear on the Government of the day to secure amendments to the Assessment Act, which Archbishop McNeil declares are in the interest of national unity and fair play. Public Schools supporters, would be well advised to prepare to combat the movement that is evidently about to be made to secure favors for the Separate Schools of the Province. If Archbishop McNeil and the Roman Catholic Church are so much concerned about national unity, why not consent to the abolition of Separate Schools. We will never have real national unity until we can have all classes of children educated in our public schools. The policy of separation so sedulously fostered by the Roman Catholic hierarchy constitutes an insuperable barrier to the national unity about which the Toronto Archbishop professes to be so greatly exercised.

U. F. O. CONVENTION

Dufferin County United Farmers are arranging to hold a convention in the Town Hall, Shelburne, on Saturday afternoon, October 8th, for the purpose of putting a candidate in the field for the House of Commons. A number of names are mentioned as likely to go before the convention. Amongst those said to be likely to get the nomination of the convention are Mairn McNaughton, County Director; R. J. Woods and Archie Vance, of Melanethon; J. A. Marshall, of Mono; H. H. Hilborn, of East Luther; W. H. Gillespie, of Amaranth, and Malcolm McCormick, of East Garafraxa, this year's president of the Dufferin Agricultural Society. The Banner was informed by one of the gentlemen whose names we have just mentioned, that none of the men whose names are connected with the nomination, are making a canvass for the honor. In his words it will be a case of the office seeking the man rather than the man seeking the office.

MONO MILLS

CAMILLA

(Intended for last week.)

Miss Rilla Marshall, of Toronto, is visiting her uncle, Mr. J. A. Marshall and other friends here.

Dr. Harry and Mrs. Culp and friend, of Toronto, spent the week-end with the Rayfield family.

Mr. Fred Rayfield, B. A., left last week for Port Arthur, where he will teach in the Collegiate.

Misses Bessie and Mary Reid have gone to Toronto to attend school there.

Miss Greer, of Washington, D. C., Dr. Murray and Mrs. Bremner, of Toronto, were guests of Mrs. Bremner last week.

Miss McCann, of Orangeville, spent Sunday with Miss May Madill.

A large congregation greeted our former pastor, Rev. A. J. Fowlie, who preached a very able sermon last Sunday, in his old time good form.

Miss Coutts, of Toronto, is a guest at the manse.

Many friends regret to learn of the serious accident which befell Mr. R. J. Galbraith and his two children when his horses ran away last Thursday. Mr. Galbraith was severely bruised and shaken up, Robert had his arm and side badly torn. The little daughter escaped with an injured hand.

Almost the entire population attended the School Fair at Mono Centre Monday.

Miss Evelyn Patterson, of Orangeville, was home over Sunday.

ANNIVERSARY SERVICES

Hockley Methodist Church will hold its anniversary services on Sunday, October 2nd, when Rev. F. Partridge, of Orangeville, will occupy the pulpit. Services at 2.30 and 7 p.m. 12-2t

HARVEST FESTIVAL SERVICE

Harvest Festival Service will be held in the Salvation Army Citadel, Mill St., on Sunday, Sept. 25th, at 11 a.m. and 8 p.m., by Capt. Hickling, Lieut. Pettigrew and Lieut Fraser, of Toronto.

REID—In Alton, on Friday, Sept. 9th, 1921, Gertrude, infant daughter of Mr. and Mrs. A. M. Reid, aged 10 months.

DURKEN—In Winnipeg, on Wednesday, Sept. 7th, 1921, John D. Durkin, formerly of Amaranth and Grand Valley, aged 75 years.

IN MEMORIAM

In loving memory of our dear sister, Mary Thompson, who died September 23rd, 1918.

You are not forgotten, sister, dear,
Or ever will you be;
For as long as life and memory last
We will remember thee.

The happy days we once enjoyed,
How sweet their memory still;
But death has left a vacant place
No one can ever fill.

Brothers and Sisters.

Rheumatism?
Or Neuralgia, Sciatica, Lumbago?
The remedy is simple, inexpensive, easily taken and harmless.

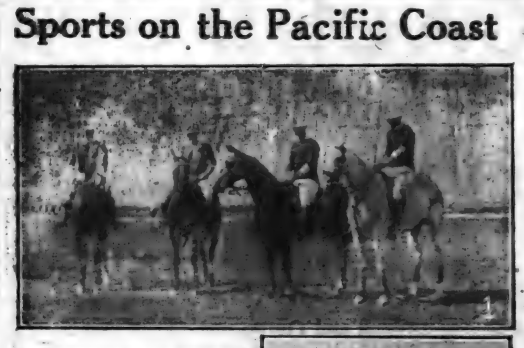
HOSPITAL NOTES

The Daughters of the Empire War Memorial Bursary, open to sons and daughters of soldiers or sailors killed or permanently disabled overseas has just been awarded, for 1921, to Mr. Gordon R. Maybee, of Napanee. Mr. Maybee is the son of F. R. Maybee, of the 71st Battalion, C. E. F., who was permanently disabled in 1917. He has been attending the Napanee Collegiate Institute and has just taken very high standing in the Honour Matriculation examinations. Mr. Maybee's record at school has been excellent, not only in his school work, but in sport, rifle shooting, and various school activities.

This Bursary is awarded every year, and is of the value of $250 a year for four years. It may be held in any university in Ontario. A similar Bursary is awarded in each of the other Provinces. Last year, as one of the Provinces had no candidate, two Bursaries were awarded in Ontario, one to Miss Edna Green, Toronto, and one to Mr. William Penman, St. Catharines. These Bursaries are part of the War Memorial of the Daughters of the Empire, founded in memory of the Canadians who fell overseas.

On the charge of counselling and procuring Percival Brown, of Georgetown, unlawfully to commit pehjury, at Georgetown, on August 11, Thos. Hartshorn, of Glenwilliams, came before H. P. Moore, Police Magistrate, for preliminary trial and was committed for trial.

Sports on the Pacific Coast



Surely there is no centre in the world where one can get such a variety of summer sports as in Vancouver, B.C. There are several excellent beaches for bathing, there are half a dozen different lots of public tennis-courts within the city limits; there are several golf-courses, baseball and lacrosse, a polo-ground and at Brighouse Park where recently the Vancouver team played games from Kamloops and Calgary.

Saturday afternoon nearly always finds a couple of cricket matches being played at the beautiful grounds down at Brockton Point.

But the most popular of all amusements in Vancouver are motor-boating and yachting. The harbour, dotted by the Yacht club is dotted with pleasure boats of every size and build; motor-power boats from the little row-boat with an outboard motor fixed inside it right up the scale to the beautiful new launch from Seattle, 110 ft., built originally for a submarine chaser.

All the sailing boats turn out for the regattas held at various points along the coast. There are 16 "kittens," 15 feet boats of the "Cat boat" class, the "Sir Tom" and the "Sphynx" of the "X" class, the "Princess," a 60 ft. yawl, the "Patricia," built specially for the Lipton Cup between Vancouver and Seattle, and the only boat on the Pacific Coast that has the Marconi rig.

But these are only a few of the hundreds of boats that dot the blue waters of Burrard Inlet or the many adventurous nest outside on a summer's afternoon.

(1) The Vancouver Polo Team at Brighouse Park.
(2) Sailing in Vancouver Harbor.

ST. ANDREW'S Y. P. S.

A well attended meeting of the members of the Y. P. S. for the purpose of reorganizing for the coming year, took place at St. Andrew's Church on Monday evening last. Last year's Vice-President, Mr. R. Fairbairn, occupied the chair. Before commencing the election of officers Mr. Mahaffy gave a short talk to the members on preparing for the coming season's work. After a lively election the following officers were elected:—

Hon. Pres.—Mr. F. W. Mahaffy.
Pres.—Murray McKitrick.
1st Vice-Pres.—Mr. F. W. Ellis.
2nd Vice-Pres.—Gordon Adamson.
3rd Vice-Pres.—Dr. R. N. Kyles, (representative of Session)
4th Vice-Pres.—Mr. R. Fairbairn, (representative of Managers.)
5th Vice-Pres.—Mr. J. B. Adamson, rep. of Sunday School.)
Secretary—Miss Mary Hughes.
Assist. Secy.—Miss Gwen Sproule.
Treasurer—Miss Mabel Ogston.
Pianists—Misses Clara Kannawin and Mary Hanley.
Consecration Com.—Miss Jessie Campbell, con.
Citizenship—Carl Hanley, con.
Missionary—Miss J. McArthur, con.
Literary—Mis Leila Hamilton, con.
Social—Miss Jessie Fleming, con.
Music—Mr. A. Hannahson, con.
Membership—Miss Gwen Sproule, con.

SISTER DIED

On Sunday morning, Sept. 11th, Dr. Allan Gibson, of Hillsburg, received word that his sister, Agnes, Mrs. John McDougall, had passed to her eternal rest. Mrs. McDougall was the second daughter of the late James Gibson, and was born on lot 5, 10th con. of East Garafraxa, fifty-eight years ago. She was married to Mr. J. McDougall twenty-three years ago, and resided on their farm at Metz until eight years ago, when they moved to Arthur, where Mr. McDougall died three years ago. Mrs. McDougall was a kind-hearted woman, and beloved by a large circle of friends. She was a Presbyterian in religion, and was devoted to her church. Through her long sickness she was patient and bore her great suffering with Christian fortitude, and prayed to be taken to her eternal home, where there is no pain. She and her friends looked upon death as a blessing, and something not dreaded, but welcomed. Blessed are the dead which died in the Lord, from henceforth they rest from their labor.

TWO OLD PAPERS.

Picton Gazette and Brockville Recorder Reach Ripe Old Age.

To the Picton Gazette at 90 are to be extended the congratulations due, not to a hoary patriarch, but to a senior of the press whom time has touched but to improve. The years of a man can seldom exceed three score and ten, but who can say what shall be the span of life for a newspaper that never falls into bad hands? Editors may come and editors may go, but the newspaper that is well edited and well managed goes on forever. For it, length of days is an asset. All other conditions being the same a newspaper at 90 has a stronger hold on life than the same newspaper had at 80. Most papers in this country have been subjected to severe tests in the last few years. The newspaper casualties of that period were numerous, and the papers that lost their identity through absorption by rivals were also considerable in number. The press has by no means come to smooth sailing yet, for the price of newsprint is higher than ever, and scarcely anything entering into the production of a newspaper costs less to-day than it did in the crisis of the war. Started as the Hallowell Free Press on December 30, 1830, the Picton paper became the Gazette six years afterwards. "Gazette" was a favorite name for early Canadian newspapers. In a letter to the editor of the paper Mr. Wellington Boulter, for many years one of the prominent business men of Prince Edward County, has this to say: "The Gazette has steadily been the organ of the grand old Liberal-Conservative Party, established by Canada's greatest statesman, the late Right Honorable Sir John A. Macdonald, who came to Prince Edward from Scotland." In its anniversary issue the Gazette has a poem in which the paper itself is represented as soliloquising. One stanza is as follows:

"By the flickering candle-light
I was read by dame and squire,
Or, when pine knots, blazing bright,
Served alike for light and fire."

On January 16 the Brockville Recorder rounded out a full century. A hundred years is a long time in the history of this province, and a little short of the whole stretch covered by the history of Ontario journalism. The Recorder's files reflect the joys and sorrows of pioneer life in a section of Ontario that from the first has taken an important part in the affairs of Ontario. The Brockville Recorder and Times is an enterprising and influential paper that is published every day. It has been owned and edited by men who have taken a prominent part in the work of promoting the interests of the newspaper business in the province. In 1863 Col. Wylie, who was the founder of the paper, was president of the Press Association of Ontario. He delivered his presidential address in verse. Hon. George P. Graham, who has conducted the paper since early in the nineties, is the president of the company by which it is owned. Throughout the hundred years of the Recorder's existence politics was a matter of polemics, in which that newspaper bore its due part on the Liberal side. Few Ontario Liberal papers published outside the principal cities were more widely quoted in political discussions than the Recorder.

Became a Canadian.

Rev. H. A. Berlis, who was elected on January 1 to be a school trustee in the city of Toronto, has had an eventful career. Born in the new Republic of Latvija, he is a descendant of the old French nobility. This little country has proved to be one of the most progressive of the European republics, and has already established a mercantile marine of its own. Its flag is red, with a white bar.

Mr. Berlis came to Canada in 1903 and was naturalised in 1906, when he entered Knox College and surprised everyone with the brilliance he exhibited in mastering the language of his adopted country. In 1909 he graduated and entered the Presbyterian ministry. His first charge was at Victoria Harbor, Ont., and from there he moved to the Robertson Memorial Church at Winnipeg. In May, 1917, he became pastor of Rhodes Avenue Presbyterian Church, Toronto, and has attracted such attention that his church is now overcrowded. Few persons would suspect that Mr. Berlin was of foreign birth; as in appearance, voice and manner he is thoroughly British. More than this, he is British in spirit, being imbued with the highest of British principles and enthusiastic for the well-being of the land of his adoption. During the recent elections he proved himself to be the most eloquent speaker on any of the platforms. At one meeting an opponent called out: "What nationality are you?" To which Mr. Berlis replied emphatically: "I am a Canadian."

Canada's Peat Bogs.

The peat bogs of Canada contain at least 9,000,000,000 tons of peat. It is not certain whether Canada's supply can be utilized enough to be a great commercial success. The countries which have met with the most success in putting peat on a paying basis are Germany, Sweden and Italy. Canada's product is quite up to the standard of the European, although the European countries have an advantage, as most of them have had specially constructed furnaces for the use of peat.

Poison Pistol.

One is not permitted to carry firearms, but a "poison pistol" is different. There is no law forbidding it.

It is a new idea, the invention of a Frenchman — most like an ordinary pistol in appearance, but without cartridges or bullets. Its handle, however, contains a poison gas fluid.

If a bandit comes along, you press the trigger, and the pistol shoots a thin stream of the fluid in his face. It puts him out of business instanter.

THE TORTURE OF INDIGESTION

Thousands Made Miserable By This Trouble

"FRUIT-A-TIVES" Relieves It

What is Indigestion and what causes it? As you know, solid food must be changed into a liquid by the stomach before it can be taken up as nourishment by the blood.

The stomach acts as a churn. It is covered by a strong, muscular coat and lined with a soft, delicate membrane which secretes the Gastric Juice which digests or dissolves solid food.

When food enters the stomach, the muscular coat squeezes and presses the food from end to end, or churns it, with the gastric juice to dissolve or digest it.

But—if the stomach muscles are weak—or if the dissolving fluid is poor or insufficient—then food cannot be digested properly and you have Indigestion.

"FRUIT-A-TIVES" is the most wonderful medicine in the world for strengthening the stomach muscles and providing an abundance of pure, full-strength dissolving fluid to completely digest every meal. "FRUIT-A-TIVES" does this because it keeps the kidneys active, the bowels regular and the blood pure, which insures pure Gastric Juice.

"FRUIT-A-TIVES" will correct your Indigestion or Dyspepsia and enable you to enjoy every meal. Try it.

50c. a box, 6 for $2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

PROVED TRUTH OF OLD SAYING

Incident Should Have Convinced Woman That Adage Had a Foundation in Fact.

An occasion when ignorance was bliss is recalled by Mr. Newton MacTavish in the Canadian Magazine.

I recall one woman, he says, who always used all her own butter on her table. But one unfortunate day she discovered a dead mouse in the crock of cream. Not daunted, however, she did the usual churning and produced a fine-looking roll of butter. But she couldn't eat it, though she knew the butter would satisfy anyone who did not know about the mouse. So she took it to the storekeeper, told him the truth, and asked whether he would exchange it for a roll from his cellar.

"You know," she said, making a slight misquotation, "for what the mind doesn't know the heart won't grieve about."

"Oh, that's all right!" replied the obliging storekeeper. "I'm glad to accommodate you."

He disappeared into the cellar and a moment later reappeared with a roll of butter similar to the one he had taken down.

The woman thanked him and departed. A few days later she was in the store again.

"How did you like the butter I gave you the other day?" the storekeeper asked.

"It was just lovely," said the woman, "just lovely. I couldn't have told it from my own."

"Neither could I," said the storekeeper. "You know that what the mind doesn't know the heart doesn't grieve about. That butter was your own."

S. S. No. 1, Albion, is open again, after being closed for a year on account of lack of school population. Twenty pupils are now in attendance.

I SUFFERED FIVE YEARS

Finally Was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Paris, Ont.—"For five years I suffered from pains caused by displacement of my organs and in my back. All of this time I was unfit for work and was taking different medicines that I thought were good. I saw the advertisement in the papers of Lydia E. Pinkham's Vegetable Compound and took it faithfully. I am now in perfect health and do all my own work. I recommend it to others, and give you permission to publish this letter in your little books and in the newspapers as a testimonial." —Mrs. D. CASSADY, Box 461, Paris, Ont.

Why women will continue to suffer so long is more than we can understand when they can find health in Lydia E. Pinkham's Vegetable Compound!

For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

There is only One
Thomas A. Edison
—that is why there is only *one* Amberola.

That is why ordinary "talking machines" and commercial phonographs cannot compare with it for clarity and beauty of tone. That is why

Edison's New Diamond
AMBEROLA

is the "world's greatest phonograph value."

Thomas A. Edison invented, conceived and created the Amberola. It is a master product of the world's greatest mind—the instrument that fulfills Mr. Edison's desire to see good music in every home.

To carry out this desire, Mr. Edison has directed us to deliver to you free of charge a New Diamond Amberola and a dozen Amberol Records for a three-day trial in your home.

Come today to our store. You and your family can enjoy

"Three Days of Good Music—FREE"

without obligating you in any way. You can name *practically your own terms* when you buy. Letter or 'phone will bring the Amberola to your home if you can't call.

Adamson Hardware Co.
ORANGEVILLE.

J. G. Mitchener, of Clarkson, was seriously injured when he was struck down by a motor-cycle driven by W. Banks, the manager of the Country Club at Clarkson, on the Toronto and Hamilton Highway, just east of the Country Club. Mr. Mitchener sustained a compound fracture of the right leg and injuries to the back which led the doctors who attended him to believe that there is a possible fracture of the spine. There is also a paralysis of the lower extremities.

Three years ago, Chief Herkes, of Brampton, planted a peach stone, just one of the ordinary variety, taken from a peach purchased in a basket in a Brampton store. This year he gathered eighteen peaches from the tree, the largest of which weighed ten ounces and eight ounces respectively.

WONDERFUL GAIN IN WEIGHT REPORTED

Young Woman Only Weighed 76 Pounds—Now Weighs Over 100 and is Gaining Every Day.

"Before I began taking Tanlac I only weighed 76 pounds, I now weigh over one hundred and am gaining every day," said Miss LaRue Davis, of Chattanooga, Tenn.

"I bought my first bottle of Tanlac at Gas City, Ind., and it helped me so much that I continued using it. I have always been very delicate and suffered a great deal from stomach trouble and rheumatism. I rarely ever had any appetite and simply could not relish anything. I fell off until I only weighed 76 pounds and was so thin I looked perfectly awful. This is the condition I was in when I began taking Tanlac.

"Oh, I feel so different now. Even my complexion is improved. My appetite is good and I can hardly get enough to eat. Tanlac is simply grand and I can truthfully say it is the only medicine that ever done me any good."

Tanlac is sold in Orangeville by C. V. Jeffers, and by leading druggists everywhere.

Six beavers dug their way out of the Bronx Zoo at New York into the river under a concrete wall built to prevent their adventuring.

A mother bear and her cubs were week-end visitors at Basswood Lake, Thessalon, and many deer have been seen recently on the Nestorville road.

Mrs. "Mike" Ryan, of Kenora, was awakened about 2 o'clock by the explosion of a lamp, and barely escaped with her four children from the fire that resulted.

Village of Kapapana, in Hawwaii, claims the distinction of having the oldest bridegroom. A native there, D. Kaapana, 100 years old, has just married a blushing widow of 60.

Reeve Thomas Quinn was good enough to furnish the Conservator with some valuable material for this article, his recollections dating back fifty years in the history of the village.

One chain of hotels in New York has gathered up 3,000 straw hats since Sept. 15. Every hotel in the city is faced with the problem of what to do with the discarded headgear.

Quick and courageous action on the part of Miss Tilly Jackman, of Killarney, saved the life of her friend, Miss Margaret Gangham, when the latter fell from a boat in the channel.

Several changes have been made in the staff of the Ontario Reformer, Oshawa. Geo. A. Martin, formerly of Kitchener Daily Telegraph, the Stratford Herald and other Ontario dailies, becomes editor.

The new regulations governing the shooting of partridge make it illegal to shoot these birds except between November 5 and November 20 and not more than 10 may be killed in any one year.

In many districts in Ontario the law regarding the use of "dimmers" on automobile headlights is being strictly enforced. Instructions have been issued by the Attorney-General's department that motorists, who fail to dim their lights when meeting another auto, be prosecuted.

Mr. Robert Galbraith, Public School Inspector of North Wellington, has issued a list of teachers under his jurisdiction. We notice that our Public Schools are now nearly all taught by women. In several municipalities there is not a male teacher, while the most that any municipality has is one. Even in the towns of Harriston and Palmerston the staff is all of the gentler sex.—Mt. Forest Enterprise.

Up at Penetanguishene one may happen to run across contraband anywhere and at any time. While engaged in levelling the grounds where the old summer hotel used to stand workmen unearthed seven bottles of three-star brandy, some old rye whisky, and several bottles of champagne, buried in about six feet of ashes. The liquor must have been stored in the cellar when the hotel was burned. The Herald says that it was all good stuff, and the men did not drink much water the rest of that day, but were dryer than the desert of Sahara the day following.

When Arthur Brown's barn and storehouse were burned recently, an apple tree was badly scorched by the heat of the fire. One side of the tree was crisped, the apples being baked where they hung. To-day the good side of the tree, which was uninjured by the fire, is a mass of beautiful bloom, and, bar frost and bad weather, would produce a crop. The tree is a cross between a Snow and a Baldwin. The apples are of a very fine flavor and keep through the winter until late spring without loss of flavor. Two years ago Mr. Brown gathered five barrels from the same tree. The new bloom is evidence that the tree intends to carry on.—Conservator.

ECZEMA You are not experimenting when you use Dr. Chase's Ointment for Eczema and Skin Irritations. It relieves at once and gradually heals the skin. Sample box Dr. Chase's Ointment free if you mention this paper and send 2c. stamp for postage, etc. a box; all dealers or Edmanson, Bates & Co., Limited, Toronto.

ITEMS OF INTEREST OF DUFFERIN AND DISTRICT

Parry Sound waterfront was swept by fire causing a loss exceeding $500,000.

Mrs. C. W. Price, St. Catharines, committed suicide by taking carbolic acid.

St. Catharines' new street sweeper is saving $435 per month over the old system.

Rev. A. Remington has been appointed pastor of the Teetersville Baptist church.

Oshawa will build a storm sewer this winter in order to provide work for the unemployed.

Oxford County Anglican Sunday School Association will meet in Otterville on October 18.

Niagara district grape crop will be practically all harvested by the end of next week.

Lieut.-Gov. Harry Cockshutt laid the cornerstone of the Soldiers' Memorial Hospital at Orillia.

North Bay is soon to become one of the most important railway junctions in the Dominion.

It is said that a summer with a big corn crop is usually followed by a winter of severe frost and heavy snow.

Erin ratepayers will, on Sept. 29, vote on the question of whether or not they will erect a new school building.

More than 1,000 subscribers to the Norfolk County Telephone Co. have ordered their phones taken out, rather than pay the increased rates asked for.

Provincial officers have found a well-equipped working still in the bush near Speyside, eight miles from Milton.

Guelph has again a clean bill of health and there has not been a case of contagious disease reported for a week.

Dunnville ratepayers defeated a by-law to spend $60,000 for the construction of a new pumping and filtration plant.

Mrs. A. Smith, formerly of Kitchener now living at Lake Saskatoon, was seriously injured in a runaway accident and her 10-months-old baby was killed.

Following a shock sustained in a recent accident ex-Warden W. J. Foy, for many years prominent in the municipal life of Dover township, died at his home.

In view of the coming election if you are eligible and want a vote you would be wise in making sure that your name is on the present list or added to the suplementary list which will be prepared.

Archie Greer, of Mansfield, who recently took first prize at Toronto Exhibition with his seed oats in grain and sheaf, was awarded fifth place for grain at the Central Canada Exhibition at Ottawa.

Fred Heimbecker, Sr., of Hanover, sent a hive of common bees to his son, Norman, in Winnipeg, in May last. A few weeks ago Norman extracted the honey, realizing 300 lbs. in 28 pound sections.

A Carrick farmer shipped four sheep to Toronto. The sheep weighed 777 lbs. but shrunk 97 lbs. on the way to market. The sheep were sold for $13.60 and the shipper was charged $1.05 per cwt. commision and expenses. The net amount received for the four sheep was $6.46.

A young man whose action speaks for itself in judgment on him, got into a hot dispute at the lacrosse game in Shelburne and made as though to draw a gun. He was at once taken into custody. A revolver of a sort was found on him and he was fined and let go with a warning.

With a view to stimulating farming in Ontario the Provincial Government is about to commence a campaign to place 5,000 British farmers on 5,000 Ontario farms. Agent General W. G. Noxon, in London, England, will handle a special advertising campaign and agricultural representatives throughout the province have been instructed to forward details of the number of farms and cost of them to him. The campaign will be furthered by the use of motion pictures depicting farm life in Canada.

Chief Herkes has recovered Mr. R. Lee's Ford car, stolen from the garden party at Caledon East early in August, at Kemptville, near Ottawa. The Chief and Mr. Lee motored down there this week, 305 miles. The car was found in the possession of a road foreman who bought it from three French Canadians for $50, $25 cash and the balance to be held in trust by the village clerk. He also paid out $45 for repairs and the total the road man is out for buying a stolen car is $65. Against this he had the use of the car for a month.—Peel Banner.

An advice from the superintendent of fairs to the secretary of the fair here states that the government grant to Alliston fair this year is $151. The secretary has received from Mr. W. T. Allen, M.P.P., a cheque for $10. This is a habit Mr. Allen formed early in his legislative period and has kept it up ever since. Fair finances are in such a condition that these contributions will be welcomed. Last year preparations were all made but no fair was held on account of an unseasonable snow storm. The society received wet weather insurance, which went a long way towards paying expenses incurred, but the lack of any surplus has been felt all year.—Alliston Herald.

John Johnston, of Detroit, fell from a G. T. R. train at Cornwall, sustaining fatal injuries.

After listening for a time to the blazing curses of her husband, a Boston wife went out and pulled the fire alarm. She said she thought she was calling the police, but neighbors insisted she made no mistake.

The entire population of Blair, Neb., led by a brass band, turned out to welcome home a reformed banker, who was short $6,000,000; while in Texas last week, they tarred and feathered a real estate man who embezzled $600.

September 21st was the day the sun crossed the equator and we had an equal day and night. Equinoxial storms were also in season and the wind south, which is supposed to be the prevailing direction for the next three months.

The municipal clerks have been notified by the Provincial Secretary that on and after October 1st next, they will be empowered to issue marriage licenses. The cost of a marriage license is $5.00, of which the clerk is allowed to pocket $1.00 for his trouble.

A woman who owns a yard facing 50 feet on Fifth avenue, New York, in the centre of the city's most fashionable shopping district, refuses to sell it because "her cat has to have a place to play in." The property is worth $750,000.

A man asked a friend what he considered was the solution of the present industrial chaos. He received this reply: "Labor must come down; capital must come across; efficiency must come up, and taxes must come off.—Forest Free Press.

THE money in your pocket is much more easily spent than the money you have in the bank. A dollar here and a dollar there, and it is soon gone and nothing to show for it. The mere fact that you have to write a cheque to withdraw your savings from a Bank of Hamilton account is sufficient to prevent useless expenditures.

On and after October 1st, 1921, the rate of postage on letters from Canada to other places in the Empire has been fixed at 3 cents and oz., or fraction thereof. As an example of above, the repayment required on letters posted for delivery within the Empire now includes a war tax of one cent each. Letters weighing one oz., or less, to places outside of Canada, but within the Empire, should be prepaid 4 cents. Letters weighing more than an oz. should be prepaid 4 cents for 1st oz. and 3 cents for each subsequent oz. or fraction of an ounce.

REDUCED PRICES ON WALL PAPERS

For the balance of the Year we will reduce the Price of all Wall Papers from 20 to 35 per cent.

We have also purchased a Job Lot direct from the Manufacturers, all this season's Goods and the best designs and colorings, at from 25 to 50 per cent. below regular Wholesale Prices. These Goods will be in Stock in a few days and will be marked to sell at such Prices, that every one may have their homes made bright and cheerful for the coming winter at a moderate outlay.

This will be an exceptional opportunity to procure bright, New Papers at very low prices.

We wish, however, to state that the 1922 Factory Prices warrant no such Reductions as we are putting into effect and that these extremely low Prices apply to our present Stock only, which is complete in every line, and 90 per cent. this year's Patterns and Made in Canada by Canadians for Canadians.

We have a complete Stock of the famous Brandram-Henderson Paints, White Lead, Linseed Oil, Turpentine, Putty, Varnish, Brushes, Glass, Vitraphanie, Glue, Paste, Fibre Veneer, etc., at Lowest Prices.

WIFE GAVE POISON

Is Belief Expressed by Coroner's Jury in Verdict on Death of Robert Lee.

Wife of Dead Man Arrested at Rosemont and Lodged in County Goal Here.

The inquest into the cause of the death of Robert Lee, of Rosemont, on August 23rd last, was concluded in the Court House here about 11 o'clock on Thursday night last. The finding of the jury upon the evidence was expressed in a verdict which stated:—

"That Robert Lee came to his death on August 23rd by strychnine poisoning, and we believe, from the evidence, that the said poison was administered by his wife, Mabel Lee, in medicine, on the evening of August 22."

The concluding sitting of the enquiry created the same keen interest that had been evinced during the earlier stages. The court room and its entrances were crowded to suffocation. Mrs. Lee was not present, but was represented by Mr. C. R. McKeown, who has been retained to look after her interests.

Mr. J. E. White, a Shelburne druggist, and his assistant testified that Mrs. Lee had purchased strychnine in White's store on May 31st and July 25th. On the first occasion she said that the poison was for killing rats. When she made her second visit she stated that the strychnine was required to kill some dogs, which had been making a nuisance of themselves around her place.

Dr. S. T. White, of Shelburne, told of his visit to the Lee home on the day of Lee's death in company with Dr. McLean, who had been called in the previous night to attend the dying man. Witness described the appearance of the body, narrated the suspicious circumstances connected with the death and told of his subsequent action in placing the facts before Dr. Rooney, the Coroner.

The evidence of Drs. T. H. Henry and R. N. Kyles, who made the post mortem examination, showed conclusively that Lee had died from the effects of strychnine poisoning. The jury were out about an hour and a half considering the verdict. At the conclusion of the inquest County Crown Attorney J. L. Laland announced that he would take immediate steps to issue a warrant for the arrest of Mrs. Lee.

The Crown Attorney was as good as his word and by midnight High Constable Marshall and Chief Ewing were armed with the warant and ready to start for Rosemont to make the arrest. The two officers set out immediately, making the twenty mile journey from here to Rosemont by motor. They found Mrs. Lee at her home, where she had remained at liberty and without surveillance of any kind since the death of her husband. Although it was the small hours of the morning when the officers arrived at the Lee domicile they found lights still burning in the house and were surprised to find that Mrs. Lee had not retired to rest. When apprised of the object of the officers' visit at such an unusual hour she at first flatly refused to leave the house. When it was made plain to her that she had no alternative in the matter and would be obliged to accompany the officers, she finally consented to go to Orangeville without making any resistance.

Mrs. Lee and the two officers reached Orangeville in the early dawn of Friday morning. The suspected woman was not immediately taken to the county gaol as is usual in such cases, but was taken to the home of High Constable Marshall, where she was detained under close surveillance until Saturday evening, when she was conveyed to the gaol and lodged in one of the cells. Mrs. Lee is inclined to be voluble and commented freely on the death of her husband when arrested and on her way to Orangeville. She also talked freely after her arrival here, frequently making use of such expressions as, "They cannot prove it," and "How can they prove it against me?" She is a strongly built, well-preserved woman and gave her age as 43 years. The accused woman protests her innocence in most vigorous and emphatic fashion.

The preliminary hearing before P. M. Pattullo has been fixed for Monday next, Oct. 3rd, at 10 a.m. The hearing will take place in the Court House. Mrs. Lee will remain in gaol until the conclusion of the hearing. Should she be committed for trial, there is a possibility that the Crown may consent to allow bail until the time of the trial.

Although the air is filled with rumors of all kinds purporting to give motives for the crime—if crime there has been—no definite motive has been suggested so far in the evidence. It was, however, brought out during the enquiry that Lee had carried $1,000 insurance in the Canadian Order of Foresters. This, the Crown states, was payable to the widow in the event of the husband's death.

WHAT IS THE LABEL FOR?

In the first place it is to help the postal service to deliver the paper to the right party. In the next place it informs the subscriber as to how his subscription stands, whether paid in advance or in arrears. It's a receipt for money paid, or a reminder of money that should be paid. Look at your label and see how you stand with the publisher. The month indicates that you are paid till the first of that month, unless otherwise indicated. The figures after the month indicate the year to which the subscription is paid, 1920, 1921, 1922, mostly indicated by 20, 21, 22, as the case may be.

DRENNAN—BELL

pretty wedding was solemnized Presbyterian Church, Beeton, Wednesday afternoon, September when Velma May, youngest ter of Mr. and Mrs. W. J. of Beeton, became the bride of George F. Drennan, second son late John and Mrs. Drennan, Alliston. The service was conducted the pastor, Rev. J. N. McFaul. Duff, sister of the groom, sang Mine Alone," during the sign- of the register. The wedding was played by Miss Georgina The church was prettily de- ed in autumn leaves and flow- The bride, who was given away her father, was gowned in white mousse and silver lace, with tulle held in place by a wreath of ge blossoms, and carried a show- bouquet of white roses. She wore old bar pin, the gift of the groom. was attended by Miss Kathleen n, who wore white ninon over ld and black velvet hat trimmed lace, and carried pale pink ses. Two winsome flower Mildred McCutcheon and Dor- Elkins, of Brantford, cousins of the bride, were prettily frocked in pink organdie with pink tulle hair bows; their floral baskets were filled with pink asters. Mr. William Drennan assisted his brother, and the ushers were Mr. Charles McCutcheon, of Brantford, and Mr. Joe Drennan. Immediately following the ceremony Mr. and Mrs. Bell held a reception at their home. The bride's mother was gowned in black charmeuse with touches of blue, and corsage bouquet of pink asters, and black velvet hat. The groom's mother wore black charmeuse and mauve asters and black picture hat. The happy young couple left, amid showers of confetti, for Toronto by motor, then via boat to Alexandria Bay. Mrs. Drennan travelled in a suit of reindeer brown velour trimmed with moleskin, and hat to match. On their return they will reside at "Cherry Brae," Alliston.—Beeton World.

Friends from a distance included Mrs. John Crozier, Mr. and Mrs. Geo. Crozier, of Mono, and Miss Coral Irwin, of Orangeville.

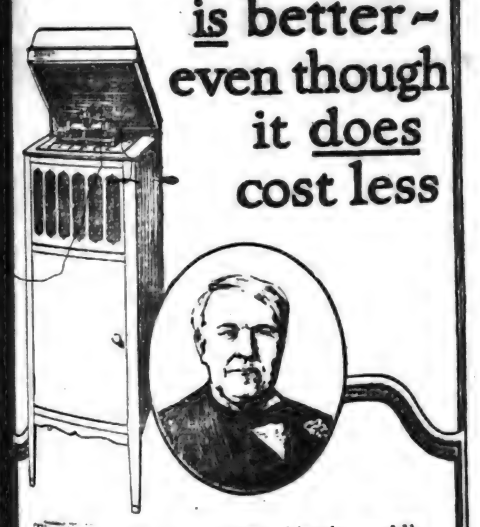
The AMBEROLA is better—even though it does cost less



That is because it was produced by the world's greatest inventive genius. You wouldn't expect anything but the best from Thomas A. Edison.

Edison's New Diamond AMBEROLA

is *better* because it is clear, pure and mellow in tone. *Better* because of the *genuine diamond point reproducer* that does away with the bother and expense of changing needles. *Better* because *Amberol Records* are practically unbreakable and last a lifetime.

And even though the Amberola is vastly superior to ordinary "talking machines" and commercial phonographs, it is remarkably low in price.

Come to our store and hear it. Make us prove that the Amberola is all we say it is.

"Three Days of Good Music—FREE"

If you can't call—phone or write us to deliver an Amberola and 12 records to your home for a *three day trial free.*

ORANGEVILLE.

MISS ANNIE GORDON

Miss Annie Gordon, of Laurel, passed to her eternal rest at the home of her brother-in-law, Mr. Oliver E. Cooney, West Broadway, on Thursday last. Deceased was born in Amaranth 58 years ago and was a daughter of the late Robert and Margaret Gordon. She is survived by two brothers, George E. Gordon, Laurel, and Norman J. Gordon, of Corbetton, and three sisters, Mrs. Robert Tribble, of Laurel, Mrs. Adam Wallace, of Grand Valley, and Mrs. Oliver E. Cooney, West Broadway. The funeral was held from the home of Mr. and Mrs. Cooney to Laurel Cemetery on Saturday afternoon and was attended by a large number of friends and neighbors from Laurel and district. A large number of beautiful floral tributes bore convincing testimony to the esteem and sorrow of friends of the departed woman.

MRS. EMMA A. MEEK

The death of Mrs. Emma A. Meek, which took place at the home of Mr. and Mrs. G. E. Island, lot 5, 1st line, east, Mono, on Saturday, Sept. 10th, marked the close of an interesting career. Born in Germany Mrs. Meek went to England in early girlhood and trained in vocal and piano music. She had natural musical aptitude and made rapid progress in her studies. She married an English gentleman and moved to South Africa where her husband died a few years later. While living in South Africa she was married again, her second husband being a British army officer named Meek. Eventually the couple returned to England, whence they came to Canada some seventeen years ago, settling in the vicinity of Sandhill in Peel County. Mrs. Meek's husband died at Sandhill twelve years ago and two years later his widow came to Orangeville, spending the remainder of her days in and near the town. She was a gifted vocalist and even since coming to Orangeville sang in St. Mark's Church choir and at public entertainments. She was 77 years of age when called home. The funeral took place from the home of Mr. and Mrs. Island to the Forest Lawn Cemetery on Monday, Sept. 12th. Rev. T. H. Stawart was the officiating clergyman and Messrs. G. E., R. H., and S. L. Island, Harry Shaw, Fred Atkinson and Wilfrid Crowe were the pallbearers.

MRS. GEO. YOUNG

Mrs. Geo. Young, an old resident of Adjala, passed away at the home of her son-in-law, Mr. T. J. Mason, lot 1, con. 2, in that township, on Saturday last at the ripe age of 82 years. Deceased had been in the enjoyment of comparatively good health until last February, when she was taken ill with heart trouble. She had been quite poorly since that time. The late Mrs. Young, whose maiden name was Annie Hurst, was a daughter of the late Mr. and Mrs. James Hurst. She was born in Ireland but came to Canada with her parents when quite a young girl. She came to Adjala at the time of her marriage to Mr. Young about 65 years ago. The young couple settled on lot 2, con. 4, Adjala, where they resided continuously until the death of her husband some thirty years ago. Deceased was a kindly, sympathetic woman, whom to know was to love. She was a devoted wife and a tender, loving mother, whose great interest in life centred in her home and the happiness and welfare of her family. The death of a son, Detective Charles Young, of Toronto, less than a year ago, was a heavy blow to the aged mother and contributed to hasten her end. The surviving sons and daughters are Robert Young, of Mono; John, James and William, of Adjala; Edward, of Palgrave; George, who is with the Toronto Hydro-Electric; Mrs. T. J. Mason and Miss Hannah Mason, of Adjala. The late Mrs. Young was an old member of St. Alban's Anglican Church, Palgrave. The funeral, which was largely attended, was held from the home of Mr. and Mrs. Mason to St. John's Church cemetery, Mono, on Monday afternoon. The funeral services were conducted by Revs. J. A. Matheson and D. G. Atkinson. The six sons were the pallbearers.

FRANCIS GABRIEL

Death removed another of Shelburne's well-known and popular citizens early on Thursday morning of last week in the person of Francis Gabriel, at the age of 74 years. News of his death was received with a shock by our citizens, for while Mr. Gabriel had been in failing health for the past year, he was up and around the day previous to his death, which was finally caused by heart trouble. Born in 1847, he emigrated with his parents to Canada in 1852. Ten years later he settled on lot 31, con. 3, Amaranth, and in 1875 he was married to his now bereaved widow, Mary Coates, of Creemore. They then moved to lot 1, con. 3, W. H. S., Mulmur, where the deceased farmed for 19 years. In 1905 Mr. and Mrs. Gabriel retired and moved to Shelburne. Surviving sons and daughters are Major G. F. Gabriel, Toronto; Arthur and Dr. J. M. Gabriel, Shelburne; Mrs. J. O. Reid, Champion, Alta., and Miss Mary Gabriel, who recently accepted the principalship of North Augusta Continuation School. Mrs Jos. Spilker, of Victoria street, Shelburne, is the only surviving sister of the deceased. The funeral, which was delayed to permit the arrival of the deceased's daughter from the West, was held to Shelburne cemetery on Tuesday afternoon of this week, and was under Masonic auspices.—Free Press.

BOWLING GREEN

The Bowling Green Women's Institute will meet at the home of Mrs. John Connor on Wednesday, Oct. 5th, at 2.30 p.m. Subject, "Making a Woman Feel Independent," by Mrs. Morris Johnston.

MONO MILLS.

The members of Royal Black Preceptory, No. 297, will parade to the English Church, Mono Mills, on Sunday evening, October 2nd. Rev. D. G. Atkinson will preach. Sir Knights of neighboring Preceptories are cordially invited to join. Assemble at 6.45 p.m. prompt.

HILLSBURG

The Sunday School Rally Day Service in St. Andrew's Church drew a large congregation of young and old to enjoy the responsive readings and young folks' hymns. The minister, Mr. Harper, conducted the service, speaking on "The Feeding of the Five Thousand."

The anniversary services of St. Andrew's are to be held on Sunday, October 9th, when Rev. S. Burnside Russell, of Hamilton, will preach. There will be a great gathering of the friends of this popular former pastor.

HOCKLEY

Cutting corn is the order of the day around here just now.

We wonder if Percy Colwell will keep the path beat across the fields this winter as usual.

Harry Summerville is losing time since he lost his whip.

Are you working on the hills again, Jack?

It was a heavy trip to the Exhibition, Charlie.

We don't know what J. Varey is doing since he started to drive the gray team.

Joe Irwin will not likely go West now that school has started again.

Joe Varey and D. Pierson say that it would be easier on the buggy shafts if Dave Lee would keep his old sow off the road.

Mrs. G. Varey is visiting friends in Alliston for a few days.

Mr. Ross Coleman was the guest of Mrs. Gamble over the week-end.

CALEDON.

Given fine weather, Caledon Fair bids fair to eclipse any of its former 59 exhibitions.

Last year's experiment of a combined Township and School Fair was so successful that this year finds the fair opening with a bang at 10.30 in the morning and crowding something into every minute until 5.30 in the evening. Of course a few minutes interval is allowed for lunch for which special facilities have been provided.

If one wants entertainment th. School Fair program alone will provide it as well as being most instructive. It is interesting to note that Earl Warnock, a graduate from the School Fair, succeeded last year in capturing the three potato special prizes, winning over many adult competitors, $14.00 on 3 entries.

The races have not always been the best, but a good competition is looked for this year. The track was never in better condition and it has one especially good feature. The race can be seen by all from start to finish.

The lacrosse match promises to be a dandy. What one team lacks in practice may be overcome by enthusiasm.

An event scheduled to take place at 4.30 will be thrilling as well as instructive and one which the Fair must be commended in providing. The danger of fire is ever present in town and country alike, but outside the town, as a rule, there is no efficient means at hand to fight control or extinguish it. Otherwise the village of Caledon would not have had in the past an average of one fire every three years, and each a total loss. It is to prove that, though the fire may start, it can be successfully fought, that the Fair is having an actual demonstration of efficient fire control. At a cost of $250.00 a building, saturated with oil and gasoline, will be set afire, and when seemingly doomed, will be saved and the fire extinguished in —not minutes, but seconds. This fire exhibition is to be given by The Canadian Foamite Firefoam, Ltd, whose fire extinguisher is the only one having the double classification of the fire underwriters.

Another feature which should attract much attention is the exhibit of basketry, beadwork and hammered copper from "Soldiers' Comforts," Toronto. These articles, useful, ornamental and artistic, are all made by disabled soldiers, and are for sale at very moderate prices. The fair does not "make anything" on this, the full amount being returned to "Soldiers' Comforts." At this booth there will be distributed, gratis, to mothers of young children, an interesting and valuable souvenir from the Dominion Board of Health.

Taken all around there seems to have been a whole-hearted effort to achieve the goal of the President, Mr. Dan Sweeney, to "Make them glad they came."

Hay-Fever

SUMMER COLDS, ASTHMA, spoil many a holiday.

RAZ-MAH

Positively stops these troubles! Sneezing, weezing, coughing, weeping eyes aren't necessary—unless you like being that way. $1.00 at your druggist's, or write Templetons, Toronto, for a free trial.

DOWN AND OUT

Toronto-St. Simons Won From Dufferins at Island on Saturday.

Last Year's Champions Nosed Out By Fluke Goal in Last Minute of a Great Game.

The Dufferins, last year's intermediate and senior .O A. L. A. champions, will not bring home any championship laurels this year. They lost their last chance at the Island on Saturday afternoon, when they were defeated by Toronto-St. Simons in the final game for the group championship. The greenshirts looked all over winners in the early part of the game, but some of their players were apparently not in shape to go the distance and in the closing stages of the game the team did not seem to play with the vim and dash that it had displayed in the first half. It was a hard, strenuous contest and several of the Dufferins were badly used up. It may be that the injuries the players received had as much to do with slowing down the team as anything else. Toronto-St. Simons proved themselves adepts at handing out the rough stuff and while they were frequently penalized by Referee Querrie they probably gained more than they lost by their deliberate tripping and slashing of their opponents. The style of game they played has been the bane of lacrosse in the past and is not likely to help to popularize the game in the come-back that the O. A. L. A. officials are so sedulously promoting. Apart from the St. Simons tactics just referred to it was a great game and the winners deserve all kinds of credit for the way they stuck to their task and pulled out a win after a most discouraging start. Despite their win on Saturday the Dufferins are, in our opinion, much the cleverer team and under equal conditions as to condition and officials should win four times out of five. Where the Toronto-St. Simons excelled on Saturday was in training and condition and it was these two factors that won them the group championship. With the exception of McArthur in goal, Dopp and Scott, they have no outstanding men, but they are thoroughly drilled in the game and their success is an example of what a good coach can do with average lacrosse material.

An immense crowd, estimated at fully 6,000 people, saw the game. More than half of the spectators were ardent supporters of the Dufferins and applauded every clever or successful play in the most enthusiastic manner. They had plenty of opportunity to cheer in the opening period, when The Dufferins were all over their opponents. In the first ten minutes of the game the greenshirts ran in three goals, Dr. Zinn netting two of them and Earl Stevenson, who played one of his really good games, getting the third. Toronto-St. Simons were seldom dangerous and the quarter was nearing its close, when Herb Scott tallied their first counter. The second period was scoreless, St. Simons got one in the third and tied up the score within seven minutes of full time. The goal that put the Dufferins out of the senior championship contest came in the last thirty seconds and was of a decidedly fluky character, the ball being deflected from one of the sticks and rolling into the nets while Booth was out of the flags checking a defence man.

Lou Marsh had the following snappy story of the game in Monday night's Star:—

If a man fell off the C. P. R. building at King and Yonge streets on the 12th of July, and landed in a 20-foot snowbank unhurt, he wouldn't be any luckier than St. Simons' senior lacrosse team was on Saturday at the Island Stadium, when they landed the goal which gave them victory over Dufferins of Orangeville in the play-off of the tie in group 2.

St. Simons won on the flukiest goal ever scored in the senior O. A. L. A.

Get the situation down pat and you will appreciate this vagary of the goddess of luck.

A Resume.

Orangeville's win at Brampton left the group championship a tie, so a sudden-death game was ordered for Saturday at the Island Stadium. Now the Island Stadium with its spacious field was immensely in favor of the speedy Orangeville team, and they reigned 2 to 1 favorites. Ten minutes after the game had started they had it looking as one-sided as Man o' War going a mile against an army mule. The Orangeville-Fergus-Mono Mills, etc., combination simply smothered St. Simons with the speed and precision of their attack, and had the score 3-0 and looked enough better to be worth a wager that Saints wouldn't even reach the score sheet. Then on a free throw Herb Scott took a pass and slashed home a goal. That goal gave the Saints courage, and from that point they commenced to play a little decent lacrosse. However, it was 3-1 at the end of the period.

In the second period, despite a string of penalties to St. Simons, they had a distinct margin in everything but luck. They bombarded Booth in the Orangeville nets steadily but Booth was there with bells and kept everything out. Twice Saints' shots caromed off the goal posts, and once a sizzler that Booth didn't even see bounced off his armor. The score was still 3-1 against Saints at half-time.

Still No Luck.

In the third period the Saints plugging away, ran the Dufferin sprinters leg-weary, and had plenty of margin on the play, but still they were luckless. Dopp landed one off a pass from Lount, making it 3-2, but still things were going so badly down around the Orangeville nets for them that their supporters were dumb with despair.

Then came the fourth quarter, and still the Saints were on top but the Dufferins were fighting back desperately and keeping McArthur busier than the Saints' sharpshooters were keeping Booth, because the Orangeville attacks were much more clean-cut than the Saints—or maybe it was that the difference in the defences made their attacks look smarter.

Anyway the penalty jinx was riding Saints to death. Every time they would get going right and would seem to be on the verge of tying it up some sap-headed player would lose his temper and clout an Orangeville man and cripple his team by being sent to the bench. Saints got plenty of penalties and deserved every one of them.

Of course the Saints crowd went wild with delight and demanded another goal—and victory—but try as they would it looked more likely that Orangeville would gobble the odd counter when the Saints got their luck all in a lump.

With a minute to go the ball was heaved down to Herb Scott, who was off to the side of the Orangeville nets. He tried a long pass to Hall, who was 20 feet out in front of the Orangeville nets. A defence man had him covered and he couldn't handle the pass. To make it doubly sure Booth rushed out of his goal and checked Hall too. He hadn't a chance, but the ball flew into the melee of sticks and players, was deflected goalward, and gently rolled and bounded into the open net.

Did you ever hear anything like it Goals have been scooped in during melees on the goal crease, but for a ball to be deflected in from 20 feet out is as unusual as mucklucks in Timbuctoo. Anyway the ball rolled in and Saints are champions of group two. Every Orangeville supporter—and plenty came by train and motor—went home firmly convinced that the better team lost.

Well, Orangeville looked mighty good that first period, but they didn't stand the pace as well as St. Simons, and if the latter did win by the flukiest sort of a fluke goal they certainly had enough ill luck scattered through the game to entitle them to a gob of it when the Goddess of Luck did smile on them.

CAMILLA

The Camilla Women's Institute will meet at the home of Miss M. McNaughton on Wednesday afternoon, Oct. 5th, at 2.30 o'clock. Topic, "Pauline Johnston," by Miss Katie Brott. Recitations from the writings of the Poetess will be given by Mrs. Coutts, Mrs. H. McKim and Miss Lena Gallagher. Roll Call answered by my favorite Canadian Author. Music.

J. D. TORRIE

THE CLOTHING MAN

SUITS

for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,

THE CLOTHING MAN, ORANGEVILLE.

PRESBYTERIAN CHURCH

SUNDAY, OCT. 2nd, 1921

Pastor ..Rev. F. W. Mahaffy, M.A.

PRACTICAL JOKER FINE $44.30

Fred Artley, of Sydenham, was charged with causing a disturbance by tricking cars into stopping on the highway, says the Owen Sound Sun-Times. Artley and four others had placed an auto tire on the road. A string was tied to the tire and the men hid in the bush at the side of the road. Several cars came along the road but the drivers were too wise to fall for the trick and kept right on. The police in Owen Sound were informed and P. C. Wilson went out to catch the perpetrators. Although there were others implicated, Artley was the only one charged. He stated that the charge was correct but that it was done purely as a joke. The magistrate told Artley that a man of his age should be ashamed to be caught at such a trick. It might be expected of children but not of a full grown man. He was fined $25 and costs, totalling $44.30. It was an expensive evening's fun.

RURAL SCHOOL FAIR

Laurel District (Schools Nos. 1, 2, 3, 4, 5, 6, 7, 10, 17 and 21 Amaranth) September 14th, 1921.

SUFFERED YEARS WITH ECZEMA

"Fruit-a-tives" Cleared Her Skin

POINTE ST. PIERRE, P.Q.

"I suffered for three years with *terrible Eczema*. I consulted several doctors and they did not do me any good.

Then, I used one box of *"Soothe-Salva"* and two boxes of "Fruit-a-tives" and my hands are now clear. The pain is gone and there has been no return.

I think it is marvellous because no other medicine did me any good until I used "Soothe-Salva" and *"Fruit-a-tives", the wonderful medicine made from fruit"*.

Madam PETER LAMARRE.

LOOSE CHATTER ABOUT THE QUEENSTON PLANT

By J. E. Middleton

Recently an Ontario man, without training as an engineer, devoted himself to an elaborate criticism of the Hydro-Electric System. One of the points in his complaint was that the Chippawa-Queenston Development might not be a success. He hinted that the engineering plans had no basis of certainty.

Innuendo of this sort has been common since the "Hydro" was organized. Head-waggers declared ten years ago that high-tension transmission was not thoroughly tested, that it was only credulity to believe that energy could be transmitted for 200 miles without a heavy line-loss. They said that every steel tower carrying power at 110,000 volts would be a constant danger to people living in the vicinity, and they induced some farmers to refuse permission for the erection of such towers upon their property.

All these prophecies have come to nought. High-tension transmission has been perfected by the Hydro-Electric engineers, and a number of safety devices against lightning, first tested in the "Hydro" laboratories, are now of universal use.

The Chippawa-Queenston Development consists of an intake, a canal, a forebay and a power-house. The location of the canal was fixed after a long series of mathematical calculations, based on hundreds of borings. The curves of each turn were plotted to secure the easiest flow of water. The slant of the banks was mathematically fixed. The exact fall of the Canal-bed between Chippawa and Queenston was determined after a full study of the water-requirements of the plant both in summer and winter. The canal is lined with cement-concrete to eliminate friction and to secure the utmost efficiency of every cubic-foot of water-flow.

Nothing new was involved in the construction of the forebay and the gatehouses. The engineers of the Hydro-Electric System have been building forebays for ten years and the principles are settled. In like manner they have been building power houses. The only points of novelty in the Queenston work are found in the size of the generating units and the concrete draft-tubes subsidiary to them. (The "head" of 305 feet offers no problem, since the Eugenia Falls development operates with a head of 550 feet.) The plans for the generators and for all the electrical installation were tested in every respect, not alone by the "Hydro" engineers, but by the engineers of the electrical Company which secured the contract for manufacturing the plant.

Moreover, the progress of actual work on the entire development proved, step by step, the accuracy of the plans and estimates which the engineering force of the "Hydro" had made. The critic who discerns or hints that the Chippawa-Queenston scheme is impractical or faulty gives proof either that he is ignorant of the details of preparation, plan, and construction, or else that he is talking at large—and not without malice.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

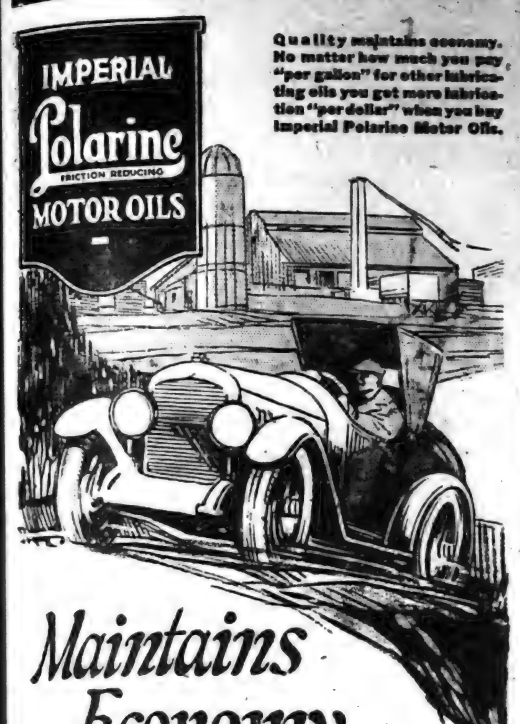
IMPERIAL Polarine FRICTION REDUCING MOTOR OILS

Quality maintains economy. No matter how much you pay "per gallon" for other lubricating oils you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.



Maintains Economy

IMPERIAL Polarine Motor Oils save many thousands of dollars every year for Canadian motorists because of reduced operating expenses.

Imperial Polarine Motor Oils cut down repair and maintenance costs, reduce fuel bills and insure you for all time against excessive depreciation and repair expenses. Imperial Polarine quality ***maintains economy*** all along the line.

Judged by quality gauged by actual miles of perfect lubrication each gallon will give, and by real motoring satisfaction, Imperial Polarine is the least expensive motor lubricant that you can obtain. The more carefully you check up costs, the more thoroughly convinced you will be of the advantages of using Imperial Polarine Motor Oils ***exclusively.***

Standardize on the ***correct grade*** of Imperial Polarine Motor Oils. Consult our Chart of Recommendations at your dealer's or write to 56 Church Street, Toronto, for our interesting booklet, "Automotive Lubrication."

IMPERIAL OIL LIMITED

Branches in all Cities

For a Clean, Efficient Motor

Clean out your crank-case every thousand miles or less. Imperial Oil dealers displaying the sign shown on the right, will flush your crank-case with Imperial Flushing Oil, a specially prepared cleaning agent for crank-case cleaning purposes. You save money in longer life and more efficient service from your motor by using this service.

WE GIVE IMPERIAL Polarine MAKES A GOOD CAR BETTER CRANK-CASE SERVICE

A young ... had evidently ... asked if ... heaven. And this ... received: "Yes, there ... in heaven.. How he ... positively known, ... that he stopped ... during rush hours ... off as a summer ... was dis-covered, they searched the realms of felicity throughout their length and breadth for a lawyer to start ejection proceedings, but couldn't find one, so of course, the editor holds the fort."

Automobile registration in New York State for first half of 1921 amounted to 721,488 cars, of which 223,435 were in New York City.

ALTON, ONT.

INVESTIGATING

Authorities Holding Investigation Into Death of an Owen Sound Man.

Circumstances which have come to light during the last few days in connection with the death of Mr. Jamieson Johnston, who passed away very suddenly on the night of Labor Day, September 5th, have caused the authorities to decide on a full investigation of his death.

Body is Exhumed.

Yesterday morning the body of the deceased was exhumed at Greenwood Cemetery, an inquest was ordered by the Coroner, and a Coroner's Jury was empannelled yesterday afternoon.

The members of the Jury were sworn in, and viewed the remains at Breckenridge's Undertaking Parlors. They ordered a post-mortem examination and adjourned until Thursday, September 22nd, at 7.30 in the Council Chamber, when the inquest will be conducted and evidence heard. The post-mortem was conducted yesterday afternoon by Dr. Frizzell and Dr. Howey, under direction of Coroner Dr. Dow.

The jury consisted of the following:—J. S. Wilson, foreman; Wm. Haston, T. D. Bell, Arthur Burt, Wm. Morrison, J. H. Newton, A. J. Frost, J.R. Long, J.R. Brown, Ed Mackay, J. M. McLauchlan and W. C. Young.

Wild Rumors in Circulation

The sudden death of Jamieson Johnston and circumstances which have arisen in connection with it, has resulted in a variety of wild rumors being current around the city. The stories have been of such a serious nature as to bring the authorities to a decision to hold an inquest.

Lockjaw Said to be Cause

The deceased man passed away between nine and ten o'clock on Monday evening, Sept. 5th, at his late residence, 2337 3rd Ave. W. Lockjaw was the supposed cause of death. The medical certificate had as the primary cause 'Tetanus—following extraction of teeth."

Suffering From Attacks

Previous to the day of his demise, Mr. Johnston, it appears, had not been in the best of health. He had suffered from pyorrhea, and on this account had his teeth extracted. On Sept. 2nd, the last of his teeth were extracted, and he appeared to be in fair health. On Saturday and Sunday he is said to have suffered from a sick spell, which caused his legs and muscles to stiffen. On Monday he appeared better and went to see the Labor Day Celebration in the afternoon, returning home early.

Down Town in Evening

After supper, Johnston is said to have come over town in company with his wife and daughter. About eight o'clock, in company with Dan McMillan,he visited the Comely house They each had a drink of porter, after which Johnston lit a cigar and they both went out. While at the hotel he told Robt. Gibson about the attacks he was having during the few days previous. He said these attacks came on suddenly and had the effect of stiffening out his limbs. He attributed these to the fact that he had been having a great deal of trouble with his teeth and to the fact that all his teeth had been extracted about a week previously.

The Fatal Attack

This was about eight o'clock and a few minutes after leaving the hotel Johnston took another attack when he was on one of the business streets and had to be driven home. It was not more than two hours later that he died. The funeral took place on Wednesday afternoon to Greenwood Cemetery.

Widow Marries Again

On Saturday afternoon Johnston's widow and Dan McMillan went to Knox Manse and were married by Rev. P. T. Pilkey. The woman gave her name as Mary Johnsto nand the man gave his as Daniel McMillan.

Well-Known Lumberman

Jamieson Johnston was a man of 50 years of age and he was born in Keppel twp. He resided there until 15 years ago when he removed to Cockburn Island to conduct timbering operations. This occupation he had followed all his life and was well known as a timber man. Three months ago he and his family removed from Cockburn Island and bought a home in Owen Sound North.

The circumstances surrounding the death of Johnston are receiving the fullest attention of the authorities and the whole affair is being fully probed. In the mean time there are many rumors in connection and it is certain that all these will be followed up.—Owen Sound Sun-Times.

SOLDIERS' MEMORIAL

Mr. W. R. Liddy, P. S. I., Makes Suggestions That Deserve Consideration of our Citizens.

Dear Mr. Editor,—

Is it not time the citizens of Orangeville and surrounding community formulate some definite plan for a memorial to the men who fought for the freedom of the world?

Many made the supreme sacrifice and it remains for the living to commemorate in some tangible way the worthy services rendered.

Several propositions have been suggested, but to all, objections have been raised and it is doubtful if any individual could bring forward any solution that would satisfy all parties. Time has allowed all of us to consider these propositions and objections and to view them from different angles and in the light of recent events. It may be that many, the writer included, have slightly or completely changed their conception of a practical and suitable memorial.

As a community we have had time enough and surely we are big enough to solve this problem. Whatever the solution may be, we are, I believe, all agreed that the memorial should be enduring, up-keep guaranteed, serviceable, worthy of the sacrifices made and educative.

The best memorial will be one that embodies these characteristics to the greatest degree.Keeping these in the forefront I humbly propose the following as a solution:—

That the Town Council appoint a Memorial Committee of three members, of whom one retires each year; and that this Committee have the power to formulate regulations for the control of the Memorial.

That this Committee be given the sum allotted by the County Council (about $3,300.00), and an additional sum contributed by popular subscription by the community to make in all $5000.00 or more.

That the Committee have power to receive from time to time the donations for augmenting the general fund.

That the Committee be instructed to invest the whole fund in Dominion Securities and each year to take half the annual interest for education and the other half for hospital purposes.

That the part given for education be for scholarships, cash awards or other benefactions, to be known as the Great War Memorial Scholarships, to the children attending examinations in Orangeville and from the County of Dufferin except that children of soldiers who served in the War of 1914-18 have preference before all others.

That the part given for hospital purposes be to help defray hospital expenses of,—

First, returned soldiers or any member of a returned soldier's family, and,

Second, in the course of time as the Committee may decide any worthy individual.

That any unused interest be placed in a Fund to be used by the Committee to defray incidental expenses and to best promote the welfare of the Memorial.

Such a Memorial, Mr. Editor, would provide, at least, five Scholarships of $25.00 each and an equal amount for each of five sick patients. It also embodies in a very large degree all the essential elements stated above.

Since it is a perpetuity it is of the utmost enduring type; as the interest is assured, the up-keep is guaranteed; as the annual revenue would be used in the administration of mercy and care for the sick and in developing an intelligent community by assisting at a psychological moment the brilliant pupil to carry his financial burden, who otherwise might be forced to abandon his studies, the influence kindled therefrom might well extend far beyond the confines of our Dominion and thus not only be truly educative but render incalculable service to humanity and consequently worthy of the sacrifices made.

W. R. LIDDY.

Walkerton town council has reduced civic laborers' wages from $3.50 to $3.00 a day.

"It's been there since before I was born"

IN almost every town and village can be found at least one old building which, on account of its excellent preservation, is a standing monument to the protection which good paint affords.

The surface has been saved and in consequence all has been preserved—and Time, that great tester of quality, has given the stamp of approval.

Brandram's Genuine B. B. White Lead

has held its world's supremacy for almost two hundred years. Mixed with turpentine and pure linseed oil, as in B-H "English" Paint, it is a most satisfactory paint.

For those who prefer to mix their own, Brandram's Genuine B.B. White Lead while more expensive in first cost, yet considered from the standpoint of covering capacity and permanence easily outclasses all other white leads and is therefore the most economical in final cost.

For those who prefer a prepared paint, Brandram's Genuine B.B. White Lead can only be secured in B-H "English" Paint.

(Continued on page two.)

MUCH ILL HEALTH DUE TO BAD BLOOD

If the Blood is Kept Rich and Red You Will Enjoy Health

More disturbance to health is caused by weak, watery blood than most people have any idea of. When your blood is impoverished, the nerves suffer from lack of nourishment and you may be troubled with insomnia, neuritis, neuralgia or sciatica. Muscles subject to strain are under-nourished and you may have muscular rheumatism or lumbago. If your blood is thin and you begin to show symptoms of any of these disorders try building up the blood with Dr. Williams' Pink Pills. These pills have a special action on the blood and as it becomes enriched your health improves. The value of Dr. Williams' Pink Pills in cases of this kind is proved by the experience of Mr. D. J. McDonald, North River Bridge, N. S., who says: "For some years I suffered severely with headaches, pains in the back and a run-down condition. At times the pain in my back would be so bad that I would sit up in bed all night. From time to time doctors were treating me, but did not give me more than temporary relief. And then one day when I was suffering terribly a neighbor came to see me, and urged me to try Dr. Williams' Pink Pills. After taking two boxes I felt relief. I got five boxes more and before they were all gone I felt as though they were giving me new life, as in every way they built up and improved my health and strength. I am now working as a hacker in a pulp mill, ten hours a day, and feeling none the worse after my day's work. I say with pleasure that this condition is due to Dr. Williams' Pink Pills.

You can get Dr. Williams' Pink Pills from any medicine dealer, or by mail, at 50 cents a box, or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

CHICKEN PIE SUPPER

A Chicken Pie Supper will be held in Laurel Town Hall, on Tuesday, October 11, 1921, under the auspices of the W. M. S. of the Presbyterian Church, followed by a concert in the church. ARCHIVES OF ONTARIO
TORONTO

THIS is the real Green Tea

The rich yet delicate flavour of the perfectly prepared 'green' leaf will always be found in the sealed Salada packet.

LOCAL NEWS.

—Mr. J. M. Bell, of Cataract, shipped the first carload of potatoes from Orangeville on Monday of last week.

—The Ladies' Aid of the Methodist Church will hold a Birthday Party in the Church on Thanksgiving evening.

—On Thursday afternoon, Oct. 6th, the school children will receive free tickets to hear and see Jack Miner's famous pictures.

—Pay your out-of-town accounts Five Dollars costs three cents.

—Jack Miner will give the same lecture that he is giving in Orangeville on October 6th, in Massey Hall, Toronto, on the following evening, Oct. 7th.

—Tanlac, the celebrated medicine, is now sold by C. V. Jeffers, Orangeville.

—Lady will go out to do sewing by the day. Apply Box 202, Orangeville, or at Banner Office.

—One day last week Mr. Elgin Holmes ran across a bush of fine raspberries on Mr. W. E. Island's farm on the Centre Road, Mono. The bush was heavily loaded and the berries were ripened.

Don't use polish on Brown Boots
USE ZET
Dyes faded places, covers Scratched or worn places and polishes.
ARNOTT'S SHOE STORE

—Orangeville Citizens' Band is planning to hold a concert in the Opera House on Friday evening, Oct. 21st. Watch for further particulars in a later issue.

—One of our older citizens, Mr. Thos. Arnott, is ill in Lord Dufferin Hospital. His many friends unite in hoping for a speedy and complete recovery.

—Tanlac has the largest sale of any medicine in the world. Over Twenty Million bottles have been sold in six years. No other medicine has ever approached it as a seller. Sold by C. V. Jeffers, Orangeville.

—On Sunday, Oct. 2nd, a special campaign service will be conducted in the Salvation Army Hall, Orangeville, by Capt. Richardson, of Stellarton, N. S., at 11 a.m. and again at 7 p.m. Lieut. Fraser, of Toronto, will assist at both services.

—W. J. McCallum, the well-known stock importer, of Brampton, has advertised in another column of this paper for a number of lambs, sheep and cattle ready for butchering, for his new store, which he is about to open. Look up this advertisement. You may have what he wants.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

—Mr. W. A. Henry, the genial clerk of Mono township, is named as one of the likely candidates for Dufferin County U. F. O. nomination for the Commons. Mr. Henry is said to have a good deal of support for the position.

—Tanlac that celebrated medicine, makes you eat better, feel better, sleep better and work better. Sold by C. V. Jeffers, Orangeville.

—Methodist ministers of Orangeville District are studying boys' work this week in the Methodist Church, Orangeville, under the able leadership of Rev. A. E. Owen, B. A., B. D., of Shelburne. They are practicing the principles by preparing their own meals. Rev. G. W. Lynd, Laurel, made the tea on Tuesday, but asked for hot water.

KIND WORDS FOR FAIR

Many from Shelburne and Adjacent townships attended Orangeville Fair on Friday of last week. They all report a bumper crowd, splendid horse races and numerous attractions which proved profitable. The management was favored with ideal weather.—Shelburne Free Press.

A number of our citizens attended Orangeville Fair and report an excellent showing in all classes and races.—Erin Advocate.

A MONTREAL CHURCH

The Orangeville friends of Rev. R. K. Fairbairn, M. A., B. D., formerly pastor of Cheltenham Presbyterian Church, will be pleased to learn that he has received a call to the important charge of Livingstone Presbyterian Church, Montreal. The Church is a suburban one, but offers big possibilities to a man of Mr. Fairbairn's attainments. During the past year Mr. Fairbairn, who is a brother of Mr. R. Fairbairn, druggist of this town, has been taking a course in the Union Seminary, New York, where his work has attracted very favorable attention.

ST. ANDREW'S Y. P. S.

There was a large turnout at the weekly meeting of St. Andrew's Y. P. S. on Monday evening to hear the illustrated lecture by Rev. Will Bremner, of Galt, one of the delegates to the World's S. S. Convention in Tokyo, Japan. The slides, most of which were from pictures taken by Mr. Bremner while in Japan, Korea and China, were probably the best ever shown here. Mr. Bremner is a pleasing and ready speaker, with a fund of quiet humor, and his address gave the audience much first-hand information about conditions, customs, modern thought and the progress of Christianity in the Orient. At the conclusion of his address the speaker, who is a former Camilla boy, was tendered a hearty vote of thanks upon motion of Rev. F. W. Mahaffy, seconded by Dr. Kyles. The program was varied by a delightful duet by Mrs. Adamson and Miss Audrey McLean.

MOFFITT—EMACK

A very pretty wedding was solemnized at the home of Mrs. Jane Emack, Mill St., at the hour of three o'clock on the afternoon of Wednesday, Sept. 21st, when her second daughter, Beatrice Annie, was united in marriage to Mr. Lewis Moffitt, late of the C. M. G. C., and third son of ex-Reeve T .H. Moffitt and Mrs. Moffitt, of Mono. The ceremony was performed by the Rev. Wm. Coutts, of Camilla, in the presence of immediate friends and relatives of the bride and groom. The bride entered the parlor leaning on the arm of her brother, Mr. George Emack, of Caledon. She was unattended and was charmingly gowned in ivory charmeuse, daintily beaded, and a long veil of tulle, adorned with orange blossoms, and carried a bouquet of bridal roses and maiden hair fern. After the usual greetings and signing of the register, the bride and groom led the way to the dining-room where a dainty wedding luncheon was served. Mr. and Mrs. Moffitt left on the evening train amid showers of confetti, for a brief honeymoon, the bride travelling in a suit of blue serge, seal furs and hat to match. The gifts to the bride were numerous and costly, showing the esteem in which the young couple are held. Their many friends join in wishing them a pleasant and prosperous journey through life.

WANTED!

300 good Lambs ready for butchering, 50 Sheep, 10 choice veal Calves, 100 head good Fat Cattle, 50 choice Hogs ready for butchering, 10 heavy weight Hogs from 300 to 500 lbs.

Phone No. 114, or communicate with T. C. Glassford, Caledon, or W. E. Glassford, Caledon.

PERSONAL MENTION

Mrs. Olive Harshaw and little daughter, Nancy, are visiting Mr. and Mrs. J. W. McMaster, Snelgrove.

Mr. and Mrs. Jas. Arnott and daughters, Evelyn and Alice, of Dundalk, visited Mr. and Mrs. J. D. Thompson last week.

Mr. Geo. Fish, of Beadle, Sask., visited Mr. and Mrs. Geo. Mills First St., last week.

Mr. Henry Hanna, Wellington St., has 34 pumpkins in his garden, all the product of a single vine.

Mr. and Mrs. Jas. L. Somerville, of Toronto, spent the week-end with Mrs. Somerville's parents, Mr. and Mrs. Thos. Bennett.

Mrs. R.S. Guernsey and daughter, Miss Eva, of New York, are visiting the former's sister, Mrs. I. J. Murphy, Centre Road, Mono, and other friends here.

Mr. and Mrs. Ambrose Clowes and son, Albert, and Mr. and Mrs. McKay and son, Donald, all of Camilla, spent Sunday last with Mr. and Mrs. Wm. Clowes, of Caledon.

Rev. G. A. Rix, of Prince Rupert, B. C., formerly rector of St. Mark's Church, here, was in town for a day or so this week. The Rev. gentleman is east to attend the General Synod of the Anglican Church in Hamilton next week.

Mr. and Mrs. Alex. Speers, of Erin, announce the engagement of their youngest daughter, Ida M., to Mr. Horace Simpson, son of Mr. and Mrs. George Simpson, Waldemar. The marriage will take place in October.

Mr. and Mrs. A .Turner, of Saskatoon, were the guests of Mr. and Mrs. C. R. McKeown for a day last week, leaving here to visit friends at Markdale and Owen Sound. Mr. Turner is a lay delegate to the General Synod of the Anglican Church in Hamilton next month.

Mrs. Wm. Clowes intends leaving Orangeville on Friday, Sept. 30th, for Montreal, whence she will sail for England to visit her parents in Devonshire. Mrs. Clowes hopes to return to Canada on the Empress of Britain, sailing from Liverpool for St. John's on December 9th and expects to arrive in Orangeville in time for Christmas.

GOVERNOR LEIGHTON

The appointment by Sheriff Endacott of Mr. and Mrs Geo. A. Leighton to the positions of Governor and Matron of the Dufferin County Gaol at Orangeville has been approved of by an Order in Council of the Provincial Government. Mr. Leighton has held the position of Turnkey for many years and since the illness of the late Governor, Mr. Chas. Bowles, has been discharging many of the duties of Gaoler. He is therefore thoroughly conversant with the duties and responsibilities of the office. The Banner joins in congratulating Mr. and Mrs. Leighton upon their appointment. Whether or not a new Turnkey will be appointed to succeed Mr. Leighton is not definitely known. The name of an Orangeville man is freely connected with the position and it would not be surprising should he receive the appointment in the near future.

BORN.

SIMPSON—In East Garafraxa, on Saturday, Sept. 24th, 1921, to Mr. and Mrs. Griffith Simpson, a son.

QUINN—At Bradford, Ont., on Thursday, Sept. 23rd, 1921, to Mr. and Mrs. S. J. Quinn (nee Lila Beatrice Laverty) a son (stillborn.)

MARRIED.

BENSON-MEEK—On the 18th of June, at St. James' Cathedral, Toronto, Margaret Lola, only daughter of the late Dr. and Mrs. Robert Meek, of Toronto, formerly of Orangeville, to J. Gerald Benson, only son of the late Mr. H. P. Benson and Mrs. Benson, Wellington, Ont.

DIED.

SHARP—At the home of his grandmother, Mrs. Geo. Ross, lot 18, con. 4, east, Mono, on Sunday, Sept. 25th, 1921, Herbert Stewart Sharp, the infant son of Mr. and Mrs. H. S. Sharp, of Truro, N. S. ,aged 1 year and 6 months.

MARSHALL—In Orangeville, on Sunday, Sept. 25th, 1921, Chester Lloyd Marshall, infant son of Mr. and Mrs. Tone Marshall, aged two months.

GORDON — In Orangeville, on Thursday Sept. 22nd, 1921, Annie Gordon, aged 53 years.

Funeral from the residence of her brother-in-law, Mr. Oliver Cooney, West Broadway, to Laurel Cemetery, on Saturday, Sept. 24th.

IN MEMORIAM.

In loving memory of Lewis Stanley Brown, killed at the battle of Cambrai, Oct. 1st, 1918.

Mother, Brother and Sisters.

Tallow, per lb.	.05
Wool, washed	12 to 20

PAY UP NOW

Members of The Dufferin Agricultural Society, who have not already done so, are asked to pay their membership fees and donations to the Secretary-Treasurer, Mr. D. B. Brown, just as soon as they can. By doing so they will enable the Society to complete the business of the year without any unnecessary delay.

EYE REMOVED

Mrs. William Cotton, of Shelburne, recently underwent an operation in the Toronto General Hospital for the removal of a cataract from her left eye. Following the operation severe inflammation set in and it was found necessary to remove the infected optic. Fortunately the sight of the right eye remains unimpaired. Mrs Cotton is progressing as favorably as can be expected.

JACK MINER

The Dufferin Teachers' Institute has been very fortunate in being able to secure the services of Mr. Jack Miner for the evening of Thursday, Oct. 6th. Mr. Miner lives near Kingsville, where he grows corn for the wild ducks and wild geese as they pass on their annual trips north and south. He has succeeded in bringing thousands of these birds to his farm and many of them return year after year. Mr. Miner has over 1300 feet of Film and 50 Slides illustrating how he has made friends with these birds. His story is simply marvellous. The pictures are so fascinating that his audiences are held spellbound. This should be one of the most interesting entertainments ever given in Orangeville. Citizens of the town and surrounding country are advised to secure their tickets as early as possible. Admission, 50 cents.

GUARD THE CHILDREN FROM AUTUMN COLDS

The Fall is the most severe season of the year for colds—one day is warm, the next cold and wet and unless the mother is on her guard, the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mother's best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose of the Tablets will prevent colds, or if it does come on suddenly, their prompt use will relieve the baby. The Tablets are sold by medicine dealers, or by mail, at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

ROLL OF SERVICE

Mr. and Mrs. B. McGuire have just received a copy of the University of Toronto Roll of Service in the Great War. The Roll is a large volume of 603 pages and is a very complete record of the wonderful work done by the University during the war. The volume is dedicated "To the memory of those who gave their lives to their kindred and to their comardes in arms who have returned."

CAUGHT IN LANDSLIDE

Austin Colbeck received a compound fracture of both bones of the left leg on Wednesday afternoon in Duffy's gravel pit. A landslide caught him unexpectedly, the heavy mass just missing his shoulders as he jumped. It pinned his legs, however, breaking both bones of one, the ends projecting through his clothing. Ready hands soon removed him to his home, where a doctor gave him attention. This is the second time Mr. Colbeck has suffered broken limbs, having met with an accident in the West some years ago.—Star & Vidette.

HOSPITAL NOTES

All overdue accounts are to be settled on or before Sept. 30th, as that is the end of the financial year, or they will be placed in the collectors' hands.

We wish to heartily thank the Women's Institutes of Mono College, The Maples and Orangeville for their generous supply of apples and potatoes, as well as all the other fresh vegetables and fruits. These made an excellent exhibit at the fair and we received all in good condition.

We are deeply grateful to Violet Hill W. I. for $15.00 and Blount W. I. for $5.00 towards the linen. This department of our work is always needing replenishing and the directors urge assistance from all sources whenever possible to aid.

We also thank Mrs. Wm. Hunter for a donation of $2.00 towards the Hospital fund.

The I. O. D. E. are holding an excellent concert Oct. 11 and 12. Those taking part are being trained by Louis Geo. Neville, of Kitchener.

Everybody knows that in Canada there are more

Templeton's Rheumatic Capsules

Sold than all other Rheumatic Remedies combined for [illegible] matism, Neuritis, Sciatica, Lumbago, etc. After dosing for [illegible] Templeton's Rheumatic Capsules are [illegible]

The NEW EDISON

Clubman is surprised at country boy's knowledge of Muzio's voice.

Bamboschick, principal conductor of the Metropolitan Opera, listened to Muzio, the dramatic soprano sing in comparison with the New Edison's Re-Creation of her voice, and the following is his signed verdict:

"I consider that the quality of Miss Muzio's living voice and the quality of her Re-Created voice are identical."

The New Edison brings the artist's real voice to you, no matter where you live.

More Than Mere Entertainment

When you buy a New Edison—you get more than the best entertainment. You get cultural training and a musical education. You get the real performances of great artists. You get opera just as you would hear it at the Metropolitan, Paris Opera, Coventry Garden or Milan, and now

You Also Get Mood Music

which helps you control your mental and physical well being. Mood Music soothes you when you are nervous. Refreshes you when tired. Cheers you when sad. Mood Music is described in a booklet which classifies over 100 selections under headings such as—"To Make You Joyous"—"To Bring You Peace Of Mind"—"For More Energy", etc. Fill out the coupon and begin using music in this new and helpful way.

About Mood Music

Mood Music is the result of a two year research by Mr. Edison into the effects of music. The psychological work was under the direction of Dr. W. V. Bingham, Director of Applied Psychology, Carnegie Institute of Technology, and other psychologists. The remarkable discoveries, which they made through countless experiments, are now in booklet form for your practical use.

If you do not own a New Edison, we will gladly loan you one for three days—so you can discover what Mood Music and the wonderful New Edison will do for you.

SCOTCH DOUBLES

Forty-Eight Pairs Entered For Annual Tourney on Wednesday.

Prizes Were Carried Home By Toronto and Grand Valley Players.

Forty-eight pairs of bowlers entered for the annual Scotch Doubles Tournament of the Orangeville Lawn Bowling Club held on Wednesday last, Sept. 14th. Owing to the rain during the early morning there were four defaults, a surprisingly small number in view of the unfavorable weather outlook. Fortunately the day turned out quite fine, weather and green conditions being alike ideal for bowling. Keen, closely contested games were the order of the day and night, for the tourney was not concluded until seven o'clock or later on Thursday morning. Dr. Roper, of Rusholme and the Bennett rink from Grand Valley were left in the running when the finals were reached in the main event. The Rusholme pair won out by a score of 13 to 8. Dr. Arnold Semple, a former Orangeville boy, played lead for the winners. Dr. Brereton, of Oakwood, and Geo. Rounding's Grand Valley rink fought it out for the prizes in the second event, Brereton winning by 19 to 7. The details follow:—

PRELIMINARY

St. Matthews	Orangeville
Ald Johnston	J. E. Smith
Jas. Kerr, 18	A. D. McKitrick, 9
Grand Valley	Fergus

AMARANTH COUNCIL

Township Hall, Laurel,
Sept. 10th, 1921.

The Council met pursuant to adjournment. All the members present, the Reeve in the chair. Minutes of last meetings were read and confirmed.

Simpson-Whaley—That we introduce a by-law to provide for the improvement of Drain No. 30 and that it be read the necessary number of times and passed.

W. H. Whaley-Simpson—That by-law No. 514 be introduced and read the necessary number of times, to borrow money on debentures for the improvement of drain No. 24.

Hammond-Whaley—That we authorize the Reeve to sign an agreement with Mr. George W. Hepton, owner of lot 26, con. 4, and Mr. Joseph Tindale, owner of east half 26, con. 5, Amaranth, in regard to certain changes being made in the survey of drain No. 30 being constructed through said property.

W. H. Whaley-Simpson—That by-law No. 515 of the Municipal Corporation of the Township of Amaranth, to grant the Maple Grove Telephone Co. the right to erect and maintain poles and wires and be responsible for same on the highway in said Township, be introduced and that it be read the first and second time.—Carried.

Simpson-W. H. Whaley—That we grant Mr. Willis Potter permission to extend the Amaranth Telephone line from Mr. H. M. Jelly's, lot 11, to lot 14 on the 8th line.

W. H. Whaley-Hammond — That By-law No. 516, to provide for expenditure on roads in the Township of Amaranth during the year 1921 be introduced, and that it be read the necessary number of times.

Simpson-W. H. Whaley—That we instruct the Clerk to notify the parties on Drain No. 10 to have the outlet cleaned out.

Simpson-Hammond—That the following bills and accounts be paid:—

The Ingot Iron Co., for Armco Iron Culverts, $163.07; H. Rounding, for tile culvert, $11.25; McGuire & McKitrick, part printing contract, $75.00; George Hornett, for repairing road machine, $1.00; Jas. White, for shovellers, $18.00; Geo. Patten, shovelling gravel, $3.75; Morris Small, Amaranth share of work on E. T. Line, from 25 to 30, $13.00; William Cook, shovelling gravel, $2.50; Sidney Banks, shovelling gravel, $10.00; E. Hamilton, preparing by-laws and issuing debentures, $17; Committee for work in connection with drains, $18.00; J. J. Anderson, shovelling gravel, $10.70; Ed. Lang, operating road grader, $15.00; Geo. Bingham, shovelling gravel, $1.50; W. J. Smith, shovelling gravel, $10.70; Ernest Little, balance on shovelling gravel, 50 cents; John Johnston, work on road, $10.50; Chas. Bryan, 2 sheep and 1 lamb killed by dogs, $21.75; Chas. Theaker 1 lamb killed by dogs, $7.00; George Johnston, for deviation of road, $150.00; Thos. W. Reid, commission to expend, $100.00; Louis Grosskurth, two days statute labor performed for w half, west half 16, con. 3, $3.50.

Simpson-W. H. Whaley—That we do now adjourn to meet again on Saturday, November 5th, at the usual hour.

Joseph L. Fielding, of Guelph, who for many years conducted a wholesale tea business and was well known throughout the entire vicinity, dropped dead of heart failure on the Guelph bowling green recently.

A barn in the township of Sunnidale, near the Nottawasaga river, owned by J. Little, was struck by lightning and completely destroyed by fire. Mr. Little lost all his crop and farm stock, including a valuable thoroughbred bull.

On October 1st George Menzies will have completed 21 years as Clerk of Owen Sound Police Court. Many hundred summonses, subpoenas and other court documents have gone through his hands in that time. He is also a magistrate for Grey County.

DO ALL MY HOUSE WORK

Before I took Lydia E. Pinkham's Vegetable Compound I could hardly get about.

Cobourg, Ont.—"For many years I have had trouble with my nerves and have been in a general run down condition for some time. I could not do my work half of the time because of the trouble with my monthly sickness. I was told of Lydia E. Pinkham's Vegetable Compound by friends and advised to try it. It has done me good, and I strongly recommend it. Since I have taken it I have been able to do all my own work, and I also know friends who have found it good. You can use these facts as a testimonial."—Mrs. ELLIS FLATTERS, Box 761, Cobourg, Ont.

Why will women continue to suffer so long is more than we can understand, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For forty years this good old fashioned root and herb remedy, which contains no narcotics or harmful drugs, has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

H. M. Anthony, of Ayr, recently received some valuable coins of the Pharoah's time from Egypt, sent by a relative with the Imperial forces. The coins were found in an excavation under one of the pyramids.

"Some years ago," says an American who used to live in London, as the Philadelphia Public Ledger tells it, "before Queen Victoria's death and about the time the queen's jubilee was to be celebrated, there was overheard this conversation between two old Scotchwomen on a street corner: "Can ye tell me, wumman, what it is they call a jubilee?" "Weel, it's this," said the other. "When folk has been married twenty-five years, that's a silver wuddin'; and when they have been married fifty years, that's a golden wuddin.' But if the mon's dead then it's a jubilee.'"

Mrs. William Strickert, of Elma township, was sent up for trial by Magistrate T. L. Hamilton, of Listowel, charged with the murder of her husband, whose death on July 16th, according to the finding of a coroner's jury, was the result of strychnine poisoning. Her case will be heard at Stratford on October 24th.

Despite the poor season, crops at the Cape Croker Indian Reserve were very good, according to Capt. R. Garland, the Indian Agent. The actual crops grown were fall wheat, 550 bushels; barley, 362 bushels; oats, 1058 bushels; peas, 1446 bushels, making almost a 4,000 bushel crop, which with hay crop, green feed and corn makes a total crop worth about $10,000.

Mr. and Mrs. J. H. Bell and daughter, Margaret, of North Amaranth, have returned home after attending the diamond wedding of Mrs. Bell's uncle, Mr. Marvin W. Moore, of Cass City, Mich. A remarkable feature in connection with the event is that Mr. Moore's parents and their family were all permitted to pass the half century mark with the chosen companions of their youth.

PRESTON—HEMMING

Former Orangeville Young Man Wedded in Kingston.

At eleven o'clock on Wednesday morning in St. George's cathedral, the marriage was solemnized by the Bishop of Ontario, of Margaret Louise, second daughter of the late Major-General F. D. R. Hemming, and of Mrs. Hemming, and Capt. John Fitzgerald Preston, R. C. H. A., son of Col. and Mrs. Preston, Orangeville. Asters, tall michaelmas daisies of pale pink and mauve, were on the altar and lilies, ferns and more asters were on the choir stalls and at the church steps where the groom, with his groomsman, Major Alderson, awaited his bride, who entered on the arm of her brother, Capt. A. K. Hemming, Ottawa, as the cathedral organist changed the soft music to the inspiring strains of the "Bridal Chorus" from Lohengrin.

The petite, dark-haired bride wore a lovely wedding gown of kitten's ear crepe, the skirt cascaded with exquisite chantilly lace, her court train lined with pink georgette, was appliqued with chantilly lace and crystals, and caught to her shoulders with knots of orange blossoms, her long veil, falling over her face and fan on her train, from her crown of orange blossoms, was of tulle with lovely sprays of old Honiton lace applied in each corner. Her bouquet was of Ophelia roses and orchids, showered with sweet heart roses. Two tiny flower girls, Miss Betty Bowerbank, a niece of the bride, and Miss Dianna Dunbar, frocked in white organdie, frilled with lace over pink, with a wreath of flowers in their hair and as a sash; carrying baskets of sweetheart roses, bore the bride's long train. Miss Helen Strange, in pale pink satin, lace caught with French flowers and a large black hat with graceful ostrich plume, was maid of honor. Miss Marion Ogilvie, in a similar frock, and Miss Doris Folger in mauve, were the bridesmaids. Their bouquets were of Columbia roses. The ushers were Capt. Morton and Messrs. Stone and Crosby. During the signing of the register, Peter Fair sang the lovely nuptial hymn, "O Perfect Love," in his full sweet voice.

Then as the wedding party came from the vestry and Mendelssohn's wedding march pealed forth from the organ, a clank of steel rang out, and a soldier's daughter, a soldier's bride, came down the aisle of the garrison church under the crossed swords of her young husband's brothers-in-arms. The horses were taken from the carriage and according to a time honored custom at military weddings, the bride and groom were drawn by the men of the latter's company of the R. C. H.A. to the Chateau Belvidere, which had been beautifully decorated for the occasion. Great pots and baskets of feathery fern, asters and michaelmas daisies were in the hallway, the stair case leading to the reception rooms was wound with flowers and autumn berries, a bank of ferns, flowers and palms were at the fire place where Mrs. Hemming and Capt. and Mrs. Preston received the large number of guests. The dining room was lovely with flowers, the bride's table centred with a wedding cake covered with bride's roses of palest pink, as was the tulle surrounding it. Pink roses were in crystal vases and white chrysanthemums were at the end. Smilax and fern and pink and white carnations were on the other tables.

Mrs. Hemming was gowned in black chantilly lace over white satin, with touches of silver, her hat of black plush was trimmed with glycerine plumes and silver and her flowers were Richmond roses. Mrs. Preston, mother of the groom, was in navy blue charmeuse and wore red roses. Mrs. G. S. Bowerbank's gown was blue canton crepe with heavy uncut fringe, her hat black velvet and her flowers pink roses. Mrs. Keene Hemming, Ottawa, wore a lovely gown of white crepe, fringed, a black osprey hat and roses. Miss Aileen Preston, Orangeville, was in navy taffeta, black hat and her flowers were pink roses. Col. Preston, Orangeville, father of the groom, and Major G. S. Bowerbank, Toronto, were present.

The groom's gifts to the bridesmaids were platinum bar pins set with pearls and to the flower girls gold pins with a four-leaved clover. Capt. and Mrs. J. F. Preston left on the midday train, the latter wearing a smart suit of beaver brown velour cloth, Isabella fox collar and cuffs, and a hat of brown plush. Many good wishes followed this young couple on their wedding trip, and it is a great pleasure to their friends to know that Kingston will be their home.—The Daily British Whig.

At the Fall Assizes at Kitchener judgment of $600 damages was awarded Geo. Taylor, of Walkerton, in his case against the Grand River Railway, as the result of a collision between Taylor's auto, an auto owned by E. D. Lang, of Kitchener, and a Grand River radial car, late last Fall.

Terrible Weeping ECZEMA

Mrs. E. Hayes, of Hamilton, after going South to find relief, finally relieved by a local remedy.

"I have suffered with weeping eczema of the hands, so bad that my hands were helpless—to have tried and tried remedies, without relief—to have given up work and come South for help—to have been cured completely on half a bottle of D. D. D.! This is the substance of Mrs. Hayes' letter, 88 Sunset St., Hamilton, Ont.

Cases can be sent you from your own vicinity. Write for Canadian testimonials, or secure a bottle of D. D. D. today. Why suffer itching torment another moment? If you don't get relief on the first bottle, we will refund without question. $1.00 a bottle. Try D. D. D Soap, too.

Straight talk on Cream Separators by

J. E. SMITH & Co.
Orangeville, Ont. Canada.

A De Laval Cream Separator will last a lifetime

MANY DE LAVAL Cream Separators have been in continuous service for twenty, twenty-five, and even thirty years.

In fact, we never hear of De Lavals wearing out. Almost they are outgrown and replaced by new De Lavals of larger capacity and later design.

De Laval durability is due to simplicity of construction, low bowl speed, high-grade materials and careful workmanship. Every bearing surface of the machine is oiled from one oil cup. This insures correct lubrication, lessens wear on parts, and helps to make the De Laval easier to turn.

Because of its greater durability, the De Laval is the least expensive cream separator to own.

We'll gladly show you why the De Laval leads in this

Sooner or later you will buy a De Laval

REDUCED PRICES
ON
WALL PAPERS

For the balance of the Year we will reduce the Price of all Wall Papers from 20 to 35 per cent.

We have also purchased a Job Lot direct from the Manufacturers, all this season's Goods and the best designs and colorings, at from 25 to 50 per cent. below regular Wholesale Prices. These Goods will be in Stock in a few days and will be marked to sell at such Prices, that every one may have their homes made bright and cheerful for the coming winter at a moderate outlay.

This will be an exceptional opportunity to procure bright, New Papers at very low prices.

We wish, however, to state that the 1922 Factory Prices warrant no such Reductions as we are putting into effect and that these extremely low Prices apply to our present Stock only, which is complete in every line, and 90 per cent. this year's Patterns and Made in Canada by Canadians for Canadians.

We have a complete Stock of the famous Brandram-Henderson Paints, White Lead, Linseed Oil, Turpentine, Putty, Varnish, Brushes, Glass, Vitrauphanie, Glue, Paste, Fibre Veneer, etc., at Lowest Prices.

THE MEMORIAL MEETING

Sixteen persons—ten men and six ladies—put in an appearance at the meeting called in the Library Auditorium on Friday night by the Committee appointed to procure information regarding the proposed Soldiers' Memorial. Col. J. A. V. Preston, the Chairman, and Capt. A. Firth, Secretary of the Committee, are included in the sixteen. The former presided and the latter took the record of the proceedings. The Committee submitted important information regarding the cost of different forms of memorials and what steps other places in the Province are taking to commemorate the bravery and sacrifices of their soldier sons. A number of those present spoke, and the addresses showed considerable diversity of opinion as to the form the memorial should take. Some favored a monument, others a community building and still others the addition of a memorial wing to the hospital. Inspector Liddy submitted a scheme of memorial scholarships, particulars of which were given in a letter over his signature in last week's Banner. On one point the speakers were agreed—that the matter should be taken up wholeheartedly and pressed to a conclusion as speedily as possible. It was finally decided to call another meeting to appoint a permanent Memorial Committee and to consider the form the Memorial should take. The meeting will probably be held in the Opera House and an effort will be made to have a good outside speaker present. Special steps will also be taken to secure the attendance of the parents of all soldiers in Orangeville and district. The date of the meeting will be fixed by the present Committee, which was continued in office.

THE SOLDIERS' MEMORIAL

It is not greatly to the credit of the citizens of Orangeville that only sixteen persons showed interest enough to attend the meeting held in the Public Library on Friday night to discuss the matter of the proposed Soldiers' Memorial. Such indifference is lamentable in a matter of such vital importance. It is surely not in this way that our citizens would wish to honour the memory and the sacrifice of the brave lads who went West. Over a year ago the County Council made a substantial grant towards memorials in Orangeville, Shelburne and Grand Valley. Grand Valley has already decided on the memorial it is going to erect. Shelburne has got down to a memorial hospital or memorial gates at the entrance to its cemetery and will make its final decision within the next few weeks. Orangeville, which should have given the lead to these smaller municipalities, has done nothing at all except to hold a couple of meetings and if the attitude of our citizens may be judged by the size of Friday night's meeting the great majority are quite indifferent as to what is done, or whether or not anything at all is done. The Banner does not believe that there is any real indifference, but rather a disposition to shift responsibility to the shoulders of others. This is a matter in which every citizen has an equal responsibility. The hardships and sacrifices of the War were incurred for every man, woman and child in Orangeville. Every man, woman and child has a duty and that is to see that the names and the memory of the heroes of the war are fittingly perpetuated for all time to come. This is a matter in which none should be careless or indifferent. Let our citizens see to it that there is no repetition of Friday night's meagre attendance at any Memorial meetings that it may be considered advisable to call in the future.

A MASONIC VISIT

About sixty members of Harris Lodge paid a fraternal visit to Dufferin Masonic Lodge, Toronto, on Tuesday night. The brethren left here by auto about four o'clock in the afternoon and arrived home again early yesterday morning. They report a royal time. Dr. T. A. Carson, formerly of Orangeville, is W. M. of Dufferin Lodge, which was organized less than two years ago. The majority of its members are former residents of Dufferin County.

SPOTTON FOR COMMONS

At Wingham last Friday North Huron Conservatives selected Mr. George Spotton, President of Orangeville Business College and a number of similar institutions elsewhere in the Province, as their candidate for the House of Commons. A number of names were placed before the Convention, but all withdrew except Mr. Spotton and Mr. J. McEwan, of Goderich. The vote stood: Spotton, 83; McEwan, 80.

HOSPITAL NOTES

The regular meeting of the I. O. D. E. will be held at the home of Miss Gertrude Irvine, First Ave. on Friday, Oct. 14th, at 3 p.m. As Mrs. H. Burkholder, President of the Provincial Chapter, is to address the meeting a full attendance of the members is requested.

The "Isle of Love" concert staged by Mr. NeVille, of Kitchener, promises to be one of the greatest treats of the year. Be sure to attend. The proceeds are in aid of the Hospital. Plan of Hall will open at The Banner Office on Friday, Oct. 7th, at 9.30 a.m. Seats are 50c, 75c. and $1.00, war tax extra.

ANNIVERSARY SERVICES

Anniversary services will be held in St. Andrew's Church, Camilla, on Sunday, Oct. 16th, at 2.30 and 7.30 p.m. Rev. F. C. Hanner, of Hillsberg, will be the special preacher at both services. On the following Monday evening, Oct. 17th, the congregation will hold its annual Fowl Supper and Entertainment. Supper will be served from 5 to 8 o'clock and will be followed by a good program by Ben Mahon and local talent. Adults, 50c; children, 25c.

GOOD HEALTH AND GOOD SPIRITS

Depend Upon the Condition of the Blood—Keep it Rich, Red and Pure.

When a doctor tells you that you are anaemic, he simply means, in plain English, that your blood is weak and watery. But this condition is one that may easily pass into a hopeless decline if prompt steps are not taken to enrich the blood. Poor blood, weak watery blood is the cause of headaches and backaches, loss of appetite, poor digestion, rheumatism, neuralgia, nervous irritability and many other troubles. To poor blood is due the pimples and blotches, the muddy complexion that disfigures so many faces. To have good health, a good complexion and a cheerful manner, the blood must be kept rich, red and pure. This is easily done through the use of a blood enriching tonic like Dr. Williams' Pink Pills. The whole mission of this medicine is to help enrich the blood which reaches every nerve and every organ in the body, bringing with it health, strength and new activity. That is why people who occasionally use Dr. Williams' Pink Pills always feel bright, active and strong.

Mrs. E. E. Cook, Simcoe, Ont., gives strong testimony to the value of Dr. Williams' Pink Pills when the blood is in an anaemic condition. She says: "I have been a sufferer for some years from a run down condition of the system. I suffered from pains in the back, twitching of the nerves and muscles, my appetite was poor, I had indigestion and would get drowsy after eating. My hands and feet were almost always cold, and though I was constantly doctoring, the medicine I took did not help me. I had practically given up hope of good health, until a friend from Hamilton came to visit me, and urged me to try Dr. Williams' Pink Pills. It took some persuasion, but finally I consented to try them. I have reason to be grateful that I did, for after using seven boxes, I felt like a new person. I have gained in weight, have a better color and my work is now a pleasure. For this condition my thanks are due Dr. Williams' Pink Pills, and I cannot praise them too highly."

You can get Dr. Williams' Pink Pills through any dealer in medicine, or by mail, at 50 cents a box, or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

THE ISLE OF LOVE

The musical show that meets the taste of every person. Two and one half hours of music, mirth and melody. This is a guaranteed attraction and we advise your purchasing tickets now. Plan opens Friday morning at The Banner Office. Don't forget the dates, Tuesday and Wednesday, October 11th and 12th, at Opera House, Orangeville.

M'MULLEN–MEEK

The home of Mr. and Mrs. R. H. Meek, of Gorham street, Newmarket, was the scene of a very pretty wedding on Wednesday, Sept. 28th, when their only daughter, Annie Henry Gertrude, was united in marriage to Willis Benjamin McMullen, M. C., B. S. A., of Leamington. Rev. Capt. W. L. L. Lawrence officiated. The bride entered the drawing room on the arm of her father to the strains of the wedding march played by Miss Edwina Curry, of Newmarket. She wore a gown of crepe-de-chine with bridal veil and orange blossoms and carried a bouquet of roses and orchids. Her cousin, Miss Sadie McBride, of Inglewood, as bridesmaid, wore mauve organdie and carried roses. Mr. Eric Western, of Windermere, supported the groom. After a dainty buffet luncheon, Mr. and Mrs. McMullen left for their honeymoon, the bride travelling in a navy blue suit with beaver trimmings with hat to match. They will reside in Bruce Mines, Ont.

TEMPLIN–DOW

The marriage of Miss Laura Jean Dow, elder daughter of Mr. and Mrs. Robert Dow, to Mr. Hugh Charles Templin, only son of Mr. and Mrs. J. C. Templin, of Fergus, was solemnized on Saturday, October 1, at the residence of the bride's father, 189 St. John's Road, Toronto. Rev. D. I. L. McKerroll conducted the ceremony. The bride, who was given away by her father, wore ivory crepe charmeuse, embroidered with pearls, with an embroidered tulle veil caught with orange blossoms, and carried a shower bouquet of Ophelia roses. Her only ornament was a rope of pearls, the gift of the groom. She was attended by her sister, Miss Robena Dow. The bride's cousin, Miss Jean Jupp, was a dainty little flower girl. The wedding music was played by the groom's younger sister, Miss Margaret Templin, and during the signing of the register Mrs. F. W. Templin sang. The groom was supported by Mr. Robert Robinson. Following a buffet luncheon the happy couple left for an extended motor trip, after which they will reside in Fergus.

The groom is the Assistant Editor of the Fergus News-Record.

BROWN–TRIBBLE

A very pretty wedding took place on Wednesday, Sept. 21st, at the home of Mr. and Mrs. Richard Tribble, Alton, when their daughter, Mary Elizabeth (Minnie), was united in marriage to Mr. Thomas Henry Brown, son of Mr. Melrose Brown, of Hillsburg. The ceremony was performed by the Rev. J. F. G. Harris in the presence of the immediate friends and relatives of the bride and groom. The bride entered the parlor leaning on the arm of her father, to the strains of the wedding march played by Mrs. Walter Gray, of Laurel. She was unattended and was charmingly gowned in white satin daintily beaded with pearls and silk net veil with Orange blossoms. The groom's gift to the bride was a beautiful pearl necklace. After a buffet luncheon the happy couple motored to Inglewood and departed thence to Brandenton. On their return they will reside in Hillsburg, Ont.

THE BIG STORE, ORANGEVILLE

CALEDON FAIR

Excellent Attendance and Successful Exhibition Despite Cold Unfavorable Weather.

The combined Rural School Fair of Caledon Township and the annual Fall Fair of the Caledon Agricultural Society took place on the Agricultural Grounds in Caledon Village on Tuesday afternoon. The Fair was to have taken place last Friday, but rain made it necessary to postpone the outdoors exhibition and the School Fair until Tuesday. The weather was none too favorable on Tuesday, being both chilly and showery, but the Fair was largely attended nevertheless. In some departments, particularly in the hall exhibits on Friday, the entries were the largest in the history of the Society. The quality of many of the exhibits also showed a marked improvement over the exhibits of former years. In ladies' fancy work and in the domestic and dairy classes there was a noticeable improvement. Fruit was away up, but there was a fine display of field roots and vegetables. Plants, flowers and potatoes were particularly good. Mr. Wm. Gibson was one of the chief exhibitors in potatoes and carried off quite a number of the prizes. Mrs. William Vickery won the first prize for cake in a field of eight competitors. Jos. I. Watson was as usual an extensive exhibitor and had a showing of scallage corn which attracted general attention. Mrs. McFetridge was the exhibitor of a very fine fancy bedspread. William Barrett, of Claude, showed a number of amateur photos of superior quality and Alf. Harrington had an exhibit of stuffed birds that attracted a good deal of attention.

Tuesday afternoon there was a fine display of horses despite the unfavorable day. Cattle were excellent in quality but fewer in number than usual. There was an excellent showing of sheep. The speeding events were keenly contested and furnished the best of sport. It took five heats to decide the Farmers' Trot. D. McArthur's speedy mare won the final heat and the race in a driving finish. Chas. Atkinson's Sandy was a close second and third money was won by Cunningham's Jean Johnston. The results in the other two events follow:

Free For All.

Jean Todd, R. Overland, O'ville	1	1	1
Bertha Walsh, Dr. Riddell, O'ville	2	2	2
The Redman, J. Kannawin, O'ville	3	3	3

2.40 Trot

Jessie Bison, Dr. Riddell, O'ville	1	1	1
Walter Bison, W. Hillock, Caledon	2	2	2
Minnie M., McGrath, Inglewood	3	3	3

Mrs. Norman McLaughlin was awarded the red ribbon for the best lady driver. Mrs. Wm. Beer, Alton, and Miss Bessie McQuarrie, Caledon East, won first and second prizes for best lady driver of an auto. Mr. W. J. Wilson, Erin, carried off the honours for high stepping horse. W. J. Lowe, of Snelgrove, won the sweepstakes for the best roadster driver and W. J. Trothen first prize for the best draft team. The challenge cup for the best dairy cow, any breed, was won by Hillyard Bros. with a fine Holstein. Bert Trebble captured the Bank of Commerce Cup for the best pen of sheep on the grounds. Two novel exhibits that attracted a good deal of interest were an owl shown by Angus McLeod, of the 4th line, who captured the bird in his chicken coop the first morning of the fair, and a pair of wild geese, the property of G. J. Lemon & Son, who captured them in a stream on their farm last autumn. Orangeville Citizens' Band furnished music during the afternoon. Orangeville defeated a team of Caledon and Inglewood players at lacrosse by 3 to 1.

The school children's exhibits occupied the main hall. The display was large and of excellent quality and competition was keen between the different schools. Agricultural Representative J. A. Carroll was greatly pleased with the number, variety and quality of the exhibits and pronounced the manual training display one of the finest he had ever inspected. We hope to give a complete list of the prizewinners at both fairs in next issue.

—Come early and often to secure the Bargains at Jeffers' Drug Store on Oct. 12, 14 and 15.

—Thursday next will be Orangeville monthly fair day.

THROWN ON BELT

Harold Bracken, son of Mr. and Mrs. John R. Bracken, of Mono, met with a nasty accident while assisting at a threshing at Mr. Hugh Bracken's on Wednesday, Sept. 28. The young man was standing on the feed board feeding the machine, when another young chap named Keys jumped out of the mow on the board. The additional weight caused the board to collapse and Bracken fell astride the engine belt. Fortunately he was carried away from instead of toward the separator and had time to escape from his perilous position without becoming entangled. As it was he sustained painful injuries in the lower part of the body. Dr. T. H. Henry attended to the injuries, which are not of a serious nature.

JACK MINER

As the Opera House is in use to-night (Thursday) Jack Miner will speak to the Dufferin Teachers' Institute and citizens of Orangeville in the Methodist Church. The address will be illustrated by over fifty slides showing how Miner made friends with his great family of birds. It promises to be an extremely interesting lecture. Admission has been fixed at 50 cents to any part of the church.

MISS REBECCA LITTLE

Miss Rebecca Little, a well-known resident of the Glencross district, passed away at her late residence, lot 16, con. 5, east, Mono, on Wednesday afternoon, Sept. 28th, after an illness of six weeks. Deceased was the last surviving member of the family of the late Mr. and Mrs. Robert Little, early residents of Mono. Three brothers, William, John and James Little, have been removed by death during the last few years. The late Mrs. James Hackett, of Orangeville, was a sister. Deceased was 74 years of age and was highly respected in the neighborhood, where she spent her life. She was a kind-hearted woman, generous in her sympathies and always ready to extend a helping hand to anyone in trouble or distress of any kind. The funeral was held to Releasey Cemetery on Friday afternoon, Rev. C. H. Worth, of Rosemont, conducting the services at the house and grave. The pallbearers were Messrs. Robt. Andrews, John Moffatt, Irad Allen, G. Stewart, W. J. Coleman and W. McFadden.

DIED PLAYING GOLF

An hour after putting, which he missed and over which he laughed good heartedly, Mr. Wm. H. Meek, aged 61, a prominent citizen and druggist of Port Rowan, dropped dead from heart failure on the golf links at that late last Thursday afternoon. Deceased was a member of the Simcoe team, which was playing a match with Galt. His brother, Dr. Edward Meek, of Port Rowan, was also a member of the team. The tragic occurrence brought the game to an abrupt conclusion. Deceased was a married man and leaves a widow and one son. The body was shipped to Port Rowan on Friday morning. Mr. Meek was a brother of the late Dr. Robert Meek, of Orangeville. He is survived by two brothers, Dr. Ed. Meek, Port Rowan, and Mr. J. L. Meek, Hensall, and two sisters, Mrs. Meek, Steele and Mrs. McKeown, both living in Toronto.

JAMES A. LAIRD

The death took place in Toronto on Monday afternoon, Sept. 26th, at the residence of his daughter, Mrs. I. G. Haggert, of James Alexander Laird, 68 years of age, a resident of Brampton for more than thirty years. Mr. Laird was born on lot 11, 2nd line, west, Chinguacousy, where his father, the late Peter Laird, settled more than one hundred years ago. As a young man, Mr. Laird was engaged with his brothers in the carpentering business in the village of Norval. When this partnership was dissolved Mr. Laird came to Brampton and ran the planing mill on East Nelson St., now conducted by W. B. McCuaig. He built a skating rink on the lot adjacent to the mill, which was for many years the skating and curling rink of the town. Mr. Laird has been in ill health for several years, and the death of a daughter, and of his wife during the past four months, have proved heavy blows to him. Mr. Laird was a Liberal in politics, and was a member of the Baptist Church. A service was held yesterday afternoon at the home of his daughter, the funeral coming by motor to Brampton, where interment took place in Brampton cemetery. The services were conducted by Rev. A. F. McGregor, pastor of the Baptist Church. Mr. Laird is survived by three sons, Clayton and Allan, Toronto, and Rupert, Montreal, also one daughter, Mrs. I. G. Haggert, Toronto; seven sisters survive, A. M. and Lewis, of Nereal, and John, of Hamilton.—Conservator.

FAREWELL ON COLLAR

Body of Fergus Man Found Under Bloor Street Viaduct.

The body of Roger H. Unsworth, of Fergus, Ontario, and who roomed at 18 Bathurst street, Toronto, was found under the west end of the Bloor street viaduct at Parliament street, where it crosses the Rosedale ravine. The discovery was made by J. Cockburn, 925 Logan Ave., last Friday morning.

Unsworth had apparently taken off his collar and had written a note on both sides of it and then replaced it about his neck. The note on the outside reads: "I am very sorry for all the trouble to my lady friend. The last few months I owed for God and your protection and the shells sound like music.

"My last request is that you will do what you can to [illegible] my mother, sisters and brothers [illegible] all very dear to me.

On the other side he had written: "Goodbye nice old world. Though I have not been happy at times yet I have drawn a good deal of pleasure [illegible] and am trusting in God for the future [illegible] my last act may be such yet G[illegible] and Christ God bless you. Don't forget my last request. Forget all [illegible] as I have, and Christ will forgive [illegible]

Another note left [illegible] implored his friends to forget [illegible] forget all as quickly as possible.

Unsworth was [illegible] years of age and had been employed [illegible] traveler. A letter arrived Friday [illegible] 18 Maitland street for him [illegible] believed to be from his mother [illegible]

CAR DITCHED

Last Thursday Judge Fisher had the misfortune [illegible] his car a short distance west of the "skew" crossing while returning to town from the golf links. The accident was caused by an [illegible] car swinging suddenly into the middle of the road as it approached Judge Fisher's car. The Judge turned out to avoid a collision, got close to the ditch and when he attempted to swing back to the roadway his car skidded into the ditch. Messrs. W. C. Hopkins and E. C. Clark were with him at the time, but the three occupants escaped with a shaking up and a few bruises. Considerable difficulty was experienced getting the car out of the ditch, which is quite deep at the point where the auto went over. It was finally taken out using the C. P. R. right of way to the north of the highway.

CALEDON.

Rev. W. E. Wilson, of King Street Methodist Church, will preach the Thanksgiving services in Caledon Methodist Church on Sunday, Oct. 9th. He will also bring up his choir who will assist in the Sunday services and also put on a grand concert in the Town Hall, Caledon, on Saturday evening, Oct. 8th.

3 Days Only, Oct. 13th, 14th and 15th, 1921

ONE CENT SALE — The Rexall Stores, Canada's Favorite Drug Stores — ONE CENT SALE

ONE CENT SALE!

Another Example

Buy a 50c box of Aspirin Tablets U. D. Co.

at the regular price of 50c and you will get another box for 1 cent or

2 for 51

Sale THURSDAY, FRIDAY & SATURDAY

This ONE CENT SALE Plan was originated by the United Drug Company for the Rexall Drug Stores. The United Drug Company are the largest manufacturers and buyers of Toilet Articles, Remedies, Chocolates, Perfumes, Rubber Goods, Stationery and Drug Sundries in the world, and this is an advertising plan pure and simple, of which they bear most of the expense. Instead of spending money in the regular way, such as Free Samples, etc., it is their desire that we place full size packages, or articles, in your hands, giving you an opportunity to judge the real value of these goods, the cost of which they charge to advertising.

We will only be permitted to run this sale occasionally. Beware of imitations in other stores, and take advantage of this exceptional opportunity. We can not afford to charge or deliver goods during this sale. Come in and see the display of all New Merchandise.

RECOVERED AUTO

On August 1st last Robert B. Lee, of Ballycroy, had an automobile stolen while at the Centreville garden party. The week before last Chief Herkes, of Brampton, and Mr. Lee recovered the car at Kemptville in Eastern Ontario, 305 miles from the place where it was stolen. The man in whose possession the car was found had purchased it from three foreigners. He stated that the foreigners did not speak very good English and it is thought that they may possibly have been the three men who were noticed lurking in the vicinity of the little station at Cedar Mills about the time of the attempted Bolton hold-up last summer. The man who purchased the car had made certain repairs to it and had fitted it up with a new set of tires.

ST. ANDREW'S Y. P. S.

Group discussions of three familiar and instructive subjects formed the main item of the programme given at the weekly meeting of the above Society on Monday night. The manner in which the topics were discussed showed that the young people were both interested and well-informed. During the evening Miss Myrtle Gardiner delighted the gathering with a well-rendered vocal solo.

Next Monday evening the Consecration Committee will provide the programme. All young people are cordially invited.

CHICKEN PIE SUPPER

A Chicken Pie Supper will be held in Laurel Town Hall, on Tuesday, October 11, 1921, under the auspices of the W. M. S. of the Presbyterian Church, followed by a concert in the church. Supper served from 6 to 9 o'clock. Admission, adults, 50 cents; children, 25 cents. The quilt on which tickets are being sold will be given to the one who holds the lucky number on that night.

WHITE SHIELD SALE

The Class of the White Shield will hold a Sale of Homemade Baking in the basement of the Methodist Church on Saturday afternoon, October 8th. Tea will be served. Friends of the Class will kindly leave their donations at the church early in the afternoon. [illegible]

"I Wonder Would It Help Me?"

THIS question has been answered by many thousands of women who have found health and happiness in the use of Dr. Chase's Nerve Food.

Sleeplessness, irritability, nervousness, gloomy forebodings of the future, depression, and discouragement—these are some of the symptoms which tell of exhausted nerves.

In order to avoid nervous prostration or some form of paralysis it is well to get the building up process established at once by use of Dr. Chase's Nerve Food.

50 cents a box, 6 for $2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

Dr Chase's Nerve Food

CHAPTER OF ACCIDENTS

Mr. and Mrs. W. J. Thompson, of Violet Hill, received a severe shaking up and sustained some cuts and bruises when they were thrown from their buggy while driving to Shelburne on Thursday afternoon last on the townline just east of Shelburne. The horse took fright and jumped into the ditch, throwing the occupants out. Mr. Thompson had three stitches inserted in a cut in his head, and received other body bruises, while Mrs. Thompson was injured in the arm and body. On the day following, their son, Herman Thompson, fell through a manhole in the barn of Thos. Hogg, Mono, where he was assisting at a threshing, and in a fall of about nine feet, sustained injuries to his back which have confined him to his bed ever since. Latest reports state that all three are progressing favorably.—Free Press.

A revival of the cement-making industry on a big scale in Owen Sound is in prospect and it may be that before the snow flies engineers will be at work there and will be proceeding with the overhauling and equipment of one of the plants which has for some years been lying idle.

A Tribute

Our ability, to explain in print why The Hoover excels, is dwarfed by the enthusiastic endorsement of a half million Hoover users, thousands of whom have been using Hoovers on their carpetings for the past ten or twelve years.

CRIPPLED WITH RHEUMATISM

Then She Took "FRUIT-A-TIVES" And Has Been Well Ever Since

MARIAN SLOAT

PERTH JUNCTION, N.B., Jan. 22nd, 1920

"For many years, I was a great sufferer from *Indigestion, Constipation and Rheumatism*. My Stomach was weak and gave me constant distress, while Rheumatism in my joints made me almost a cripple. was treated by two different doctors but their medicine did me no good.

Then I tried "Fruit-a-tives" and at once that fruit medicine helped me. Soon the Constipation and Indigestion were relieved and the Rheumatism began to go away, and in a few months entirely disappeared. *For twelve years now, my health has been first class*, and I attribute it to the use of "Fruit-a-tives" which I take regularly".

Mrs. CLARA SLOAT.

50c a box, 6 for $2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

HOWSON–VARCOE

The wedding took place Saturday evening, Sept. 24th, in Howard Park Methodist Church, Toronto, of Gladys Gwendolyn, eldest daughter of Mr. and Mrs. M.G. Varcoe, formerly of Grand Valley, to Mr. Harry Lee Howson, son of Mr. and Mrs. A. M. Howson, Arthur. Dr. C. I. Scott officiated. Ferns, palms, yellow 'mums decked the church and white ribbon marked the guest pews. The bride wore ivory crepe, black satin trimmed with Chantilly lace and deep silk fringe and long court train lined with bride's pink georgette trimmed with bow knots of shirred ribbon. Her veil was of tulle embroidered in silk and held in place by a wreath of orange blossoms, and she carried Ophelia and Sweetheart roses and lily of the valley. She was attended by Miss Marjorie Varcoe, as maid of honor, and Miss Edna White as bridesmaid, the former wearing a frock of blue and gold shaded taffeta and the latter a rose and silver frock with large black panne hats trimmed with lace and carrying deep red roses. The groom was supported by Mr. George Howson and the ushers were Mr. B. L. Howson, Dundas, and Mr. Lou Cranston, New York. Miss Nina Dunlop presided at the organ and Mrs. G. W. Roberts sang "O Promise Me." Immediately after the ceremony Mr. and Mrs. Varcoe held a reception at their home, Hewitt Ave. Mrs. Varcoe received in a becoming gown of black georgette and taffeta with overdress of black embroidered net with corsage of red roses and wearing large black hat. Mrs. Howson was in midnight blue charmeuse trimmed with black lace and black feather hat. The happy couple left on the evening train for Montreal, Quebec and points east. The bride travelled in a navy blue Poiret twill suit with tan duvetyn hat and brown fox fur. They will reside at 214 Western Ave.

Fire caused by a lantern either exploding or falling over on the floor destroyed the large barn with contents, of Mr. Geo Hutchison, lot 31, con. 17, Keppel township, four miles southwest of Kemble, a week ago Thursday night. The barn was one of the best in this district, the timbers being of rock elm, sixty feet long and one foot each way.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

BARN BURNED

Fire of an unknown origin completely destroyed the barn on the farm of Joseph J. Hand, west half of 30, con. 5, Mono township, on Thursday evening of last week. The contents, including the season's crop, several tons of hay, two waggons, four horses, harness and a number of poultry were also consumed in the flames. The fire occurred about 10.30 o'clock and was beyond control before any rescuers arrived. The reflection of the fire was quite discernible in Shelburne. Mr. Hand's loss will be heavy. He carried insurance of $1900 on the barn and $2000 on the contents in the Dufferin Farmers' Mutual Fire Insurance Co.—Free Press.

Wm. J. Taggart, a native of Kleinburg, died at Vancouver, B. C., last week. Deceased was 61 years of age. In 1881 he moved to Rosemont, later going to Manitoba and finally to Vancouver.

'PHONE 128

DISARM OR PERISH

A dreadnought costs in the neighborhood of $25,000,000, and only lasts a very few years. Twenty-five million would build 5,000 houses at a cost of $5,000 each.

What a contrast between money spent for destructive, and money spent for constructive purposes! In the one case $25,000,000 means the spread of death and destruction; in the other case it means the establishment of homes, the spread of family life and all the happiness associated therewith.

It is to be hoped that the Canadian Government will throw in its voice, vote and influence with the disarmament proposal made by President Harding of the United States. Unless the nations adopt a policy of sanity and reduce armaments, they are going to face their economic collapse.

The world war cost upwards of three hundred and fifty billions, and will prove a mill-stone around the neck of generations yet unborn. What could not be accomplished by the expenditure of the money now turned into battleships, big guns, forts, the maintenance of armies and navies? If that money were turned in the direction of education, sanitation, scientific research, better housing conditions, and other measures tending to alleviate suffering humanity, the world would be remade in a very few years' time. We must disarm or we will perish.—The Farmers' Sun.

NEAR TRAGEDY

Owen Sound Boy Trips and Falls Head-first, for 40 Feet.

That Orland Preston, son of Mr. and Mrs. George Preston, 849, 5th Ave. West, is still alive after a fall, head-first over a precipice of 40 feet, he... to be a miracle. Last evening seem... who is 18 years of age, and three com... anions started on a tramp along the r... walked for about a mile along the ...dge of the cliffs just south of the No... th Gravel Road outside the city limits. The boys had reached a point just back of Boyd's slaughter house and had t... rned to go back home as it was getting near six o'clock.

The boys, Archie Brown, Arthur Middlebro, Allen Cameron, Orland Preston, began to run along the rocks one after another, the Preston lad being the last one. The first three boys noticed a projecting root which they jumped over. The fourth lad evidently caught his foot on the root and stumbled in such a manner that he was thrown over the cliffs which are about 35 or 40 feet in height at this point. His young friends heard him gasp as he fell and turned around to find him at the foot of the rocks. They immediately clambered down and found him trying to support himself, standing against the rock. There was a very severe gash in his hip about eight inches long and two inches deep as well as a bad cut over his hight eye and one on the scalp.

The lads noticed that he had fallen so that his shoulder had struck two rotten logs which had broken his fall allowing his head to go down between them.

The Preston boy attempted to walk but found that his right leg in some manner had become useless. His three companions carried him all the way to his home, a distance of over a mile. Dr. Gaviller and an ambulance were immediately summoned and the injured lad was removed to the hospital. Strange to say there were no bones broken but the gash on the boy's hip will require some time to heal. He rested very well last night considering his condition and is progressing as favourably as could be expected. His escape from instant death is regarded as miraculous and every hope is held for his complete recovery.—O. S. Sun-Times

The death took place at Toronto General Hospital a week ago Tuesday, of Mary A., wife of Harry J. Nolan, of Tottenham. Interment at Tottenham on Wednesday.

Mrs. Wm. Stevenson, the oldest native-born resident of Guelph, died on Friday, Sept. 23rd, 1921. She was in her 94th year and was a daughter of the late John Clarke, who settled in the Paisley Block about 1820.

CALEDON COUNCIL

Council Chamber, Caledon, Sept. 5th, 1921.

Council met, Reeve presiding, members all present.

Minutes of previous meeting read and adopted.

A communication from R. Jones, re P. McCorrie, was received and read.

Mr. James McKinnon addressed Council and asked permission to build an underground passage on roadway at 10 Siderosd, con. 5, to allow his cattle to go from one farm to another.

Moved by Mr. Trathen, seconded by Mr. Martin, that the cheque for $28.00 received from Mr. McKeown, and $5.00 received from the caretaker of Hall, be handed to the Treasurer and placed to the credit of the Township.—Carried.

Moved by Mr. Martin, seconded by Mr. Trathen, that the Reeve, Deputy-Reeve and Clerk be a Committee to defend action of W. T. Rawn re claim for sheep killed by dogs.—Carried.

Moved by Mr. McBride, seconded by Mr. Martin, that the sureties of Treasurer and Collectors be accepted.—Carried.

Moved by Mr. Martin, seconded by Mr. McDonald, that the Reeve be appointed to interview loan companies and endeavor to procure money to finance the Telephone System.—Carried.

Moved by Mr. Trathen, seconded by Mr. Martin, that the Clerk notify the Telephone Commissioners to attend a Special Meeting of Council at Alton on Monday, Sept. 12th next, at 2 p.m., to discuss matters pertaining to the Telephone System.—Carried.

A By-law to impose an additional percentage charge of 5 per cent. on all taxes not paid by December 15th, 1921, was introduced and regularly passed.

Council, in Committee, with Mr. McDonald in the chair, passed the following accounts, viz:—

Moved by Mr. Trathen, seconded by Mr. Martin, that when the Council adjourns to-day it stands adjourned until Monday, October 17th next. Carried.

On motion Council adjourned.

L. H. WILLIS, Clerk — THOS. QUINN, Reeve.

SPECIAL MEETING

Alton, September 12th, 1921.

A Special Meeting of Council called for the purpose of discussing with the Telephone Commissioners matters pertaining to the Telephone system.

Members all present, the Reeve presiding.

Messrs. A. G. Patterson, W. Houston and W. Meek, Telephone Commissioners, also Mr. F. Dagger, Telephone Adviser of the Ontario Railway and Municipal Board, were present.

Considerable discussion relative to Telephone matters was indulged in, and a number of questions answered by Mr. Dagger.

It was decided that the Commissioners endeavor to procure money to finance the System until such time as the debentures are issued.

Moved by Mr. Trathen, seconded by Mr. Martin, that the Clerk be instructed to ask the Ontario Railway and Municipal Board to extend the time for issuing the Debentures re Telephone System until December 1st, 1922.—Carried.

Moved by Mr. Martin, seconded by Mr. Trathen, that the Telephone Commissioners be asked to report at next meeting of Council regarding their success in procuring money.—Carried.

Council adjourned.

L. H. WILLIS, Clerk — THOS. QUINN, Reeve.

CHEVROLET
For Economical Transportation

THE more a man knows about automobiles, the more experience he himself has had with them, the more critical he is apt to be of their essential features.

To satisfy this class of motorists is the chief motive of Chevrolet construction and equipment.

It is to this element therefore that the convenience of operation, accessibility and equipment, the dependability and economy of the Chrevolet makes its greatest appeal.

THE TOWN COUNCIL

Bell Telephone Company Gives Notice of Application to the Railway Board for Permission to Again Increase Rates.

At Monday night's meeting the Town Council was served with notice by the Bell Telephone Company of its pending application for permission to make another increase of rates. The following table shows how the proposed increase would affect Orangeville phone subscribers:—

	Present Rate	Proposed Rate	Increase per month
Business, Individual	$2.05	$2.50	.45
Business, 2 Party Line	1.85	2.00	.15
Business, 4 Party Line	1.54	2.00	.46
Private Branch, Exchange Trunk	$2.05	$2.50	.45

The hearing of the application will take place at special sittings of the Board of Railway Commisioners in the Court Room of the Union Station Building in Ottawa, beginning Wednesday, Oct. 5th, at 10 a.m.

The following corporation accounts were passed and their payment authorized:—

Crane, Limited, $19.84; E. C. Clark, $2..00; Bell Telephone Co., $3.59; Orangeville Hydro Commission, $34.94 and $319.00; E. Huskisson, $4.00; Geo. King, $31.50; W. O. Thomas, $18.60; Municipal World $2.10; Wm. Gillespie, $5.00; T. S. Parkinson, $5.00; Ed. Delaney, street watering, $42.60.

Council decided to purchase a recording steam guage and watchman's clock as recommended by the Fire Underwriters' Association. They will cost in the neighborhood of $150.

The Clerk was instructed to notify Messrs. H. Hayward and Hiram Greenis to clean the obstructions out of the Credit River opposite their respective properties.

MANAGER TRANSFERRED

Mr. J. L. Meek, manager of the Sterling Bank at Port Dalhousie, Ont., for the last six years, has been transferred to Hensall, Ont. Mr. Meek was formerly an Alton business man and was Clerk of Caledon township for a number of years.

—Lady will go out to do sewing by the day. Apply Box 202, Orangevill, or at Banner Office.

J. D. TORRIE

THE CLOTHING MAN

SUITS

for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,

THE CLOTHING MAN, ORANGEVILLE.

IMPERIAL PLAYERS

The Imperial Players, who have just completed an engagement of thirty weeks straight running in Kitchener, Ontario, and who are headed by the two popular and distinguished young actors, Mr. Jack Milton and Mr. Robert St. Clair, will play a limited engagement in our town, starting Thursday, October 6th, and concluding Saturday night, October 8th.

No company of such unusual merit has toured this section of the country for many a season and NONE has been able to assemble the wonderful collection of plays that are a part of the Imperial Players' repertoire.

Little winsome Alma Bunsall (called by hundreds "Canada's Fashion Plate,") has been secured from New York, where she has been playing for the past few seasons for the present tour and a supporting cast of exceptional ability has been selected.

Opening Play on Thursday night, "Daddy Long-legs," is a story of neglected youth and is the play that helped to make Mary Pickford an internationally famous star.

Other plays are: "Mrs. Wiggs of the Cabbage Patch," on Friday night and "Tom Sawyer and Huckleberry Finn," on Saturday night, with all special scenic and light effects and songs, dances and monologues between the acts.

Remember the dates, Thursday, Friday and Saturday, October 6th, 7th and 8th. Seats may be reserved at The Banner Office.

SHELBURNE STILL IN RUNNING

By defeating Hanover 7 to 6 in Shelburne on Saturday, Shelburne won the round and earned the right to remain in the running for the juvenile championship of the O. A. L. A. The victors won an earlier game in Hanover by a score of 9 to 8, making the count 16 to 14 in their favor on the round. Three of the players on the winning team had taken part in the junior game against St. Catharines at Scarboro Beach on Wednesday afternoon. The same trio scored all of the winners' goals on Saturday. The game furnished the spectators with plenty of excitement.

CHANGE AT QUEEN'S

Mr. W. Collins, who has been running the Queen's hotel for the last year, vacated the premises last week and has left town with his family and effects. The house has since been taken over by Mr. Wm. Savage, who ran The Dufferin House until a couple of months ago. Mr. Savage is a practical hotel man with plenty of energy and enterprise and the house should enjoy greater prosperity under his management than it has while in charge of some of his predecessors. Time was when The Queen's was the leading commercial house of the town.

ALTON

The Alton Women's Institute intend holding a grand concert on October 31 in the Town Hall. The Hill Bros.' Quartette, of Hamilton, will provide the program.

Miss Speers, of Caledon, is visiting Rev. and Mrs. Morris.

Mr. and Mrs. J. M. Dods spent the week-end with their daughtary Mrs. Macdonnell, of Goderich.

Mrs. H. G. Armbrust is spending a couple of weeks with her parents, Mr. and Mrs. Wm. Dowswell.

Rev Mr. Matheson, of Mono Mills, occupied the pulpit in the Presbyterian church on Sunday last. Rev. Mr. Matheson was pastor here twenty-five years ago.

Mrs. Thos. Meek spent the week-end with Brampton friends.

The Methodist Ladies' Aid had a very successful sale of home-made baking on Saturday afternoon.

Miss Ruth Babcock left last week to attend Victoria College, Toronto.

Miss Margaret Meek has been successful in securing classes in music in Erin and Hillsburg.

SALE REGISTER

The executors of the estate of the late Miss Rebecca Little, of Glencross, are holding a Credit Auction Sale of the deceased's farm stock, implements, household effects, etc., on Friday afternoon, October 14th. Full particulars will be found elsewhere in this issue. Jas. A. Patterson, Auctioneer.

BORN.

WALKER — In Amaranth, on Thursday, September 29th, 1921, to Mr. and Mrs. R. J. Walker, a son.

MAY—In Orangeville, on Monday, Oct. 3rd, 1921, to Mr. and Mrs. Wm. May, a son.

KERR-EWING—At the Methodist parsonage, Aurora, on Wednesday, September 21st, 1921, by Rev. H. Harper, M. A., Ph. D., James A. Kerr, of Alliston, to Ethel Beatrice, youngest daughter of the late Samuel Ewing, of Alliston.

DIED.

THOMPSON—In Amaranth, on Sept. 23rd, 1921, Beatrice Pearl, infant daughter of Mr. and Mrs. Wesley Thompson, aged 6 months and 8 days.

GAMBLE—In Amaranth, on Monday, Sept. 26th, 1921, William Edward Gamble, in his 45th year.

McCAFFREY — At Caledon East, on Thursday, Sept. 29th, 1921, Adrgin Leslie McCaffrey beloved daughter of Mr. and Mrs. P. J. McCaffrey aged 17 years and 8 months.

Funeral from the residence of her parents, in Caledon East, to Caledon East Public Cemetery, on Saturday, October 1st

IN MEMORIAM.

In fond and ever loving memory of our dear son, Pte. Jos. S. Halbert, of Mono Mills, 164th Batt., 2nd Motor Machine Gun Brde., killed in action at Cambrai, Oct. 9th, 1918, aged 21 years and 1 month.

Somewhere in France he is lying,
Not 'neath his dear Canada's sod,
What a glory was his in dying.
For Liberty, Country and God.
Mother and Brothers.

COMMITTED

Mrs. Mabel Lee Sent Up For Trial By Magistrates' Court.

The preliminary hearing of the charge against Mrs. Mabel Lee, of Rosemont, who was arrested at her home in that village on Friday morning, Sept. 23rd, on a warrant which charged her with causing the death of her husband, Robert Lee, on August 23rd last by administering strychnine to him in his medicine, took place in the Court House here at 10 o'clock on Monday forenoon. A large crowd had assembled in the expectation of hearing the evidence that the Crown had in readiness to submit to the Magistrates. In this they were disappointed as Mr. C. R. McKeown, K. C., counsel for the accused woman, announced shortly after the Court opened that he would waive his right to examine witnesses and consent to have Mrs. Lee sent up for trial without taking any evidence. Crown Attorney Island demurred, stating that this particular procedure was not satisfactory to the Attorney General who preferred to have the evidence taken in the preliminary hearing. Mr. McKeown thought this was unnecessary, stating that he was willing to have his client committed on the evidence taken at the Coroner's inquest, so far as this evidence was admissible and applicable. After some discussion between defence counsel and the Crown Attorney and a number of questions by Police Magistrate Patullo, it was agreed to call only two witnesses—Rev. C. L. Gray, Anglican clergyman at Rosemont, and Dr. T. H. Henry, one of the medical men who performed the autopsy. Mr. Gray was questioned briefly as to certain remarks made by Lee, while on his death-bed, in the presence of witness and another neighbor, Norman Palmer. Dr. Henry merely identified the written report of the autopsy. Mrs. Lee was then formally committed for trial at the Dufferin County Fall Assizes which open in the Court House here on November 15th. The late Mr. Justice Clute was to have presided at the Assizes. Another Judge will be named before the date set for the opening of the Court.

While timed for 10 o'clock the preliminary hearing did not commence until half an hour late. Police Magistrate Patullo and Magistrate James Armstrong were on the bench. Mrs. Lee, who has been confined in the County Gaol since Saturday evening, Sept. 24th, was escorted into the Court Room by High Constable Marshall and given a seat beside her counsel. In response to the formal reading of the charge Mr. McKeown entered the plea, "Not Guilty." The prisoner is a fairly tall, well-proportioned woman of rather pre-possessing appearance. She was neatly dressed in black and wore a black hat. She appeared nervous and ill at ease and occasionally consulted her counsel in an undertone. While maintaining a quiet demeanor she was obviously affected by the trying position in which she has been placed and seemed on the verge of tears several times. At the conclusion of the hearing, shortly after eleven o'clock, she was taken from the Court Room to her cell, where she will probably be confined until the trial.

The accused woman is very anxious to secure bail as she claims that her health will not stand the close confinement. She has furnished Mr. McKeown with the names of a number of friends who might be willing to act as bondsmen. Should any of these express a willingness to become sureties for her appearance for trial her counsel will probably make an application for bail. In this event we understand that the procedure would be to notify the Crown and then make the application to a Supreme Court Judge at Osgoode Hall. It is very unusual to allow bail in criminal cases of such a serious character and it is doubtful if the application would succeed. The fact that the date fixed for the Assizes is only a few weeks distant would also make it more difficult to secure an order allowing bail.

Harvest Thanksgiving Services.

Large congregations attended the Harvest Thanksgiving services in St. Mark's Church last Sunday. The sacred edifice was beautifully decorated for the occasion with flowers, fruits and products of the field. The rector, Rev. T. H. Stewart, preached earnest and impressive sermons morning and evening. The choir, which was assisted for the day by Mr. A. D. Porter, a gifted tenor, provided special music appropriate to the special character of the services. The numbers included a duet by the choir leader, Mr. J. E. Jessop, and Mr. W. Clowes, and a solo, "After the Harvest," by Mr. Porter.

CAMILLA

Misses Elaine and Florence Neil have returned to their home in Chicago after a pleasant visit with their grandmother, Mrs. Eliza Neil.

Mrs. (Dr.) Ross has returned to her home in London.

Miss Hannah Rayfield is visiting Galt friends.

Miss Chroma Lundy is visiting friends in Brampton.

Mrs. Wm. Kyles is spending a week in Stratford.

In the absence of Rev. Mr. Coutts, who was conducting anniversary services in Mono East last Sunday, the service here was taken by Rev. Mr. Carr, of Alton, who delivered a very fine sermon to a large congregation.

There was a fine turnout last Wednesday to hear Rev. Will Bremner, of Galt, lecture on his trip to the Orient, which was highly interesting and much appreciated.

Despite the unpleasant condition of the weather there was a goodly number in attendance at the Y. P. S. meeting last Friday evening. The meeting was taken by Clifford Marshall. The meetings are always interesting. New officers have been elected as follows:—Hon. President, Rev. Wm. Coutts; President, Lillian Rayfield; Vice-President, Harold Marshall; Secretary-Treasurer, Clarence Kindrew; Organist, May Madill.

A great deal of interest is being taken in the U. F. O. convention in Shelburne, Saturday. Many are hoping that one of the local men may be the nominee.

Grading is still in progress on Prince of Wales Road. We understand that if the ladies who reside on that road would board the men that the gravelling would stand a chance of being completed this fall.

HILLSBURG

The Rev. S. Barnside Russell, of Erskine Church, Hamilton, is to conduct anniversary services in St. Andrew's Church, Hillsburg, next Sunday, October 9th. This will be the "61st birthday" of the congregation's organization in the summer of 1860, and Mr. Russell was minister for two years in 1903 and 1904. Special music is being prepared for the anniversary, and there will be many old-timers back again.

The Sacrament of the Lord's Supper will be administered in St. Andrew's Church on Sunday, October 23rd.

The Rev. F. C. Harper, B. D., is to conduct anniversary services at Camilla on Oct. 16th, and Rev. W. Coutts, of Camilla, will preach at Hillsburg and Bethel church on that day.

Erin Township Sunday School Association has a hustling Executive. Institutes have been held in Ospringe, Erin, Hillsburg and Ceningsby last week which were best attended at Ospringe and Hillsburg. The different branches of S. S. work were discussed. The Hillsburg ministers, with Mr. H. R. Mackay, were appointed a Committee on Teacher Training.

The Hillsburg Women's Institute are planning for a play, which is by the author of "Aunt Susan," and will be put on during the fall.

Who said Wednesday is not a good day for a wedding?

The Presbyterian Synod met in Orillia Presbyterian Church last week and held sessions Tuesday, Wednesday and Thursday. Rev. F. C. Harper and Wm. Johnston were the representatives of the local church.

NOTICE TO CREDITORS

In the Matter of the Estate of Adam McFarlane, late of the Township of Caledon, in the County of Peel, Gentleman, Deceased.

NOTICE is hereby given pursuant to Chapter 121 of the Revised Statutes of Ontario, 1914, Section 56 and Amending Acts, that all persons having any claim or demand against the estate of the late Adam McFarlane, who died on or about the 15th day of June, A. D., 1921, are requested to send by post, prepaid, or to deliver to the undersigned Executrix of his estate, their names and addresses and full particulars in writing of their claims, and the nature of the securities, if any, held by them, on or before the 28th day of September, 1921, and that after the said 28th day of September, 1921, the said Executrix will proceed to distribute the assets of the deceased among the persons entitled thereto, and having regard only to the claims of which she shall then have notice, and that the executrix shall not be liable for the assets or any part thereof to any person of whose claim she shall not then have received notice.

Dated at Caledon East this 20th day of August, A. D., 1921.

MRS. MARY SMITH, Executrix,

"SALADA"

is enjoyed by millions of devoted friends

Black, Green or Mixed Blends. Sealed packets only.

LOCAL NEWS.

—Help! The sailors call for your assistance. Give as you have received.

—Bring your De Laval Cream Separator to J. E. Smith & Co.'s Warerooms on Tuesday Oct. 12th. Let the De Laval Service Man examine it.

—Let us not forget our obligation to the sailor. In war he was our sure defence, in peace he brings us our prosperity.

—The Ladies' Aid of the Methodist Church will hold a Birthday Party in the Church on Thanksgiving evening.

—Tuesday morning of last week while the staff of the McMurchy Knitting Factory in Brampton were in another part of the building, some one entered the office and took a purse containing thirteen dollars. The intruders also made away with some papers belonging to the bookkeeper, Miss Nellie Stevens.

—Tanlac is a splendid tonic and system purifier, now selling at the rate of almost Ten Million bottles a year. Sold by C. V. Jeffers, Orangeville.

Don't use polish on Brown Boots

USE ZET

Dyes faded places, covers Scratched or worn places and polishes.

ARNOTT'S SHOE STORE

—Orangeville Citizens' Band is planning to hold a concert in the Opera House on Friday evening, Oct. 21st. Watch for further particulars in a later issue.

—Cheltenham Junior Institute team won the judging contest in cooking and sewing at Brampton fall fair. The competing teams were Brampton, Cheltenham, Palgrave and Streetsville. Members of the winning team and the scores were Mrs. George Green, Aileen McQuarrie and Elizabeth Campbell, cooking 705, sewing 750.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

—See Jeffers' Rexall One Cent Sale advt. in this issue. Opportunities galore.

—Tanlac, the remarkable remedy that everybody is talking about, is sold by C. V. Jeffers, Orangeville.

—Remember the Navy League Canvass, October 10, 11 and 12. Be prepared to give liberally to this worthy cause.

—"The good, old Banner is like a letter from home and I always long for the day of its arrival," is the message that Mrs. C. C. Wilson, of Orange, Cal., sends us with her renewal subscription.

—The Peel Banner is authority for the statement that Mr. Mason, of Alton, has leased a flat in the McMurchy building in Brampton, at one time occupied by Reid's Whitewear. Our cotem further states that the purchaser intends to manufacture a special line of women's and children's underwear.

—Miss Dell VanWyck, of Hillsburg, whose marriage to Mr. Lorne Groh took place last week, was presented with a silver mounted pyrex plate by the G. F. Reid Whitewear Company, of Brampton, with whom she had been employed. Miss McClure made the presentation on behalf of the employees.

—Friends of Mr. W. J. Rayburn, freight agent in Toronto, extend their sympathy in his recent accident. He had his hip fractured while working in the C. P. R. freight sheds in Toronto. Owing to this accident Mr. Rayburn was unable to be present at the recent marriage of his niece, Miss Beatrice Emack.

—Get rid of that nervous, fretful feeling. Brace up. Take Tanlac and you will look everybody in the face with a smile. Sold at C. V. Jeffers,' Orangeville.

—Dr. Wm. Stubbs, of Caledon, onetime M. P. for the old Dominion constituency of Cardwell, is receiving the congratulations of his friends upon his recent performance at Brampton fall fair. Although 85 years of age Dr. Stubbs entered and drove a horse in one of the driving classes and had the satisfaction of carrying off the prize. When it comes to horses the Dr. will hold his own with the best.

—Dufferin County U. F. O. Convention in Shelburne on Saturday afternoon.

—Dufferin Teachers' Convention in Orangeville Thursday and Friday of this week.

—The Rexall "One Cent Sale" at Jeffers' Drug Store on Oct. 13, 14 and 15 will mean wonderful Bargains for you. Do not miss the opportunity.

—Alton Tennis and Amusement Club will hold a Dance in the Alton Town Hall on Friday night, Oct. 14th. Mason's four piece orchestra will provide the music.

—We regret to learn that there is little or no improvement in the condition of our townsman, Mr. J. M. Bennett. He is very weak and is able to take only very little nourishment.

—Excellent progress is being made with the addition to the Dods Knitting Mill. The roof is now completed and the workmen are busy laying the inside floors. The outside work is now practically finished.

—See the De Laval Service Announcement elsewhere in this issue.

—Orangeville Ministerial Association met here on Monday. Rev. F. W. Mahaffy, pastor of St. Andrew's Church, will give an address on Mormonism at the next meeting. Mr. Mahaffy came into close contact with the Mormons during his pastorate at Taber, Alta., where he was quite near the Mormon settlements at Cardston and Raymond.

—Don't miss the wonderful Bargains at Jeffers' Drug Store on October 13, 14 and 15. See advt. elsewhere in this issue.

—St. Andrew's church choir provided a very fine musical program at last Sunday's services. The numbers, which were given under the direction of Mr. A. C. Hannahson, the efficient organist and choir leader, included a duet, "Saved by Grace," by Miss Muriel Ellis and Master George Pownall, the anthems, "Great and Marvellous," "O, Give Thanks Unto the Lord" and "At Even ere the Sun Was Set" The soloists were Miss Myrtle Gardiner and Mr. E. C. Connop. Mr. Harry Sloan assisted the choir at night and delighted everybody with an excellently rendered solo.

—Remember the De Laval Service Day at J. E. Smith & Co.'s Warerooms on Thursday, Oct. 13th.

—Mr. W. J. Sutton, of Caledon, is quite seriously ill and is at present in Lord Dufferin Hospital.

THE ISLE OF LOVE

WELL SATISFIED WITH BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she will use nothing else. Experience teaches her that the Tablets are the very best medicine she can give her baby. They are a gentle laxative; mild but thorough in action and never fail to banish constipation, colic, colds or any other of the many minor ailments of childhood. Concerning them Mrs. J. Bte. Charest, St. Leon, Que., writes:—"My baby cried continually and nothing seemed to help her till I began using Baby's Own Tablets. These Tablets soon set her right and now I would not be without them." The Tablets are sold by medicine dealers, or by mail, at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

NAVY LEAGUE APPEAL

The Navy League of Canada is again making its annual appeal for funds to carry on its work on behalf of the sailor, and Mr. Edgar Jones, of the Provincial Headquarters Staff, will call on the citizens of Orangeville next week, for the purpose of receiving subscriptions. There is no more worthy or deserving cause than that of the man who makes our prosperity possible by sailing the seas on our behalf, and it is hoped that Mr. Jones will meet with a ready and generous response. Should any one be overlooked, Mr. C. A. Lamon, Treasurer of the local Branch, will be glad to receive subscriptions at the Bank of Hamilton.

THE ISLE OF LOVE

The season's latest hit in musical shows. This play is produced with the best local talent to be found in Orangeville. Personal direction of Mr. Louis George McVille. The show that has the approval of press, public and pulpit. Two nights, Tuesday and Wednesday Oct. 11th and 12th.

PERSONAL MENTION

Mrs. R. H. Nodwell, First Ave., visited friends in Toronto last week.

Mr. Wilfrid Crowe left for Kingston on Wednesday to resume his studies at Queen's.

Mr. and Mrs. Kenneth Matthews spent last week-end with Mr. Bert Chester, Streetsville.

Mr. F. W. Bennett, of Burk's Falls, is visiting his parents, Mr. and Mrs. J. M. Bennett.

Mrs. John A. Ellis, of Toronto, is visiting Mr. and Mrs. J. D. Robertson, Wellington St., this week.

Mrs. Charlotte Suggett, of Toronto, was the guest of Mr. and Mrs. S. Thompson, West Broadway, over the week-end.

Mr. J. E. Smith left town last Thursday evening on a business trip to the West. He will be away a fortnight or longer.

Mr. A. C. Hannahson, organist in St. Andrew's Church, is visiting at his parental home near St. Catharines this week.

Mr. and Mrs. Garnet Curry, of Toronto, visited the former's parents, Mr. and Mrs. W. J. Curry, Zina St., over the week-end.

Mrs. E. Hayward returned to town on Friday night after a three months visit in East Aurora, New York, Buffalo, Hamilton and Toronto.

Miss Clara Annis returned to Toronto on the 29th ult. after a very pleasant holiday of two weeks in Orangeville and nine weeks in Port Arthur.

Mrs. L. Weber, Mrs. T. Robertson and Miss H. Robertson motored over from Buffalo last week and spent a few days visiting Mr. and Mrs. J. D. Robertson, Wellington St.

Mr. and Mrs. Angus McLachlan, Hillsburg, announce the engagement of their daughter, Flora, to William McKenzie, son of John McKenzie, Ospringe, Ont, the marriage to take place in October.

Mr. and Mrs. Ronald J. McEachern, Argyle, announce the engagement of their daughter, Margaret May, to Mr. Stanley Moffatt, of Orangeville, the marriage to take place early in October.

Mrs. F. J. Patterson, Zina St. will receive for the first time since her marriage on Thursday, October 13th from 4 to 6 o'clock in the afternoon and in future on the second Thursday af each month.

Mr. and Mrs. Edward Batters, 386 Indian Grove, Toronto, announce the engagement of their daughter, Priscilla (Pearl), to Mr. Alvin J. Scott, son of the late Charles Scott, of Melville, the marriage to take place the middle of October.

Mr. and Mrs. Ira South, of Orangeville, announce the engagement of their youngest daughter, Alberta B., to Mr. Gordon William Haslam, son of Mr. and Mrs. Jonathan Haslam, Mill St., Orangeville. The marriage will take place this month.

Mr. Arthur Torrie, who has been spending the summer vacation teaching school in the foothills of the Rockies in western Alberta, is visiting his parents, Mr. and Mrs. J. D. Torrie, for a few days, before leaving to resume his studies at Queen's University.

Miss Annie Lane, West Broadway, and Messrs. Arthur Macpherson, Will Porter, Graham Kearns and Terence McKeown left last week for Toronto, where they have enrolled as undergraduates of the University of Toronto. The Banner wishes them every success in their studies.

Mr. and Mrs. A. D. Porter, of Ottawa, are visiting the latter's parents, Mr. and Mrs. J. Trelford, West Broadway. The visitors have just returned to Canada after a three months' visit in Great Britain. Mr. Porter leaves town this week, but Mrs. Porter expects to visit with her parents for a month.

Mr. Fred Golden, of the Bank of Commerce staff, has been transferred to the staff of the Cayuga branch. Lacrosse enthusiasts are in mourning over the departure of the speedy and popular Dufferin home fielder, but every effort will be made to have him back in town for next season. Mr. Golden left for Cayuga yesterday morning.

Mrs. Herb. F. Laidlaw, of Rochester, N. Y., visited her mother, Mrs. Wm. Lemon, Camilla, and her brother, Mr. Wilfrid Lemon, Second Ave., for a few days last week. On her return home Mr. and Mrs. Laidlaw intend to leave by auto for California, where they are planning to spend the winter and perhaps reside permanently should they like the country and climate.

Mr. Allan Fisher, of Boston, is visiting his parents, Judge and Mrs. Fisher, for two weeks.

Mrs. J. W. Stockdale, of St. Mary's, was in town for a few days last and this week.

Mrs. R. J. Leggett and daughter, Madaline, visited friends in Toronto and Markham over the week-end.

THANKSGIVING DAY

The date of Thanksgiving Day in Canada is now determined by the date of Armistice Day and Armistice Day this year will be on November 7th. According to an act passed at the last session of the Federal Parliament, Armistice Day falls on the Monday of the week on which the 11th of November occurs. The same act provides for the celebration of Thanksgiving Day on Armistice Day.

Albert (Micky) Bovair, of Toronto, who is holidaying with his father, at Oliphant, shot a bear while hunting at Oliphant. The bear had been seen on several occasions and the children of the district were somewhat terrorized as a result. "Micky" and Jim Hyatt got on the bear's trail Monday evening and in less than an hour made their "kill." The bear was a yearling weighing about 125 pounds.

FERGUS HAS A HUMORIST

National Game Taken as His Subject For Jesting.

In the town of Fergus there is a man with a sense of humor. The citizens of Elora would tell you that a man who lives in Fergus has to have a sense of humor in order to survive. That is the kindly way that these two neighbors, living within a three-mile limit of one another, have of passing compliments. The Fergusites would probably retort by recalling the decayed athletic glories of Elora — how the Rocks once brought them fame on the lacrosse field, but that greatness is now a thing of the past.

The Fergus humorist does his little stunt in the town paper, and recently he has been devoting some attention to the national game. He is inclined to think that by playing lacrosse in front of foreigners, Canada has won its "reputation of being a sturdy, fearless nation."

Like every humorist in the province, who does not live in Toronto, he takes a rude jibe at that city in telling how lacrosse is organized in Ontario. He says: "There are several series of lacrosse. The senior series very successfully carries out the work of showing Toronto people that their big city isn't the only place in the province, in this regard, Weston and Orangeville are both doing good work. The intermediate series is largely a difference in name. The junior series includes all those who look as though they might be less than twenty-one. For this series big, strong giants with youthful and innocent faces are much in demand. If they would pass for less than eighteen, they can also play juvenile."

He does not add that mothers of future lacrosse players can show proper town spirit by doing away with all records of the date of their sons' birth. Then he can help the village team win junior championships until he grows a long black beard and has a son ready to take his place with the juveniles.

The Fergus Mark Twain has evidently mixed with lacrosse players, and has come to the conclusion that the goalkeeper is the most important member of the team. Here are the reasons: "He is the only man that a beaten team will say was a good player on the winning side, and it was invariably due to his wonderful play that they lost. Or it may be that the other goalkeeper had better luck than their own. But if the goalkeeper gets all the credit, he deserves some of it at least. His job is about as good as standing up and letting a gunner see how close he can come without hitting you."

Regarding the official who looks after the game, the writer says: "Unlike the players, the referee stays on the field all the time. On account of being among them, he does not see half as much as the other spectators, or at least that is the popular impression. If one side is doing too well, it is his duty to put off some of the players until things even up. He sometimes puts them off for other reasons. That is the main difference between lacrosse at present and in prehistoric days. Then every man refereed for himself."

There was a period in between the present and the prehistoric past, when the crowd decided how the game should be refereed. Surely the Fergus humorist has not forgotten that. In those days, the referee did not "stay on the field all the time." If the home team was beaten, he blew the final whistle, dropped everything, including his dignity, and made for the fence. He took a short-cut to the railway track. If he was fast enough to overtake the train, so much the better for him. If not—well, as Shakespeare would say: "The rest is silence."

Those were what the old-timers call "The palmy days of lacrosse."

To the crowds, the writer also gives a word of advice: "When a player is knocked unconscious, it is the duty of every able-bodied man among the onlookers to rush on the field and form a circle close around him. This keeps the victim unconscious a little while longer, and gives the other players more time to rest. Then, when he comes to, it proves very reassuring for him to look up into the faces of his friends, for it indicates that he is still alive. If he had gone to heaven he wouldn't have been greeted by all those familiar maps gazing down on him."

Ex-Mayor Seth Mathers, of Palmerston, is the recipient of a beautiful robe, the gift of his son Stephen, who has been doing missionary work all summer amongst the Indians along the Nelson River in North Western Canada. The robe is made entirely of rabbbit skins, and comprises 650 skins twisted and woven into one enormous rug. The colors are white and grey, and blend beautifully together.

THIS WOMAN'S RECOVERY

Shows Remarkable Restorative Power of Lydia E. Pinkham's Vegetable Compound.

Chesley, Ont.—"Before using Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had terrible pains in my sides and was not regular. Finally I got so weak I could not go up stairs without stopping to rest half way up the steps. I tried two doctors but they did me no good. I saw your medicine advertised in the newspapers and thought I would give it a trial. I took four bottles of the Vegetable Compound and was restored to health. I am married, am the mother of two children, and do all my housework, milk eight cows, and do a hired man's work and enjoy the best of health. I also found Vegetable Compound a great help for my weak back before my babies were born. I recommend it to all my friends who are in need of medicine, and you may print this letter if you wish."—Mrs. HENRY JAMES, R. R. No. 4, Chesley, Ontario.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

'CALEDON'S CENTENARY

One Hundred Years Ago George Bell and William Stubbs Settled Where Caledon Village Now Stands.

(Continued from previous issue.)

One of the terrible hardships endured by these people in common with all pioneers was the lack of medical attendance. Dr. Crombie could be had at Streetsville, and Dr. Cobban at Milton. To get either meant a long journey on horseback, with the possibility of finding the doctor far away from home. Delay often meant a loss of a life. Sometimes when the doctors came they were confronted by conditions which they could not alleviate.

A stone stands in the cemetery on the McLachlan farm to-day, to the memory of Mrs. Gilbert Rowan, who was the best friend the mothers of the community knew. She was a certificated midwife from the Old Land. Her tombstone still records her honorable calling. Only in those unwritten memories of the past could her good deeds be found. Only the women beside whom she stood in midnight vigil, and herself could tell of victories over death and despair, won by sheer native ability.

The women of Caledon had a lot which they fulfilled only because of the high spiritual courage and unshaken moral strength which upheld them. Their lives were filled from dawn to dark with unceasing and bitter toil. They spun and wove. They sewed on hard resisting cloth. Every bite in the family larder was the product of their unceasing efforts. The Eagle family had a loom, spinning and weaving for the neighborhood. Not only this, but they took into their homes, young girls from neighboring families who wanted to learn the arts so that they might be of greater use in their own homes.

During the growth of the settlement, municipal matters developed, and a township council was formed. The first reeve of the township was William Stone. He was elected in 1850. His deputy was John Kirkwood, brother of David Kirkwood, and the council consisted of Captain Wilby, John Richardson and Justus Lemon.

Prior to the election of the council, a clerk kept a sort of account of the affairs of the district. There was a tax collector, pathmasters and some of to-day's machinery of township government. A meeting was held once a year, along similar lines to that of the present day school meetings. For many years George Dod was clerk.

A very interesting document of these early days exists in the form of the minute book, whose front page tells of the purchase of the book for the price of seven shillings and six pence. This amount was subscribed by ninety men in the community, each of whom agreed to pay a penny. The long list of names with "paid" and "unpaid" following impartially, shows that even a penny subscription sometimes fails of achieving its object.

In 1827, Mr. Kirkwood's father assessed the township, and in August, 1871, he, himself was apointed clerk of Caledon, a position he held until 1901. In January, 1876, he was appointed clerk of the county, holding the two clerkships concurrently for twenty-five years. From that time until 1918, he held the clerkship of Peel, retiring with honor in his ninetieth year. Few men in the history of the world can present such a record of activity and faithful service.

Over forty years ago, Caledon town hall was built, and the township meetings have been held there ever since. It is a building that has seen some memorable gatherings, perhaps the most notable being those in connection with the recruiting of soldiers for the late war, and meetings held to welcome the men home again, the latter occasions being the scenes of presentations from a grateful community to the men who fought for them in France and Flanders.

Caledon village might have grown to be a great centre, if it had not been handicapped by one thing—there was no immediate waterpower available. Mills there were but on an average of two miles away Hammond's sawmill, two miles on one side of the village, the flour mills at the Cataract, and the Belfountain mills drew trade and business away from the village. Nevertheless, the village thrived and prospered. Once there were three busy hotels within its limits. One of these was closed, later Canadian progress closed the other two. Two blacksmiths attended to the needs of the farming community, while a flourishing waggon-making business was one of the prideful industries of the place. One blacksmith shop alone is left. Several general stores flourished, with, at one time, a hardware store. Now one general store supplies the needs of the community. But it is often remarked by those given to reflection, that Caledon village supports a bank and its staff. That is considered to be a very strong indication of the development of the district.

In the village lives John Rayburn, born in Caledon eighty-five years ago. He is full of reminiscences of the early days of the place. At one time, the name, Rayburn's Corners, designated the village that afterwards became Caledon. That name Caledon seems to have been given by the authorities at Ottawa, but previous to this the name stood as Charleston, and to this day many people are divided in the matter of the name, and locally it is perhaps as often, at any rate by the older people, spoken of as Charleston as of Caledon. His boyhood was thrilled with the aftermath of the Mackenzie Rebellion, and his proudest possession is a musket that was once the property of the little and fiery Scotchman, upon whose head the Canadian Government set a price.

Of the original Stubbs family, which settled in the immediate neighborhood of the village one hundred years ago, descendents "carry on" to-day, in the person of Dr. Stubbs, John and Edward Stubbs on lot 11, Centre Road. Members of the Rutledge family who were among the early settlers also reside in the neighborhood in the persons of Crozier and Irvine Rutledge.

A person given to philosophical retrospection will be thrilled with a review of the conditions that have come and passed with the progress of the country around Caledon since the first settlers ate their meals from rough hewn boards by the light of tallow dips. It is certainly beyond the dreams of the writer of the Arabian Nights, that Caledon village, within one hundred years, should be thinking of harnessing distant Niagara for its comfort and its assistance in the daily routine of farm life.—Conservator.

After a two months' trip to Britain, France and Switzerland, Rev. R. E. Knowles, of Toronto, former pastor of Knox Church, Galt, well known author, lecturer and journalist, has been spending a few days at his home in Galt.

The house on Mr. Austin Ireland's farm in West Garafraxa was completely destroyed by fire along with some of the contents, including Mr. and Mrs. Ireland's wedding finery and presents, the young couple having been married only a few months. The fire started on the roof from sparks from the chimney.

FARMERS NERVOUS

Peculiar Shooting Affair in W... Garafraxa.

West Garafraxa has again fur... lished the sensation of the week, ... the form of a shooting affair w... occurred late on Saturday night ... front of the farm of Mr. John C... Mr. R. H. Clemens and Miss M... Buschlen were on their way to ... thur from Erin, where the latter ... taken part in a concert there. W... in front of the Cope farm one ... the tires on the car blew out ... something over half an hour was ... pended in repairing it. It seems ... the car was seen on the road by ... Copes, who since the poisoning ... fair of last week, were in a nerv... condition.

They phoned to Constable T... dale, of Arthur, expressing ... that they were in danger from ... car on the road and Mr. T... left for the scene of the supp... trouble. However, before he arr... the shooting took place. Mr. C... and his two sons had come dow... the road and when Mr. C... started up his car he was ordered ... stop. He rushed past the men ... one of them fired into his car ... a shot gun, a hole was ... through the back of the car and ... of the shots penetrated Miss B... len's violin case, which was on ... back seat and damaged the ins... ment. Until you hear the AMBEROLA you don't know how good music can be!

The music of the Amberola is clear and pure—a refreshing change from shrill "talking machines" and metallic phonographs. It plays the music you like best, better than you have ever heard it before.

Until you learn how *low-priced* the Amberola is, you have no idea how *inexpensive* good music can be. Thomas A. Edison created the Amberola with the two-fold purpose of putting good music in every home—*at a price so low* that no one need be without it.

Hear the Amberola at our store today. Easy terms of payment make it possible for you to own it without delay. If you wish to give the Amberola a thorough trial in your own home, you can have

"Three Days of Good Music—FREE"

without cost or obligations. Today—call, write or phone.

Broadway - - - Orangeville

Mc Gill a Hundred Years Old

McGill University, as it will appear when the proposed extensions are completed.

Montreal will witness an historic event for five days, commencing Wednesday, October the twelfth, when the one hundredth anniversary of the founding of McGill University will be celebrated, a reunion of former graduates and under-graduates. For a year and a half arrangements have been underway by a special committee of the McGill Graduates Society in charge of the details of the unique event.

From all over the world McGill Graduates have signified their intention of taking part in this memorable gathering. At the present time there are some on the high seas from Japan, China, and India, from Australia, South Africa and South America, to be followed by those from Great Britain and Europe, eager to be present to celebrate the one hundredth anniversary of their alma mater, and to revive the memories of student days.

Invitations have been issued to every recognized university in the world to send a representative. Many distinguished men will receive degrees at a special convocation.

Following registration which will take place in Strathcona Hall, the initial event will be a garden party on the campus, followed in the evening by a fete de nuit. The mornings of the week will be devoted to special lectures and demonstrations in the various faculties of Medicine, Science, Arts, Law and Theology. At eleven a.m., on the second day, a general meeting of all McGill graduates will be held at the Capitol theatre and in the afternoon there will be a convocation. Class Dinners are planned for the evening at which all classes will meet as units, and later all male graduates will gather for a general smoker, the lady graduates having a dinner in the Royal Victoria College. University sports will be held at the Percival Molson Memorial Stadium in the afternoon of the third day, and in the evening a University reception and dance will be given by the President and the Board of Governors. On the morning of October the fifteenth an excursion to the Macdonald Agricultural College, St. Anne de Bellevue has been arranged, followed by luncheon, returning in time for the championship rugby match between McGill and Toronto Varsity. On Sunday, October the sixteenth, a general church service will be held at St. James Methodist Church.

A special souvenir button has been designed in honor of the occasion,—another of the many important events associated with the history of Montreal.

The special committee in charge of the reunion include: Chairman, Brig.-General G. E. McCuaig, Sc. '06; Vice-Chairman, Captain J. G. Ross, Sc. '03; Secretary, E. B. Tilt, Sc. '03; Ladies' Committee, Miss L. M. King, Arts '07 and Mrs. C. McMillan, Arts '10; Entertainment, Gregor Barclay, Arts '06, Law '08, and Jas. C. Kemp, Sc. '08; Transportation, Abner Kingman, Jr. Arts '08, and H. C. Scott, Arts '06; Housing, A. G. Cameron, Law '10 and F. B. Common, Arts '13; Programme, Dr. W. G. Turner, Med. '00; Finance, J. G. Ross, Sc. '03 and H. Y. Russell, Sc. '91; Registration and Publicity, Fraser S. Keith, Sc. '03; Faculty Representatives, Med. Dr. C. F. Martin, Med. '92; and Dr. A. T. Bazin, Med. '94; Cyrus MacMullin, Arts '00; Gordon McDougall, Law '94; General, Dr. J. A. Nicholson, Arts '87; Henry Morgan, Arts '13; Prof. N. N. Evans, Sc. '86; J. M. Eakins, Sc. '09 and J. W. Jenkins, Arts '13, Secretary, McGill Graduates Society.

A greater interest has been created in McGill University through the special campaign inaugurated last fall particularly among the graduates. At this campaign over five million dollars were subscribed to carry on the work of old McGill, and to supply additional buildings and equipment commensurate with the growth of the University. This increased interest is duly reflected by the large numbers who are coming who assure the success of this outstanding event in the history of a great university so favorably known in every quarter of the globe.

Professor Cyrus MacMillan has written a history of the university entitled "McGill and its Stories," which S. B. Gundy, of the Oxford University Press, Toronto, has published in time for the Reunion. This contains extracts from many historic records published for the first time and gives a wonderfully interesting account of the progress of education in Lower Canada and Quebec within the last hundred years.

ITEMS OF INTEREST OF DUFFERIN AND DISTRICT

Numerous municipalities prepare to oppose telephone rate increases.

There is a very bad epidemic of diptheria in Owen Sound.

There is a possibility that a syndicate of Woodbridge men will erect a rink in the village.

Masked and hooded band, branch of Ku Klux Klan, meets in deserted quarry near Montreal.

Walkerton town council has reduced civic laborers' wages from $3.50 to $3.00 a day.

In a railway accident in Brantford, T. McCann had both legs cut off and died in the hospital.

Rev. M. White, of Belle Island, has been appointed to a new Anglican parish near Brantford.

Mr. W. N. Wilkinson, formerly editor of the Toronto World, has purchased the Oakville Record.

Dever Bros., of Porthw, have purchased the general store business of H. G. Becker, Proton Station.

Lawrence Post, 9 years old, of Brighton, was so seriously injured by a gravel cave-in that he died.

Wolves are becoming quite a serious menace just north of Peterboro, several having been killed last week.

Fire of unknown origin destroyed the house and contents of John Bedford in Zone Township, near Thamesville.

Noah Shoemaker, Elmira, had his leg broken when thrown from the buggy he was in when he collided with an auto.

Mr. Fife, of Wingham, has been engaged as choir leader in Shelburne Methodist Church. Miss Mabel Smith remains as organist.

—Pay your out-of-town accounts Five Dollars costs three cents.

Mr. and Mrs. Absalom Hoover celebrated their golden wedding at their home on the shore of Lake Erie, near Selkirk.

15,000 black bass fry were placed this summer in the Scone pond, 10,000 in the Royal Knitting Co.'s pond and 5,000 in the Krug pond in Chesley.

Sarnia will be represented at the deep waterways conference in Hamilton by a delegation from the Council, headed by Mayor George Crawford.

With his throat cut from ear to ear, and a pocket knife and razor lying near him, Wm. Cordingly, 50 years old, of Galt, was found dying in a stable.

After a six-weeks' shut-down the Maple Leaf Harvest Tool Co., Tillsonburg, manufacturers of hoes, rakes, etc., resumed work in the whole plant.

In an enthusiastic meeting at Beaverton the farmers of North Ontario nominated R. H. Halbert, M. P., as their candidate for the coming Dominion election.

Hon. J. A. Stewart, of Perth, has donated a trophy to be competed for at a meet of the secondary schools of Lanark county to be held on October 8th, at Carleton Place.

"Frenchie," one of a hydro gang operating near Walkerton, was sentenced to six months in Walkerton gaol in default of paying a $400 fine for operating a still in Brant.

Miss Rilla Denison, of Brampton, suffered very serious injury when she fell under a rearing horse which she was riding at the home of her sister, Mrs. A. Fletcher, 1st line, west.

The total receipts from all sources at the sixty-ninth annual fair of Prince Edward county amounted to $5752.70, while the receipts from other sources made the total up to $9000.

County police ar esearching for a mystery touring car driven by three young men, who, it is believed, attempted to kidnap Jos. Turbin, a well-known Westminster Township farmer.

The laymen of the rural deanery of Huron will meet at a dinner in Clinton on October 17th, when an address will be given by Ven. Archdeacon Graham of the Diocese of Kootenay.

Mr. John Wilkinson, of Cheltenham, is shipping grass seeds from Brampton station this week. So far this year he has handled 6,000 bus of alsike and sweet clover seed. Alsike is bringing $7 and sweet clover about $4.50.

Dr. Mair, of Holstein, was fined $500 and costs by Magistrate Laidlaw, of Durham, for selling a quart of liquor instead of the regular six ounces to a customer for sickness, and a sealed bottle of whiskey to each of three purchasers.

With 229 for the by-law and 58 against, the by-law sanctioning the spending of $60,000 for waterworks for Georgetown, was carried by a majority of 171. This result is considered quite a victory in the progress of the town.

A vote of the ratepayers of Erin School Section No. 2 was taken to decide whether or not a new school would be erected as advised by the Department of Education. The result of the vote was 148 to 22 in favor of erecting a new modern High and Public school building.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment will relieve you at once and afford lasting benefit. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample Box free if you mention this paper and enclose 2c. stamp to pay postage.

ROBERT MURPHY

Still another of the older residents of Mulmur township passed away on Wednesday of last week in the person of Robert Murphy, at the age of 69 years, 5 months and 1 day. The late Mr. Murphy was born in the township of Tosorontio in 1852, being a son of the late Mr. and Mrs. Robt. Murphy, pioneer settlers of that township. At the age of 24 years he was married to Margaret Ann Bower, of Mono township and the young couple settled on lot 4, Prince of Wales Road, Mulmur, where they have since resided. The deceased had been in failing health for some time although not confined to the house. About three weeks ago he contracted malarial fever which directly was the cause of his demise. Mr. Murphy was a prominent man in Mulmur township and for several years served on the township council-board. Besides his widow he is survived by the following sons and daughters: Edgar, of Thorold; Hilliard, at home; Mrs. T. J. Ferguson, Mulmur; Mrs. Elmer Leitch and Mrs. Archy MacDermid, Toronto; Mrs. S. H. Henderson, Findlater, Sask., and Mrs. Heber Waller, of Releasey. Surviving brothers and sisters are: Edward Murphy, Didsbury, Alta.; Jos. Murphy, Alliston; Dr. A. L. Murphy, Toronto; Mrs. Jas. Ferris, Whitfield; Mrs. Johnston Bole, Shelburne, and Mrs. Alex. McDowell, Alliston. His remains were placed in Shelburne cemetery vault on Saturday afternoon last, awaiting the delayed arrival of a daughter from the West, the services at the house being conducted by Rev. W. H. Hartley, rector of St. Paul's church, Shelburne.—Free Press.

Mr. Will Fead has resigned from the Home Bank staff in Shelburne and goes to Toronto this week to take a position as bookkeeper.

The population of Woodstock, according to the figures given out by City Assessor Millburn, is 10,164. This is a decrease from last year's population of 169.

W. B. McCulloch, president of the County of Peel Agricultural Society, has announced that the gate receipts for this year's fair were $700 more than last year and that twice the number of complimentary tickets were issued.

S. McGibbon, of Georgetown, came before H. P. Moore, Police Magistrate of Acton, charged by Chief Melville, of that town, with being intoxicated on the public street. A fine of $50.00 and costs was imposed.

Mr. W. M. Towrias, manager of the Owen Sound branch of the Union Bank since 1914, has received notice of his transfer to Charlottetown, Prince Edward Island, and he will be succeeded in Owen Sound by Mr Dier, who is now at Charlottetown.

A monument erected in Victoria Park, Seaforth, in memory of men from that district who lost their lives in the Great War, was unveiled with fitting ceremony before a large crowd. The unveiling followed a parade of war veterans and school children.

Truly wealth does make men careless. Graham Timmins, of Durham, had some business to transact, and lost $65 from his pocket. He drew $85 from the bank and slipped it between his trousers and overalls instead of into his pocket. Both rolls were returned to him.

Miss Lillian Perry, supervisor of war aids at Westminster Hospital, London, was unanimously elected president of the Ontario Society of Occupational Therapy, at the first full meeting held in St. Peter's Parish Hall, London. Miss Perry is a former Mount Forest girl.

A very quiet wedding took place Saturday afternoon, October 1st, at the home of Mr. and Mrs. W. R. Scott, 20 Montrose avenue, Toronto, formerly of Grand Valley, when their youngest daughter, Marguerite, became the bride of Dr. John R. L. Eede, of Leamington.

John C. Pritchard was selected as the standard bearer of the U. F. O. in Wellington North, at a largely attended convention, held in the Arthur Town Hall. Mr. Pritchard carried the convention on the fifth ballot over E. G. Boyd, of West Luther, the vote being Pritchard 84, Boyd 63.

While Mr. David McNab, near Kenilworth, was backing his auto out of the garage, the car struck his two year old son. The wheel crushed the face of the boy to the ground in such a way that both sides were very severely peeled and bruised, but the child, under medical care, is doing nicely.

Magistrate Davidson, of Toronto, at a session of the Toronto-Hamilton Highway Court, issued a warning to all motorists with sweethearts that it was against the law to make love on the Highway. Two hands were required to drive an auto, he told Frank Stewart, and because Frank used only one he was fined $10.

Mr. Ralph Siddall, of Honeywood, is nursing a very sore eye, but is very thankful to know that the sight of the eye is not seriously endangered. A pitchfork on the side of his car was the cause of the injury. Mr. Siddall had forgotten the pitchfork for the moment and when he leaned to look over the side of the car a tine of the fork penetrated the eyelid, but luckily took an upward direction and, although it made a very painful wound, did not puncture the eyeball.

MISS LAURA E. BLACK

After an illness of three years the death took place in Toronto on Saturday, Oct. 1st, of Miss Laura E. Black, daughter of the late Wm. Black and Mrs. Black, formerly of Mulmur. The deceased was born at Stanton and Shelburne, afterwards graduating from Macdonald College at Guelph. After going West she taught household science in Winnipeg Collegiate Institute and for a time was lecturer on the Manitoba provincial demonstration trains. Her mother, Mrs. M. J. Black, Toronto; one sister, Mrs. Thos. McCreary, of Toronto, and one brother, W. J. Black, Deputy Minister of Immigration and Colonization, Ottawa, survive. Her remains were interred in Mansfield Presbyterian cemetery on Monday afternoon of this week, the body being brought via Alliston. A large turnout of old friends from the Mansfield neighborhood was present to pay their last respects to deceased. The service was in charge of Rev. Mr. Milne, of Mansfield.—Free Press

A BARGAIN

For Sale—One Spuzz car with piston ring, two rear wheels, one front spring. Has no fenders, seat or plank; burns lots of gas. Hard to crank. Carburetor busted, half way through. Engine missing; hits on two. Three years old, four in the spring. Has shock absorbers and everything. Radiator busted, sure does leak. Differential's dry; you can hear it squeak. Ten spokes missing. Front all bent. Tires blowed out. Ain't worth a cent. Got lots of speed; will run like the deuce; burns either gas or tobacco juice. Tires all off; been run on the rim. A darn good car for the shape it's in.

Her Baby Girl Had Fearful Eczema

"If mothers only knew the value of D. D. D."

writes Mrs. A. Ashby of 635 Yonge St., Toronto. Write her for the story of how D. D. D. cured her baby of a case of eczema that completely covered the head and face.

We keep on publishing these statements weekly from all parts of Canada, telling of the really marvelous results secured by the liquid wash. Why not get a bottle of D. D. D. today on our positive guarantee? It does like magic. $1.00 a bottle. Try D. D. D. Soap, too.

"ISLE OF LOVE"

A capacity audience attended the performance, "Isle of Love," given in the Opera House on Tuesday night under the auspices of Lord Dufferin Chapter, Daughters of the Empire. "Isle of Love" is a musical comedy, in which bright costumes, pretty dances and pleasing choruses are the dominant features. There is a play and a plot, but they are subordinated to the music, singing and dances, which make the real appeal to the audience. The plot centres about the activities of Sherlocko Combs, a self-styled great detective, Ikie Goldburg, keeper of a summer hotel, Marigold, his quaintly attractive niece, her lover, Gilroy Clay, and Daffodil Dotty, given to sentimental verse, sketching and music. The opening act takes place at Brighteway Beach and the concluding scenes in the country of the Yaqui Indians in Southern California, whither the principal actors had gone in search of treasure and a mystery million dollar heiress. The principal parts were all skillfully taken and were portrayed as follows:—

Sherlocko Combs, Mr. E. Hackett; Buddy, Walter Dahl; Yaobel, Miss Alda Tuck; Ikie Goldburg, Mr. NeVille, of Kitchener, under whose personal direction and supervision the performance was staged; Marigold, Miss Madeline Leggett; Gilroy Clay, Mr. W. Clowes; Daffodil Dotty, Miss Bessie Lewis; Berdie Magoogan, Miss Winnie Bennett; Chief Heap-Much-Got-Em, Mr. A. Firth.

The young ladies who appeared in the chorus parts were:—Frances Judge, Gwen Sproule, Miss G. Brown, Coral Irwin, Isobel Fife, Myrtle Kyles, Marion McNaughton, Betty Crozier, Ruth Ferguson, Grace Island, Muriel Torrie, Beulah Irwin, Kathleen Hughes, Mary Hughes, Reta Sherman, Mary Mills, Bertha Allen, Grace Laverty, Ina Porter, Delia Hulse, Dorothy Harrington, Mamie Lewis, Bernice Rowan, Alice McGuire, Wilma Allen, Bessie Graham, Ervilla Brett, Jean Firth, Irene Henry, Leila Hamilton, Mildred Forbes, Sylvia Lake, Hilda McGrath, Jean Currie, Florence Watt, Helen Irvine.

Misses Alda Tuck, Mary Hughes, Jean Currie, Mildred Forbes and Leila Hamilton acquitted themselves splendidly in the leading parts in the chorus work. Miss Audrey McLean's solo, "Isle of Golden Dreams" won well-deserved applause. The solos by Miss Lewis, Miss Leggett and Mr. Clowes met with hearty appreciation and the singers won hearty applause for their efforts. The grand finale, in which the entire cast and chorus, some sixty members were effectively grouped on the stage, made an impressive scene. The I. O. D. E. tableau with which the performance was brought to a close was very fine and made a fitting conclusion to a successful and satisfying performance.

This necessarily brief and inadequate report would be incomplete without some reference to the excellent work of the orchestra, which contributed so generously and in such important measure to the success of the production. The members were Misses Clara and Delia Hulse, violins; Ellis Liddy, flute and piccolo; Geo. Morrison, clarinet; Russell Morrow, cornet; T. H. Greenis, trombone; Mr. J. H. Hulse, bass violin and Miss Vera Hogg, piano.

In a brief speech between acts Mr. NeVille paid a warm compliment to the ability and versatility of the Orangeville amateurs and also spoke convincingly of the important part amateur theatricals play in developing the talents of the young people of a community. The scenery brought to Orangeville by Mr. NeVille specially for the performance was very fine and had its part in making the production the success that it was. Besides staging the comedy, looking after the rehearsals and other innumerable details Mr. NeVille took the role of Ikie Goldburg, the fun producer of the play, in inimitable manner. In the capacity of musical directress Miss Vera Hogg is deserving of great credit for the finished work of the orchestra and choruses.

The Play was given a second time on Wednesday night, when the company was again greeted by a large and appreciative audience.

CALEDON

The most ambitious effort ever made here in the way of entertainment was carried through successfully on Saturday, Oct. 8th, by the Methodist Church. The choir and members of Rev. W. E. Wilson's Church, in Toronto, to the number of 40, gave a concert of choruses and solos, interspersed with readings, which, in the opinion of many, has never been equalled here. Special mention must be made of Mr. Elliott, choir leader, and Miss Scott in solo work and of Miss Gibson, elocutionist. Miss Gibson, who is only 14 years old, caught, held and captivated her audience in a manner not surpassed by many adult elocutionists.

On Sunday, Rev. W. E. Wilson, with his choir assisting, conducted services at the Methodist Church. Rev. Mr. Burkholder assisted in the evening. The church was filled at each service. In the evening many stood the entire time and some were unable to enter. Fine music, beautifully rendered, and an inspiring sermon, vigorously delivered, carried, it seemed, a personal message to each one. The collections at the two Thanksgiving services amounted to $130.00. Presbyterians as well as Methodists entertained the visitors, who reported that they were used royally. Rev. Wilson and choir motored back to the city Sunday evening.

Widespread sympathy is felt for Mr. W. J. Sutton in his illness and the hope for his speedy recovery is general.

Mr. P. Garrity, of Inglewood, is also at Lord Dufferin Hospital, following an operation for appendicitis performed Sunday morning.

A WOMAN'S HEALTH NEEDS GREAT CARE

When the Blood, Becomes Watery a Breakdown Follows.

Every woman's health is dependent upon the condition of her blood. How many women suffer with headache, pain in the back, poor appetite, weak digestion, a constant feeling of weariness, palpitation of the heart, shortness of breath, pallor and nervousness? Of course all these symptoms may not be present—the more there are the worse the condition of the blood, and the more necessary that you should begin to enrich it without delay. Dr. Williams' Pink Pills are a splendid blood-building tonic. Every dose helps to make better blood which goes to every part of the body and brings new health to weak, despondent people. Dr. Williams' Pink Pills are valuable to all women but they are particularly useful to girls of school age who become pale, languid and nervous. There can be neither health nor beauty without red blood which gives brightness to the eyes and color to the cheeks and lips. Dr. Williams' Pink Pills build up the blood as is shown by the experience of Mrs. Jos. E. Veniotte, West Northfield, N. S., who says: "For several years I was in a bad state of health. I was pale and nervous, my appetite was poor, and I suffered from weakness, headaches and a feeling of depression. I got so nervous that I was afraid to stay in the house alone. All this time I was taking medicine, but it not only did not help me, but I was growing weaker. Finally I decided to try Dr. Williams' Pink Pills, and after using six boxes I felt much better. I had a better appetite, slept better and felt stronger. However, I continued taking the pills for a couple of months longer and now I am feeling as well as ever I did. I give all the credit to Dr. Williams' Pink Pills, and hope that my experience may be of benefit to some other weak woman."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

MRS. JOSHUA WIGGINS

Orangeville lost an old and greatly respected resident last week in the person of Mrs. Sarah Wiggins, wife of Mr. Joshua Wiggins, who passed to her eternal rest at her late home on Mill St., on Wednesday, October 5th. The end came as a climax to a long illness, which was borne with Christian cheerfulness and fortitude. The late Mrs. Wiggins was a daughter of the late Robert Curry, of Mono, and was born and spent her girlhood in that township. Since her marriage she had lived in Orangeville, where she was held in general respect as a good neighbor and citizen. She was a member of St. Andrew's Church and until her last illness a very regular attendant at the services on the Lord's Day. She leaves to mourn her loss a husband and a family of three sons and two daughters. The latter are R. C. Wiggins, of the C. P. R., Toronto, W. J. Wiggins, of the Toronto Street Railway Service, W. E. Wiggins, of Winnipeg, Mrs. (Dr.) E. Barber, of Swift Current, Sask., and Miss Florence at home. Messrs. Robt. I. and J. E Curry, Orangeville, Mrs John Nason, Orangeville, and Misses Jennie and Rachel Curry, of Toronto, are the surviving brothers and sisters. The funeral was held from her late residence to Greenwood Cemetery on Friday afternoon, Rev. T. H. Stewart conducting services at the house and grave. The pallbearers were two sons, R. C. and W. J. Wiggins, W. J. and Robt. I. Curry, Robt. Delaney and Jas. A. Patterson.

THE BIG STORE, ORANGEVILLE

A DOUBLE WIN

Hanover Teams Scored Two Victories in Games at Idylwyld Park Last Wednesday Afternoon.

Orangeville enthusiasts were treated to some excellent lacrosse on Idylwyld Park last Wednesday afternoon, when Hanover and Weston Midgets met in a sudden death game for the championship of their series and Hanover and Woodbridge Juniors clashed in a sudden death semi-final match. Hanover won both games, but they had to go the limit to down the Woodbridge juniors, who held them to a tie until full time, but succumbed in the ten minute overtime period that the officials ordered immediately after the whistle blew for full time.

In the Midgets duel, Hanover had a decided advantage in weight and were on top of their lighter opponents at all stages of the game. The Weston boys played a clever, plucky game, but their home lacked the weight to bore in on the Hanover defence. The score at the end of the first quarter was 5 to 3 for Hanover, at half time 8 to 4, three quarters time 11 to 4 and at full time 14 to 5. Players and officials were:

Hanover—Goal, Knetchel; point, Georges; cover, Bluhm; defence, Becker and Brown; centre, Agombar; home, Taggart and Lesso; outside, Hehn; inside, Weis; spares, Taylor, Bolton and Moore.

Weston—Goal, Stokes; point Ball; cover, Jennings; defence Frewin and Healey; centre, Ellis; home, Coulter and Christie; outside, Brown; inside, Terrill; spares, Hollingsworth and Moffatt.

Referee, Dr. Campbell, Orangeville; Judge of Play, Raspin Scott, Orangeville.

The junior game furnished the spectators with a real battle, the two teams being very evenly matched. Hanover appeared to have a slight advantage in size and weight, but Woodbridge offset this by their speed and clever stick handling. End to end play was the order in the first quarter, with the opposing defences checking hard and relieving in splendid style. Neither team managed to score. Hanover took the offensive at the beginning of the second period and ran in two goals in short order, McGirr doing the scoring in both instances. Woodbridge home on its mettle and it held Hanover to a defensive game for the remainder of the quarter. Shannon netted the first counter for the York County boys after a shower, dodging run. Just before time was called Stokes netted another tying up the score. The two teams battled in strenuous fashion for the whole of the second half without making any change in the score.

Hanover seemed in the better condition at the finish and had rather the better of the play during the ten minutes overtime that was immediately ordered. Hilgartner was prominent for his aggressive work during the extra period and scored twice with fast shots that Hurill was unable to see in the fast gathering dusk. At the close the winners were carried off the field by their enthusiastic supporters. The teams were:—

Hanover—Goal, Measnir; point, Bleman; cover, Laing; defence, Nutor and George; centre, Buschlen; home, McGirr and Simmor; outside, Hilgartner; inside, Lamont; spares, Beamish and Hopkins.

Woodbridge—Goal, O. Hugill; point, McInnes; cover, Rowntree; defence, McKitrick and McClarty; centre, E. Hugill; home, Dobson and Shannon; outside, Stokes; inside, Wilson; spares, Boyce, Houston and Armstrong.

W. Harcourt, treasure of the O. A. L. A., acted as referee and kept the players well in hand. Very few of his decisions were questioned by either team. Bert Booth, of Orangeville, was equally satisfactory as judge of play. The Hanover teams and 150 enthusiastic supporters came down by special train. The Woodbridge and Weston teams also had a goodly following of strong lunged supporters, who missed no opportunity to shout encouragement to their favorites.

LAUREL

(Too late for last week.)

Monday night was Rally night at the Epworth League, and under the leadership of the new President, Mr. Walter Gray, a real rally took place. Five minute addresses were given by Mrs. W. R. Grosskurth, Lewis Hamilton, and Mrs. E. Richardson, which were well rendered, and much appreciated by all present. It was quite fitting that Mrs. Richardson should give an address at a League Rally as she was the first secretary of the first League organized at Laurel, about thirty years ago. This was also one of the first Leagues to be organized in Canada. A duet was sweetly given by Maudie Spence and Evelyn Gordon. Refreshments were served by the ladies, and, needless to say, were much enjoyed by all, especially the young men. The League are planning big things for the Fall and Winter months, and extend a hearty invitation to all the young people to attend. Next Monday night the League will be in charge of the Missionary Vice-President, Miss L. Morrow. Plans will be made to attend the Toronto Conference Biennial Convention, at Barrie, on October 15-16, also to attend the Orangeville District Epworth League Convention at Shelburne, next Wednesday. It is planned to have the whole League to Shelburne so let all be sure to be out on Monday night. Sunday night was League night at the church, when the pastor spoke to the young people on "Last Opportunity."

The Trustees of the Methodist Church at Laurel are planning on holding their Anniversary on October 16th with services at 11 a.m. and 7 p.m. Captain, the Rev. J. F. G Morris, of Alton, has been secured for these services. An old time concert vocational social will be held on Monday night, the 17th. The program will be announced later.

Anniversary services will be held in the Whittington church on the 23rd, when it is expected that Rev. J. M. Wilkinson, of Toronto, a past pastor, will conduct the services at 2.30 p.m. and 7 p.m.

Last Sunday morning the annual Sunday School Rally was held in the Methodist Church. The church had been decorated with flowers and bunting for the occasion, and about 100 children and their parents were out for the service, which was in charge of Superintendent Mr. Ward Trimble. Mr. C. R. McKeown, of Orangeville, was the special speaker, and gave an excellent address on Loyalty. Not only did he speak about loyalty to one's country, referring to the part the Laurel boys had taken in the great war, but also made a special plea to the parents to be loyal to the Sunday School. His testimony as to the value of the Sunday School was one that all should have heard, and his interpretation of the twelfth chapter of Ecclesiastes showed that the lawyer could quote as well as explain important passages of scripture. The pastor, Rev. G. W. Lynd, also gave an address to the children on the subject, "Bad companions making good children bad," illustrating his points with several bottles of chemicals.

The same evening the Rev. John Coburn, of Toronto, spoke to a full house on the work of the department of Evangelism and Social Service. The reverend gentleman gave a very vivid picture of the work being done, dwelling especially on their rescue work with girls. As a result of his appeal for help to carry on this great work, the congregation subscribed over $70.00.

Do not forget the anniversary services in the Laurel Methodist Church next Sunday, October 16th. Capt. the Rev. John Morris, of Alton, will preach at 11 a.m. and 7 p.m. On Monday night an entertainment will be held in the church, when Rev. Mr. Atkinson, of Mono Mills, will give an address on the Irish situation. Mr. Atkinson is an Irishman by birth, just lately out from the Old Land, and can speak from first hand knowledge. The Methodist friends are to be congratulated on securing Mr. Atkinson and thus giving the people of Laurel comunity an opportunity of hearing one well acquainted with this important question. Everybody should hear him on Monday night. Rev. Mr. Morris will also give an address, the choir will furnish the music and others will provide the musical numbers on the program. The ladies will serve light refreshments. Admission 25 cents.

On Monday night at the Epworth League Miss Morrow, the Missionary Vice-President, gave an excellent review of the work of our Missionaries in West China. The League are planning in a body to the Convention at Shelburne on Wednesday next.

Service at The Maples will be cancelled next Sunday on account of the anniversary services at Laurel.

The anniversary services in connection with Whittington Methodist Church will be held at 2.30 p.m. and 7 p.m. on the 23rd of October.

Commencing next Sunday Mr. R. A. Robinson, evangelist, and Mr. McBrotney, special gospel singer, will hold two weeks special services in Laurel and Black's Corners Presbyterian churches. On Sunday there will be morning service at Black's Corners and an afternoon service at Laurel. Week night services at Black's Corners next week and at Laurel the following week.

HIGH SCHOOL FEES

High School fees have been done away with by a recent amendment to the High School Act. No fees are to be charged to town or county pupils who have a right to attend High school, but fees may be charged ed pupils from another county. The deficit will be made up by a general county assessment and no loss will accrue to High School Boards financially.

A NARROW ESCAPE

SULLIVAN MAN HAD TRYING EXPERIENCE WHEN BUGGY DROPPED IN SINK-HOLE

Mr. Herman Guse, a well known farmer of the Desboro district met with a most unusual accident on Saturday last and one he will not forget in a hurry. He had been at Mr. John Spenak's and decided to take a short cut home along the fifth concession on a road very little used but thought to be dangerous. He had a fast and hurry, and all was going well until the horse plunged into a sink-hole, taking the buggy along. The horse was soon in difficulties, and so was Mr. Guse. He began to sink in the unstable mud and within a short time it had sunk to the tenth the surface. Mr. Guse stood on the seat, and this finally became submerged under a foot of water. Nothing remained of the vehicle above the water but the top of the back of the buggy seat and Mr. Guse was in a dangerous position and was compelled for help. Mr. Spenak luckily heard the call and went to Mr. Guse's assistance succeeding in rescuing him from his perilous position. The horse was also rescued and even the buggy was salvaged. But for a while it looked as though the three might sink into the depths of the sink-hole without leaving a trace.—Sound Sun-Times.

WOODS THE CHOICE

Melancthon War Horse Won U. F. O. Nomination For Commons at Large Convention in Shelburne on Saturday.

J. M. McNaughton Led For First Two Ballots, But Was Beaten by 6 Votes in Final Test of Strength.

FIRST BALLOT

J. M. McNaughton	88
H. H. Hilborn	48
W. A. Marshall	20
R. J. Woods	84
Hugh Falconer	3
J. A. Hand	7

SECOND BALLOT

J. M. McNaughton	106
H. H. Hilborn	37
R. J. Woods	94
W. A. Marshall	15

THIRD BALLOT

J. M. McNaughton	101
H. H. Hilborn	29
R. J. Woods	101

FOURTH BALLOT

J. M. McNaughton	123
R. J. Woods	129

In the above figures reader will find an expression of the result of the United Farmers' Convention held in the Town Hall, in Shelburne, on Saturday afternoon for the purpose of placing a candidate in the field for the House of Commons. No less than fifteen persons were placed in nomination. Six of the nominees allowed their names to go before the Convention. The real fight was between R. J. Woods, of Corbetton, and J. M. McNaughton, of Orangeville, County U. F. O. Director and a member of the Provincial Executive. Mr. McNaughton had a substantial lead on the first two ballots, Mr. Woods pulled even with his rival on the third and secured a lead of six votes on the final and decisive ballot. The result hinged on the East Luther vote, which supported Ex-Warden H. H. Hilborn until he was eliminated from the contest and then swung almost solidly to Woods.

Immediately after the announcement of the result of the final ballot, Mr. McNaughton rose and moved that the nomination be made unanimous. Mr. Hilborn and Mr. Marshall got to their feet a the same time to second the motion, which was put to the Convention and carried amidst resounding applause.

From the standpoint of the United Farmers and their sympathizers the Convention was a huge success. The Town Hall, which will seat about 350 people, was crowded to the doors before two o'clock, the hour set for the opening of the Convention. Seats were placed on the platform and at every available point in the hall, but still the seating accommodation was entirely inadequate. Fully two score people stood on the platform during the speaking. The entrance was jammed with men and the press extended right down the stairway to the street door. The audience was a sympathetic one and the speakers of the afternoon were given a close and appreciative hearing, their remarks being frequently received with demonstrative applause A feature of the Convention was the large number of ladies present. There were probably seventy-five or one hundred of the gentler sex in the gathering and quite a number of them were delegates. One of the nominees was a woman, namely Mrs. Matthews, President of Melancthon U. F. W. O. Mrs. Matthews acknowledged the compliment paid her sex by taking the platform and making a neat speech.

Mr. J. M. McNaughton, County U. F. O. Director, presided and called the Convention to order shortly after two o'clock. At the outset the Chairman explained that at last annual meeting the United Farmers had decided to form a political Association, which they had named the United Farmers' Political Association and that it was under the auspices and direction of this Association that this Convention was being held. Mr. McNaughton read a declaration of the aims and objects of the U. F. O. and then stated that the Convention had not been called to bring out a man to oppose the nominee of the Conservative party or any candidate who might be brought out by the Liberals of the riding, but to place in the field a candidate who will represent the views of the United Farmers of the constituency.

When the Chairman called for nominations, which were made orally, Mr. J. A. Marshall, the County Secretary, suggested that as he was a candidate he thought the Convention should appoint some person to act as Secretary for the day. Mr. G. R. McWhirter, of Keldon, was appointed to take charge of Mr. Marshall's duties.

Nominations were made as follows:—J. M. McNaughton, H. H. Hilborn, Geo. Gier, J. A. Marshall, R. J. Woods, Malcolm McCormick, W. A. Henry, J. G. Little, Geo. A. Ferris, T. K. Slack, M. L. A., Mrs. M. Matthews, Dr. W. H. Riddell, Hugh Falconer, J. A. Hand and Dr. Morgan.

When the Convention was asked to fix the time limit for the speakers some wag brought down the house by suggesting "five minutes for those not going to stand and 2½ minutes for the others." It was finally decided to allow the actual candidates 20 minutes each and to limit the other speakers to 5 minutes.

H. H. Hilborn stated that he had been beaten by T. K. Slack at the Convention for the Provincial House by 14 votes. Since then he had been repeatedly asked to stand the Convention for the Federal House. He appealed to the delegates to select the man or woman, who would best represent them. He would be right behind the choice of the Convention, whoever might be nominated. Mr. Hilborn declared that the Provincial Farmers' Government had brought down more useful legislation in the last two years than had either of the old political parties in the last twenty years. The speaker defended the roads policy of the Drury Government in vigorous fashion and declared that the United Farmers stood for equal rights to all.

Geo. Gier said the nomination was an unexpected honour. He had no intention of allowing his name to go to the ballot, but was in sympathy with the movement and thought that all should stand together.

J. A. Marshall expressed great pleasure at the fact that about one third of those present were ladies. Up to five days ago he had not told a single person that he intended to stand the Convention. Mr. Marshall discussed his own attitude and the attitude of Mr. Slack on conscription and expressed doubt as to which had made the greater mistake. He had been a farmer for 31 years, set a high value upon education and thought that there should be better education amongst the people of the farms. The farmers were not as prosperous as they might be and were not making the money that they might were conditions more equable. Mr. Marshall appealed to the Convention to select a candidate who would serve the people faithfully and well and announced that he would abide by its choice.

R. J. Woods was delighted at the size, enthusiasm and apparent unanimity of the gathering. The Convention had met on important business, for no matter what the complexion of the Government of the day its character was determined very largely by the character of the men selected at the county conventions. He was glad that the ladies had been given the ballot and that they were now taking their proper place in the public life and affairs of the country. Mr. Woods defended group government, asking his audience why the country should not have political groups, who would legislate in the interests of the great mass of the electorate. The speaker did not think that any member of Parliament was justified in going down to the House and voting himself an increased indemnity without a mandate from the people. Discussing the railway situation Mr. Woods averred that three transcontinental systems had been built, because there were railway magnates who were pulling the Government of the day and making millions out of the construction of these systems. On the tariff question he declared that there was not an intelligent man in

R. J. WOODS

the audience or in the County of Dufferin, who was in favor of absolute free trade. What was wanted was a tariff that will not burden the masses or weigh unduly upon the consumers. The monied interests were not looking after the interests of the people but after their own interests.

W. A. Henry, Clerk of Mono, had no intention of allowing his name to go before the Convention. The gallant Clerk paid the ladies a neat compliment by affirming that whenever the women are allowed access to the legislative halls the country goes right ahead. Mr. Henry pleaded for a fair deal for the old parties. To belittle the work they had done in the past was to cast a reflection upon the deeds of our forefathers. He believed in protection for infant industries, but not when the industries had grown to the stature of giants. The speaker declared that the country cannot safely leave its politics to the politicians or questions of political economy to college professors.

Jos. G. Little was not a candidate and thought he should offer an apology for appearing on the platform. He would like every delegate to think seriously of what they were doing and be sure of the character and dependability of the man they voted for.

Geo. Ferris declared that the responsibility for the character of the Government rested on the individual elector. If the Government was not what it ought to be, it was the people who were at fault. Mr. Ferris asked the Convention to select a man of character and principle—a man who would not abandon his principles after he was elected.

T. K. Slack, M. L. A., considered the audience one of the most representative that had ever assembled in Dufferin County for political purposes. He predicted that when the election took place the people of Dufferin would send a representative to Ottawa to strengthen the hands of Canada's coming Premier, the Hon. T. A. Crerar. Mr. Slack discussed several statements made by himself and John Best in the heat of the North Ontario bye-election. He had stated that if no other opposition offered he would resign his seat in the Legislature and oppose Mr. Best for the Ottawa House. It was unnecessary to do this as there were a number of good men ready to take the field against Mr. Best. As to his statement, perhaps an indiscreet one, that he would donate $200 of his sessional indemnity to the G. W. V. A. if Mr. Best could get renominated by the Conservative party in Dufferin, Mr. Slack declared cheerfully that he was ready to pay over the $200 to the soldiers' organization. Mr. Best had made reflections upon his character and loyalty, reflections which he had felt very keenly, but he could at least say that he (Mr. Slack) had never yet appeared in the Police Court and paid a $200 fine.

Mrs. Matthews considered it a great honour to be nominated, but did not intend to stand the convention. While woman's most sacred duties and interests were in the home, yet the laws of the land reacted upon and affected the happiness and welfare of the home. If mothers were not interested in having good laws, how could they expect their children to be interested.

Dr. W. H. Riddell was not a candidate and did not intend to occupy the time of the Convention. He was strongly in favor of the principles advocated by the U. F. O. and intended to support the candidate of the Convention.

Hugh Falconer felt his nomination a high honour. He was not a member of the U. F. O., but felt that he would get the same fair play as any member of the organization. He believed that the farmers had the old parties beaten. He did not take any stock in the cry of class legislation, because Canada had been getting class legislation ever since Confederation—legislation by and in the interests of the upper classes. Mr. Falconer denounced the manufacturers of woollens for the deal they had put over on the people of Canada during the war, read a letter from J. J. Morrison as to the qualifications of United Farmer candidates and declared that what benefitted the farmer benefitted him in his business.

J. A. Hand had not taken the matter of becoming a candidate seriously until a week or so ago. Thought he had as good an education as most of the candidates and that his experience as editor of the Western Farmers' Advocate and with the Western Grain Growers fitted him to understand the needs and interests of a farming constituency like Dufferin. He believed in the policy of the United Farmers and believed in the Hon. T. A. Crerar, whom he knew personally, from the ground

Dr. Morgan was not a candidate, but was entirely in accord with the policy of the United Farmers.

Malcolm McCormick pointed out that the present was a delegate Convention and contrasted it with the open convention of two years ago. The present Convention was much more representative and to his way of thinking gave the people a better chance to select the candidate they really wanted. Mr. McCormeik made an earnest appeal for good laws and exhorted the delegates to select a candidate with a clean sheet.

J. M. McNaughton, the last speaker, stated that during the past three years there was probably not another man in the county who had given more time to U. F. O. matters than he had. He was County Director for Dufferin and had for some months past been a member of the Provincial Executive Committee. His time had been given largely to the commercial part of the work, but he had also devoted considerable time to the question of improving our roads. Mr. McNaughton defended the road policy of the Drury Government with considerable vigor and took a fling at John Best, whom he quoted as stating that almost all of the halt, maimed and blind are on the Provincial highways drawing $4.00 and $5.00 a day and for the most part sitting under the shade trees. The speaker considered it a good investment to invest public money in good roads and he wanted Dufferin County to get its share of the money the Provincial and Federal Governments were investing in this manner The best contract price the Government could get for gravelling the Prince of Wales was $2.75 a yard and the work was being done by day labor at a cost of about $1.00 a yard. Mr. McNaughton touched briefly on the tariff and Government railways, discussed his personal qualifications for candidate and stated that he had never been anything but a British subject. The Farmers should, in his opinion, adopt what was good out of each of the old political parties and form a party that will be better than either of them.

It was decided to allow each of the six candidates to select a scrutineer. The appointees to this responsible position were W. A. Henry, Mrs. Wm. McPherson, Fred Thompson, E. H. Lindsay, P. W. Fewster and Wm. Shields, who acted for the respectice candidates as their names appear on the first ballot. It was announced that Miss Agnes McPhail U. F. O. candidate for South East Grey, was in the hall and would speak while the vote was being counted. It subsequently transpired that Miss McPhail was not present as the Chairman supposed.

Mr. Woods was tendered a rousing reception when he rose to express his thanks to the Convention for the honour it had accorded him. He referred to his previous campaigns, when he was twice narrowly defeated by Mr. McKeown, contrasted the size of the Conventions by which he had been nominated with the present Convention, which was easily three times as large as any of them and drew from this a promising augury for the success of the present campaign. The real fight was, of course, still ahead, but Mr. Woods declared that it looked as if the United Farmers could already spell victory.

The Convention was in continuous session for upwards of five hours. It was nearly 7.30 when the gathering dispersed after singing the National Anthem in wholehearted fashion.

The voting strength of the different municipalities was as follows: Shelburne 13; Orangeville 19; Amaranth 34; Grand Valley and East Luther 31; East Garafraxa 21; Mono 47; Melancthon 61; Mulmur 26.—Total 252.

Wilson, W. J. Trathen; lady auto driver, Mrs. Beer, Miss B. McQuarrie.

CATTLE

SHORTHORN—Calf, under one year, D. Pattullo, Elwood Sutton.

Specialist Said
ECZEMA
Was Incurable

—but he reckoned without Zam-Buk

Writing from Sweetwater, Tenn., U.S. Capt. Oscar V. Petty, says:—"For four years I had an obstinate dry eczema.

"My skin peeled off, and disfiguring splotches of the eruption appeared on my face and head. A well-known skin specialist said the eruption could not be cured, but friends out in Maine got me to try some Zam-Buk. To my great delight, I soon saw an improvement. The peeling skin stopped within a week. At the time I started with Zam-Buk the eczema had spread all over my body, so that it took reasonable perseverance for the balm to be thoroughly effective. However I am delighted to inform you, that now, by the use of Zam-Buk, my skin has been restored to normal healthy condition."

"I have a friend who also suffered from a similar distressing skin affection. In his case too, within a few days Zam-Buk was acting splendidly. He tells me that Zam-Buk beats anything he has ever known."

Zam-Buk cannot be equalled for ulcers, boils, abscesses, piles, ringworm, festered wounds, and all sores, wounds and injuries. Purely herbal. All dealers 50c. box, 3 for $1.25. FOR TRIAL SAMPLE mention paper and send 1c. postage to Zam-Buk Co. Toronto.

GET Zam-Buk TO-DAY!

J. D. TORRIE

THE CLOTHING MAN

SUITS
for School Wear
and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

THE HORRORS OF INDIGESTION

Relieved by "Fruit-a-tives" the Fruit Medicine

Indigestion, Weak Digestion or partial digestion of food, is one of the most serious of present-day complaints—because it is responsible for many serious troubles.

Those who suffer with Indigestion, almost invariably are troubled with Rheumatism, Palpitation of the Heart, Sleeplessness and excessive Nervousness.

"Fruit-a-tives" will always relieve Indigestion because these tablets strengthen the stomach muscles, increase the flow of the digestive juices and correct Constipation, which usually accompanies Indigestion.

50c a box, 6 for $2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

V. A. JOHNSTON, Teacher

Brampton town council has re-appointed T. Rod Anderson tax collector for this year at a salary of $350, with the promise of a $50 bonus if he gets the taxes in by December 14th.

At the Liberal-Conservative convention held in Durham, R. J. Ball, who has represented South Grey in the Federal House since 1911, was again nominated to contest the riding at the coming election.

A pretty marriage was solemnized at Kenilworth Methodist Church on Sept. 14th at high noon of Miss Margueretta Irene Noble, only daughter of Mr. and Mrs. Jos. Noble, formerly of Stanton, to Wilfred J. Nelson.

Mr. James Singer, ex-reeve of Nichol, was nominated as the Farmer and Labor candidate for South Wellington at a convention held in Guelph. He defeated Ald. W. P. Evans, a Guelph labor man, by 164 to 101 votes.

"My Dear, how young you look!"
"Real Music and my books keep me young!"

The NEW EDISON

is the only instrumentality which can bring the full beauties of true music to your home

THIS fact has been established over two thousand times before over four million people, in direct comparison tests between the New Edison and the living artists.

The New Edison is the *only* phonograph that *dares* this acid test of direct comparison.

Now the New Edison takes another forward step! Mood Music! The power of music to sway our minds and moods has been recognized by the thinkers of all ages—but it has remained for Mr. Edison to evolve a plan by which you can benefit from good music beyond mere entertainment.

It Soothes, Refreshes, Cheers!

Mood Music helps you control your mental and physical well-being. It soothes you when you are nervous. Refreshes you when tired. Cheers you when sad. In a 32 page booklet, this wonderful new way of using music is fully described and over 100 selections are classified according to the effects they produce upon a listener. Fill out the coupon and get your copy of the booklet, "Mood Music."

About Mood Music

Mood Music is the result of a two-year research by Mr. Edison into the effects of Music. The psychological work was under the direction of Dr. W. V. Bingham, Director of Applied Psychology, Carnegie Institute of Technology, and other psychologists. The remarkable discoveries, which they made, through countless experiments, are now in booklet form for your practical use.

Three Days of Mood Music Free!

If you do not own a New Edison, we will gladly loan you one on three days' free trial—so you can learn what Mood Music and the New Edison will do for you.

BROADWAY, ORANGEVILLE

THIEVES BUSY

Light Fingered Gentry Active at Brampton Fair.

With the crowds on Saturday also came several thieves from Toronto.

The biggest haul reported was made in the store of Mr. Sam McCandless. While two men engaged him in conversation as to a purchase of goods, another man sneaked into the office at the rear of the store and stole $56 from a drawer.

The home of Mrs. R. Harcourt, Wellington street, near the fair grounds, was entered during the absence of the family and $12 stolen.

Besides the sneak thieves there were "dips" or pickpockets among the visitors. At the fair grounds Mr. Nelson Nixon, of Melton, had his inside coat pocket picked of a pocket book containing $80. It was some time after the theft before Mr. Nixon knew that he had been robbed.

While the crowd was boarding an evening train at the G. T. station two passengers for the east were robbed of $8 and $10 respectively. They had strong suspicions who the thieves were, but search as they would, they could not find the men in the crowd.

These are the known cases of theft but there may be others unreported. —Peel Banner.

Dr. Wallace Crawford, the well-known London medical missionary, who has been working in China for the past nine years, is coming home on furlough.

T. R. S. Broughton, son of Mr. and Mrs. Thos. Broughton, of the Gravel Road, Melancthon, has been appointed a Fellow of Victoria College, Toronto, for the term 1921-22.

BOWLING GREEN

Bowling Green Women's Institute will put on a Hot Meat Supper in the Orange Hall on Thursday evening, October 27th. Admission, 50c. and 25c. Particulars later.

BLOUNT.

On Wednesday, Oct. 5th, the Blount Women's Institute held their regular monthly meeting at the home of Mrs. Bagnell. An excellent attendance of members and visitors was present. The President was in the chair and the meeting opened with the singing of the Opening Ode. A demonstration on Pickle Making by Mrs. G. L. Dodds and a Question Bureau made up the programme. Mrs. Bagnell served a delicious lunch and the meeting closed with prayer. The next meeting will be held at the home of Mrs. Lorne Dodds and a cordial invitation is extended to all.

CALEDON.

The following new books have been placed on the shelves of the Caledon Public Library:—

The Cinderella Man, by Carpenter; Life Ever Lasting, by Corelli; Innocent, by Corelli; Garden Without Walls, by Dawson; Harbor Tales Down North, by Duncan; On With Dorchy, by Ford; The Little Shepherd of Kingdom Come, by Fox; The Heritage of the Desert, by Grey; The Wonderful Year, by Locke; The Portygee, by Lincoln; The House of Merilees, by Marshall; West Wind Drift, by McCutcheon; Adventures of Jimmie Dale, Packard; The Harvester, by Porter; Red Pepper Burns, by Richmond; Seventeen, by Tarkington; The Man with the Sixth Sense, by Tracey; When Patty went to College, by Webster; The Adventures of Bobby Orde, by White; Day Book of Claudius Clear, by Nicol; Abraham Lincoln, by Drinkwater; More Heart Throbs.

MONO MILLS.

The Ladies' Aid held a very well attended meeting at the home of Mr. and Mrs. McCandless and a very pleasant afternoon was spent by all present.

The people of Mono Mills and vicinity would be very much pleased if they had better roads. The road commissioners should get busy before it freezes up.

The farmers in this vicinity are getting their potato harvest well in hand. At present the prevailing price is $1.00 a bag.

Sir Adam Beck stated some time ago that Hydro would be cheaper. Let us see that he keeps his word.

She—"John, before we were married you bought me anything I wanted. Now that we are married you never buy me anything."

He—"Well! Did you ever hear tell of a fisherman feeding his fish bait after he caught them.

INSTITUTE CONCERT

Alton Women's Institute is arranging to hold a Grand Concert in the Town Hall, Alton, on Friday evening, October 21st. A choice program will be provided by The Hill Bros.' Quartette, of Hamilton, which will have the assistance of local artists. Admission has been fixed at 35c. for adults and 15c. for children. All seats will be reserved. Plan of hall at Lovell's store.

—The Banner Bookstore for school supplies.

Save the surface and you save all

"Those Two Houses were built at the Same Time"

ONE was owned by a man who thought he knew and the other was the home of one who listened to experience. One painted for effect, thinking that any paint that looked nice would do—the other knowing that surface protection was more important than decoration, painted regularly for protection.

One tried to save expense and failed—the other saved the surface, and in doing so also saved expense.

The former house is a derelict and the latter is a delight. The paint with the record for permanence is

B-H "ENGLISH" PAINT

20% Pure White Lead (Standard Government Test) 20% Pure White Zinc 100% Pure Paint

a really superior paint. Its guaranteed formula results in a paint with a brilliant finish that lasts for years—B-H "English" paint excells in "body," brilliance, covering capacity and permanence.

Protect your property so that it will last for generations. B-H "English" paint whether in white or in colors is the best choice in Canada as a surface saver.

ZINN—BERWICK

An unusually pretty wedding took place on Wednesday, Oct. 5, in St. Paul's Church, Shelburne, when Dolce, youngest daughter of Mr. and Mrs. Edward Berwick, became the bride of J. Harry Zinn, D.D.S., of Shelburne, son of Mr. and Mrs. Peter Zinn, of Hanover. The ceremony was conducted by the Rev. W. H. Hartley, rector of St. Paul's. The bride was attended by Miss Dorothy Zinn, sister of the groom, and Miss Josephine Lewis, of Collingwood, niece of the bride. Miss Kathleen Lewis was a dainty little flower girl. The ushers were Masters Edward, Marcus and Robert Berwick, of Shelburne, and Master John Berwick, of Grand Valley, nephews of the bride. During the signing of the register Miss Louise Berwick sang, and Mrs. George Berwick was at the organ. After a short trip Mr. and Mrs. Zinn will live in Shelburne.

JOHNSTON—HUGHSON

A quiet, but very pretty, wedding took place at the home of Mr. and Mrs. Chas. G. Hughson, Prince of Wales Road, Mono, on Wednesday, October 5th, when their eldest daughter, Ina Irene, became the bride of William Lee Johnston, only son of Mr. and Mrs. W. T. Johnston, of Whittington. Rev. T. H. Stewart, rector of St. Mark's Church, Orangeville, tied the nuptial knot, in the presence of members of the families and a few immediate friends of the bride and groom. The bride, who was unattended, was given away by her father. She was dressed in a navy blue tricotine suit with hat to match and wore Isabella fox furs. After the marriage service the newly wedded couple led the way to the dining room, where the wedding breakfast was served and enjoyed by all. The bride and groom left on the evening train for Toronto and other points. On their return they will take up their residence on the groom's fine farm near Whittington. The Banner joins with a large circle of friends in wishing them a happy and prosperous life.

FIFTY YEARS WEDDED

To celebrate the fiftieth anniversary of their wedding is a privilege which comes to few. This, however, was the happy experience of Mr. and Mrs. Jeremiah Taylor, well-known residents of Albion township. On Tuesday a large number of guests assembled at their home, Spruce Lodge Farm, to participate in celebrating their golden wedding, which was also Mrs. Taylor's 74th birthday. In addition to the warm felicitations of their friends, the eldest son, George, read the wedding address, and Russell, the son of Mr. and Mrs. Taylor's eldest son, the late Stanley Taylor, presented the grandparents with a purse of Gold. Needless to say, the occasion was a most enjoyable one, not only to the aged couple, but also their family and the assembled friends. A happy feature of the day was the baptism, by Rev. Mr. Kennedy, of Muriel Jean, daughter of Mr. and Mrs. Fred Taylor. Nine of the surviving members of the family of eleven were present. They are George, of Mount Wolfe; Mrs. (Dr.) A. F. Reynar, of Palgrave; Isaac, of Bolton; John, William and Mrs. Wilbert Greenaway, of Toronto; Leonard and Fred, of Palgrave, and Miss Lilly, the only member of the family residing at home. There are sixteen grandchildren.

Mr. and Mrs. Taylor were married at Mount Wolfe, the ceremony being performed by Rev. A. Fessent. Mrs. Wm. Potter, of Totteham, was the bridesmaid, and Mr. Henry Taylor, the groom's brother, now living at Auburn, Ont., was groomsman on that occasion. The bride of fifty years ago was Jane Stewart, daughter of David Stewart, of Woodbury. Mr. and Mrs. Taylor have resided since then on the farm adjoining the one on which Mr. Taylor was born eighty years ago. Mr. Taylor ranks as one of the pioneers of the township and has always taken an active interest in the public and social life of the district during his long life. He was a justice of the peace, license commissioner, took part in the Fenian Raid, and holds an honorary membership in Palgrave range Lodge. He has always been a prominent Conservative in politics.—Bolton Enterprise.

OF INTEREST TO WOMEN

This is a Short Letter, But It Proves the Reliability of Lydia E. Pinkham's Vegetable Compound.

Bothwell, Ont.—"I was weak and run down, had no appetite and was nervous. The nurse who took care of me told me to try Lydia E. Pinkham's Vegetable Compound, and now I am getting strong. I recommend your medicine to my friends, and you may use my testimonial."—Mrs. W. J. Brady, R. R. 2, Bothwell, Ont.

The reason why Lydia E. Pinkham's Vegetable Compound is so successful in overcoming woman's ills is because it contains the tonic, strengthening properties of good old-fashioned roots and herbs, which act on the female organism. Women from all parts of the country are continually testifying to its strengthening, beneficial influence, and as it contains no narcotics or harmful drugs it is a safe medicine for women.

If you want special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read, and answered by women only.

TEACHERS' INSTITUTE

The Dufferin Teachers' Institute was held in Orangeville on October 6th and 7th. Mr. James E. Cosgrove, the President, was in the chair. After the adoption of the minutes and different reports the following committees were appointed:—

For the County Promotion Examinations—Misses Henry, Rayburn, Beatty, McArthur, Ada Jelly, Merrell and Livingston.

For Fall Fairs—Principals Firth and Russell and Misses McKitrick, McArthur, Long and Bristow.

On Resolutions—Messrs. Russell and Boggs and Miss Golding Thompson.

Mr. Alex. Firth was appointed delegate to the O. E. A.

Miss Nina A. Ewing, of Toronto Normal School and the delegate to the Institute from the Education Department, gave two inspiring addresses on "The Place and Scope of Household Science." She showed how changed conditions demanded a changed curriculum and that this subject was necessary in our day to make good homemakers. The scope of this science was everything that would benefit the home, such as the house, location, furniture, food, clothing, etc. During her second address on "Phases of Household Science Possible in Rural Schools," she showed how this subject could be correlated with other subjects such as Arithmetic, Geography, Nature Study, Reading, Composition, Manual Training and Art. She advocated the Hot Lunch as very necessary for the growing child and gave practical hints as to how this may be carried out.

Mr. T. K. Slack gave an address on such practical subjects as School Lectures, Debating Societies, Community Halls and the adolescent attending school for a longer period. The Institute tendered him a vote of thanks.

Miss Livingstone read Miss McLoughry's paper on "Suitable Practical Experiments in Agriculture for Rural Schools." Additional experiments will be added to this paper and sent to the teachers by the Inspector in a circular letter.

Miss Hudson gave her paper on "Lessons on Construction Work for Primer Classes" and showed the value of such work in training the pupil.

Miss Fanny Shain and Miss Annie McKitrick were the delegates of the Institute on the Government conducted trip through New Ontario. Each gave a splendid report of our great north land and its wonderful possibilities.

Miss Miemma Hunter and Miss Jennie McArthur discussed the subject of Art for all the Forms. These papers were educational and much enjoyed by the teachers.

Mr. J. E. Jessop had a class from Orangeville Public School and conducted several lessons in music. This is a subject that is receiving more and more attention and it is to be regretted that all parents could not hear and see what training can do for the human voice.

The Superannuation Act was discussed from different angles by Misses McRae, Knill, Crane and Mrs. McGill. This fund seems to be in good condition and several resolutions were passed to be forwarded to the Education Department.

President Cosgrove gave an excellent address on "The Live Teacher." Principal Butcher gave an address on "School Discipline." Principal Russell gave his address on "The Teacher's Attitude Toward the Big Boy." These addresses showed power of thought and careful preparation.

One of the best evening lectures of the Institute was given to a large audience in the Methodist Church on Thursday evening by Mr. Jack Miner. For over two hours the audience was delighted with the address, slides and moving pictures which proved that the "Wild Duck" and "Wild Goose" are not "wild." They seem to be on his farm at Kingsville in thousands. "Jack Miner is a wonder" was on every lip at the close of the meeting.

The thanks of the Institute were tendered to:—Miss Nina A. Ewing; the Trustees of the Methodist Church; those who took part in the entertainment in the Methodist Church; Mr. Pownall;—the citizens who entertained the teachers in their homes.

The total attendance was 109. The following are the officers for the ensuing year:—

President, Miss Fanny Shain; Vice-President, Mr. Earl Barnes; Secy.-Treasurer, Inspector Liddy; Auditors, Miss Rebie Lalor and Miss Catherine Shain.

The Executive will be the officers and the Shelburne Public School staff.

CHICKEN PIE SUPPER

The Ladies' Aid Society of St. Andrew's Church will hold a Chicken Pie Supper in the School Room of the Church on Wednesday evening, October 19th, beginning at 6 o'clock. The Supper will be followed by a short program. Admission to Supper and Program, 25c. Every person is cordially invited.

CRAWFORD'S CHURCH

Anniversary Services will be held in Crawford's Methodist Church in Adjala on Sunday, October 16th. Rev. S. D. Dinnick, the pastor, will occupy the pulpit at 11 a.m. and Rev. D. G. Atkinson, rector of Mono East Parish, will preach at 7 p.m.

Owing to the Anniversary Rev. S. D. Dinnick will preach at Mitchell's Church in Mono at 3 instead of 7 o'clock.

CARD OF THANKS.

I wish to gratefully thank my friends for their kind expressions of sympathy, generous offers, and for the help rendered at the fire on Wednesday, October 5th.

JOHN E. BERRY, Waldemar.

In the Matter of the Estate of Henry Wesley Duke, late of the Township of Mono, in the County of Dufferin, Farmer, Deceased.

NOTICE is hereby given pursuant to R. S. O., 1914, Chapter 121, Section 56 and amending Acts, that all creditors and others having claims against the estate of the said Henry Wesley Duke, deceased, who died on or about the 28th day of April, 1921, are required to send by post prepaid, or to deliver to C. R. McKeown, Orangeville, Ontario, Solicitor for the Executors of the estate of the said deceased, or to the said Executors, their names, addresses and descriptions, the full particulars of their claims, a statement of their accounts, and the amount of the security, if any, held by them, duly certified.

AND FURTHER TAKE NOTICE that after the 15th day of October, 1921, the said Executors will proceed to distribute the assets of the said deceased amongst the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said Executors will not be liable for the said assets or any part thereof to any person or persons of whose claims notice shall not have been received by them at the time of such distribution.

Dated at Orangeville this 21st day of September, 1921.

C. R. McKEOWN, Solicitor for the said Executors Wesley Kee and Margaret Duke, Executors

—William Bryce, who died at his home, 276 Rusholme Road, Toronto, on Sunday, Oct. 2nd, aged 75 years, was well-known in Orangeville. He was owner of the Orangeville Fair for several years and visited the town frequently. He ran a large wholesale fancy goods business in Toronto. In the course of his long business career he had made no less than 32 trips to Europe.

Mrs. P. H. Graham, of Glenwilliams, spent last week with her parents, Mr. and Mrs. Ed. French.

SPEAKS HIGHLY OF BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she is always pleased to speak highly of them to other mothers. She knows the good they have done her children and realizes that her experience should be of benefit to others. Concerning the Tablets Mrs. Fred Murphy, Charlottetown, P. E. I., writes: "I have used Baby's Own Tablets for the past eight months for my baby. I cannot speak too highly of them for they have been of great assistance to me in my first experience of motherhood." Baby's Own Tablets are a mild but thorough laxative which are absolutely harmless and may be given to even the newborn babe with perfect safety. They are sold by medicine dealers or direct at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

ST. ANDREW'S Y. P. S.

The Consecration Committee supplied an interesting program at the meeting on Monday night, Miss Jessie Campbell, the convenor, occupying the chair. Mr. R. W. Ellis gave an instructive Talk on the Shepherd of Israel and His Scattered Flock. The musical numbers were a piano duet by Misses Muriel and Leona Ellis and a vocal duet by Misses Ruth McGuire and Sadie Watson. Next Monday evening the Literary Committee will put on a Burns' night. All young people are welcome.

CALEDON EAST

Miss Adrain McCaffrey, after a lingering illness of some duration, passed away on Thursday, Sept. 29th, at noon, at the early age of seventeen years and eight months. Deceased was a member of the Methodist Church, Sunday School and of the church choir for a while. The funeral took place on Saturday afternoon and was largely attended. The scholars and teachers formed in line at the house, headed by the superintendent, and followed by six young men of the school bearing the white casket. The floral offerings, consisting of wreaths, sprays and handn bouquets, were rich and beautiful, and were carried by eight young ladies of the school. All wended their way to the church, followed by the general public, also in procession, where service was held by the pastor, Rev. A. Lawcock, who preached an appropriate sermon, his theme being "Gone Home." The pulpit and communion rail were heavily draped with white crepe, dotted with sprays of purple flowers. After service the funeral cortege proceeded to Caledon East Public Cemetery, where the remains were laid to rest. Many friends from a distance attended the funeral.—Enterprise.

—Try The Banner Bookstore for your school supplies.

—The Ladies' Aid of the Methodist Church will hold a Birthday Party in the Church on Thanksgiving evening.

PERSONAL MENTION

Miss Clara Annis, of Toronto, made Orangeville friends a flying visit on Tuesday.

Miss Bertha Doherty returned home last week after a month's holiday with friends at Burk's Falls and Spence.

Mrs. Jessie Doherty and her niece, Miss Maud McQuilken, of Barrie, visited the former's brother-in-law, Mr. J. Doherty, recently.

Mr. and Mrs. W. G. Mimms and sons, Douglas and Hubert, and Mr. C. Fisher, of Toronto, spent the week-end with Mr. and Mrs. B. McGuire.

Miss Lulu Phoenix has returned to town after visiting friends in Toronto, Guelph and Beamsville. Miss Phoenix is a niece of Mr. J. Doherty, Second St.

Mr. and Mrs. Lorne May and little daughter, Lorna, motored out from the city on Saturday and visited Mr. May's parents, Mr. and Mrs. Isaac May, The Maples, over the week-end.

Mrs. E. J. Ellis, Second Ave., has returned home after an absence of two weeks in the northern part of the Province, where she acted as Judge in ladies' work at Huntsville, South River, Pickering and Loring fall fairs. Mrs. Ellis was also a judge at the Alliston fall fair on October 7th.

Mr. John Norris, Town Treasurer, and Miss Annie Norris were in St. Catharines last week attending the funeral of their cousin, Mr. John A. Norris, who died in that city on October 2nd.

ALTON

Mr. and Mrs. W. J. Dods are visiting their son, Mr. W. W. Dods, of Alton.

We are glad to hear of the promotion of Miss Jean Burnett and Master Douglas Cuthbert and wish these scholars every success.

Mrs. William Milligan and grandson, of Toronto, are visiting the former's niece, Mrs. W. A. Dorrington.

The Presbyterian Ladies' Aid meeting was held at the home of Mrs. C. R. Baguley on Thursday. The afternoon was enjoyed by all present.

The Misses Eva, Dorothy, Luella and Muriel Smith, and Mr. Orval Smith, Miss Eileen Townsend and Mr. Jack Townsend, of Guelph, spent Sunday with their aunts, Mrs. John Erskine, Mrs. J. S. Dods and Mrs. J. A. Russell.

Mr. Ted Dorrington, of Baden, spent the week-end with his parents.

We are glad to welcome Mrs. Bruce, our baker's mother, to our town again.

Mr. and Mrs. J. D. Robertson and children, Alex., Agnes and Dorothy, spent Sunday with Mr. Robertson's cousin, J. S. Dods.

Mr. Percy Boggs, of Marsville, spent Sunday in our town as usual.

We are glad to see Mr. Baguley among us again.

ALTON

Our citizens will be interested in the following comment by the Hamilton Spectator on the work of Hill Bros.' Quartette, which is to appear at the Women's Institute concert here on October 21st.

"An entertainment of a standard rarely seen here was witnessed by an exceedingly large and appreciative audience, which packed the new Pavlowa Garden to capacity last night, on the occasion of the return visit of the Hill Bros. The splendid ovation tendered to the popular quartette, who, with the capable assistance of H. Wilcher, accompanist, presented last night's program, leaves little doubt as to their ability and the deep impression left behind them after delighting a local audience some time ago. Opening the affair with the melody of old and new popular tunes, the large gathering was very soon in an appreciative mood. Not only are the four brothers possessed of remarkably sweet voices, but are quite capable, as last night proved, of introducing versatility and "pep" with their offerings.

"While each number presented was warmly received, the execution of Levernne, by Henton, by R. C. Hill in a saxophone solo, created round after round of applause, but perhaps the biggest hits were scored with the sweet rendering of the song, "All Love Jack," a baritone solo by F. Hill, and "The Radiance in Your Eyes," sung by A. R. Hill."

CALEDON

The congregation and friends of the Caledon Methodist Church had the pleasant opportunity of hearing one of their old boys, Rev. W. E. Wilson, pastor of King St. Methodist Church, Toronto, deliver two excellent sermons on Sunday last. Mr. Wilson is an excellent pulpit speaker and will in time undoubtedly distinguish himself as one of the foremost ministers of his church. Caledon has good reason to be proud of this native son, who is now doing such excellent work in the capital city of the Province. Mr. Wilson brought with him to Caledon his church choir, a fine organization of singers, who gave a most delightful concert on Saturday night and rendered excellent assistance at both of the Sunday services, when they very generously rendered some of their best selections. On Sunday night the church was crowded to its utmost capacity and although the service lasted nearly two hours the audience never seemed to tire of listening to the preacher and the choir.

Rev. G. W. Lynd, of Laurel, will occupy the pulpit of the Methodist Church next Sabbath and will also take the services on the other appointments of the circuit for the day.

H. S. GAMES

Orangeville High School held its annual Field Day last Thursday. In the morning a number of events were run off on the High School campus. The afternoon program took place on the Exhibition Park, where quite a number of spectators gathered to witness the competitions. The weather was ideal for outdoors sports. Charlie Rowan won the senior championship and Fred Rowan the junior championship for boys. In the events for girls the senior honors went to Lulu Wise and the junior honors to Myrtle McKinney. The results which we publish herewith are incomplete, as we were unable to get the names of the winners in the morning events for girls.

High School Campus, 9 a.m.

(C) Standing Broad Jump, senior—F. Partridge, C. Rowan, R. Senior.

CITIZENS' BAND CONCERT

A Grand Concert will be given in the Orangeville Opera House on Friday night, October 21st, under the auspices of the Orangeville Citizens' Band. A really worthwhile programme is being arranged for the Concert. The contributing artists will be Miss Dorothy Dawson, solo pianiste, artist pupil of Miss Falconbridge, Hambourg Conservatory of Music; Mr. Fred Dawson, refined humorist and entertainer, late of the Royal English Hand Bell Ringers; Miss Bessie Lewis, soprano; Miss Clara Hulse, violiniste; Mr. Russell Morrow, saxophone soloist, and the Orangeville Male Quartette. Mrs. Russell Morrow will act as accompanist. Admission, 50c. and 35c. All seats reserved. Plan opens at Banner Office on Saturday, Oct. 15th.

ONE CENT SALE!

Another Example

Buy a 50c box of Aspirin Tablets U. D. Co.

at the regular price of 50c and you will get another box for 1 cent or

2 for 51

Sale THURSDAY, FRIDAY & SATURDAY

This ONE CENT SALE Plan was originated by the United Drug Company for the Rexall Drug Stores. The United Drug Company are the largest manufacturers and buyers of Toilet Articles, Remedies, Chocolates, Perfumes, Rubber Goods, Stationery and Drug Sundries in the world, and this is an advertising plan pure and simple, of which they bear most of the expense. Instead of spending money in the regular way, such as Free Samples, etc., it is their desire that we place full size packages, or articles, in your hands, giving you an opportunity to judge the real value of these goods, the cost of which they charge to advertising.

We will only be permitted to run this sale occasionally. Beware of imitations in other stores, and take advantage of this exceptional opportunity. We can not afford to charge or deliver goods during this sale. Come in and see the display of all New Merchandise.

ITEMS OF INTEREST OF DUFFERIN AND DISTRICT

There are no criminal cases for the High Court for Leeds and Grenville.

Galt Humane Society is steadily growing and now has a membership of 109.

Duart Presbyterian Church celebrated its golden jubilee a week ago Sunday.

Mrs. Harry Greer, Dereham Township, was fatally burned while polishing a stove.

Plans are being made for a new clubhouse, valued at $33,000, to be built on Pelee Island.

Rev. T. B. McCorkindale has resigned from the pastorate of Deseronto Baptist Church.

Boys' and Girls' Pure Bred Live Stock Clubs of St. Thomas district held their central fair.

Apple blossoms in full bloom were picked on a farm near Kingston, a little over a week ago.

Geo. Bradt, of Lowville, had about 200 pounds of honey stolen from his apiary recently.

Thieves entered the home of Geo. Barton, Prescott, and stole a quantity of valuable jewellery.

Mr. W. J. Hall has taken over the duties of the position of choir leader in Shelburne Presbyterian Church.

Rev. Bertram Nelles will be inducted as pastor of Dale Presbyterian Church, Toronto, on October 27.

Chicken-pox is prevalent in the locality of Flesherton and the schools are suffering in their attendance.

Oshawa reports an increased attendance in every school in town. Two portables are being put into use.

White marble figure of a Canadian soldier is now mounted on a monument in the library park, Wallaceburg.

J. A. Mills, of Shelburne, has gone to Creemore, where he will have charge of the Norton Fisher & Co. general store.

Audrey, sixten months old daughter of W. J. Davies, Goderich, died from the effects of swallowing strychnine pills.

Several persons were injured by the collapse of a section of the railing surrounding the dancing pavilion at Kincardine.

Fire caused several thousand dollars' loss in farm machinery on the farm of Donald Gunn, at Bayside, west of Belleville.

The Walpole Island Fair Company has voted the sum of $280 for work to be done on the old dock and extension of 20 feet.

Rudolph Heideman, a resident of Zurich for about 46 years, died at Flint, Mich., while on a visit to relatives in that section.

Spark from an engine, being used in filling a silo, resulted in the destruction of the barns and silo of James Brouse, Iroquois.

Mr. and Mrs. D. Henderson, of Shelburne, have arived home after spending several weeks at Carievale, Sask., and Taber, Alta.

Jing Jeen, the 14 year old son of a Kitchener Chinese restaurant keeper, lately made the trip from China alone to join his father.

Arthur Agricultural Society will erect a fine new building, 90x100 feet, to serve the double purpose of exhibition hall and skating rink.

Eleven months old son of Mr. and Mrs. F. Shute, Stratford Road, drank from a dish containing poison, but an emetic promptly given saved his life.

Two large barns on the farm of Charles Armstrong, west of Orono, were destroyed by fire, with the season's crop and a quantity of last year's grain.

Some unknown person drowned two cats in the James street reservoir at Hamilton, heedless of the fact that the water is used for drinking purposes.

At Hornepayne, in the Fort William district, the C. N. R. donated their old station for a temporary school for the senior classes during the coming winter.

Rev. and Mrs. Ezra Adams, of Courtland, recently celebrated the 60th anniversary of their marriage, and the same day marked the 86th birthday of Mr. Adams.

A commercial traveller who stopped one evening, recently, on the road near Arthur to repair a tire, was held up by two bandits who took all his money.

Richard Henderson, who recently took over R. R. No. 3, Shelburne, and the stage route from Shelburne to Honeywood, has disposed of the same to Elmer Tupling, of Honeywood.

Joseph Leary, proprietor of the flour mill at Whitevale, Ontario County, was married at Toronto, on September 14th, to Mrs. K. E. Price, formerly of Shelburne. Mr. and Mrs. Leary have taken up their residence at Whitevale.

Because, it is said, some teacher in Fort William told school children that they were now at liberty to pick flowers in the parks, thousands of dahlias, gladioli, and other perennials were totally destroyed by small fingers.

St. Catharines Board of Education is considering plans for the erection of a new Collegiate Institute.

The Baptist Convention of Ontario and Quebec was held in St. Thomas from October 14 to 21.

Anglican General Synod appoints representative committee to confer with other churches on reunion.

Cornelius Huffman, who lives near Blenheim, lost his barn and its contents by fire caused by an overturned lamp.

Ewart Munn, of Ingersoll, lost an eye owing to his glasses breaking when he ran into an auto while looking at a book.

Geo. C. Haynes, a returned soldier, St. Thomas, has been appointed returning officer for the west riding of Elgin.

Fire destroyed the barn with the season's crops and several head of cattle, owned by W. G. Gillies, at Muirkirk.

Harry Raymond, Belleville, sentenced to four months in jail, is wanted at Lindsay in connection with a liquor case.

Cecil Smith, of Windsor, stated in Court that he had paid $96,000 in fines for friends guilty of breaches of the O. T. A.

George Whiting, Kinmount, a cook from the lumber camps in the north, dropped dead just after stepping from a G. T. R. coach.

Thomas Carson, one of the early pioneers of the Dundalk district, passed away Wednesday morning last, at the age of 89 years.

John Jeffers, Dresden, reported to the county police that his home had been rifled by burglars and Victory Bonds valued at $3,000 stolen.

While men were at work digging a cesspool in the Public School grounds in Arthur, an old coffin containing a skeleton was unearthed.

A new station is to be built by the C. P. R. at Port Arthur, in the spring, and in the meantime, reppairs are going forward on the old one.

During a recent severe storm at Wallaceburg, lightning killed three fine Durham steers belonging to Wm. Williams, of the Banner Land Farm.

Over three and a half million bushels of grain arrived in Midland the week before last. About two and one-half million bushels came from Chicago.

The Bascale bridge over the upper entrance to the third and fourth locks at Sault Ste. Marie can now be lowered to permit trains to cross the border.

Rev. J. A. Cranston, of Kew Beach Presbyterian Church, Toronto, was presented recently by his congregation with a beautiful pulpit gown as a token of appreciation of his work.

While superintending the felling of a tree near Forthton, Heberrt Gray, of Smith's Falls, was struck on the head and shoulders by a heavy limb. His condition is regarded as serious.

Grand Valley Methodists presented Mr. John Brown, who is leaving for Toronto, with a leather bag. Mr. Robt. Miller made the presentation, while Rev. J. Truax spoke in a very complimentary way.

Rev. Louis W. Moffitt, of the Toronto Methodist Conference, well known for his work during the war, since demobilization, has been studying at Edinburgh University, and at the last graduation ceremony he received his well-earned Ph. D.

W. J. Fleuty, editor and proprietor of the Oakville Record for the past 11 years, has sold that journal to W. Nelson Wilkinson, of Toronto, who will make the Record an all-home-print paper by installing a typesetting machine and other modern equipment.

Miss Annie McMillan, eldest daughter of Mr. and Mrs. John McMillan, of Ceylon, passed away a week ago Monday forenoon at the age of 26 years. Miss McMillan was a school teacher and taught at the Durham Road school, McIntyre and Fort William.

Sheriff J. S. Wilson will be returning officer for North Grey; H. W. Kernahan, Clerk of Osprey, and a resident of Maxwell, will be R. O. in South Grey; Donald Gillies, of Southampton, will be R. O. in North Bruce, and J. E. Cass, of Chesley, will be R. O. in South Bruce.

H. P. Moore, of Acton, Police Magistrate, whose jurisdiction was several months ago extended to the whole county of Halton, concurrently with that of Police Magistrate Shields, of Oakville, has been advised by the Attorney-General that his jurisdiction has been further extended to cover the townships of Erin and Eramosa.

D. L. Gear has purchased the 50 acre Martin Haws property near Hereward. Harold Samuels purchased H. Murdock's farm at Gordonville. G. McFarlane has purchased Wm. McLean's 100 acre farm in West Luther in the Monck vicinity. Wm. Tosh has purchased Ed. Hollis' house and lot in Damascus, formerly belonging to the Lewis estate.

A sad drowning fatality occurred on the farm of Councilman and Mrs. Jas. Bosomworth, of Pilkington, when their little son, George Smith, aged two years and six months, was drowned in a creek, which crosses their place. The little fellow, with his older brother, had been back in the lane near the creek. The older boy seems to have lost track of George for a little while and when he was missed a search was at once begun. He was found by his mother in about two feet of water.

ECZEMA ment for Eczema and Skin Irritations. It relieves at once and gradually heals the skin. Sample box Dr. Chase's Ointment free if you mention this paper and enclose 2c. stamp for postage. 60c a box; all dealers or Edmanson, Bates & Co., Limited, Toronto.

There are over a hundred electric cooking ranges in Orillia. This is the result of an energetic campaign assisted by columns of good newspaper publicity.

The Chamber of Commerce, Guelph, has let the contract for $1,000 for fitting up a rest room for the farmers' wives and families who go to the city to do their shopping.

The James T. Robinson farm in Toronto Township, west half lot six in the fourth concession, comprising one hundred acres, was sold in Brampton by Auctioneer W. A. Russell on Oct. 1st, to Mr. F. G. Lawrence for $8,000.

Attendance at the Brampton High School has increased to 207, with a staff of six teachers. It is thought that another teacher will be appointed as one of the forms has 52 pupils.

The Midland Free Press has amalgamated with the Victoria Harbor Era.

A by-law for the construction of a water-works system in Port Credit will be submitted to the property owners next New Year's Day. Before the by-law is submitted public meetings will be held to allow a full discussion. The cost will be from $100,000 to $150,000.

ESCORTED BY DEER

While Messrs. J. W. Armstrong Elmer Peacock and Oswald Armstrong were going home to Rosemont Saturday night they saw an animal running along the fence on the broken front line of Adjala. They had about concluded it was a goat, not being able to see it distinctly in the dark, when it ran out in front of the car and turned its head first to one side and then the other revealing the outline of a nicely antlered buck deer. The driver fed gasoline, but the deer was too fleet for the car. After running along in the light for some distance it took to the north side of the road and with a graceful bound cleared the fence, being soon lost to view.—Alliston Herald.

HORSE DIES AT THE FOUR CORNERS

Last evening about six a faithful old Dobbin died on the pavement in Queen St., fronting the Merchants Bank. The horse, attached to a top buggy, was being driven south in Main street by two young girls, said to be H. S. pupils. Whether the driver in a fit of impatience at the faithful old horse's slow progress, gave him a cut with the whip, we are not sure, but anyhow, the old horse made "a break" and showed the people that he had some speed left. After all, his gallop did not take him very fast, but it made him uncertain on his legs and when he turned west into Queen St. his feet flew from under him and he fell violently to the pavement from which he was unable to rise. For ten or fifteen minutes a large crowd witnessed the spasmodic twitchings of the old horse, some with levity and others with sadness as they saw the ending of a faithful old animal, game to the last. The carcass was covered with a blanket and a robe taken from the buggy and later removed. The girls jumped out of the buggy when the horse fell and ran off for a veterinary, although half the crowd had it that they had "skedaddled" at the first opportunity. The horse was owned by a farmer on the fourth line, east.—Peel Banner.

WHERE THE TROUBLE WAS

First Dough-Boy—"Did you have trouble with your French while in Paris?"

Second Ditto—"No, but the Parisians did!"

LEAK SOMEWHERE

Editor—"We can't accept this poem. It isn't verse at all; merely an escape of gas."

Aspiring Poet—"Ah, I see; something wrong with the meter."

REAL JOY RIDE

"What sort of a time is your friend having on his motor trip?"

"Great! I've had only two letters from him—one from a police-station and the other from a hospital.

DOING THEIR BEST

"Couldn't you find any eggs, dear?" a woman asked her little city niece who was visiting her on her farm.

"No, auntie," said the child, "the hens were scratching all around as hard as they could, but they hadn't found a single egg."

HOLDING THE ATTENTION

"Can you demonstrate your theory so that it can be popularly understood?"

"Perhaps," replied the eminent scientist. "But why consign it to obscurity by ending a very interesting discussion?"

A Bad Case
Eczema All Over His Body—His Legs—His Arms Covered
John Clark of Brockville, N. B., crowds a story of great suffering into a few words.
"I was tormented beyond words. I could not sleep. You could not put a pin on my whole body. I tried several doctors. They said it was scrofula. Three dollar bottles of D. D. D. is all I used. I have not had a sore for five months."
Each week we are selecting a letter from some Canadian sufferer to show what can be done to itching, burning skin disease by the clear, purifying liquid wash, D. D. D.
Stop that itch today. You are not asked to use D. D. D. for weeks before you receive results. If you don't get relief from the very first bottle we hand your money back. $1.00 a bottle. Try D. D. D. Soap, too.
D.D.D.
THE Lotion for Skin Disease

Straight talk on Cream Separators by
J. E. SMITH & Co.
Orangeville, Ont. Canada.

Users are proud of their De Lavals

THERE are more than 2,500,000 users of De Laval Cream Separators, and practically all display the sign of separator satisfaction. These little signs reading "We use the De Laval Cream Separator" are nailed on fences and barns and other prominent places all over the world.
Each sign is a personal recommendation of the owner. Each sign indicates the pride with which the owner regards his De Laval.
The most progressive and most prosperous farmers in nearly every dairying section own De Lavals. They know the De Laval skims closer, runs easier and lasts longer than any other separator, and that it may be depended upon to put more money in the bank.
The De Laval is particularly well liked by women. It turns easier than other separators; is more easily cleaned, and does its work in less time.
Come in and let us demonstrate the superiority of the De Laval.
Sooner or later you will buy a
De Laval

EDITORIAL NOTES.

One of the real fights of the coming election has been staged in Lisgar, Man., where Hon. Bob Rogers has set himself the formidable task of rolling back the United Farmers' tide. Westerners say it will be a great contest.. Rogers is an astute campaigner and a practical politician.

Have you heard how Woods came to be nominated in Dufferin. The story goes that fearing a split in their ranks the United Farmers took to the Woods as the Best thing they could do. This is not original. As far as we can learn Editor Claridge of the Shelburne Economist is the perpetrator.

The Provincial Government's decision to set up a Sub-Treasury and pay four per cent. for money deposited will not be welcome news to the chartered banks. The Banner has often wondered why there should be such a spread between the rate the banks allow on deposits and the rate they charge on loans. Even with this spread no interest is paid on current account credit balances and the practice of paying interest on savings account "monthly minimum balances" always works out to the disadvantage of the depositors and to the advantage of the banks.

We read that an invitation has been sent to the Doukobours now settled in Western Canada to return to Russia, whence they emigrated to this country a number of years ago. It is not likely that the invitation will be accepted. The Douks may do a lot of kicking about Canadian laws and Canadian methods of educating and converting their children into good Canadian citizens, but they are clever enough to realize that they are infinitely better off in Canada than they could possibly be in Russia. If some of the Western Mennonites could be given a taste of Russia and Russian methods they would be satisfied to remain in Canada.

Hon. Edmund Bristol is reported as stating at a Ward Conservative meeting in Toronto a few nights ago that there were three Judgeships to be filled and he would resign his seat unless the three appointments were given to Conservatives. Fair minded people will not approve of declarations of this sort. Judgeships should not be regarded as rewards for party services. The judiciary should be as free of partisanship and as independent of party politics as it is possible to make it. It will be neither one nor the other if the Bench is going to be turned into a House of Refuge for party politicians, who are seeking an escape from the storms of political adversity.

What a pity it is that a street as wide and as pleasing in appearance as Broadway should be marred by the disgraceful condition of its roadway. We say disgraceful advisedly, because we do not know of another main urban thoroughfare that can boast of as many humps and hollows as Broadway. Motorists know all about it and if you do not happen to run a car get one of your friends who does to give you a jaunt from the Second St. corner west as far as the "skew" crossing. You will find it almost as exhilarating as "bumping the bumps," or "shooting the chutes." Local motorists have become inured to the bumpy condition of the street and endure the discomfort with comparative equanimity. Unfortunately the tourist, or stranger, who happens to drive through the town—and we have had a great many of them this year—forms his impression of the town from the condition of its streets. A poor roadway prejudices him against the town, just as a good roadway tends to create a favorable impression. Our streets Committee has done a great deal of excellent work this season, much of it on streets that were in urgent need of improvement. It is too late now to attempt any serious improvement of Broadway this fall, but the matter should be taken in hand early next spring. Orangeville cannot afford to allow its main thoroughfare to remain in its present condition.

While on the subject of road betterment, a word of commendation might be offered in behalf of the steel drag. This handy and serviceable implement is not used to any great extent in the County of Dufferin. It could be used more generally with marked benefit. The drag levels the road, helps to fill ruts and other depressions and creates a smooth, level surface. It does its best work when the road is drying out after a heavy rain. We are convinced that the general use of these drags and the adoption of a patrol system would be real economy in the upkeep of any or all of the leading roads of this district. Once a good road is built and put into first-class shape, it should be cheaper and certainly more satisfactory to those travelling the road to patrol and keep it in first-class condition than to allow it to fall into disrepair and eventually have to spend a large sum of money to rebuild or repair it.

"Plant More Trees" is the heading the Globe gives to a timely editorial on the subject of reforestation. This is a subject that should have the careful attention of our Dominion and Provincial governments. The vast forest wealth of Canada is becoming sadly depleted. The waste in past years and even at the present time has been little short of criminal. Had the Government of the day adopted a wise conservation policy twenty-five years ago, there would be no cause for alarm now over the steady depletion of forest reserves. Provision could easily have been made for a supply of timber adequate to the needs of the Canadian people for all time to come. Canada has millions of acres of land unfit for agricultural purposes, but admirably adapted for forest growth and capable of supporting immense forests. Much of this land could be replanted and would in time be once more covered with forests that would constitute a valuable asset to the nation.

PUBLISHERS' CONVENTION

Nearly fifty of the newspaper publishers of the counties of Grey, Bruce, Huron, Perth, Wellington, Waterloo, Wentworth, Halton and Dufferin attended a District Convention in Palmerston last Friday. The Convention had a twofold purpose, viz., to enable the newspapermen to become better acquainted and to provide opportunity for discussion of matters affecting the weekly newspaper business. One of the subjects discussed was the Two Dollar Subscription Rate. Mr. Rixon Rafter, of Arthur, and Mr. C. V. Blatchford, of Listowel, who spoke on this subject, showed conclusively that it costs more than $2.00 a year to publish a weekly newspaper under existing conditions. This means that the weekly that is sold to the public at $1.50 or even at $2.00 a year is sold at a loss so far as the revenue from subscriptions goes, and that the deficit must be made up out of the revenue from advertising and job-work. The speakers took the position that it was no longer a question of a $1.50 or a $2.00 subscription rate, but a question of the adoption of a $2.50 subscription rate, which it was freely predicted was bound to come in the near future. Advertising rates and job rates were also freely discussed and much helpful information was elicited from the discussions. E. Roy Sayles, Manager of the Canadian Weekly Newspapers Association, was present and addressed the gathering, emphasizing the importance and dignity of the newspaper profession. Mr. J. C. Templin, of Fergus, President of the Wellington County Association, occupied the chair. Much credit is due to Mr. Templin, Mr. A. W. Wright, of Mount Forest, Secretary of the Wellington Association, and Messrs. Treleaven and Shibley, of the Palmerston Spectator, for the very complete arrangements for the accommodation and entertainment of the visiting newspapermen during their stay in Palmerston. Morning and afternoon sessions were held. At noon the newspapermen lunched at the Queen's Hotel, where special arrangements had been made for their entertainment.

The visitors were most favorably impressed with Palmerston, which is a bright, clean looking town and quite an important railway centre. The town has a number of fine buildings, its business places have an air of prosperity and it has erected an imposing memorial in honour of its soldier heroes who made the great sacrifice in the recent war. The business meetings were held in the "Club," a substantial and comfortable building erected by the bowling club of the town. The building has a large main room with roomy chairs, tables and other furnishings. Off the main room are cloak rooms, lavatory, etc. At the back is a spacious verandah overlooking a bowling green as large or larger than the Orangeville green. Adjoining the bowling green there is a tennis court about equal in size. The Club is one of the finest buildings of the kind we have seen in any of the smaller towns and would serve as an excellent model for the new club house that the local bowling club is talking of erecting in the near future. The building has a commodious basement and is heated by a coal furnace, so that it can be used in winter as well as summer.

WHAT TO DO FOR STOMACH TROUBLE

Good Advice From One Who Had Suffered Much.

Nine-tenths of all forms of indigestion or so-called stomach trouble are not due to the condition of the stomach at all, but are caused by other influences. The great contributing cause of indigestion is thin blood. Good blood and plenty of it is required by the stomach to take care of the food. If the blood is thin the stomach functions sluggish, food lies undigested, gas forms and causes pains in various parts of the body. Instead of getting nourishment from the blood the system gets poison.

Relief from this condition can be obtained by the tonic treatment which Mr. D. Shaw, Mt. Stewart, P.E.I., tried and now warmly recommends to others. Mr. Shaw says: "I suffered from indigestion for over four years, and have tried many of the well-known remedies for such troubles, but never obtained more than temporary relief. The trouble was aggravated by constipation setting in owing to the stomach failing to do its work, and laxatives only gave relief to the bowels and left the stomach in worse condition. The result was my blood was growing more and more anaemic, I did not sleep well at night and was growing despondent. I was in this wretched condition when a friend advised me to try Dr. Williams' Pink Pills. I got three boxes and by the time they were finished there was some change for the better. This greatly encouraged me and I continued taking the pills for some three months, by which time my stomach was all right again, my blood good, nerves strong and life was again worth living. My advice to all who suffer from stomach trouble is to give Dr. Williams' Pink Pills a fair trial.

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or by mail, at 50 cents a box, or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

THE CRERAR MEETING

At a meeting of the County Executive of the U. F. O. held in Shelburne on Friday last it was decided that because of lack of a building in Orangeville large enough to accommodate the crowd, the meeting announced for October 22nd, at which Hon. T. A. Crerar, leader of the National Progressive Party, is to speak, should be held in Shelburne instead of here. The Shelburne Skating Rink has been secured for the afternoon and steps are being taken to provide ample seating accommodation for a large crowd. The U. F. O. candidate, R. J. Woods, will arrange for a mass meeting in Orangeville later.

MRS. PATTERSON'S RECEPTION

Mrs. F. J. Patterson held her post-nuptial reception at her pretty home on Zina St. last Thursday afternoon. The number of caller was unusually large. Mrs. Jas. A. Patterson, mother of Mr. Patterson, received with the bride. Mrs. Henderson was at the door, Mrs. W. J. Price escorted the callers from the drawing room to the dining room and Mrs. Beswick and Miss Rushson poured tea. Mrs. J. A. Macleod and Mrs. Hayes had charge of the refreshments and were assisted by Misses Berniece Rowan and Etta Budd. The drawing room was bright with a profusion of chrysanthemums and the dining room was prettily decorated with salvia and maple leaves.

HAVE A CHANCE

St. Mary's Made a Good Showing Against Riversides in Saturday's Championship Game.

St. Mary's Intermediates look to have a fighting chance to win out in the home and home series with the Riversides Seniors for the championship of the Ontario Amateur Lacrosse Association. The first game took place at Scarboro Beach on Saturday afternoon, the Riversides winning by 11 to 5. While Riversides had the better of the play throughout the game, they did not make the runaway of it that some of their friends and supporters were looking for. They had the advantage of knowing the grounds and of playing the twelve men game to which they have been accustomed all season. St. Mary's have been playing the ten men game and consequently were at considerable disadvantage through unfamiliarity with the short, quick passing and the closer checking that feature the twelve men team style of play. In next Saturday's game the intermediates will be playing their own style of game on their own grounds and will give the Riversides an altogether different argument. Followers of the game think they can win, but may not be able to overcome the lead the senior champions piled up at the Beach on Saturday. Although defeated on Saturday there was not a period in which St. Mary's did not score at least once and any team that can beat "Suds" Sutherland five times in a game must have a clever, dangerous home. St. Mary's had plenty of speed, but did not check as closely as the Riversides in the opening stages of the game. Littlefair and Newman ran in three counters for the seniors, before the visitors' home got going properly. Lavelle and Newman tallied one each for St. Mary's and the period ended with the score reading 2-2. The senior champions had increased their lead to 2 by half time, were four goals to the good at the three quarter post and were leading 11 to 5 at the finish. St. Mary's scored once in each of the three periods.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

MOUNT ROYAL HOTEL

ISSUE MEETS DEMAND

Time was when hotel securities were not the subject of enquiry on the part of the general investor, but a new era in this respect has dawned. Hotels are no longer run in a haphazard way, with the bar expected to make up any deficits incurred in the operation of the dining room. United Hotels Company of America, have been particularly successful in the application of the principle that every branch of the business must pay. They have placed no less than sixteen hotels, including the King Edward Hotel, Toronto, on a thoroughly sound financial basis. Three additional hotels, the Mount Royal, at Montreal, the Prince Edward, at Windsor, and the Stacey-Trent, at Trenton, N. J., which, when completed, will be under the same management, are now in process of erection.

Messrs. W. A. Mackenzie & Company, of Toronto, are making an offering of $2,000,000, 8 per cent. convertible debentures, and already the response has been very satisfactory at the hands of the investing public. Of the total $6,000,000 offered, $1,500,000 has already been subscribed by the general public and $1,000,000 has been taken by the United Hotels Company. The United Hotels Company of America is under contract to operate the Mount Royal Hotel for a period of thirty years and the only compensation that it will receive will come in the form of a return upon the $6,000,000 common stock issue, of which it holds a substantial proportion.

HIS FOURTH CAMPAIGN

This will be Mr. R. J. Woods' fourth campaign as a parliamentary candidate, the other three, however, having been for the Provincial House. In 1907 he ran against Mr. C. R. McKeown as an Independent Temperance Conservative, and was defeated by a majority of 92, the vote being: McKeown, 1,943; Woods, 1,850. In the election of 1908 he cut Mr. McKeown's majority down to 42, the vote being: McKeown, 2,229; Woods, 2,187. In the 1911 contest Mr. McKeown's majority went up to 276, the vote being: McKeown, 1,880; Woods, 1,604.

This will be Mr. Best's third contest. In 1911 he had a majority of 1,459 over D. B. Brown, the vote being: Best, 2,496; Brown, 1,037. In 1917 he had a majority of 2,693 over T. C. Dryden, the vote being: Best, 3,492; Dryden, 799.

Mr. Slack's majority over Mr. Reburn in the Provincial election of October, 1919, was 538, the vote being: Slack, 4,110; Reburn, 3,579.

VISITED OIL WELLS

A party of prospective investors from Toronto visited the wells of the Canadian Oilfields Company near Shelburne on Monday to see for themselves just what was doing. They found the drillers down 1,500 feet below the surface, through hard rock and just entering a sand formation, which is regarded as a fairly sure forerunner of oil in commercial quantities. They were told that the Company expected to strike oil at about 300 feet lower down. The members of the party were Messrs. David and George Dixon, R. Scheel and A. E. Firth.

EDITORIAL NOTES.

One of the real fights of the coming election has been staged in Lisgar, Man., where Hon. Bob Rogers has set himself the formidable task of rolling back the United Farmers' tide. Westerners say it will be a great contest.. Rogers is an astute campaigner and a practical politician.

Have you heard how Woods came to be nominated in Dufferin. The story goes that fearing a split in their ranks the United Farmers took to the Woods as the Best thing they could do. This is not original. As far as we can learn Editor Claridge of the Shelburne Economist is the perpetrator.

The Provincial Government's decision to set up a Sub-Treasury and pay four per cent. for money deposited will not be welcome news to the chartered banks. The Banner has often wondered why there should be such a spread between the rate the banks allow on deposits and the rate they charge on loans. Even with this spread no interest is paid on current account credit balances and the practice of paying interest on savings account "monthly minimum balances" always works out to the disadvantage of the depositors and to the advantage of the banks.

We read that an invitation has been sent to the Doukobours now settled in Western Canada to return to Russia, whence they emigrated to this country a number of years ago. It is not likely that the invitation will be accepted. The Douks may do a lot of kicking about Canadian laws and Canadian methods of educating and converting their children into good Canadian citizens, but they are clever enough to realize that they are infinitely better off in Canada than they could possibly be in Russia. If some of the Western Mennonites could be given a taste of Russia and Russian methods they would be satisfied to remain in Canada.

Hon. Edmund Bristol is reported as stating at a Ward Conservative meeting in Toronto a few nights ago that there were three Judgeships to be filled and he would resign his seat unless the three appointments were given to Conservatives. Fair minded people will not approve of declarations of this sort. Judgeships should not be regarded as rewards for party services. The judiciary should be as free of partizanship and as independent of party politics as it is possible to make it. It will be neither one nor the other if the Bench is going to be turned into a House of Refuge for party politicians, who are seeking an escape from the storms of political adversity.

What a pity it is that a street as wide and as pleasing in appearance as Broadway should be marred by the disgraceful condition of its roadway. We say disgraceful advisedly, because we do not know of another main urban thoroughfare that can boast of as many humps and hollows as Broadway. Motorists know all about it and if you do not happen to run a car get one of your friends who does to give you a jaunt from the Second St. corner west as far as the "skew" crossing. You will find it almost as exhilarating as 'bumping the bumps," or "shooting the chutes." Local motorists have become inured to the bumpy condition of the street and endure the discomfort with comparative equanimity. Unfortunately the tourist, or stranger, who happens to drive through the town—and we have had a great many of them this year—forms his impression of the town from the condition of its streets. A poor roadway prejudices him against the town, just as a good roadway tends to create a favorable impression. Our streets Committee has done a great deal of excellent work this season, much of it on streets that were in urgent need of improvement. It is too late now to attempt any serious improvement of Broadway this fall, but the matter should be taken in hand early next spring. Orangeville cannot afford to allow its main thoroughfare to remain in its present condition.

While on the subject of road betterment, a word of commendation might be offered in behalf of the steel drag. This handy and serviceable implement is not used to any great extent in the County of Dufferin. It could be used more generally with marked benefit. The drag levels the road, helps to fill ruts and other depressions and creates a smooth, level surface. It does its best work when the road is drying out after a heavy rain. We are convinced that the general use of these drags and the adoption of a patrol system would be real economy in the upkeep of any or all of the leading roads of this district. Once a good road is built and put into first-class shape, it should be cheaper and certainly more satisfactory to those travelling the road to patrol and keep it in first-class condition than to allow it to fall into disrepair and eventually have to spend a large sum of money to repuild or repair it.

"Plant More Trees" is the heading the Globe gives to a timely editorial on the subject of reforestation. This is a subject that should have the careful attention of our Dominion and Provincial governments. The vast forest wealth of Canada is becoming sadly depleted. The waste in past years and even at the present time has been little short of criminal. Had the Government of the day adopted a wise conservation policy twenty-five years ago, there would be no cause for alarm now over the steady depletion of forest reserves. Provision could easily have been made for a supply of timber adequate to the needs of the Canadian people for all time to come. Canada has millions of acres of land unfit for agricultural purposes, but admirably adapted for forest growth and capable of supporting immense forests. Much of this land could be replanted and would in time be once more covered with forests that would constitute a valuable asset to the nation.

WHAT TO DO FOR STOMACH TROUBLE

Good Advice From One Who Had Suffered Much.

Nine-tenths of all forms of indigestion or so-called stomach trouble are not due to the condition of the stomach at all, but are caused by other influences. The great contributing cause of indigestion is thin blood. Good blood and plenty of it is required by the stomach to take care of the food. If the blood is thin the stomach functions sluggish, food lies undigested, gas forms and causes pains in various parts of the body. Instead of getting nourishment from the blood the system gets poison.

Relief from this condition can be obtained by the tonic treatment which Mr. D. Shaw, Mt. Stewart, P.E.I., tried and now warmly recommends to others. Mr. Shaw says: "I suffered from indigestion for over four years, and have tried many of the well-known remedies for such troubles, but never obtained more than temporary relief. The trouble was aggravated by constipation setting in owing to the stomach failing to do its work, and laxatives only gave relief to the bowels and left the stomach in worse condition. The result was my blood was growing more and more anaemic, I did not sleep well at night and was growing despondent. I was in this wretched condition when a friend advised me to try Dr. Williams' Pink Pills. I got three boxes and by the time they were finished there was some change for the better. This greatly encouraged me and I continued taking the pills for some three months, by which time my stomach was all right again, my blood good, nerves strong and life was again worth living. My advice to all who suffer from stomach trouble is to give Dr. Williams' Pink Pills a fair trial.

Dr. Williams' Pink Pills can be obtained through any medicine dealer, or by mail, at 50 cents a box, or six boxes for $2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

THE CRERAR MEETING

At a meeting of the County Executive of the U. F. O. held in Shelburne on Friday last it was decided that because of lack of a building in Orangeville large enough to accommodate the crowd, the meeting announced for October 22nd, at which Hon. T. A. Crerar, leader of the National Progressive Party, is to speak, should be held in Shelburne instead of here. The Shelburne Skating Rink has been secured for the afternoon and steps are being taken to provide ample seating accommodation for a large crowd. The U. F. O. candidate, R. J. Woods, will arrange for a mass meeting in Orangeville later.

MRS. PATTERSON'S RECEPTION

Mrs. F. J. Patterson held her post-nuptial reception at her pretty home on Zina St. last Thursday afternoon. The number of caller was unusually large. Mrs. Jas. A. Patterson, mother of Mr. Patterson, received with the bride. Mrs. Henderson was at the door, Mrs. W. J. Price escorted the callers from the drawing room to the dining room and Mrs. Beswick and Miss Hutchson poured tea. Mrs. J. A. Macleod and Mrs. Hayes had charge of the refreshments and were assisted by Misses Berniece Rowan and Etta Budd. The drawing room was bright with a profusion of chrysanthemums and the dining room was prettily decorated with salvia and maple leaves.

PUBLISHERS' CONVENTION

Nearly fifty of the newspaper publishers of the counties of Grey, Bruce, Huron, Perth, Wellington, Waterloo, Wentworth, Halton and Dufferin attended a District Convention in Palmerston last Friday. The Convention had a twofold purpose, viz., to enable the newspapermen to become better acquainted and to provide opportunity for discussion of matters affecting the weekly newspaper business. One of the subjects discussed was the Two Dollar Subscription Rate. Mr. Rixon Rafter, of Arthur, and Mr. C. V. Blatchford, of Listowel, who spoke on this subject, showed conclusively that it costs more than $2.00 a year to publish a weekly newspaper under existing conditions. This means that the weekly that is sold to the public at $1.50 or even at $2.00 a year is sold at a loss so far as the revenue from subscriptions goes, and that the deficit must be made up out of the revenue from advertising and job-work. The speakers took the position that it was no longer a question of a $1.50 or a $2.00 subscription rate, but a question of the adoption of a $2.50 subscription rate, which it was freely predicted was bound to come in the near future. MOUNT ROYAL HOTEL

ISSUE MEETS DEMAND

Time was when hotel securities were not the subject of enquiry on the part of the general investor, but a new era in this respect has dawned. Hotels are no longer run in a haphazard way, with the bar expected to make up any deficits incurred in the operation of the dining room. United Hotels Company of America, have been particularly successful in the application of the principle that every branch of the business must pay. They have placed no less than sixteen hotels, including the King Edward Hotel, Toronto, on a thoroughly sound financial basis. Three additional hotels, the Mount Royal, at Montreal, the Prince Edward, at Windsor, and the Stacey-Trent, at Trenton, N. J., which, when completed, will be under the same management, are now in process of erection.

Messrs. W. A. Mackenzie & Company, of Toronto, are making an offering of $2,000,000, 8 per cent. convertible debentures, and already the response has been very satisfactory at the hands of the investing public. Of the total $6,000,000 offered, $1,500,000 has already been subscribed by the general public and $1,000,000 has been taken by the United Hotels Company. The United Hotels Company of America is under contract to operate the Mount Royal Hotel for a period of thirty years and the only compensation that it will receive will come in the form of a return upon the $6,000,000 common stock issue, of which it holds a substantial proportion.

HIS FOURTH CAMPAIGN

This will be Mr. R. J. Woods' fourth campaign as a parliamentary candidate, the other three, however, having been for the Provincial House. In 1907 he ran against Mr. C. R. McKeown as an Independent Temperance Conservative, and was defeated by a majority of 98, the vote being: McKeown, 1,943; Woods, 1,850. In the election of 1908 he cut Mr. McKeown's majority down to 42, the vote being: McKeown, 2,229; Woods, 2,187. In the 1911 contest Mr. McKeown's majority went up to 276, the vote being: McKeown, 1,880; Woods, 1,604.

This will be Mr. Best's third contest. In 1911 he had a majority of 1,459 over D. B. Brown, the vote being: Best, 2,496; Brown, 1,037. In 1917 he had a majority of 2,595 over T. C. Dryden, the vote being: Best, 3,492; Dryden, 799.

Mr. Slack's majority over Mr. Reburn in the Provincial election of October, 1919, was 538, the vote being: Slack, 4,110: Reburn, 3,579.

SCHOOL REPORTS

Report of S. S. No. 3, Caledon.

Sr. and Jr. IV.—*Vera Wanless 94, *Sadie Kidd 90, *Annie Graham 83, Edwin McBride 83, Mary Hooper 39.

VISITED OIL WELLS

A party of prospective investors from Toronto visited the wells of the Canadian Oilfields Company near Shelburne on Monday to see for themselves just what was doing. They found the drillers down 340 feet below the surface, through the rock and just entering a sand formation, which is regarded as a fairsure forerunner of oil in commercial quantities. They were told that the Company expected to strike oil at about 300 feet lower down. The members of the party were Messrs. David and George Dixon, R. G. Schell and A. E. Firth.

FREE DEMONSTRATIONS

MRS. SUMMERVILLE

From the WHITE SEWING MACHINE CO., will give Free Demonstrations on the White Sewing Machine, at Kentner's Music Store this week only. Come in and see her if you are interested in a Good Sewing Machine.

CALEDON

Special Preaching Services will be held in Knox Presbyterian Church preparatory to Communion Sunday, which falls on October 30th. Dates and preachers are:—Tuesday, Oct. 25th, Rev. F. W. Mahaffy, B. A., Orangeville; Wednesday, October 26th, Rev. John Lindsay, Erin; Thursday, Oct. 27th, Rev. W. N. Carr, Alton; Friday, Oct. 28th, Rev. Dr. Spence, Claude. The services will commence at 8 o'clock sharp and there will be a Song Service and Special Music each evening.

The ladies of the Caledon Embroidery Club are giving a Hallowe'en Party in the Caledon Town Hall on October 31st. The evening will be spent in various amusements such as dancing, games, fortune telling, etc. Everybody come and enjoy a rare treat on Hallowe'en night. Admission:—Adults, 35c.; children under 15 years, free.

The Ladies' Aid of Knox Church, Caledon, will hold their annual Bazaar on Thursday, November 17, beginning at 2 o'clock p.m., and lasting throughout the afternoon and evening. A large range of useful and fancy articles will be offered for sale, also homemade candy, baking and ice cream. Tea will be served from 5 to 7 o'clock. Everyone come and spend a social time together.

ALTON CONCERT

Alton Women's Institute has postponed its concert from Friday evening, Oct. 21st, until Friday evening, Oct. 28th. A delightful program will be provided by the Hill Bros. Quartette, of Hamilton, which will have the assistance of local artists. Admission has been fixed at 35c. for adults and 15c. for children. All seats will be reserved. Plan of Hall at Lovell's store.

SCOTT—BATTERS

A quiet evening wedding was solemnized at the home of the bride's parents, 386 Indian Grove, Toronto, when Priscilla (Pearl), daughter of Mr. and Mrs. Ed. Batters, became the bride of Alvin John Scott, of Westree, Ont., son of the late Mr. Chas. Scott, of Melville, Ont. Rev. Dr. Hincks, of High Park Avenue Methodist Church, officiated. The bride, who was unattended, was gowned in a frock of navy blue Canton crepe, elaborately trimmed with steel beads and wore a black French hat. She carried a a shower bouquet of Ophelia roses with baby's breath. The happy couple left later on a trip to Montreal, Ottawa, Quebec and other eastern points. On their return they will reside at Westree, Ontario.

The bride was formerly a teacher in Orangeville Public School.

LAUREL

Anniversary services were held in the Methodist Church last Sunday, when Rev. J. F. G. Morris, of Alton, preached two excellent, instructive and inspiring sermons. Special music was rendered by the choir for the occasion.

On Monday night a real old time congregational social and concert was held in the church. The choir, of which Laurel may be justly proud, again excelled themselves. A duet by little Maudie Spence and Evelyn Gordon was pleasingly given, and a well rendered solo by Mrs. H. Nelson was enjoyed by all present. Rev. Mr. Morris gave a strong address on Canadian Life, and the pastor a short talk on Efficient Citizenship. The ladies, of course, did not forget the temporal needs of man, and supplied a dainty lunch, which was done ample justice to by all.

Next Monday night will be Hallowe'en night at the Epworth League, when Orangeville League will pay a visit to Laurel. The Orangeville young people will give the program. Come and join the League at this Hallowe'en social on Monday night. You will be made welcome.

ALTON

The Epworth League of the Methodist Church is preparing for a Concert on the evening of November 11th.

Considerable improvement has taken place in the appearance of our village during the past summer. Quite a number of houses have been reroofed, remodelled and otherwise improved. Improvements of this class reflect the prosperity of our village and community. We are always pleased to see and to note them.

—Ink, pens, pencils, rubbers and other school sundries for sale at The Banner Bookstore.

HILLSBURG

Very successful anniversary services were held in St. Andrew's Church on Sunday, October 9th, to commemorate the 61st birthday of the organization of the congregation in the autumn of 1860. Rev. S. Burnside Russell preached with great acceptance to large congregations at both services. Many were unfortunately turned away in the evening owing to the large gathering, and the day was showery at that. The church was tastefully decorated with flowers and the large choir added to the occasion by well contributed music, assisted by the quartette who sang a selection in the evening. The services were an inspiration to further progress and very helpful.

Rev. W. Coutts, of Camilla, conducted the services in St. Andrew's Church last Sunday, October 16th, while Rev. F. C. Harper was the anniversary preacher at Camilla. Rev. Mr. Coutts was the guest of Mr. and Mrs. Cunningham for the week-end.

The Sacrament of the Lord's Supper will be administered at St. Andrew's Church next Sunday morning, Oct. 23rd. At the Preparatory Service on Friday night a number of new members will be welcomed into the membership of the congregation.

Two marriages of much interest to Hillsburg people were solemnized last Wednesday, Oct. 12th, when Rev. F. C. Harper, B. D., of St. Andrew's, was the officiating clergyman. Miss Ida Maud Speers, daughter of Mr. and Mrs. Alex. Speers, of the 9th con., Erin, was married to Mr. Horace Simpson, youngest son of Mr. and Mrs. George Simpson, of Garafraxa, the ceremony taking place in the prettily decorated home of the bride's parents in the presence of about 70 guests. Later on the same afternoon, at St. Andrew's Manse, Miss Flora McLachlan, eldest daughter of Mr. and Mrs. Angus McLachlan, of the 9th con., Erin, was married to Mr. Wm. McKenzie, son of Mr. and Mrs. Jno. McKenzie, of Ospringe. Hearty congratulations and good wishes are extended to these young people, who are very popular in this village.

HOCKLEY

Digging potatoes is the order of the day around here.

Miss Thelma Purdon made a business trip to Toronto last week.

Inez was wearing a smile on Friday night.

If Charlie makes a few more trips to Palgrave he should know the way.

We are sorry to hear of Mr. McQuarrie's illness, but hope that he may soon recover.

Mr. and Mrs. Sam Irwin and daughter visited friends in Orangeville on Sunday.

What we would like to know:—

Why Mark started to choir practice?

Why Marjory prefers Orangeville to Hockley?

J. D. TORRIE
THE CLOTHING MAN

SUITS
for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

The Meaning of Canada's
MUSIC WEEK
OCT. 22 to 29

Music fills a bigger place in life today than it ever did before.

That's because people have learned that Music means Happiness.

The love of music exists in every human soul.

Music is not a luxury. It is an educational privilege that should not be denied the children.

You simply must have music—that's why you are always whistling or humming a tune.

Music is IN you — and it WILL come OUT.

Now the chilly autumn season is here Music is your faithful servant to give wings of joy to the evening hours.

Visit your nearest music dealer this week and arrange to improve the musical equipment of your home.

Every cent you invest in music returns you uncountable dividends in happiness for you and your whole family.

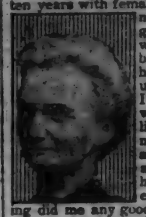
LIFE WAS A MISERY TO HER

Says this Woman Until Relieved by Lydia E. Pinkham's Vegetable Compound.

Owen Sound, Ont.—"I suffered for ten years with female organic trouble, neuralgia and indigestion, and was weak and had such bad pains I could hardly walk or stand up at times. When I would sweep I would have to go and lie down. I could not sleep at night, and would wander around the house half the time. I tried everything but nothing did me any good, and the last doctor I had told me he never expected me to be on my feet again or able to do a day's work. One day one of your little books was left at my door and my husband said I should try a bottle of Lydia E. Pinkham's Vegetable Compound. I thank God I did, for it relieved me, and I am now well and strong. I think there is no remedy like the Vegetable Compound for anyone who has my troubles, and have recommended it to my neighbors. You can publish my letter for the benefit of those I can't reach." —Mrs. HENRY A. MITCHELL, 1767 7th Ave., East, Owen Sound, Ont.



If you have any symptom about which you would like to know write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for helpful advice given free of charge.

SHAMROCK & MAPLE LEAF

On Lake Louise, Alberta.

This lake is God's best picture, that is why
He hung it on the mountains at the sky,
And set it in so beautiful a frame;
Art galleries of heaven have none the same,
And in the clouds the angels oft appear,
To be inspired by this creation here.

Springtime in Ireland

A wavy lake of freshest green,
Drowns all the sombre of the less,
Pale cowslip fingers on the hills,
Give fragrance to each passing breeze,
The pearly hammers of the showers,
Beat velvet leaves out on the trees.

Her Pretty Hair

Within her hair shade had begun
To have a dwelling made,
But, angels brushed it with the sun
And made it sun and shade.

Broken Blossoms

Perhaps the flowers of heaven are little flowers,
That bend at birth were broken on the ground,
Perhaps the hours of heaven are happy hours,
That here we often sought, but never found.

These are verses taken at random from Irish and Canadian poems, by Michael A. Harragdon, with introduction by George H. Hees—the veteran Canadian author and historian of the C. P. R. The book, which is beautifully illustrated, is published by the Modern Printing Company, 59 Dowd Street, Montreal, price $1.00, post free. The volume is recommended by many literary giants, Bliss Carman, Arthur Stringer, Robert J. C. Stead, Rev. J. B. Dollard, and by the London Times. The book contains a number of poems to the Canadian heroes who lost their lives in the war

TOMBSTONE HUMOR

Our ancestors jested about most things, including death. Taste in humor has changed now, but we can still smile at the quaint turns of thought and frankness in punning of the dead displayed by some of the epitaphs on old tombstones, says Tit-Bits.

Thomas Fuller, a learned divine of the seventeenth century, gave instructions to have inscribed on his tombstone in Cranford churchyard, "Fuller's Earth." No less a dignitary than Archbishop Potter has these jesting lines on his tombstone in Croydon Church—

"Alack! and well a day,
Potter himself has turned to clay."

Sometimes it happens that the humor is unconscious. An inscription at Pewsey, Bedfordshire, describes the deceased as "First cousin to Lady Jones, and of such is the Kingdom of Heaven."

Another, on the tombstone of an Englishman at Malta, states that he "expired on this island, having been ordered by his doctor to a warmer climate." A Somerset tombstone reads: "This stone marks the resting place of John Clark, accidentally shot, as a mark of affection by his brother."

A Surrey churchyard shows a grave with the name of a woman who "lived a life of virtue, and died of cholera, caused by eating green fruit, in the full hope o blessed immortality. Reader, go thou and do likewise."

POSTAL INSURANCE

All parcels sent by mail in Canada can now be insured against loss, rifling or damage while in the custody of the Canadian postal service. This scheme supersedes ordinary registration of parcels.

The sale of insurance fees is as follows:—

3 cents for insurance not exceeding $5.

6 cents for insurance exceeding $5 and not exceeding $25.

12 cents for insurance exceeding $25 and not exceeding $50.

30 cents for insurance exceeding $50 and not exceeding $100.

The insurance fee is to be paid by means of postage stamps affixed to the parcel by the sender. An insurance receipt will be given the sender in every case when a parcel is insured.

When a parcel is handed to a rural mail courier for insurance, the courier is to give a receipt to the sender on a form supplied him for the purpose. An insurance receipt on the regular form is to be signed by the postmaster and forwarded by first mail to the sender who will hold it, in addition to the receipt from the courier for purposes of reference.

Parcels containing any of the following goods or articles will not be accepted for insurance against damage:—eggs, fish, meat, fruit vegetables, glass, crockery, semi-liquids, liquids, grease, or any article of an exceptionally fragile or perishable nature.

The North American Chair Factory Co., of Owen Sound, has received an order for chairs for Canada's new Parliament Buildings.

MISS M'PHAIL

TORONTO STAR INTERVIEWS U. F. O. CANDIDATE IN SOUTHEAST GREY.

A staff reporter of the Toronto Star visited Dundalk recently to interview Miss McPhail, the U. F. O. candidate for the Commons in Southeast Grey. His despatch to the Star is as follows:—

The only difference between Miss Agnes Campbell McPhail, who may become Canada's Lady Astor in the Dominion House before long, and the great mass of rural womanhood is, in her own words, because ever since 16 years of age, she "has been wonderin'." Not that the great mass of silent women on the country farms do not wonder, too, at countless, unreasonable things. Perhaps they do, but they are silent, or think more of the way of saying things than of the things they say. But from this silence the new U.F.O. member for Southeast Grey has been emancipated, and, as the embodiment of rural womanhood, she speaks, and it is plain, may speaking, above all.

If Miss McPhail really goes to Ottawa, as she thinks she will, it is not very difficult to anticipate the unparalleled hrems of mingled raillery and indignation, twice deadly on account of its unmistaken sincerity and common sense, that will blow around many a member's hat. She will talk four-square as she talked to the little groups of farmers on Wednesday at the Dundalk Fair. "I think we have a sure riding here," she said. "Such enthusiasm as was shown at Durham can't be easily overthrown."

Spelled in Peacock Alley

Climbing into the front seat of somebody's Ford, with two or three surprised young members of the family on the back seat as a silent audience, she announced to the Star what Ottawa might expect. "There is one thing I intend to do if I go to Ottawa; I will live exactly as I have always done. I won't offer any apologies for the class I represented any time or anywhere. My idea is, 'hang your hat on the peg and sit down.' The Grits and Tories we have had representing us down there misrepresent us. It's a different thing to their being farmers. Most of those men when they get down there begin to live on Peacock Alley, in a plane they were never used to, and in which they have no right to live at the people's expense. That's what has made Canadian political life so rotten to-day."

No one would accuse Miss McPhail of being vain. "If there is any good point about me, it is that I am what I am, and I tell them what I think," was her short account of her success in the Farmers' movement. As she is, she is a tall, dark young woman, whose next birthday will make her only 31. She wears big, dark-rimmed glasses and has a pleasing directness void of any posing or frills. She is as free and easy as a man.

Maybe she has had proposals, too. "No woman reaches 30 years of age without proposals if she has any pep or go in her," she laughed, correcting her famous remarks to Sir Henry Drayton at the tariff commission sittings in Toronto that, as a result of the present tariff, matrimony with farmers' sons was so unalluring that she herself had declined to embark. "They reported me wrongly," she said. "It was a young woman in our neighborhood who was telling me about herself, knowing that I was going to the tariff commission." But at least she confessed: "Well, you see I am comfortable neither in the town nor in the city, so there would seem nothing left for me to do but to marry a farmer, should I marry at all, but I won't till the general election is over at any rate."

Social Phenomena

It is Samuel Butler among others who cautions us never to begin any study till we desperately feel the need of it. It is only then that surprising strides are made. The explanation of Miss McPhail's command of economics can be attributed to the desperate need she felt to find reasons for so many of the social phenomena that she saw. This began when she was going to school at Owen Sound, studying for the teaching profession, which she just left this June. For three and a half years she has been teaching at Pegg school near Sharon Village, just a little typical country school. "When I saw how the daughters of the city people could afford so many things while it was an actual pinch for my people to send me to Owen Sound, I began to wonder, and reached the conclusion that the town and city people made their money easier than we did. The truth, in spite of all the bombast you hear, is, that for the amount of money necessary to farm, even in a small way, there is not the return that there is in any other business. Our investigations have made that certain. You can't pull that to pieces."

Milked Cows and Baked

So Miss McPhail turned desperately to economics. She never really took any holidays. She stopped light reading, that is the best works of fiction, of which she is very fond, she says, and feels that she ought to read. All her energies were turned to the mastering of economics. She also kept scrapbooks of newspaper clippings. Five minutes' conversation shows that there is no phase or fact of current events which she does not know. At the same time, in the summer holidays, she milked cows and baked bread on the paternal 150 acres, a mile and a quarter from Ceylon.

There was no planning or definite purpose behind her nomination for the Dominion election. It all came as a surprise. But she would not have accepted any nomination for the Provincial House, she declared. Her reason in this: "Simply because I believe economics are at the foot of the farm difficulty, and, therefore, it must be to the Dominion House that we have to go to correct economic evils. There, I am at one with Premier Drury. I know he would like to be at Ottawa, too."

For Drury or Morrison?

Here, an elderly farmer came to the side of the car, and questioned Miss McPhail, in a whisper: "Are you for Drury or Morrison?" She showed her diplomacy. "There is only one side," she explained. "It is more newspaper talk than reality. What reality there is, is being rapidly overcome. One man is simply on the inside of the situation looking out, and the other on the outside looking in."

"But I saw a fellow here from the West," said the old farmer, with Conservative leanings, and he says that the U. F. O. are hogging in wanting everything."

"Well, you can hardly blame them, they've been in the cold so long, that, I suppose, they all want to get next to the fire now."

"He thinks that it could not be a good government."

"Well, it couldn't be worse than we've had, Mr. M—now, could it?"

Miss McPhail is frank about what she thinks good government at Ottawa would mean. It's the tariff she is thinking about. It is the root of everything, good and evil. Her idea is absolutely free trade. She stated it frankly. "I believe in the theory as set forth in the Book of Books, that no nation can live unto itself, and that, if it does, it dies or is destroyed. A good example would be Germany. We have as much right to ask that we should be sufficiently protected to grow oranges, grape fruit or cotton under glass, as would have to be done in this country, as the manufacturer has to ask that we pay 33 cents on every dollar's worth of cotton manufactured in Canada on account of the 30 per cent. protection which he enjoys.

"But in the present state of the world's markets and the other protected countries, would she still advocate free trade?" Her Answer was "No."

"But the first thing we would do, if our party is elected, is to enact an immediate and substantial, all round reduction of the customs tariff and reduce the imports from Great Britain to one-half the charge under general rates."

Farmers Cannot Pay.

She inveighed against high protection. "Mackenzie King is fond of quoting, 'We are confronted by a condition not by a theory.' I say yes we are confronted by a condition of industrial unrest, depression, failing trade, rural depopulation and general unrest by the theory that high protection makes a country great. High protection has permitted the manufacturer to pay a wage which the farmer who pays for the manufacturer's protection is not able to pay his own men."

Rev. J. A. Tuer, M. A., B. D., of Chesley, has received a unanimous call to St. Paul's Church in the city of Port Arthur.

Applied After Shaving

Keeps the Skin Soft and Smooth

MANY men suffer from irritation of the skin as a result of shaving. With some it assumes a form of eczema and becomes most annoying and unsightly.

By applying a little of Dr. Chase's Ointment after shaving the irritation is overcome and such ailments as Barber's Itch and Eczema are avoided.

60 cents a box, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

Dr. Chase's Ointment

KNEW HIS VALUE

A hardware dealer in great need of extra hands finally asked Bill Smith, who was accounted a town fool, if he would help him out.

"Wha'll ye pay?" asked Bill.

"I'll pay you all you're worth," answered the dealer.

Bill scratched his head for a minute, then announced decisively:

"I'll be darned if I'll work for that."

Lewis Sargent, of Grand Valley, tried to get a ride home on a wagon passing the school. In some way he fell, the wagon, loaded with pigs, passing over one of his knees. Owing to the wet condition of the ground no breaks occurred, but the lad's knee is badly skinned.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

NOTICE REQUIRED

The attention of those who use motor vehicles on the highways should be called to an amendment of the Statute Law which affects their rights. At the last session of the Legislature the Municipal Act was amended to provide that no action should lie against a County or Township Municipality for damages resulting from non-repair of the highway, unless notice in writing of the claim and injury complained of is served or sent by registered post to the head or clerk of the municipality within ten days after the happening of the injury.

Where the accident happens within a city, town or village, a similar notice must be given within seven days. In this respect there has been no change in the law.

Everybody knows that in Canada there are more

Templeton's Rheumatic Capsules

Sold than all other Rheumatic Remedies combined for Rheumatism, Neuritis, Neuralgia, Sciatica, Lumbago, etc.

Many doctors prescribe them, most druggists sell them. Write for free trial to Templeton, Toronto.

Strathcona exercises—S. S. No. 15.

WHAT CAUSES SO MUCH SICKNESS

Constipation Responsible for 90% of Disease

"FRUIT-A-TIVES" Corrects It

It is generally recognized among the medical profession that *Constipation or Insufficient Action of The Bowels, produces more disease than any other one cause.* Constipation is responsible for at least 90% of the disease in the world today—because Constipation is responsible for the Indigestion and Dyspepsia—the nervousness, Insomnia and Rheumatism—the Eczema and other skin troubles—the Headaches and Backaches.

Why is this?

As you know, it is the duty of the bowels to carry off the waste matter in the system. If the bowel muscles are weak or the liver inactive, then this waste matter remains in the body and poisons the blood. As a result, every organ in the body is poisoned by this waste.

"Fruit-a-tives" has been wonderfully successful in relieving Stomach Troubles, Nervous Troubles, Liver Troubles, Kidney Troubles, Skin Troubles and Blood Troubles, because "Fruit-a-tives" positively and emphatically relieves Constipation.

"Fruit-a-tives" will always relieve Constipation, even though the trouble has been chronic for ten, fifteen and twenty years. Thousands of grateful users proclaim "Fruit-a-tives" the greatest remedy for Constipation that the world has ever known.

50c a box, 6 for $2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

E. GARAFRAXA COUNCIL

Marsville, Oct. 1st, 1921.

Council met on the above date. Members present, Reeve Brown, Councillors Hunter, Nodwell, Brown and Heath.

Minutes of the last regular meeting were read and adopted.

Heath-Nodwell—That the account of Lord Dufferin Hospital, Orangeville, re care of Harry Taylor, be paid.—Carried.

Brown-Nodwell—That all papers and correspondence in connection with the letting of the contract of the two bridges on the 11th line and the 19th line, be placed before the Council at the earliest possible date. —Lost.

Nodwell-Brown—That Mr. Christie be instructed to take the necessary steps to have drain No. 3, East Luther, improved in accordance with Sections 75 and 77 of the Municipal Drainage Act, from lot 20 to the outlet and, if requested by any of the other parties interested, or if deemed necessary by the engineers, to have drain improved from lot 22 to the outlet.—Carried.

Hunter-Heath—That the Clerk be appointed to arrange with the representative of the Waldemar school section re amount due that section from East Garafraxa.—Carried.

Heath-Brown—That the Collector's bond be accepted as satisfactory. —Carried.

Brown-Nodwell—That leave be now given to introduce By-law No. 255, to provide for drainage in the township, and that the By-law be read a first and second time.—Carried.

Heath-Hunter—That the following accounts be paid:—A. Reid, 80 rods wire fence, $9.00; H. Warnock, 28½ rods, $8.55; H. Leslie, 5 rods, $1.50; W. J. Taylor, 35 rods, $3.50; Wm. Fines, delivering gravel 13th line, $27.00; Lord Dufferin Hospital, re Harry Taylor, $16.50; John Cole, gravel, con. B., $7.50; Gordon Hunter, gravel, con. 19, $3.60; George Lightle, gravel, $11.10; H. Leslie, gravel, $4.80; C. R. Wheelock, steel for bridge, 19th line, $46.57; Harvey Heath, freight on steel and delivering to 11th line bridge, $41.80; W. H. Hunter, freight and delivering steel, $12.00.—Carried.

Heath-Nodwell—That this Council do now adjourn to meet on Thursday, Dec. 15th, 1921, at the hour of 10 o'clock in the forenoon. —Carried.

FARMER'S SERIOUS LOSS

John Berry, eldest son of Mr Henry Berry, of East Luther, suffered a heavy loss about eight o'clock Wednesday night when he lost his barn and season's crop, on the Edgar farm near Waldemar. John was coming down the ladder from the barn to the stables carrying a lantern, when a rung broke dropping him to the bottom. He must have been partially stunned by the fall, for when he realized his position the flames were shooting up to the top of the building. He succeeded in getting out, but 25 tons of hay, 30 loads of grain, 200 bushels of oats, a binder, harness and other articles were burned. There was $1500 on the barn and a like amount on the contents, but this will not cover the loss, which will be quite a serious matter to a young chap just setting out for himself.—Star & Vidette.

ROBERT SHAW

Robert Shaw, an old resident of the Riverview section, died at his residence, lot 16, con. 2, E.H.S. & S.R., Melancthon, on Sunday, Oct. 9th, in his 87th year. Interment took place in Shelburne cemetery, Tuesday afternoon. Deceased leaves two sons—William, Riverview, and Walter, at home; and a stepson, R. J. Monds, Barnes, Alberta.

The late Mr. Shaw was a veteran of the Indian Mutiny, and his father fought all through the Peninsular War under Wellington.

Robt. Shaw was born in County Sligo, Ireland. In 1855 he enlisted in the Royal Irish Fusiliers and was sent to Chatham, England, for training. In June, 1856, he was sent with other recruits to join the 87th at Peshawur, India. It took 137 days to reach Kurrachee by sailing vessel, and another 30 days to go up the Indus to Multan, and then from Multan to Peshawur on foot. Mr. Shaw was put in the band of the 87th, but when the mutiny broke out the bandsmen were put in the ranks. Among the stories he had to tell of the mutiny were of executions where men were blown from the months of cannons and of gallows whereon twelve men were hanged at a time. From Peshawur the 87th went to Jalander, and from there to Canton, China. At the end of the fighting in 1859 they were sent home, reaching Dublin six months and fifteen days after leaving China. Mr. Shaw remained in the army ten years, after which he secured his discharge. He came to Canada about 49 years ago, working first on a farm in Albion township and afterwards taking part in the construction work of the Toronto, Grey and Bruce Railway, before taking up farming in Melancthon township.—Economist.

KEEP BUSY

"The man with time to burn never gave the world any light."

This sounds rather strangely to some of us who never have any to burn, but think we could use much more if we had it.

The man with time to burn, of course, has time to waste. "Wilful waste makes woeful want."

This can be true of time as well as other things. We are aware that much time is wasted for which we will give an account in the judgment. How many realise how much time they waste? It is too precious to waste. There is a place for every moment of our time, and we should use it in the best way possible. It may be spent in ways that would be worse than wasted.

Some author said that "Idleness is the root of all evil."

This may be a little extravagant, but I am sure that many evils would be avoided if people were always engaged in something useful.

Keep PEPS!

Always handy and provide your throat and chest with a powerful and effective safeguard against a sudden cold or chill.

Whenever you go outdoors dissolve one or two Peps in your mouth. Breathe into your throat, chest and lungs the wonderful air-like medicines which comfort and strengthen the breathing passages, purify the air you breathe and destroy dangerous germs. Keep a box of Peps

ALWAYS HANDY

take them whenever you come out of the theatre, church, picture-show, factory or office, or anywhere into the sudden cold chilly atmosphere.

In the crowded street-car a Peps in the mouth keeps infection out. If you've a touch of throat soreness or a night cough, suck Peps just before you go off to sleep. Take them in catarrh, grippe, flu, bronchitis and all chest weakness.

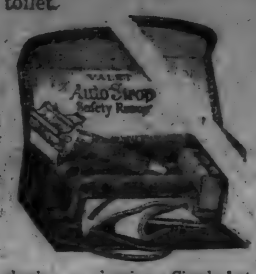
Free from all harmful drugs—safe and pleasant for children. Peps

KEEP **COUGHS & COLDS AT BAY**

40c. box, 5 for $1.85. All dealers or Peps Co., Toronto. FREE TRIAL Address when receipt of 2c. stamp, when this paper is mentioned.

The Wizard's Wand

When you need a shave the **Valet Auto-Strop Safety Razor** is the Wizard's Wand. It introduces comfort and hope and pleasure into the early morning toilet.



Men who know the way that the self-contained stropping device keeps the blades in first-class condition, possess the Wand. Their morning tempers are never tried by the use of dull blades.

Come in to-day and let us demonstrate the ease with which this razor works. No taking apart for sharpening, honing or stropping. Simple but effective.

Razor, strop and 12 blades in assortment of cases, $5.00 the set. Other sets $6.50 to $16.50

R. FAIRBAIRN, Agent

ORANGEVILLE

There is an old adage that says: "An idle brain is the devil's workshop."

Man will think upon something. And "As man thinketh so is he." The thinking determines the character of the man. He should think upon things that will elevate and ennoble. Feed his mind upon pure food.

Somebody once said: "A girl unemployed is thinking of mischief." If this is true of girls it is also true of boys. It is evident that much mischief is the outgrowth of idleness, especially in the cities. Useful, regular employment would do away with some of the joy night-riding that is carried on, especially the all-night frolicking in which many young people engage. They need employment of a nature that lifts their thoughts above such things.

Miss Velma Best, daughter of Mr. and Mrs. Thos. Best, of Mulmur, has gone to Carman, Man., where she will spend a couple of months with friends.

Mr. W. T. Bailey, who lives just north of Shelburne, had a narrow escape from having his residence destroyed by fire. Mr. and Mrs. Bailey had been out at the barn milking, and on their return were surprised to see smoke coming from the upstairs windows of the house. Assistance rendered by passing motorists saved the building from destruction, but quite a bit of damage was done. The fire is supposed to have started from clothing in the process of drying dropping on the stove.

THE PONY CONTEST

The Shetland pony contest, which Mr. C. L. Pownall, manager of the Gem Theatre, has been running for the last ten weeks, came to a close on Saturday night. The closing hours brought forth a veritable avalanche of votes and created no end of excitement amongst the youthful contestants and their friends. When the result was announced it was found that Master Morley McLean, younger son of Mr. and Mrs. Geo. H. McLean, Zina St., was the lucky winner. The pony, a handsome and well-proportioned little animal, was led across Broadway by Mr. Pownall, who made the presentation in the presence of a large crowd of interested spectators. Isaac Snell, son of Mr. and Mrs. Jos. Snell, was runner-up and Donald Watt finished in third place. The names and votes of the four leaders were:—

Morley McLean	1,024,645
I. Snell	898,275
D. Watt	864,625
H. Montgomery	601,491

—The Banner Bookstore for school supplies.

MISS ANNIE CRUIKSHANK

Miss Annie Cruikshank, formerly a well-known Orangeville young woman, died at the home of her parents, Mr. and Mrs. William Cruikshank, 166 Stirton St., Hamilton, on Saturday last after an illness of about three years' duration. The remains were brought to Orangeville for burial, the funeral taking place from the C. P. R. Station to the Forest Lawn Cemetery on Monday morning. Deceased was born and spent her girlhood here. Some years ago the family moved to Guelph and afterwards to Hamilton. She was highly thought of in her home town and friends in Orangeville and surrounding community were deeply grieved at the news of her demise. She is survived by her parents and two sisters. Nellie, a milliner in Hamilton, and a married sister. Rev. H. L. Partridge conducted the burial service. A number of friends were present from Toronto, Hamilton and Caledon in addition to Orangeville and Mono friends of the family. The aged parents and sisters have the sympathy of their former townspeople in their time of sorrow.

FARMERS, ATTENTION!

AN OPPORTUNITY

to secure

PURE BRED REGISTERED RAMS
AT REASONABLE PRICES

The Live Stock Branch, Dufferin County Branch Ontario Department of Agriculture, and Ontario Sheep Breeders' Association have placed, at Orangeville, a number of Registered Rams of serviceable age. These have been specially selected to use on grade flocks and are offered at prices in keeping with the season. Those interested are advised to look over this lot at once. Inquire about Federal aid to users of Pure Bred Rams. For further particulars apply to

H. A. DORRANCE,
Department of Agriculture,
Orangeville, Ontario.

WM. J. SUTTON

Well-Known Caledon Man Passed Away in Lord Dufferin Hospital Last Friday.

William J. Sutton, a widely-known resident of the township of Caledon, passed away in Lord Dufferin Hospital last Friday following a short but severe illness from heart trouble. Mr. Sutton was brought to the Hospital two weeks previous to his demise. It was recognized from the first that there was little hope for his recovery. He received every care and attention from the Hospital staff. Two of his daughters, one of them a graduate nurse in Toronto, were also in constant attendance at his bedside and did everything possible to make their father comfortable during his last hours on earth. Mr. Sutton suffered a good deal, but the end came peacefully and without pain.

The late Mr. Sutton was a son of Mr. and Mrs. William Sutton, early settlers in this district. During the early part of his life he lived in Albion township, where he operated what was known as Milburn's Mill for a number of years. For the last twenty-eight years he had resided in Caledon village, where he was held in high regard for his excellent qualities of head and heart. Under his management the Sutton House became widely known as an almost model hostelry and a place where the traveller was always sure of warmth, comfort and hospitable entertainment. Mr. Sutton took an active interest in municipal affairs and served the township of Caledon as councillor and deputy-reeve. Deceased had been a member of True Blue Masonic Lodge, Bolton, for upwards of thirty years. He was also a member of Ionic Chapter, Royal Arch Masons, Orangeville, and of Warnock L. O. L. No. 250, Caledon. He was a Presbyterian and a Liberal in politics. The late Mr. Sutton was 63 years of age and is survived by his widow, Miss Caroline Hebden prior to their marriage, and a family of one son and six daughters. The son, Mr. Elwood Sutton, is a farmer on the Centre road, Caledon. The daughters are Grace, graduate nurse, Toronto; Dorothy, bookkeeper in the Western Hospital, Toronto; Carrie, a teacher in the Spotton Business College in Wingham, and Kathleen, Edna and Jean, of Caledon.

The funeral, which was held to Caledon cemetery on Sunday afternoon, was one of the largest ever witnessed in the township of Caledon. In addition to friends of the family and acquaintances of the departed man, many of them from a distance, there was an imposing turnout of members of the Masonic and Orange Orders. Following the regular service by Rev. Jenkins Burkholder, the family pastor, the brethren of True Blue Masonic Lodge took charge of the funeral, the impressive burial ritual of the fraternity being read over the open grave. The turnout of the Order was one of the largest ever seen in this district, nearly 300 craftsmen being present in full regalia. Harris Lodge, Orangeville, and Peel Lodge, Caledon East, were both largely represented. The pallbearers, who were all members of the Craft, were Bros. A. N. Adams, Robert Nelson, John Fleetham, Dr. A. F. Reynar, F. N. Leavens and L. H. Willis. A large number of beautiful floral tributes bore impressive tribute to the worth of the departed man and the esteem in which he was held by those who knew him best.

Mr. Sutton had been manager of the Consolidated Telephone Company's central exchange at Caledon from the time the Company was formed some fifteen years ago. As a business man he possessed the confidence of the community. Widespread sympathy is felt for the bereaved widow and family in the loss of one who had always been a devoted husband and a kind, loving parent.

WILLIAM NEWTON

Mr. William Newton, a retired farmer, who has lived in Orangeville for a number of years, died very suddenly at his home on Amanda St. on Monday, Oct. 10th. Deceased was an active, vigorous man and was apparently in the enjoyment of his usual good health up to the very moment of his demise. His death, which occurred without any warning, was due to heart collapse. The seizure occurred while he was working outside his house. The funeral was held by motor from his late residence to Shelburne cemetery on Thursday afternoon, October 13th. The services at the house were conducted by Rev. T. H. Stewart, rector of St. Mark's Church, and at the grave by the Rev. W. H. Hartley, rector of St. Paul's Church, Shelburne. The funeral was in charge of the officers and members of L. O. L. No. 354, Violet Hill, of which the deceased had been continuously a member for 56 years.

The late Mr. Newton was born on lot 30, con. 4, east, Mono, in 1848, and lived on the farm where he was born until three or four years ago, when he retired and moved to Orangeville. The farm on which he lived was purchased from the Crown in 1842 by his father, the late Samuel Newton. At that time thirty sideroad ended at this farm. Mr. Newton was a widower, his wife having predeceased him 27 years ago. He leaves a family of five sons and four daughters, all of whom were present at the funeral, except two of the sons, Rev. Oliver E. Newton, of Philidalphia, Pa., and E. J. Newton, of Seattle, Wash. The other members of the family are: S. T., of Winnipeg, Director of the Extension Work of the Manitoba Department of Agriculture; J. F., of Barrie; W. G. and Mrs. Lyman Cotton, Violet Hill; Mrs. John Moffatt and Mrs. Wm. Hawkins, Orangeville, and Mrs. Arthur Halbert, Boston. John Newton, Mulmur, and Samuel Newton, Tacoma, are the only surviving brothers and Mrs. M. Hanlon, Edmonton, and Mrs. W. McCrae, Mervin, Sask., are the sisters. Deceased was a kindly man, genial and friendly in his manner and was well and favorably known by a wide circle of friends and acquaintances, who will long cherish his memory. He was a man who had the happy faculty of making friends, and the friends he made were always friends. Public-spirited and progressive in thought, he always took an active interest in municipal and general politics and kept himself well-informed on the topics of the day.

MRS. WILLIAM FORBES

Mrs. William Forbes, a resident of Orangeville and Caledon for many years, died at the home of her daughter, Mrs. Alex. McInnis, Cresswell, Ont., early on Sunday morning at the age of 71 years. Deceased, whose maiden name was Jane Huston, was a daughter of the late Alexander Huston, Centre Road, Caledon. Her husband died five years ago and she is survived by her daughter, Mrs. McInnis, and two sisters, Mrs. Hugh Skelton, of Corbetton, and Mrs. Samuel Henderson, of Toronto. Mrs. Forbes was a woman who enjoyed the respect and good opinion of all her neighbors and friends. She was a member of the Baptist Church and an active church worker. Deceased had been in ill health for a year or longer and was bedfast for thirteen weeks prior to her demise. The remains were brought to Orangeville for burial, the funeral taking place from the C. P. R. station to the Forest Lawn Cemetery on Tuesday forenoon. Rev. A. E. de St. Dalmas, a former pastor, conducted the services at the grave. Friends here from a distance for the funeral were Mr. and Mrs. McInnis, of Cresswell; Mr. Alex. Huston, Mr. and Mrs. W. G. Mimms and Mrs. Rich. Whan, Toronto, and Mrs. Geo. Caughey, Dayton, Ohio.

W. J. MATTHEWS

The death of William J. Matthews, a well-known citizen of the neighboring village of Caledon East, took place at the home of his brother in Allandale, Ont., on Thursday last, October 13th. The deceased, who was in his 39th year, is survived by his widow, his mother, two brothers and two sisters. His father died a few years ago and he had a brother killed in action during the late war. The remains were conveyed from Allandale to Caledon East by motor, the funeral taking place in the latter village on Saturday afternoon. Interment took place in the Caledon East Public Cemetery following an impressive service in St. James' Church. Deceased was a member of Peel Masonic Lodge and also of Caledon East L. O. L. 293. Both Orders were largely represented at the funeral, the Masons conducting the burial service of their Order over the open grave. The floral tributes were numerous and very beautiful.

WHITTINGTON

Whittington Methodist Church will hold their anniversary services next Sunday. Rev. Jas. Phimister, of Horning's Mills, will be the special preacher for the day. Service at 2.30 and 7.00 p.m. Mr. Phimister is a strong preacher and all should take this opportunity of hearing him.

NOTICE TO CREDITORS.

In the Matter of the Estate of Henry Wesley Duke, late of the Township of Mono, in the County of Dufferin, Farmer, Deceased.

NOTICE is hereby given pursuant to R. S. O., 1914, Chapter 121, Section 56 and amending Acts, that all creditors and others having claims against the estate of the said Henry Wesley Duke, deceased, who died on or about the 28th day of April, 1921, are required to send by post prepaid, or to deliver to C. R. McKeown, Orangeville, Ontario, Solicitor for the Executors of the estate of the said deceased, or to the said Executors, their names, addresses and descriptions, the full particulars of their claims, a statement of their accounts, and the amount of the security, if any, held by them, duly certified.

AND FURTHER TAKE NOTICE that after the 15th day of October, 1921, the said Executors will proceed to distribute the assets of the said deceased amongst the parties entitled thereto, having regard only to the claims of which they shall then have notice, and that the said Executors will not be liable for the said assets or any part thereof to any person or persons of whose claims notice shall not have been received by them at the time of such distribution.

Dated at Orangeville this 21st day of September, 1921.

PERSONAL MENTION

Mrs. F. J. Patterson, Zina St., is visiting at her home at Allenford for a week.

Mr. and Mrs. Roy Hulse and babe, of Mono, attended Schomberg Fair last Friday.

Dr. and Mrs. W. J. Price spent Sunday with Mr. and Mrs. S. Reaney, of Beeton.

Mr. and Mrs. E. G. Bingham and Dr. R. W. Rooney motored to Barrie for the week-end.

Mrs. J. A. Armour, of Owen Sound, was the guest of friends here for a couple of days this week.

Mrs. Johnston, of Ottawa, was the guest of her sister, Mrs. (Dr.) T. H. Henry, over the week-end.

Mrs. Frank Tredgett and little son, Ralph, of Toronto, are visiting with Mr. and Mrs. G. M. Cruikshank this week.

Miss Beatrice Farnell and Mr. Frank Fletcher, of Toronto, were the guests of Mr. and Mrs. G. M. Cruikshank over the week-end.

Mr. Wm. Leader and daughter, Miss Greta, of Hillsburg, attended the birthday party of Miss Edith Carroll, 372 Lansdowne Ave., Toronto.

Mr. T. W. Chapman, of Toronto, and Mr. Gibson, of Hamilton, were in town on Monday attending the funeral of the late Miss Annie Cruikshank.

Miss Eva L. Somerville, of Niagara, is the guest of Miss Clara Hulse this week while in town demonstrating the White Sewing Machine for Mr. J. C. Kentner.

Mr. William Robbins, of Toronto, visited his parents in town over the week-end. Our former townsman is looking well and has had a busy summer in the city.

Mrs. (Dr.) W. T. Stewart and daughter-in-law, Mrs. Ross Stewart, and the latter's baby son, all of Chicago, are visiting the former's sister, Mrs. Gale, Second St., for a few weeks.

Mrs. S. Wallace, Mr. and Mrs. J. A. Raymond and little daughter, Mrs. W. A. Caesar and Mrs. Harry Gillespie motored out from Toronto and spent the week-end with friends in town.

Mr. and Mrs. William McCague, of Beeton, announce the engagement of their youngest daughter, Reta Olive, to Mr. Edwin Whitten, son of Mr. and Mrs. Thos. Whitten, of Shelburne. The marriage will take place this month.

Mr. W. N. McKinnon, clerk in Russell Morrow's jewellery store for the last three years, left town on Monday morning for Preston, where he has accepted a position as watchmaker. His town friends wish him every success in his new position.

Rev. A. E. de St. Dalmas, a former pastor, conducted the services in Orangeville Baptist Church on Sunday and spent Monday renewing acquaintances in town. Mr. St. Dalmas has retired from the active work of the ministry and is now living in Toronto.

Mr. S. T. Newton, of Winnipeg, was in town last week attending the funeral of his father, the late William Newton. Mr. Newton, who is one of the prominent graduates of the Orangeville High School, is holding down the responsible position of Director of the Extension Work of the Manitoba Department of Agriculture. Time has dealt gently with him and he is just as genial and light-hearted as in the old student days. Mr. Newton left for the West on Monday night.

THE FALL WEATHER HARD ON LITTLE ONES

Canadian fall weather is extremely hard on little ones. One day it is warm and bright and the next wet and cold. These sudden changes bring on colds, cramps and colic, and unless baby's little stomach is kept right the result may be serious. There is nothing to equal Baby's Own Tablets in keeping the little ones well. They sweeten the stomach, regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

HOSPITAL NOTES

The concert, "Isle of Love," was much enjoyed by the people and the heartiest thanks are extended by the Daughters of the Empire to all those who so cheerfully gave of their time and talent. The proceeds netted our Hospital almost $200.

Mrs. Burkholder, of Hamilton, the Provincial Secretary, attended the last meeting and gave the I. O. D. E. wonderful encouragement in an address that brimmed over with interest and helpful information. She mentioned several projects that could be undertaken by the Order, instancing in particular social service work, night schools, etc.

The Provincial Quarterly Meeting will be held in Chatham on Oct. 20th. Mrs. W. E. Irvine, Regent of the local Chapter, has been delegated to attend.

The ladies who have called on the councils of the surrounding municipalities in behalf of the Hospital, have been heartily received and most substantial grants are forthcoming.

We are delighted to acknowledge a donation of $5.00 from an Orangeville Old Boy in the person of Mr. John Emery McLean, of New York. With his gift Mr. McLean sent his best wishes for the success of the Hospital and its work.

THE MAPLES

Service next Sunday in Providence Methodist Church at 11 a.m. Rev. Mr. Phimister will preach. On November 6th, the anniversary services will be held, when Rev. S. Dinnick, of Mono Mills, will preach at 11 a.m. and 7 p.m.

HON. T. A. CRERAR

will speak in
Dufferin County
at
SHELBURNE
in the Skating Rink on
Saturday Afternoon,
OCTOBER 22, at 2 o'clock

The chair will be occupied by J. M. McNaughton, County Director. Short addresses will be delivered by the U. F. O. candidate, R. J. Woods, and others.

Ladies cordially invited.—Seats free.—Meeting starts promptly at 2 o'clock.

Anthem, "The King of Love"—Shelley.

ST. ANDREW'S Y. P. S.

A good attendance and an excellent program marked a successful meeting of St. Andrew's Church Y. P. S. on Monday night. The Literary Committee, which had charge of the program, put on a Burns' night. The convener, Miss Leila Hamilton, occupied the chair. Miss Isabel Fife contributed a sketch of the Life of Burns, which was followed by charades on six of his poems. Rev. F. W. Mahaffy read "The Cotter's Saturday Night," one of Burns' best known poems. The musical numbers of the evening were a piano solo by Miss Ethel Trimble and the singing of a Burns' poem, "Afton Water," by Miss Myrtle Gardiner. Plans were made for a Membership Contest with Miss Gwen Sproule and Douglas Adamson as leaders. Next week the Missionary Committee will have charge of the program. All are welcome.

CARD OF THANKS.

We wish to express our grateful thanks to the ladies of the Orangeville Baptist Church for their kindness in sending flowers and assisting in the arrangements for the funeral of the late Mrs. Wm. Forbes. We also desire to thank the other Orangeville friends for their kindness and sympathy.

Mr. and Mrs. Alex. McInnis,
Cresswell, Ont.

CARD OF THANKS

I wish to tender my hearty and grateful thanks to all who supported me in the Shetland Pony Contest, which came to a close on Saturday night. I was glad to win and am grateful indeed to all who helped me to win.

MORLEY McLEAN.

CARD OF THANKS

We wish to tender our heartfelt thanks to our neighbors and friends for the great kindness and sympathy shown us on every hand during the illness and since the death of Mr. Sutton.

Mrs. W. J. Sutton and Family.

BORN.

DIXON—In Grand Valley on Friday, October 7th, 1921, to Mr. and Mrs. Walter Dixon, a daughter.

REID—On Saturday, October 16, 1921, to Mr. and Mrs. A. Reid, Amaranth Stn., a daughter.

MARRIED.

SIMPSON-SPEERS—At the home of the bride's parents, 9th con., Erin, on Wednesday, Oct. 12th, by Rev. F. C. Harper, B. D., Ida Maud, youngest daughter of Mr. and Mrs. Alex. Speers, to Horace, youngest son of Mr. and Mrs. George Simpson, of Garafraxa.

McKENZIE—McLACHLAN — At Hillsburg, on Wednesday, Oct. 12th, by Rev. F. C. Harper, B. D., Flora M., daughter of Mr. and Mrs. Angus McLachlan of the 9th con., Erin, to William Charles, son of Mr. and Mrs. John McKenzie, of Ospringe.

DIED.

BRUCE—In Amaranth, on October 4th, 1921, Alice Lenore, infant daughter of Mr. Wm. W. Bruce, of East Luther, aged 10 months and 12 days.

CREWSON—In Grand Valley, on Sunday, October 9th, 1921, Florence Pauline, daughter of Mr. and Mrs. Frank Crewson, of West Luther, aged 3 years, 5 months and 24 days.

LAWSON—On Friday, October 14th, 1921, Mary Lawson, wife of George Lawson, lot 24, 5th line, west, Caledon aged 24 years.

Funeral held to Greenwood cemetery on Monday, Oct. 17th.

THE TOWN COUNCIL

Patullo Suit Will Be Settled For $250—Committee Asks Sale on Alexandra Park for Skating Rink.

The Town Council authorized payment of the following accounts at its meeting on Monday night:—

E. C. Clark, cement tile, $18.60, fire, $6.00, charity, $12.00; John Norris, $5.70; Geo. King, R. & B., $2.50, cement tile, $6.50, W. W. main, $3.00, Town Property, $2.00; W. O. Thomas, R. & B., $1.50, cement tile, $2.40, Town Property, $1.50, W. W. main, $3.00.

Dan Markle was granted a permit to build a dwelling house and store on East Broadway.

Mayor Parkinson, Reeve Jeffers and Councillor Walker were appointed to negotiate a settlement of the suit of Pattullo vs. Orangeville, which has been hanging fire for the last year. On August 26th, 1920, Police Magistrate Pattullo issued a writ against the municipality claiming the sum of $774 for rent and care of the premises used as Magistrate's office for the last six years. Mr. Pattullo contends that the municipality is required to provide him with an office. As this has not been done he claims that he should be paid for the office he occupied and used as a Court. His bill is made up as follows:—

Rent of office, 6 years ending Dec. 31, 1919	$360.00
Coal and fuel for six years	120.00
Stationery, postage, telephone	30.00
Caretaking, at $25 a year	150.00
Proportion of taxes for six years	84.00
Furniture	30.00
	$774.00

We understand that a settlement has been reached whereby the town will pay Mr. Pattullo $250 in full settlement of his claim up to the present time.

C. R. McKeown, J. B. Adamson, Jack M. Aiken and Capt. A. Firth appeared before the Council as the representatives of a Committee, which has been formed for the purpose of pushing the erection of a Skating Rink. The Committee, through its spokesmen, Messrs. McKeown and Adamson, asked the Council for a lease of the east side of Alexandra Park and the east side of the vacant lot east of the Market building as a site for the rink. It is planned to build a rink of corrugated iron with steel girders on cement buttresses at an estimated cost of $10,000. The structure will have an ice surface of 60 by 160 feet at the least and an outside measurement of 78 by 194 feet. The promoters propose to form a joint stock company and issue shares having a par value of $25.00 each. The Town Property Committee, Mayor and Deputy-Reeve were appointed a special committee to consider the matter and report to the Council at a later meeting.

The Road and Bridge Committee was instructed to fix the culvert at the approach to Edward Delaney's property and to put in a new culvert it the lane at the rear of the Still Block and west of Armstrong & Robinson's foundry.

Jas. McKibben will be paid $15.00 when he completes the sidewalk on the street west of Mrs. Tucker's property as arranged with the Reeve and Councillor Young.

The Mayor, Reeve, Deputy-Reeve and Councillors Dalgleish and Young were named as a special committee to look after the revision of the voters' lists for the town.

SIMPSON–SPEERS

The home of Mr. and Mrs. Alex. Speers, Erin township, was the scene of a very pretty wedding on Wednesday afternoon, October 12th, when their youngest daughter, Ida Maud, became the bride of Mr. Horace Simpson, son of Mr. and Mrs. George Simpson, of Waldemar. The silken knot was tied by Rev. F. C. Harper, pastor of St. Andrew's Church, Hillsburg, at the hour of two o'clock in the presence of an assemblage of eighty guests. The ceremony took place under a beautiful arch of pines, effectively decorated with wedding bells and flowers. The bride, who was unattended, was escorted into the drawing room by her father. She was becomingly gowned in white satin trimmed with orange blossoms and carried a bouquet of white roses and ferns. The wedding music was played by the bride's cousin, Miss Evelyn Duke. After they had received the hearty congratulations of the assembled friends at the close of the service, the happy couple led the way to the dining room, where the wedding luncheon was served. The decorations in the dining room were pink and white. The groom's gift to the bride was a handsome set of ring tail opposum furs, and to the pianiste a gold brooch. The bride and groom left on the evening train amid showers of confetti and the good wishes of their friends for a honeymoon trip to Toronto, Niagara Falls and other points, the bride travelling in a suit of blue tricotine, brown plush hat and veil and shoes to match. On their return Mr. and Mrs. Simpson will take up their residence on the groom's farm in East Garafraxa. The young couple are held in high esteem by a large circle of friends and were the recipients of numerous expensive and beautiful presents. The Banner joins in extending its hearty congratulations.

BOWLING GREEN

Bowling Green Women's Institute will put on a Hot Meat Supper in the Orange Hall on Thursday night, Oct. 27th. The Supper will be followed by a varied program, to which Mr. Cecil Menary and the Misses Bruce, of Grand Valley, will contribute. Admission, 50c. and 25c.

The Presbyterian Church in Orillia has installed a new organ as a memorial to the men of the congregation who served, suffered or died during the Great War. It has been installed, including some structural changes in the church building at a cost of approximately $40,000. The organ is said to stand sixth in place among the large organs of Canada and is certainly a very fine instrument.

A Great Pacific Liner

The new C. P. R. liner, the oil burning Empress of Canada is built especially for the Pacific service. The appointments will be the finest and most luxurious possible to-day, with particular regard to the C. P. R. standard of "Safety, Speed, Comfort."

She has an overall length of 653 feet, is 87 feet, 9 inches in breadth and 53½ feet in depth to the bridge deck; she has a straight stem and cruiser stern, three funnels and two pole masts. There is a continuous shelter deck with bridge, promenade and boat decks over, the former extending for the full length of the ship; two complete between decks and lower and orlap between decks at the fore and aft ends. The "Empress of Canada" has a gross tonnage of 22,000 tons, and is arranged to carry about 490 first class, 106 second class, 238 third class and 932 Asiatic steerage passengers, and crew of 547. Of the cargo spaces, a large portion has been fitted for the carriage of silk and refrigerated cargo. Her speed is about 21 knots. She is built to the highest class of Lloyd's Register full Board of Trade requirements.

The first class accommodation is arranged on the shelter deck and in addition to the single, double and family rooms, there are several special rooms and private suites, which comprise bedrooms, sitting rooms and bathrooms. The staterooms are fitted with the very latest type of open washbasin, with a supply of hot and cold water. The public laboratories and bath rooms have the most modern improvements in sanitary equipment. A complete system of telephones is connected with a central exchange to the rooms and offices.

The dining saloon is on the upper deck and will accommodate 325 persons. A large reception room is situated forward of the dining saloon; the passenger elevator is at the fore end. On the upper deck is also a large swimming pool, 30 ft. by 18 ft., with adjoining gymnasium and dressing rooms similar to the best clubs. The other public rooms are arranged on the promenade deck with special view to convenience and comfort. The large lounge will provide ample room for concerts and moving picture performances, with complete moving-picture operating room. There is a long gallery, specially designed room for children, Drawing Room, Writing Room, Smoke Room and Verandah Cafe, and all are luxurious and attractive in every way. Long promenades and recreation spaces for games, dancing and sports are reserved for the use of passengers.

The second class accommodation is situated on the shelter deck aft, arranged in two and four berth rooms. These staterooms are fitted similar to the first class. The Dining Saloon is on the upper deck and will accommodate 100 persons. The Lounge is on the Bridge deck aft.

In addition to a large laundry, dispensary, hospital, dark room for camera enthusiasts, etc., there are innovations in the steerage, food, kitchen and pantry service. A perfect system of mechanical ventilation is installed and all the supply and exhaust fans are capable of changing the air throughout the ship at such frequency as to assure practically pure air at all times. All thermotanks and supply fans have an approved disinfecting apparatus. Electric radiators are fitted in the first and second class state rooms.

The cargo equipment is of the most modern type as well, the cargo derricks being operated by twelve powerful electric winches. The steam steering gear, manoeuvring and warping machinery are also improvements on any now in use.

Throughout the ship particular attention has been devoted to the fact that the "Empress of Canada" is for Trans-Pacific and semi-tropical service; therefore the rooms are large and airy and specially designed.

The "Empress of Canada" has been preceded by two other oil burners, the "Empress of Britain," now in service, and the "Empress of India," which was launched last year, and will set a new pace in comfortable passenger steamships for ocean service. Two others of the popular "M-boat" type are in course of construction. The oil fuel bunkers of the "Empress of Canada" have a normal capacity of 4,600 tons of oil.

Foot Saved in 4 Days!

"Nothing but Zam-Buk could have done it," says Mrs. A. Berryman, 190, John Street, North, Hamilton, —in describing how her right foot, crushed by a waggon wheel, was healed. "The flesh was terribly bruised, blackened and inflamed, and I fainted away with pain. When it was quite impossible for me to move about, my husband's mother got me to try Zam-Buk. It was surprising! "Within TWO DAYS all swelling and discoloration had disappeared and pain was banished. In FOUR DAYS, through this timely use of Zam-Buk, I could get about as usual: the injured foot was thoroughly healed."

Zam-Buk is the powerful antiseptic healer which quickly frees the skin of corruption and disease and grows new healthy tissue. No common ointment or salve can possibly compare with Zam-Buk. Get a box to-day! 50c. all dealers or FREE SAMPLE for 1c. postage from Zam-Buk Co., Toronto.

ZAM-BUK For Healing!

HORSES MISSING

R. J. Little, of the Blind Line, Mono, is lamenting the loss of an exceptionally fine team of matched dark steel grey Percheron geldings, weighing about 3000 lbs., which disappeared from his pasture field on Thursday morning of last week. Being busily engaged threshing the day previous he turned the animals into the pasture field and there they remained until they took their departure by either straying away or by being stolen. Mr. Little is now of the opinion that they have gone via the latter route, as a thorough search throughout the county following their departure failed to reveal their whereabouts. He has been at considerable expense already in an effort to locate the animals, the latest method being a notification to the chiefs of police in various towns far and near to be on the lookout for them. Mr. Little estimates his loss of the animals at $500.—Free Press.

INSTITUTE CONCERT

Alton Women's Institute is arranging to hold a Grand Concert in the Town Hall, Alton, on Friday evening, October 21st. A choice program will be provided by The Hill Bros.' Quartette, of Hamilton, which will have the assistance of local artists. Admission has been fixed at 35c. for adults and 15c. for children. All seats will be reserved. Plan of hall at Lovell's store.

CITIZENS' BAND CONCERT

A Grand Concert will be given in the Orangeville Opera House on Friday night, October 21st, under the auspices of the Orangeville Citizens' Band. A really worthwhile programme is being arranged for the Concert. The contributing artists will be Miss Dorothy Dawson, solo pianiste, artist pupil of Miss Falconbridge, Hambourg Conservatory of Music; Mr. Fred Dawson, refined humorist and entertainer, late of the Royal English Hand Bell Ringers; Miss Bessie Lewis, soprano; Miss Clara Hulse, violiniste; Mr. Russell Morrow, saxophone soloist, and the Orangeville Male Quartette. Mrs. Russell Morrow will act as accompanist. Admission, 50c. and 35c. All seats reserved. Plan opens at Banner Office on Saturday, Oct. 15th.

QUASHED BY-LAW

Wiarton Has No Authority to Charge Motorists Special License Fee.

A case of considerable interest to municipal authorities was decided by Judge Greig, of Bruce County, when he handed out judgment quashing a conviction against a Wiarton man for carrying passengers without a license and declaring invalid a by-law of the Town of Wiarton imposing a license on drivers carrying passengers from and to points near the town.

Some time ago an information was laid against a Mr. Stewart, under a town by-law, for carrying passengers without a license. Mr. Stewart had a regular Provincial license; but the by-law required a special town license for carrying passengers to and from points within three miles. Mr. Stewart was convicted by Police Magistrate McCartney; but his solicitor Mr. H. G. Tucker of Owen Sound appealed against the conviction, and the appeal was heard at the last sitting of Division Court in Wiarton. Judge Greig reserved decision. In his judgment, he finds that the Town Council has no authority to pass such a by-law, that privilege being reserved to cities which have police commissions. He therefore declared the by-law invalid and ordered the conviction quashed, with costs against the municipality.

SELLING WHISKEY

Bruce County Offenders Give Law Officers Plenty of Work.

Bruce County will soon be classed with the Windsor district in the respect some of the residents show for law. During the past year there have been more stills located in that County than in any in Ontario. And there are still stills stilling. Telling of the doings of the past week, the Walkerton Telescope says:

The banks and braes of bonny old Bruce seem to offer a great opportunity for moonshiners but License Inspector White is certainly giving no peace to the infractors of the law in this district. As a result of investigations made the past week or so by the Inspector, in company with other officials, three more cases will be tried at Magistrate's court to-day, and a fourth, who pleaded guilty has forked over $700 to satisfy the law.

The stillest "still" that has ever distilled illicit booze in these parts is undoubtedly a booze-making equipment which Inspector White, in company with Constable John Hogg, was able to locate on the farm of John McGillivary, con. 8, Bruce, near Loyat, one day last week. The the premises high and low but the Inspector and his assistant searched only clue they got to the whereabouts of the apparatus was a faint oder of mash inside the horse stable door. A faint black streak in the ceiling above indicated that something might have leaked through. After tapping the ceiling for some distance from this black streak the officers finally located some boards which yielded to pressure and proved to be a trap door leading to an apartment above where two kettles of mash were singing away and some bottles at hand with samples of the home-brew. McGillivary had cleverly built this apartment, about 8x10 and 8 ft. high, in the middle of his mow last June. He then put in rags so that no sound could escape. The floor of the room was laid with about 20 tons of hay on top of it. It was a pretty slick arrangement alright with about one chance in a million apparently of its ever being discovered. McGillivary having been caught with the goods, pleaded guilty. Under the Dominion Statute, Magistrates Tolton and Richardson fined him $500 and costs for making whiskey and also $200 for violation of the O. T. A.

Latchford Thacker, a farmer living near Glamis, bought a still this summer from a Winnipeg chemical firm. After the still arrived. Thacker failed to send along the necessary certificate showing that he was using it in chemical work. This prompted enquiries by government officers who were not satisfied with Thacker's explanation that the water at his place was bad and that he used the apparatus for distilling water. When Inspector White paid his farm a visit last week, a strong odor of mash is said to have emanated from the still, so Thacker will have to answer a charge of operating a still for illicit purposes, at court here to-day.

When License Inspector White and a party of revenue officers called at Robert Osborne's in Greenock a few months ago, they caught him with the goods and Osborne paid $500 and costs for making swamp whiskey. The Inspector paid Osborne another visit on the 20th ult. and found a lot of mash in barrels on the blind sideroad abutting Osborne's place. The property where the stuff was found belongs to his neighbor, Clarence Reid, and Osborne claims he knows nothing about it. A couple of barrels of strong prune wash were found at Xavier Hoefle's between Mildmay and Formosa last week by License Inspector White, Dominion Revenue Officer Geo. Thorp of Guelph is taking a keen interest in that prune wash and will prosecute Hoefle at magistrate's court here to day.

MRS. THOS. GALLAUGHER

The death occurred quite suddenly Saturday evening, the 1st inst., at her home in Adjala, of Mrs. Thomas Gallaugher, one of the long time residents of that neighborhood. Mrs. Gallaugher had been ill but a few days from a critical abdominal trouble and had submitted to surgical treatment in an effort to save her life. The deceased was the daughter of the late Frederick Rawn and Mrs. Rawn who were among the oldest residents of the community and highly esteemed pioneers. Mrs. Gallaugher was born in Adjala and spent all her life there. She occupied a high position in the respect and esteem of a large circle of acquaintances and friends who, with her husband and one daughter, Alma, will mourn the loss of a life long companion, one who by her open heartedness and cheerful disposition was a welcome acquisition to any and every social circle. Mrs. Gallaugher leaves, besides her husband and daughter, two sisters, Misses Mary and Margaret Rawn. The funeral occurred Monday, the 3rd inst., and was very largely attended by friends of the deceased and the family from all parts of the district and beyond. A short service was conducted at the home by Rev. Geo. Milne, pastor of the Rosemont Presbyterian church, of which Mrs. Gallaugher had long been a member and in which she was an active worker. Rev. Mr. Forth, of Rosemont, assisted in the service. At the church a funeral sermon was preached after which interment was made in the Presbyterian cemetery there. Numerous friends of the deceased and her family sent floral tributes to the bereaved home.—Alliston Herald.

MRS. JOHN BRADLEY

The death occurred on Saturday last at the home of her daughter, Mrs. Robert Clarkson, Campbell's Cross, of Susannah Gray, relict of the late John Bradley, of Caledon East, formerly of Campbell's Cross. Mrs. Bradley had been staying with her daughter for some six months prior to her decease, which came in her seventy-seventh year. She was born at Mayfield on the homestead, settled by her father, William Gray, in the early days of the township. Fifty-three years ago she was married to John Bradley, removing to Campbell's Cross, where she lived for thirty years, removing to Caledon East, where she then lived for twenty-three years. During her residence in the two villages, Mrs. Bradley was closely connected with the two churches of the parish, Trinity Church and St. James'. She was a very kind neighbor and a warm friend as those who received tokens of her goodwill can testify. Mr. Bradley predeceased her fourteen years ago, and she leaves three sons, John T., Toronto, Albert, Tottenham, and William G., Victoria, also one daughter, Mrs. Clarkson. The funeral took place on Tuesday afternoon from the residence of her daughter and interment took place at Caledon East, the funeral service being conducted by Rev. H. P. Beteraby, rector of Caledon East.—Conservator.

HIGH GAME

"My time," said the magnate, "is worth $100 a minute."

"Well," answered his friend cautiously, "let's go out this afternoon and play $10,000 or $15,000 worth of golf."

OVERPAID ANYWAY

"I claim that Members of Parliament are paid more than they're worth."

"How much are they paid?"

"I don't know."

The large steam shovel being used in the construction of the Prince of Wales Road south of Primrose, smashed through a culvert on the townline, east, while being conveyed to Shelburne. Traffic was blocked for two days.

Mr. and Mrs. D. M. Hawes, of "Cedarbrooke Farm," East Garafraxa, announce the engagement of their daughter, Adelaide Mae, to Rutherford L. Bayne, of West Garafraxa, the marriage to take place early in November.

Mr. W. S. Middlebro, Owen Sound, for personal reasons has announced his retirement from politics. Mr. Middlebro has been chief government whip at Ottawa for the past ten years. It is reported that he is to go on the bench.

Creemore business men are contemplating the erection of a skating rink in that town.

Walkerton town council has reduced civic laborers' wages from $3.50 to $3.00 a day.

Mr. W. N. Wilkinson, formerly editor of the Toronto World, has purchased the Oakville Record.

The Hydro-Electric power bill for Fergus last month was the highest it has ever reached in that town and amounted to $727.10 using 198.8 H. P.

The barn on the farm of Mr. Hollingshead, Arthur, was destroyed by fire one evening recently. The place belongs to the James McMullen estate.

For stealing apples from Sir. Wm. Mulock's orchard three young fellows were arrested. They appeared in Newmarket police court and were each fined $1.00 and costs.

Mr. C. H. Burgess, of Credit Grove, Port Credit, has been appointed police magistrate for the village of Port Credit and the southern section of Peel County.

The death took place at her home in Woodstock a week ago Saturday evening of Mrs. N. S. McKechnie, wife of Dr. McKechnie, vice-principal of Woodstock Collegiate.

Brampton Band is being organized and freshly equipped. Seven hundred dollars of an objective of one thousand has been subscribed with which to buy new instruments.

His Honor Judge Spotton, of Guelph, received a letter from Attorney-General W. E. Raney, Toronto, appointing him as Surrogate Court Judge for the County of Wellington, to succeed the late Judge Hayes.

On Wednesday, October 12th, St. James' Church, Colgan, was the scene of a very pretty wedding, when Marie, daughter of Mr. and Mrs. S. J. Barry, Loretto, became the bride of Dr. B. C. Sullivan, of Toronto.

A company has been formed to raise silver and black foxes at Priceville. By November first they expect to have 20 pairs of pure bred Class A. foxes. They have at present ten pairs. Mr. H. B. McKinnon, of the Toronto Globe, is on the directorate.

R. J. Little, of Mono, who lost a valuable team of horses from his pasture field, recovered the animals a week ago Friday. They were found on the farm of Thos. Best at Whitfield, access to which they had gained unknown to the owner of the farm.

Failing to keep samples of cream tested and records of weights in accordance with the requirements of the Cream and Milk Purchase Act, F.S. Coffey, of the Creemore Creamery, was fined $50 and costs in Alliston police court, it being his second offence.

J. H. Banks, of Riverview, sold to James McPherson & Sons, of Ventry, a registered Clydesdale colt four months old from an imported mare for $200. Mr. Banks imported the mther nine years ago at the age of two years. He has sold five of her colts for $1700.

The village of Streetsville, near Toronto, is faced with a 62 mill rate the next two years. This is an outcome of the defeat of the by-law authorizing an issue of debentures to pay for a new cement roadway which was built first, and then submitted to the people.

A very pretty wedding was solemnized by the Rev. W. G. Wakefield on Wednesday, October 5th, 1921, when Martha Melinda, youngest daughter of Mr. and Mrs. Adam Clarke, became the bride of John Henry Menary, son of Mr. and Mrs. John Menary, of Euphrasia.

Lindners, Limited, jam manufacturers, of Brampton, have made an assignment to Osler Wade. Liabilities are placed at $270,000 and assets at $170,000, the drop in the price of sugar and other ingredients having greatly reduced the inventory value of stocks on hand. The creditors will meet on Oct. 27th.

A blanket petition, signed by 192 subscribers of the Bolton Telephone Co., was presented to the Company, the signers asking the removal of their phones should the annual rental be raised above $12. Of those whose names appear on the petition about 60 have paid their rental. The Company were recently given permission to raise their rates from $12 to $14 a year.

"Well, I don't smoke, but someone in this joint is forever asking me to lend them a match," which reminds me of the old joke on the poor old Scotchman. An Elglishman, an Irishman and a Scotchman, so the story goes, were aboard ship, when the Scot said to the Englishman, "Lend me a match," to which he replied, "I don't smoke;" turning to the Irishman, he said, "Have you a match for me," and receiving the reply. "I just used my last one." "Well," said the Scot, "I guess I'll have to use one of my sin."

Reeve Dale, of Harriston, pulled a good one at the October session o the Wellington County Council. A Salem man made a claim for damages to his cellar caused by a blockade of the drainage system near his home, as a result of construction on the new county roadway. After going into the matter fully it was decided to leave the claim over for consideration. The discussion came to an abrupt ending when Reeve Dale suggested that the Council take the matter up with Attorney General Raney who had quite a reputation for "drying up' cellars.

DUNCAN MARSHALL

After an illness of only a few hours Duncan McArthur Marshall, of Horning's Mills, an old and greatly respected resident of this county, passed away suddenly on Thursday evening, October 13th. The end came so quickly after a partial stroke that he never had time to say goodbye to his daughter and wife, who were at his bedside. He asked for a drink but could not swallow and sank to his death immediately. He was born in Chinguacousy 69 years and two months ago. About the time he came of age he secured possession of lot 18, in the 3rd concession of Melancthon. He cleared the farm and lived upon it most of the time till about two years ago. He gave the reins over to his son, Ben, and retired to the village. Forty years ago he and Miss Elizabeth Bowerman, of Maple Valley, were married. He leaves behind a devoted wife and family of seven children: Millie is at home with her mother, Ben, on the old homestead, Carrie became Mrs. Lester Hill a few months ago and lives in Mulmur, Gordon, Haig and Joe are in Taber, Alta., Malcolm is in Sudbury. The brothers are David, of Chinguacousy, and William, of Chapleau. The funeral took place on Tuesday afternoon at 1.30. The service was held in Horning's Mills Presbyterian Church after interment. Mr. Marshall has been a life long member of the Presbyterian Church at Horning's Mills and was serving as chairman of the Board of Management. He leaves to mourn his departure besides the near relatives a large circle of friends and neighbors.—Free Press.

In return for gravel taken from a corporation pit several years ago, the C. P. R. has consented to give Ingersoll a deed to seven acres.

Elmer Dorrington, Detroit, rearrested after escaping from Ford jail several weeks ago, will face eight charges in Ford police court.

Sarnia City Council will ask the Ontario Railway and Municipal Board to issue an order that the cars of the Street Railway Co. be equipped with air brakes.

Mr. Fairbairn Falconer, B. A. Sc., has returned from Alaska, and with Mrs. Falconer and infant son, is now visiting his parents, Mr. and Mrs. Hugh Falconer, Shelburne.

Miss Beatrice Hillyard, of Cataract, has returned home after spending over three weeks at Nairn Centre, where she was nursing her little niece, who has been seriously ill with pneumonia.

T. Berry Jonathan Latimer and K. Large were before Magistrate Mark Armstrong at Markdale charged with duck hunting on the Eugenia Hydro property, each being fined five dollars and costs, the minimum possible.

By a vote of 403 to 16 Major Thomas J. Rutherford was nominated for the Dominion house by the joint convention of Soldiers, Farmers and Labor men of North Grey. Mr. Donald Palmer, of St. Vincent, also stood the convention.

Along with the new dock that is being built on the east side of the river at Owen Sound harbor, the break water at the west side of the harbor mouth will undergo repairs. The work will cost approximately $15,000 and will be done by day work.

MRS. H. SHEPHERD

A highly esteemed former resident of this section, Sarah Agnes Cunningham, wife of H. P. Shepherd, died at Grimsby, Friday morning last, October 14th, after an illness of only a few days duration, in her 55th year. Deceased was the daughter of the late Wm. Cunningham, and was born in Esa township. From their marriage Mr. and Mrs. Shepherd lived at Primrose, where Mr. Shepherd ran the flour mill until 1915, when they moved to Shelburne. About two years ago they moved from Shelburne to Grimsby. The husband and four children are left to mourn: Mrs. Lyman Pearsall, Mulmur; Grace, Toronto; George and Ruth, at home. Three brothers and two sisters also survive: A. B. Cunningham, Peterboro; William, of Alliston; Walter, Cut Knife, Sask.; Mrs. L. Jackson, Los Angeles. A service was held at the late residence at Grimsby on Friday night, conducted by Rev. Dr. McRobbie, a former pastor of Shelburne Presbyterian Church. A short service was also held Saturday afternoon, conducted by Rev. Mr. Currie. The remains were brought to Shelburne by train Saturday night and conveyed to the home of the son-in-law, Lyman Pearsall, lot 5, Centre Road, Mulmur, from whence the funeral took place to Shelburne cemetery, Monday afternoon, the service being conducted by Rev. A. E. Thornley, of Shelburne, assisted by Rev. J. A. Black, of Horning's Mills. The following were the pallbearers. D. Henders[illegible] S. Phoenix, J. Skelding, John W[illegible] liamson, Wm. Allen, Wm. McCutcheon.—Economist.

Nearly Insane From Leg Ulcers

She tells of suffering and brief story of her relief.

Read these two letters from Sarah D. Lawrence of Roebuck, Ontario. "I can't sleep at night from leg ulcers. I am in pain most of the time. I have doctored but no use. A lady from Winnipeg says that D. D. D. Cured her of a bad case of eczema. That her sores are all healed. Can you help me?"

Now a few words from a later letter. "I have used D. D. D. as directed, and my leg is completely well."

Why not be convinced and try this remedy today for any form of skin disease? *One application and the itch is gone.* Your money back if relief doesn't come from the first bottle. $1.00 a bottle. Try D. D. D. Soap, too.

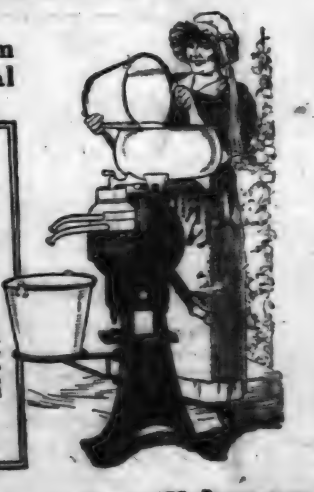
Straight talk on Cream Separators by

J. E. SMITH & Co.

Orangeville, Ont. Canada.

You get all the cream with a De Laval



GETTING all the cream means getting all the profit. It means that more money can be saved, or that more is available for use in building up the farm or for paying expenses.

Not every separator is designed so that it will get all the cream; some may do so for a short time.

But there is one machine that can always be depended upon to skim clean—the De Laval. You don't have to take our word for it; ask any De Laval user.

A De Laval user gets more cream from the milk of each cow, gets longer service from his machine, and spends less time learning and washing it. Even if you have only one good cow it will pay you to own a De Laval.

Wouldn't you like to know more about the De Laval? Drop in the next time you are in town

Sooner or later you will buy a

De Laval

EDITORIAL NOTES.

Do your best, no matter how commonplace your task. Work that is worth doing at all is worth doing well. A writer has aptly added that what is worth doing well is worth doing at once, so that an early start may be made to do something else better.

Do we take time to consider the value of courtesy in business. In these days of specialization we hear so much about efficiency that we have almost come to believe that efficiency and application are the only essentials to success. Efficiency is very necessary, but if he is lacking in courtesy the efficient business man will seldom achieve a full measure of success. Courtesy is necessary if efficiency is to receive its just reward. The man who is courteous and who has learned to understand the value of cheerful courtesy always helps himself and helps the business with which he is connected. A service that is rendered courteously and with pleasant cheerfulness seldom fails to win appreciation and good-will.

Speaking to a gathering of students in Toronto the other day, Sir George Foster exhorted his hearers to take an interest in the issues of the coming election. Whether they had votes or not, declared the veteran statesman, they should begin at once to take an interest in the public life of the time. The advice is sound and wholesome and is applicable to all young men, whether students or not. Young men, and young women too, for that matter, will find politics and the lives and deeds of the political leaders of their country a most absorbing study. It is a subject that will amply repay them for the time and thought they expend, for their studies will add to their knowledge of their country and its problems, give them a keener and more intelligent interest in the real issues that lie at the root of all our political discussions and divisions and fit them to discharge their responsibilities as citizens and electors with clearer discernment than they could otherwise expect to possess.

An important step was taken in the direction of church union last week when a representative committee of the Presbyterian, Methodist and Congregational Churches appointed a Standing Committee on Legislation. It will be the duty of this Committee to consider legislation that may be necessary to give legal effect to the union of these three churches and to prepare bills to be submitted to the Parliament of Canada. Formal union may not come for some years, but it is coming. Much of the old antagonism is dying out. The feeling in favor of union is very much stronger amongst the rank and file of the negotiating churches than it was a few years ago. This is due very largely to the fact that in all three churches ministers are today stressing the great essentials of Christian faith and doctrine—the matters upon which the evangelical branches of the Church are agreed. There has also developed in recent years a broader and a more active interest in the vast missionary enterprises of the Church. With this development there has come a general recognition of the universal brotherhood of man. This broadening of interest and spirit has gone far to break down the barriers, which have separated the Presbyterian from the Methodist and the Presbyterian and Methodist from their Congregational brother.

PREMIER ARTHUR MEIGHEN

AN ALBION NONAGENARIAN

William Guy, one of the oldest residents of the Palgrave district, passed away on Thursday, October 13th, at the remarkable age of 95 years. Deceased enjoyed good health until the last. Mr. Guy had lived with his brother-in-law, Mr. George Morris, for a number of years. His remains were laid at rest in Caledon East Cemetery, Rev. Dr. Williamson conducting the funeral service.

THE WAR MEMORIAL

Arrangements are being made to hold another War Memorial meeting in the Auditorium of the Public Library on Monday evening next, October 31st, commencing at 8 o'clock. The meeting is being called to discuss any matter relating to the proposed Memorial and to appoint a permanent Committee to take up the matter definitely and carry it through to a final conclusion. Circular invitations are being mailed to the officials of all public bodies, members of societies, the families of deceased soldiers, war veterans and interested citizens of Orangeville and district generally. In going to all this trouble to give the meeting as general publicity as possible the Committee has done all that it could be expected to do to ensure a large and reppresentative attendance at the meeting next Monday night. If the meeting is not well attended the fact will have to be attributed to downright indifference. As we stated in a previous issue we do not think the people of Orangeville and district are indifferent about this important matter. Monday night's meeting should show pretty conclusively whether we are right or not. Indifference would be a serious reproach in the matter of a Memorial in honour of the gallant lads who did so much and suffered so much for Canada throughout the trying years of the War. Let every person who can possibly do so turn out on Monday night and assist to set the ball rolling. Orangeville has been lagging badly in the matter of erecting a Memorial, but it is not too late to make amends for our tardiness.

MARRIAGE LICENSES

Town Clerk A. A. Hughson is now sole issuer of marriage licenses for Orangeville and district. The new order came into force on October 1st and when interviewed by The Banner on Monday, October 3rd, Mr. Hughson had already issued his first license. One of these much sought after documents will now cost the young man in the case the sum of $5.00. Of this $4.00 finds its way into the Provincial Treasury by way of the Registrar General. The other $1..00 the issuer retains as his compensation for his work and trouble. The issuer must remit $4.00 apiece for his stock of licenses at the time he orders them, so that he is bound to be out of pocket until he has been in business for a considerable time. If the municipality chooses to do so it may commute the allowance to the issuer by paying him a fixed sum a year. In that event the $1.00, which the issuer retains for each license he issues, becomes the property of the municipality and will go into the municipal coffers. The issuer must himself sign every license he issues and is prohibited from signing licenses in blank. It is also his duty to inform every person who buys a license that the license is void subsequent to three months after its delivery to the purchaser and can be used only within three months of the date it bears. An issuer may appoint a deputy or deputies but to do so must secure the approval in writing of the Registrar General or of the Mayor or Reeve of the municipality of which he happens to be Clerk. Should a deputy issue any licenses he must sign them with the name of the issuer as well as his own name.

LET US KNOW

The Banner revised its mailing list last week. Subscribers are asked to examine their address labels and satisfy themselves that the dates, indicating the time to which subscriptions are paid, are correct. If there is an error on your label kindly let us know.

SONG SERVICE

The large auditorium of St. Andrew's Presbyterian Church was crowded right to the doors for the Children's Song Service on Sunday night. The regular seating accommodation of the church was entirely inadequate for the occasion and was supplemented by chairs and benches from the Sunday School Room. These were placed in the aisles and at the sides and back of the church, thereby providing additional seating for a couple of hundred people. The service for the evening took the form of a choral service, based on the theme, "The Good Shepherd," by the children's choir of sixty voices trained and directed by Mr. A. C. Hannahson, organist and choirmaster of the church. The singing of the children was impressively sweet and showed unmistakeably the result of painstaking and intelligent training on the part of Mr. Hannahson. The service opened with a processional hymn by the choir followed by the anthem, "Let the People Praise Thee," with solo part by Miss Myrta Bruce. Other solos, all taken in admirable manner, were, "O, Rest in the Lord," Miss Rohmer, "My Shepherd Leads," Master Morley McLean, and "He Was Despised and Rejected," Miss Muriel Ellis. The Misses Ellis and Masters Morley McLean and George Pownall sang a quartette, "My Shepherd," in a manner which did the singers great credit. In the closing anthem, "The King of Love," Miss Annie Marshall showed sweetness of voice in the solo parts. The organ music before and during the service was a noteworthy feature of the evening and gave pleasure to all lovers of good music. Owing to the length of the musical service the pastor, Rev. F. W. Mahaffy, curtailed his address very considerably, speaking briefly but impressively on "The Good Shepherd."

MILLIONS AT STAKE

California Oil Lands Subject of a Big Lawsuit.

The last of the big oil suits affecting Southern Pacific titles and involving 3200 acres of the richest oil lands in the Coalinga district, valued at between $20,000,000 and $30,000,000, was heard to-day in the United States Circuit Court of Appeals, with Judges William W. Morrow, William B. Gilbert and William H. Hunt sitting.

Title to the land, together with an accounting of all oil subtracted during the last ten years, is sought by the People's Development Company, through Attorney Thomas C. West.

The action was brought to the Appellate Court on appeal from a demurrer sustained by Federal Judge Benjamin F. Bledsoe, of Los Angeles, in favor of the railroad company, which denied the plaintiff company the right to amend its complaint and ordered the case dismissed.

PATENT CLAUSE

The complaint is different from the other oil land cases and makes no charges of fraud against the Southern Pacific Company in procuring the patents. The action is to have the exception clause in the patent, which reserves to the government all oil, in strict compliance of the act of Congress granting the land to the railroad company, declared valid.

The exception contained in the patent is worded as follows:—

"Yet, excluding and excepting all mineral lands, should any such be found in the tracts, but this exclusion or exception, according to the terms of the statute, shall not be construed to include coal and iron lands."

The oil lands, according to West's argument to the Circuit Court, come under the title of mineral lands and as such are in the illegal possession of the railroad company.

MANY DEFENDANTS

Should the decision be in favor of the Development Company, the government, West declares, can base a similar action on the same points raised and secure the return of the lands except such portions as are owned by the plaintiff company.—San Francisco Call.

Attorney Thos. C. West, who is acting for the People's Development Co., is a onetime Orangeville boy. Mr. R. F. West, civil engineer, Grand Valley, is a brother.

LIFE IS TOO SHORT

We use the expression often in a sort of jocular way but though half in fun the other half generally has a good deal of seriousness in it. Life is too short to waste it in disagreements and quarrels and misunderstanding. For men who at best seldom have more than four score years allowed them, to waste whole years of it in bickering and getting on badly with folks is an outrageously foolish performance, for they have so little time in which to enjoy the huge fun and satisfaction that there is in being agreeable and neighborly. Life also is too short to spend much of it in doing the things that do not count, and that never help to get anything for anybody anywhere. Empty living is as empty of happiness as it is of anything else, and who would waste whole years in sowing seeds that never, never bring a harvest? Certainly, if we never put anything worth while into the years, we will never get anything worth while out of them, and the time and opportunity for putting the things that really count into them can never be, as life goes, too long or too generous. And, that being the case, idling and emptiness do seem to be the most supreme folly of which we can be guilty.—The Christian Guardian.

CAUGHT THIS FOX

Last Thursday William Fox, a Toronto man, who claims that Orangeville had the honour of being his birthplace, appeared before Police Magistrate Hugh Falconer in the Court House here on a charge of selling liquor in Orangeville. License Inspector T. J. Robinson laid the charge. Fox has been visiting Orangeville at irregular intervals all summer. He was here on September 3rd and sold an Orangeville party a bottle of the prohibited beverage for the tidy sum of $7.00. The Inspector got wise and interviewed the purchaser, who acknowledged that he had bought the liquor from Fox. Fox admitted his guilt in court on Thursday and submitted to the fine of $200 and costs with as much grace as a man could be expected to display under the circumstances. It is said that when Fox learned that trouble was brewing for him he made it his business to interview the local man to whom he had made the sale and suggest that when the case was tried he could swear that he bought the bottle from a stranger in an auto. This is one of the stock stories put up by Toronto liquor vendors when they get caught.

AN AUTO FATALITY

Caledon Young Man Found Under Car With His Neck Broken.

While making his daily round on Monday afternoon W. J. Brown, one of the Caledon mail couriers, found the lifeless body of Michael McCormick, a young man of twenty years, lying under a wrecked car in the ditch opposite lot 7, 2nd line, east, Caledon. It was nearly two o'clock in the afternoon when Brown made his startling discovery. The last time McCormick was seen alive was about ten o'clock in the forenoon, when he left the residence of his brother, Ambrose, lot 6, 2nd line, east, to drive to his own farm, lot 7, on the opposite side of the road. The manner in which he met his death can be conjectured fairly well from the condition of the roadway and the wrecked car. A broken connecting rod had locked the wheels of the car. In this condition it had skidded down a hill a distance of sixty feet and then upset into the ditch over an eight foot embankment. McCormick had the curtains on the car and therefore would find it difficult to get out when he found that an accident was impending. It is thought that he had opened the door and was attempting to escape when the car overturned. The car turned completely over. When found the unfortunate man was lying with the fender across his neck. Dr. Thomas, who was summoned from Caledon, found that his neck had been broken and stated that death had probably been instantaneous. The wrecked car was a 1914 Ford and was in indifferent condition.

McCormick, who was unmarried, was a son of the late Hugh McCormick. He is survived by several brothers and sisters. He was a steady, industrious young chap, well thought of in the neighborhood, which has been thrown into mourning by the sad affair. The remains were interred in the Roman Catholic cemetery at Silvercreek yesterday morning.

Dr. Thomas apprised Dr. A. F. Reymr, coroner for the County of Peel, of the sad occurrence. The latter immediately visited the scene of the fatality and made arrangements for the holding of an inquest. A jury was empanelled at 9 o'clock on Monday night. After viewing the body and the scene of the tragedy, the inquiry was adjourned until Saturday afternoon, when it will be resumed in the Town Hall, Caledon village, at the hour of 2 o'clock. The jurors are:—A. B. Smith, foreman, John Warnock, James Warnock, Thompson Nesbitt, R. H. Rayburn, Thos. Sweeney, Jas. McKinnon, William Vickery and Duncan McArthur.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

If You Have $300 or More Read This

IT is well to have money in a Savings Bank and get 3% or 4% on it. Nobody will find fault with your prudence.

But when you consider that Governments are borrowing money at 6% and higher and that there are enterprises in which you can invest with equal safety and get 8% on your money, surely it is the height of prudence to look into such investment offerings.

A case in point, and one worthy of your immediate attention, is the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, Montreal.

This enterprise is the largest of its kind in the British Empire. There is no city in Canada where the need of such an hotel is greater, and where the earning powers of the hotel is more certain than in Montreal.

Montreal is our greatest ocean port; it is our greatest transcontinental terminus and the centre of all Canadian tourist traffic from the Eastern and Southern United States. For these reasons, then, we recommend those who have the money to consider immediately the investment of a portion of it in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited.

By all the estimates which the United Hotels Company of America have prepared, the earnings will be not only ample to pay the interest on the Debentures, but there should be a very substantial margin available for dividends upon the Common Stock which is now given as a bonus. For, remember, King Edward Hotel Common Stock (another United Hotels enterprise) is now paying dividends at the rate of 10% per annum, although it, too, was also given away as a bonus three years ago.

In short, you may invest in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, with the assurance that your money is safe—your 8% interest certain and your prospects good for a nice profit from your Common Stock Bonus.

The price of the Debentures is par, carrying a 20% Common Stock Bonus. Send your order now or write for full particulars. Address:

To W. A. Mackenzie & Co., Ltd.
38 King Street West, Toronto.

Dear Sirs: Please send me a copy of the circular describing the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, and oblige.

Name in full .....
Full address .....
.....
Please write clearly.

MARSVILLE.

At Bethel Church, East Garafraxa, a fine spirit of harmony and progress is showing results. At the sacrament services there last Sunday there was another large attendance that filled the church when Rev. J. C. Harper conducted the service of Holy Communion, and received fifteen new members into the fellowship of the church, of whom 12 were by confession of faith. Thirty-nine members have been received in this church this year, and the membership of the church is now well over 200. General regret is felt by many friends here to learn of the death, in Toronto, on Saturday, October 22, of Mary Simpson, the beloved wife of William Murphy, and formerly of Garafraxa, the sister of Mrs. David Jeatin, of Marsville. The funeral took place on Monday afternoon from Fergus to McKee's cemetery, where the service at the grave was conducted by the Rev. F. C. Harper, B. D., of Bethel Church, assisted by Rev. R. W. Crew, of Fergus.

HILLSBURG

The people of St. Andrew's Church here are experiencing the happiness of growing times. At the Sacrament of the Lord's Supper last Sunday the largest attendance of members in the history of the congregation was recorded. 180 members enjoyed the blessing and comfort of the Holy Communion, surpassing by 14 the record set last February. At the preparatory service on Friday last, October 21st, twenty-six new members were welcomed into full communion of the church, the largest number ever received at one time, fifteen by confession of faith and eleven by certificate. The minister and people are to be congratulated on a successful communion season.

Next Sunday, October 30th, Rev. F. W. Duggan, B. A., of Toronto, one of the most effective speakers and organizers of the Referendum campaign in Toronto, will speak in St. Andrew's Church on the work of the Dominion Alliance.

The AMBEROLA
cheers your home coming

An Amberola!—what a world of good cheer, of good music, it brings to every home! We have Mr. Edison to thank for it—for its wonderful music, its *Diamond Point Reproducer*—its *low price*.

Edison's New Diamond Amberola is a revelation. If you have listened to none but shrill "talking machines" and metallic phonographs there's a pleasant surprise awaiting you. You really have no conception of how clear, pure and mellow music can be until you hear the Amberola.

The all-around *goodness* of the Amberola is due to the inventive genius of Thomas A. Edison. He has no peer—that is why the Amberola has no equal.

Come today to our store and let us play your favorite selections on the Amberola. You can own the Amberola on practically *your own terms* if you decide to buy. Or if you want to give it a thorough trial in your own home you can have

"Three Days of Good Music—FREE"

without cost, without obligation. Write or phone, if you can't call.

CRERAR AT SHELBURNE

Audience of 2,000 People Heard Progressive Leader on Saturday Afternoon.

An audience of about 2,000 people gave Hon. T. A. Crerar, Leader of the Progressive Party, a cordial and sympathetic reception at the big meeting held in Shelburne on Saturday afternoon. Hon. Mr. Crerar addressed his audience in the Skating Rink, which had been secured for the afternoon, as it was expected that the Town Hall would not accommodate all, who would want to hear the big Westerner who is so much in the public eye these days. A skating rink is not an ideal place for a political meeting even under favorable circumstances. The acoustic properties of such buildings are seldom good and the lighting is usually indifferent. Saturday afternoon these drawbacks were accentuated by the high wind, which made a continual din on the metal roof. The noise overhead bothered the speakers and did not make it any easier for the audience to hear and follow the addresses. In spite of these handicaps it was a good meeting and Hon. Mr. Crerar and his platform aides had no reason to complain of the warmth of the reception accorded them in the County of Dufferin.

While the Leader made the main address of the day he was by no means the only speaker. Mr. J. M. McNaughton, County U. F. O. Director, occupied the chair and introduced the different speakers. In addition to Mr. Crerar the speakers were R. J. Woods, the Farmers' candidate in Dufferin, J. J. Morrison, Secretary of the Provincial U. F. O., J. E. Arnold, a Quebec speaker, who pleaded for assistance to organize the farmers of that Province so that they would do their part in the fight for political emancipation from the old line parties, Miss Agnes McPhail, the lady U. F. O. standard bearer in South East Grey, T. K. Slack, Dufferin's former representative in the Legislature, and Bert Taylor, of Cheltenham, U. F. O. candidate in the neighboring constituency of Peel.

Discussing Premier Meighen's recent speech at Sarnia, in which he had asked his audience how they, living on the United States border, would like a free trade policy in Canada, Hon. Mr. Crerar made the declaration that the policy of high protection is always the selfish, the narrow and the sectional policy—never the national one. The policy of the Progressives is intended to benefit the whole Dominion from one end of it to the other and Mr. Crerar contended that at the present time no other policy will fill the needs of the hour in this country. If conditions are such that agriculture is stagnant and unprofitable, then industry cannot be prosperous, because industry depends for its prosperity upon the prosperity of the farmer and agriculture.

Denies Being Millionaire.

In opening his address the Progressive Leader replied to what he referred to as an insinuation being spread broadcast among the farmers of Ontario that he was a "Western millionaire." He declared: "Unfortunately, I cannot lay claim to that distinction, if distinction it be. A few thousand dollars, saved out of my salary, represents the extent of my material wealth in this world."

Hon. Mr. Crerar said that among the bogies being raised by the Government forces throughout the country was that of annexation to the United States; another was that of a supposed inferior loyalty of Western Canadians, among whom the Progressive movement found great strength. Referring to Premier Meighen's Moncton utterance, contrasting the vision of Canada as held in the West with the vision of Canada in the minds of Eastern Canadians, Hon. Mr. Crerar said: "Does that language not seek to plant the seeds of suspicion as to the loyalty of the Progressive movement?"

"Are we," he said in further discussion of the campaign policy of the Conservative leaders, "to have religious and patriotic divisions in order to pave the way to politicians' success?" Continued reference to the "Wood-Crerar party" by opponents of the movement, coupled with the appellation given to Mr. Wood as the "man from Missouri," he said, constituted nothing else than an effort to insinuate against the Progressives' loyalty."

Behind This Government.

In reply to the Premier's public protest at being personally linked up with big interests by the Progressive leader, Hon. Mr. Crerar said: "I have never said on any platform that Mr. Meighen, personally, was the puppet or slave of any interest. I have said nothing on any public platform which I would not say, in the House of Commons. What I said, and what I now maintain, is that behind this Government in this fight are all the big interests of Canada. And I know the influence these big interests have exercised in the public life of the country in the past."

"Premier Meighen," the Progressive Leader continued, "had made a perfectly sound argument ten years ago when he protested in the House of Commons that the fiscal policy then being pursued was resulting in the concentration of industry in a few big centres. Just as Hon. Mr. Meighen had said, industries in every little town in the Province had been snuffed out. The Premier himself on that occasion in the House, he recalled, had announced the decline in the number of implement manufacturing concerns from 234 in 1881 to 70 in 1906. Monopoly, the Premier had protested, had been permitted to go on "under the very eyes of the Government."

HON. T. A. CRERAR

About Dominion Textiles.

The Progressive Leader gave one more of his illustrations of the workings of high tariff in connection with mergers. Quoting from statistics of the Dominion Textiles, Limited, given by the General Manager under oath, he said that the company, a merger of several companies manufacturing cotton textiles in Canada, was formed in 1904. Five million dollars' worth of common stock issued by the Dominion Textiles, Limited, he said, was sold for $500,000.

"This combine," he said, "was sheltered under a tariff of anywhere from 30 to 40 per cent. No business man, no merchant, could import cotton goods into Canada unless he paid a duty of 37 1-2 per cent. in the past few years. Taking advantage of that situation the Dominion Textiles sold its goods at a price that would just meet competition of other goods coming in. What was the profit it earned? We find it reflected in the value of the common stock. That stock, four and a half millions of which was unadulterated water, was quoted as high as $137 a share and has paid dividends as high as 20 per cent.

"The Dominion Textiles got its profits from the sale of its goods to the Canadian people, and I submit that the Company was able to make these profits because of the protection afforded it by the tarrif, of from 35 to 40 per cent., which kept foreign textiles out of the country. No company, in my opinion, should be permitted to exploit the Canadian people.

"I know Premier Meighen is not personally the puppet of any concern. But why are the interests behind his government? Because they know that the Government will not interfere with their tariff protection."

Not Opposed to Business.

Applause greeted his defense of the operations of the United Grain Growers, the farmers' co-operative company of Western Canada: That concern had been charged, he said, with making profits and distributing it among its shareholders. But, he argued, if the 35,000 farmers who constituted its shareholders had decided to organize a concern to handle their own products and had divided the profits among themselves, whose business was it?

"I am not opposed to business," proceeded Hon. Mr. Crerar, replying to statements crediting him with the intention of sacrificing industry to agriculture. "I like to see business men prosper. But it is this condition of affairs as illustrated in the Dominion Textile and other concerns to which I voice decided objection. These statistics have been taken from public records and I do not make statements on the platform that I cannot back up. I believe the wealth and the population of Canada would have been a great deal larger if we had not had a policy of high protection during the past 20 or 30 years."

MONO COLLEGE.

The last regular meeting of the Mono College Women's Institute was held at the home of Mrs. I. J. Murphy, Centre Road, on Thursday afternoon, October 6th. There was a large attendance and a splendid programme. The first part of the meeting was devoted to business. Arrangements were made for a Rummage and Homemade Baking Sale, proceeds in aid of Lord Dufferin Hospital and a Santa Claus Fund. Further particulars will be given later. A very instructive Paper on "First Aid in the Home," was given by Mrs. J. E. Smith, in which many valuable hints were mentioned. A vote of thanks was tendered Mrs. Smith for her Paper. The ladies of the Institute appreciate Mrs. Smith's willingness to assist the Institute by any means. Several gramaphone numbers were given by the hostess after which a dainty lunch was served.

The next meeting will be held at the home of Mrs. Robt. Marshall, Centre Road, on Thursday, November 3rd, at 2 o'clock. Rev. Wm. Coutts, of Camilla, will address the ladies on the subject, "Some Things That Make Life Worth While."

MONO MILLS.

Communion services will be held in the Presbyterian churches ministered to by Rev. J. A. Matheson as follows:—

Mono East, Sunday, October 30th, at 3 p.m.; Adjala, Sunday, November 6th, at 11 a.m.; Mono Mills, Sunday, November 13th, at 11 a.m.

A DESIRE TO EAT WHAT YOU WANT

Stomachs Can be Restored to a Healthy Condition.

Not to be limited in diet, but to eat whatever he pleases is the dream of every dyspeptic. No one can honestly promise to restore any stomach to this happy condition, because all people cannot eat the same things with equally satisfactory results. But it is possible to so tone up the digestive organs that a pleasing diet may be selected from articles of food that cause no discomfort.

When the stomach lacks tone there is no quicker way to restore it than to build up the blood. Good digestion without rich, red blood is impossible, and Dr. Williams' Pink Pills offer the best way to enrich the blood. For this reason these pills are especially good in stomach trouble attended by thin blood, and in attacks of nervous dyspepsia. Proof of the value of Dr. Williams' Pink Pills in cases of indigestion is given by Mr. John A. McDonald, Tarbet, N. S., who says: "Every sufferer from indigestion has my heartfelt sympathy, as I was once myself a bond slave to it. Eating at all became a trial, and as time went on became a mere skeleton of my former self. I took all sorts of recommended medicines, doctors' and advertised, but to no avail. Then a friend said to try Dr. Williams' Pink Pills. I got a box and I thought before they were done I could feel a change. Then I got six boxes more, and by the time they were used I was eating my meals with regularity and enjoyment. My general health is now good, and it is no wonder that I am an enthusiastic advocate of Dr. Williams' Pink Pills."

You can procure Dr. Williams' Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for $2.50 by writing direct to The Dr. Williams' Medicine Co., Brockville, Ont.

ARMISTICE DINNER

Canadian Overseas Officers will Hold Reunion in Montreal.

A Reunion of all officers who went overseas will be held in Montreal at the Windsor Hotel on Nov. 11th, in the shape of a Dinner, and also to celebrate the Armistice. All officers are eligible in all branches of the services, viz, Army, Navy, Air Force, Tank Corps, C. A. M. C., Railway Troops and Forestry Corps and also any Imperial Army Officers living in or visiting Canada also any officers of any of the Allied Forces.

The Governor General (General Lord Byng) will be the guest of the evening. The only other guests will be a representative of each of the Allies: General Sir Arthur Currie, Lieut-General Sir Richard Turner, V. C., will be present. Also the four Divisional Commanders, Lieut-General Sir Harry Burstall, Major General Sir David Watson, Sir Archibald McDonnell, Sir Frank Loomis, and Major Gen. Sir Edward Morrison. (Artillery) Brig. Gen. Armstrong. (Engineers) Major Gen. Armstrong. (C. A. M. C.) General Hervey. (Railway Troops) Major Gen. J. B. White. (Forestry Corps) Major Gen. J. H. McBrien, Chief of the General Staff and Major Gen. Elmsley, Adjutant Gen., will also be present, and a large number of Brigade and Battalion Commanders will be there.

MONO MILLS.

Next Sunday the service in the Crawford's Appointment of the Mono Mills Methodist Circuit will be held in the evening instead of the afternoon.

A Union Temperance Sunday School service will be held in the Methodist Church here next Sunday afternoon. The children of the co-operating Sunday Schools will meet at the Anglican Church and march to the Methodist church in a body. Rev. T. Dunn Dinnick, the pastor of the latter church, will address the children.

Miss McGill, of Erin, has been engaged as teacher in our school.

Harvest Home services will be held in the English church on Sunday evening.

A joint meeting will be held in Mono Mills on Tuesday evening, Nov. 1st, in the interests of R. J. Woods, Herbert Taylor and Compton Jeffs, U. F. O. candidates in Dufferin, Peel and South Simcoe. The candidates will deliver addresses. A special invitation is extended to the electorate of the district, including the ladies.

CALEDON.

The death of "Mike" McCormick, son of the late Hugh McCormick, was a profound shock to the whole community. In driving home the connecting rod of his car broke, locking the wheels. The overturned car and body was discovered by W.J. Brown, the mail courier. His mother and family have the sincere sympathy of all who knew him and appreciated those qualities which made him one of our most popular young men.

A most delightful time was spent at the manse on Thursday evening, the occasion being a shower for the recent bride and groom, Mr. and Mrs. Sim.

Miss P. Judge was called away suddenly on Monday by the death of her uncle, Chas. Abercrombie, of Grierville, who succumbed suddenly on Sunday while at supper with his family. Mr. Abercrombie sustained severe injuries about four months ago in a cave-in of a gravel pit, which was the cause of his death.

J. D. TORRIE
THE CLOTHING MAN

SUITS
for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S

Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

J. D. TORRIE,
THE CLOTHING MAN, ORANGEVILLE.

THE MAPLES

On Thanksgiving Sunday, November 6th, anniversary services will be held in the Methodist Church, when Rev. S. D. Dinnick, of Mono Mills, will preach at 11 a.m. and 7 p.m. The following evening a concert will be held in the church. The program will be given by the Laurel choir and other talent. Fuller announcement later. This will be Thanksgiving Day. You cannot do better than spend the evening at the church.

ALTON

Remember the anniversary services in the Methodist Church on Sunday, Oct. 30th. Rev. J. R. Wilkinson, of Inglewood, a former Alton boy, will preach at 11 a.m. and 7 p.m. There will be music by the choir. The Annual Thank-Offering will be received at these services.

The Epworth League is planning for an entertainment on the evening of November 11th. A good program will be provided.

The Ladies' Aid Tea and Cake Sales have been very successful both financially and socially. They will be continued next Saturday, October 29th.

HOSPITAL NOTES

There is to be a public meeting of the War Memorial held in the Auditorium of the Library at 8 p.m. on Monday, October 31st, at which the members of the I. O. D. E. are requested to attend.

Several book agents have canvassed the town pretending to be under the patronage of the I. O. D. E. The Daughters of the Empire have countenanced none of these agents since they failed in giving satisfaction with Every Woman's World.

We are delighted to acknowledge two exceptionally generous donations this week, i.e., the $25.00 annual cheque from the Bank of Commerce; also $25.00 from Mrs. R. H. Robinson.

BOWLING GREEN

The young people of Bowling Green are requested to meet at the home of Miss Mae Whaley on Thursday evening, Nov. 3rd, at 8 o'clock for the purpose of forming a Young People's Society.

Don't forget the Hot Meat Supper on Thursday night, Oct. 27th.

The Bowling Green Women's Institute will meet at the home of Mrs. Wm. Durkin on Friday, Nov. 4th, at 2.30 p.m. The subject, "Sane Saturdays make Enjoyable Sundays," will be taken by Mrs. Will Black. Music by Miss Doris Whaley.

P. S. ENTERTAINMENT

The teachers and pupils of the Orangeville Public School purpose putting on an entertainment in the Opera House on Thursday and Friday evenings, Dec. 1st and 2nd. The admission will be 30c. and all seats are to be reserved.

L. O. L. 320 SUPPER

The members of Prince of Wales L. O. L. No. 320 will hold a Fowl Supper in the Lodge Room on Friday evening, November 4th. The members, their wives and families are cordially invited to attend. Admission, 50c.

ABLE TO DO HER WORK

After Long Suffering Mrs. Peasey Restored to Health by Lydia E. Pinkham's Vegetable Compound

Toronto, Ont.—"I suffered with irregular menstruation, was weak and run down, could not eat and had headaches. The worst symptoms were dragging down pains, so bad I sometimes thought I would go crazy and I seemed to be smothering. I was in this condition for two or three years and could not seem to work. I tried all kinds of medicines and had been treated by physicians but received no benefit. I found one of your booklets and felt inclined to try Lydia E. Pinkham's Vegetable Compound. I received the best results from it and now I keep house and go out to work and am like a new woman. I have recommended your Vegetable Compound to my friends and if these facts will help some poor woman use them as you please."—Mrs. J. F. PEASEY, 387 King St., Toronto, Ontario.

If you are one of these women do not suffer for four or five years as Mrs. Peasey did, but profit by her experience and be restored to health.

ROBBED COLLECTION BOX

Fore some time the treasurer of Melville Church, Fergus, believed that either the members' weekly contributions were falling off or that a leak was draining them some other way. It was his custom to leave the morning collection in a tin cash box which he always locked and deposited in a press in the Sunday School room which was also locked. After the evening service, the collection then taken, with the morning one, is counted by the missionary treasurer, and two assistants, and then taken home. After being convinced that some of the money was being stolen, it was resolved to set a watch between the morning service and the Sunday School hour in the afternoon, which was done, with the result that two youths, sons of respectable parents and members of the Bible Class, were caught in the act with considerable sums, which had been extracted from the cash box, in their pockets. They confessed having robbed the box on the previous Sunday, but denied any former depredations. They had in their possession keys that fitted both the press and the cash box and while it could not be proved that any further sums had been taken by them, it has been thought that altogether $300 or more has been taken. The boys were taken to the lock-up and kept there until Monday morning when they appeared before Police Magistrate Hillyer, and pleading guilty to two Sunday's thefts, were let off on suspended sentence, restitution having been made by the parents of the amounts confessed to. According to the punishment meted out the young men cannot leave town for two years without permission, and have to attend Sabbath School regularly and a church service at least once every Sabbath.

SERIOUS

"What's the charge, officer?"
"Vagrancy, your honor. He was loafing around a street corner."
"Ah, impersonating an officer."

HE KNEW

More Brains (at piano recital)—"What is that charming thing he is playing?"
Less Brains—"A piano, y' dub."

Have You Zam-Buk Handy?

—for you never know when you may need this wonderful healer. Timely use of Zam-Buk soothes away pain and irritation and kills the germs which set up blood poison, ulceration, and eczema. Zam-Buk is a pure and highly refined herbal balm. Free from mineral drugs and animal fats it is the safest dressing for all skin sores and injuries. Everybody speaks well of Zam-Buk.

BABY'S SORES. Mrs. W. A. Fawcett, of River Glade, N.B., writes:—"On baby's scalp sores the usual ointments had no effect whatever. Zam-Buk, however, speedily soothed the irritation and cleared away every trace of disease."

FATHER'S BURNS. Mr. J. Johnson, of 734, South Marks St., Fort William, writes:—"I was badly burned by molten metal which went right through my boot. I was taken home and had the foot dressed with Zam-Buk. This kept away all festering and inflammation and in two weeks the wound was well healed."

MOTHER'S ULCERS. Mrs. J. Elsworth, 902, Selkirk Avenue, Winnipeg, says:—"Ulcers started on my left ankle and in spite of doctors treatment, they spread towards the knee. Zam-Buk soothed the pain wonderfully, and further dressings of this famous balm stopped the discharge, took out all poisonous matter and healed my leg perfectly." 50c. box all chemists and dealers. TRIAL SAMPLE for 1 cent postage from Zam-Buk Co., Toronto.

You Never Know When You May Need It

FAILING TO SPIKE THE LEVER

(By Harold T. Chesbrough.)

At five minutes past nine on a winter night, when the thermometer registered thirty degrees below zero, extra engine No. 1262, eastbound, went off the track three quarters of a mile west of JB tower, because a rail had broken under the pounding of heavy traffic and the contraction caused by low temperature. The point of derailment was two thousand feet east of the Broad Street tunnel and nearly a mile from the Seaton block office.

Often during heavy car movements, when the West Broad Street yard would be full of cars, the east bound track from the tunnel to the JB tower would be used by direction of the yard master for cars soon to be moved, and the dispatcher would issue orders establishing a single-track zone between the JB tower and the Seaton office. Tonight the dispatcher did not establish a zone, but the operator at the tower had orders to hold west-bound trains and to allow east-bound trains to proceed against the current of traffic.

When Taylor Williams, the third trick operator, came on duty at eleven o'clock he failed to sign the transfer book, which contained the information that the east-bound track was blocked; but the second trick man had told him the news and, with a warning not to let the fire go out, had departed into the dark and biting cold.

The warning about the fire was unnecessary. Williams heaped on the coal during his eight hours of duty; but when he had been on duty an hour and a half he discovered that the room was becoming decidedly chilly in spite of it.

Williams dropped upon his knees and gazed into the ash pan. It was full of ashes up to the grate, and he estimated that the fire pit was a quarter full. He would have to empty the ash pan before he could shake the grate.

Shivering, he went about taking up the ashes, which first meant a hunt outside for the ash pail and the shovel.

To prevent mistakes owing to forgetfulness, since trains were controlled by manual block signals, a makeshift arrangement was in force at the Seaton block office. A railway spike was placed between the latch and the handle of the lever that controlled the mainline signals; it prevented a hurried or improper movement. After lining up the switches for a train movement shortly after coming on duty, Williams has failed to "spike the lever" controlling east-bound signals.

Physically cold, but "hot under the collar," he paid no attention to the distant four long blasts of an east-bound freight calling for a clear board at the Seaton office. The second call, nearer and given more impatiently, brought the ejaculation, "Keep your shirt on," as Williams gave the grate a vigorous shake.

The near rumbling of the train drew him back to his duties. He jumped to his table, reached for and pulled the east-bound lever down with a jerk. The engineer answered with two short blasts and yanked the throttle open again.

Williams was not sure but he thought he saw the engineer silhouetted against the glare from the open fire-box, shaking his fist at him for being tardy with the signal. The freight had slowed down considerably before the signal had cleared, but now the heavy train was quickly gathering headway.

As Williams leaned on the table, one palm closed over the spike.

Touching the spike shot home to him the fact that the east-bound track was blocked—he had failed to "spike the lever" which would have prevented just such a hurried movement as he had made. The heavy train was already proceeding east on the east-bound track to certain disaster.

For an instant he stood stunned by the knowledge of his carelessness, then he plunged out of the office to warn some member of the crew in the caboose when it went past. The biting air made him think quickly and he realized that there was not one chance in a hundred of any of the crew being out on the platform. When it reached him the speed would be too great for him to attempt to "jump" it.

Only one chance remained. Without a moment's hesitation he stepped quickly to the side of the moving freight, caught hold of the ladder of a car and climbed to the top. He was nearer the locomotive than to the caboose; so he started toward the front end.

The tunnel! He must reach the engine before they came to the tunnel. If he failed, he would have to stretch out on the car roof until they emerged on the other side. Then it would be too late to warn the engineer.

Williams judged he was between fifteen and twenty cars from the engine as he started forward. The race would be close. The biting wind chilled him to the bone; his ears and fingers quickly became numb. When he had put ten cars behind him, his movements became more and more labored. The gaps between cars seemed to yawn wider and wider. The intermittent glow from the fire-box beckoned him on and mocked him by seeming to remain always just so far away.

The tunnel! How near was it? He became aware that the train was entering a cut; he saw the lights of Broad Street which paralleled the railway, rise higher and higher. He tried to run faster, but his motions felt grotesque and he seemed like one who tries to run in a nightmare.

He was close to the engine now—it was only two car lengths away—but the engine was close to the tunnel. He saw a black hill ahead; then the smoke of the engine flew back and enveloped him in its acid fumes.

Could he see the tunnel now? If he failed to see it in time he would be dashed off the car and killed. He wanted to drop flat, but fought off the impulse and strained every chilled nerve. He was on the last car when the warning telltales slapped his face cruelly. One hundred feet to the tunnel! Suddenly its sinister mouth was right upon them, swallowing up the locomotive. Uttering a hoarse cry, he fell forward across the last gap between train and tender and then, with a roar, the car entered the tunnel.

Half unconscious, hatless, blinded and blackened by cinders and smoke, he wormed his way over the coal and rolled down into the cab at the feet of the astonished fireman.

Self-preservation is an instinct with railway crews. The presence of the frozen operator was all that was necessary to tell the engineer something was wrong. He brought the train to a stop as soon as possible.

Orillia will have a three days' fair next year.

Why the Ford is the "Universal Car

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

BARN DESTROYED

Mr. Ernest Smith, lot 14, 7th Con. Amaranth, met with a very serious misfortune last Friday night, when his barn and the season's crop were completely destroyed by fire. Mr. Smith had gone into the mow to put down some hay, leaving the stable lantern standing on a cutting box on the threshing floor. The dog started to chase some pigs which had entered the barn and one of the animals ran against the cutting box, upsetting box and lantern. The barn was a modern bank structure, 60 by 60. Mr. Smith had not threshed and had his entire grain and hay crop stored in the building. Some hens were also burned to death. The loss will approximate $6,000 or $7,000. Mr. Smith carried $3,500 insurance in the Dufferin Farmers' Mutual. Much sympathy is felt for him in his unfortunate loss.

ONTARIO TO GO INTO THE BANKING BUSINESS

To Accept Deposits From the People Through Sub-Treasury Branches —4 Per Cent Will Be Paid.

Not a General Banking Business, But Only to Receive Deposits.

The Ontario Government has decided to open Sub-Treasury Branches to accept deposits from the general public. On these deposits it is expected four per cent. interest will be paid. At the last session of the Legislature an Act was passed authorized the Treasurer of Ontario to borrow money by means of deposits in any amounts from any persons or corporations, and to open offices for this purpose at such points as he may find necessary. It was, however, provided that this Act should not come into force until a date to be named by Proclamation of the Lieutenant Governor-in-Council. The Proclamation of the Lieutenant Governor has brought the Act into effect as from October 4th. This was passed on the recommendation of the Hon. Manning Doherty, Minister of Agriculture, in the absence of and acting on behalf of the Hon. Peter Smith, Provincial Treasurer. The administration of the offices will, however, be under the Provincial Treasurer, and the offices are to be known as Sub-Treasury Branches. Just how many will be opened has not been determined, but it is expected that half a dozen at least will be opened in the immediate future and others from time to time as circumstances seem to require. These offices will accept deposits in varying amounts from the general public.

It is, of course, not the intention of the Government to enter into a general banking business. The Act passed at the last session limits the purpose for which these monies may be used. They will be used primarily for financing short term and long term loans for agricultural development, but should the deposits be in excess of amounts needed for these purposes they may be invested in bonds of the Province or Dominion or school bonds or debentures of the Province. Regulations will of course be adopted to keep deposits sufficiently liquid to meet demands on the part of depositors. All details of this nature will be announced when the offices are opened.

While the importance of this step is fully appreciated by the Government, it is not felt that it will create any disturbance of regular commercial conditions. It is believed that it will further promote thrift on the part of the people by providing an additional opportunity for investment at good interest with absolute security. It will also assist in agricultural development by making money available at reasonable rates of interest. It is not proposed to make loans at rates which will be under current reasonable rates charged by regular institutions. Furthermore, all monies received on deposit will be used immediately in the Province, and will not therefore be diverted either from circulation or from productive uses, which, in the opinion of the Government, will be an adequate safeguard against the detrimental effects which have been urged by those who have feared that this step on the part of the Government would interfere with the supply of money for other commercial and industrial purposes.

To administer this important work the Government has appointed Mr. Morley E. McKenzie with the title of Director of Sub-Treasury Branches. Mr. McKenzie is well qualified by training and experience for the duties to which he has been appointed. He was born at Corinth in Elgin County in 1890, and continued at school until matriculation. Deciding then on a commercial career, he at once entered the bank, and has served with the bank for fourteen years in all the different grades, which has given him experience in all lines of banking. He joined the staff of the Traders' Bank, and was afterwards absorbed in the staff of the Royal Bank. He has served in the office of the Inspector at Montreal and at branches at Sudbury, St. Mary's Toronto, Tweed and Burlington. He has been manager at the last two places. In addition to this long experience in sound banking principles and practice, he has an attractive and aggressive personality which will be of assistance in his new work. He will undertake his duties as soon as he can leave his present position, probably by the end of the present month. Other officers necessary for the carrying on of the work will be added frm time to time as the need arises.—The Farmers' Sun.

NERVY ROBBER

Got Away With $125 From a Meaford Store in Broad Daylight.

One day recently a decidedly daring robbery took place in Meaford, when a stranger entered the grocery store of Mrs. A. M. Noble, and by some quick manoeuvering, managed to escape with over $125 of the proprietor's money.

About one-thirty o'clock in the afternoon a young man giving his name as Gordon Brown went into the store to get change for a five dollar bill. Receiving the correct change he went out, and in about five minutes returned presumably to purchase a few pounds of chicken feed, which, with grain and other supplies, is kept in a store-room at the rear of and in connection with the grocery. The feed was procured and when paid for there was a few cents change due the customer, who, however, did not want the change, but threw down five cents additional for chocolates, got them and went away.

A few minutes later Mrs. Noble, on going to the register, discovered to her surprise that all the money was gone, amounting to one hundred and twenty-five dollars, mostly in tens and fives. With no clue as to the direction taken by the robber Mrs. Noble gave Chief Constable Clark a hurried telephone call for aid. Being aware that the G. T. R. train for Toronto was about due to pull out, they lost no time in getting to the station, the train was detained a few minutes, Chief Clarke and Mrs. Noble entered the cars, and after a quick search, spotted the suspect. He was taken into custody by the chief, and on being searched practically the same amount of money and the same bills were found on him as had been removed from the store. The prisoner was locked up in Meaford jail, Crown Attorney Dyre, of Owen Sound, communicated with, and information was laid against Brown for theft. On Friday morning the Crown Attorney went to Meaford and took charge of the preliminary trial. Magistrates J. J. Johnston and Major S. A. Gray, after hearing the evidence, sent Brown up to Owen Sound for trial.

FALL FAIR STATISTICS

At a meeting of the East Luther Agricultural Society Directors on Friday, J. A. Richardson, Secretary-Treasurer, presented a comparative statement of the 1920 and 1921 exhibitions as regarding exhibits and amount spent in premiums. The table below gives a splendid idea of the big success of the show, and of the effect of good weather.

	1921		1920	
	Entries	Prizes	Entries	Prizes
Horses	57	$180.50	65	$159.00
Cattle	50	71.50	46	62.00
Sheep	19	29.00	11	14.00
Swine	8	14.00	5	8.00
Poultry	139	48.40	156	57.75
Dairy	194	69.55	36	14.00
Grain	43	25.25		
Veg'bles	197	45.00	108	41.25
Fruit	108	46.75	148	52.75
Fine Art	84	35.20	30	28.10
Fancy	321	101.60	219	85.80
Child'n	381	77.10	427	84.40

There was a total increase in entries of 114 and $75.20 more spent in prizes.

After paying all expenses incident to the show there will be a balance of about $300 on hand.

SURE TO BE LIGHT

"I think you need more footlights on the stage," said the theatrical manager who had hired the hall for a performance.

"Oh, you'll find the house light enough when you come to give your show I reckon," replied the man who owned the hall and knew the town.

PEPS
THE NOVEL BREATHEABLE REMEDY

PRIMROSE

As it is now some time since I last saw this burg represented in your valuable paper, I thought that a few items about my travels might prove of interest. I was lucky enough to land in the village of Shelburne in time for the U. F. O. Convention a week ago Saturday and I enjoyed the discourses of the different speakers very much indeed. Upon withdrawing from the hall I fell in with my old friend, Wm. J. Fleming, who accompanied me as far as Geo. D. Buchanan's. As George and I were old schoolmates I thought I would spend a few days with him. In the course of our conversation I informed him that I had been at the U. F. O. Convention and as George and I disagreed on politics I thought I would journey on down the line. On my way I met my friend, James Foster, who invited me to stay with him over the week-end. Upon making enquiry I learned that Charlie had taken his regular trip to Orangeville for the week-end. As I proceeded on my way Monday morning I met Charlie returning. He informed me that he had met with a slight accident and had been obliged to remain in the hospital overnight. I next met Roy Bell who stated that Book and Play was the order of the day. I did not call at Martin's as I was informed by his housekeeper that he was not at home. I next fell in with Edgar Manning, who invited me to remain with him overnight. As the weather was not very favorable I remained here until Thursday evening, when I chanced upon Harvey, who invited me to accompany him on his usual trip to Violet Hill. After having a friendly chat with Harvey I thought I would drop off at Elmer Horner's. To my great surprise I found my old friend, Sam Buchanan, there. Of course birds of a feather all flock together and as Sam said he was settled for the night I thought I wouldn't show any spite. Starting up the road I called on Roy, who said that potato picking was the order of the day. I next spied Jack Patterson passing at a lively gait. I hailed him and learned with surprise that he was going to Jim Dean's. I climbed in, but we had only gone a short distance when we met Artie Noble, who told us that his gasoline supply was practically exhausted and that he intended to park his car right there and walk down to William Henry's. The remainder of my journey with Jack was uninterrupted until we reached Jim Dean's, where I thought I would spend a few days renewing old acquaintances and then continue my trip on Sunday morning. I met Angus at the Centre Road corner and thought he looked rather suspicious. After a short chat with him he excused himself, stating that he was in a hurry as he was going to sing in the Mount Zion church choir. On my way down the Centre Road I fell in with Johnnie Rotz, whom I accompanied to James Rutledge's. In the course of our conversation Johnny told me that he met Trueman Thompson on his way to Dave Horner's. After I parted company with Johnnie I was overtaken by Lyttle Thompson, who accompanied me down the line as far as the corner. After a private chat with Lyttle I met John Elgie, who told me that he was going to Orangeville to live and that Herb was going to cage the bird. I then paid a short visit to Fred Buchanan's, where I met with Andrew Henry. While here I had a friendly chat with Fred, Andrew keeping the home fires burning in the meantime. Andrew invited me to accompany him home and go to the Fowl Supper at Camilla on Monday evening. This invitation I gladly accepted.

BRANDRAM-HENDERSON

N. B. ALLIN

It is our sad duty to this week chronicle the death of another of the older residents of the northern part of Dufferin county in the person of Nathaniel B. Allin, whose death took place in the early hours of Sunday morning last at the home of James Isaac at Corbetton. Mr. Allin had been in poor health for some weeks past and at the time of his death was engaged in making his rounds of Melancthon township in the role of assessor, which position he has held annually, with few exceptions, for the past thirty-seven years. He was in Shelburne for a few days last week and complained of feeling unwell. On Saturday morning he attended a meeting of the Melancthon township council held at Melancthon Station. Taking the evening north-bound train he went to Corbetton, where he purposed staying with Mr. Isaac for a few days and incidentally finish his work in that locality. He took worse shortly after retiring for the night and Dr. Martin, of Dundalk, was summoned. The latter remained with him to the end, his death occurring about 3.00 o'clock Sunday morning. The late Mr. Allin was born in Devonshire, England, in 1848, and came to Melancthon township in 1878, being then thirty years of age. Although not one of the earliest himself he was connected with the Nichols family, who were the very oldest land owners owning land in Melancthon township. For more than thirty years out of the forty-three years since Mr. Allin first came to Melancthon he has been in some way connected with the municipal work of that township, more especially as assessor. In the early nineties he served for three years as Councillor. As an assessor he was very popular with the great majority of the ratepayers and his work was always well and accurately done and with such neatness that was always admired by those who perused his work. The deceased was the oldest official in the service of the municipality and always took a great interest in educational matters, was a keen debater and fluent speaker. In politics Mr. Allin was a life-long Reformer and in Dufferin, as well as in Ontario County, where he resided before coming to Melancthon, he worked hard for his party in numerous battles. A number of years ago the deceased commenced business in Shelburne under the firm name of Allin & Cameron, real estate and insurance agents, later disposing of the business to Lindsey & Lindsey, since which time he has been making his home with his daughter, Mrs. J. C. Broderick, lot 27, con. 3, W. H. S., Mulmur, from whose home the funeral took place on Tuesday afternoon of this week, interment being made in Badjeros cemetery. Besides the daughter above mentioned, he is also survived by one son, William Allin, of Toronto, who was ill in the hospital and unable to attend the funeral, which was in charge of Rev. A. F. Bamford, pastor of Honeywood Methodist Church.—Free Press.

MANNING–WATSON

The home of Mr. William Watson, Back Line, Melancthon, was the scene of a very pretty wedding at two o'clock Wednesday afternoon, October 19th, when his youngest daughter, Carlotta, was united in marriage to Mr. John Clarence Wilfred Manning, son of Mr. and Mrs. John Manning, Orangeville. Rev. W. H. Hartley performed the ceremony under an arch of evergreens and wedding bells. To the strains of Mendelssohn's wedding march, played by Miss Minnie Watson, the bride entered the drawing-room on the arm of her father. The bride, who was unattended, looked lovely in ivory satin with the customary bridal veil and carried a bouquet of white roses and maiden-hair fern. After the signing of the register the bride and groom led the way to the dining room, which was decorated in pink and white. After the wedding breakfast, the happy couple left on the evening train for a short trip to Toronto, the bride travelling in a suit of navy serge with hat to match and wearing an opossum scarf, the gift of the groom. The bride was the recipient of many beautiful and useful presents. The groom's gift to the pianiste was a pearl bar pin. On their return Mr. and Mrs. Manning will reside on the groom's farm in Caledon.

LAUREL

Seven cars brought about forty young people of the Orangeville Epworth League out to pay a fraternal visit to the Laurel League on Monday evening. The program, which was given by the visiting League, consisted of two numbers by a male quartette, a reading, a couple of well rendered vocal solos, and short addresses by the Orangeville President, Mr. Wilson McConnell, and Dr. Price. Dr. Price spoke of the advantages to be derived from the "getting together" of the town and country people. He had been raised in the country, and had lived in the town for a number of years and had come to the conclusion that the advantages were not all on the side of town life. He closed his address with a quotation from Sam Foss' poem, "The House by the Side of the Road."

The Laurel young ladies, under the leadership of Mrs. W. Gray, the social vice-president, served a daintily prepared salad lunch, which, apparently, was very much enjoyed by all present. Mr. Walter Gray, who is not only President of Laurel League, but also of Orangeville District Epworth League, presided over the gathering, and extended the welcome on behalf of the Laurel League to the visiting young people. Rev. H. L. Partridge, who chaperoned the Orangeville party, moved a vote of thanks to the Laurel League, expressing the hope that some time in the near future they would be able to repay the compliment.

On Sunday evening, in the absence of the pastor, Rev. G. W. Lynd, who was preaching in Horning's Mills, the Epworth League took charge of the evening service. Short addresses were given by Mrs. E. Richardson and Mrs. C. Banks.

MRS. JAS. HIGGINSON

In the death of Mrs. James Higginson, which occurred on Monday at the ripe age of 80 years, the Mono Road district lost one of its oldest residents. Born in Ireland in the year 1833, the late Mrs. Higginson, whose maiden name was Miss Ann Jane Hanna, came to Canada in 1852 and settled at Mono Road, where she has lived for 69 years. Her husband died several years ago. Three sons and five daughters survive. The funeral was held yesterday afternoon, interment taking place in Providence cemetery near Mono Road.

HER MOTHER'S FUNERAL

A pathetic incident occurred last week in connection with the case of Mrs. Mabel Lee, the Rosemont woman, who is in the County Gaol here awaiting trial on the charge of poisoning her husband, Robert Lee, a couple of years ago. The prisoner's mother, Mrs. Samuel Thompson, a woman of 72 years of age, died at her home, lot 27, 5th line, Mono, on Tuesday, October 18th, and was buried in Relessey cemetery on Thursday afternoon. When Mrs. Lee was informed of the death of her parent she exhibited intense grief and expressed a strong desire to be permitted to be present at the funeral. The gaol authorities while perfectly willing to allow the prisoner to attend the funeral under guard, had no discretion in the matter. Sheriff Endacott, however, interested himself so far as to telephone to Toronto and acquaint the Attorney-General's Department with the facts and Mrs. Lee's desire to be permitted to go to her mother's funeral. The Department could not see its way to grant the request, leaving the Sheriff no alternative except to refuse the small comfort which his prisoner so earnestly craved.

CRUSHED SKULL

Little Girl Killed While Climbing on Her Father's Wagon.

A very sad affair occurred near Craighurst on Monday evening, when the little daughter of Andrew Cumming, con. 5, Medonte, was run over and instantly killed.

Mr. Cumming was drawing in potatoes and was proceeding homewards with a heavy load when his daughter, Marion, aged 5, went to meet him, as was her custom. He stopped to rest his horses and was standing on the ground beside the wagon. Looking around for his daughter, he saw that she had climbed up on the load on the opposite side. As the wheels were well down in the soft ground, the horses, in starting, gave a sharp pull, and the jolt was so hard that it shook the child off the wagon. The father saw her fall in front of the wheel, and stopped the horses immediately, but not soon enough to prevent the wheel crushing her skull. Death was instantaneous. Very deep sympathy is felt for the grief-stricken parents.

The facts were reported to Dr. Arnall, coroner, but he found that there was no necessity for an enquiry.—Barrie Examiner.

CAMILLA

The Fowl Supper and Entertainment held in St. Andrew's Church on Monday evening, October 7th, attracted a large crowd and was a splendid success in every way. A most enjoyable programme was furnished by Ben Hokea, the widely known Hawaiian entertainer, who was ably assisted by local talent. Mrs. Banks, of Orangeville, always a favorite with a Camilla audience, has lost none of her oldtime charm and her readings delighted all. Geo. Buchanan, the seven year old lad, who sang each number so beautifully, was greatly appreciated as also was Arthur Curtis in his role of Harry Lauder. The Misses Myrtle, Loana and Mabel Kyles gave some delightful selections on the violin. Our teacher, Miss Henry, made her debut as a reciter and all hope to hear her soon again. Mr. and Mrs. Robt. Reid and Mr. W. A. Henry gave several much appreciated vocal selections. The members of the Ladies' Aid, who were responsible for the Supper and Entertainment, are to be congratulated upon the success attending their efforts. The proceeds amounted to the handsome sum of $152.25. Sunday morning and evening preceding the Entertainment Rev. F. C. Harper, of Hillsburg, occupied the pulpit and delivered excellent addresses.

Rev. and Mrs. Wm. Coutts are in Toronto this week.

There will be no service in St. Andrew's Church next Sabbath owing to the indisposition of our pastor, Mr. Coutts.

One of our best known men, Mr. John Little, is moving to Shelburne this week. He has sold his farm to Mr. R. J. Wake of that town. Mr. Little and son, Eldred, will be much missed in this community, where they have lived all their lives, and where they are highly thought of as neighbors and friends. That good luck may attend them is the wish of all.

We regret to report the illness of Mrs. H. McKim and Miss Annie Parks.

Misses Florence and Victoria Parks of Streetsville, were home to see their sister over the week-end.

NORTH ERIN BAZAAR

The Ladies' Aid Society of North Erin Presbyterian Church will hold their annual Bazaar on Friday evening, Nov. 11th, commencing at 7 o'clock. A large range of useful articles, homemade candy and baking will be offered for sale. A lunch will be served and there will be a program consisting of views of Jerusalem and Palestine given by Mr. John Still, of Orangeville. There will also be a musical program by Mrs. Banks, of Orangeville, and other local talent. Admission, 25 cents and 15 cents. 17-2t

ORANGE SERVICE

The Members of Mono Mills Orange and Loyal True Blue Lodges will attend divine service in Mono Mills Presbyterian Church on Sunday, October 30th, at 11 a.m. Rev. J. A. Matheson, pastor of the church, will address the brethren. Members of neighboring Orange and True Blue Lodges are extended a hearty invitation to attend.

FOUND THE MONEY

There was a lively time in the Italian boarding house on lot 14, just south of Camilla, on Monday morning, when Dan Meli, one of the gang of Italians, who are working on the Provincial Highway, made the disturbing discovery that his wad of $150 or thereabouts had disappeared. None of the inmates of the house knew anything about the money and after storming about for a time Dan informed Storekeeper Alex. Mann of his loss. Mann 'phoned to Orangeville and enlisted the services of High Constable Marshall. Marshall went out and arrested three of Meli's fellow workers and brought them to town. They all professed their innocence. Just when matters were shaping up for a Police Court seance word came from the women who have charge of the boarding house that the missing roll had been found. How or where the money was found remains a mystery. This would have ended the matter had not one of the three men whom Marshall arrested attempted to intimidate the Constable with a revolver. For this indiscretion the foreigner, who travels under a name something like Patzelle Ingleibello, will appear in the Magistrate's court to-day to answer to a charge of carrying firearms without a permit.

"SALADA" TEA

is the true flavour of the perfectly preserved leaf. This unique flavour has won for Salada the largest sale of any tea in America.

LOCAL NEWS.

—Ideal autumn weather these days.

—Boomers Wanted. Ladies pre-ferred. Apply at Banner Office.

—Mr. and Mrs. C. V. Jeffers and family moved into their new home on West Broadway this week.

—Hockley Lacrosse Club will hold a Dance in the Orange Hall, Hockley Village, on Friday evening, Nov. 11th.

—We regret to learn of the continued illness of Mr. Andrew Davidson, West Broadway, who has been very poorly for the last three weeks or longer.

—Thousands of weak, run-down men and women have reported astonishing gains in weight from the use of Taniac. Sold by C. V. Jeffers, Orangeville.

—McCallum's Dirbc Supply, Ltd., of Brampton, has been selling choice steak all week at fifteen cents per lb. They intend opening in Orangeville shortly.

—Citizens of Georgetown surprised Mr. and Mrs. J. A. Willoughby at their country home one evening recently and presented them with a cabinet silver tea service.

—The early harvest and fine, open autumn have combined to give the farmer a splendid chance to overtake his work. Generally speaking work on the farms is pretty well on for this time of the year.

—Camilla Women's Institute will hold its annual Social Evening and Fowl Supper at the home of Mr. Alex. Mann on Wednesday evening, Nov. 2nd. The Supper is an annual affair and is for the members and their families.

Don't use polish on Brown Boots

USE ZET

ARNOTT'S SHOE STORE

—E. H. Nichol has sold his tailoring and gents' furnishing business in Creemore. He also sold the Block he occupied to Mrs. Morrow, of Avening. Mr. Nichol is a brother-in-law of Mr. John Norris, Town Treasurer.

—Taniac is manufactured in one of the largest and most modernly equipped laboratories in this country. Sold by C. V. Jeffers, Orangeville.

—The fierce winds last week almost denuded the maples of their foliage. The trees retained their autumn dress much longer than usual this season owing to the absence of the usual early frosts. It was only last week that the leaves commenced to fall in any extent, but once they started they came down in a hurry.

—Mr. and Mrs. Geo. Perfect, West Broadway, received a message on Saturday morning of the death from pneumonia at noon of Mrs. Perfect's sister, Mrs. John McDonald, of [illegible] Island. Deceased, who is survived by her husband and a family of [illegible], was a daughter of the late [illegible] Brewster, a onetime resident of this district.

—Taniac has been an unfailing source of comfort to millions throughout the length and breadth of this country. Have you tried it for your [illegible]? Sold by C. V. Jeffers, Orangeville, Ont.

—Under the caption, "A Group of Ontario Special Farmers," the Montreal Herald & Weekly Star has an excellent photo of Mr. H. A. [illegible], Agricultural Representative for Dufferin County, H. Fairweather, of the O. A. C. dairy staff, R. [illegible] Wade, Live Stock Branch, [illegible], and E. G. Gordon, representative of the Dominion Department of Agriculture.. The photo was snapped at the Union Stock Yards in Toronto.

—Harris Masonic Lodge will hold its annual At Home on Thursday evening, Nov. 10th.

—Remember the War Memorial meeting in the Public Library on Monday night and endeavor to be there.

—His many friends will be sorry to learn of the serious indisposition of Mr. Fred Atkinson, who has been confined to his room for several days.

—Miss Byfield, of the High School staff, has resigned and leaves this week to take a position on the staff of the Toronto Technical School. Miss Whitelaw, of Woodstock, will fill the vacancy caused and will commence duty next Monday.

—"Please don't publish the advt., "Pigs for Sale," any longer, as I have sold them all by the help of your paper," is the message The Banner received from a Mono farmer on Tuesday evening. It pays to use printer's ink when you have anything to sell.

—McCallum's Direct Supply, Ltd., met with great success on its first visit to Caledon last Friday. There were a large number of purchasers and they were all well satisfied.

—Mrs. (Dr.) Bowles arrived home on Tuesday night after spending three weeks in the Toronto General Hospital, where she was obliged to undergo a very serious operation. Mrs. Bowles is still very weak, but the operation was a success and will mean better health when she has fully recovered.

—Fully four hundred people attended the Chicken Pie Supper given in the school room of St. Andrew's Church by the Ladies' Aid Society on Wednesday night of last week. The Supper was followed by an enjoyable musical program. The ladies enriched their treasury by $93.00 as a result of their enterprise.

—$30,083.02 of Orangeville taxes were paid in to Tax Collector Jack M. Aiken in time to take advantage of the one per cent. discount allowed on all taxes paid on or before Oct. 15th. This year's roll totals $49,013.89, so that nearly $20,000 remains to be paid. The amount paid in by the 15th compares favorably with the amount paid in by that date a year ago.

—McCallum's Direct Supply will be in Caledon this week with their ton trucks of choice meat, arriving at nine o'clock and staying until about two or three p.m. After this on Thursday of each week as they will be in Norval and Georgetown on Fridays.

—Mrs. S. Trimble, West Broadway, who was obliged to undergo a serious operation in the Toronto General Hospital about a year ago, found herself confronted with the unpleasant necessity of facing a second operation last week. The operation was performed in Lord Dufferin Hospital by Dr. Marlowe, of Toronto, assisted by Drs. Kyles and Macleod. It was successful and while not altogether out of danger Mrs. Trimble is doing as well as can be expected. Her friends join in the hope that she may experience a speedy recovery.

DISMISSED THE SUIT

The suit of Rutledge vs. Huffman, which has been hanging fire since last February, was finally disposed of at a special sitting of the Orangeville Division Court on Tuesday afternoon. The plaintiff, Tom Rutledge, of Shelburne, formerly of Orangeville, sued Wm. Huffman, a well-digger residing at Humber Bay, on an account for services. Huffman put in a counter-claim. After hearing the evidence and adjusting the accounts, the Judge decided that the litigants stood on practically even terms. He therefore dismissed the action without costs. C. R. McKeown appeared for plff. and J. L. Island for the deft.

WEST MONO PARISH

The Rev. J. C. Blowe will conduct services on Sunday, October 30th as follows:—St. Matthews, 11 a.m.; St. Luke's 3 p.m.; Herald Angel, 7 p.m. A second service will be held at St. Matthew's at 7 p.m., when Rev. G. E. Gray, of Rosemont, will preach.

CITIZENS' BAND CONCERT

A fairly large audience had the pleasure of listening to and enjoying an excellent program at the Citizens' Band Concert in the Opera House on Friday night. The only criticism we have heard offered was that the program was too lengthy, but if this was a fault the audience itself was to blame for it insisted upon showing its appreciation by encoring the artists. These were generous with their responses so that practically every number on the printed program was converted into two numbers. The character and quality of the entertainment reflected great credit on the band and deserved an overflowing house. The local artists were Miss Bessie Lewis, who was heard in two delightful vocal solos, Misses Clara and Delia Hulse, whose exquisite violin solos and duets were received with rapturous applause, Mr. Russell Morrow, whose saxophone solos were excellently rendered and warmly received, and the Orangeville Male Quartette, consisting of Messrs. Jessop, Falconer, Clowes, Dr. Price. The Quartette singing was very fine and won deserved applause for the artists. Mr. Jessop was also heard in a solo, which was not on the regular program, but which he consented to sing in response to a special request. Mr. Wm. Clowes also contributed a solo in his usual pleasing style. The outside artists, Mr. Fred Dawson, humorous entertainer, and Miss Dorothy Dawson, solo pianiste, were very good indeed and contributed their share to the success of the program. Mrs. Russell Morrow made a most acceptable accompanist. The Band was present in full force and contributed several excellent numbers in finished manner. The organization has made fine progress under the skilful leadership of Mr. Jessop and will now compare very favorably with any other town band in the Province. During the intermission Dr. G. H. Campbell, President of the Band, spoke briefly in behalf of the organization and made an effective plea for support for the fund to purchase new uniforms.

ST. ANDREW'S Y. P. S.

The Missionary Committee, under the direction of Miss Jennie McArthur, the convener, provided an excellent program at the weekly meeting of the above Society on Monday night. Following the opening exercises and prayer by Mr. R. W. Ellis, a quartette, consisting of Misses Mary Hughes and Gwen Sproule and Messrs. A. C. Hannahson and Carl Hanley, contributed an appropriate number. Miss Phoenix, who has been engaged in Deaconess work on Vancouver Island, gave an inspiring and instructive Talk on her work, the different branches of Deaconess activity and the needs of the home mission field. The program concluded with a piano solo by Mr. A. C. Hannahson.

Next Monday evening the Society is entertaining the young people of the Laurel Y. P. S. The visitors will provide a short programme, which will be followed by a Hallowe'en Social. All members and adherents of the Y. P. S. are heartily invited to attend.

HEALTHY CHILDREN ALWAYS SLEEP WELL

The healthy child sleeps well and during its waking hours is never cross but always happy and laughing. It is only the sickly child that is cross and peevish. Mothers if your children do not sleep well; if they are cross and cry a great deal give them Baby's Own Tablets and they will soon be well and happy again. The Tablets are a mild but thorough laxative which regulate the bowels, sweeten the stomach, banish constipation, colic and indigestion and promote healthful sleep. They are absolutely guaranteed free from opiates and may be given to the new born babe with perfect safety. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

FELL DOWNSTAIRS

Mrs. James McGill, First St., had the misfortune to trip and fall while descending the stairs in her home last Thursday night. She fell to the bottom of the stairway and injured one of her knees quite badly. It was at first thought that the limb had been broken, but the doctors are now of the opinion that there was no fracture. The knee is badly swollen and very painful. Drs. T. H. Henry and J. A. Macleod attended to the injured woman, who was afterwards removed to Lord Dufferin Hospital.

THE SKATING RINK

For the last week Committees have been at work canvassing for stockholders for the proposed Skating Rink. The canvassers have been meeting with excellent results and the success of the enterprise appears assured so far as finances go. As intimated in last week's Banner the promoters propose to organize a joint stock company with a capital of $10,000 divided into $25.00 shares. Tuesday afternoon the canvassers had sold 265 shares, representing a total subscription of $6625. Enough promises have been received to bring the total well over $7,000. Quite a number of citizens have not been seen yet and it is not anticipated that there will be very much trouble in brimming the total up to the $10,000 mark. A meeting of the subscribers was held in the Public Library auditorium last night to organize and discuss plans for building the rink.

WALDEMAR

Anniversary Services were conducted in the Presbyterian Church here. Rev. McCallum, of Lucknow, a former pastor, gave inspiring addresses both morning and evening. The weather was ideal and the church was well filled on both occasions. Special music was rendered by the choir.

Miss Phoebe Ross, of Toronto, spent Sunday at the home of her parents here.

Miss Sadie Park, a former teacher, spent the week-end with friends here.

Miss Christina Ross spent Sunday visiting her Waldemar friends.

Mr. Charlie Hughes visited at the home of John Grosskurth on Sunday.

Miss Eunice Hewitt visited Toronto friends over the week-end.

Mr. Wm. Johnston had his tonsils removed last Saturday morning. We are pleased to report that he is recovering nicely.

Mr. and Mrs. J. A. McLeod went on a shopping expedition to the city on Saturday.

Miss Katharine McDowell has secured a position as teacher near Bradford. Her duties commence Nov. 1st.

Mrs. Wm. Lovell returned home Saturday evening after visiting her sister at Welland.

Miss Zilla McLeod was home for a couple of days last week on the sick list. Her sister, Miss Reby, took her place in Mr. Chantler's store in Alton.

Don't forget the meeting to be held next Sunday evening in the Presbyterian Church here, for the purpose of organizing a Young People's Society.

Mr. W. P. Tolton & Son have reopened the chopping mill and are prepared to cater to the public on Friday and Saturday of each week.

ON THE FRUIT FARMS

A short time ago the last detachment of farmerettes arrived in the home town from Camp Kumunruffit. Did you people ever hear of this wonderful place? If you didn't, just ask any of the girls who had the pleasure of spending some time at this camp during the summer. And how did we put in the time? Why we picked fruit, yes, bushels of all kinds of fruit, and tomatoes too, while in between times we wrought havoc among the weeds, and one of our number even took the contract of brightening our camp with a coat of paint. The day's work done, off to the lake for a dip—Lake Ontario you know—or perhaps to St. Catharines or Jordan Station general store and post office, to do our shopping and to get our mail—letters from home of course. And many an evening was joyfully spent in camp. You see we had a victrola all our own, and a fine hardwood floor for dancing.

Did we work hard—sometimes? Well, just ask our boss, Mr. H. E. Troup. There was a man, always so patient and fair, so willing to teach us "to farm" and always thinking of the welfare of the girls who pick his fruit.

Did each and every girl measure up to what was expected of her? We will leave that to be answered by others, say, Mr. Troup, or our Housemother, Mrs. Rowan. Really our Housemother was splendid, always thinking of the girls in her care, and the meals with which she brought satisfaction to healthy appetites, we will not soon forget.

Did we have a good summer at Camp Kumunruffit? Well, we should think we had!

ONE OF THE GANG.

J. J. HUBBARD'S ESTATE

The estate of James Josiah Hubbard, of Toronto, formerly of Orangeville, who died on September 3rd, is valued at $12,376 and is divided among his daughter, Jane Saunders, four sons, Duncan J., William G., Joseph J. and Albert E., his housekeeper, Elizabeth Horne, and a brother, John Hubbard, of Orangeville.

HOCKLEY

(Intended for last week.)

Picking potatoes is the order of the day.

We are sorry to hear that Mr. Neil McQuarrie is ill. We wish him a speedy recovery.

Quite a number from here attended the Dance in Palgrave on Friday night and report a good time.

Mr. and Mrs. Jas. E. Groveden and Miss Alice visited their daughter on Sunday.

Mrs. John Lee has returned from her visit to Orangeville.

Thos. Goodeve and Bob Cole took in Beeton Fair and report a good time.

Mr. and Mrs. Dunning Irwin took in the anniversary services at Tottenham on Sunday night.

Mr. and Mrs. Sam Irwin and daughter spent the week-end in Orangeville.

"Supposing I give you your supper," said the tired-looking woman, "what will you do to earn it?"

"Madam," said the wanderer, "I'd give you the opportunity of seeing a man go through a whole meal without finding fault with a single thing."

The woman thought a minute, and then told him to come in and she'd set the table.

—The Banner Bookstore for school supplies.

Dr. Thomas has installed a Delco electric plant. The need of light in the village is now more apparent than ever.

FIRE PREVENTION

There is an old saying that "fire is a good servant, but a bad master." Fire cooks our food, heats our homes in winter, makes steam to drive our engines and serves us in a thousand ways. But it is also fire that burns our houses, stores and factories, destroys our forests and every year costs many people their lives. Fire cannot be trusted. There is no flame so small but what it may become a disastrous conflagration if careless people forget its danger. Here are a few facts that we should remember:

(1) In Canada, during the past ten years fire has destroyed property worth more than $200,000,000. Even more serious than that, however, is the fact that over 2,600 persons were burned to death and thousands of others severely injured by fire.

(2) In the year 1920 Canada's fire loss was $76,700 daily, or over $50 per minute. While in European countries the average annual loss by fire is less than 33 cents per head of the population, in Canada, our annual loss exceeds $3 per head.

(3) Canada is made this much poorer by fire. Burned buildings and goods do not replace themselves. Fire losses are not paid by the insurance companies. The companies merely collect premiums from everybody in Canada and pay a portion of the amount collected to the person who suffers by fire. Fire taxes every one and none can escape. The cost of insurance, which represents the cost of fire waste, is added by manufacturers and merchants to the price of their goods. Fire increases the cost of everything, food, clothes, furniture, rents, and all the necessities of life.

(4) Saddest of all, fires in Canada destroy many lives. In 1916 there were 563 persons burned to death, 235 in 1917, 261 in 1918, 239 in 1919 and 284 in 1920. About sixty per cent. of these fatalities occurred in dwellings, a large majority of the victims and a large number were children under two years of age.

(5) In 1920 there were over 19,000 fires in Canada. Seventy-five per cent. of these were caused by carelessness and could therefore have been prevented.

A careless person can never be a worthy citizen because he is a danger to himself and to all those about him. Every time you hear the fire alarm you are pretty safe in saying, "There is a bad citizen! Someone has been careless, that fire could have been prevented."

WORSE THAN THAT

An early morning customer, a young woman with a determined air, addressed the salesman at an opticians shop.

"I want to get a pair of eyeglasses of extra magnifying power. While visiting in the country I made a very painful blunder which I never want to repeat."

"Indeed! Mistook a stranger for an acquaintance?"

"No, not exactly that; I mistook a bumble-bee for a blackberry."

Owing to the really bad weather Alliston Fall Fair was cancelled for this year. This is the second year in succession that the directors have had to cancel the Fair.

ACCIDENTALLY KILLED

Snelgrove Farmer Meets With Sudden Death in Brampton.

Coming to Brampton on Monday evening with his sons to hear the speakers at the Crerar meeting, Mr. Geo. Hogg, of Snelgrove, met with an accident that caused his death on Tuesday. The party were in an auto driven by one of the sons. Mr. Hgog and two others occupied the rear seat. He wished to get out of the car when they had reached Vodden St., and cried out "stop." At the same time he had been fumbling at the door and by some means the door flew open and he was precipitated in the street from the running car. The car was instantly stopped and Mr. Hogg picked up. He was taken back to his home and his doctor summoned. In the morning Mr. Hogg was up and around but becoming dizzy was put back to bed. We understand that he explained his falling from the car as the result of a dizzyness in the head.

The late Mr. Hogg was in his 63rd year. He was born on the farm on which he had resided for so many years. He was an esteemed citizen of the district and great regret is felt at his untimely death. Mr. Hogg was a member of Grace Church, Brampton, and a life-long Conservative. He is survived by his widow, who was a Miss Wilson, four sons, Herb, Ernest, George and William, all at home, and one daughter, Mrs. Bert McClure, Chinguacousy, west. He is also survived by two brothers, Wm. and Alex., of Shelburne, and two sisters.—Peel Banner.

YEATES-ERSKINE

Thursday, October 13th, at high noon, the Markdale Methodist Church was the scene of a very happy event. A host of invited guests and friends and acquaintances congregated to witness the marriage of Miss Mildred Idell, only daughter of Mr. and Mrs. J. Albert Erskine, of Markdale, to Mr. William Herbert Yeates, of Brantford.

The bride was escorted by her father to the altar of the church, which was tastily decorated for the occasion with flowers and autumn leaves. She was supported by Miss M. A. Yeates, sister of the groom, and her flower and ring bearers were Miss Marion Wallace, of Toronto, and Miss Pearl Sewell. The groomsman was Mr. J. Molloy, of Brantford, a lifelong chum of the groom. The ceremony was performed by the bride's pastor, Rev. Frank N. Bowes, B. A., B. D. While the register was being signed, a sister of the groom rendered beautifully the solo, "O Promise Me.," Mr. J. Dundas ably officiated at the pipe-organ. Mr. Wilson Henry, Markdale, and Mr. Molloy, Brantford, acted as ushers.

After the ceremony the guests went to the home of the bride's parents, where a sumptuous wedding dinner was served.

Among the guests from outside points were the following: Miss Kathleen Erskine, Alton; Mrs. Yeates, mother of the groom; the five sisters of the groom; Mr. and Mrs. Carley, of Brantford; Misses Yeates, Guelph; Mr. Chas. and Miss Winnie Yeates, Guelph; the aged grandfather of the groom, Guelph; Mr. Taylor, Guelph; Mrs. Wallace and Marion, Toronto; Mrs. Jas. and Miss Maydee McAuley, Barrie.

The costume of the bride, of duchess satin and georgette, hand embroidered with orange-lily effect was replaced by the going-away suit of navy blue tricotine.

The gifts to the bride were numerous and valuable.

Friends followed the happy couple to the station and showered them with confetti as they left for their honeymoon trip to Toronto, Niagara Falls, Brantford and other points.—Markdale Standard.

WHAT WAS EXPECTED

The old negress who washed for Mrs. Worth came one morning with a tale of woe calculated to bring pity to the hardest heart. "Cheer up, aunty," consoled Mrs. Worth. "There's no use worrying."

But aunty held other views of the matter.

"How come dere's no use worryin'?" she demanded. "When de good Lawd send me tribulation He done 'spect me to tribulate, ain't He."

THAT SHOT IN THE ARM

"Mamma, was I ever baptized?" Dwight asked his mother.

"Yes, dear."

"Well, mamma, was I ever vaccinated?"

"Yes, dear."

"Well, mama, which one was it that I got in the arm?"

Harold, the six year old son of Mr. and Mrs. W. J. Davey, of Shelburne, had the misfortune to slip and fall, and in the fall his right leg was broken between the knee and ankle.

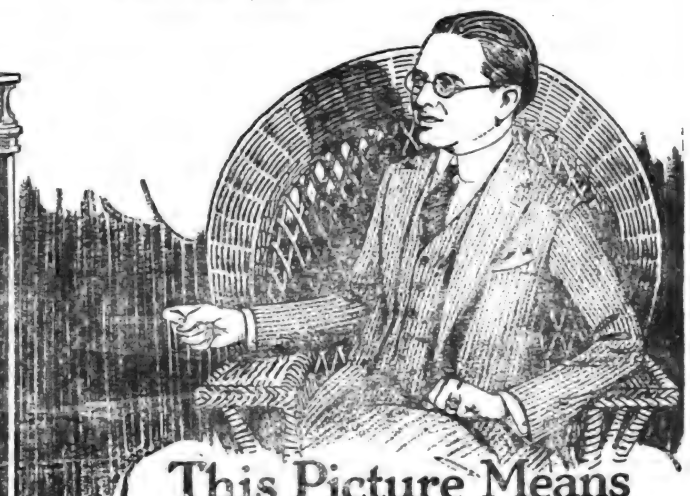
The NEW EDISON

is positively the only phonograph that can sustain the acid test of direct comparison with the living artist. It has given this amazing performance of direct comparison over 5,000 times before over four million people.



This Picture Means Something To You!

THIS picture is sketched from an actual photograph made of Bamboschek, principal conductor of the Metropolitan Opera, listening to the great Muzio sing in comparison with the New Edison's RE-CREATION of her voice. After the comparison, Bamboschek in amazement said:

"I have heard a comparison between Miss Claudia Muzio's voice and its RE-CREATION by the New Edison. I consider that the quality of Miss Muzio's living voice and the quality of her RE-CREATED voice are identical."

Is Bamboschek's Judgment Good Enough For You?

BAMBOSCHEK knows every note of Muzio's voice as you know the voice of the one nearest and dearest to you—and he pronounced Muzio's voice and its RE-CREATION on the New Edison IDENTICAL. Can you ask for any more—or could there be any more, positive proof that the New Edison gives you the performance of great artists with perfect, life-like realism? And it is significant, that only the New Edison dares to make direct comparison with the living artist or artists.

Three Days of Mood Music Free!

Mood Music will help you control your mental and physical well-being. Soothes you when nervous. Refreshes you when tired. Cheers you when sad. It's Mr. Edison's latest music discovery.

If you do not own a New Edison, we will gladly loan you one for three days, so that you can see what Mood Music and the New Edison will do for you. No buying obligation on your part.

Oakville Citizens' Band has disbanded, and the members are requested to return all instruments. The fall fair officers offer $500 a year toward its maintenance if they will reorganize.

The death took place at the home of his son-in-law, James Fairbairn, lot 8, con. 3, West Luther township, of a former old resident of the Riverview neighborhood, in the person of Thomas Howatt.

Rev. Mr. Gooding has been transferred by the Mennonite church from Moorefield to the pastorate of Shrigley and Proton churches, taking the work of Rev. Mr. McGuire, who has been moved to Stouffville.

The engagement is announced of Mabel Irene, daughter of Mr. and Mrs. Ira R. Schell, Markdale, Ont., to Russel James Smith, of Gormley, Ont., son of Mr. Fred Smith and the late Mrs. Smith, of Bethesda, Ont.

Mrs. James Beattie, of Elora, had the misfortune to fall downstairs at her home about two weeks ago. As a result, she dislocated her wrist and broke a small bone in her arm, and also sprained her ankle very badly.

Jailer McNab, of Wellington County Jail, Guelph, fed the inmates of his castle for 18 cents each per day during the past year. Those who complain about the high cost of living should ascertain how Mr. McNab does it.

The Presbytery of Superior has sustained a call by St. Paul's Church, Port Arthur, to Rev. J. A. Tuer, M. A., B. D., of Geneva Church, Chester. The call offers a stipend of $3,000 a year, a free manse, and one month's annual vacation.

One night recently Mr. and Mrs. Thos. Potter, of Allandale Mill, 3rd line, Albion, were the recipients of an address and testimonial from the members of the Methodist Church, who presented them with a hymn book, electric iron and toaster.

Mr. H. W. Clarke, of Fergus, has recently purchased a 100-acre farm in West Garafraxa, belonging to Mr. James Thompson. Mr. W.J. Darragh, of Hamilton, has purchased a 50-acre farm in Peel township belonging to Mr. J. C. Farelly, of Elora.

Dr. Mair, of Holstein, was fined $500 and costs by Magistrate Laidlaw, of Durham, for selling a quart of liquor instead of the regular six ounces to a customer for sickness and a sealed bottle of whiskey to each of three purchasers.

Another old resident of the north of Dufferin passed away on Saturday, Oct. 22nd, in the person of Emily McClelland, wife of Thos. Mills, who died at the home of her son-in-law, Robt. Laing, Corbetton, in her 71st year.

J. B. McWilliams, a Dundalk man now residing at Mimico, went over to Hamilton and while seeing the sights, was hit over the head by a negro and while unconscious was relieved of $200. The hospital authorities put five stitches in the gash in his head.

Wilfrid West, eldest son of Mr. Reuben West, of Grand Valley, had his foot caught in the hay press at Jacob Erskine's and came nearly losing it. He was feeding the machine, and his foot slipped on the board, dropping into the mouth of the press. He had the presence of mind to jerk his foot back but the ram caught it before he was clear, giving the lower part a bad squeezing and several cuts.

BOHEMIA SECEDES FROM ROMAN CHURCH

The Los von Rom movement in Czecho-Slovakia is reported to be growing both in breadth and vigor. From an interesting account in the Church Times, which claims to be specially well-informed on the question, it would appear that a great number of the secessionists from the Roman Church have adopted the creed of the Orthodox Eastern Church and have embraced proposals for union with the Serbian section of the latter church. The Serbian Church representatives have reminded the Bohemian seceders that in the fifteenth century the Bohemians had already begun negotiations for union with the Serbian Church, which were interrupted by the fall of Constantinople. Following suggestions made to it by the Serbian Greek Church authorities, the new Czecho-Slovak Church has constituted itself on the lines of the Eastern Orthodox Church and its intention is to set up a Czecho-Slovak Orthodox Church with its own patriarch, or head. Its union with the Greek Church of Serbia was to have been formally proclaimed at a general conference at Prague a few weeks ago. The Church Times says it is credibly reported that this new Bohemian church means the detachment of a million people from the Roman Church and a gain of the same dimension to the Greek Church. It is not to be forgotten that Protestantism also is gaining a great multitude of Bohemian converts from the Church of Rome. The Vatican views these enormous secessions with the deepest alarm, and has sent emissaries to Czecho-Slovakia to try to stem the tide of revolt, though the papal press, following its traditional practice, treats the revolters with scorn and describes their movement as unimportant. But the truth is manifest to the world and Los von Rom in Bohemia is making history.

"NO ONE KNOWS"

Miss Agnes McPhail Had Narrow Escape When Car Took to Ditch.

Miss Agnes McPhail, the U. F. O. candidate in South Grey, had about as narrow an escape from being killed by a train on Friday as she will ever have. She was with a party of friends motoring to the Creemore meeting at Mt. Forest. At a G. T. R. crossing, just north of Mt. Forest, the car just missed being struck by a G. T. R. train. The auto was almost on the track when the train came along, and only for the presence of mind of the driver, all would undoubtedly have been killed. He swung the car into the ditch, giving the occupants a bad shaking up, but undoubtedly saving their lives. Miss McPhail addressed the meeting after her arrival and said that "Never again will I be so close to death. If the train had hit me no one knows where I would have been now."—Owen Sound Sun-Times.

CAMPAIGN TOGETHER

Candidates in North Grey Show Splendid Example of Good Feeling.

Mr. M. R. Duncan, the Conservative candidate, and Mr. Thos. Rutherford, the U. F. O. candidate, attended the unveiling ceremony at Ravenna yesterday afternoon and got in some preliminary campaign work among the farmers of the townships in the eastern part of the riding. One would suppose the two candidates would travel in separate cars. But they didn't. The two candidates travelled in the same automobile—yes, they sat side by side in the same seat. Tom, the lowly farmer who intends to clean up the whole works if he reaches Ottawa, and Matthew, merchant prince and manufacturer, who is strong for protection, chummed it all the way to Ravenna and back. It was something really novel in political campaigning in North Grey and the U. F. O. of Ravenna must have been mildly shocked to find their favorite candidate in such close contact with the representative of the big interests of the Government. O. S. Sun-Times.

FIRST CASE HEARD UNDER NEW STATUTE

Uncertainty as to Meaning of New Legislation.

A case of more than common interest was heard yesterday by Judge Sutherland, involving some recent legislation of the Province of Ontario. Suit had been brought for an affiliation order under the Act respecting children of unmarried parents passed at last session of the Legislature; but when the matter came before the Judge in Chambers everyone connected with it, Judge as well as counsel, was more or less at sea as to the exact meaning of some parts of the statute. No provision appeared to have been made for appeals, and, though the Act provided that the Lieutenant-Governor may make regulations as to costs, fees and expenses, that part, apparently had never been followed by action. The case being the first in Grey County under the new Act, and there being no precedents on which to go, there was considerable doubt as to just what could be done. The matter was finally settled by the defendant agreeing to pay $150 in full of all claims. Mr. A. D. Creasor appeared for the plaintiff, Mr. H. G. Tucker for defendant.—Owen Sound Advertiser.

Straight talk on Cream Separators by

J. E. SMITH & Co.

Orangeville, Ont. Canada.

They're starting right with a De Laval

A DE LAVAL Separator starts you right because it provides a steady income the year around. There is no waiting for crops to mature before money is received, no long winter months with nothing to sell, when you have a few cows and a De Laval.

When you start right with a De Laval you have an assurance of a steady income, for every year as long as you want to use it.

And separator trouble is rare indeed among De Laval users. More than forty years of experience in building cream separators are back of the De Laval.

It skims closer, turns easier, has a greater handy capacity and is easier to keep clean. In short, it is the most economical and most satisfactory separator that it has ever been possible to buy.

We'll meet you right with a De Laval that will pay for itself while your cows are in it

Sooner or later you will buy a De Laval

BRAMPTON, ONTARIO.

RESERVED FOR USE

It must always be kept in mind that the word "reserve" in connection with Canadian forest reserves means that the forest is reserved for use and not from use. As has been proved many times in Eastern Canada, settlers locate and clear an area of such poor soil that it is only fit to grow trees, then in twenty or twenty-five years they will abandon their sandy or rocky farms and, heartbroken [illegible] the loss of so much time and human endeavor, will go away to begin over again. All over the continent it is recognized as criminal to allow uninformed people to go into districts where there is so little agricultural land that attempts at farming are bound to end in failure. Similarly it is only one degree less criminal to allow those who first cut timber in a forest reserve to slash and hack and burn the trees to the detriment of all who come after. The Dominion forest reserves administration is therefore organized to make these areas of non-agricultural land as useful as possible to the surrounding communities. Millions of feet of saw-timber and thousands of cords of fuel wood are annually cut by settlers and over a hundred thousand head of stock—cattle, horses and sheep—are grazed yearly on parts of the reserves not covered with timber. By using up first the fire-killed, diseased and mature timber and allowing the young trees a chance to grow, it is expected that a perpetual supply of timber will be maintained on the reserves to meet the needs of the surrounding settlements. The first condition, however, for the accomplishment of this end is the united action of all citizens in keeping fires out of growing timber.

An inch of rain means that one hundred and one tons of water have fallen on every acre of land in the affected district.

ONTARIO CENSUS FIGURES

Decreases are shown in the population of several electoral districts in western and southwestern Ontario, according to census figures, which were issued from Ottawa a few days ago. The figures given for 1911 are for similar areas and where an asterisk appears it indicates a decrease of population and percentage of the decrease. Dufferin, unfortunately, is one of the counties that shows a loss, its population having dropped from 17,740 to 15,415, a decrease of 13.10 per cent. in the decade. Peel on the other hand shows an increase of 14.40 per cent., the figures being 22,102 in 1911 and 25,285 in 1921. The figures follow by counties:—

	1921	1911	Inc.
Brant	20,059	19,259	4.15
Brantford	32,499	26,617	22.10
Dufferin	15,415	17,740	*13.10
Elgin, East	17,403	17,597	* 1.10
Elgin, West	28,526	26,715	6.78
Essex, North	71,039	38,006	86.92
Essex, South	31,262	29,541	6.16
Grey, North	30,611	33,957	* 9.85
Grey, S. E.	27,393	31,934	*14.22

U. F. O. MEETING

A meeting in the interests of Mr. R. J. Woods, the U. F. O. candidate for Dufferin, will be held in the Carnegie Hall, Grand Valley, on Wednesday evening, Nov. 9th. Mr. Wood, Secretary of the Western Grain Growers' Association, will address the meeting.

RHEUMATISM REMEDY

Sufferers from rheumatism would do well to investigate the merits of Dr. Clearwater's Rheumatism Remedy, which has effected many remarkable cures of cases that had come to be regarded as incurable. Mr. W. R. Grosskurth, of Laurel, has the sole agency for this district and will be pleased to furnish full information to any interested parties.

WHITTINGTON

Whittington Branch of the Dufferin Women's Institute will meet at the home of Mrs. S. J. Cruikshank on Wednesday, Nov. 9th, at 2.30 p.m. Mrs. Jos. Kinsley will give a Paper on a selected subject. A discussion on "When Your Girl Leaves School" will be led by Mrs. John Anderson. Music will be provided by Miss Margaret Phillips and Mrs. John Ritchie.

A NARROW ESCAPE

Milton Armstrong, of Whittington, formerly of Violet Hill, had the left arm sleeves torn off two shirts, his sweater coat and smock, while placing a belt on a gasoline engine on Saturday. The skin was also peeled off the under side of his arm, but apart from this he had the good fortune to escape without injury.

THE WAR MEMORIAL

Decision to Build Monument Reached at Meeting on Monday Night.

There was an excellent attendance at the meeting held in the Auditorium of the Public Library on Monday night to consider the question of the War Memorial. Quite a number were present from outside the town, Mono and Amaranth being represented in the gathering. Reeve Jeffers presided and explained the purpose of the meeting, inviting frank discussion as to the form the proposed Memorial should take. The Secretary, Capt. A. Firth, presented the report of the Committee appointed a year or so ago for the purpose of collecting information. The report stated that the Committee had sent letters to something like fifty towns asking what they had done and inviting suggestions. The answers indicated that in many places nothing whatever had been done, in ten towns the memorials had taken the form of hospitals, memorial halls, club houses for veterans or parks and in some fifteen places they had taken the form of monuments. The cost of the buildings ranged from $16,000 to as high as $35,000. Monuments cost all the way from $1750 to $7,000. In nearly every instance the necessary money had been raised by a general tax levy supplemented by popular subscriptions. The following suggestions had been received locally:—

1. That a monument be placed on a square to be purchased and fitted up opposite the Post Office.
2. That the memorial take the form of a monument.
3. Suggestion by P. S. Inspector W. R. Liddy that the fund be used to found memorial scholarships.
4. That a memorial building be purchased or erected in some central situation and fitted up for recreation purposes.

When discussion was invited a number of those present expressed their opinions in brief speeches. J. A. Hughes, of Laurel, favored a memorial wing to the hospital, Jos. Jackson, of Mono, J. J. White, C. R. Wheelock, D. Macpherson and Thos. S. Hewson expressed their preference for a monument and B. McGuire pointed out the advantages of a Community Hall.

C. R. Wheelock moved, seconded by D. Macpherson, that this meeting is in favor of erecting a monument as a memorial to the boys who fell at the front. Mr. McGuire moved in amendment that the memorial take the form of a community hall. The majority of those present supported the Wheelock motion, which was subsequently made unanimous upon motion of Mr. McGuire.

C. R. Wheelock, Jos. Jackson and B. McGuire were then appointed a nominating committee to select a permanent Memorial Committee to consider designs, cost, site, etc. and report to another general meeting, which will be called whenever the Committee is ready to report. The Committee selected was:—

Orangeville — Col. Preston, Dr., Campbell, Reeve Jeffers and Capt. A. Firth.

Amaranth—John Bryan, Herb Hughes.

Mono—J. A. Marshall, G. W. Rayfield.

East Garafraxa—Warden Jas. Brown, J. A. Cornelius.

The Committee was afterwards empowered to add to its numbers and to appoint any sub-committees that may be thought necessary.

For the purpose of erecting the monument the County Council appropriation of slightly over $3,000 is available. This will be supplemented by public subscriptions as may be found necessary.

NO DESBOROUGH GAME

The Dufferins will not have the pleasure of meeting the Toronto-St. Simons or any other team for the Desborough Cup this season. Mr. Bert Booth, Secretary of the local Club, took the matter up with the Trustees late in August, but it was not until last week that the latter made their final decision. This was communicated to Mr. Booth in the following letter:—

Toronto, Oct. 29th, 1921.

Mr. Bert Booth,
Secretary Dufferin Lacrosse Club,
Orangeville, Ont.

Dear Sir,—

With further reference to your letter of August 29th, entering a challenge for the Desborough Cup, the Trustees found it necessary to hold the matter in abeyance pending the conclusion of the Ontario Amateur Lacrosse Association season. This, however, was so prolonged that, after careful consideration, it has been thought well to defer any Cup matches until the spring of 1922. The Toronto-St. Simons Club of Toronto has, therefore, been called upon to defend the Cup against your Club on a date to be arranged prior to the opening of the O. A. L. A. season next spring.

Kindly acknowledge receipt of this communication and oblige,

Yours truly,
P. D. TOLCHARD,
Secretary.

THE MAPLES

The Maples Methodist Church, The Maples, will hold anniversary services next Sunday at 11 a.m. and 7 p.m. Rev. T. Dunn Dinnick, of Mono Mills, will conduct both services. A concert will be held in the Community Hall on the following Tuesday evening. Laurel Methodist choir will furnish part of the program and will be assisted by local talent. Admission, 25c.

YOURS FOR FAIR DEALING—THE BIG STORE

ST. ANDREW'S Y. P. S.

The Hallowe'en Masquerade Social held by St. Andrew's Y. P. S. on Monday night was a marked success. A large number of young people were present and the variety of bright and ingeniously devised costumes worn for the occasion presented a delightfully pleasing spectacle. The evening was happily spent in music and different amusements. Lunch was served shortly before the merry gathering dispersed.

Next Monday evening the Citizenship Committee will provide an interesting programme. Don't forget the Membership contest. The Blues are leading so far. A cordial invitation is extended to all young people.

—McCallum's Direct Supply Stores Limited, of Brampton, is a curer of choice bacon and hams. This will mean a further saving to the people of Peel, Dufferin and Halton counties, and insure A1 quality at a minimum price.

HOSPITAL NOTES

The regular meeting of the Daughters of the Empire will be held at the home of Mrs. D. A. Hogg, [illegible] St., Nov. 11th, at 3.30 p.m. A good program is being prepared.

Armistice Day will be commemorated on Friday, Nov. 11th, at Alexandra Park, where a cenotaph will be placed by the I. O. D. E. A short service will be held at 10.45 a.m. The public are urged to be present on this occasion. "Lest we forget."

The Vital Issue

"What we have to decide is this—Are we going to continue the protective system of this country or are we not? That is the question and that is the whole question. And the great, big, necessary thing is that every voter in this country from the Yukon to Halifax knows that this is the question he or she is deciding when he or she votes in this great contest."

—ARTHUR MEIGHEN

THE vital issue in the coming election—in fact, the only issue—is the Tariff, and to every clear thinking Canadian it should be readily apparent that a Protective Fiscal Policy is absolutely essential to stability, progress and development.

Every important country in the world upholds Protection as an essential economic principle. Even Great Britain—so long the stronghold of Free Trade—has now adopted laws that constitute Protection of the most effective kind. In fact, the present policy among most nations is towards raising their tariff walls, not lowering them. In the face of these facts it would be suicidal for Canada to do exactly the reverse and discard the fiscal system which has been responsible for its progress during the past forty-three years.

Free Trade would mean death to Canadian Industry. It would also result in the immediate closing down of Canadian plants of foreign firms, with consequent additional unemployment. There are to-day 660 American factories alone in Canada. Similar proposed ventures would be abandoned. New capital would refuse to come to a Country lacking adequate protection and present industrial enterprise would be promptly strangled by foreign competition.

The preservation of the home market by a Reasonable Protective Tariff is vital to both city dweller and agrarian alike—now as never before. More capital is urgently needed for the development of Canada's enormous resources, which will result in a lessening of unemployment and an increased population. More work and more workers will produce an enlarged home market for products of both city and farm, and the exodus of Canadian men and women—and the dollars they earn—will be precluded.

The United States has slammed her trade door in the face of Canadian farmers by adopting the Fordney Bill, and the farmer is consequently now even more dependant upon the home market than in the past.

Yet Crerar asks you to destroy that home market by voting for Free Trade.

King's policy—if he has one—will result in the destruction of the Tariff.

Meighen stands four square for Reasonable Protection—Protection for all the people—and asks for an overwhelming mandate to give both industry and agriculture that assurance which will spell prosperity for all. Individual prosperity depends upon National prosperity. Your personal interests and Canada's very existence hang upon your vote.

Meighen will lead us through

The National Liberal and Conservative Party Publicity Committee

CALEDON

The special services held in Knox Church last Wednesday were attracted general interest and there was an increasing-ly large attendance each night. Rev. W. Mahaffy, minister of St. Andrew's Church, Orangeville, had charge of the evening service on Tuesday night, Oct. 25th. The Wednesday night service was taken by Rev. Dr. Spence of Claude, that on Thursday night by Rev. W. N. Carr, of Alton, and Friday night's service by Rev. J. L. of Erin. The singing was very and the preaching of a high all four services. The first of the services were very apparent at the communion service on Sunday, when the attendance of communicants was larger than at any similar service during the incumbency of the present pastor, Rev. Jenkins Burkholder. The meetings have left an excellent impression in the community and will undoubtedly be productive of much lasting good.

LAUREL

The Ladies' Aid of the Laurel Methodist Church are having a Fowl Supper and an Entertainment on the night of November 17th. Watch for particulars later.

"It's good Tobacco"

THE BIG PLUG
20 cents

MASTER MASON
PLUG SMOKING

TRY a plug and learn what real pipe satisfaction is. And remember the big plug holds the flavor to the last. Master Mason "is good tobacco" at the rock-bottom price.

HILLSBURG

The many friends of Mr. William Morphy, of Toronto, who for many years was employed on the Elora branch of the C. P. R., were sorry to hear that his beloved wife died in Toronto, on Saturday, Oct. 22nd. Mrs. Simpson was born in East Garafraxa, near Orton, 52 years ago. She was the second daughter of the late Robert Simpson. Mary, as she was called when a girl, was highly respected and beloved by all who knew her. She leaves to mourn her loss two daughters and a faithful husband. The funeral took place on Monday following her death, from Toronto to Fergus, then to McKee's cemetery.

ALTON

The Epworth League of the Methodist Church is planning for a Grand Entertainment in the Town Hall on Friday night, November 11. The Orpheus Quartette, a popular and talented organization, will be heard in a select programme of solos, duets, quartettes and humorous numbers. In addition Miss Mae Shilling, one of the most popular demonstrators for the Columbia Graphaphone, will demonstrate "Growing Up With Music," in the Public Schools, Sunday Schools and in Community Singing, by the use of the Grafanola. There will also be musical selections by local talent and short addresses by Messrs. S. Charters, W. J. Lowe and Bert Taylor, the three candidates for Peel in the approaching Federal elections. The programme will begin at 8 o'clock sharp. Admission:—Reserved seats, 35c; other seats, 25c. Plan of hall at Chandler's store.

Anniversary services will be held in Alton Presbyterian Church on Sunday, Nov. 6th, at 11 a.m. and 7 p.m. The morning service will be conducted by the Rev. F. W. Mahaffy, of Orangeville, and the evening service by Rev. John Lindsay, of Erin.

The regular monthly meeting of the Women's Institute was held at the home of Mrs. George Cameron, "Fairview Farm," 3rd line, on Thursday afternoon, October 20th.

Mrs. Everton Erskine and two children, of London, are visiting Mr. and Mrs. John Erskine.

Mr. and Mrs. Amos Mason attended the King-Partridge wedding in Milton on October 13th. Dr. King practiced in Alton for two years prior to going overseas.

Mrs. Wm. Algio has returned to Worcester, Mass., after a three months' visit at her former home here.

The Anniversary Sunday in the Methodist Church last Subbath was a great success. There was a good congregation in the morning and in the evening every seat was filled. The congregations were privileged to enjoy excellent sermons by Rev. J. R. Wilkinson, of Inglewood. Good music was provided by the choir. The Thank-Offering amounted to the handsome sum of $350.

CAMILLA

Mr. James Howard, of Guelph, is the guest of his friend, Norman Parks.

Mr. and Mrs. Alex. Mann and Miss Elizabeth Mann spent Sunday in Toronto.

Mr. and Mrs. Thos. Madill and family visited Horning's Mills friends Sunday.

Rev. Will Bremner, of Galt, is spending a few days at his home here this week.

Mr. and Mrs. John Buchanan spent Sunday with Whittington friends.

The Y. P. S. held a splendid meeting last Friday evening. The topic was taken by Miss Hazel Henry.

The Women's Institute are looking forward to a successful fowl supper on Wednesday evening at the home of Mrs. Mann.

It is with feelings of deep sorrow that we record the death of Mrs. James Irwin who passed away very unexpectedly last Saturday evening. She had been ailing for several days but her condition was not considered at all serious. Death was due to heart failure. The entire community was profoundly shocked by the suddenness of the summons, but we cannot presume to challenge the dispensations of a Providence which orders with infinite wisdom all the destinies of men. We shall miss her pleasant smile, her cheerful and cordial greeting. In the melting pot of life there had been burned out of her character, as nearly as in the case of any human, all the dross and she came out purified. Her private life was beautiful as a wife, mother, neighbor and friend. Her public life was sublime, standing for principles, as little concerned about criticism as is Gibralter with the waves lapping the rocks at its base. With gratitude for her useful life and with deepest sympathy we commend those bereaved to the God of all comfort. Mrs. Irwin was born in Essa township fifty-four years ago. At an early age she came with her parents, the late Mr. and Mrs. R. Yool, to Primrose, where she resided until her marriage to Mr. Irwin who, with an only son, Harold, is left to mourn the loss of a devoted wife and mother. Mrs. Turnbull, Alliston, Mrs. Holt, Vancouver, B. C., Messrs. Robt. and Peter Yool, of Primrose, are the surviving sisters and brothers. The funeral which was held Monday afternoon to the Forest Lawn Cemetery, was very largely attended. The services at the home and grave were conducted by Rev. Mr. Coutts. The pallbearers were Messrs. Robert and Alex. Patterson, Wilmer Lundy, Josiah Marshall, James Buchanan and Robert Little.

—Roomers Wanted. Ladies preferred. Apply at Banner Office.

A SUCCESSFUL DANCE

One of the most successful functions that has ever been held in Orangeville was the Assembly held in the Town Hall on Friday evening last, when the Orangeville Junior Farmers' Improvement Association were at home to their friends. Nearly two hundred guests from the town and surrounding country were present to enjoy the excellent time provided by the Committee. The Aloha Hawaiian orchestra, of Arthur, a new organization to this locality, provided excellent music and responded generously to the numerous demands for encores. The Hall was specially decorated for the occasion with Hallowe'en trimmings and presented a very attractive appearance. Each guest was presented with a souvenir cap carrying Hallowe'en colors and decorations. A dainty buffet lunch was served at midnight. The arrangements were in charge of a Committee from the Association, consisting of Norman Parks, R. V. Young, Roy Huise, E. Garvey, H. Bracken and H. Ferns. Considerable of the credit for the success of the affair is also due to the able assistance given by Mr. and Mrs. H. A. Dorrance, who took charge of the details of the arrangements for the affair.

HOME FROM THE WEST

Mr. Andrew Moffitt, of Glencross, arrived home on Saturday night after an extended visit in different parts of Manitoba and Saskatchewan. He reports having spent a very pleasant time with friends and old acquaintances now living in these provinces. Among these were Mrs. A. Bagnell and family, of Froude, Sask., where Mr. Moffitt spent the greater part of his time. He also called upon Mr. and Mrs. Isaac Bagnell and family, of Huntoon, Sask. Their family are all married and live quite near the town. The old couple though worn with years of toil are well and still quite smart. While at Huntoon Mr. Moffitt met Mr. Richard Allen, a former Mono man, whom he found still lively and full of sport. After spending a couple of days hunting in the vicinity Mr. Moffitt returned to Froude. Some days later he motored west to Hume, Sask., where he and his friends called on Mr. and Mrs. J. J. Bower, formerly of Relemey, who treated them very kindly. From Froude the party journeyed to Talmage, where they called on two cousins, daughters of Mr. W. J. Buchanan, formerly of Mono. From Talmage they went to Filmore to visit Mr. James Halbert, formerly of Orangeville. They also visited Regina, where they called on a Mr. McDonald and John T. Lawson and son, formerly of Orangeville, who are now running an extensive boot and shoe business in that city. Mr. Moffitt found the crops in the Regina district and south of the city badly blighted by the rust. Wheat ranged anywhere from 8 to 20 bushels per acre, grading from 2 down as low as 5, but mostly No. 4. Oats ran around 30 to 40 bushels per acre, with scarcely any No. 2 C. W. At the elevators farmers are getting 86c. per bus. for grade 3 wheat and 74c. a bus. for grade 4. Oats 2 C. W. bring 22c. a bus. and feed oats 18c. a bus. Further west in the neighborhood of Gull Lake, Sask., wheat ran from 30 to 35 bus. per acre. Further west in the Melfort district and at Swan River the wheat crop averaged about 50 bus. per acre and was of best quality. Oats yielded as high as 125 bus. per acre and weighed over 40 lbs. per bus. One of the unusual sights that Mr. Moffitt experienced was that of looking out at night and seeing great rows of straw stacks burning in every direction. The West, Mr. Moffitt states, is a great place for wind. He saw it overturn wagons, racks and all that was on them, including men. One day it blew some cars of cattle away from one of the stations and carried them along the track a distance of ten miles. Three or four weeks ago there were snowdrifts seven feet deep at Melfort. Mr. Moffitt, who has always been a farmer in Mono, says that he thinks the Ontario man is the safest man after all.

CALEDON.

The inquest, held Monday, as a result of the death of Michael McCormick, brought out no new evidence. The verdict gave the cause of death as an accident resulting from a broken connecting rod on car.

Some few years ago George Giles was visiting friends in the West and in order to save a crop of potatoes from frost helped his friends harvest them on Sunday. They were such fine potatoes that George brought a few home, planted them, and harvested a good crop. This year Hugh McKinnon planted three acres of them which yielded 650 bags.

The Sewing Club held a social and dance in the Town Hall on Tuesday evening, which was a great success. The members of the Club, distinguished by their bewitching Hallowe'en costumes, were very busy seeing that everyone had a good time. The "palmist" was most entertaining but told some good ones that were too good to be true. The fish pond provided Jim Hillyard with some things he may soon find use for.

Jane says: "I don't pretend to know anything 'bout politics but if a quarter of what the Grits and Tories say about each other is so, then the only thing to do is to try a brand new outfit."

The Hunt Club will be away on its annual trek Thursday, Dr. "Bill" Stubbs, as usual, being the most enthusiastic of the crowd.

A visitor over night last week declared next morning that he had heard a most terrible cat fight. It was Harvey McCort's fox chorus practicing.

The Agricultural Society are planning a big dance for Friday, Nov. 25th.

HORTICULTURAL SOCIETY

Orangeville Horticultural Society will hold its annual meeting in the Office of the Department of Agriculture on Friday evening, Nov. 4th, at 8 o'clock. Every member is earnestly requested to endeavor to be present.

STERN REMINDERS OF RHEUMATISM

The Trouble Must Be Treated Through the Blood.

Every rheumatic sufferer should realize that rheumatism is rooted in the blood and that to get rid of it it must be treated through the blood. The old belief that rheumatism was caused by cold, damp weather, is now exploded. Such weather conditions may start the pains, but it is not the cause. Liniments and outward applications may give temporary relief, but that is all they can do because they do not reach its sources in the blood. The sufferer from rheumatism who experiments with outward applications is only wasting time and money is depending upon such treatment; the trouble still remains, and it is all the time becoming more firmly rooted. Treat this disease through the blood and you will soon find relief. Dr. Williams' Pink Pills act directly on impure, weak blood; they purify and strengthen it, and so act on the cause of the rheumatism. Mr. P. J. Macpherson, R. R. No. 5, Cardigan, P. E. I., says:—"About three years ago I was attacked with rheumatism. I began taking Dr. Williams' Pink Pills and soon the trouble disappeared and I am in better health than before. I also know of an old lady acquaintance who was badly crippled with rheumatism in her arms and legs, and who suffered very much. She, too, took Dr. Williams' Pink Pills and is now able to do her housework. I tell you this in the hope it may be of benefit to some other sufferer."

You can procure Dr. Williams' Pink Pills through any dealer in medicine or they will be sent you by mail at 50 cents a box or six boxes for $2.50, by writing direct to The Dr. Williams' Medicine Co., Brockville, Ont.

ALTON

Not in a long time have the people of Alton and vicinity been given such an entertainment as was given here last Friday night, when the Hill Bros. Quartette, of Hamilton, supplied the program. The concert was given under the auspices of the Alton Women's Institute and the Town Hall was filled to capacity. The Bros. opened the program with the quartette, "Down on the Ohio," which brought rousing applause and was responded to by "Milsein' Mammy's Kissin'," a southern melody with beautiful harmony, which displayed the musical ability of the quartette. A saxophone solo by Mr. Roscoe Hill was a number of great favor, as was also the baritone solo, "They All Love Jack," sung by Mr. Fred Hill. Mr. Russell Hill delighted the audience with "Rebecca From Mecca" and "Sweet Hortense," which took on a more humorous strain and was very heartily received. The quartette, "Oh, My Lulu," showed real pep and brought out some very fine work. This was perhaps the most difficult number given and was followed by the encore, "Poor Little Lamb," sung with much feeling and remarkably fine harmony. Mr. Audman Hill, the high tenor, sang "The Radiance in Your Eyes" and "Springtime." Mr. Hill possesses one of the finest tenor voices heard here for some time and showed real feeling in the rendering of both numbers. The quartette was ably assisted by Mr. Hugh Wiltshire as accompanist, also of Hamilton. The Hill Bros. are to be complimented on their style and class of entertainment which was of the very highest order and we hope to have the pleasure of hearing them again in the near future. Mr. Harry Algie, of Brampton, contributed two solos, which received the usual hearty applause and Mrs. Dorrington of Alton, who is always a favorite, gave some readings which helped to make the program one of the finest. The Alton orchestra played throughout the concert and were much enjoyed. Rev. Mr. Carr acted as chairman and in his usual dignified manner, added to the success of the evening. On their way from the Hall the Hill Bros. were invited to the home of Mr. and Mrs. J. A. Lovell, where a luncheon was served. Later they went to the home of Mr. and Mrs. Amos Mason where a number of young people had gathered and the remainder of the evening was spent in music and dancing.

J. D. TORRIE
THE CLOTHING MAN

SUITS
for School Wear and for Play

Rough and tumble youngsters must have strong substantial clothes to withstand the glorious "after school" hours of good hard play. Hundreds of Canadian mothers are sending their boys to school in

TORRIE'S
Clothing for Little Men

Because these suits retain their smart appearance even after the hardest kind of play. The cloth is stronger, more lasting. The patterns are new and pleasing—just what real boys like. Call and see the good values we are offering.

J. D. TORRIE

TORRIE'S STORE

is here with real values this season again. We watched our chance and plunged heavily on School Boys' Suits and Overcoats. Dozens of Suits and Overcoats that defy competition from any city store.

We just cut the prices in two in most of the Boys Suits and Overcoats, which we had in stock, and bought the best values we could find for Fall, which gives us Suits ranging in price from $5.00 to $13.50, which we think are better than we ever had before—All sizes, from 24 to 36.

We also have the newest styles in Young Men's and Men's Suits and Overcoats.

We still have our heavy weight guaranteed Blue Serge to order.

Do not overlook these Clothing Values, as they are Real Money Savers.

IN MEMORIAM.

In loving memory of our dear uncle, Richard Allen, who died in Lord Dufferin Hospital on November 4th, 1920.

One year has gone, our hearts still sore,
As years go on we will miss you more;
Your loving smile and cheerful face,
That meant so much to us.

But sleep on, dear uncle and take your rest,
They miss you most who loved you best;
Friends are friends if they are true,
But, oh, those friends are few.

That shock was sudden and loss severe,
To part with one we loved so dear;
And only those who have lost can tell
The pain of parting without farewell.

Good you were and kind and gentle,
True to our home and to us children:
Well you have earned your rest, dear uncle,
And you have done your duty here.

No space of time, or lapse of years,
Can dim our uncle's pact;
A loving memory holds it dear,
And to us children affection holds it fast.

Sadly missed by
KENNETH and WILHELMINE ALLEN

SHE TOOK HER MOTHER'S ADVICE

Now is in the Best of Health because she took Lydia E. Pinkham's Vegetable Compound

Kessock, Sask.—"My mother has taken Lydia E. Pinkham's Vegetable Compound and upon learning of my troubles advised me to try it, as I seemed all run down after the flu and had leucorrhoea very bad. I have taken Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine and used the Sanitive Wash also Dr. Brown's Capsules and Prescription and am much better in every way. I am asking for you to use my letter as a testimonial as I recommend your medicines."—Mrs. IRENE NELSON, Kessock, Sask.

It is not always in business that a woman is forced to give up her work on account of ill health. It is quite as often the woman who does her own work at home. When backaches and headaches drive out all ambition, when that bearing-down sensation attacks you, when you are nervous and blue, the one great help for such ailments is Lydia E. Pinkham's Vegetable Compound.

LION HUNTING RISKY SPORT

From Nairobi, British East Africa, comes a thrilling story of the death of a transport agent named Klopper, who, pinned down by a lioness he had wounded, made a desperate bid for victory by putting both hands in the animal's mouth and gripping its tongue.

Africa is a paradise for the lion hunter, and the literature of the chase is almost endless. Not all lion hunters are strictly truthful, however.

For instance, in a remote African village I once came across a deeply tanned prospector-hunter who swore, that his favorite method of hunting lions was to get the animals to sneeze themselves to death.

"It is quite simple," he said. "In lion country you build a little arch of stone, just big enough to allow the lion to enter in comfort. But you must take care to build it of jagged stones and to see that the centre stone of the arch is a particularly jagged one.

"Then you go out and shoot a zebra or some other toothsome creature from the lion's point of view. You drag the corpse under the arch, pepper it heavily, and then retire to your tent to sleep.

"In the night the lion comes, creeps under the arch to his feast, gets his nose filled with pepper, and has an overpowering inclination to sneeze. He sneezes, and in the act throws up and dashes his brains out on the centre jagged stone of your arch."

I do not vouch for the truth of that story, but here is one for which I can.

A party of men trecking in Rhodesia in an ox-wagon heard a commotion one night among their tethered oxen, and rushing towards the spot, pumped about a dozen shots into the heaving mass from a distance of, say, 40 yards.

The mass diminished, and they advanced to find one of their oxen horribly mauled by lions.

They "dosed" the corpse with strychnine and retired to their camp. They heard the lions busy at the carcass at night, and in the morning they found that the dead ox had practically disappeared, but lying near the post were five full-grown lions—two males and three females—all poisoned.

That was a very considerable bag got by illegitimate means, but here is the true story of a better bag got legitimately. Incidentally it is a very interesting example of sportsmen's luck.

When the late President Roosevelt and his son, Kermit, went to British East Africa, in 1909, they were accompanied on their hunting trip by the late F. C. Selous, one of the greatest hunters that ever lived.

Selous was particularly anxious to secure a specimen of the East African black-maned lion, but on the whole trip he never even got a shot at one. But Theodore Roosevelt got three and Kermit eight—and neither of them had ever been on an African game-hunting expedition before!

MOTHER

Two bright eyes in the night-time,
And a word in the kiddies ear,
The touch of her lips in the darkness
That banished the tiny fear.
The bliss of that soothing presence,
And the love of her watching near,
Heart of gold and sunshine,
And as kind as the drifting day,
And dreams that were deep as the heavens,
To bend her simple way,
The love of the little ones round her,
Her help in their childish play.
Ever, ever the vision
Through long weary years between
Mother's dear eyes in the darkness,
And the pain is not so keen.
O' it is sweet in the wormwood
To know that her eyes have seen.

James McCue, of Melancthon, who formerly resided for some years in Dundalk, will return to that village.

CALEDON COUNCIL.

Council Chamber, Caledon, October 17th, 1921.

Council met, Reeve presiding, members all present.

Minutes of last regular meeting and special meeting held at Alton September 12th, were read and adopted.

The following communications were received and read, viz.:—From Miss M. E. Barclay, Matron Lord Dufferin Hospital, re maintenance of Earl Gracey; Ontario Railway and Municipal Board, re extension on time for issuing debentures for Telephone System; W. Hawkins, re indigent person at Alton; P. Blair, re Hydro Electric Power, and L. H. Lemon, re accounts of Alton P. V.

Mr. W. Smeaton, School Attendance Officer, presented his report for the month of September.

Mrs. Hogg and Miss Irvine, representing the I. O. D. E., Orangeville, addressed Council and asked for a grant to Lord Dufferin Hospital.

Moved by Mr. Trathen, seconded by Mr. Martin, that R. J. Potter be paid the sum of $4.00 in full of account re Telephone.—Carried.

Moved by Mr. McDonald, seconded by Mr. McBride, that $10.00 received from Caledon Agricultural Society, and $3.00 from the Methodist Church, for rent of Township Hall, be paid to the Treasurer and placed to the credit of the Municipality.—Carried.

Moved by Mr. Trathen, seconded by Mr. Martin, that the Clerk write the Ontario Railway and Municipal Board explaining the reason for asking for extension of time for issuing the debentures re the Telephone System, the reason being the System is not ready to build to all its subscribers and also that the Commissioners have made provision for money until December 15th, 1922.—Carried.

Moved by Mr. McBride, seconded by Mr. Martin, that persons, who have erected wire fences, notify the Clerk on or before November 1st in order that the fences may be inspected and bonus paid at November meeting.—Carried.

Moved by Mr. Trathen, seconded by Mr. Martin, that the following named members of the Council be appointed Wire Fence Inspectors: West Division, Mr. McDonald; South Division, Mr. Martin, North, Mr. Trathen, and East, Mr. McBride.—Carried.

Moved by Mr. Martin, seconded by Mr. Trathen, that the Reeve, Deputy Reeve and Clerk be a Committee to meet Chinguacousy Township Council re amount due the Township of Caledon.—Carried.

Moved by Mr. McDonald, seconded by Mr. Martin, that Clark, McPherson, Campbell and Jarvis be paid the sum of $35.60, Caledon Township's share of costs, County of Peel vs. Town of Brampton.—Carried.

Moved by Mr. McDonald, seconded by Mr. Martin, that the Clerk send a letter of condolence to Mrs. W. J. Sutton and family in their recent bereavement.—Carried.

Council, in Committee, with Mr. McBride in the chair, passed the following accounts, viz.:—

R. J. Potter, re Telephone petition	$ 4 00

H. Speers, repairing roadway and bridge, 20 S. R., con. 4	191 40
J. A. Martin, services, re Telephone	10 00
F. McDonald, services re Telephone	15 00
T. Quinn, services re Telephone	40 00
L. H. Willis, services re Telephone	45 00

Moved by Mr. McBride, seconded by Mr. McDonald, that when the Council adjourns to-day it stands adjourned until Monday, November 14th next.—Carried.

On motion Council adjourned.

L. H. WILLIS, Clerk. T. QUINN, Reeve.

PEPs

COUGHS, Colds, Bronchitis and chest ailments are started by germs you *breathe* in with the air. They attack the membrane lining the nostrils, throat, and breathing tubes. Soreness and inflammation speedily develop unless Peps infection-killing tablets are taken quickly.

As Peps dissolve in the mouth they give off powerful healing and germicidal fumes that *mix with the breath* and circulate through all the air-passages direct into the lungs.

In this efficient way Peps destroy all disease germs. Soreness and inflammation are instantly allayed, the air-passages are soothed and repaired, obstructions of phlegm are cleared away, and the breathing becomes easy.

THE WONDERFUL BREATHEABLE MEDICINE

Peps bring the potent lung-healing balsams of the pine forest and other rich volatile medicines of equal benefit and safety to the youngest child or aged bronchial sufferer. Peps are guaranteed free from opium, morphia, and all dangerous habit-producing drugs.

How much more sensible this *direct* Peps treatment than dosing and upsetting *your stomach* with nauseous drug-laden mixtures and syrups?

Get a box of Peps to-day. Once you try these unique breatheable tablets you will never use any other remedy for coughs, colds, chills, sore throat, bronchitis, night-cough, laryngitis, asthma, etc.

You can test Peps at our expense! Send this paragraph and 1c. stamp (for return postage) to The Peps Co., Toronto, for FREE TRIAL PACKAGE. All dealers, 60c. box. 5 for $2.25

for COUGHS COLDS & BRONCHITIS

How is this for the casual mother? The other day a friend of the family met her and remarked, "I hear your daughter is married. What is his name?" "I can't tell you," replied mother, with a shrug. "I was so annoyed when she told me she was married, I didn't even ask who the man was!"—Bulletin (Sydney.)

Why the Ford is the "Universal Car

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street in Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe, United States—throughout the world—one half of all motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.

...W VOTERS' LISTS ... IN MANY PLACES

...blic Attention to be Called, Where Necessary, to Need of Registration.

Ottawa, Oct. 3.—Col. O. M. Biggar, chief electoral officer, in reply to an inquiry as to the voters' lists to be used in the Province of Ontario, stated that under the Dominion Elections Act of last year the provincial lists of each province are directed to be used if they are not more than two years old. But there is a special provision for Ontario to the effect that, if the voters' lists used at a provincial election are out of date, a court may be have certain lists prepared and finally revised by the county judge under the Ontario statute known as the Election Laws Amendment Act, 1920.

This act came into force in the middle of last year and lists were prepared pursuant to it only in some municipalities, while before the operations by many municipalities of any kind for this year, the Provincial Legislature passed a new statute, the Voters' List Act, 1921, making fundamental changes in the procedure. Even under this later act only some municipalities have so far prepared lists, and even in these an important part of the lists remain unrevised.

The two years limited by the Do-minion legislation for resort to the Provincial lists used at the last Provincial election expired for different polling divisions at different dates, chiefly in the month of September of this year.

To-day there are almost no polling divisions in the province in which the lists for 1919 general Provincial election can be resorted to. Almost no elections have since been held.

In the circumstances, therefore, by reason of the limitation of time in the Dominion Elections Act, and the frequent changes in the provincial statutory procedure, there will be authorized for use as a basis for the preparation of Dominion lists in a few exceptional municipalities the lists prepared for the Ontario general election of 1919 or a subsequent by-election. In a rather larger number of places lists finally revised last year under the Ontario Election Laws Amendment Act, 1920, will be available and may be used, while in a perhaps still larger number of places Dominion lists will have to be prepared without much, if any, assistance from any Provincial list. These differences are of practically no importance, except in cities and towns of over 2,500 people.

Instructions will be issued to returning officers to insure that a special public notice will be given calling attention to the necessity of personal registration in any city or town in which no list is authorized for use.

UNABLE TO WALK FOR A YEAR

Paralysis Entirely Relieved by "Fruit-a-tives"

The Wonderful Fruit Medicine

Paralysis is a break-down of the Nervous System and affects the victim in various ways. Sometimes, *nervousness makes itself known by hysteria, insomnia, constant headaches*, or it may be so bad that one is partially or completely helpless in some part of the body, just as Mrs. Heacock was.

SAULT STE MARIE, ONT.

"When I was twenty-eight years of age, my doctor advised me to have an operation, which I did and it proved very serious, *leaving me weak and unable to walk for a year.* Seeing your "Fruit-a-tives" advertised in the papers, I decided to try them. I continued to use them regularly, and today I am able to go about my home duties and care for my family".

MRS. J. W. HEACOCK.

Any form of Nervousness is often caused by, and is always aggravated by, Constipation, which poisons the blood, irritates the kidneys and inflames the nerves. *"Fruit-a-tives" stimulates the action of liver and bowels, kidneys and skin—tones and sweetens the stomach—keeps the blood pure, and builds up the entire nervous system.*

In a word, "Fruit-a-tives" has proved that it is the most scientific and effective remedy in the world for Nervousness or a disordered condition of the nervous system.

50c a box, 6 for $2.50, trial size, 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

USEFULNESS OF DOGS

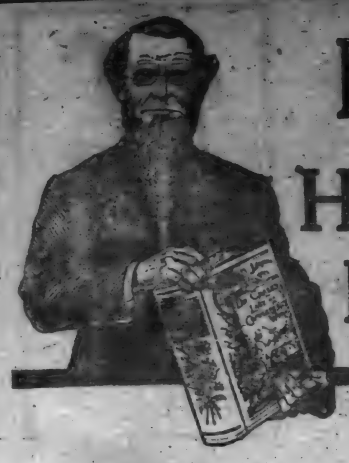
The only way to judge of the value of a dog upon the farm is by his usefulness. However, a dog may be, and good dogs always are, useful in more ways than one. On a farm where there are boys a dog may be a valuable asset if he does nothing more than serve as a faithful companion and playmate to them. If he is a real dog, a good dog, he will be a doctor in keeping them from many unmanly acts in their play, and will help develop in them a love for other farm animals. On a farm where there are other animals a dog is useful, if properly trained, in helping to handle them, and will protect the farm livestock from natural enemies, including stray dogs. In handling hogs or calves, dogs are especially valuable. How often you have had a pig slip through a crack in the fence, and go chasing all over the farm, perhaps leaving the premises never to be seen again. Again, calves that have to be driven from one lot to another frequently will often show their natural playfulness by giving you a bad half hour by walking sedately to the gate and then making a run for another part of the field. With a well-trained dog your animals will not grow up unruly or fence breakers.

By far the most popular breeds of dogs for farm use are collies, shepherds and Airedales. Shepherds were formerly more popular than collies, but now collies lead, with Airedales third in popularity. Collies and shepherds are much alike, and have the same habits, being easily trained and always tractable and affectionate. Airedales are more difficult to train, but never forget a lesson. They are more enduring in work than shepherds or collies, though no more willing workers. The Newfoundland breed was formerly popular, and still is for playmates for children, but is not so useful in helping about the farm as the other breeds named. A breed that is naturally suited to ridding the farm of rats is the terrier. These little dogs are also very amusing playmates for children.

Having procured the sort of dog you want, his training for the special use you have for him should begin when he is very young; the fact is, training can hardly begin too early. In training for farm work, however, a rule should be observed of not allowing the puppy to come in contact with any vicious animals until he is able to protect himself. An overzealous puppy, if he is kicked by such an animal, will hardly ever get over the fear he will afterward have for all unruly animals, and his usefulness may be impaired. It is even possible to train a dog to single out any animal from a bunch and drive it to the barn, or to separate hogs from calves, etc. This requires a deal of hard training, which takes time, however, and so if such a dog is wanted it may be best to buy a young dog, already trained.

A dog, as a dog, seldom has any better habits than his master, as a man. A mistreated dog will not stay at home, and will mistreat every animal he can when he gets a chance. It is best not to encourage the dog to stay about or in the house, but do not turn him out with no place to go at night. He will have to sleep in the muck and dust under the barn, and catch and spread fleas. Give him a bed in the barn. See that it is kept clean. Dogs are carnivorous, but eat other things besides meat, and must be fed correctly or they will go roving over the countryside to satisfy their appetite. However, while feeding a variety, do not feed enough to fatten the dog. Given a good sleeping place, kind words when in contact with him, and proper food, a dog will stay at home and attend to his business.

DR. CHASE
Has Taught the People How to Keep Well



TIME was when the family physician was the most prominent character in the community.

A man of intelligence and ability, he commanded confidence and respect, and sacrificed his time, strength and pleasure for those who needed his care and skill.

These were the conditions when, after graduating from the University of Michigan, at Ann Arbor, Dr. A. W. Chase settled down to practise his profession in that well-known college town.

Every Man His Own Physician

But the doctor soon got the idea that people should know how to look after their own common ills, and set about in a large way to supply them with the necessary information.

By means of his Receipt Book, the circulation of which has since run into millions, and his well-known Almanac and booklets of many kinds, Dr. Chase has spread throughout the civilized world the gospel of "Every Man His Own Physician."

This plan enabled the doctor to devote his attention to more serious cases, and he soon became known far and wide as a specialist in the treatment of diseases of the kidneys, the liver, the heart and other vital organs of the human system.

The Dr. Chase Plan of Health

To reach patients at a distance, the doctor had his most successful prescriptions put up in handy form for mailing. In time the demand became so great that the doctor decided to give these great medicines to the public, and arranged for their sale through the drug trade throughout Canada and the United States.

In this way Dr. Chase's Kidney-Liver Pills, Nerve Food, Ointment, Linseed and Turpentine, Catarrh Powder, and other medicines found their way into general use, until now one or more of them is found in almost every home in the land.

Home Medicines

With these time-tried medicines at hand, you can feel that you are protected against the common ills of life by the most effective treatment, which Dr. Chase was able to discover during a long life of diligent study and research.

Confidence in Dr. Chase

Founded on His Integrity of Character and the Unusual Merits of His Medicines.

If there was ever a physician who commanded the confidence of his patients that physician was DR. CHASE.

No one could meet him and converse with him without realizing that he was a man of skill, who was in love with his profession and only anxious to relieve the suffering and disease of his fellowmen.

You cannot read the famous Dr. Chase's Receipt Book without appreciating the untiring zeal of its author in searching out the best receipts and prescriptions which were known to the medical profession.

When his attention was turned to selecting medicines to be placed on the market for public sale it was with whole-souled effort that he tested out the prescriptions which he considered most suitable for this purpose.

And so it is that the integrity of character which marked the efforts of DR. CHASE are indelibly stamped on every medicine which bears his portrait and signature, and people have learned to have the utmost confidence in them because of the splendid results which they have accomplished.

Free Samples

After long experience with Dr. Chase's Medicines, we have found that people who try them are soon convinced of their exceptional merits.

We have published thousands of letters to give you an idea of the benefits others have obtained by their use, but if you are still skeptical we shall be glad to send you our **Free Combination Package.**

LET US KNOW

The Banner revised its mailing list last week. Subscribers are asked to examine their address labels and satisfy themselves that the dates, indicating the time to which subscriptions are paid, are correct. If there is an error on your label kindly let us know.

THE MAPLES

On Thanksgiving Sunday, November 6th, anniversary services will be held in the Methodist Church, when Rev. S. D. Dinnick, of Mono Mills, will preach at 11 a.m. and 7 p.m. The following evening a concert will be held in the church. The program will be given by the Laurel choir and other talent. Fuller announcement later. This will be Thanksgiving Day. You cannot do better than spend the evening at the church.

ORANGEVILLE DISTRICT W. M. S. MAKES PROGRESS

The annual convention of the Orangeville District Women's Missionary Society of the Methodist Church was held in Caledon East on Friday, October 14th. There was a good attendance of delegates from the Auxiliaries, at the afternoon session the church being fairly well filled. Reports were received from the Auxiliaries, Circles and Bands and showed that good progress has been made during the past year.

Mrs. Bellsmith was elected District Superintendent, Mrs. Owen, Associate Superintendent, and Miss Sleightholm, Secretary-Treasurer.

Mrs. Chant, of Toronto, gave a most interesting address on "Mission Bands." Miss Fleetham read an excellent Paper on "Our Circle," and Miss Alton, Missionary to the Indians at Kitamat, B. C., told about her work and experiences. The influence of Christian Missions amongst the pagan Indians of the Pacific Coast has been uplifting and refining. From depraved savages they have become industrious and respectable citizens.

Musical numbers were given by Caesar's Mission Circle, Mrs. Neelands and Mrs. Gilroy, and Mrs. Odlum and Mrs. Cecil Lindsey.

Mrs. Sanderson read the address of welcome and Mrs. Phimister, of Horning's Mills, made a suitable reply.

Both dinner and supper were served in McCartney's hall. The ladies of Caledon East Auxiliary, assisted by Macville Auxiliary and Caesar's and Caledon East Circles, went to much trouble to prepare good meals and entertain their guests. The next meeting will be held a year hence in Orangeville.

—The Ladies' Aid of the Methodist Church will hold a Birthday Party in the Church on Thanksgiving evening.

THE CASH
Flour & Feed STORE.

I have opened up a Flour and Feed Store on Broadway, one door east of Kentner's Music Store.

I have on hand the following brands of Flour:

FIVE ROSES, PURITY
CREAM of the WEST
ROYAL HOUSEHOLD
CANADA'S BEST
and
MONARCH PASTRY FLOUR

so that Customers can get their choice of any of these well-known brands.

WONDERS OF SEA SURGERY

The prospect of having to undergo an operation in mid-ocean is one which can nowadays be faced with no more trepidation than a similar ordeal on land.

The big modern liner not only has its hospital and its two or more qualified surgeons on board, but even its operating theatre equipped with the most up-to-date method of lighting, instruments, and sterilizing apparatus as perfect as in any hospital ashore.

The hospital and operating theatre are usually built between decks amidships, where the movement of the vessel is least noticeable and the vibration from the propeller practically nil.

By this means sufficient stability is secured in normal weather, and the most serious and delicate operations have been performed at sea with brilliant results.

Working Under Difficulties

When a very heavy sea is running the surgeon's task is more difficult, but if the case calls for immediate surgical treatment, the commander of the vessel is informed, the engines are stopped, and the boat is turned and allowed to drift before the wind until the operation is over, so that the movement is reduced to a minimum.

If a nurse is required, she can usually be found among the stewardesses, many of whom are fully trained nurses. Some steamship companies will accept only a fully trained nurse for the position of stewardess.

In the smaller and older boats, where there is probably no operating theatre, the ship's surgeon must use his wits and do the best he can to ensure the success of the operation with the equipment at his disposal.

There is, of course, generally a hospital, but it is often in the poop of the vessel, where the motion and vibration make any but a minor operation a risky, if not impossible, undertaking.

In that case, if immediate treatment is imperative the surgeon must either operate in a cabin—a difficult task, as it is possible only to get at one side of a patient in a berth—or have his operating theatre erected in a better position.

Freemasonry of the Sea

A ship's surgeon rarely gets through a voyage without having an operation of some kind to perform, and although wounds or broken limbs resulting from accidents supply most of his patients, serious operations, such as that for appendicitis, or trepanning, are not uncommon.

There is a freemasonry of the sea which makes the services of a ship's surgeon the property of anyone who needs them.

The captain of a liner that picks up a message from a vessel carrying no doctor and needing medical aid will call on his own surgeon to deal with the case.

The patient's symptoms are wirelessed, and if an operation must be performed, the liner is stopped and kept waiting until the surgeon has done all in his power for the preservation of life.

SIXTY MILES AN HOUR

Travellers who are complaining of the slowness of English long-distance trains, and wondering when they shall get back our sixty-mile-an-hour expresses, have unreliable memories.

Before the war there were only three such trains running on British lines—the Leicester to Nottingham express of the Great Central, which covered the twenty-two and a half miles at a speed of just over 61 miles an hour; the Darlington to York hustler (which held the British record), doing the forty-four and a half miles in 43 minutes, an average speed of 61.7 miles an hour; and a train which ran from Forfar to Perth, thirty-two and a half miles, at 60.9 miles an hour.

The European record belonged to the Paris-Berlin express, which was timed to run from Paris to St. Quentin at 61.8 miles an hour, and from St. Quentin to Erquelinnes—fifty-three and one-half miles—at 62.9 miles an hour. But that train is not running now.

—It is always safe to send a Dominion Express Money Order. Five Dollars costs three cents.

A MYSTERY PAVEMENT ARTIST

There is no cheerier man in London than a lonely, yet talented, pavement-artist who "exhibits" at St. John's Wood.

He claims to be a descendant of Charles I., and studied art in Paris for some time. He drew posters and magazine covers and was also a theatrical manager. His company failed, and, being unable to get work, he became a pavement artist.

"It's really very interesting being here all day," he told the T.-B. man. He was sitting on a camp-stool beside his pictures. A few passers-by stared at him in idle curiosity, for he is the mystery man of the neighborhood.

"It seemed very strange at first," he continued, "but when I get used to it I think it will be quite pleasant. I hope to earn two pound a week, which will just keep me. At first I took only eightpence in three hours, but to-day I earned three and sixpence very quickly.

"I read a great deal while I am here, especially books on painting and artists. I have been filmed, interviewed, and photographed. Probably I am regarded as a curiosity."

TO THE POINT

The bigger the bubble, the louder the bang.

Concentration should be a part of the curriculum of every college.

The finest people in the world are those we know least about.

Be sure your bravery is not mere foolishness.

Man is like a fountain pen; useful as long as there is something in him.

If we always said what we meant, we wouldn't say anything.

Put yourself on a paying business-basis.

If you've just got over some sickness, give the details to the squirrels in the park and get it off your chest.

If your feet are not strong enough to carry you—ride.

Wishes wear out with your clothes.

Fame oftimes goes shabby.

The greatest faith is faith in yourself.

Feed your body, your soul will thrive on it.

Study character — your own first.

Before reforming the community, reform yourself.

Don't bury yourself before you are dead.

Lock yourself up when you swear, you won't be interrupted.

If you let the little things worry you, what are you going to do with the big things?

Tell your friend you haven't got it—you'll be doing him a good turn.

Put your troubles on the dumb waiter.

You can't win unless you take a chance.

Worry is a cloud that darkens your day; a bright thought is the sunshine that drives it away.

RINGS OF DEATH

The employment of rings for criminal purposes was common in olden days.

Hannibal, we are told, from a fear of being delivered up to the Romans, swallowed poison, which, to be prepared for the worst, he carried with him in the hollow of a ring.

In those days hollow rings were put together with a degree of skill far beyond that of modern jewellers. Sometimes the poison was concealed beneath the stone, which opened with a spring. It required but a small space for the virulent poisons which were concealed by Italian chemists in the sixteenth and seventeenth centuries.

The signet ring of Ceasar Borgia was exhibited some years ago. It is of gold, slightly enamelled, and has a motto around the inside. A box is dropped into the front, having on it "Borgia" in letters revealed. At the back is a needle, within which, it is related, he carried the poison he was in the habit of dropping into the wine of his unsuspecting guests.

The National Crisis

"My appeal is to the whole people; to every man and woman who wants to do right by this country; to everyone who breathes the spirit of our fathers who founded this British Dominion."
—ARTHUR MEIGHEN

THE Election to be held December 6th will be the most momentous in Canadian history; for as men and women vote will depend the economic stability, the political stability and, indeed, the national stability of this country.

Today we find group striving against group, class against class, the industrial and financial structure of the country assailed by false and unsound doctrines and theories, while our great neighbour to the south has adopted a trade exclusion policy directed against Canada's vast agricultural interests.

The currencies of nearly every country in the world are depreciated. The Canadian dollar in the United States is subject to a heavy discount causing a loss of over one hundred million dollars in exchange annually.

Europe is overwhelmed with war debts—unemployment is acute—and the restoration to pre-war conditions is slow.

While Canada is in a much more favorable condition than many countries, yet there is evidence of stagnation, instability, unemployment and lack of confidence.

Taxes are heavy because of the country's efforts in the Great War, but have become burdensome on account of the misconceived policies and blunders of Governments that directed Canada's affairs prior to 1911.

These conditions are largely the direct aftermath of the war, but they must be dealt with fearlessly and constructively. This is no time to consider experimental changes, or the theories of visionaries.

This is no time for Crerar and his Free Trade policy.

This is no time for King and his wobbling "charted" policies, varying with each provincial boundary.

It is the time to cling to orderly, stable Government in the interest of all the people; to be guided by the experience of the past, proceeding upon lines that have been proven sound.

It is the time to place the destinies of Canada again in the hands of a Government led by a sane, courageous Canadian who has safely brought the country through the trying years of reconstruction, and upon whom we can rely to retain and initiate policies in the interest, not of a group or class but of all the people.

It is the time to support Arthur Meighen and his Candidates.

Meighen will lead us through

The National Liberal and Conservative Party
Publicity Committee

ST. MARK'S A. Y. P. A.

On Monday evening the Anglican Young People's Association of St. Mark's Church held their first meeting this fall—a most enjoyable Hallowe'en social—in the Sunday School Room, which was appropriately decorated for the occasion with weird witches, black cats and pumpkins. The entertainment consisted of a series of contests, worked out by the young people, formed into groups of letter-cards, spelling the name of a fruit or a vegetable. Some very clever shadowgraphs of well-known advertisements, silhouettes of prominent church members and questions on anatomy comprised the novel program. Each contest was valued at 25 points and a prize was presented to the group securing the highest number of points, in addition to composing the best rhyme. The "Canteloupe Group" won both fame and prize with the following verse:—

A young man said to his girl one day
"Let's fly to a land—oh, so far away!"
But the old man said, "Why, that's a joke,
For as long as I'm here you
CAN'T ELOPE!"

The election of officers and serving of refreshments brought the evening to a happy close.

It is the intention of the A. Y. P. A. to hold fortnightly meetings and in accordance with this the next meeting will take place on Monday, Nov. 14th, at 8 p.m. On this occasion Mr. C. R. McKeown has kindly consented to give an address on "Disarmament." The A. Y. P. A. extend a hearty invitation to all its members and other interested persons to be present. Silver collection at the door. The following officers were elected:—

Hon. Pres., Rev. Capt. Stewart; Pres., Miss Ruth Shaw; Vice-Pres., Mr. Charlie Robinson; Secy., Miss Wilma Allen; Treas., Mr. Harry Marshall; Executive, Misses Ethel Allen, Ruby Allen, Blanche Cameron, Clara Hulse, Mamie Lewis, Anna McFarland, Edith Robinson and Messrs. Harry Atcheson, Arthur Henry, Adolphus Holmes, George Leighton, Gordon Lewis, Armour Robinson, Ralph Rohmer.

MONO MILLS

Rev. Garnet Lynd, of Laurel, will conduct the Sacramental Service at Mitchell's Methodist Church at 11 a.m. next Sunday. Mr. Lynd will also preach at Crawford's in the afternoon and conduct the anniversary services in the Mono Mills Methodist Church in the evening.

MRS. GEORGE LAWSON

Mrs. Lawson, wife of Mr. George Lawson, lot 30, 5th line, west, Caledon, passed away at Brampton on Friday, Oct. 21st, after a trying illness from a baffling internal malady. Deceased was 24 years of age and had only been married since last January. The remains were brought to Orangeville for burial, the funeral taking place from Hulse's Undertaking Parlors to Greenwood Cemetery on Saturday afternoon, Oct. 22nd. Rev. W. N. Carr, of Alton, was the officiating clergyman.

AN ADJALA PIONEER

One of the pioneers of Adjala, Mrs. White, passed away early Monday morning at the home of her daughter, Mrs. Wm. Hamilton, Tottenham. She was born in Ireland 93 years ago and at the age of 9 years came to Canada with her parents. The greater part of her life was spent on the old homestead in Adjala, now owned by her son, George. For the past year and a half she has lived at the home of Mrs. Hamilton. Deceased was well known and highly esteemed throughout the southern part of the township and many old friends and neighbors from that locality attended the funeral on Wednesday. Service at the house was conducted by Rev. A. P. Stanley and Rev. J. W. Totten, after which the remains were conveyed to St. John's Cemetery, Mono, for interment. Three sons and five daughters survive, viz., George, on the old homestead; Robert and William, of Herschel, Sask.; Mrs. Wm. Beatty, of Ballycroy; Mrs. George Irwin and Mrs. John Irwin, of Toronto; Mrs. J. W. Nealon, of Detroit; Mrs. Wm. Hamilton, of Tottenham. We extend sympathy to the bereaved family.—Tottenham Sentinel.

ALMA BENNINGTON

Mr. and Mrs. Matthew Bennington and family, of Laurel, have the heartfelt sympathy of the people of their neighborhood in the loss of their daughter, Alma, who passed away at the home of her parents, lot 15, con. 6, Amaranth, on Thursday, October 6th, after a lingering illness. Deceased, who was 24 years of age, had been in delicate health for eight years and was bedfast for seven weeks prior to her demise. She was a bright, cheerful girl, who bore her ill-health bravely and without repining. Besides her parents, she is survived by a brother, Ross, and one sister, Mrs. W. C. Bryan. There was a large attendance of friends and neighbors of the bereaved family at the funeral, which was held from her late home to Laurel Cemetery on Saturday afternoon, Oct. 8th. Rev. G. W. Lynd, pastor of Laurel Methodist Church, preached an impressive sermon from the text, "Fear not; believe only and she shall be made whole." Luke 9:50. The remains were borne to their last resting place by Messrs. Russell Keys, Joseph McGowan, Oliver Ewing, Clifford Bryan, Clifford Johnston and Bert Allen. The floral tributes included flowers from the Methodist Church Sunday School, a wreath from the family and sprays from Mr. and Mrs. W. R. Grosskurth and the McGowan family.

A few short years on earth she spent,
And then her work was finished;
I think she must have been but lent
To touch our hearts, then vanished.

We wonder why God took her,
We say she was needed here;
Yes, but God always has an object
In acts that to us seem strange.

Her meekness and her goodness,
Her desire to woo and to win;
All she came in contact with,
Pleased me, pleased all, pleased Him.

Her smiling face is missed by all
Who knew and loved her here;
The music of her pleasant voice
No longer greets our ear.

But now I think we see her
Dressed in robes of purest white;
Her crown is decked with rubies,
Her King is there in sight.

She is gone beyond the river,
Where the surges cease to roll;
We'll think of her, not as lost,
But as one who has gone before.
—Com.

MRS. JAMES IRWIN

A wide circle of neighbors and friends learned with grief of the death on Saturday of Mrs. Irwin, wife of Mr. James Irwin, a well-known resident of the Camilla district. The end came very suddenly at her home, lot 20, 1st line, east, following a very few days illness from congestion of the lungs. Deceased, who was 54 years and 8 months of age, was a daughter of the late Mr. and Mrs. Robert Yool, of Primrose. She had resided in the Camilla district since her marriage and had been a consistent and faithful member of St. Andrew's Church for the last 28 years. She was a quiet, industrious woman, kindly in word and action and was held in genuine respect by the people of the neighborhood. She is survived by her husband and one son, Herald Irwin, who have the sympathy of the entire community in their irreparable loss. Peter Yool, living on the homestead near Primrose, Robert Yool, of Mono, Mrs. Andrew Turnbull, of Essa, and Mrs. David Holt, Canoe, B. C., are the surviving brothers and sisters. There was a large attendance of sorrowing friends and neighbors at the funeral which was held from the departed woman's late home to the Forest Lawn Cemetery on Monday afternoon. Rev. Wm. Coutts, of Camilla, the family pastor, conducted the services at the house and grave. The pallbearers were Messrs. J. A. Marshall, Jas. Buchanan, Robert and Alex. Patterson, Robert Little and Wilmer Lundy.

GIVEN CLUB BAG

Mr. and Mrs. James Duncan, West Ward, are planning to leave town shortly for a trip to Scotland, where they expect to spend the coming winter visiting friends in the neighborhood of Mr. Duncan's boyhood home. "Jimmie," as his friends all call him, is an ardent curler and on Saturday night a number of the members of the Orangeville Curling Club met in the office of the Secretary, Mr. W. C. Hopkins, to wish him and his amiable partner bon voyage and a pleasant visit in Old Scotland. The curlers took advantage of the occasion to present Mr. Duncan with a valuable Club Bag and the following appreciative address:—

Mr. James Duncan,
Orangeville, Ont.

Dear Sir,—

Understanding that you and Mrs. Duncan intend leaving Orangeville shortly to spend the winter visiting familiar scenes and renewing ancient friendships in Auld Scotia, your friends of the Orangeville Curling Club deem this occasion fitting to present you with this Club Bag as an additional travelling companion. They do so in token of the geniality and good sportsmanship you have always shown on and off the ice and as a mark of their admiration of the skill and prowess you have shown as an exponent of the roarin' game. You will probably have the opportunity to try your skill with besom and stane on your native heath this winter. If so the Scots will meet in you a foeman worthy of their mettle and Orangeville will have a representative abroad, who will always play the game in a way that will do credit to himself and to the old town. We will all miss you during the coming winter and hope that you and your worthy partner will have an entirely delightful visit and that both will return to Canada benefitted in health and enriched in mind by reason of your sojourn in the land of the heather.

Signed on behalf of the Orangeville Curling Club.

A BUSINESS CHANGE

Messrs. Crowe & Holmes, proprietors of The Dufferin Auto Sales Company, have disposed of their block on Broadway and their stock of autos, auto accessories, repairs, etc., to Mr. Percy Ferrier, of East Luther, who took over the management of the business on Tuesday morning. Mr. Ferrier turned in his 200 acre farm, lot 26, con. 10, East Luther, his farm stock, implements and season's crop on the deal at a valuation of $20,000. Messrs. Crowe & Holmes will either sell or operate the farm.

—Harris Masonic Lodge will hold its annual At Home on Thursday evening, Nov. 10th.

THE SKATING RINK

The Skating Rink project is progressing satisfactorily and its success is now pretty well assured. Nearly $8,000 of the $10,000 stock required has been subscribed and the canvassers do not anticipate any serious difficulty in securing the remaining $2,000. The chief obstacle at present appears to be the securing of a suitable site. The idea of securing the east side of Alexandra Park was dropped as the existence of a public lane between the Park and the lot east of the Market Square proved an obstacle that could not very well be overcome. A Committee is now hard at work trying to close for certain lots that will make a satisfactory site and may be able to bring their labors to a successful conclusion in the course of a few days. Meetings of the subscribers were held on Wednesday night of last week and Tuesday night of this week, at which considerable business was transacted. Mr. J. B. Adamson, one of the leading promoters of the Rink, presided at both meetings. Tuesday night there was considerable discussion about the size of the rink, the material to be used in its construction and the space to be devoted to dressing rooms, etc. Mr. Estrup, a St. Catharines engineer and contractor, was present at the meeting and submitted plans and an estimate of the cost of the structure. His estimate of the cost of the rink was $9,600, exclusive of wiring, plumbing and heating. It was decided to appoint seven provisional directors, who will apply for a charter and transact all necessary business in the meantime. The gentlement selected as directors were Dr. W. J. Price, J. M. McNaughton, Capt. Alex. Firth, Dr. G. H. Campbell, J. B. Adamson, J. A Matthews and W C. Barber. These were selected by a Nominating Committee composed of Messrs. Albert Walker, W. C. Hopkins and C. R. Wheelock. This Committee also recommended that Mr. Jack Aiken continue to act in the capacity of Secretary.

SOLD PLANING MILL

Mr. Jas. A. Matthews has sold his planing mill on Mill St. to Mr. Walter Kerton, of Feveraham, who will take possession of the Mill about the New Year. We understand that Mr. Matthews retains the lumber yard and will continue to run a lumber business.

GREEN TEA

has a far finer flavour than that of any Japan or China Green Tea? Send for a sample and be convinced. Address—Salada, Toronto.

LOCAL NEWS.

—Monday next will be Thanksgiving Day.

—Thursday next will be Orangeville monthly fair day.

—Dr. L. H. Durkin, of Mt. Forest, formerly of Orangeville, has accepted a position with Gunn's Limited.

—Tanlac now has the largest sale of any medicine in the world. There is a reason. Sold by C. V. Jeffers, Orangeville, Ont.

—F. Wake has sold his two residences in Shelburne to Mr. John Little, lot 17, Blind Line, Mono. Mr. Wake takes Mr. Little's farm, stock and implements on the deal. The houses go in on the deal at a valuation of $8,000 and the farm at $9,800.

Rubber time is here again. We are well supplied with best quality at lowest prices.

Arnott's Shoe Store

—Shelburne has again the honour of holding the Juvenile Lacrosse Championship of Ontario. The boys from the northern town won the championship when they defeated St. Simons of Toronto in the final game. The game was played in Brampton, Shelburne winning by 9 to 8.

—Rev. J. H. Turnbull, a onetime Orangeville boy, who is now pastor of High Park Presbyterian Church, Toronto, received the degree of Doctor of Divinity from Queen's University on October 19th. Dr. Turnbull graduated from the Kingston seat of learning in 1898.

W. M. S. MEETING

The autumn Thank-Offering meeting of the W. M. S. of St. Andrew's Church will be held in the school room of the Church on November 9, at 3 p.m. Miss Evelyn Mitchell, one of the Field Secretaries, will address the meeting.

—Mr. John Crozier, a onetime Orangeville merchant, died in Brandon, Man., last week.

—Madame Wanda, who is at The Queen's Hotel, will be here for the remainder of this week.

—We regret to learn of the serious illness of Mrs. John Wilson, 5th line, Mono, who has been bedfast for the last ten days.

—Mr. G. E. Reynolds, of Beeton, has purchased a clothing business in Toronto, which will be conducted by his son, Mr. G. W. Reynolds, who has gone to the city to take charge.

—"Tanlac made me feel younger." "It put me back on the payroll." "I can eat whatever I want now." "I no longer suffer from indigestion." "I gained weight rapidly." These and many more expressions are now heard daily as people tell of their experience with Tanlac. Sold by C. V. Jeffers, Orangeville, Ont.

—Mr. John B. Walker, of Farmington, has sold one of his farms, the west half lot 9, con. 1, Amaranth, to George H. R. Phillips, who will get possession immediately. We understand that the price paid was in the neighborhood of $5500. The deal was put through by Geo. Wilkins, real estate and insurance agent.

—Col. J. A. V. Preston, R. H. Robinson, J. E. Smith and A. T. Howard, local Masons, motored to Toronto on Tuesday night and were present at the dedication and consecration of the recently organized Dufferin Masonic Lodge. The membership of the Lodge is composed largely of former residents of Dufferin County. There were about three hundred members of the Craft present.

—McCallum's Direct Supply Stores Limited, of Brampton, are getting a great reception wherever they open. They did a great business in Caledon last week and they will be there again on Thursday, Nov. 3rd, and each successive week on the same day, at 9 o'clock, with two truck loads of choice meats, etc., at the Sutton House. Wednesday, Nov. 9, they will open in Alton with two truck loads and will be there each successive Wednesday.

Political Meetings

Political Meetings in the Interest of

JOHN BEST

National Liberal and Conservative Candidate in Dufferin, will be held as follows:

COLBECK

In the Church Hall, Friday, Nov. 4th.

COOK'S SCHOOL

(East Garafraxa), Saturday, Nov. 5th.

MARSVILLE

Monday, November 7th.

All Meetings will commence at 8 o'clock p.m.

Addresses will be delivered by JOHN BEST, C. R. McKEOWN and others.

OPPOSITION INVITED

Everybody Welcome, Particularly the Ladies.

PERSONAL MENTION

Mrs. R. Johnston, of Toronto, was the guest of Mrs. Chas. King over Sunday.

Mrs. Sarah May has gone to spend the winter with Mrs. Rice, of Malone, N. Y.

Mrs. J. D. and Miss Muriel Torris visited the former's sisters, the Misses Young, in Georgetown over the week-end.

Mrs. Thos. Bell and daughter, Miss Madeline, of Toronto, were the guests of Mr. and Mrs. Logie Bell over the week-end.

Messrs. E. Richardson, W. R. Grosskurth, Herb and J. A. Hughes motored down from Laurel for the Memorial meeting on Monday night.

Mrs. W. H. White and daughter, Ruby, have returned home from the West after a delightful visit with the former's son, Mr. T. N. White, of Calgary, Alta.

Mr. James Johnston announces the engagement of his eldest daughter, Mary Verna, to Mr. F. A. Scott, son of the late Mr. Charles Scott, of Melville Cross. The marriage will take place early in November.

Mrs. R. S. and Miss Eva Guernsey left for their home in New York city on Tuesday morning after a visit of six weeks with Mrs. Guernsey's sister, Mrs. I. J. Murphy, Centre Road, and other relatives in Ontario.

Mr. and Mrs. Matthew Varcoe, Orangeville, Ont., announce the engagement of their daughter, Winnifred, to Frederick P. Ruddy, son of Mr. and Mrs. Joseph Ruddy, of Georgetown, the marriage to take place in November.

Mrs. A. E. Annis has returned home after spending the summer in Port Arthur, where her husband is interested in oil drilling operations. Mr. Annis is supervising the drilling work for some United States capitalists, with whom he has been associated for some time.

Mrs. Lemon, of Camilla, Mrs. Littlejohn, Mr. and Mrs. Wilfrid Lemon and Mr. J. J. Still, of Orangeville, Mrs. A. E. Cameron and daughter, Marion, and Mr. Lloyd and Bruce Cameron, and Miss Hilda Bailley, were guests of Mr. and Mrs. Jas. Long, on fair day.—Erin Advocate.

Miss Byfield, who resigned her position here a short time ago, to accept an appointment to the staff of the Toronto Technical School, left for the city on Saturday night to enter upon her new duties the beginning of this week. The good wishes of her friends here accompany the young lady to her new sphere of work.

Mr. and Mrs. Chas. Storey and little son, Freddie, of Caledon, have returned home after a visit of three months with their daughter, Mrs. Samuel Marshall, near Moose Jaw. Mr. Storey reports excellent crops in the Moose Jaw district. Threshing weather was, however, very unfavorable and the farmers were finding it difficult to save their crops.

Mr. and Mrs. Alex. Macdonald, of Shelburne, spent the week-end with their daughter, Mrs. W. J. McKitrick, while on their way home from an extended visit with their daughter, Mrs. Thos. Clancey, near Napanee. Unfortunately their visit, otherwise a very pleasant one, was marred by an accident to Mrs. Macdonald, who had the misfortune to fall and break one of her arms about six weeks ago. The fracture has set splendidly but Mrs. Macdonald is still obliged to carry her arm in splints.

Mrs. John McConnell and son, Clarence, Mr. and Mrs. Russell Morrow, Mr. and Mrs. Wm. Morrow and Mrs. E.C. Daniels attended the Dobson-Maxwell wedding in Toronto on Wednesday of last week. The principals were Mr. Samuel Dobson and Miss Myrtle Maxwell, daughter of Mr. W. H. Maxwell, all former residents of Orangeville. The newly wedded couple will reside in Hamilton.

ST. ANDREW'S CHURCH

A capacity congregation attended the choral service of Thanksgiving and Praise held in St. Andrew's Church on Sunday night. The choir provided a very fine program, the organization being assisted for the occasion by Miss Madeline Bell, of Toronto, a gifted soprano soloist, and Mr. Harry Sloane, who was also heard in a delightful solo. The service commenced at 6.30 with an organ prelude by the organist, Mr. A. C. Hannahson, whose rendering of the "First Sonata and Pastorale" (Guilmant) and "Melodie" (Massenet) were keenly appreciated. The service throughout was of a high order and reflected a great deal of credit on the choir and organist. Miss Bell, who delighted the congregation with solos, morning and evening, is a granddaughter of Rev. and Mrs. J. R. Bell, formerly of Laurel.

REFERENDUM MEETING

Dufferin County Referendum Committee will meet in the Public Library Auditorium in Shelburne on Saturday afternoon, November 12th, to pass accounts and wind up other business connected with the Referendum campaign last spring. It is important that unpaid portions of the county assessment for the general expenses of the campaign should be in the hands of the County Treasurer, Mr. E. Hackett, Orangeville, before this meeting, so that the books may be audited and a statement of receipts and expenses given to the public.

—Pay your out-of-town accounts by dollar bills—costs three cents.

—The Banner Bookstore always has something dainty for particular users.

—The Banner Bookstore for school supplies.

WATCH FOR TEACHER

On Friday afternoon the students of the High School presented Miss Byfield, one of their teachers, with a valuable gold watch and the following appreciative address:—

Dear Miss Byfield,—

It was with a great deal of sorrow that we learned that you are about to leave us to accept a position as a teacher in Toronto. As fellow-teachers and pupils our relations with you have always been of an extremely pleasant character, whether in school hours or during the periods set apart for recreation and social intercourse. As a teacher you have worked faithfully and conscientiously for the advancement of your pupils and the welfare of the school. In losing you we all feel that we are losing an excellent teacher, a trusted friend and an adviser to whom any pupil could go for counsel and assistance in any of the perplexing problems of student life. You have filled an important and responsible place in the social and literary activities of the school, and also in its sports, especially the girls' game of basketball, which you have at all times encouraged and actively supported. In all these and the other activities of school life you have borne yourself worthily. In the work of the class room you have sought to understand your pupils and to enlist their interest and co-operation in the study of the subjects it was your duty to teach. How you have succeeded your pupils can testify from their personal experience.

As an expression of our regard and good-will we ask you, Miss Byfield, to accept this small gift. We hope it will serve as a memento of your association with the Orangeville High School and also as a slight token of our appreciation of the marked benefits we have derived from our intercourse with you as teacher, friend and fellow-worker. Our sincere wishes for your happiness and success will accompany you to your new sphere of duty, in which we confidently anticipate the same success that has marked your career as a teacher here.

Signed on behalf of the Staff and Pupils of the Orangeville High School.

Frank Partridge read the address and Miss Isabel Fife made the presentation. Principal Hackett and Miss Strang spoke appreciatively of Miss Byfield's worth as a teacher and voiced the regret so generally felt over her departure. Miss Byfield made a feeling response, in which she referred to the happy relations that she had enjoyed with her fellow teachers and the pupils of the school since coming to Orangeville.

ORANGEVILLE P. S.

WOULD NOT BE WITHOUT BABY'S OWN TABLETS

Once a mother has used Baby's Own Tablets for her little ones she would not be without them. The Tablets are a perfect home remedy. They regulate the bowels and stomach; drive out constipation and indigestion; break up colds and simple fever and make baby healthy and happy. Concerning them, Mrs. Noble A. Pye, Ecum Secum, N. S., writes: "I have found Baby's Own Tablets of great benefit for my children and I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

GRAND VALLEY MEMORIAL

The unveiling of the Memorial, which the citizens of Grand Valley and district, have erected in honour of the fallen heroes of the recent war, will take place on Armistice Day, Friday, Nov. 11th. The hour fixed for the impressive ceremony is 2.30 in the afternoon. We expect to be able to give further particulars in next issue.

—Tanlac has made life worth living for millions of people who had almost given up hope. It will do the same for you. Sold by C. V. Jeffers, Orangeville.

DESERTED BABE

Abandoned Child One Month Old in Owen Sound Hotel.

WANTED—The present address of the parents of a bright little, month old baby boy, left at the Queen's Hotel, Owen Sound, on Thursday afternoon, about three o'clock. The little chap was heard crying in the ladies' waiting room, and one of the guests, sitting on the rotunda, went and looked in to see if he could be of any assistance. There was a bundle on the long table at the south side of the room, from which the cries were coming, but there was no other occupant in the room. The man thought that the mother had left it there asleep and had gone down town to do some shopping. He did his best to quiet the child, but did not succeed very well.

A short time later Mrs. Boddy came down and did what she could for the little mite. She found that its clothes were in a filthy condition and later bathed it and put it in warm covering and fed it—all the time expecting that the mother would come back. Supper time came and still no one came to claim the boy, so Mr. A. E. Trout was notified. He had the little chap taken to the Children's Shelter, where it was placed in charge of the matron. Mrs. Boddy found the child had on a flannelette night dress, two petticoats and a white dress. It was wrapped in a crocheted shawl, pinned down over its head and up over its feet. There were no marks of identification and no note or anything to tell who owned the little fellow. The clothes were very far from being expensive.

Dozens of women with children are in the hotel every day and it is the easiest thing in the world for a woman to go into the room, leave the child on the table and depart without anyone being the wiser. Mr. and Mrs. Boddy went upstairs soon after two, and a dozen people could go in and out without being noticed, after that time. There was every indication that the person who brought the child to the Queen's Hotel had come a considerable distance. The child's condition was such as to warrant the belief tha he had not had any attention since possibly early in the morning. He was very hungry and Mrs. Boddy sent down town for a bottle to feed him, after vainly attempting to feed him with a spoon.—Owen Sound Sun-Times.

REMEMBER THE BAZAAR

To be held in Alton on the afternoon and evening of December 10th under the auspices of the Alton Presbyterian Ladies' Aid Society. Candy, Homemade Baking, Fancy Goods and Articles suitable for Christmas Gifts will be sold at the Booths. See posters later.

RING FOR ORGANIST

At the regular practice of St. Andrew's Church choir on Friday night, the members presented Mr. A. C. Hannahson, who has so ably filled the dual position of organist and choir leader for the last year, with a monogramed gold ring as a slight mark of their appreciation of his services. Mr. A. M. Ellis spoke a few fitting words in behalf of the choir, expressing the sorrow and sense of loss that all feel through being deprived of Mr. Hannahson's leadership and services. Mr. Carl Hanley made the presentation. Mr. Hannahson replied briefly, referring to the invaluable assistance he had received from the choir and the very happy relations that had existed between the members and himself. He said he would always cherish the happiest memories of his sojourn in Orangeville and his connection with St. Andrew's Church. Mr. Hannahson's connection with St. Andrew's ended this week. Yesterday the gifted musician left town for Kitchener, where he has accepted a position as organist and choir leader in St. Andrew's Presbyterian Church.

ARMISTICE DAY

In compliance with the request of the British Colonial Office, the Canadian Government will shortly issue a proclamation calling upon all Canadians to observe the two minutes of silence from eleven o'clock in the forenoon until two minutes after, on Friday, November 11th, the anniversary of the actual signing of the armistice. Special commemoration ceremonies will be held on Monday, November 7th, as provided by the Act passed at the last sitting of Parliament. The two minutes of silence will be observed on November 11th in order to make this mark of respect to those who fell, and in memory of the ending of the war, uniform throughout the Empire. As usual all movement will cease for the period, including ships and trains.

A FISH THAT CLIMBS

There is a strange fish called the "climbing perch." It lives in far-off Asia, and is as much at home on land as in the water. In a land where streams dry up in which this fish lives, it would die if it did not go in search of another body of water, over hot, dusty ground, and over hills and valleys.

Lieutenant Daldorf, of the Danish navy, in his memoirs of 1797, mentions that he captured such a fish in the act of climbing a tree. He found it with the spiny margin of the gill-covers hooked into the cracks of the bark, and watched while it curled its tail around, thrust its pecoral fins forward, and pushed ahead. The fins are remarkably mobile and may be moved outward almost at right angles to the body, and the mere closing, if in contact with an object, is sufficient to pull an average fish half an inch.

In his "Natural History of Ceylon," Sir J. Emmerson Tennent states that on one occasion he saw hundreds of these fish crawling up the bank of a dried-up pool, diverging in every direction, on reaching the top, to a distance of fifty yards, and still travelling onwards. The supposition is that they travel by night or before sunrise. One peculiarity is the large size of the vertebral column, quite out of proportion to the rest of the body. In migrating they keep their gills expanded and moistened by a curious vessel above the gills that holds water. When the fish leaves the water it carries with it enough water to moisten its gills as often as necessary to sustain life.

The eggs float loosely at the surface of the water, and hatch in two or three days. The color of this fish is a light brassy olive, with eyes of orange. Its length is up to seven inches.

FIRE PREVENTION

There has been a loss by fire in the Province of Ontario in the past three years of one million dollars a month. Twelve millions dollars a year goes up in smoke, most of the loss being preventable if ordinary care were exercised.

To stop this waste the Fire Marshall of Ontario has been conducting a campaign of education on broad lines. His efforts in this direction deserve the support of all the leaders and teachers in the Province. If only the rising generation can be fully instructed to exercise care in the handling of fire a great deal will be accomplished, and special efforts are being made in that direction. But the loss, which is so enormous, ought to engage the interest of all classes of the community to reduce or end such a huge economic waste.

To the deputy fire marshall, Mr. George F. Lewis, great credit is due for maintaining this educational movement. The fertility of his mind in devising means of attracting public attention has produced excellent results. The general public owe it to this capable and alert officer, as well as to themselves to give all possible co-operation in this work of conservation. The loss of twelve million dollars a year, largely through carelessness, is a serious reflection upon the intelligence of our people. Mr. Lewis is showing how that can be avoided, and thus rendering a great public service.

L. O. L. 320 SUPPER

PETER PERRY CHECKED

His Masonic Brethren of Wellington District Present Him With $700 at a Meeting in Fergus on Monday Evening.

Seldom does a man in his lifetime have such a token of respect and esteem from his fellow men as was accorded Peter Perry, M. A., of Fergus, last Monday evening, Oct. 24, 1921, in the lodge room of Mercer Lodge A. F. & A. M. in our sister village.

Mr. Perry for the past few years has been an acute sufferer from a form of rheumatism that forced him some time ago to resign his position as principal of Fergus High School, a position he held with great credit for over a quarter centurry. Despite the best medical skill he has failed to secure more than a partial relief from his trouble. Early in the year his daughter, who, with her husband, resides in the Phillipine Islands, came over to Canada on a visit and also to try and persuade her father to see what the climate of the islands would do for him. He decided to make the trip, and leaves Fergus on Friday of this week to pay a visit to friends in other parts of Ontario, and early in December will sail for the Phillipines.

When Mr. Perry's decision became known his Masonic brethren bestirred themselves and as a result of the good work done by the committee in charge, Rt. W. Bro. Ziemas, of Preston, and Rt. W. Bro. Day, of Guelph, had the pleasure, on behalf of Wellington Masonic District, of voicing the good wishes of the Masonic Lodges for Mr. Perry and of presenting him with a cheque for $700. Mr. Perry was, a few years ago, District Deputy Grand Master, and as such rendered distinguished service, which has not been forgotten. On Monday evening over 100 Masons gathered, including the present D. D. G. M. and five Past District Deputies, coming from as far as Arthur, Georgetown, Erin, Waterloo, Kitchener, Galt, Preston, Guelph and other points. V. W. Bro. W. A. Ross who was District Secretary during Mr. Perry's term as D. D. G. M., had charge of the proceedings on Monday evening. Representatives from each Lodge spoke feelingly of their regard for the guest of the evening. Mr. Perry made a very neat reply, and after refreshments had been enjoyed the meeting closed with the hearty rendering of Auld Lang Syne. Nearly a score of Masons from Elora were among those present.—Elora Express.

ARMY WAS FOR-GOTTEN FOR SIX YEARS

Romantic Story of Last Regiment That Held Penetanguishene During the War of 1812, and then Encountered Many Hardships Because They Were Overlooked by Officials of the War Office.

This is a story of the famous lost regiment of Penetanguishene; of the forgetfullness of the War Office; and of the first beginnings of the thriving town, which now lies at the gateway of the Upper Great Lakes. It was during the war of 1812 that Sir Geo. Head marched his British regulars to Fort Penetanguishene and with him went a regiment of French Canadian scouts. For some months the garrison was kept up at full strength but as the ravages of war bled the armies of the straggling Upper Canadian settlement white, the regulars were marched southward to the actual zone of battle. The keeping of the fort was entrusted to the French-Canadian Voltigeurs, who were left behind.

More than six years passed and the Voltigeurs remained faithful to the post. The regulars, such of them as survived the fierce fighting, embarked for their homeland. They were paid and discharged. But the Voltigeurs remained. They were lost track of by the War Office. Then one day when an official was working through old files he came upon that which kept the records of the Voltigeurs. The consternation which followed this discovery can best be left to the imagination. The salient points are quite plain. Here was a body of possibly 1000 men who had been forgotten for more than half a decade. They had received no pay whatever, during this period, nor had they been sent any supplies. Yet they were in charge of a fort which commanded the Upper Great Lakes, a strategic point of the utmost importance. Had they remained true to their charge, or had they disbanded owing to this official neglect? We may be sure that these questions, followed by a hundred others raced through the agitated minds of those gold-laced autocrats of the War Office. We may well believe that a frigate couldn't be despatched quick enough to Quebec to find out about them.

In the meantime, the Voltigeurs had remained at the fort. But during the first winter they suffered much privation. They lived off the land, getting their meat in the hunt and eating such bread as might be doled out to them by the Indians who camped near. But when the second summer came and they were without supplies, the scouts mixed freely with the redmen. In the winter they found wives among the Ojibway tribes. Thus, when the Government eventually re-discovered them, they were still grouped about the fort, but living without its precincts. They were husbands and fathers, a big community in themselves. In recompense for their sufferings, each member of the regiment was given a grant of land and a free log-cabin; also, they and their descendants were quitted of taxation for all time.

To-day many of these little homes can still be seen set amid its grounds and clustered about the bay. Quaint log houses they are in their fresh coats of whitewash. And in them the visitor can see the beginnings of the thriving town of Penetanguishene, which has grown up about them.—Toronto Sunday World.

STARTLING FACTS ABOUT TOBACCO

There is enough nicotine in the average cigar to kill two men.

Our annual tobacco expense would build four Panama canals.

Our annual tobacco bill amounts to $20 per capita in America.

A leech is instantly killed by sucking the blood of an habitual smoker.

In 1919, 1,901,200 acres of American land were used to cultivate tobacco.

Insurance companies estimate one-third of all loss by fire to be due to tobacco.

Two thousand seven hundred Americans begin the tobacco habit each day.

The tobacco habit was begun in America and has extended to every nation on earth.

In four hundred years the tobacco habit has fastened itself upon half the population of the world.

In Russia, Turkey and Persia, the use of tobacco has been at times punishable by death.

Among four hundred and twelve young men examined by the naval enlisting officer at Peoria, Ill., two hundred and ninety-eight were rejected.

Babies have been killed by breathing the tobacco smoke with which a smoker filled an unventilated room.

In the United States, the manufacture of cigarettes grew from fourteen billion in 1914 to fifty billion in 1920.

Dr. Clay reports the death of three children from the use of a tobacco poultice applied to the scalp for scald-head.

"Prussic acid is the only substance more poisonous than nicotine."—M. Orfila, President Paris Medical Academy.

The ratio of the number of cases of color blindness in men to that of women is 50 to 1. Oculists say this is due to tobacco.

The Indians used to poison their arrows by dipping them into nicotine, thereby causing convulsions and often death from arrow wounds.

Statistics indicate that 26,000 cases of pneumonia die annually in the United States, that would recover were the patient not addicted to tobacco.

AN ARCHBISHOP PEEVED

The Toronto Board of Education exploded a bombshell in the Separate School camp when it passed a resolution protesting against the changes in the law demanded by Archbishop McNeil. That prelate immediately wrote to the press a long letter of protest against the action of the Board of Education. He seems to be surprised that the Board should endeavor to preserve its legitimate revenues. Surely he did not think that he could carry on so vigorous a campaign as that which is proceeding under the auspices of the Knights of Columbus and the Holy Name Society without arousing public interest, and stirring up those trustees of the people whose institutions would be injured by the success of his propaganda. It would be strange indeed if the Public School Board had no opinion to express with regard to the Archbishop's campaign. Everything he expects to gain would have to be taken from the Public Schools. If the school taxes of incorporated companies were divided on the basis of population or school attendance it would rob the Public Schools of hundreds of thousands of dollars annually that the Public system is now receiving.

It should not be forgotten that the law as it stands secures to the Separate Schools all the school taxes paid by incorporated companies on the shares held by Roman Catholics. The onus is upon them to show the proportion of shares held in any company by people of that faith. Their church enjoys a special privilege over all other churches in the Province. That being the case, it is surely a fair proposition that before taxes are paid to their schools they should prove that such rates come from the pockets of Roman Catholics.

Archbishop McNeil argues that he is only asking for what the law of 1863 gives to his Church. If that is the case, why does he not appeal to the courts or to the Governor-General-in-Council, demanding his rights under the law? In one breath he declares that the law as it stands is sufficient, and in the next he asks for amendments to the Assessment Act, which he says is insufficient for his schools to get their revenues. There can be no doubt whatever that if his argument is right, and the law of 1863 is properly interpreted by him, all he has to do is to go to the courts for redress that he is seeking from the Legislature.—Orange Sentinel.

NORTH ERIN BAZAAR

The Ladies' Aid Society of North Erin Presbyterian Church will hold their annual Bazaar on Friday evening, Nov. 11th, commencing at 7 o'clock. A large range of useful articles, homemade candy and baking will be offered for sale. ITEMS OF INTEREST OF DUFFERIN AND DISTRICT

Caledonia Masonic Lodge, Midland, celebrated its 50th anniversary last week.

Thirty-thousand dollar addition is to be built to the Bole elevator of Fort William.

A mosquito has twenty-two teeth, all of which may be seen through a microscope.

A. Daily has sold his bakery business in Grand Valley to a Mr. Niblet of Goldwater.

Rural mail delivery will likely soon be started along the McLellan Road, Colbeck.

Brampton Band is being reorganized and a campaign is on to raise $1,000 for some new equipment.

A poultry show has been organized in Palmerston and already the new organization is off to a good start.

Mrs. George Charters, Teviotdale, has a strawberry patch that has been producing fine large ripe berries all through October.

Mr. John Gingrick has sold his farm near Elora, the old John Traill farm, to Mr. Wm. Dobberthein, also of Lower Pilkington.

A Brooklyn woman claims an auto has alienated her husband's affections. She doesn't give the car's name, but we suspect it's Lizzie.

Green forests constitute an investment which gives big returns. The shareholders include, directly or indirectly, every citizen of Canada.

It is strange, as an exchange remarks, that motorists who can see a bent nail twenty yards ahead can't see a pedestrian until he hits the radiator.

T. H. B. McCullough, formerly editor of the Chatsworth News, has purchased the Weyburn, Sask., Review and will take possession about December 1st.

Jas. McCue, of Melancthon, will return to Dundalk where he formerly resided. He has purchased the dwelling belonging to the Joseph Jackson estate.

Owing to the necessity of making repairs at the Eugenia plant, Hydro power will be shut off for forty-eight hours, Nov. 6th and 7th. Every effort will be made to give lighting service, however.

Down in Lanark Hon. John A. Stewart, Minister of Railways, is being supported in his platform oratorical efforts by his wife. This is not new in England, but is more or less an innovation in Canada.

There is a great movement in Fergus in the turnip trade, many cars being loaded every week. The farmers are hauling direct from the fields and the crop is a splendid one. The market is only 16 cents.

How is this for Oakville? An advertisement which appeared in last week's Record: "Let's clean your dirty kids. Short ones, 7 1-2 cents each. Longer ones in proportion. Johnston's Cleaners and Dyers." Must be some lazy folks down there.

Steps are under way for the setting aside of a forest reserve area in Pakenham and Darling townships of Lanark county, Ontario, under Ontario Government plan of assisting municipalities to set aside areas as forest reserves.

What Sir John A. Macdonald said on prohibition is still true. "Canada will get prohibition just as soon as she sends enough men to Parliament to vote for it." That is the only known way of getting any reform legislation by democratic methods.

The craze for bank robbing which has almost become epidemic in Ontario during the past few months, is attributed by some authorities to an attack of "brainstorm," which has its origin in the desire to "get rich quick." It is hoped, however, that the banks will cope with the situation immediately.

No town is complete without good musical organizations. Nothing advertises a town like o good band or a good orchestra. A stranger going into a strange town may fail to see things, but he can't stop his ears to a good band or the music of a good orchestra. He at once concludes the town has pep in it when good music is forced upon him—Durham Chronicle.

"Father," said a liquor-loving Irishman, on meeting the parish priest one day, "Phwat is lumbago?" Seeing an opportunity for needed reproof, the good father replied: "'Tis a terrible disease which comes from drinking up booze and chasing around o' nights." "Is that so?" said Pat. "It says in the paper that the Pope has lumbago."

With a view to supplying the citizens with all the latest electrical appliances at Hydro prices, and encouraging a greater use of electric current the Acton Hydro Electric Commission will open a new Hydro shop in the old Post Office building this week. There will be on sale there electric lighting fixtures, irons, toasters, grills, heaters, ranges, washing machines, etc. The opening this week will be made an interesting feature.—Acton Free Press.

PILES Do not suffer another day with Itching, Bleeding, or Protruding Piles. No surgical operation required. Dr. Chase's Ointment Will relieve you at once and afford lasting benefit. 60c. a box; all dealers, or Edmanson, Bates & Co., Limited, Toronto. Sample Box free if you mention this paper and enclose 2c. stamp to pay postage.

The great steamship "Manrentania," was greatly damaged recently by a fire caused by a carelessly dropped cigarette stub. Similar stubs have destroyed Canadian forests that would have supplied the wooden decks and interior fittings for a hundred "Manretanias."

In some parts of China jars are placed outside houses as matrimonial advertisements. A jar turned upside down means that the daughter of the house is too young to marry. A jar laid with its mouth to the street indicates that the maiden is of age. When the girl is married the jar is removed.

In an article concerning Voters' Lists for the coming Federal election the Toronto Globe says:—"In rural polling sub-divisions and in towns of 2,500 or less any person entitled to vote whose name does not appear on the list must be given a ballot on polling day upon taking oath that he or she is duly qualified."

By an amendment to the Motor Vehicles Act, a copy of which has been received, no motor vehicle can carry a lamp on a pivot or other device which can be revolved to cast a beam of light in any direction at the will of an occupant of the vehicle. An exception is made in the case of municipal fire department equipment.

A few of our merchants are great "kickers" just now over outsiders coming to town and getting orders for goods. Yet these same merchants are the very first to give an outsider a printing job. Consistancy, thou art a Virtue. What a difference and a holler when the shoe is on the other foot.—Fergus News-Record.

Despite the fact that Canadian National Railways for September showed an operation profit of half a million dollars, revelations at railway investigation at Ottawa show need of some reforms. It came to light that it is pasible for a locomotive engineer by short runs and overtime to earn $6000 a year. Granted this is true it is time a revision of the rules took place.

A despatch from Wingham says: Old Mother Nature herself took part in the Hollowe'en celebrations at Wingham last night by sending one of her celestial visitants in the form of a large meteor, which crossed the sky, travelling in a southeasterly direction about midnight. It was large enough to light the landscape brilliantly, and about two minutes after it passed from sight a loud booming noise was heard.

This fall has been making new records for old Ontario. At Drayton one man successfully grew tobacco plants, bringing them to maturity. At Oakville a newspaper man demonstrated that cotton could be grown in Ontario. At Fergus, one man picked a good large basket of peaches from a tree that had been grown from a peach stone in this northern latitude. Second crop raspberries are fairly common. On Monday we received from Mrs. W. A. Burnett a sprig of Persial lilac taken from a bush in second bloom on the Burnett farm in Upper Nichol. Is our climate changing?—Express.

Bracebridge Gazette—A year ago men were being engaged in Bracebridge for the Northern woods at $85 to $90 a month, with transportation provided. To-day the highest being offered is $35 with from $18 to $26 prevailing. This is, we believe, relatively the lowest ever offered in the lumbering trade in this district. In 1896 wages ran from $12 to $18, but at that time a dollar would buy more than twice what it will now. At that time young men and women were teaching school for from $225 to $400 a year; preachers were being promised from $400 to $800 and getting part of it; $12 would buy a fair suit of clothes and $2.50 a bag of flour.

General satisfaction was felt throughout the community yesterday at the report made by the Grand Jury in connection with the House of Refuge. "Excellent" was the word used by the foreman in making his presentment to the sitting justice. The House is taking more and more place with the town and the churches that it should take, to realize its name as a House of Refuge. On Oct. 23rd the religious services at the House were conducted by Grace Church and on October 30th by the Presbyterian Church. On both occasions the pastors were accompanied by several carloads, so that at the service the assembly room was completely filled. Mr. and Mrs. Partridge appreciate very deeply this growth of interest in their work and their charges.—Brampton Conservator.

It is well for young people to learn from the experience of those who are older. Those who have made a success in any sphere required that enthusiasm be kept alert and active. When enthusiasm burns itself out, almost any worker is in a bad way. You can go on drudging on without it to be sure, but that sort of work is hard and tedious. The thing to do is to keep enthusiasm ablaze, to keep the fire fed, Many a time enthusiasm burns out because the claims of the body have been neglected, A holiday in the open is a wonderful thing to keep enthusiasm alive. The young folks should learn this. There is no truer adage than the homely one of our childhood. "All work and no play makes Jack a dull boy." An occasional holiday, out in the open, is invaluable.

ANOTHER HOLD-UP

When James Brown, of the Jessopville section, was on his way home from Shelburne early last Saturday evening, two men jumped on his wagon when he was in the stretch of swamp near H. McVanel's on the townline west of Shelburne. The larger of the two men grabbed Mr. Brown and held him while the other fellow went through his pockets and helped himself to what money he could find, which, luckily for the victim of the hold-up, amounted to only five dollars. So far as we have heard, there is no clue to the identity of the perpetrators of the robbery, who certainly showed their boldness in carrying on their criminal work on a main highway such as the Melancthon-Amaranth townline. This affair is another strong argument in favor of a real Provincial police force whose duty it would be to make immediate and full investigation into all such affairs. The present system of county constables working on fees, with no real satisfactory provision for the co-ordination of the work of the officials of different counties as well as different municipalities, is just about as satisfactory as no system at all —especially in these days of rapid transit.—Economist.

Three bad, bold men came into Brampton on a freight yesterday morning. They had some bundles of clothing with them. The trio came down town in broad daylight and stole three bicycles standing in front of shops and calmly rode away. They were seen leaving the town by McMurchy Ave., where they cut across fields to reach the first line west.—Peel Banner.

The Low-Priced AMBEROLA outshines them all
Here is a remarkably low-priced phonograph that actually is far superior to ordinary "talking machines" even though it costs less.
The music of Edison's New Diamond Amberola alone proves our claim that it is the "world's greatest phonograph value." It is clear and pure, without any of the harsh metallic sounds you so often hear on ordinary commercial phonographs.
Then consider—the genuine *Diamond Point Reproducer* forever does away with buying and changing needles. *Amberol Records* are practically unbreakable and last for years.
Today—come to our store and hear the Amberola. If you wish to give it a thorough trial you can have

"Three Days of Good Music—FREE"
in your home, without cost or obligation. Come yourself, if you can, and choose the Amberola model you like best and a dozen records. We will deliver them to your home for a three day free trial. If you can't call—write or phone.

TEN YEARS

John May, Gets Stiff Sentence at Brampton Fall Assizes.

The Fall Assize Court opened before Chief Justice Masten at the Court House, Brampton, on Tuesday afternoon, Nov. 1st.

Against John May, awaiting trial for months, the grand jury found a true bill. He was charged with attempt to murder Richard Robson, the proprietor of the Queen's hotel, of Brampton. One day at noon, John May, who is an Orangeville man, attempted to rob the hotel cash register. He was stopped and in his endeavor to get away a chase ensued in which he fired a revolver at Mr. Robson. May furnished Brampton with one of the biggest sensations it ever experienced. He was chased by a mob through the streets to the G. T. station, where he was captured. This was months ago and since then May has resided contentedly with Governor McClure.

May was defended by Mr. C. R. McKeown, of Orangeville, who had known him since a boy. On the crown reducing the charge May pleaded guilty. The judge reserved judgment until Thursday, when the accused was brought in again and given the stiff sentence of ten years.

SAVED BABY'S LIFE

Mrs. Alfred Tranchemontagne, St. Michel des Saints, Que., writes:—"Baby's Own Tablets are an excellent medicine. They saved my baby's life and I can highly recommend them to all mothers." Mrs. Tranchemontagne's experience is that of thousands of other mothers who have tested the worth of Baby's Own Tablets. The Tablets are a sure and safe medicine for little ones and never fail to regulate the bowels and stomach, thus relieving all the minor ills from which children suffer. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WHITTEN–M'CAGUE

A quiet wedding took place in the Methodist Parsonage, Beeton, on Wednesday, October 26th, the contracting parties being Reta Olive, younger daughter of Mr. and Mrs. William McCague, of Beeton, and Mr. Edwin Whitten, son of Mr. and Mrs. Thos. Whitten, of Shelburne. The Rev. H. S. Lovering performed the nuptial ceremony. The newly wedded couple will reside on the groom's farm on the 2nd line, Amaranth.

BAPTIST YOUNG PEOPLE

The young people of Orangeville Baptist Church organized a B. Y. P. U. on Tuesday evening, Nov. 1st, and held the first meeting of the newly organized Society on Monday evening, Nov. 7th. Meetings will be held in the Baptist Church every Monday evening at 7.30. All young people are cordially invited to attend.

OLDSMOBILE SEDAN

Run 4000 miles by General Motors Executive, of Oshawa. Has received best of care. Will sell for $2250. New car equipped like this model costs $2850. Write "Executive," P. O. Box B., Oshawa.

ENGINE TURNED TURTLE

The engine of Mr. Speers' clover threshing outfit turned turtle on the 8th line last Thursday evening. The steering chain breaking, the engine instantly headed for the ditch, and, going over the end of a culvert on the road opposite Mr. N. B. Ford's farm, it landed up-side-down ten feet below. Sam Wolfe, engineer, who went over with the machine, had a miraculous escape from being crushed to death or fatally scalded by escaping steam. Crawling out from under the huller shortly after the accident, he escaped with a gash on the head which required four stitches.—Beeton World.

REGISTRATION

Orangeville registrars have been appointed for the forthcoming election as follows:—

North Ward, Jack M. Aiken; East Ward, J. E. Booth; South Ward, W. C. Hopkins; West Ward, M. Robinson.

The registrars will make the 1920 Voters' Lists the basis of the new Lists they are expected to prepare. These lists will be fully compiled by Monday, November 21st, when they will be posted. Six days will then be allowed for appeals before the lists are finally confirmed.

—Mrs. Jennie Pierson, of Mono, has sold her one hundred acre farm to Mr. Fred Morton, Mono. The sale was made by A. S. Wallace, real estate agent, Orangeville.

—Mr. and Mrs. John S. Spence, well-known residents of the township of Amaranth, have retired from the farm and are now enjoying town life in their new home on West Broadway. We extend them a hearty welcome to Orangeville.

GOLDEN WEDDING

Home of Mr. and Mrs. Geo. Little, of Mono, Scene of a Happy Celebration.

A happy and interesting event took place on Monday, October 31, 1921, at the home of Mr. and Mrs. George Little, lot 26, Prince of Wales Road, Mono, when they celebrated the fiftieth anniversary of their wedding. Of their nine children—Joseph G., Shelburne; Wm. J., Toronto; Robert, Centre Road, Mono; Thomas, on the homestead; Mrs. Fred Buchanan, Centre Road, Mono; Mrs. S. G. Shaw, Beeton; Mrs. R. J. Bailey, Eyebrow, Sask.; Mrs. R. J. Small, Toronto, and Mrs. Herb Lindsay, Prince of Wales Road, Mono—all were present except Mrs. Bailey. The bridesmaid of fifty years ago, Mrs. Chas. Wilson, sister of the bride, was present, also eighteen grandchildren and a few intimate friends. Besides being the recipients of many presents, Mr. and Mrs. Little received the good wishes and congratulations of a wide circle of friends. Their family presented their parents with a victrola and the following address, read by Rev. Wm. Hartley:—

Mono, Oct. 31, 1921.

To Mr. and Mrs. Geo. Little.

Dear Father and Mother:—We have assembled here, in this simple way, to commemorate the fiftieth anniversary of your marriage. Few, we realize, are spared to see their golden wedding day and we have felt that the occasion should in some way be marked by us.

First, we wish to express our grateful thanks to our Heavenly Father for the way He has led you these fifty years, and blessed you, and made you such a blessing to us all.

We have richly profited both by your precept and example. And even now, your patience and fortitude, under the infirmities of age, are an inspiration and model for our imitation.

We rejoice to congratulate you both on being thus spared to live together so long and happily, and we hope and trust that life's journey may continue to be rich in blessing and happiness.

And when He who holds our life in the hollow of His hand sees fit to terminate that covenant and vow betwixt you made fifty years ago, may He unite you in an everlasting covenant with Himself in that Home not made with hands, eternal in the heavens.

Signed—Joseph G., Elizabeth A., Martha, William J., Mary J., Emily, Robert, Thomas and Jemina.

In spite of the fact that Mr. Little has been bedfast for three years he made a feeling reply in his oldtime good style. He gave his family and those present some good advice, saying that if they saw anything good in his life, do that; and whatever they saw that wasn't right, do not do that. Short addresses were made by each member of the family and others present. Rev. Hartley administered communion and after several selections of music and singing everyone joined in singing "God Be With You Till We Meet Again."

Mr. Little is a son of the late Geo. Little, one of the pioneers of Mono. He was born on lot 5, Centre Road, in 1836. Mrs. Little, whose maiden name was Mary Jane Baker, sister of the late Thomas Baker, Elba, was born in Queen's County, Ireland, and came to Canada with her parents in early childhood, settling in Mulmur, and afterwards moving to Mono. They were married by Rev. A. Henderson, in St. Mark's Church, Orangeville, and settled on the farm where they still reside. It was then a wilderness, but through their hard work and perseverance they have made it one of the comfortable homes on the Prince of Wales Road.

BIRTHDAY PARTY

The Ladies' Aid of the Methodist Church held a novel and interesting entertainment on Thanksgiving night in the form of a Birthday Party. The affair attracted a large crowd and was a pronounced success in every respect. Mesdames Hogg, Beswick, Kearns and Partridge, prominent members of the Society, received at the door and extended all visitors a most cordial welcome. Lunch and tea were served at twelve tables, each table being fitted and decorated to represent a month of the year. The decorations were appropriate to the month and season of the year in each instance and the skill and ingenuity shown in their arrangement reflected great credit on the resourcefulness of the ladies of the Society. Members of the Ladies' Aid poured tea and the tables were attended by a number of the young ladies of the church, who were dressed appropriately for the month their particular tables represented. An excellent musical programme was provided by local talent. The numbers included a vocal solo by Miss Myrtle Gardiner, selections by the Orpheus Male Quartette, piano duets by Misses Reta Sherman and Alice McGuire, Alberta Kearns and Gladys Ewing, a quartette by Messrs. Will Henderson, Stewart Porter, Dr. Price and Ellis Liddy, solos by Mr. Harry Sloan and music by Mrs. W. R. Liddy and Messrs. Clarence McConnell and Ellis Liddy. Mr. C. R. McKeown acted as chairman.

MONO MILLS.

A Union Thanksgiving Service will be held in the English Church Hall, Mono Mills, on Friday evening, November 11th (Armistice Day) in thankful commemoration of the end of the war three years ago. The Service will begin at 7.30 o'clock. Addresses will be delivered by Rev. D. G. Atkinson, rector of Mono East Parish, Rev. J. A. Matheson and Rev. S. Dunn Dinnick.

YOURS FOR FAIR DEALING——THE BIG STORE

Women of Canada

"I ask from all the people of Canada an earnest review of the real issue before Canada to-day. I ask from men and women a calm, thoughtful consideration of serious public questions; and, so far as I am concerned myself, I ask not favors but fairness."—ARTHUR MEIGHEN.

WOMEN OF CANADA, the coming General Election will be one of the most momentous in Canadian history, and Arthur Meighen asks YOU to give the issue fair, unbiassed consideration.

Women and men alike are called upon to decide whether political, industrial and economic stability is to be replaced by class rule, political and industrial chaos and possible economic bankruptcy.

The facts are clear, and every Canadian woman will do her own thinking. She will not be misled by others. She will not blindly follow family political precedent, neither will she be carried away by the false theories or empty "isms" of theorists and extremists. Every woman will arrive at a personal decision by the application of practical common sense.

The great issue is the Tariff and here are briefly the facts.

The present Canadian Tariff, so far as it affects the necessaries of life, is a very moderate one. It is simply a tariff maintained to keep Canadian factories in Canada, employing a steadily increasing volume of Canadian labor and developing Canadian resources.

Meighen stands firm for the continuance of a reasonable tariff. It is now even more imperative than in the past. All other important countries are retaining or increasing their tariffs in order that they may hold their home markets for their own people.

Under Crerar's Free Trade policy Canada would be swamped with foreign goods, principally from the United States, Canadian industry would be ruined, thousands of men and women would be out of work with all the hardships to themselves and their children that must result. The farmer's great home market would be seriously affected, taxes would be increased, and Canadian working men would have to go to the United States for employment.

While King's Tariff policy is wobbly it nevertheless tends toward the destruction of the Tariff and would bring with it practically the same results.

MEIGHEN'S POLICY EVERYBODY KNOWS. It is the only means whereby confidence may be maintained and employment given to all classes of the people.

The foregoing is a plain statement of logical conclusions arrived at from the facts. Think the matter over carefully "without favor but with fairness".

Make your own decision, stand by it unmoved and be sure to exercise your vote.

CALEDON

Communion service will be held in the Methodist Church next Sunday morning at the close of the regular service.

LAUREL

On Thursday, Nov. 3rd, the Women's Institute held their monthly meeting at the home of Mrs. E. Richardson. The President was in the chair and the meeting opened with the singing of the Opening Ode. Mrs. E. Richardson and Mrs. Gray gave two excellent Papers on Sunday Supper Dishes, which were much enjoyed by all. Then the programme was brought to its completion with a solo, a reading and two piano solos, closing with prayer. Afterwards Mrs. Richardson served a delicious lunch. The next meeting will be held at the home of Miss A. Banks. A cordial invitation is extended to all ladies to attend.

Masters Jack and Donald Grossmith spent Thanksgiving in the city.

Mr. Arthur Richardson was home from Hespeler and Miss J. Richardson from Toronto for the holiday.

Miss Lettie Morrow is spending a few days in Dundalk.

Mr. and Mrs. A. D. Harrison and family spent Sunday at Flesherton.

Mr. and Mrs. W. R. Grosskurth spent Thanksgiving at Mr. L. C. Grosskurth's on the 3rd line.

Miss Adams, our school teacher, spent Thanksgiving at her home in Toronto.

HILLSBURG

A meeting to organize a Public Library in Hillsburg was held in St. Andrew's Church, Tuesday night, Nov. 8th. The Women's Institute is to be appreciated for thus bringing forward an organization that should meet a great need in the village and district.

Owing to the growth of the congregation at present the Session of St. Andrew's Church has asked the congregation to erect three additional elders to keep pace with the progress and to bring the strength of the Session to 11 members. Ballots are to be placed in the plate the next two Sundays, Nov. 13 and 20.

The annual Thank-Offering service of the St. Andrew's W. M. S. was held last Sunday morning, Nov. 6th, with the minister, Rev. F. C. Harper, presiding, and Miss Evelyn Mitchell, Field Secretary of the W. M. S., giving an interesting address on the work of the Women's Missionary Society at home and abroad. Miss Mitchell, who speaks from personal experience of the work, and who has rare grace and charm in public speech, was heard with keen interest by a large congregation. The Thank-Offering given reached $84.68 on Sunday and this amount will exceed one hundred dollars when all the envelopes are received.

CAMILLA

Mr. and Mrs. Knowles, of Ufford, Ont., are visiting their daughter Mrs. Wm. Coutts, at The Manse.

Mrs. Albert Curtis is spending a few weeks in Toronto.

Misses Brawley and Bradley, of Orangeville, spent Thanksgiving with Mrs. Dalton Patterson.

The annual Fowl Supper of the Women's Institute, which was held at the home of Mrs. Alex. Mann last Wednesday night, was a fine success. There were upwards of 150 people present and everyone of the crowd enjoyed themselves to the limit. A good Supper was provided and was followed by a fine program by local talent.

Rev. Wm. Coutts preached an inspiring Thanksgiving sermon to a large congregation last Sunday.

LAUREL

The Special Services conducted by Messrs. Woods and McBreatney in Black's Corners and Laurel Presbyterian churches from Oct. 16th to Nov. 2nd were largely attended and the interest manifested at the beginning was well sustained throughout. At the Communion service in the latter place last Sabbath there was a large attendance of communicants, an indication of the good work that has been accomplished by means of these services.

HENRY WATT

GLAD HE TRIED THE TONIC TREATMENT

Through Its Use Strength and Vigor Was Restored.

To be tired after exertion is natural. Rest and food restore the body to normal after such fatigue. But to be tired all the time is a symptom of an anaemic condition that will not be corrected until the blood is built up.

Such an anaemic condition is so gradual in its approach and generally so lacking in acute pains that it is often difficult to persuade the sufferer to do anything for it. But it is not a condition that corrects itself. If the blood is not enriched the trouble will increase. The nerves will be undernourished and neuralgic pains will follow. Digestive disturbances often result from thin blood, sleep is disturbed and a general breakdown may occur.

Mr. Wilson Johnson, Nineveh, N. S., says:—"A few years ago my system was in a badly run down condition. My nerves seemed always on edge, and I found myself so weak that I could hardly do any work. I suffered from headaches and from pains in the back and under the shoulders, and was often so sleepless at night that when morning came I felt as tired as when I went to bed. I was taking medicine all the time, but it was doing me no good. Then I read the testimonial of a man whose condition had been similar to mine, and who strongly recommended Dr. Williams' Pink Pills. I decided to give this medicine a fair trial, and when I had taken six boxes I felt much better. I continued taking the pills until I had taken six more boxes, and I can only say I am glad I did so, as I am now enjoying the best of health, and I advise all men who feel run down to give these pills a good trial."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine or by mail at 50 cents a box or six boxes for $2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

THE MAPLES

The next regular meeting of The Maples Women's Institute will be held at the home of Mrs. Jacob Hoare on Tuesday, Nov. 15th, at 2.30 p.m. The programme will include a Paper on a selected subject by Mrs. Carroll, a duet by the Misses Hoare, a discussion on the subject, "Dress—Its Uses and Abuses," led by Mrs. Cornelius, and music by Miss Eva Cornelius. The Institute intends holding a Box Social in The Maples Community Hall on Wednesday evening, Nov. 23rd. Particulars next week. Kindly keep this date open.

WHITTINGTON

The Whittington Ladies' Aid will hold a Pie Social in the schoolhouse on Friday evening, November 11th. A good programme of music, recitations, etc., will be provided, after which an Autograph Quilt will be auctioned off. Lunch will be served. Admission, adults, 25c.; children, 15c.

UNVEIL MEMORIAL

Citizens of Grand Valley and district will celebrate Armistice Day in becoming manner by unveiling the War Memorial which has been erected in honour of the fallen heroes of the recent war. The impressive unveiling ceremony will take place at 2.30 o'clock in the afternoon. We understand that Rev. Capt. Woodcock, chaplain of the 164th Dufferin-Halton Battalion during the war, and Rev. Capt. T. H. Stewart, of Orangeville, will be the chief speakers.

A. Y. P. A.

St. Mark's A. Y. P. A. will hold its regular meeting next Monday night. One of the features of the programme will be an address on "Disarmament" by Mr. C. R. McKeown. Good music will be provided.

BORN.

DEAN—In Lord Dufferin Hospital, on Monday, November 7th, 1921, to Mr. and Mrs. A. J. Dean, Zina St., a son.

JACKSON—At "Hillandale Farm" Mono Mills, on Thursday, November 3rd, 1921, to Mr. and Mrs. John E. Jackson, a daughter.

CORNELIUS—At Meaford, on October 31st, 1921, to Mr. and Mrs. Fred Cornelius, a daughter (Jean Winnifred.)

DIED.

STORK—In Mono Mills, on Tuesday, Nov. 8th, 1921, Priscilla Stork, beloved wife of George Stork, aged 33 years, 10 months and 7 days.

Funeral from her late residence to Caledon East Public Cemetery on Thursday, Nov. 10th, at 1.30 p.m.

IN MEMORIAM

In loving memory of Mrs. A. E. Evans, wife of Albert Evans, who passed away Nov. 9th, 1920, at Balcarres, Sask.

Ever remembered by her husband and daughters.

ALTON

Thanksgiving Services were held in Alton Presbyterian Church on Sunday last. Rev. F. W. Mahaffy, of Orangeville, occupied the pulpit at the morning service and Rev. Joan Lindsay, of Erin, had charge of the service in the evening. A good Thank-Offering was contributed. The church choir rendered excellent service at both services. No services were held in the Methodist Church, the congregation joining with their sister church in the Thanksgiving services. The church was suitably decorated for the occasion.

A very pleasant social afternoon was held at the home of Mrs. David Harkness, when the Home Helpers and members of the Presbyterian Church Missionary Society met together on Tuesday, Nov. 1st. All were pleased to have Mr. and Mrs. Burkholder, of Caledon, with them, as both gave very pleasing and instructive Talks on Mission Work. The gathering was also entertained to a few acceptable remarks from their own pastor, Rev. W. N. Carr. A delicious lunch was served at the close of the programme.

Don't forget to come out to hear Mrs. Dodds, of Cheltenham, on Tuesday evening, Nov. 15th. Mrs. Dodds will have the assistance of the choir and local talent. There will be a silver collection. Everybody welcome, men, women, boys and girls.

Don't forget the North Erin Bazaar on Armistice night.

Mr. and Mrs. Tansley and daughter visited at the home of the latter's brother, Mr. J. C. Limebeer.

Miss Coral Barber and Miss Dorothy Dods spent the holiday at their homes here.

Mr. and Mrs. Wm. Horning and little daughter, of Toronto, and Miss Culligan spent the week-end with their parents, Mr. and Mrs. Jas. Culligan. Mr. Wm. Culligan, of Stratford, was also here for Thanksgiving.

Mrs. Harry Armbrust and niece, Miss Jean McFarlane, of Toronto, visited the former's parents, Mr. and Mrs. Wm. Dowswell, over the week-end.

Mr. Richard Dean was here on a visit to the old home town.

Mr. and Mrs. Paterson are spending the Thanksgiving holidays with the latter's mother, Mrs. Mackinnon.

Mr. and Mrs. John Patterson had visitors over the holiday.

Mr. and Mrs. J. Brownridge and their mother from Brampton, spent Sunday with their sister, Mrs. Cuthbert.

Mr. and Mrs. Mullin, of Kitchener, spent the holiday with the latter's sister, Mrs. D. Patterson.

Mrs. Alex. Dick and Mrs. McCutcheon, of Brampton, have been visiting at the home of Mrs. E. D. Barber.

There will be communion service in the Methodist Church next Sunday evening at the close of the service.

The Mission Circle of the Methodist Church intend holding their Bazaar on December 17th and cordially invite the help of all the good friends who so ably assisted them last year.

The Methodist Church Epworth League is planning to hold a Grand Entertainment in the Town Hall on Friday night, November 11th. The Orpheus Quartette, a popular and talented organization, will be heard in a select programme of solos, duets, quartettes and humorous numbers. In addition Miss Mae Shilling, one of the most popular demonstrators for the Columbia Graphaphone, will demonstrate "Growing Up With Music" in the Public Schools, Sunday Schools and in Community Singing, by the use of the Grafanola. There will be musical selections by local talent and short addresses by Messrs. S. Charters, W. J. Lowe and Bert Taylor, the three candidates for Peel in the approaching Federal election. The candidates will be given ample time to set forth the positive facts regarding the principles and policies of their respective parties. Now that the women have a vote we expect them to turn out in goodly numbers to hear these addresses. The programme will begin at 8 o'clock sharp. Admission—Reserved seats, 35c; other seats, 25c. Plan of Hall at Chantler's store.

MARSVILLE.

On Wednesday afternoon, Nov. 2, 1921, the home of Mr. and Mrs. D. M. Haws, con.11, was the scene of a pretty event. The occasion was the marriage of their daughter, Adelaide Mae, to Mr. Rutherford Lewis Bayne, of West Garafraxa. Promptly at 1 o'clock the bride and groom entered the parlor and took their places in front of an embankment of evergreens and ferns, very artistically arranged, and where the Rev. F. C. Harper performed the ceremony in the presence of the immediate friends and relatives of the contracting parties. Miss Mildred Nodwell, of Macdonald Hall, Guelph, rendered the wedding march very sweetly. The bride, who was given away by her father, was prettily attired in white crepe de chene trimmed with beads and pearls. She wore the customary bridal veil crowned with orange blossoms. Her going away gown was a fawn coat with brown fur collar and brown hat to match. After the ceremony and the usual congratulations and best wishes were extended to the happy couple, the guests repared to the dining room where a dainty wedding breakfast was served in excellent style. Miss Annie McGowan and Miss Lillian Daymond performed the duties of waitresses in a most graceful manner. The groom's gift to the bride was a sunburst of pearls and to the accompanist a cut glass salad bowl. The happy couple left that evening for a trip to Hamilton and Toronto and on their return will re-

THIS GREAT BIG

HOMER-WARREN CO.,
Dept. 23, Toronto

side on the 5th line, West Garafraxa.

Early Friday morning of last week the C. P. R. station at Orton was almost destroyed by fire. About two o'clock Mr. R. Ballentine, who lives near by, was awakened by the burning building. He hastily gave the alarm and soon every available man and woman were on the scene to give their assistance. The large water tank and the empty cream cans were made use of and after great effort the fire was extinguished, but not before considerable damage had been done to the building and contents. The express office is in the building and it contained many papers and about $200 in money. These were secured before the fire had made much headway. The night was calm and misty and this, no doubt, prevented the fire from wiping out at least half of the village.

The Marsville Branch of the Women's Institute held its regular monthly meeting last Wednesday at the home of Mrs. Geo. M. Nodwell. The meeting was well attended and all present enjoyed the Papers that were given. The next meeting will be held at the home of Mrs. Jas. Edwards, when a box of Christmas gifts will be packed for the disabled soldiers.

On Friday evening, Oct. 28th, about 75 young people of the vicinity gathered at the home of Mr. W. B. McGowan to do honour to Miss Adelaide Haws, a bride-to-be. Many useful presents were showered upon the guest of honor, after which the evening was spent in games and other amusements in which all heartily engaged.

On Friday evening of this week the Women's Institute is holding a social in the Disciple Church. A good program will be provided and a lunch served. At this meeting a Literary Society will be organized. No admission fee and everyone welcome.

CALEDON.

The Progressive Party have not only introduced a new style of politics, but have established a new fashion in political meetings. This was most noticeable at the meeting on Tuesday night of Herbert Taylor, Progressive candidate for Peel. Vociferous speeches, stinging sarcasm, biting personalities and rabid denunciation were noticeable by their absence. Instead the audience which filled the hall were presented with facts, facts and still more facts, which necessitated the formation of, and called for the support of the Progressive movement. Mr. McNaughton was chairman and his remarks between speeches were most pertinent. The first speaker, Mrs. McMaster, directed her appeal to the ladies, stressing the individual responsibility of the elector, the duty of each one to use her lately acquired franchise toward the betterment of conditions far from perfect. Mr. A. A. Powers, President of the U. F. O. Co-operative, spoke convincingly on the tariff in relation to the national debt of some $5,000,000,000. The high protectionists cry, "Produce and Prosper," works out under present and past conditions, not as a combination for the good of all. One class produces while another prospers. "With 30,000,000 acres of land along the railways, crying for the plow, what action is the Government taking to make it productive?" was a question of Mr. Powers'. The attack on the Co-operative Co. just four weeks prior to the election was a most suggestive coincidence and as President of that company he emphatically stated that it was financially and economically sound. Mr. Taylor drew the attention to the hazy references of both the Conservatives and Liberals in regard to the future of the National Railways in contrast to the clear cut business policy of the Progressives. Mr. Meighen's free trade bogy was examined and shown to be only a scare-crow and a poor one at that. The slanders of "Onlooker" in the Conservator were shown to be the result of a perverted imagination while the apostle of high protection in the riding is printing his paper on a duty free press. The Conservative appeal, opposition to free trade, applies equally to all candidates. Mr. Taylor appealed for support, not upon personal grounds, but for the principles for which he and his party stood, and as a representative for a party giving a clear cut business policy for the betterment of the masses. The attention of the audience was most noticeable throughout the meeting, which closed with cheers for Mr. Crerar, Mr. Taylor and the singing of the National Anthem. In reference to Mr. Taylor's age, he being the youngest of the three candidates, it was fully explained after the meeting by one of the "oldtimers." When Mr. Charters first contested Peel against the late John Smith, his main appeal was his youth against the age of Mr. Smith. "Give the young man a chance" was the slogan and for some distance from his home Mr. Smith had to walk upon these bills pasted to the sidewalk. Before he had gotten down town, however, four Conservatives who disapproved of this attack stopped him and promised him their votes. And John Smith was elected. Will the ravings of "Onlooker" prove another boomerang?

Mr. W. K. Le Diew, the singing evangelist of Toronto Conference, will speak in the Caledon Methodist Church on Sunday morning next. Mr. Le Diew will be accompanied by Mr. Robinson, who will also take part in the service.

A Union meeting will be held in the basement of the Presbyterian Church on Thursday evening for the purpose of organizing a Young People's Society for the community.

Good News For BRONCHITIS Sufferers

FAMOUS DOCTOR ENDORSES PEPS

"Peps are exceptionally suited for the treatment of bronchial ailments; their peculiar composition, their direct influence on the membranes of the bronchi, and their freedom from risky narcotics, being among their many praiseworthy points."

Dr. GORDON STABLES.

These chilly wet November days, when the old bronchial cough shows signs of return, and the chest feels raw and tender, it is important to have handy a box of Peps. They treat chest trouble in the only *direct* scientific way.

You *breathe* the Peps medicine, and it *penetrates* where ordinary medicines cannot. As Peps tablets dissolve in the mouth, the sufferer inhales with every breath rich balsamic pine essences with other volatile medicine. This air-like Peps medicine carries comfort and healing into the chest; it soothes the sore inflamed air-tubes; frees the breathing; loosens phlegm; allays the cough, and relieves the painful tight feeling around the lungs.

Peps are the safest and most valuable remedy ever discovered for throat and chest. With them you can defy coughs and colds, chills and other throat and chest troubles. 50c. box, all dealers.

PEPS

THE REMEDY YOU BREATHE

ALBION

William Guy, one of the oldest residents of the Palgrave district, passed away on Thursday, October 13, at the remarkable age of 95 years. Deceased enjoyed good health until the last. Mr. Guy had lived with his brother-in-law, Mr. Geo. Morris, for a number of years. His remains were laid to rest in Caledon East cemetery, Rev. Dr. Williamson conducting the funeral service.

A truck driven by a stranger collided with the railing at the bridge over the Humber on fifteen sideroad of Albion on Monday. The railing was broken and the truck sustained considerable damage.

"Mr. and Mrs."

What wonderful thoughts come up when these two abbreviations are printed in a news item—what intense human interest they portray. In the country weekly paper, they take the one big place in all items, from the simple visit to relatives, to the larger matters of human lift. "Mr. and Mrs."—the great news item of the universe, the bringer of recollections to the man far from home, who takes his old home town paper and reads the items of Mr. and Mrs. in knee pants and shall we say, short skirts. It's the home town paper week in and week out is to know the great happenings of the world, the doings of "Mr. and Mrs." Subscribe for The Banner.

Whoever said that "Capital and Labor would get along better if there weren't so many trying to get capital without labor" was pretty near right.

A Tribute

Our ability, to explain in print why The Hoover excels, is dwarfed by the enthusiastic endorsement of a half million Hoover users, thousands of whom have been using Hoovers on their carpetings for the past ten or twelve years.

MYSTERY CLEARED UP

Skeleton of Man Found in Tosscortio Swamp.

More than one year ago a young returned soldier, who was at the time working for George Gallagher, a farmer on the second line of Tossorontio, mysteriously disappeared and up till last Sunday no trace of the man had ever been found. On that day some twelve or fourteen young men, on a report from a couple of Pollocks, searched a swamp north of the second line and west of the Pine River and there came upon the skeleton of a man which the Pollocks said they had discovered while coming through the swamp the Thursday previous. The bones were not touched and Dr. J. D. Cunningham, coroner for the southern portion of Simcoe county, was notified.

Monday morning Dr. Cunningham went out to make an investigation and was accompanied by Reeve John Kiernan, Tossorontio, and a number of Everett men. Harry Willard, one of the party who discovered the skeleton on Sunday, came down from Mansfield with his employer, Robert Stinson, to take the coroner's party into the swamp, but the young fellows who had been in there on Sunday had made an easily followed blaze and once it was picked up there was no difficulty in following it. In the very heart of the swamp lay the skeleton. The bones had simply fallen into a heap. The skull and the larger bones still retained their shape, but the smaller ones had disappeared with the action of the elements. The body had been lying in a depression which would probably fill with water at every rain and the intense heat of a summer in such a place would hasten decay.

As it was the object of Dr. Cunningham, as coroner, to ascertain if possible the cause of death or at any rate satisfy himself that there had been no foul play he made an inquiry in the neighborhood and readily came to the conclusion that the man whose skeleton had been found came to his end by his own hand.

There was no doubt about identification. George Gallaugher was with Dr. Cunningham in the swamp and as soon as he saw the boots worn by the dead man he said they were those worn by Frank Waller, pointing out some peculiarities which could not be mistaken. Some shreds of a sweater were also picked up and the coloring on one piece was the same as that worn by Waller. Mrs. Gallaugher had handed Coroner Cunningham a shirt belonging to deceased. She said he had two exactly alike and she had neves seen anything like them before. Some pieces found under the skeleton and the leaves were quite like the sample shirt, and buttons picked up were identical with those on the sample. That the bones were those of Frank Waller there was no doubt. Nothing in the shape of contents of pockets could be found. The trousers and smock had completely disappeared and leaves had partly filled up the depression. A thorough search was made for some instrument with which Waller might have cut his throat, but none could be found. This however, was not surprising to those who saw the place as a knife dropped but a few feet away might never be found. Waller was known to have been smoking a pipe the afternoon he disappeared, but no trace of any pipe could be found.

The bones were gathered up and brought out of the swamp. They were handed over to Undertaker W. F. Kinsey who was instructed by Reeve Kiernan to give them a decent burial as befitted the remains of a soldier who had fought for his country in the Great War.—Alliston Herald.

MASTER MASON

PLUG SMOKING

"It's good Tobacco"

YOU pack real enjoyment into your pipe when you fill up with Master Mason. Because the fine flavor that is packed into the Master Mason plug, HOLDS to the last pipeful. There is no better, handier or more economical way to buy high-grade tobacco, than in the big plug of Master Mason.

WHEN THE FOREST LOOKOUT GOES BLIND

When the forest lookout goes blind, that is when the pall of smoke prevents the lookout man on tower or mountain peak from seeing where the fire it, then comes in the opportunity of the airplane observer. This was proved during the past summer in the Dominion Forestry Branch work centering at Kamloops, B. C. At a period when a smoke pall hid the more distant points from the lookout stations the airplane observer was able to fly over the smoke screen and get a good view of the whole district. He was able to inform headquarters of all incipient fires and thus to secure their extinguishment before they had reached dangerous proportions. One satisfactory feature of this patrol was that the observer was able to see the fire fighters actually at work and thus in a position to direct them to the best advantage.

—It is always safe to send a Dominion Express Money Order. Five dollars costs three cents.

Those who can't get free space to exhibit their sore spots like to call it the "capitalistic press."

SHINERS

A man should be judged by the promises he keeps.

Maybe we should save our gas; it may win the next war.

About now some of the June brides have discovered that some of their hand-embroidered things are suitable to wear in the kitchen.

Attributing all sorts of crime to women and short skirts is old stuff. Even Adam didn't get away with it.

Some of these girls when they put on last winter's high shoes will look all muffled up.

And most women have a strong sense of rumor.

Wonder what these bachelors do who have no wives to blame things on.

Most of us have promises to mend.

What the world needs is a pill for a sluggish fliver.

Another thing that comes out in the wash is the restaurant soup.

Few people wear old clothes these days because the kind now sold wear out before they get old.

Truth is modest but error is a booster.

Among the 'isms that have cooled off considerably in the last year or two is patriotism.

An itching scalf causes hair to fall out and an itching palm causes friends to fall out.

What a peaceful old world this would be if all the stubborn and avaricious people were eliminated and left only us.

Money is a boomerang; turn it loose.

The present situation affords considerable food for thought, that is if hash can be called food.

Life must be dreary for the girl who isn't quite pretty enough to get into the movies and is a little too pretty to work for a living.

The road to normalcy is paved with good intentions.

You can also judge the man by the borrowed pencils he keeps.

Statistics concerning the cars owned by farmers teach that money makes the mare grow obselete.

A poet says communion with the stars puprifies our thoughts. Is the gentleman speaking of movie stars?

About the only means of showing class in a small town is to take opera glasses when attending a free medicine show.

A New York butcher who cut off his thumb went out of business. He probably saw no chance to succeed without a thumb to weigh with the meat.

Business will hang fire until the nations hang together.

A lot of kids get licked in the early morning because dad's razor pulls.

You can't judge by appearances for a bald headed man is seldom a hard boiled egg.

Man learns from bitter experience that the root of all evil is the one the dentist has to excavate after breaking off the tooth.

The honeymoon is over when he begins to hint that she looks just as well in cotton stockings.

The only collar that galls the free man is the one the laundry has tried to convert into a saw.

Some men think they know it all and some try to help their 12 year old children with school problems.

It's getting to be that if a girl refuses to kiss a young man on their first meeting he suspects her of eating onions.

Divorce suits are always pressed with the seamy side out.

Eight hours for work, eight hours for golf.

Gum chewing may be a bad habit but it doesn't fatten the mortality rate like rag chewing.

With the number of tin lizzies increasing ever day the highway is getting to be a regular tinferno.

The poor have one advantage; they don't have to worry about something to do between 9 a.m. and breakfast time.

Still, the tongue of gossip couldn't keep scandal alive except for willing ears.

It is estimated that there is enough coal in discovered fields to keep the miners striking for 3,276 days.

Some folks drop a dime on the collection plate and expect to get a dollar's worth of relgion.

Funny: the more children a woman has the less theories she has concerning them.

A fool and his money may be soon parted but they are lucky to ever have gotten together.

Perhaps the world most needs a peace that assureth understanding.

TOO ILL TO GO TO SCHOOL

Mother Tells how Daughter was Made Well by Lydia E. Pinkham's Vegetable Compound

Colourg, Ont.—"Lydia E. Pinkham's Vegetable Compound was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound and attends school regularly. She is gaining steadily and I have no hesitancy in recommending Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine."—Mrs. JOHN TOMS, Ball St., Cobourg, Ont.

Standing all day, or sitting in cramped positions, young girls contract deranged conditions, and develop headaches, backache, irregularities, nervousness and bearing-down pains, all of which are symptoms of woman's ills. Every mother who has a daughter suffering from such symptoms should give Lydia E. Pinkham's Vegetable Compound a fair trial.

HAS RECALL BEEN CHANGED?

Hambleton, of the Canadian Press, who has been with Hon. T. A. Crerar, the Progressive Leader, all through his present tour, sent the following despatch out from Walkerton the night previous to the Crerar meeting at Shelburne:—

Ontario Progressives have changed their machinery for the recal. As it originally existed, a candidate (in a constituency where the recall existed) would place his signed resignation in the hands of the executive committee of his constituency. If his conduct at Ottawa were found by the committee to be unsatisfactory, he could be called to account. If a certain percentage of his electors approved, by signing a petition to this effect, the candidate's resignation could be sent to the speaker of the House of Commons.

The recall was discussed with considerable bitterness in the House of Commons last session. The charge was made that it interferred with the independence of a member of parliament and subjected him to the dictation of an executive committee at home, a committee not in a position, perhaps, to understand the why and wherefore of a member's attitude in the House. Among propressives themselves the objection was raised that the political opponents of the candidate might sign the petition and perhaps outnumber his supporters.

Under the new machinery it is claimed there is no such possibility. Where a recall resignation is now signed, it will be placed in the hands of the executive committee as under the old arrangement. But there will be no approval or disapproval by petition. If the member is unable to give the committee a satisfactory explanation, the delegates of the nominating convention will again be called together. The member will be required to give them any explanation he may have and they will decide whether or not the member shall be called upon to resign his seat in the house.

Speeches made by Progressive candidates at meetings addressed by Mr. Crerar reveal the fact that they hace not all signed the recall resignation and that there is considerable difference of opinion over its advisability. The recall, it is explained, is entirely a matter of local arrangement between the candidate and his executive committee.

RETAIL MERCHANT'S MEETING

A meeting of the merchants of Fergus was held on Monday in Carnegie Hall.

A.H. Foote-J. Imlah—That Messrs. Steele and Russell be a committee to interview the druggists and bakers.

L. Steele-J. Imlah—That we close the whole year round on Wednesday afternoons at 12-o'clock, excepting December.

It was then decided to organize a Retail Merchants' Association, the following officers being appointed:

Honorary presidents, Jas. Wilson, Jas. Argo, Jas. Russell; President, A. C. Steele; 1st Vice., W. J. Foote; 2nd Vice, J. Imlah; Secy.-Treas., Geo. B. Thompson; Executive, Messrs. Ewing, Jamieson, Seip, McGregor and McRoberts.

Imlah-Jamieson—That any further business be left in the hands of the executive.

W. J. Foote-P. McGregor—That we hold meetings four times a year at the call of the secretary.

G. Thompson-W. J. Foote—That proceedings of this meeting be published in the Fergus News-Record.

L. Steele-P. McGregor—That we secure a black list and a copy be sent to every member of the association.

Imlah-McRoberts—That the membership fee be $2.00.

Imlah-Simpson—That any new merchants coming to town be interviewed by the president and secretary in regard to becoming members of the Fergus Retail Merchants Association.

Russell-McCormick — That any wholesaler who sells direct to the consumer be boycotted, and each merchant be notified to that effect.

Russell-W. J. Foote — That the secretary write to Orangeville to get a copy of a by-law re pedlars.

The meeting then adjourned.—Fergus News-Record.

LET US KNOW

The Banner revised its mailing list last week. Subscribers are asked to examine their address labels and satisfy themselves that the dates, indicating the time to which subscriptions are paid, are correct. If there is an error on your label kindly let us know.

Let the Women Tell Their Story

Mrs. M. E. Robson, 170 Dublin St., Peterboro', Ont., writes: "My daughter of 16 lost appetite, color and was on the verge of nervous collapse. Five boxes of Dr. Chase's Nerve Food completely restored her health and strength."

Mrs. Wm. Woods, Coldwater, Ont., writes: "After the birth of my baby I was run down, nervous and could not eat nor sleep, jumping at the least noise. Dr. Chase's Nerve Food built me up and made me strong and well again."

Mrs. H. Alchorn, 23 Gerald St., Charlottetown, P.E.I., writes: "Dr. Chase's Nerve Food was recommended to me by an aunt who used it while passing through the change of life and was completely built up by its use."

Mrs. Jos. Lalonde, Hydro Glen, Ont., writes: "I was so run down and nervous last summer that I was in bed most of the time. After using Dr. Chase's Nerve Food I am able to do my housework, and, though 76 years old, feel better than I have for years."

"From my experience as a wife and mother I find that the majority of users of Dr. Chase's Nerve Food are women, especially women passing through the change of life; next by young mothers to regain strength after baby comes, and also by mothers for their young daughters entering their womanhood. While it is good for all classes of humanity, I am sure it is especially so for women, as they seem to be troubled most by nervous diseases."—Mrs. H. Alchorn, 23 Gerald Street, Charlottetown, P. E. I.

Every woman is interested in another woman's letters, and we shall give the women a chance to present their experience with Dr. Chase's Nerve Food by quoting from their letters.

If you do not find anyone you know among these ladies, write us for references from people in your community, or ask your friends and neighbors for particulars about Dr. Chase's Nerve Food.

There is scarcely a town, village or hamlet in this great country but can produce splendid evidence as to the restorative, upbuilding influence of this well-known treatment for the blood and nerves.

Mrs. Jennie Haywood, 98 Turner St., Ottawa, Ont.: After 16 weeks in a hospital with rheumatic fever I returned home a complete nervous wreck. I took six boxes of Dr. Chase's Nerve Food, and have had no return of nervous trouble or rheumatism."

Mrs. W. H. McIntyre, Gananoque, Ont.: "About five years ago I used Dr. Chase's Nerve Food when in a state of absolute collapse, and continued its use until I had taken fourteen boxes. I cannot praise it enough, for it worked a miracle in my case."

Mrs. May W. Taylor, 1269 Davie Street, Vancouver, B.C.: "Ten of my circle told me that they take Dr. Chase's Nerve Food for that 'all-in' feeling attendant on the care of children and performance of housework. I myself take it for nervous irritability, and absolutely depend on it. I give my children the Nerve Food during 'examination week,' and am sure it helps them."

Mrs. Annie Bellamy, 33 Pauline Avenue, Toronto, Ont.: "Since the 'flu" epidemic people are resorting to preventive measures more than ever, and find that Dr. Chase's Nerve Food gives protection against the 'flu' and all other germ diseases."

Mrs. W. H. Stoker, 68 Robert Street, Hamilton, Ont.: "A young mother told me she was so glad I advised her to use Dr. Chase's Nerve Food after her baby was born. She had tried many things, but after no success with them I told her just how much benefit I had gained with Dr. Chase's Nerve Food, so she also used it with the same wonderful results."

Mrs. R. I. Scott, Teacher, Czar, Alta.: "After teaching school for two years my nerves were in a shattered condition, and I had almost incessant headaches. The doctor told me I would have to quit, but a teacher friend told me how she was restored by Dr. Chase's Nerve Food under similar conditions. My nerves were completely restored, so that I thoroughly enjoy life."

Mrs. John O'Donnell, 50 Colonial Street, St. John, Nfld.: "While some used Dr. Chase's Nerve Food for run-down condition, ragged nerves and sleeplessness, there was one ailment which predominated—nervous headache. In combating nervous headache Dr. Chase's Nerve Food has no rival."

DR. CHASE'S Nerve Food

Is gentle in action and wonderfully potent in forming new, rich blood and building up the nervous system.

It is woman's greatest friend at every critical stage in her life and is endorsed by women everywhere. 50 cents a box, all dealers, or Edmanson, Bates & Co., Limited, Toronto.

ROD AND GUN FOR NOVEMBER

The November issue of **Rod and Gun in Canada** will delight the sportsmen of the Dominion with its resplendent cover painting showing a picture of a ring necked duck in natural colors. The many interesting stories and articles in this issue include a splendid ducking story entitled "Twenty-six grains of ballistite and one and one eighth ounces of number six." A thrilling account of one of Captain Joseph Bernard's exploratory trips in the Artic regions also appears in the November issue. For the trapper and lover of the outdoor life there is the Trapline department ably edited by M. U. Bates, from material obtained on his own trapline. The usual departments appear in this issue of Canada's National sportsmen's monthly. Rod and Gun in Canada is published monthly by W. J. Taylor, Limited, Woodstock, Ont.

Windsor claims a population of 38,530.

The Man of the Hour

In this hour of Canada's most acute national crisis, the country's greatest need is leadership—not class leadership, not sectional leadership, but NATIONAL leadership. A pilot must be chosen possessing the necessary courage, foresight, breadth of vision and determination to lead the nation safely out of the existing economic uncertainty.

And one man stands out head and shoulders above all others as pre-eminently fitted for the task.

Born on a farm near St. Mary's, Ontario, Arthur Meighen is a true son of the people, a toiler who has fought his way to eminence by sheer ability and force of intellect. Entered Parliament in 1908; appointed Solicitor-General in 1914; Minister of the Interior in 1917; and Prime Minister in 1920.

At the Imperial Conference he was acclaimed by the Press of Great Britain as a great statesman, as a strong, virile, vigorous personality—alert in mind, keen and far-seeing in judgment, and with a fearless determination to stand for the right.

Professor A. D. Skelton, of Queen's University, and biographer of Sir Wilfrid Laurier, wrote of the present Prime Minister : — "He has already given proof of high administrative capacity. His personal integrity is beyond question."

Of himself, Arthur Meighen said to his constituents the other day : — "You know where I stood on this issue in 1908, in 1911, and as in 1911 I stand to-day."

A Real Force A Real Leader

Canada Needs Meighen

HORTICULTURAL SOCIETY

Orangeville Horticultural Society held its annual meeting in the office of the Department of Agriculture on Friday night, when officers were elected as follows:—

Hon.-Pres.—Dr. G. H. Campbell.
President—Mr. E. A. Parsons.
1st Vice-Pres.—Dr. R. W. Rooney.
2nd Vice-Pres.—Miss Shain.
3rd Vice-Pres.—Mr. T. S. Little.
Secretary-Treasurer — Miss Ethel Arkell.

Board of Directors—Miss M. E. Hunter, Miss M. Howard, Mrs. W. R. Liddy, Mrs. W. Fairbairn, Mr. H. F. Tuck, Mr. Geo. Nicholson, Mr. E. M. Still, Col. J. A. V. Preston, Mr. Stanley Wild, Mr. A. R. Mills and Mr. S. Mills.

The Society has done a lot of useful work during the year and it is gratifying to be able to report that its finances are in a very satisfactory condition. While the membership is large new members would be very welcome and there is no better way in which citizens can show their interest and appreciation of the work the Society is doing than by investing one dollar in a membership fee.

NOTICE TO CREDITORS

In the matter of the Estate of Rebecca Little, late of the Township of Mono, in the County of Dufferin, Spinster, Deceased.

NOTICE is hereby given pursuant to R. S. O., 1914, Chapter 121, Section 56 and amending Acts, that all creditors and others having claims against the estate of the said Rebecca Little, deceased, who died on or about the 28th day of September, 1921, are required on or before the 8th day of December, 1921, to send by post prepaid or to deliver to C. R. McKeown, Orangeville, Ontario Solicitor for the Executors of the estate of the said deceased, or to the said Executors, their names, addresses and descriptions, the full particulars of their claims, a statement of their accounts, and the amount of the security, if any, held by them, duly certified.

And further take notice that after the 8th day of December, 1921, the said Executors will proceed to distribute the assets of the said deceased amongst the parties entitled thereto, having regard only to claims of which they shall then have notice, and that the said Executors will not be liable for the said assets or any part thereof to any person or persons of whose claims notice shall not have been received by them at the time of such distribution.

Dated at Orangeville this 10th day of November, 1921.

C. R. McKEOWN,
Solicitor for the said Executors.
William Stinson and Arch McQuilkin
Executors.

THE BIBLE SOCIETY

Rev. W. E. Hassard, District Secretary, Visited Orangeville, on Sunday.

Rev. W. E. Hassard, B. A., B. D., of Toronto, District Secretary of the Canadian Bible Society, spoke in the Presbyterian and Methodist churches and addressed two of the Sunday Schools last Sunday. At the close of the evening service representatives of all the churches met and appointed Col. Preston, President, and W. C. McMillan, Secretary-Treasurer, of the local Branch of the Upper Canada Bible Society. An Executive Committee was also constituted and arrangements will be made shortly for a canvass of the town on behalf of the interests of the Bible Society.

Mr. Hassard, in his addresses, drew attention to the great need of the parent Society, in England, for funds to carry on its work. Last year 8,600,000 copies of Scripture were distributed and 10 new translations were issued. Unless in the world work over $300,000 increase in contributions is secured it will be impossible to meet all the calls.

The demands of China are increasing and will be greater with the introduction of the new system of writing. Last year China received from the British and Foreign Bible Society over 3,600,000 copies.

A very interesting piece of work done during the past winter and spring was the translation and publication of the Gospel of St. John in the Coastal Cree for a tribe of Indians on the shores of Hudson Bay. This work of translation was done by the Rev. Mr. Walton and his wife, and when they returned to their field last June they had the pleasure of taking back copies of the Gospel published by the Bible Society.

During the war the Society gave away over 9 million copies of the New Testament in over 75 different languages to the soldiers of various countries. From Europe insistent calls are coming for the Bible. In Africa the demand is increasing. All over the world men are crying for the Message and it behoves every lover of mankind to get behind such a worthy organization to make it possible for the work to be carried on. Orangeville has again and again demonstrated its interest in this Society and it is hoped that in this time of need the friends will respond even more liberally than hitherto.

FRAGRANCE —The aroma of

"SALADA"

TEA

betokens the perfection of the leaf. Famous for 30 years, Salada never varies the excellence of its quality.

LOCAL NEWS.

—New Overcoat for sale. Size 38; cost $35.00; will take $20.00. Inquire Banner Office.

—A United Farmers will hold their Annual Dance in the Town Hall, Alton, on Wednesday night, Nov. 16th.

—Twenty million people have taken Aspirin with the most gratifying results. Sold by C. V. Jeffers, Orangeville, Ont.

—The Ladies' Aid of the Laurel Methodist Church are having a Fowl Supper and an Entertainment on the night of November 17th. Watch for particulars later.

—A large number of the members and their families attended the Fowl Supper of Prince of Wales L. O. L. No. 320 in the Orange Hall on Friday night last. The Supper, which was a big success, was followed by short addresses by W. Bro. T. H. Bullock, the County Master, J. A. Marshall, Alex. Porterfield and others. The remainder of the night was then devoted to dancing.

Rubber time is here again. We are well supplied with best quality at lowest prices.

Arnott's Shoe Store

—Leonard Halbert has sold his 200 acre farm, the east half of lot 28, con. 2, and the west half lot 27, con. 3, east, Mono, to James Law, of the same neighborhood. Mr. Halbert has purchased a 100 acre farm lot 10, con. 1, west, Mulmur, from Roy Best.

—Dufferin County Council will meet in the Court House here on Tuesday, November 22nd.

—Tanlac's best advertising comes from people who have actually used it. Sold by C. V. Jeffers, Orangeville, Ont.

—Mr. J. B. Irwin, local real estate dealer, has sold Mr. R. W. Langford's house on William St. to Mr. John Moffatt, of Mono.

—S. Charters, John Best and W. A. Boys, K. C., the Conservative candidates for Peel, Dufferin and South Simcoe, held joint meetings at Mono Mills and Ballycroy on Tuesday night.

—Over a quarter of a million well-known men and women from different parts of the country have signed written endorsements for Tanlac. Sold by C. V. Jeffers, Orangeville.

Mr. Malcolm Faulkner, of Caledon, and Mr. Thomas Hughes, of Lefroy, left on Tuesday for Oshawa where they have taken positions.

Mr. P. W. Gaze and daughter, Margaret, of Toronto, were the guests of Mr. and Mrs. G. H. McLean, Zina St., over the week-end.

Mrs. Russell Hamilton left for her home in the West on Tuesday morning after a visit of three weeks with her parents, Mr. and Mrs. John S. Spence.

Mr. and Mrs. Richard Young, Athlone, Ont., announce the engagement of their twin daughter, Evelyn Victoria, to Mr. Henry C. M. Rawn, of Palgrave, Ont., the marriage to take place this month.

Mr. and Mrs. John S. Spence had a pleasant family reunion at their home on West Broadway on Thanksgiving, when their three sons from Toronto, their daughter, Mrs. Russell Hamilton, who has been home from the West, and the other members of their family spent the day with their parents.

HOW MUCH DO YOU LOSE OF THE 22 MILLION DOLLARS?

Lost, annually, by the farmers of Ontario, by using inferior Bulls? In order to provide those farmers who wish to secure pure-bred bulls, the Dominion Live Stock Branch has placed at the COMMERCIAL HOTEL STABLES, Orangeville, a number of young animals to be sold at reasonable prices. These bulls have been selected from good herds and have all passed the tuberculin test.

The present is an excellent opportunity to purchase a Purebred Bull.

A further list of Bulls for sale on file at Office of Dept. of Agriculture.

For further particulars apply to

R. W. WADE, Live Stock Branch, Toronto, Ont.
H. S. ARKELL, Dom. Live Stock Com. Ottawa, Canada.
H. A. DORRANCE, Dept. Agriculture, Orangeville, Ont.

Political Meetings

Political Meetings in the Interest of

JOHN BEST

National Liberal and Conservative Candidate in Dufferin, will be held as follows:

MONO CENTRE
In the Hall, Wednesday, Nov. 9th.

GLENCROSS
In the Hall, Thursday, Nov. 10th.

MANSFIELD
In the Orange Hall, Friday, Nov. 11th.

VIOLET HILL
In the Orange Hall, Saturday, Nov. 12th.

All Meetings will commence at 8 o'clock p.m.

Addresses will be delivered by JOHN BEST, C. R. McKEOWN and others.

OPPOSITION INVITED

Everybody Welcome, Particularly the Ladies.

CANADIAN PACIFIC

"VANCOUVER EXPRESS"
Winnipeg-Calgary-Vancouver

Passengers for Western Canada will find the "Vancouver Express" leaving Toronto 10.00 p.m., daily, a most convenient train, stopping at and connecting for all principal points.

Equipment consists of First-Class coaches, up-to-date Standard and Tourist Sleepers, Compartment, Observation, Dining and Colonist cars.

The most beautiful scenery in Canada is along the line of the Canadian Pacific.

For tickets, reservations and full information, apply to any Canadian Pacific Ticket Agent.

HUNTING PARTY

Messrs. Jos. E. McMaster, Chas. Dyer, Ross McKay, Vernet Armstrong, Dolson Adair and Hugh Greenis left for the north on Saturday evening bound on a two week's hunting expedition. They will make their headquarters at Naiscoot, about 54 miles north of Parry Sound. Mr. Dougal Large, of Camilla, is expected to join the party about the middle of this week.

BUSINESS CHANGE

Another important business change has taken place in the personnel of a well-known Broadway firm within the last week. Mr. J. E. Smith has acquired the interest of his partner, Mr. D. Young, in the firm of J. E. Smith & Co., Massey-Harris and Ford Agents. We understand that Mr. Young received in the neighborhood of $13,000 for his interest in the business, which will be continued by Mr. Smith without any change in the firm name. Mr. Young, we believe, has not settled definitely what he will do in the future, but his friends all hope that his plans, whatever they may be, will not necessitate his removal from town. Honest, reliable and progressive in his business ideals and dealings, Mr. Young will be missed by customers of the firm and the business men of the town generally.

Reliability

PRIMARILY we underwrite Government and Municipal Bonds. We do not often associate our name with a Corporation's Securities.

Consequently, the many investors who have purchased securities from us in the past have had no reason to regret our advice.

In short, when they bought investments from us, they received also whatever of reputation, integrity and good judgment are embodied in the name of W. A. Mackenzie & Company.

By our underwriting of the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, we have extended the field opened up by us in selling the securities of the King Edward Hotel Construction Company, Limited.

Before we underwrote the Mount Royal Convertible Debentures, you may be sure we thoroughly investigated every phase of the enterprise, and, particularly, those matters pertaining to the security and interest and dividend-earning powers of the hotel and its management. We are convinced, so far as it lies within human power to form convictions, that every investor's money in this enterprise will be safe.

We know positively that in no other city of Canada is there so crying a need for hotel accommodation.

We know positively that no other city in Canada has one-quarter of the tourist and commercial traffic passing through it. Montreal is Canada's greatest seaport; it's a transcontinental terminal and the pivotal attraction and distributing point for tourist traffic, conventions and similar sources of revenue.

The Directorate of "The Mount Royal" is strong. It comprises fifteen of the most successful business men in Canada. So able a group of men would never invest in, or associate themselves with, a company the success of which might be in doubt.

In short, you may invest in the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, with the assurance that your money is safe—your 8% interest certain, and your prospects good for a profit from your Common Stock Bonus.

The price of the Debentures is par and interest, carrying a 50% Common Stock Bonus. Send your order now or write for full particulars. Address:

To W. A. Mackenzie & Co., Ltd.
23 King Street West, Toronto.

Dear Sirs: Please send me a copy of the circular describing the 8% Convertible Debentures of The Mount Royal Hotel Company, Limited, and oblige.

HAS NEVER FELT THE RHEUMATISM

Since Taking "Fruit-a-tives" The Famous Fruit Medicine

P.O. Box 123, Parrsboro, N.S.

"I suffered with Rheumatism for five years, having it so badly at times I was unable to get up.

I tried medicines I saw advertised, and was treated by doctors but the Rheumatism always came back.

In 1916, I saw in an advertisement that *"Fruit-a-tives" would stop Rheumatism* and took a box, and got relief; then took "Fruit-a-tives" right along for about six months and I have never felt my Rheumatism since".

JOHN E. GUILDERSON.

50c a box, 6 for $2.50, trial size 25c. At dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

THE TRIALS OF A MAYOR

Some years ago, when conversing with a wealthy public man who had had a large experience in civic government, we asked him why more men of leisure did not take up public work. The answer he gave was significant: "I have many friends who have the time and the means to go in for public life but all are afraid of becoming the butt for all kinds of slander. Why, I never knew what an awful liar I was until I became an alderman." As the man in question was the soul of honor and truth his remarks could not help but make one appreciate the trials of those who conduct public affairs, especially municipal affairs. The conversation was recalled to our mind in reading the experience of ex-Mayor P. W. Johnston, of Marion, (S. C.) who, after six years of office, lost his election. Mr. Johnston is editor of the local newspaper in which he summarizes his term of office as follows:—

We have settled land disputes family disputes, dog disputes, and some unfair accounts.

We have been insulted, disgusted, spat upon, and imposed upon.

We have locked up culprits for wrong-doing and then envied them their place of limbo.

We have been blamed for stopped sewers, blocked streets, heavenly showers, poor telephone service, and the present price of cotton.

We have been cursed for cutting down trees and threatened with death for allowing other trees to stand.

We have been blacklisted for the bum work of one policeman, and ostracized for the sterling work of another.

We have been called a liar until we almost believe it.

We have become widely known as a grand rascal, an arch criminal, a desperado, a policy player, and a bigoted fool.

We have been accused of attempting to give the Presbyterian church title to the town hall.

Mothers have accused us of overrunning the town with dogs, and the dog-owners blamed us with the deluge of babies.

One bunch wanted hogs in town, while another said there were too many hogs already.

They cursed our name when mosquito time came.

They yelled at us when the ditches ran over after having been filled to capacity by the good Lord.

They blamed us for the many peculiarities of their neighbor's dog, chickens, man-servant, maid-servant and mule.

CANTEEN FUNDS DISPOSAL

Voting of returned soldiers to determine the disposal of the army canteen funds, being held in trust by the Government, will commence November 15, and conclude February 1, it was announced by Major N. F. Parkinson, Deputy Minister of the Department of Soldiers' Civil Re-establishment. The questions on which ex-service men and women will vote will be decided by a special committee composed of Major Parkinson, Col. J. W. Margeson, Chairman of the Pension Commission; T. O. Cox, of the Assigned Pay Branch; W. P. Grant, Ottawa business man; C. C. Macneil, Dominion Secretary, G. W. V. A.; J. F. Marsh, Toronto, representing the Grand Army United Veterans; H. Colbourne, Montreal, representing Army and Navy veterans. The ballots will be issued in the form of post cards and will be made available to all concerned at all post offices and at the offices of the D. S. C. R.

Expenditures in connection with the referendum will be charged against the demobilization appropriation and not against the canteen funds.

First, Doctors — Then a Skin Specialist *Then* a bottle of D.D.D.

We shall publish every week for the benefit of skin sufferers in this section, a few words written by Canadian people—some of them of prominence—all heartfelt stories of relief from terrible suffering.

A sentence or two from a letter from J. W. Corns, 33 Melborne Ave., Toronto, a man of fine standing. "I have been a sufferer for two years with eczema on the legs and ankles. I tried three or four different doctors. I went to a skin specialist. All of no use. I used one dollar bottle of D. D. D.—that is all. Today I am perfectly well."

If you wish to try a bottle of this Prescription that Mr. Corns found so remarkable, we will guarantee relief on the first bottle, or your money back. Stop that itch today. $1.00 a bottle. Try D. D. D. Soap, too.

D.D.D.

THE Lotion for Skin Disease

C. R. REID, DRUGGIST, Orangeville

Chambers of Surrogate's Court Brooklyn, N. Y.

June 2nd 1921

Mr. Thomas A. Edison,
Orange, New Jersey.

Dear Mr. Edison:

I want to tell you how highly impressed I was by the realism which the New Edison showed in the comparison test which was given before the Reville Post of the American Legion..

The quality, tone, and humanness of Miss Clark's recreated voice were the same as the quality, tone and humanness of Miss Clark's living voice. With my eyes shut, I could not tell one from the other. The same is also true when Mr. Young played in comparison with a Re-Creation of his own piano-playing, -- and when Mr. Philips sang in comparison with the Re-Creation of his own voice.

Very truly yours,

George Albert Wingate

Gen. Wingate could not tell the living voice from its RE-CREATION by the NEW EDISON

The test General Wingate heard

IN the insert is General Wingate, who commanded the 52nd Field Artillery during the war. The audience, of which he was a part, heard Miss Helen Clark sing in comparison with the RE-CREATION of her voice by the New Edison on May 25th, 1921, in the 2nd Field Artillery Armory, Brooklyn.

Gen. Wingate wrote Mr. Edison, "With my eyes shut, I could not tell one from the other."

If you are thinking phonograph for Christmas, give serious thought to General Wingate's letter.

It suggests, doesn't it, that Mr. Edison has made his phonograph a new kind of instrument, —something infinitely finer and more desirable than the ordinary phonograph or talking-machine.

The New Edison has created the new standards by which people judge phonographs and talking-machines today.

To discover those new standards, you must

Hear the marvelous NEW EDISON

You will discover a phonograph that actually gives all the beauties of the original music. You will find an instrumentality that actually brings all the power of the original music to soothe, refresh, and encourage mind and body.

These wonderful results are possible, because the New Edison RE-CREATES music so perfectly that RE-CREATED performance can not be told from original performance. The New Edison is the only phonograph which sustains this test,—the test of direct comparison. This fact alone sets the New Edison apart.

Christmas Concerts

We are now giving special Christmas concerts, to help Christmas shoppers make comparisons, and to reveal to them the new home-music which the New Edison brings. You are cordially invited. Come any time.

Do not think the remarkable New Edison is beyond you. It isn't.

For $_____ (*Fill in your own first payment*)

you can have a New Edison delivered to your Christmas tree. Pay no more till next year. Then, budget the balance according to your convenience.

This unusual offer means just what it says,—except of course, that the amount you name must be sufficient to indicate good faith.

So, do not hesitate. You *can* have a real New Edison. Come in,—and hear the special Christmas demonstration.

If you wish full details about the Christmas Deposit Plan before you come in, just mail the coupon. Mail it today.
